Southside Virginia Regional Technology Consortium Excellence Award Winners:

Deborah Jamerson was awarded Technology Teacher of the Year. This award recognizes a classroom teacher that advances learning through integration of technology into the curriculum. Debbie is a second grade teacher from Appomattox Primary school.

Daniel Richardson received the Instructional Support Award. This award recognizes an instructional support person that advances a school division's technology environment through providing crucial instructional technology support. Danny, as an instructional technologist, supports maintaining an environment where technology assists all school division's stakeholders in accomplishing their educational goals. Danny is a division instructional technologist and remedial reading teacher.

April Johnson received the award for Technology Support. April is the Lead Computer Technician for the school division. She keeps the lines of communication open between teachers and the technology department. April provides lead support for SOL and Benchmark testing. She coordinates all tech personnel for testing locations and schedules. This year, she has been a leader in the installation of VOIP, IT Work Order system, and converting all machines from Novell to Active Directory.

March Employees of the Month:

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for March, 2011:

Appomattox Primary School:
Rhoda Allen

Appomattox Elementary School:
Melanie Ranson

Appomattox Middle School:
Elizabeth Duncan

Appomattox County High School:
Donald Routt

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the March 31, 2011 Membership Report which indicated the total funded ADM was 2,238 students. This compares with a budgeted ADM of 2,218 for the 2010-2011 school year. (See Attachment # 3)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 4)

VSBA and NSBA Activities

The following VSBA and NSBA activities were discussed:

The Annual VSBA Policy Services Workshop will be held May 27, 2011 in Charlottesville. The deadline for registration is May 13, 2011 and the fee is $95.00 per person. Dr. Grasty is registered to attend.

The Annual VSBA School Law Conference will be held June 3, 2011 in Charlottesville. The deadline for registration is May 20, 2011 and the fee is $165.00 per person. Mr. Waddell and Dr. Grasty are registered to attend.

VSBA Legislative Proposals should be submitted to the VSBA office no later than Monday, June 13, 2011. The Legislative Positions Committee will meet July 20, 2011.

VSBA Orientation for New School Board Chairs/Vice-Chairs and Orientation for New Board Members and Superintendents will be held in Richmond on July 25, 2011. The deadline for registration is July 8, 2011 and the fee is $140.00 per person.

The annual Governor's Conference on Education will be held July 26, 2011 in Richmond. The deadline for registration is June 30, 2011 and the fee is $170.00 per person.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

Comments Following School Facilities Tour Held Earlier Today

Board Members, Dr. Grasty, and Central Office Administrators toured school facilities beginning at 10:30 a.m. and concluded prior to the beginning of the Board Meeting at 3:30 p.m. Board Members were very complimentary of the tour. The Chairman stated her enjoyment of the Land Lab tour and commended the Agriculture Education Program at the high school for the opportunities that are being made available to our students. She also complimented the high school for establishing a Prom Closet and enjoyed having lunch in the cafeteria. Mrs. Bennett and Board Members commented on the many outstanding hands-on instructional activities taking place in the schools. (See Attachment # 5)

School Showcase

Mr. Michael Myers, Principal, and Mrs. Julie Bloomfield, Teacher at Appomattox County High School, showcased the many engaging and meaningful instructional activities taking place at ACHS that specifically impact SOL performance and On-Time Graduation rates. A video themed around "That's Where I Come From" was shared as well as the personal story from ninth grader, India Christian. Mr. Myers thanked the Board for the opportunity to showcase Appomattox County High School.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Radio Bids - Work continues on the Request for Proposal (RFP). Should funds be available within the current school year it is possible a purchase can be made through eVA rather quickly.

2. Stipends and Coaches Pay Scale - Implementation of adjustments in the stipends and coaches pay scale will cost a minimum of $30,000.00 which must be considered as we are looking at a $900,000.00 budget gap between our request and the amount we anticipate receiving in local funding. Mr. McMillan has developed a plan to base the stipend pay off of the minimum wage scale. We hope to have this plan in place by the fall if our budget outcome is positive.

3. Meal Cost Comparison from Surrounding School Divisions - The Meal Cost Comparison Report was provided. (See Attachment # 6) To remain compliant with the Child Nutrition Reauthorization Act, our school division will be required to increase lunch prices by ten cents for the 2011-2012 school year. This request for approval will be brought to the Board at the next regular meeting.

4. Stimulus Funded ACHS ADA Renovations - The project is on schedule and was viewed during the facilities tour earlier in the day. Block work should be completed within the next week with steel work to follow. Movement of steel from the trailer to the building will occur during non-student hours.

5. Insurance Update –

Health Insurance: Board Members were provided a timeline that has been developed by Willis concerning our health insurance coverage. (See Attachment # 7) The timeline indicated RFP's will be submitted to carriers on May 2, 2011 with responses due on May 23, 2011. It is anticipated a recommendation will be presented at the July 2011 Board Meeting.

General Liability and Worker's Compensation: Proposals have been received and a meeting is scheduled with the broker on May 2, 2011 to review their findings. A preliminary comment from the broker indicated rates are expected to be at the current amount or slightly below for significantly increased coverage.

Budget Update

Mr. Edwards referred to the revised 2011-2012 Budget Variables Report presented to the Board at the April 14, 2011 Interim Meeting. (See Attachment # 8) He indicated he is continuing to search for areas of savings, such as: compressed natural gas as a viable option for school buses, review by an energy consultant, copier RFP, and mass bidding of office supplies. Mr. Edwards requested comments and guidance from Board Members concerning areas that

should be reduced in order to reach our anticipated local funding. Mrs. Garrett stated at this point we should keep our established goals in place until we receive a final figure from the county and then determine what cuts should be implemented. She also noted the Board of Supervisors will conduct a Public Hearing concerning the budget on May 2, 2011 at 6:00 p.m.

Report on New Course Offerings in High School Master Schedule

Mrs. Bennett reviewed three new courses that will be offered at the high school next year as a result of the new modified block schedule being implemented for the 2011-2012 school year. (See Attachment # 9)

Update on Waiver Requests for Pre-Labor Day Openings for 2011-2012

Mrs. Bennett reviewed Superintendent's Memo # 098-11 concerning waiver requests for pre-labor day openings for 2011-2012. (See Attachment # 10)

Discussion of 2011-2012 ACPS Attendance Guidelines

Mrs. Elizabeth Haught, Supervisor of Remedial and Special Education, reviewed the proposed 2011-2012 Appomattox County Public Schools Attendance Guidelines. (See Attachment # 11) She stated administrators have expressed a need for guidelines as there are currently no consequences in place for tardies and early dismissals. These types of absences are accounting for a huge amount of lost instructional time for our students. Our Visiting Teacher works very hard to track the attendance of our students and discovered the courts have been reluctant to take action due to tardies and early dismissals unless the school division has a policy in place. A number of surrounding school divisions already have policies or guidelines established. The proposed guidelines for our school division designates three unexcused tardies or early dismissals to equal one day of absence. The guidelines also remove the use of parent notes for excused absences which is not commonly used in other divisions. Mrs. Haught and Mrs. Bennett emphasized parents will be made aware of the changes.

Mr. Waddell asked if the Parent Advisory Committee had provided input on the proposed attendance guidelines. Mrs. Bennett noted this question would be shared with the superintendent with a follow-up report provided to the Board at the next meeting.

Update on Workday Schedule Change Request

At the April 14, 2011 Interim Meeting of the Board, Dr. Grasty noted the Teacher Advisory Committee had made several requests during the school year

for Board consideration of changing the teacher workday hours from 8:00 a.m. – 3:30 p.m. to 9:00 a.m. – 3:00 p.m. Since that meeting, the teaching staff has been surveyed and the results were provided as follow:

Option #1 – 8:30 a.m. – 3:00 p.m. = 79 responses or 59%
Option #2 – 9:00 a.m. – 3:30 p.m. = 56 responses or 41%

The superintendent recommended Option #1, 8:30 a.m. – 3:00 p.m., which received the highest favorable response from our teachers, be implemented for 2011-2012. It was the consensus of the Board to accept the superintendent's recommendation.

Report on AES Girls on the Run Program

Mr. Yarber provided a report on the Girls on the Run Program that is being conducted at the elementary school this year. Girls on the Run is a national program which helps girls' build self-esteem, promotes a healthy lifestyle, and being a role model for others. Jamie Martin, Jennifer Pillow, Dana Glover, and Jennifer Walton serve as volunteer adults who help girls celebrate who they are as they strive to become leaders. Mr. Yarber noted a total of thirteen girls have participated in the program from 3:30 – 5:00 p.m. two days each week. Each girl is allowed to participate in a 5K event at the end of each semester. Pictures exhibiting the participants hard work and determination were shared with the Board.

Update on Mentor Teacher Program

Mr. Bruce McMillan, Director of Human Resources and Staff Development, provided an update on the Mentor Teacher Program in our school division. (See Attachment # 12)

School Related Fund Raisers – Quarterly Report as of March 31, 2011

As required by Policy JL – Fund Raising and Solicitation, Board Members were provided copies of the Quarterly Reports of Fund Raising Activities conducted in our school division for the quarter ending March 31, 2011. (See Attachments # 13, # 14, # 15, and # 16)

Eagle Scout Project Request

Caleb Edwards, a ninth grade student at Appomattox County High School and Boy Scout with Troop 546 in Appomattox, presented his request to landscape the front of the School Administration Building as his Eagle Scout Project. He estimated the cost at approximately $1,000.00. (See Attachment # 17)

Mrs. Garrett thanked Caleb for the information presented, congratulated him on his scouting accomplishments, and stated the Board would consider his request. Rev. Williams requested this item be placed on the next Board Meeting agenda with the Chairman in agreement.

ACTION ITEMS

Consideration of Second Reading and Adoption of Revised Policies

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the second reading and adoption of the following revised policies as presented and recommended by the superintendent:

BCF	-	Advisory Committees to the School Board
CLA	-	Reporting Acts of Violence and Substance Abuse
DJF	-	Purchasing Procedures
GBEA	-	Unlawful Manufacture, Distribution, Dispensing, Possession or Use of a Controlled Substance
GCN	-	Evaluation of Professional Staff
IGBB	-	Programs for Gifted Students
IKEB	-	Acceleration
JHH	-	Suicide Prevention
KKA	-	Service Animals in Public Schools

By unanimous voice vote, the motion was approved. (See Attachments # 18 - # 26)

Consideration of Approval of PPEA Negotiations and Execution of Comprehensive Agreement

It was moved by Mr. Waddell and seconded by Mrs. Martin to authorize the PPEA Committee to negotiate and execute the PPEA Comprehensive Agreement with review by the School Board Attorney. By unanimous voice vote, the motion was approved.

Consideration of Approval of Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2010-2011

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the request for exemption from compulsory attendance laws for bona fide religious belief for the 2010-2011 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 27)

Consideration of Disapproval of Request for Admission of Out-of-County Tuition Student for 2010-2011

It was moved by Rev. Williams and seconded by Mr. Smith to deny admission of the out-of-county tuition student for the 2010-2011 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 28)

Consideration of Approval of 2011-2012 ACPS Attendance Guidelines

It was moved by Mr. Waddell and seconded by Mr. Smith to postpone action concerning the 2011-2012 Appomattox County Public Schools Attendance Guidelines until a later date. This would allow input to be secured from the Parent Advisory Committee prior to Board action. By unanimous voice vote, the motion was approved.

Consideration of Approval of 2011-2012 Staff Calendar

It was moved by Mr. Smith and seconded by Rev. Williams to approve the 2011-2012 Staff Calendar as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 29)

Consideration of Adoption of QSCB Bond Resolution

It was moved by Mr. Waddell and seconded by Mrs. Martin to adopt the QSCB Bond Resolution for the renovation of Appomattox Primary School as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachment # 30)

Consideration of Approval of 2011-2012 Carl Perkins Plan

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the 2011-2012 Carl Perkins Plan as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 31)

Consideration of Approval of Overnight Trips

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the overnight trips as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 32 and # 33)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated March 31, 2011. (See Attachment # 34)

APPROVAL OF BILLS

Rev. Williams moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $405,128.50 – General Fund (See Attachment # 35)
2. $ 45,095.84 – School Food Fund (See Attachment # 36)
3. $ 1,900.00 – General Fund Addendum(See Attachment # 37)
4. $ 3,703.36 – General Fund End-of-Month (See Attachment # 38)
5. $ 84.37 – School Food End-of-Month (See Attachment # 39)

Mr. Waddell seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting will be Thursday, May 12, 2011 at 5:30 p.m. and the next Regular Monthly Business Meeting will be held Thursday, May 26, 2011 at 5:30 p.m. Both meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #128, #179, and #297; and the EEOC matter involving Individual A.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, specifically the monthly school discipline reports and students #52626, #54, #492, #51438, and #98.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 40)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the personnel report as amended and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Retirements 2010-2011:

Elizabeth L. Reynolds – Teacher – Appomattox Middle/County High Schools – Effective: June 30, 2011.

Margaret D. N. Whorley – Teacher – Appomattox Elementary School – Effective: June 30, 2011.

Resignations 2010-2011:

Karena J. Hudson – Instructional Assistant – Appomattox Elementary School – Effective: June 30, 2011.

Aric T. Mawdesley – Teacher/Head Basketball Coach – Appomattox County High School – Effective: June 30, 2011.

Assignment 2011-2012:

Bryan M. Allgood – Band Teacher (11 Month contract) – Appomattox Middle/County High Schools – Effective: August 1, 2011. (Replacing Camille Rabon)

Family and Medical Leave Act 2010-2011:

Lorie O. Carwile – Teacher – Appomattox County High School. Effective: Approximately August 8, 2011 for up to 12 weeks according to FMLA guidelines.

Summer School Assignments 2011:
(Note: Teachers have been informed that if enrollment projections do not warrant their position, the building principal will notify them by the third day of summer school.)

Appomattox Primary School:

Teacher/Coordinator:
Brandy Wells

Teachers:
Susan M. Atkinson
Kelly R. Chavis
Vivian R. Davis
Rebecca M. Deike
Victoria B. Goodman
Lindsay A. Mihalik
Adele M. Richardson
Daniel T. Richardson
Amy C. Vaughan

Teacher Assistants:
Nancy B. Eagle
Catherine T. King

Substitutes:
Tina M. Richardson
Ashley M. Folster

Appomattox Elementary School:

Teacher/Coordinator:
Tracy A. Hoffman

Teachers:
Deborah D. Hix
Danielle Southall Hogan
Charlotte W. Land
Katie D. McCann
Brenda M. Peck
Crystal E. Rees

Teacher Assistant:
Jean M. Moore

Substitute:
Ashley M. Folster

Appomattox Middle School:

Teacher/Coordinator:
Jason L. Wells

Teachers:
Kathryn H. Barber
Samantha Donghia
Kimberly A. Gregory
Bethany A. W. Hunter
Alma D. Scott

Substitutes:
Fannie B. Davis
Ashley M. Folster

Appomattox County High School:

Teacher/Coordinator ACHS:
Marilyn R. Wingfield

Teachers;
Crystal D. Allie
Cynthia P. Martin
Elizabeth C. Ranson
Margaret L. Voorhees
Stacy L. White

Substitute:
Ashley M. Folster

Substitute Teachers 2010-2011:
Ashley M. Folster
Daniella F. Gaulden
Phyllis P. Lambert
Chaudhry F. Mahmood
Julia F. Wingfield
Marilyn E. Wingfield
Barbara R. Wynn

APPROVAL OF STUDENT MATTERS:

Student Number 52626:

It was moved by Mr. Waddell and seconded by Mrs. Martin to expel Student Number 52626 from school for the remainder of the 2010-2011 school year, allow student to take SOL tests as arranged with guidance, and require the student attend summer school prior to finalizing placement for the 2011-2012 school year. Appropriate behavior will be expected during summer school. Behavior referrals during summer school may warrant dismissal and return to the School Board for additional disciplinary action. By unanimous voice vote, the motion was approved.

Student Number 54:

It was moved by Mr. Waddell and seconded by Rev. Williams to allow Student Number 54 to return to school upon completion of the ten day suspension. Any further altercations will result in returning to the School Board for additional disciplinary action. By unanimous voice vote, the motion was approved.

Student Number 492:

It was moved by Mr. Waddell and seconded by Rev. Williams to remove Student Number 492 from the track team for the remainder of the 2010-2011 school year with referral for Day Treatment Services. By unanimous voice vote, the motion was approved.

Student Number 51438:

It was moved by Mr. Waddell and seconded by Rev. Williams to overturn the suspension of Student Number 51438, allow the student to make-up any missed work for April 25 and 26, and allow the student to return to school on April 27, 2011. By unanimous voice vote, the motion was approved.

Student Number 98 :

It was moved by Mr. Waddell and seconded by Mr. Smith to expel Student Number 98 for 365 days due to extremely inappropriate and unacceptable behavior with no alternative placement or community-based educational program. By unanimous voice vote, the motion was approved.

ADJOURNMENT

Mrs. Garrett extended the Board's appreciation to Mrs. Bennett for attending the meeting in the absence of the superintendent.

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Waddell. A unanimous voice vote of approval was recorded.

Clerk of the Board

Attachment # 40

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Principal's Corner

As we wrap up another school year, THREE phrases come to mind – Good Luck, Goodbye, and Great to See You. We wish all the students luck as they complete their SOL tests. We wish the 8th graders lots of luck as we say goodbye to an awesome group of students. And we say Great to See You to ACHS for 2011-2012.

It has been my privilege to work with AMS and the current 8th graders for the past THREE years. As a whole group, they are exceptional. There are individuals who also stand out for going above and beyond. Our goal at the middle school level is not only to educate them to a higher level academically, but also to model for and guide them through the social skills needed in life. As we say goodbye to all of you, we wish you much luck at the high school and beyond.

Awards Ceremony

Appomattox Middle School will be hosting our annual Awards Day Ceremony at Appomattox County High School on **Tuesday, June 7**. Seventh and Eighth grade students will begin boarding school buses at approximately 8:25 a.m. for transportation over to the high school. The 8th grade program will begin at approximately 9:00 am. 7th grade students are invited to attend the 8th grade program. At the conclusion of the 8th grade ceremony, those students will return to their home room bus. **Parents and guardians may sign their 8th grader out of school with their child's home room teacher at the bus. Each home room will have a separate bus**.

The 7th grade awards ceremony will begin at approximately 10:15 with the 6th grade ceremony starting at approximately 10:45. 6th and 7th grade students will then be brought back to the Middle School for lunch. Parents are welcome to sign their student out of school in the main office at AMS.

It is our desire to recognize as many students as possible. Because we salute our 8th graders and send them on to the high school, we honor each 8th grade student with an award. However, we do not guarantee that each student in 6th and 7th grade will receive an award.

We look forward to seeing you there as we recognize the outstanding achievements of our students!

AMS RAIDERS ROCK!!!!!

May the angels of life watch over you and guard you.

May flowers always line your path and sunshine light your day.

May songbirds serenade your every step along the way.

May a rainbow run beside you in a sky that's always blue.

And may happiness fill your heart each day – your whole life through.

~Irish Blessing

Appomattox Middle School Honor Roll

Grade 6: Danielle V Alexander, Joshua Landon Anthony, Lindsay Jo Austin, Devin Gray Bagby, Damion Xavier Barksdale, Destine Nicole Berkley, Kierra Lashae Burrell, Lauran Danielle Campbell, Mason Camille Canada, Ashley Monique Christian, Adrienne Symone Cobbs, Kameron Ashley Coffey, Sidney Marie DeWitte, Harmonie LaSha Elliott, Brittany Nicole Franklin, Brooke Lynn Fulcher, Hayley Tyesha Giles, Rachael Marie Gilliland, Emily Nicole Giuliano, Brannon DeWitt Goin, Catherine Sara Haggerty, Allison Ann Harris, Christopher Lee Hawks, Claire Elizabeth Hegmann, Matthew Dylan Hudson, Carter Thomas Jamerson, Christopher Hunter Johnson, Joshua William Judy, Christian Tyler Kennedy, Kelsey Sharday Kidd, Nathan Kyle Kuegler, Lauren Nicole Lawson, Jordan Camille Martin, Bridget Megan Mayberry, William Tate Mayberry, Stephen Wayne McCormick, Jasmine Shauntel McCoy, Megan Lorraine Metzger, Ashley Danielle Morgan, Sinead Elizabeth O'Neill, Doniel Anthony Paige, Austin Scott Pannell, Mikayla Lynn Pennington, Marisol Christina Ramos, Samantha Kayanne Reynolds, Kashone DeVonte Richburg, Lakima Lyna Robinson, Sophia Marie Romano, Andrew Tyler Sams, Jaime Leigh Smith, Steven Anthony Tappen, Shayla Marie Thomas, Casey Dawn Vandegrift, James Ian Vesterlund, Lauren Aynsley Williams, Brianna Tamia Wright, Jashawn Lamount Wright and Geoffrey Michael Zdgiebloski.

8th Grade Farewell Dance

The 8th grade Farewell Dance will be on Friday, May 27, 2011 from 7:00 pm to 10:00pm. The event and refreshments are free to 8th graders and his/her AMS guest. The theme for the dance is "Dancing with the Stars." Dance attire should be "dressy-dress" but should still comply with AMS dress code. Exceptions will be made for strapless, spaghetti straps and dress length (as close to the knee as possible). There is no charge for the dance and it is open only to eighth grade students and their AMS guest. Refreshments will also be served at no cost. Also, any student that has any outstanding debt to AMS (office, cafeteria or library) will not be able to attend. All students must attend at least half the school day on May 27th to be able to attend the dance. Parking for the dance includes the bus circle, student pick up circle and the front of the school.

8th Grade Recognition Ceremony

The 8th Grade Recognition Ceremony will be held Tuesday, June 7th , 2011 @ Appomattox County High School @ 9:00 a.m.

Greetings to everyone,
I would like to take a moment to say thank you to each and everyone of you for your articles, pictures and submissions for our school newsletter. You are the foundation of the Raider's Digest. A very special thank you to Mrs. Kathryn Barber and Mrs. Samantha Raitter for your 'editing expertise'. I appreciate your time and efforts.
Thank you,
Nadine Pannell
Secretary @ AMS

7th Grade Field trip to D-Day Memorial

On Monday, April 11, the 7th grade students from Appomattox Middle School visited the National D-Day Memorial in Bedford, Virginia. Students were separated into groups, taken on a tour of the memorial, and educated about D-Day. This was a great opportunity for the students to begin reviewing for the upcoming Standards of Learning test by revisiting the information from World War II. The students participated by asking thoughtful questions and recalling information they had learned in class. After the tour of the memorial, students and teachers enjoyed a long lunch break at Liberty Lake Park. Thank you to everyone who made this trip possible. We had a wonderful time.

The D-Day Memorial

The National D-Day Memorial is located in Bedford, Virginia. It serves as the national memorial for US D-Day veterans. The memorial borders the Blue Ridge Mountains in south-western Virginia, in an area comprised of 88 acres that overlook the town of Bedford. It officially opened on June 6, 2001 with 15,000 people present, one of whom was President George W. Bush. About 70,000 people visit the memorial each year. Of those, more than half are from outside of Virginia. Fundraising and building took seven years in planning and approximately $25 million to complete.

Information provided by wikipedia.com

Pi Day

In celebration of Pi Day on March 14th, and as a reward for scoring 80% or better on their benchmark tests, students earned the opportunity to put a pie in the face of their math teachers and administrators. Names of students were drawn from each grade level as students gathered in the courtyard at the middle school. Teachers and administrators donned large trash bags, caps, and goggles to protect themselves from the onslaught of whip cream.

Is that you Mr. Moreno?

Book Fair

Our Scholastic Book Fair is scheduled for May 9-18, 2011. We invite you to our school to share in this celebration of books and reading. Not only does the Book Fair help raise funds to purchase essential classroom and library resources, it encourages reading among our students.

As students grow older, it is so important to keep books in their lives. Students who remain readers now are more likely to be lifelong learners. Readers develop larger vocabularies, a greater knowledge of the world, and higher academic achievement. In fact, studies indicate that being a reader is more predictive of success than intelligence, economic background, or gender.

Do you get tired of the same old thing summer after summer?

If the answer is "yes," then you may want to consider attending Imagination 2011. You will be introduced to the exciting and fun "stuff" we do at Virginia Tech. We have engineers, scientists, and college students who are ready to help you explore the world of technology, engineering, and science not by watching, but by DOING!

When is the Camp Held?

July 11 – 15 and July 18 – 22, 2011

You choose which week you would like to attend.

Who is Eligible?

If you are a rising 7th or 8th grader and have not previously participated in our camp, you are eligible to apply. Imagination 2011 is part of the partnership between Virginia Tech's College of Engineering and Roanoke City Schools. However, the College of Engineering encourages students in Montgomery County and the surrounding counties to participate in this summer experience.

What Should I Bring?

Wear what you usually wear to school, but keep in mind that some of the labs may be messy. Please note that closed toed shoes are required in the labs. Virginia Tech is a large campus, so you will do a lot of walking - comfortable shoes are a must! You will use our computers and laboratory supplies. Lunch will be provided at one of Virginia Tech's dining halls.

What Happens If I Get Sick or Hurt?

All students are covered by comprehensive accident and hospitalization insurance from the time they arrive until the time they leave campus. The Schiffert Student Health Center on campus is able to handle most problems. Please remember insurance will only cover the time between your arrival to and departure from campus.

When Should I Plan to Arrive and Depart?

Imagination 2011 will take place from 9:00 a.m. to 4:00 p.m. Each morning, we will meet you in the Prices Fork parking lot at the corner of Prices Fork Road and Stanger Street. Our staff will be waiting for you at that location. If you are arriving by Smart Way Bus, a staff member will meet you at the Squires Student Center bus stop. Pick up will also take place in the same locations each evening.

You must provide your own transportation to and from Virginia Tech. We recommend using the Smart Way Bus for those traveling from Roanoke and Salem.

Please go to www.eng.vt.edu.htm for more information.

Who Are Your Imagination Engineers?

Bevlee A. Watford, Director of CEED

Ryan Hubbard, Camp Director

Instructors: Virginia Tech faculty and graduate students

Counselors: Virginia Tech undergraduate students

> "Genius begins great works; labor alone finishes them."
>
> Joseph Joubert

How much does the program cost?

A $100 non-refundable commitment fee will be required for those students who are accepted (PLEASE DO NOT SEND A CHECK OR MONEY ORDER AT THE TIME OF APPLICATION). This fee will confirm your spot in the program. **Should payment of the $100 fee cause undue hardship for an applicant, a number of scholarships are available. It is not intended that anyone be prevented from participating due to financial concerns.** Call (540) 231-0434 for further information or go to www.eng.vt.edu.htm.

Special Recognition

Forum Art Contest on

March 8, 2011.

Today is April 1, 2011 and the administration of the Appomattox Middle School are serving our students. "**How may we serve you today**?"

Lost and Found

Students and parents are encouraged to please look for lost items with each grade level teacher, PE teacher, and the main office.

There are many items currently in our lost and found. If they are not claimed, they will be sorted and delivered to a goodwill organization prior to school closing.

School Information

Next meeting ...

The next regular monthly school board meeting is Thursday, May 26th, 2011 @ 5:30 p.m.

In the mid-1970's, researchers investigating a cluster of arthritis cases in children living in the areas around Old Lyme, Conn. names the puzzling disease Lyme arthritis. It soon became clear, however, that, arthritis was only one manifestation of a syndrome that includes cardiac and neurological complications as well.

The carrier of the disease was identified as a tiny deer or bear tick called Ixodes dammini. As it feeds, the tick infects its host with the spirochete Borreliaburgdorferi-named for Willy Burgdorfer, the scientist who initially recognized the organism. The western black-legged tick, 1. pacificus, was later tied to the disease on the West Coast, and two or three other ticks have now been implicated as well.

This baffling disease has few certainties in its presentation. Most people bitten by an infected tick never get sick. Many of those who contract the disease don't develop the characteristic skin rash. And a person may present in the later stages of the disease without ever experiencing the early symptoms.

Stage I. Within a few weeks of the tick bite a rash may appear at the site. Called erythema migrans (EM), it varies greatly in appearance. The classic rash resembles a bull's eye or target, but a great many don't fit this pattern.

Even the classic rash varies greatly in size. It is usually painless, though it may feel hot, burn, or itch. The most common locations are the moist areas of the groin and armpit, or behind the knee. You may see secondary lesions, similar to the primary ones, on other parts of the body, and the lymph gland may be swollen. The rash may go away for a few days or last for a month or more. If Lyme disease is untreated at this stage, the lesions may reappear later.

Patients often experience malaise, fever and chills, nausea, headache, stiff neck, joint pain, or low back pain. Some of these symptoms come and go from hour to hour, and are so commonplace that patients with early-stage Lyme disease are often diagnosed as having the flu or a viral illness. Like the rash, flu-like symptoms may recur.

Stage II. Complications in the second stage of the disease are more serious. Some 10% of patients develop heart block or other cardiac problems. Symptoms include weakness, lightheadedness, chest pain, and dyspnea upon exertion.

Another 10% will have neurological disturbances, most often Bell's palsy-a sudden paralysis of one side of the face. The paralysis is temporary in 95% of treated cases.

An occasional patient develops aseptic meningitis, encephalitis, or polyradiculitis. Second-stage Lyme disease can also mimic Guillain-Barre symdrome and benign intracranial hypertension. In these cases there tend to be spontaneous remissions and relapses.

Stage III. Manifestations of third -stage Lyme disease may occur as early as four weeks after the bite or years later. Arthritis characterizes this stage. It usually involves the larger joints-the knee, ankle, hip elbow, or wrist. About half the victims of Lyme disease experience arthritic episodes: some 10% develop chronic joint pain.

Diagnosis and treatment. Unless a patient remembers being bitten by a tick or develops EM, it's nearly impossible to diagnose early-stage Lyme disease. Blood tests are helpful until antibodies form, some four to eight weeks after exposure. Even then, tests are not standardized and are sometimes inconclusive. False negatives and lab errors do occur.

On the other hand, a positive test does not necessarily mean that the patient has the disease; it simply indicates the presence of antibodies to the Lyme disease bacterium. Each institution has its own reference value for a titer range that indicates current infection.

Prognosis. If they can be treated during Stage I, most victims recover completely. If the disease progresses to the later stages, some tissue damage may be irreversible. It is not known whether the damage is done by the spirochete itself or the immune system's response.

Even with adequate treatment, however, symptoms can recur, although later attacks tend to be less severe. Followup blood tests showing declining Lyme titers are considered an indication that the illness can be successfully treated.

Ounce of prevention is best protection. To feed, the tick attaches its mouth to the host, a process that usually takes from six to 12 hours. If it can be removed during this time, it probably will not infect its victim.

(Information provided by April 1989 RN Master Care Plan)

Appomattox students raise $2,050.00 through St. Jude Math-A-Thon to help kids battling cancer

Students at Appomattox Middle School participated in the St. Jude Children's Research Hospital® Math-A-Thon program and raised $2,050.00 to help kids battling cancer and other deadly diseases. Over the past 7 years students at Appomattox Middle School have raised $10,106.19.

"We are so proud of our students for embracing Math-A-Thon and raising critical funds for St. Jude," said Ann Swanberg, coordinator of the event. "Every dollar raised will help support the St. Jude mission of finding cures and saving children in communities worldwide."

Since its inception more than 30 years ago, Math-A-Thon has become one of America's largest education-based fundraisers. More than 10,000 schools across the country participate in the program every year. Math-A-Thon is also one of the most successful fundraising campaigns for St. Jude, having raised nearly $400 million since its inception.

Math-A-Thon allows students to build and practice essential math skills while they raise funds for kids battling cancer at St. Jude. The program works in the following way: Teachers serve as volunteer coordinators for Math-A-Thon at their school. Participating students solve math problems in a printed or online Funbook. Students ask family and friends for donations in support of their participation in the Math-A-Thon. All donations are sent to St. Jude, where no child is ever turned away because of the family's inability to pay.

St. Jude has teamed up with Scholastic Inc. to make Math-A-Thon a more valuable resource for teachers as they prepare students for standardized testing. The print and online versions of Math-A-Thon Funbooks contain colorful activities developed by Scholastic. The activities support National Standards and are aligned to the National Council of Teachers of Mathematics (NCTM) focal points for each grade level from K–8. The online version of the Funbook allows students to complete grade-specific activities like those offered in the print version but in an engaging game format that tracks points for the student.

About St. Jude

St. Jude Children's Research Hospital is internationally recognized for its pioneering work in finding cures and saving children with cancer and other catastrophic diseases. St. Jude is the first and only pediatric cancer center to be designated as a Comprehensive Cancer Center by the National Cancer Institute. Founded by late entertainer Danny Thomas and based in Memphis, Tenn., St. Jude freely shares its discoveries with scientific and medical communities around the world. St. Jude is the only pediatric cancer research center where families never pay for treatment not covered by insurance. No child is ever denied treatment because of the family's inability to pay. St. Jude is financially supported by ALSAC, its fundraising organization. St. Jude was also named the nation's top children's cancer hospital in the 2010-11 Best Children's Hospitals rankings published by *U.S. News & World Report*. For more information, go to www.stjude.org.

2011 Summer Career Academies – Come One, Come All!

Monday - Friday, August 1 - 5, 2011 – Online Registration Begins March 16, 2011

Central Virginia Community College, in alliance with the Region 2000 Career Pathways through Tech Prep Consortium will once again sponsor high technology career academies for middle school & high school students. These academies are high-quality career exploration events designed to educate and inspire students to explore career pathways in Central Virginia. Camps are available to public and private middle and high school students, offering a planned curriculum, skill-building activities, industry tours, guest speakers and more. Camps are limited to 15 students each.

Cost: $50 non-refundable fee per child. Payment by check or money order only. Payment information will be provided with confirmation of camp availability and your child's acceptance.

All academies will be held Monday through Friday, August 1 - 5, 2011 from 8:00 a.m. till 12:00 p.m. Students may be dropped off at their academy sites after 7:45 a.m. Students will be picked up at their academy sites at 12:00 p.m. Monday - Friday.

For more information, including a link to register, go to http://cvcc.vccs.edu/Workforce/Tech%20Prep/2011%20Academies.asp. Questions? Call Barbara Bragg, Career Pathways Coordinator, at 434-832-7672 or email braggb@cvcc.vccs.edu.

MIDDLE SCHOOL CAREER ACADEMIES (rising 6th, 7th, and 8th graders)

Advanced Manufacturing (CVCC Lynchburg Campus) – Begin with an idea, take it through computer-assisted design, and finish the widget on a computer-controlled machine. Get a view of real world, 21st century manufacturing processes with an emphasis on the latest in technology. This course is for the student fascinated by applied engineering and technology. It introduces students to the entire manufacturing process from research and design (R&D) to prototype production, quality control and assurance, and finally distribution. Students will observe CAD drafting, rapid prototyping, CNC programming and testing, and will tour local companies to see real world applications.

Agriculture Technology (New London Farm, Bedford, VA) – This academy will focus on agriculture-related careers by experiencing hands-on learning activities and demonstrations of cattle farming in Virginia; "From the Farm Gate to the Dinner Plate". Led by the owners and managers of New London Farm in Bedford County, this academy will offer lessons in basic nutrition, cattle breeds, the forage industry, and career opportunities in farming.

Aviation Technology (Liberty University) – The Liberty University Aviation Department and CVCC will partner to teach students about the wonderful world of aviation. Take part in mini-ground school lessons in the university aviation "Pilot Ready Room", build and fly rockets and finish the exciting week with an actual flight in a Cessna 206 Caravan.

Building Trades (Dunbar Middle School) – This academy will introduce students to careers in construction and architecture. It will familiarize them with the many different aspects of building projects from planning to construction. Students will learn basic skills including blueprint reading, use of hand tools, and safety. The group will complete a hands-on project and will tour local job/ companies sites to see real world applications.

Crime Scene Investigation: Investigating Your Future in Law Enforcement (CVCC Lynchurg Campus, Campbell County Technical Center) – Local law enforcement organizations will partner to teach students about various fields of law enforcement with emphasis on crime scene investigation and private investigation. Students will take part in presentations, demonstrations, and practical exercises in collecting evidence that will lead you to solve a mock crime. Three camps will be held this year; two at the CVCC campus in Lynchburg, and one at the Campbell County Technical Center.

Culinary Arts - Middle School (Amherst High School, Appomattox County High School, Campbell County Technical Center) – This academy will introduce students to career opportunities in the food service and hospitality industries. Students will be introduced to basic cooking skills and pertinent safety and sanitation issues within the industry. Students will be encouraged to work both individually and collaboratively within groups to complete hands-on projects and participate in field trips. Three camps will be held this year; one at Appomattox High School, one at Amherst High School, and one at the Campbell County Technical Center.

Experiments Gone Wild (CVCC Lynchburg Campus) – During this academy, students with an interest in science will be given a chance to explore the basics of biology, chemistry, physics and earth science. Labs will be included which look at cells for genetic traits, chemical reactions, electricity, rocks and minerals, and light. The academy will include a field trip to a local lab to see how science plays a role in industry. Students will also be building a laser pointer from a kit to use in some of their experiments.

Health Technologies (CVCC Lynchburg Campus) – This academy is for students who are interested in careers in health technologies where job opportunities are unlimited. Students will be exposed to Radiology, Respiratory Therapy, Medical Laboratory, Emergency Medical Services and Nursing. Students also complete the Family & Friends CPR Anytime Personal Learning Program training.

Information Technology & Digital Multimedia (CVCC Lynchburg Campus) – This academy is for students who are interested in careers in information technology/ wireless communications, and will introduce them to the latest developments in the field. Working both individually and in small groups, students will complete hands-on projects in class, and participate in special field trips.

Motorsports Technologies (CVCC Altavista Center) – This academy will introduce students to NASCAR Motorsports Technology, such as the Busch Series, the Craftsman Truck Series, the Nextel Cup, other racing divisions, and related careers in automotive technology and body fabrication and repair. While the primary focus of the class will be on Motorsports round track race vehicles, students will have the opportunity to learn about other career opportunities in the racing industry. Class sessions will be at the CVCC Altavista Center with field trips in the local area.

Nuclear Technologies (CVCC Lynchburg Campus & AREVA NP Training Center) – This academy will introduce students to the concept and applications of nuclear energy engineering & services. Without exposure to commercial ionizing radiation, students will be taught the challenges and rewards of working in a nuclear services environment. Career opportunities will be highlighted with engineering projects which will include: robotics, non-destructive materials testing and various repair techniques and equipment used in the service and maintenance of nuclear power plants. Students will also tour the local nuclear training facilities.

Women in Engineering (CVCC Lynchburg Campus) – This academy is for middle school girls who would like to use their creativity to build a better world. Sweet Briar College staff and local engineers will take the students on a journey through modern engineering via active engagement. Attendees will receive hands-on experience learning about the engineering design process. From roller coasters to electronics and from geodesic domes to rock n'roll we will explore the engineering of these and other topics.

HIGH SCHOOL CAREER ACADEMIES (rising 9th and 10th graders)

Advanced Engineering (CVCC Lynchburg Campus) – This academy is for boys and girls wishing to explore different facets of engineering. Students will participate in hands-on projects in areas such as robotics, biotechnology, alternative energies, and GIS technology. Students will tour local companies using advanced technology to experience real world applications of engineering.

Advanced Manufacturing (CVCC Lynchburg Campus) – "How It's Made" is a program which reveals manufacturing techniques and processes. If you like this program, then you will really like this camp as we tour local manufactures in the region. See how computerized numerical controlled (CNC) machines perform operations such as drilling, milling, and boring produce specific components or products. Learn how to take an idea, draw on computer aided drafting (CAD), program a CNC machine with the end result being a real part made. Explore manufacturing, using your minds and hands to begin developing a highly needed skill in a highly skilled trade.

Construction Technology (CMC Rebar Virginia, Madison Heights, VA) – This academy is for students interested in construction technology and will give them the opportunity to participate in the key phases of a structural concrete construction project. Students will work with engineers to design the project, with a rebar fabricator to detail and fabricate the required reinforcing steel, and with a contractor to build the project. The student group will tour a local engineering office, reinforcing bar detailing office, and work on a local jobsite. Students will have the opportunity to use CAD software as well as tools and technology on a construction jobsite. The project that is constructed during this academy will be donated to a local organization / cause.

Culinary Arts - High School (CVCC Lynchburg Campus) – This academy will offer students an understanding of the food service industry. Topics of the camp to include: healthy cooking at home, the use of kitchen equipment and how to use a knife, the proper cleaning and sanitizing of a kitchen, and the cooking of certain foods as projects in both team and individual groups. Students will understand the importance of the industry and the career opportunities they have should they choose to be a part of it. We will be emphasizing a healthy look at foods as well as helping students understand the farm to table experience.

HVAC Technologies (CVCC Lynchburg Campus) – This academy is for students who are interested in Heating, Ventilation & Air Conditioning (HVAC). Students will gain a basic understanding of HVAC principles and theory of operation. They will learn about service procedures, basic troubleshooting and repair. The student group will get hands-on training, take a tour of Southern Air's main office to see how the Service Department functions, as well as see how our engineering department and CAD Technicians design HVAC systems. The group will also tour a jobsite, learn about Indoor Air Quality (IAQ), tour our fabrication facility to see how sheet metal and piping systems are made, and learn more about careers in HVAC.

Wireless Technologies (CVCC Lynchburg Campus) – Ever wonder how your text message makes it from your cell phone to your friend's or how TV and radio work? For those students interested in electrical engineering careers, come learn about this exciting communications technology that has dramatically shaped our world and continues to evolve. Explore wireless communications through demonstrations, hands-on projects and field trips to local companies engaged in wireless product design. Students will learn some of the history and engineering aspects of wireless communications and practice problem solving skills utilizing cutting-edge wireless devices. Learn more about careers in electrical engineering from local engineers designing products that affect everyday life.

APPOMATTOX MIDDLE SCHOOL

Club Day

"El Rincon Espanol"

"To reach a port, we must sail-
Sail, not tie at anchor-
Sail, not drift."

Franklin Roosevelt

GENERAL STRATEGIES TO HELP YOU ON THE SOL TESTS

1. READ THE ENTIRE QUESTION.

It is very important that you take the time to read the entire question. If you don't you may miss important information and misunderstand the question.

2. READ ALL OF THE ANSWER CHOICES.

Just as it is important to read the entire test question, it is also important to read and carefully consider all of the answer choices. Remember that for each question, you are looking for the BEST answer. If you do not read all of the answers, you may pick a possible answer but not the BEST answer.

3. TRY EVERY ANSWER.

Try out every answer. By considering each answer, you can be more certain that you choose the BEST answer. The first answer may sound good, but another choice may be a better answer.

4. PROCESS OF ELIMINATION

If you don't know the answer to a question, eliminate any answers that you know are incorrect. Doing this will help you narrow down your choices. The fewer choices left means a better chance of answering the question correctly. Answering even two or three more questions correctly could mean the difference between passing or not passing the test.

5. GUESSING

Guessing should not be the first strategy you try. You should only guess after you have tried other strategies.

By reading the question carefully, you may be able to eliminate one or two of the choices. Make your best guess by choosing the answer that makes the most sense to you.

6. CHECK YOUR WORK

Make sure you have answered every question and have chosen only one answer for each question.

7. USE YOUR ONLINE TOOLS!

Practice using the highlighter; "slash the trash " tool for all of your tests!

Mother's Day is Sunday, May 8th

SOL Testing Schedule Spring 2011

WEEK 1 May 10-13	Please note: Some students with IEP's will test using pencil in small groups rather than online.				
MORNING (8:30)	Lab 1 (207)	Lab 2 (206)	Lab 3 (107)	Lab 4 (512)	Wireless (511)
Tuesday	Raitter – 1st	Maxwell – 1st	Richardson– 1st	Scott – 1st	
Wednesday	Raitter – 2nd	Maxwell – 2nd	Richardson– 2nd	Scott – 2nd	
Thursday	Raitter – 3rd	Maxwell – 3rd	Richardson- 3rd	Scott – 3rd	
Friday	Raitter – 4th	Maxwell – 4th	Richardson- 4th	Scott – 4th	
MORNING (11:30)					
Tuesday	Barber - 1st	B. Hofmann– 1st	K. Gregory – 1st	Hunter – 1st	
Wednesday	Barber – 2nd	B. Hofmann– 2nd	K. Gregory – 2nd	Hunter – 2nd	
Thursday	Barber – 5th	B. Hofmann– 5th	K. Gregory – 5th	Hunter – 5th	
Friday	Barber - 6th	B. Hofmann- 6th	K. Gregory – 6th	Hunter – 6th	
WEEK 2 May 16-20	Lab 1 (207)	Lab 2 (206)	Lab 3 (107)	Lab 4 (512)	Wireless (511)
Friday 8:30				**McDonough—Alt Ed.**	
MORNING (11:30)					
Monday	Meissner – 3rd	Jones – 3rd	Jack - 3rd	Taylor - 3rd	
Tuesday	Meissner – 4th	Jones – 4th	Jack – 4th	Taylor -4th	
Wednesday	Meissner – 5th	Jones – 5th	Jack – 5th	Taylor - 5th	
Thursday	Meissner – 6th	Jones - 6th	Jack – 6th	Taylor - 6th	
Friday					
SOL makeup testing will be in Lab 206 from 8:30-11:30 the week of May 16-20, and all day on Friday, May 27.					
WEEK 3 May 23-27					
MORNING (8:30)	Lab 1 (207)	Lab 2 (206)	Lab 3 (107)	Lab 4 (512)	Wireless (511)
Monday	Servis - 1st	L. Gregory – 1st	Marshall—1st	Reed – 1st	
Tuesday	Servis – 2nd	L. Gregory – 2nd	Marshall – 2nd	Reed – 2nd	
Wednesday	Servis – 3rd	L. Gregory – 3rd	Marshall– 5th	Reed – 5th	
Thursday	Servis – 4th	L. Gregory – 4th	Marshall – 6th	Reed – 6th	
Friday				**Martin—Alt Ed.**	
MORNING(11:30)	Lab 1 (207)	Lab 2 (206)	Lab 3 (107)	Lab 4 (512)	Wireless (511)
Monday	Swanberg – 3rd	Armstrong– 3rd	Wingfield – 3rd	Conkwright – 3rd	
Tuesday	Swanberg – 4th	Armstrong– 4th	Wingfield – 4th	Conkwright – 4th	
Wednesday	Swanberg – 5th	Armstrong - 5th	Wingfield – 5th	Conkwright – 5th	
Thursday	Swanberg – 6th	Armstrong– 6th	Wingfield – 6th	Conkwright – 6th	
SOL makeup testing will be in Lab 206 from 8:30-11:30 the week of May 16-20, and all day on Friday, May 27.					

Please note: Some students with IEP's will test using pencil in small groups rather than online.

Oxner Apiaries

There are some exciting rewards/prizes for the SOL tests. All those who PASS their tests will be entered into a drawing for several items – one entry per test passed – one prize is a brand new bike. Many other prizes will be listed later in the spring. We will host a SOL Pep Rally on **Monday, May 9** to kick off the testing season.

RAIDERS ROCK THE TEST!!!!

On Tuesday, April 26th, Students in 7th Grade Life Science classes participated in a presentation by Mr. Larry Oxner, Bee-keeper. Mr. Oxner owns "Oxner Apiaries" which, at this time, has over 70 bee hives. Mr. Oxner's involvement with bees began at an early age. By the age of 5, he was able to help capture and re-house bee swarms. He is one of the most experienced Beekeepers in our area.

Thank you Mrs. Daily and to your 7th Grade Life Science classes for sharing your presentations with us.

Students in 7th grade Life Science classes explored the characteristics of Animals classified as Mollusks in their dissection of squid in April. In their investigation of the external features and internal organs of squid, students learned much about the structure of all complex animals.

Students also contemplated future jobs as nurses, aides, doctors, veterinarians, veterinarian assistants, and other related areas of study.

Ferrum College

Ferrum College is sponsoring a Summer Enrichment Camp for grades 4-7 on July 10-16 or July 17-23. Class selections include:

- Adobe Photoshop
- Chess
- Cooking 101
- Corel Painter
- Crime Scene Investigators I
- Crime Scene Investigators II
- Google Apps
- Living, 1800 Style
- Math Revolution
- Origami
- Summer Theater
- The Ferrum Challenge
- A Week at Hogwarts Academy

The fee of 635.00 includes room and board, supplies for classes, and a t-shirt. For more information, stop by the guidance office.

Autism Awareness

April is Autism Awareness month. Mrs. East and Mrs. Warner worked to increase Autism Awareness at AMS by providing ribbons to all AMS staff. The students in their class made the ribbons and handed them out to the staff. Mrs. East and Mrs. Warner provided information on Autism in the form of morning announcements, video clips to be shown during Directed Study, and pamphlets from April 11 through April 15, 2011.

Mrs. East's class participated in a mentorship program – STARS (Students Teaching And Reaching Students) - sponsored by the T-TAC Self-Determination Project. The students from the Middle School are mentors to students from APS and AES. The high school students from the Alternative Education Center are mentors to students from APS, AES, and two students from AMS.

The students meet once a month and go on field trips. They work together to develop self-determination skills and positive relationships. Thank you, T-TAC, for your sponsorship.

Mrs. Warner and students enjoy a laugh at AJ's Skateworld.

ACPS Tech News

A Busy Year!

By Brette Arbogast

Using technology in the classrooms. With so many new gadgets and implementation ideas being thrown at educators today, it can seem overwhelming. I would like to point out a few resources that are available for educators of all grade levels. Microsoft has created a web site geared strictly for educators to allow them resources and even pre-made lesson plans that can be incorporated into everyday lessons. The link to access these resources is http://www.microsoft.com/education/lessonplans.mspx . You can simply type in the subject and grade level to get ideas and resources needed to help in the implementation process.

Many of you have the promethean boards but what about those who do not. Promethean planet is also available to all teachers to gain valuable flip charts to help with implementing technology, http://www.prometheanplanet.com/en-us/ .

Please see one of the ITRT's for assistance with either of these sites.

Many of you have other resources and our Division ITRT's are creating SharePoint web sites that will allow your searching for resources to be easier. If you have another site that you would like to have posted on these portal sites please e-mail them to your Division ITRT and they will be posted.

New Phone System???

Why: To reduce the overall cost of ownership to the county
To allow for a quicker response time in the event that a phone problem arises.

Our technology team is trained to work with these new phones and can assist you with any problems. This will also reduce our county expenses by not paying for support.

When: The Primary school is completed. We are implementing a new 911 addressing and will have ready for when school opens in August. This will allow a more precise location to allow for a quicker response in the event of an emergency.

The Elementary school has all phones configured. They will be placed in the school but will not go live until this summer. Teachers will receive training during our convocation training.

Middle School network is currently being configured to support the new phones and will also be put in place during this summer.

High School phones are configured. Phillip is currently placing phones through-out the school. When this is completed training will be setup for all staff. Plans to have completed before teachers leave for summer break.

Teacher Training Sessions???

I would like to remind all faculty and staff that your Division ITRTs are gearing up for training sessions next school year. If you have a suggestion for training that you would like to have offered to either you or your staff ,please e-mail your division ITRT to request training.

NComputing

DeskTop Virtualization

By Phillip Amos

NComputing is a desktop virtualization company that manufactures hardware and software to create virtual desktops which enable multiple users to simultaneously share one computer. This is similar to thin clients but results in better media streaming and audio performance at lower costs. NComputing's vSpace virtualization software, included with the hardware, creates the virtual desktops in the shared PC by dividing the computer's resources into independent sessions that give each user their own PC experience. The company offers three product lines, the X-series, L-series, and U-series. X-series and U-Series devices connect directly to the shared PC via Cat 5 cable (X-series) or USB cable (U-series) This will allow 10 users to share one PC. L-series devices connect to the shared PC over standard Ethernet cables through a router or switch. Using L-series devices will allow 30 users to share one PC. NComputing systems draw less than 5 watts, compared to almost 120 watts for a standard PC. And since NComputing devices produce practically no heat,

they reduce the need for energy-consuming air conditioning. Currently ACHS has L-series devices being used in room 301, guidance, and yearbook department. AES is using a X-series kit in Jason Wells' classroom. AMS English department will be receiving L-series devices in the next few days.

Year in Review at ACPS

You technology department would like to review some of the changes that have occurred over this past year. As with any new implementation we value your opinion and always ask that you provide feedback as to the effectiveness of the new technology.

We have installed: Virtual servers and cloud technology, VOIP, Thin-clients, Promethean boards, automated backup solution, alternative power source in the event of power outages, UPS backups for all closets hosting power over Ethernet switches,

Training schedules are posted at each school to provide teachers with opportunities for training, We have added Active Bulletin Boards to help with communication for students, staff, and parents. We have redesigned network topology to increase uptime and reduce traffic congestion. We have created school level integration plans to align with school goals. We have also initiated a SharePoint portal. We have introduced Apple products such as I-Macs, I-pads, I-pods, and macbooks. New wireless controller systems have been installed to allow for seamless transition from school to school. Finally, we have installed a new work-order system.

These are just the main systems that are new to our county this year. As always if you know of any new technology or have ideas please let us know. Our number one goal is to provide the county with the best most up-to-date technology we can.

Skyping at AES

By Jason Wells

Several classes at AES have been actively involved in Skype. To celebrate "Read Across America Week," Mrs. McCann, a fourth grade teacher, Skyped with Dr. Martin Luther King, Jr. School Complex in New Jersey. During this time, Mrs. McCann's students had an opportunity to learn about New Jersey. Students from New Jersey asked Mrs. McCann's class questions about Appomattox and our school.

During the month or March, AES students participated in a 24 tournament. Each fourth and fifth grade homeroom had 3 competitors in this tournament. To preserve instructional time, the entire school was not able to watch this event. However, with the help of Marion Wood, several teachers were able to use Skype to watch the tournament. During this time, students in Mrs. Carson's, Mrs. Hogan's, Mrs. Land's, Mrs. Hix's, Mrs. Jamerson's and Mr. Wells' classes watched and cheered on their classmates during the tournament. This was a great way to Skype within in our own school building!

To learn more about Skype, contact a division or in-house ITRT.

"Technology Trio" a Success at ACHS

Daniel T. Richardson

The teachers at ACHS took part in a technology staff development during one of the teacher workdays in March. The 'Technology Trio' trained the teachers in three emerging technologies, ActivInspire, Glogster, and Prezi.

ActivInspire is the software that accompanies Promethean learning tools such as the Promethean board and ActivExpressions. The instructor, Brittany Mclean, has a mounted board in her classroom, but was very quick to point out that you didn't need a board to use the tool. A wireless airliner could be used as well. You can find more information at http://www.prometheanplanet.com/.

The Glogster workshop, presented by Felicia Pickrel, showed teachers how to create Glogs. Glogs are interactive, digital posters that can display images, music, and even videos. This resource can be found at http://www.edu.glogster.com.

Alison Paulette presented the Prezi workshop. Prezi is new way to create a digital presentation. The software allows you to zoom in and out of a digital image and to follow a set 'path' instead of looking at a slideshow one slide at a time. You can also embed music, images, and video into your Prezi to make a dynamic and entertaining presentation. Prezi can be found at http://www.prezi.com.

The workshops garnered several compliments and offered teachers a quick resource for new instructional technology tools.

Thanks to all of the instructors for the training and to Ceil Fahrman for working out the logistics of the sessions.

Preparing for summer

By April Johnson

As we are preparing our list of projects for summer work, I am reminded that we haven't asked you lately if you are backing up your files somewhere other than on the school's network or computers. Have you? If not, **it's always a good idea to have your most important files (or better, all of your files) backed up on a flash drive or other removable media (something you can unplug and take with you).** Another thing that comes to mind is files saved on your Desktop. These files are not safe on your Desktop for a couple of reasons. If you go to another computer and log in, the files saved on your Desktop do not follow you. Also, when we go around during our summer work, those files may get deleted when we update computers**. So if you have an important file on your desktop, please move it into your My Documents folder and/or back it up.**

IPads

By Adele Richardson

Our youngest students are leading the way with our county's newest technology, the iPad. The special education preschool classes have been using this new hands-on tool almost daily. I was able to witness one three year old student get the iPad, open it up, turn it on, slide it open, search for an app, and begin playing in a matter of seconds. The students have been enjoying fine motor games as well as alphabet and number recognition apps. One of the four year olds was even able to teach her teacher how to use an app. Stacy White and Mary White have been researching apps and have found many that have been benefiting their students. Even the students that cannot manipulate the screen are enjoying watching their peers using it. Mary has downloaded pictures of her class and has made social stories with her own recorded voice in the Stories 2 Learn app. Stacy has used programs like Doodle Kids, Glow Coloring and Whiteboard to trace individual letters and to help students practice writing their names. Other popular apps among the preschoolers are Wacamole, Soundshaker, and Baby Aquarium which teach cause and affect relationships. The teachers also download short movies from YouTube on the different books that they are reading. But one of the biggest ways that they use the iPad is as a reward when students make good choices. It is their favorite incentive! If these youngsters can use this latest innovation that is taking our world by storm, shouldn't we all get on board?

Live Web Cams

By Marion Wood

What can you see at
http://www.wildearth.tv/cams

"WildEarth (WE) is an **ecosystem of LIVE wildlife channels** and broadcasters. WE believe that by broadcasting LIVE you can actually experience what nature is truly about,
because you feel like you there and because nothing is edited or scripted."

What an amazing abundance of resources at our fingertips. Available just by clicking!

International Children's Digital Library

By Marion Wood

Have a look at the following site filled with books to read for children up to age 13. http://en.childrenslibrary.org/

The International Children's Digital Library won the American Library Association President's 2010 Award for International Library Innovation. The ICDL was also named one of 25 Best Websites for Teaching and Learning by the American Association of School Librarians.

It's Mission "The ICDL Foundation promotes tolerance and respect for diverse cultures by providing access to the best of children's literature from around the world."

It is available for the iPhone.

It is available for the iPad.

The AMS AppSquad

By Susie Fisher

Appomattox County Middle School utilizes students as a Technology Resource.

This year Appomattox County Middle School has created a team of students to help integrate technology into the classrooms. Once a month these students are trained on the latest technology which enables them to take their new knowledge and help students and in some cases teachers use and implement the technology into everyday learning. The new team is called Appsquad.

The students were accepted into the program through an application process which allowed them to explain their technology background and knowledge on specific technology. The team includes Adam Vaughan, Nathan Kuegler, Noah Williams, Shankia Steppe, Chase Mayberry, Jonathan Nash, Leah Martin, and Kendra Fetty.

Appomattox County Middle School is very fortunate to have so many technology savvy students and this is just another way we are allowing our students interest and creativity to shine. The students have all received training on the IPads and IPods and we hope to use their creativity to help enhance learning in the classroom.

These students go through training related to the area where they will be used. Their latest training has been on GPS, IPads, and IPods. Recently, they went into a classroom to help with math apps on the iPad.
The students were very excited and loved doing extra math problems because they got to use the IPads. Brody Tobias said: "It's a fun way to learn."
Last week, they set waypoints on waypoints on the GPS for a math "egg hunt."

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, May 12, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Update of Virginia Pre-School Application for 2011-2012 and Number of Slots

Dr. Grasty noted our school division was not able to participate in the Virginia Pre-School Initiative during the 2010-2011 school year due to the lack of local matching funds. It is our understanding we will receive local matching funds during 2011-2012 and we are in the process of completing the required application to reinstate this pre-school program.

Mrs. Elizabeth Haught, Supervisor of Remedial and Special Education, stated in the past, our school division has received approval for 36 slots which allowed two classes with 18 students per class. She reported as she submitted the initial application she was pleasantly surprised to find we have been awarded 47 slots for next year. The dollar amount we had been given was $204,000.00 with a local match of $77,000.00 which the county has verbally agreed to support. This will be sufficient funds to cover the costs for three pre-school classes next year, but will require an additional teacher and aide be hired for the program. She also noted three classes can be accommodated at the primary school. Mrs. Haught requested direction from the Board concerning the completion of the application process. It was the consensus of the Board to proceed with the Pre-School Initiative Application for 2011-2012 and plan for three classes.

Discussion of Possible Changes to APS/AES Art Programs for 2011-2012

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, reviewed information concerning possible changes to the primary and elementary art programs for 2011-2012 as well as future SOL requirements and failed legislation that would have required additional physical education instructional hours. She requested guidance from the Board as she discussed the following:

- In 2009-2010 one full-time art teacher was assigned at each of our four schools.
- One art teacher retired at the end of the 2009-2010 school year. This position was not filled.
- In 2010-2011, the primary school art teacher also taught art at the middle school. A special education teacher, who was interested in teaching art, also taught one art class at the middle school. The original middle school art teacher continued to teach at the middle school as well as the high school. High school art enrollment decreased by half during 2010-2011. There were no changes in the elementary school art program during the current school year.
- At the end of the 2010-2011 school year, two of our existing art teachers will be retiring.
- A full-time endorsed art teacher will be needed at the middle school during 2011-2012.
- A half-time endorsed art teacher will be needed at the high school during 2011-2012.
- The bill requiring additional physical education instructional hours carries a large amount of support and could cause us to cut non physical education resource positions in the near future in order to add more physical education time.
- Current resource classes include: library, art, physical education, music, and compass math.
- In 2013, fifth grade students will be required to take the SOL Writing Test online. This will require keyboarding instruction be added to the resource schedule.

Following a lengthy discussion, it was the consensus of the Board that the administration proceed as follows:

- One art endorsed teacher would be hired to fill the elementary level art position.
- One full-time art teacher would be placed at the primary school.
- One art teacher would divide her time between the elementary and high schools, half-time at each school.
- One full-time art teacher would be assigned to the middle school.
- A keyboarding aide would be needed at the elementary school.

- The costs would include replacing the elementary art teacher and adding a keyboarding aide.

Budget Update

Mr. Stephen O. Edwards, Director of Business and Operations, provided an update concerning the 2010-2011 Budget and shared the following:

- The March 31, 2011 ADM (average daily membership) was ten students higher than the budgeted ADM which will provide the school division with additional revenue in the amount of $90,000.00.
- These additional funds must be spent prior to the end of the fiscal year in a manner that will meet required local effort.
- We will be processing year-end expenses that are normal for this time in the school year.
- Field repair work will be completed, particularly the practice field at the high school which is extremely worn from continual use. Ten thousand square feet of Bermuda sod will be placed on the practice field that will be restricted from use until the fall.
- Fall athletic equipment will be purchased.
- Carpet, which is fourteen years old, will be replaced in the School Administration Building.
- The high school parking lot will be repaired and repainted and a new traffic pattern will be implemented. This is needed due to severe cracking and large potholes.

The following revised reports were provided to the Board:

- 2011-2012 Budget Variables (See Attachment # 1)
- 2011-2012 Revenue (See Attachment # 2)
- 2011-2012 Expenditures (See Attachment # 3)

Mr. Edwards reviewed in detail the Budget Variables document and stated the budget deficit can be reduced to $114,614.48 by:

- Including programs for At-Risk, K-3 Class Size Reduction, Early Intervention, and SOL Readiness.
- Including middle school sports, a new radio system, and an additional $58,000.00 for fuel.
- Increasing benefit costs for the Virginia Retirement System and health insurance premiums.
- Trimming one and one-half emergency teacher positions and $20,000.00 in substitute pay.
- Reducing travel, tuition assistance, and other miscellaneous expense items.

- Eliminating the purchase of new school buses and step adjustments for employees.

Mrs. Garrett noted the county has not provided the school division with a final local funding amount for 2011-2012. Dr. Grasty stated the next meeting of the Board of Supervisors is May 16, 2011 and we hope to receive written notification shortly thereafter.

Mrs. Martin asked if it might be possible to purchase the radios from the current budget. Mr. Edwards noted we may be able to purchase the radios prior to June 30, 2011; although, he was unsure if sufficient time existed to issue an RFP.

The chairman stated proceeding with the variables report which indicated a deficit of $114,614.48 appeared to be the proper direction to follow. It was the consensus of the Board to proceed with this variables scenario presented by Mr. Edwards.

ACTION ITEMS

Consideration of Approval of 2011-2012 ACPS Attendance Guidelines

It was moved by Mr. Waddell and seconded by Mr. Smith to approve the 2011-2012 Attendance Guidelines as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 4)

Consideration of Appointment of Individual to Serve as School Coordination Contact Person for PPEA

It was moved by Mr. Smith and seconded by Mrs. Martin to approve Stephen O. Edwards be appointed as the School Coordination Contact Person for the Appomattox Primary School PPEA Project as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Eagle Scout Project Request

Mrs. Garrett noted Caleb Edwards presented a proposal to the Board at the April 28, 2011 meeting to landscape the front of the School Administration Building as his Eagle Scout project. Since that meeting Caleb had contacted the superintendent with a revised cost of $900.00 for the entire project rather than the original estimate of $1,000.00. Rev. Williams noted this would be a grand project that would be attractive but not essential. He also noted approving this request would establish a precedent for the next Eagle Scout candidate who addressed

the Board. It was Rev. Williams' suggestion that Caleb raise the needed funds for the project through donations and stated he would be glad to contribute.

Following the discussion, it was moved by Mr. Smith and seconded by Mr. Waddell to approve the Eagle Scout Project as presented. Mr. Smith and Mr. Waddell voted in favor of the motion. Mrs. Garrett, Mrs. Martin, and Rev. Williams voted against the motion. By majority vote, the motion was not approved.

Mrs. Garrett requested once Caleb secures donations to cover the cost of $900.00 he resubmit his request to the Board with a list of sponsors.

Consideration of Approval of Overnight Trip

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the overnight trip as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 5)

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #128, #157, #73; and the EEOC matter involving Individual A.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, and specifically students #52164, #52581, #50440, #12350, #50358, #50672, and #52107.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Waddell, unanimously approved, and recorded by roll call vote. (See Attachment # 6)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Rev. Williams to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2010-2011:

Alison E. Scott – Teacher – Appomattox County High School – Effective: June 30, 2011.

Jared A. Shortmeier – Teacher – Appomattox Middle/County High School – Effective: June 30, 2011.

Family and Medical Leave Act 2010-2011:

Laura W. Evans – Guidance Secretary – Appomattox County High School. Effective: April 25, 2011, intermittently to care for a family member with a serious health condition according to FMLA guidelines.

Zina R. Garrett – Instructional Assistant – Appomattox County High School. Effective: March 29, 2011, intermittently to care for a family member with a serious health condition according to FMLA guidelines.

Summer School Assignments 2011:
(Note: Teachers have been informed that if enrollment projections do not warrant their position, the building principal will notify them by the third day of summer school.)

Appomattox Primary School:

Teachers:
Jennifer Mott
Natasha W. St. John

Substitutes:
Christina Blondek
Lindsey Mihalik

Appomattox County High School:

Teacher:
Susan Hamlette

Classroom-Curriculum Coach
Susan Book

Approval of Student Number 52164

It was moved by Mr. Smith and seconded by Mrs. Martin to expel Student Number 52164 for 365 days due to drug violation. The student will be allowed to complete work in Government and English with a guardian picking-up and delivering items to the school. By unanimous voice vote, the motion was approved.

Approval of Student Number 52581

It was moved by Mr. Smith and seconded by Mr. Waddell to expel Student Number 52581 for 365 days due to drug violation with no alternative placement or community-based educational program. Provisions will be made to allow the student to take required SOL tests at a location to be determined by the SOL Testing Coordinator. By unanimous voice vote, the motion was approved.

Approval of Student Number 50440

It was moved by Mr. Smith and seconded by Mrs. Martin to expel Student Number 50440 for 365 days due to drug violation with no alternative placement or community-based educational program. Provisions will be made to allow the student to take required SOL tests at a location to be determined by the SOL Testing Coordinator. By unanimous voice vote, the motion was approved.

Approval of Student Number 12350

It was moved by Mr. Smith and seconded by Mr. Waddell to suspend Student Number 12350 for the remainder of the 2010-2011 school year. Provisions will be made to allow the student to take required SOL tests at a location to be determined by the SOL Testing Coordinator. The student may return to the high school for the 2011-2012 school year; however, any future serious discipline referrals will result in returning to the School Board for further action. By unanimous voice vote, the motion was approved.

NEXT MEETINGS

The following meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia:

- Regular Monthly Business Meeting – Thursday, May 26, 2011 – 5:30 p.m.
- Regular Monthly Business Meeting – Thursday, June 16, 2011 – 5:30 p.m.
- Close-Out-Meeting – Wednesday, June 29, 2011 – 8:00 a.m.

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Mr. Waddell. By unanimous voice vote, the meeting was adjourned.

_____
Stacy C. Garrett
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 6

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Waddell seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: May 12, 2011

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, May 26, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Bobby K. Waddell, Mr. Gregory A. Smith, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

APPROVAL OF MINUTES

April 11, 2011 – Special Meeting
April 14, 2011 – Interim Meeting
April 28, 2011 – Regular Monthly Business Meeting

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the minutes of the April 11, 2011 Special Meeting, the April 14, 2011 Interim Meeting, and the April 28, 2011 Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared the following information:

1.) The Virginia Department of Education conducted an on-site review of the following federally funded programs: Title I, Part A; Title I, Part D; Title III, Part A; and Title X, Part C, Programs on March 17, 2011. These programs met federal and state requirements. (See Attachment # 1)

2.) One Appomattox County Public Schools' student graduated from the LAUREL Regional Program on May 18, 2011. (See Attachment # 2)

Communication Items from Board Members

There were no communication items from the Board.

RECOGNITIONS

Students and Staff

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox County High School -

FCCLA - State Leadership Competition:
Shannon Gunter and **Rebekah McQuigg** - State Winners in Focus on Children
Stephanie Cook - Bronze Winner in Early Childhood Education
Myasha Dunham - Bronze Winner in Recycle & Redesign; Spirit of FCCLA Award Winner
Faye Raymond, Lillian Goin, and **Brennan Mitchel**l - Bronze Winners in Culinary Arts
Chelsea Dews - Spirit of FCCLA Award Winner

FCCLA - Y-Street Foundation:
Lucy Reed - Selected as Area Representative for the Y-Street Leadership Team

Associate's Degree in General Studies from Central Virginia Community College (CVCC):
Lateesha Christian
Christie Evans
Patrick Franklin
Shaina Jackson
Brittany Mayberry
Rachel Mayberry
Tyler Mullins
Tyler Reeves
Christopher Scott
Jude Swanson
Laban Wingfield

2011 CVCC Technology Fair:
Students from Appomattox drafting and nuclear science classes competed with students from the counties of Amherst, Campbell, Bedford, and the city of Lynchburg, receiving both ribbons and cash awards. Appomattox won the overall school participation award, winning more than all the other schools.

The following drafting students placed as indicated:

PORTFOLIOS OF TECHNICAL DRAFTING STUDENTS:
1st place: **Joshua Ferguson**
2nd place: **Joseph Foxwell**
3rd place: **Marquise Trent**

PORTFOLIOS OF ARCHITECTURAL DRAFTING STUDENTS:
1st place: **Clayton Mosley**
2nd place: **Kendall Hammer**

LIVE 3D MECHANICAL CAD CONTEST:
1st place: **Joseph Foxwell**

LIVE 2D ARCHITECTURAL CAD CONTEST:
1st place: **Kendall Hammer**

LIVE 3D ARCHITECTURAL CAD CONTEST:
1st place: **Andrew Walker**

ARCHITECTURAL INDIVIDUAL MODELS:
1st place: **KC Schultz**
2nd place: **Matt Sayre**
3rd place: **Clayton Mosley**

ARCHITECTURAL GROUP MODELS:
1st place: **Justin Clark, Zachary Richardson**
2nd place: **Kendall Hammer, Jonathon Smith**

TRUSS BRIDGE CRAFTSMANSHIP:
Honorable Mention: **Joseph Foxwell**

TEAM CONSTRUCTION COMPETITION:
2nd place: **KC Schultz, Justin Clark, Zach Taylor, Brandon Hedrick**

MATH TEAM:
2nd place: **Cooper Martin, Joseph Foxwell, Robert Whorley, Zachary Richardson**

The following nuclear science students placed as indicated:

VEX ROBOTICS:
1st place: **Tyler Marshall, Gaige Brooks**
2nd place: **Kendall Hammer, Jeremy Garrett**
3rd place: **Hunter Cheatham, Brandon Ferguson**

Adult Education Program:

Literacy Fair of Virginia, Inc. Essay Contest: "Literacy: Opening Doors"
Rita Berryman - 2nd Place - GED Category
Donna Holcomb - 3rd Place - Pre-GED Category

School Nurses:

Governor McDonnell established May 11, 2011 as School Nurse Day in the Commonwealth of Virginia. School nurses were recognized for the compassionate and dedicated service they provide to our students, staff, and schools.

Sue Waddell - Appomattox Primary School
Angela Lewis - Appomattox Elementary School
Nancy Greene - Appomattox Middle School
Jane Pack - Appomattox County High School

April Employees of the Month:

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for April, 2011:

Appomattox Primary School:
Cathy King and LeeAnn Rasey

Appomattox Elementary School:
Melva Franklin

Appomattox Middle School:
Janet Franklin

Appomattox County High School:
Edward McCann

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the April 30, 2011 Membership Report which indicated the total funded ADM was 2,232 students. This compares with a budgeted ADM of 2,218 for the 2010-2011 school year. (See Attachment # 3)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 4)

VSBA and NSBA Activities

The following VSBA and NSBA activities were discussed:

The Annual VSBA Policy Services Workshop will be held May 27, 2011 in Charlottesville. The fee is $95.00 per person and Dr. Grasty is registered. The superintendent stated middle school principal interviews are also scheduled on this day; therefore, she needs to participate in those interviews and will not be able to attend the Policy Services Workshop. VSBA has been contacted and because we have paid the registration fee, they will mail Dr. Grasty the handouts and CD containing required policy revisions.

The Annual VSBA School Law Conference will be held June 3, 2011 in Charlottesville. The fee is $165.00 per person. Mr. Waddell and Dr. Grasty are registered to attend.

VSBA Legislative Proposals should be submitted to the VSBA office no later than Monday, June 13, 2011. The Legislative Positions Committee will meet July 20, 2011.

VSBA Orientation for New School Board Chairs/Vice-Chairs and Orientation for New Board Members and Superintendents will be held in

Richmond on July 25, 2011. The deadline for registration is July 8, 2011 and the fee is $140.00 per person.

The annual Governor's Conference on Education will be held July 26, 2011 in Richmond. The deadline for registration is June 30, 2011 and the fee is $170.00 per person.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

The following important dates were provided:

1.) June 1, 2011 – ACHS Class Day
2.) June 5, 2011 – 2:00 p.m. – GED Graduation – CVCC Board Room at the Appomattox Satellite
3.) June 5, 2011 – 2:00 p.m. – ACHS Memorial Garden Dedication of New Paver for Mario Luongo
4.) June 7, 2011 – Last Day of School
5.) June 7, 2011 – 7:00 p.m. – ACHS Graduation – The Vines Center at Liberty University. The superintendent stated she would be glad for Board Members to ride with her to graduation. She also stated parking passes were available for those who wish to drive.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Stimulus Funded ACHS ADA Renovations - The project is under roof and slightly behind schedule due to recent heavy rains. The contractor will take over the facility beginning June 8, 2011 with the project expected to be completed on schedule.

2. Update on APS PPEA Project – Mr. Frank Wright, School Board Attorney, has reviewed the Comprehensive Agreement and made only minor adjustments. The PPEA Committee will meet June 2, 2011 to review and approve the Comprehensive Agreement as well as review the next set of drawings. The project is scheduled to get underway on June 7, 2011 at 1:35 p.m. Phase I bids came in very favorably and the 65% drawings will soon be completed.

3. Insurance Update – McNeary Insurance Strategy and Solutions has served as our consultant during the review of insurance information and bids. (See Attachment # 5) Mr. Edwards recommended the Package Insurance be awarded to VSBA in the amount of $52,041.00 and the Worker's Compensation Insurance be awarded to BB&T/SIS in the amount of $48,728.00.

Discussion of Proposed Changes to School Food Service

Mr. Edwards proposed the following changes to the School Food Service Program for the 2011-2012 school year:

1. Change in Meal Prices – As mandated by the Child Nutrition Act, it was recommended lunch prices be increased by ten cents and breakfast prices be increased by five cents for the 2011-2012 school year. (See Attachments # 6 and # 7)

2. Change in Contracted Days/Pay Scale – It was recommended that Food Service Employment Contracts be reduced from 185 days to 182 days in order to remove three ghost holidays and to slightly increase the hourly rates to compensate for the difference. Pending Board approval of this request, letters addressing this change will be included with employee contracts scheduled to be released May 27, 2011. (See Attachment # 8)

Discussion of Remaining 1% Employee Compensation from Jobs Bill Funds

Dr. Grasty noted at the January 27, 2011 School Board Meeting, the Board approved using approximately $288,000.00 for a 2.5% one time employee compensation of the annual base salary in February, 2011 for all qualified employees, except the superintendent, using the $400,000.00 Jobs Bill and SFSF money previously approved on October 28, 2010. Qualified employees were full-time employees who report to work daily (included cafeteria staff and bus drivers) and were in place and working on the job as of August 23, 2010. This payment was given to employees on the last working day in February, 2011 as a separate check. She further stated employees from all schools, bus drivers, and members of the Teacher Advisory Committee have inquired about the payment of the remaining 1%.

Dr. Grasty recommended payment of the remaining 1% one-time employee compensation which was part of the approved 3.5% one time employee compensation at the October 28, 2010 meeting. This will total approximately $112,000.00 and is recommended to be disbursed to employees, with the exception of the superintendent, as a separate check on May 31, 2011.

Mrs. Martin asked if this payment would create any difficulties within the current 2010-2011 School Budget. Mr. Edwards stated the end of the year expenditures and revenues have been calculated to include the 1% payment. Mrs. Martin noted it was the intention of the Board to issue this payment should our current budget allow.

Update on Medicaid Reimbursement for Special Education Services

The superintendent noted our school division began Medicaid reimbursement in 2002 for speech-language, physical therapy, occupational therapy, and psychological services which was very cost effective at that time. Since then, the amount the school division has received has decreased, while the cost of completing the paperwork has increased. Each time the school division completes Medicaid reimbursement requests, half of the total reimbursement amount must be given to the state. The small amount the school division receives in exchange for the many hours of daily and quarterly detailed reports has become much less cost effective.

Mrs. Elizabeth R. Haught, Supervisor of Remedial and Special Education, was attending a Special Education Conference and requested Mr. Edwards present her report on Medicaid reimbursement for special education services. Mr. Edwards referred to Mrs. Haught's report stating the process is increasingly becoming a great aggravation across the board and stated the program is no longer generating revenue. (See Attachment # 9)

Dr. Grasty stated the administration would like to suspend seeking Medicaid reimbursement for special education services because it has become too costly for the school division.

Mrs. Garrett asked what is being done in other school divisions. Dr. Grasty noted participation has decreased during the past seven years.

Budget Update

Mr. Edwards provided a revised 2011-2012 School Budget in the amount of $19,364,994.00 to accommodate the approved local funding amount of $4,284,731.00 by the Appomattox County Board of Supervisors. (See Attachment # 10) He also presented a revised 2011-2012 School Food Budget in the amount of $1,065,246.00. (See Attachment # 11) Mr. Edwards stated the revised budgets do not include the purchase of three new buses or the one step pay increase for employees. He further stated the revised budgets do include the reinstatement of middle school sports as well as all state matching programs, the purchase of new radios, and employee premium increases for health insurance and the Virginia Retirement System.

Mrs. Martin asked if we have received the final information concerning health insurance. Mr. Edwards stated this information has not been received and a meeting is scheduled during the first week in June to review RFP's. He noted the revised recommended budget includes a 14% increase for health insurance premiums.

Dr. Grasty noted no positions have been eliminated due to budget issues except the federal program decreases brought to the Board earlier.

Mrs. Garrett and Mr. Smith thanked Mr. Edwards for his hard work on the budget.

2010-2011 PACE Verification Report

Dr. Grasty reported each year she is required to complete the electronic PACE Verification Report to affirm our school division is following all Department of Education rules and regulations concerning accreditation. Principals must also complete portions of the report.

Update on SWIPE Student Attendance Tracking System at ACHS

Mr. Brette A. Arbogast, Director of Technology and CTE, reported the SWIPE student attendance tracking system that has been utilized at the high school this year has been very successful. The faculty was surveyed to determine if they wish to continue using the program with 74% responding in favor and 26% responding negatively. With the majority in favor of continuing the program, the technology team will work on the parent notification aspect of the program during the summer. It is expected this phase will be in place by the time school opens in the fall. It is anticipated this will be a tremendous benefit to Mrs. Lena McClenny, Visiting Teacher, as she works with students and parents concerning attendance and truancy issues. The cost of the program is $4,900.00 per year with a 20% discount for every Virginia school district that signs-up for the program. This expenditure has been included in our current 2010-2011 budget. Mr. Arbogast emphasized the system will provide accountability of every student which is vital from a crisis management perspective. He also noted we expect to integrate SWIPE with the School Food Café-Enterprise Computer Program by December, 2011.

Professional Development Update

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, provided a report of the 2010-2011 Staff Development activities that have taken place during the current school year. (See Attachment # 12)

Report on Master Schedule Course Collection to Meet Federal Requirements for SFSF

Mr. Arbogast distributed a copy of Superintendent's Memo #031-11 which states the Virginia Department of Education will collect a tremendous amount of information from school divisions as a requirement for receiving State Fiscal Stabilization Funds. (See Attachments # 13) He also provided a power point presentation which detailed how our school division will accomplish this enormous task. (See Attachment # 14)

Mr. Bruce R. McMillan, Director of Human Resources and Staff Development, reviewed how these requirements will impact teacher and principal evaluations that will be tracked directly to student academic progress. (See Attachment # 15) Currently, the Virginia Department of Education plans to make this information available to the public July 1, 2012.

Employee Recognition Banquet Update

Mr. McMillan stated the Fifth Annual Employee Recognition Banquet will be held Tuesday, May 31, 2011 at 6:00 p.m. at the Appomattox Community Center. Ten retirees will be recognized as well as six employees who have been with our school division for twenty-five or more years.

Update on Middle School Principal Search

Mr. McMillan reported more than thirty applications have been received for the middle school principal position which was publicized locally as well as nationally. Five candidates, with administrative experience, will be interviewed on May 27, 2011 by a panel consisting of two middle school teachers, one middle school aide, and three central office administrators. It is anticipated a recommendation will be presented to the Board at the June 16, 2011 School Board Meeting.

ACTION ITEMS

Consideration of Approval of 2010-2015 Gifted Plan

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the 2010-2015 Gifted Plan as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 16)

Consideration of Approval of Student Fees for 2011-2012

It was moved by Mr. Waddell and seconded by Rev. Williams to approve the 2011-2012 student fees as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 17)

Consideration of Approval of Meal Price Increases for 2011-2012

It was moved by Rev. Williams and seconded by Mr. Waddell to approve a ten cent increase in the price of paid lunch and a five cent increase in the price of paid breakfast for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Contract Change for School Food Service Employees

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the change in contract days/pay scale for School Food Service employees for 2011-2012 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 18)

Consideration of Approval of ACHS Application for VHSL Membership for 2011-2012

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the 2011-2012 Virginia High School League Membership Application for Appomattox County High School as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 19)

Consideration of Approval of Worker's Compensation and General Liability Insurance Carrier

It was moved by Mr. Waddell and seconded by Mrs. Martin to award our Package Insurance to VSBA in the amount of $52,041.00 and our Worker's Compensation Insurance to BB&T/SIS in the amount of $48,728.00 for 2011-2012 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval to Disburse Remaining 1% Employee Compensation from the Jobs Bill Funds

It was moved by Rev. Williams and seconded by Mr. Smith to approve paying a one percent (1%) one time employee compensation of the annual base salary from the Federal Jobs Bill Funds as a separate payment with the May 31, 2011 payroll for all qualified employees, except the superintendent, as recommended by the superintendent. Qualified employees are full-time employees who report to work daily (includes cafeteria staff and bus drivers) and were in place and working on the job as of August 23, 2010. By unanimous voice vote, the motion was approved.

Consideration of Approval of Revised 2011-2012 School Budget

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the Revised 2011-2012 School Budget in the amount of $19,364,994.00 and the Revised 2011-2012 School Food Budget in the amount of $1,065,246.00 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 20 & # 21)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated April 30, 2011. (See Attachment # 22)

APPROVAL OF BILLS

Rev. Williams moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $471,156.23 – General Fund (See Attachment # 23)
2. $ 34,270.56 – School Food Fund (See Attachment # 24)
3. $ 10,891.96 – General Fund End-of-Month (See Attachment # 25)
4. $ 84.37 – School Food End-of-Month (See Attachment # 26)

Mr. Waddell seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Regular Monthly Business Meeting will be held Thursday, June 16, 2011 at 5:30 p.m. and the Close-Out Meeting will be Thursday, June 29, 2011 at 8:00 a.m. Both meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #157, #422, #98, #306, and #124; and the EEOC matter involving Individual A.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, specifically the monthly school discipline reports and students #492, #12320, #50716, #50672, #50358, #51841, and #1011-01.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mr. Smith, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 27)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the personnel report as amended and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Retirement 2011-2012:

Brenda C. Sauls – SPED Secretary – Appomattox County Public Schools – Effective: December 31, 2011.

Resignation 2010-2011:

Jean Doherty – Teacher – Appomattox County High School – Effective: June 30, 2011.

Termination 2010-2011:

Nancy H. Davis – Bus Driver – Appomattox County Public Schools – Effective: May 20, 2011.

Assignments 2011-2012:

Amanda J. Ashmead – Teacher – Appomattox Elementary School – Effective: August 8, 2011. (Renewal of her current position).

Assignments 2011-2012 (continued):

Julia Dudley – Teacher – Appomattox Middle School – Effective: August 8, 2011. (Replacing Alecia Hall).

Monica Evans – Teacher – Appomattox County Public Schools – Effective: August 8, 2011. (Replacing Elizabeth Reynolds).

Change in Contract 2011-2012:

Robyn L. Whorley – Guidance Counselor – Appomattox County High School. Change in years of experience – From: 21 – To: 24, confirmed.

Family and Medical Leave Act 2011-2012:

Kelly R. Chavis – Teacher – Appomattox Primary School. Effective: Approximately August 22, 2011, for up to 12 weeks according to FMLA guidelines.

Jill C. McDonough – Teacher – Appomattox County Alternative Education. Effective: August 10, 2011, for up to 12 weeks according to FMLA guidelines.

APPROVAL OF STUDENT MATTERS:

Student Number 492:

It was moved by Mr. Waddell and seconded by Mr. Smith to place Student Number 492 in in-school suspension for the remainder of the 2010-2011 school year. Any future discipline infractions before the end of the current school year may result in expulsion. By unanimous voice vote, the motion was approved.

Student Number 12320:

It was moved by Mr. Waddell and seconded by Mr. Smith to expel Student Number 12320 for 365 days, due to extremely inappropriate behavior, with no alternative placement or community-based educational program. By unanimous voice vote, the motion was approved.

Student Number 50716:

It was moved by Mr. Waddell and seconded by Mr. Smith to suspend Student Number 50716 through the remainder of the 2010-2011 school year with placement at the Pride Center for 2011-2012. The student must maintain proper behavior during transportation to and from the Pride Center; if not, transportation may be reconsidered. By unanimous voice vote, the motion was approved.

Student Number 50672:

It was moved by Mr. Waddell and seconded by Mr. Smith to expel Student Number 50672 for 365 days, due to extremely inappropriate behavior and overt bullying, with special education services to be determined following a court hearing. By unanimous voice vote, the motion was approved.

Student Number 50358:

It was moved by Mr. Waddell and seconded by Mr. Smith to expel Student Number 50358 for 365 days, due to extremely inappropriate behavior and overt bullying, with special education services to be determined following a court hearing. By unanimous voice vote, the motion was approved.

Student Number 51841:

It was moved by Mr. Waddell and seconded by Mr. Smith to place Student Number 51841 on homebound services for the remainder of the 2010-2011 school year with placement in the Appomattox County Alternative Education Program for the 2011-2012 school year. By unanimous voice vote, the motion was approved.

Student Number 1011-01:

It was moved by Mr. Waddell and seconded by Mr. Smith to release Student Number 1011-01 from compulsory attendance to pursue a GED. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Waddell. A unanimous voice vote of approval was recorded.

_____
Stacy C. Garrett
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 27

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Superintendent's Message

Dear Staff,

The end of the 2010-11 school year has arrived! The last ten months have flown by in a flurry of activities and a vast amount of teaching and learning. We have endured bone-chilling cold, heavy rain, and extreme heat. We have also endured another very difficult budget year as the state and local economies continue to stall.

SOL testing has been occurring for nearly the last month. We have been preparing all year for these tests and we can now breathe a sigh of relief at their conclusion.

The end of the year has also been filled with many special activities. We have had field days, club banquets, field trips, athletic play-offs, reward activities, and recognition ceremonies.

Our seniors will graduate on June 7 at 7:00 p.m. at the Vines Center in Lynchburg. We will be graduating 156 students. Thirty-seven of those ACHS seniors are Honor Graduates and 14 students are CVCC Early College Scholars. Thirteen of our seniors will be proudly joining the military. At Class Day, our seniors amassed $395,710 in scholarship awards from 39 different colleges, universities, and organizations. 46 graduates will be attending 2 year colleges and 73 will be attending 4 year colleges. 21 graduates will be entering the workforce and 4 students will be in apprenticeship programs. We are proud of our 2011 ACHS graduates and wish them the very best as they begin the next stage of their lives to reach their goals and aspirations.

Thank you for your many days and hours of hard work with our students this year. You have trudged forward tirelessly to teach and care for our students. You have prepared meals, driven buses, taken care of our buildings, and worked in our offices. Later in the Division Digest you will find a poem to parents that I believe you will enjoy; it is the essence of why we are all in education. We are here to make a difference in the lives of the children we see every day and to help them grow academically and personally. We must hold fast to this essence of hope – that we are truly making a significant, caring, and positively impacting our students' lives here in ACPS.

May you have a wonderfully relaxing and enjoyable summer spent doing those things that you love to do with family and friends.

Happy Summer! Thank you for a tremendous 2010-11!

Dorinda G. Grasty, Ed. D.
Division Superintendent

School Board Meetings:

- Regular Business Meeting — Thursday, June 16, 5:30 p.m.
- Close Out Meeting — Wednesday, June 29, 8:00 a.m.
- Regular Business Meeting — Thursday, July 28, 5:30 p.m.
- Interim Meeting — Thursday, August 11, 5:30 p.m.
- Regular Business Meeting — Thursday, August 25, 5:30 p.m.

Cafeteria Corner

Niki Kempton

A recent study by the CDC showed this generation of children may be the first generation in U.S. history to have a shorter life expectancy than their parents. The Food Service Department recognizes the need for positive changes in our program. We are committed to improving the food selections for our students in the coming years. We plan to do this by:

- Cooking more items from scratch to avoid preservatives and fillers
- Limiting sodium intake
- Switching from canned to frozen vegetables
- Banning transfats & high fructose corn syrup
- Expanding our Farm to School Program
- Offering more healthy choices

We will be switching to more healthy varieties of items kids already love for 2011-2012. For instance, we will be incorporating a new 100% beef hamburger patty and also (back by popular demand) will be featuring our homemade potato wedges on a regular basis. We will be switching to Simply Heinz brand ketchup, a product line that uses no high fructose corn syrup and will experiment in making house salad dressings from scratch.

As you may already know after reading the last School Board Summary, lunch prices are going up $.10 based on the mandatory raise required by the reauthorization of the Child Nutrition Act. Breakfast prices will also go up $.05.

Feedback is always welcome. If you have any ideas on how to improve the Food Service Program in your location or would like to make a comment, please feel free to call me at 352-8251, ext 3, or send me an email at nakempton@appomattox.k12.va.us.

Have a GREAT SUMMER!!

Purchased in 2010-2011:

33,000	Slices of Whole Grain Pizza
27,000	Hot Dogs
25,000	Bottles of Water
20,000	Turkey Sausage Patties
1,000	**Gallons** of Ketchup
600	**Gallons** of Ranch Dressing

Appomattox Recycles!

Niki Kempton

In 2010-2011, Appomattox County Public Schools recycled **10 TONS** of paper & cardboard!!

Special thanks go out to:

Jo Evans who picks up our recyclables from each location each week (which is not an easy task - those bags are HEAVY!).

The Special Education Department whose contribution has been essential in the success of the program.

Appomattox County Recycling Center, who provided us with helpful advice, as well as the gray collection bins.

All staff and students who promote the program by recycling every day!

Adult Education

Mary Jo Pulliam, Instructor

Appomattox County Public Schools, ACE (Adult Continuing Education) of Central VA, and CVCC joined forces last spring to ensure that the county's GED Program would survive despite severe local budget limitations.

The Adult Learning Center, established in 1989 and formerly housed at "the annex" by the bus shop, moved to its new location at the CVCC satellite in the Carver-Price Educational Complex in the fall of 2009.

There have been a total of 30 GED graduates during the current school year. Seventeen of these graduates participated in the Adult Education Program, and thirteen graduates were enrolled in ISAEP.

ISAEP is the only state-sanctioned GED program for high school students, and Appomattox has participated in this program since 2001. ISAEP students are able to prepare for the GED exam while gaining work-readiness skills with Amanda Wodke at the Appomattox Alternative Education School. GED classes are held in the adult GED classroom at the CVCC satellite with Mary Jo Pulliam.

For the first time, the ISAEP students will be allowed to participate in the ACHS Graduation at the Vine Center. A recognition ceremony for the adult GED graduates was held June 5 at CVCC.

Over the summer months, we will begin researching potential ways of storing our recyclables onsite. Being able to store the items onsite could allow us to turn them in for reimbursement to a recycling center in Lynchburg. Based on the current reimbursement rates and the volume of this year's collections, we would have received almost $600.00 in reimbursements for 2010-2011 had we had the opportunity to take them for reimbursement. If anyone has any ideas on storage facilities or anything that could improve the recycling program, please call Niki Kempton at 352-8251, ext 3, or email **nakempton@appomattox.k12.va.us**.

School News

AES SPARKLES WITH SUMMER READING!

During the summer months, AES wants children to read. Our Summer Reading kick-off, beginning June 1 and ending on the last day of Summer vacation, features how reading can be fun, and how "jammin'" with a good book looks! Maybe we'll have milk and cookies to enjoy with our good books. We also invite our parents to an evening of Summer Reading on Monday, June 6 from 7-8 pm. Our special guest readers will be bringing books to life! Can you think of a better way to spend a Summer evening than with a good book? AES wishes you a Sparkling Reading Summer!

AMS Encore Festival

Students gathered this year for the second annual AMS Encore Festival. Throughout the day, each grade level visited the booths set-up by each of the encore classes. The FFA had goats and homemade ice cream, the Spanish Club made piñatas, and everyone could make a craft at the art table. Students could test out new laptops and iPads, watch their LEGO creations in action, and play volleyball or soccer out on the back field. Mr. Moreno and Officer O'Brien volunteered to sit atop the dunking booth while students struggled to sink them. The weather was beautiful, and the festival was a success.

Important Dates

June 7	Last Day of School & ACHS Graduation, 7:00 p.m. @ Vines Center
June 8	Teacher Workday
June 9 and 10	Curriculum Summit @ AES 8:30 - 3:30
June 22	Region 8 Math Workshop- Nottoway High School, Time TBA
July 11 –29	Summer School
August 8	New Teachers Report
August 11	Veteran Teachers Report
August 17	Fee Day & 6th Grade Orientation
August 18	Convocation
August 22	Students' 1st Day

Remedial and Special Education
Beth Haught, Supervisor

Update on Summer School 2011: Applicants for summer school teachers, teacher assistants, substitutes, and coordinators were requested earlier this spring and many applications were received. **There is still a need for a middle school teacher.** If you are interested in this position, please let me know as soon as possible. Dates will be 7/11-7/29 with hours being 8:00 am-12:00 pm daily. This year AMS and ACHS students will be housed at AMS, with APS and AES students at AES. There are also positions available for substitutes. If you are interested in being added to the substitute list, please let me know.

Also, please join me in sending best wishes to Jenny Epling. Jenny has served the special education students of Appomattox Middle School for many years and will be missed as she embarks upon the relaxation of retirement. Thank you, Jenny, for all that you have done for our students!

Curriculum and Instruction
Annette Bennett, Director

Mathematics Textbook Adoption

This spring our schools have been working to review new Mathematics textbooks and make recommendations for adoption and purchase. The Math Standards of Learning were revised by the Virginia Board of Education in 2009 and full implementation of the standards begins in the 2011-2012 school year.

Textbook companies supplied sample books and materials to the schools and each school used a committee of teachers, administrators, parents and students (@ HS) to compare each textbook sample to the new standards.

Final recommendations will be presented to our School Board this summer. Purchases will be made based on the funds that are available in the school budget.

Thanks to the school committees and especially the chair people for organizing and completing this huge task.

Summer Staff Development

I wish I had a nickel for every time I have been asked "So, what do you do all summer?" Most folks outside of the educational system have no idea how much work continues to be done behind the scenes on behalf of our students. The job of a teacher does not end at 3:30 and many do not take much of a break in the summer months either. In addition to teaching summer school, and the many graduate level courses that teachers are taking, below is a list of the local and regional staff development opportunities that many of our teachers will be participating in this summer.

Curriculum Summit

Region 8 Math Institute

Region 8 Interactive Achievement Workshops

Region 8 Test Question Development Workshop

Central Virginia Collaborative for Developing STEM Lessons to Improve Learning in Grades 4 and 5- Sweet Briar and Lynchburg Colleges

COMPD - Math PD opportunity- Longwood College

Leadership Team Training- Differentiated Instruction

Technology classes including: Sharepoint for the K-12 Classroom, ActivInspire Software and The Interactive Classroom

Thanks to all of our dedicated teachers who continue to model the importance of life long learning!

Maintenance
Timmy Garrett, Supervisor

The Maintenance Department has already started on summer projects, with the first being ordering all the supplies for the next school year and lining up work to be performed this summer.

In-service training for all custodial and maintenance staff has been scheduled for the following topics: getting up to date on safety procedures dealing with material safety data sheets, blood borne pathogens, right to know laws, lawn mower safety and ladder safety, and good work practices.

The custodians will be scheduling restorative care on all classrooms, cleaning classrooms top to bottom, cleaning carpets, floors, and windows.

Maintenance will be starting preventive maintenance on cafeteria equipment and on air conditioning and heating equipment. We will be servicing the ventilation system, along with cutting grass and facilitating contractors working on the ACHS gym lobby/bathroom project and the APS renovation project. Summer is a busy time for us!

Congratulations!!

School News

APS - Flat Stanley

Mrs. Wells' and Mrs. McConville's kindergarten classes have read Flat Stanley and were visited by parent, Bobby Swanberg, who read to the classes and created a giant Flat Stanley for the kids to take on an adventure around APS. Pictured are the students of both classes with their Flat Stanley's, as well as the giant Flat Stanley that came to visit the class. Students took their Stanley's home during spring break so that they could take Stanley on some adventures. Their Stanley's visited grandma's houses, went on Easter egg hunts, saw the beach, went to the park, and to the movies. Many more Flat Stanley's have been sent to different states, and the students are anxiously awaiting their return. This project has taught the students about not only the book, but about different places throughout the state and the country. It has been an activity that they have all enjoyed!

ACHS - First Annual FFA "Little Farmers Day" at APS

On April 13, 2011 a stroll across the Appomattox Primary School campus might have reminded you of a barnyard. ACHS FFA members planned and organized the first annual "Little Farmers Day" for the entire first grade at APS. The purpose of the event was to help first graders understand where their food comes from, how to care for animals, and to expose them to the wide variety of agricultural industries in Appomattox County. Over 45 FFA members spent the day at 9 different stations that ranged from beef cattle, equine, poultry, small grains, horticulture and more. Donning straw hats, each first grade student got to hold baby chicks, pet a pig, sheep, goat, horse and cow, plant a vegetable, milk a cow, make a grain art jar and meet Smokey The Bear.

The event would not have been possible without the generous support of many organizations and individuals who donated resources or time. The ACHS FFA would like to extend sincere thanks and appreciation to: APS first grade teachers, staff, and chaperones; Heather Mullins and Jason Bowyer, APS Administrators; Dodd's Farm Supply; Appomattox County Farm Bureau; Joanne Jones, Appomattox County Farm Bureau Young Farmers; Bonnie Tillotson and Bruce Jones, Virginia Cooperative Extension, Appomattox Office; The Southeast United Dairy Industry Association, Inc.; Virginia Soybean Association; Rick Butler and Shannon Lewis, Virginia Department of Forestry; Billy Perrow; Jack Baker; and the countless others who helped behind the scene. This activity demonstrates the FFA's commitment to premier leadership, personal growth, and career success.

Technology

Brette Arbogast, Director of Technology and CTE

This summer the technology team will be busier than ever. Every year the Technology Department must submit a Technology Plan that includes computer lifecycles, replacements, and additions. According to this year's plan, the primary and high school teacher and library computers will be replaced. New VoIP (Voice Over Internet Protocol) phones will be installed and tested in the elementary/middle/high schools. New main switch will undergo its last configuration to establish a 10gb connection to the high school and an upgraded 50mb internet connection will be re-routed to the Tech Center. Middle school lab will be replaced. An old lab will replace a smaller lab at the elementary school; every computer in every lab will be either updated or reloaded. Other things include a new upgraded ASA switch, which controls access to the internet, will be installed to enable a redundant link in the event one of our ASA switches goes down, additional computers to be installed in business labs at the high school to accommodate the increase in students, rewiring one high school lab and installing a new switch to accommodate the additional wiring.

As you can see, many things will be happening in our department over the summer months. If you have any specific requests please contact your school/division ITRT or your technician. Thank you for being a great staff to work with and I hope all of you have a restful summer.

Business and Operations

Steve Edwards, Director

I am happy to report that the School Board approved an operating budget for the 2011 – 2012 year of $19,364,994 and a Food Service Budget of $1,065,246 May 26, 2011. While this budget does not allow us to purchase the 3 new buses we needed, or the requested money to allow for step adjustments, the team here in the school board office was able to find ways to balance the budget without forced loss of positions.

We recently received positive financial news on the insurance front – this time from our General Liability and Worker's Comp Insurance. We significantly improved our coverage limits and values, and our rates dropped. Much of the credit for this goes to our staff– by having relatively accident free work histories, it helps keep these rates lower.

This savings also is the result of going out for bid, and a softer insurance market. We hope to have similar results as we rebid our health insurance over the next month or so.

Construction Notes: Both the APS and ACHS construction projects will be hitting high speed on June 7th and 8th. At APS, look for bulldozers and graders to be on site about five minutes after the last school bus pulls out. The plans are to complete the site work and paving this summer. It will be a crazy place this summer, so my suggestion is to avoid the site if at all possible. The ADA renovations at the high school will also be in high gear with completion set for before the opening of school in August. The areas of construction will be cordoned off and the crews will be working nights and weekends. Please avoid the gym-lobby area entirely!

From business and operations – Have a GREAT summer! See you in the fall.

Transportation

Matt Lair, Supervisor

Many people are under the mistaken idea that since we don't have school in the summer that bus shop employees are off for the summer. They are very wrong. In reality, summer seems to be busier than the regular school year. During the school year we get into a routine and the routine is entirely different during the summer.

During the summer, the mechanics have to perform a 180 day inspection on the buses and a Virginia State Inspection, steam clean the underside and engine compartments, change air filters, oil filters, water filters, fuel filters and replace radiator hoses, brakes and clutches where needed. In addition to these chores they also have to repair anything else in the fleet needing repair. After the buses, they have to do most of the same jobs to all of the schools cars, trucks and tractors.

We have a company that comes in and repairs all of our bus seats. After the seats are repaired, then we have two part-time people that wash the interior and exterior of the buses.

In the office we have many things to accomplish over the summer. Besides our year-end payroll we have summer school, summer sports trips, 4-H Camp, special schools and camps in Lynchburg, band camp and forestry camp in addition to some others that I am sure we missed. We have to review and build regular routes and special ed routes, hopefully train some new drivers (*If you know anyone interested in driving a bus, please send them our way*), and compile all the information for our final report that goes to the Department of Education.

All of this has to be accomplished, keeping in mind that my staff and I have to work vacations into the mix. During summer school one mechanic has to work, as well as one person in the office. As you can imagine, this can be very hectic at times. It definitely is a change of pace from the regular school year.

Human Resources
Bruce McMillan, Director

The Fifth Annual Recognition Banquet was held on Tuesday, May 31st to honor all of those employees who have decided to retire this year. In addition, we recognized several employees who are celebrating milestone years of service with Appomattox County (25, 30, 35, and 40). More than 60 people turned out for the big event which was held at the Appomattox Community Center. It certainly appeared to me that a good time was had by all!

HONOREES

40 Years of Service
Ms. Elizabeth "Biff" Gillam
35 Years of Service
Mrs. Lucy Harris
Ms. Regina Robinson
30 Years of Service
Mr. Doug Marshall, Jr
25 Years of Service
Mrs. Karen Cyrus
Mrs. Sue Waddell

IN MEMORY

Mr. Mario Luongo – 13 Years
Mr. Bobby Mitchell – 13 Years as School Board Member

2011 RETIREES

Mrs. Jenny Epling – 21 Years
Mr. Terry Epling – 17 ½ Years
Mrs. Zona Major – 14 Years
Mrs. Marie Morgan – 31 Years
Mr. Billy Perrow – 41 Years
Mrs. Beth Reynolds – 31 Years
Mrs. Donna Small – 13 ½ Years
Mrs. Anne Weakley – 19 ½ Years
Mrs. Maggie Whorley – 33 Years
Mrs. Gayle Williams – 15 Years

Dear Parents,

I give you back your child, the same child you confidently entrusted to my care last fall.

I give him back pounds heavier, inches taller, months wiser, more responsible, and more mature than he was then. Although he would have attained his growth in spite of me, it has been my pleasure and privilege to watch his personality unfold day by day and marvel at this splendid miracle of development. I give him back reluctantly, for having spent nine months together in the narrow confines of a crowded classroom, we have grown close, have become a part of each other, and we shall always retain a little of each other.

Ten years from now if we meet on the street, your child and I, a light will shine to our eyes, a smile to our lips, and we shall feel the bond of understanding once more, this bond we feel today. We have lived, loved, laughed, played, learned, and enriched our lives together this year.

I wish it could go on indefinitely, but give him back I must. Take care of him, for he is precious. Remember that I shall always be interested in your child and his destiny, wherever he goes, whatever he does, whoever he becomes.

His joys and sorrows I'll be happy to share. I shall always be his friend.

- Author Unkown

Appomattox County Education Foundation Scholarship

The Appomattox County Education Foundation, Inc. was established in 1988 by local officials and business individuals in the community for the sole purpose of providing college scholarships to deserving graduates of Appomattox County High School. During the past 22 years, 63 scholarships totaling $31,500.00 have been awarded to ACHS graduates. Employees of Appomattox County Public Schools have generously contributed to this scholarship fund through payroll deduction since the foundation was established. Payroll deduction can be processed at a minimum monthly contribution of $1.00 and forms are available by contacting Mitzi Letterman at mbletterman@appomattox.k12.va.us. If you are interested in contributing to this scholarship fund for ACPS students, you may set this up in September or January with Mrs. Letterman.

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, June 16, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Bobby K. Waddell, Mr. Gregory A. Smith, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

APPROVAL OF MINUTES

May 12, 2011 – Interim Meeting
May 26, 2011 – Regular Monthly Business Meeting

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the minutes of the May 12, 2011 Interim Meeting, and the May 26, 2011 Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared a letter of appreciation received from the parent and grandparents of a recent graduate thanking teachers and staff for assisting this student. (See Attachment # 1)

Communication Items from Board Members

The Chairman stated she had also received the same letter referenced by the superintendent.

RECOGNITIONS

Students and Staff

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox County High School -

FFA - Central Virginia Livestock Show:

Caleb Baker - Grand Champion Hog Showman
Tyler Wallen - Reserve Grand Champion Hog Showman; Placed 1st in Market Hog
Carson Baldwin - Market Steer Class Winner; Placed 3rd Overall
Dylan Garrett - Market Lamb Class Winner; Placed 3rd in Sheep Showmanship
Brandon Morgan - Placed 1st in Lamb Showmanship Class and 2nd Place Overall
Jalen Thomas - Grand Champion Market Goat; Placed 3rd Overall in Showmanship
Corey Hodges - Raised the Reserve Champion Doe Goat
Edward McCann – Teacher and FFA Advisor - Recipient of Region VIII Individual Awards of Creating Excellence for Exemplary Contributions to Career and Technical Education in the Commonwealth of Virginia

Appomattox Middle School:

FFA - Central Virginia Livestock Show:

Jonathan Sylvester Nash - Reserve Grand Champion Ewe Lamb
Oralia De La Cruz - Raised Reserve Grand Champion Market Lamb
Hunter Chase Page - Honorable Mention Market Goat
Elizabeth Duncan - Teacher and FFA Advisor

May Employees of the Month:

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for May, 2011:

Appomattox Primary School:

Kelley Hall and Lara Peterson

Appomattox Elementary School:

Carolyn Lawson

Appomattox Middle School:
Samantha Raitter

Appomattox County High School:
Gayle Williams

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

Retiring Staff Members:

The following retiring staff members were recognized at the May 31, 2011 Employee Recognition Banquet:

V. Almeda Epling	-	21 years
Terry V. Epling	-	17 1/2 years
Zona D. Major	-	14 years
Marie C. Morgan	-	31 years
William C. Perrow	-	41 years, 3 months
Elizabeth L. Reynolds	-	31 years
Donna L. Small	-	13 1/2 years
Anne F. Weakley	-	19 1/2 years
Margaret D. Whorley	-	33 years
S. Gayle Williams	-	15 years

The superintendent expressed sincere gratitude to these employees for their many years of dedicated service to Appomattox County Public Schools.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the May 31, 2011 Membership Report which indicated the total funded ADM was 2,220 students. This compares with a budgeted ADM of 2,218 for the 2010-2011 school year. (See Attachment # 2)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 3)

VSBA and NSBA Activities

The following VSBA and NSBA activities were discussed:

The Annual VSBA School Law Conference was held June 3, 2011 in Charlottesville. Mr. Waddell and Dr. Grasty attended and stated it was an excellent meeting and provided the Board with a handout from one of the sessions. (See Attachment # 4)

VSBA Orientation for New School Board Chairs/Vice-Chairs and Orientation for New Board Members and Superintendents will be held in Richmond on July 25, 2011. The deadline for registration is July 8, 2011 and the fee is $140.00 per person.

The annual Governor's Conference on Education will be held July 26, 2011 in Richmond. The deadline for registration is June 30, 2011 and the fee is $170.00 per person.

The 2011 VSBA Annual Convention will be held in Williamsburg, November 16 - 18, 2011 with the Delegate Assembly scheduled on November 17th. VSBA requests the Board select a delegate and alternate delegate prior to August 1, 2011.

Information from the Schools and Division Offices

The division newsletter was distributed to Board Members for their information and review.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on Stimulus Funded ACHS ADA Renovations - The project is back on schedule and should be totally dried-in within the next thirty days. The existing restrooms in the auditorium lobby and gymnasium area have been completely demolished. Plumbing inspection is scheduled on June 20, 2011.

2. Update on APS PPEA Project – The excavation phase of the project is well underway and has created temporary access issues. Bids on Phase I – Site Work came in better than expected and the bid package for food service equipment is due the week of June 20, 2011. The next PPEA Meeting will be held June 30, 2011 at 4:45 p.m. in the School Administration Building to review the 95% drawings.

3. Insurance Update – A joint meeting with county and school personnel was recently conducted to receive an update from our health insurance broker. At that meeting, all proposals had been received except Local Choice which is a pool that doesn't operate through a broker system. At least three of the seven proposals were as good as we had budgeted if not better with Anthem's proposal meeting our projected budget figures. Our current health insurance policy is one of the richest policies available on the market with deductibles of either $300.00 or $500.00 annually. The average deductible in this area is $1,000.00. A proposal was received from Local Choice, which is part of Anthem, on June 16, 2011. The Local Choice prices were better than those initially submitted by Anthem. Our broker is comparing all of the proposals, including the Local Choice information, and will notify us of our best options within the next few weeks.

Preliminary SOL Testing Results

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, provided very preliminary SOL scores for online testing. (See Attachment # 5) The preliminary test results did not include testing alternatives, paper and pencil tests, transfer student adjustments, or VAAPS scores. Mrs. Bennett indicated, overall, our scores increased in five areas with high school history being an area of concern as history is an area of concern statewide.

Summer Curriculum Work Update

Mrs. Bennett stated sixty-five teachers participated in the Annual Curriculum Summit on June 9 and 10, 2011 at the elementary school. The group analyzed the preliminary data for obvious strengths and weaknesses and made adjustments to our Pacing Guides accordingly. Every area created a web based Pacing Guide that is now in place for the beginning of the 2011-2012 school year. Every SOL tested area is also required to have three benchmark tests that are utilized through Interactive Achievement. Mrs. Bennett stated the work of these teachers at the Curriculum Summit is a huge task and invaluable to our instructional program.

Report from the Gifted Advisory Committee

Mrs. Bennett presented the summary report from the Gifted Advisory Committee. (See Attachment # 6)

Recommendations from the School Health and Wellness Education Advisory Committee

Mr. Edwards reviewed the recommendations from the School Health and Wellness Education Advisory Committee. (See Attachment # 7)

Recommendations from the Career and Technical Education General Advisory Council

Mr. Brette A. Arbogast, Director of Technology and CTE, submitted the recommendations from the Career and Technical Education General Advisory Council. (See Attachment # 8)

Fifth Congressional District Response to ESEA Resolution

Dr. Grasty noted the current emerging House and Senate proposals for the Reauthorization of the Elementary and Secondary Education Act (ESEA) are so different that it appears eminent the current reauthorization stalemate will not be resolved prior to the coming 2011-2012 school year. Extending the stalemate into the next two school years will result in Virginia Adequate Yearly Progress (AYP) benchmarks increasing to 91% in reading and 90% in math for 2012 and 96% for reading and 95% for math in 2013. There is a need for school boards and superintendents to advise Virginia's Congressmen and Senators that they must share responsibility for any negative outcomes resulting from such an extended stalemate. The superintendent provided a resolution prepared by the American Association of School Administrators (AASA) and the National School Boards Association (NSBA) that hopefully will be a powerful tool in enabling members of the Virginia Association of School Superintendents (VASS) and the Virginia School Boards Association (VSBA) to communicate the need to address the reading and math benchmarks. Dr. Grasty requested the Board consider adopting the resolution as an action item later during the meeting. (See Attachment # 9)

Cell Phone Usage Change at ACHS for 2011-2012 Requested by Building Leadership Team and Principal

The superintendent reported Mrs. Martha J. Eagle, Principal at Appomattox County High School for 2011-2012, has met with the ACHS Building Leadership Team, which is comprised of a representative from each department. One of the

items they have discussed has been cell phone usage. The committee would like to change the cell phone usage for 2011-2012 to not allow students cell phone use during lunchtime. The Code of Conduct goes to print in July and cell phone usage would be included in that reprinting. Dr. Grasty requested guidance from the Board concerning this requested change.

Mrs. Martin asked if students would be able to use their cell phones at school at any time during the day. Mrs. Eagle clarified students would be allowed to use their cell phones in the morning before the school day begins and in the afternoon after they are dismissed. The use of cell phones on school buses would continue to be prohibited.

Mrs. Garrett asked how many cell phone discipline issues had occurred during lunchtime at the high school. Mrs. Eagle did not know the number of incidents at the high school. She stated there were issues at the middle school because students knew high school students could use their cell phones during their lunchtime. Mrs. Garrett noted students with cell phone usage issues have not come before the Board as a discipline matter. Rev. Williams stated since the Board only sees issues concerning ten day suspensions it would be very unlikely cell phone usage would require Board action.

Mrs. Eagle stated the ACHS Building Leadership Team reported the lunchtime cell phone usage had filtered into the hallways and classrooms which indicated a lack of respect on the part of the students. She noted it would be her preference to give cell phone usage as an earned privilege such as seniors with no discipline issues being allowed to eat outside on picnic tables and use their cell phones. Mrs. Eagle pointed out it is her desire to begin her tenure as principal at the high school with a strong message to the students that our priority is their education.

Mrs. Garrett noted student usage of cell phones in the hallways, as students are being dismissed from lunch, is a staff issue. She suggested this be addressed by staff before cell phone usage is taken away from students.

Rev. Williams was in favor of Mrs. Eagle's request and stated his support. He also indicated he was very skeptical last year when the rules were changed to allow high school students lunchtime use of their cell phones and foresaw it becoming a problem that would filter into unapproved time during the school day.

Mrs. Garrett pointed out, as a parent, lunchtime communication with her daughter via cell phone has been vital. She stated she was not in favor of the stated change for 2011-2012.

Mrs. Martin also shared her concern regarding the change and noted how important it is for students to be able to contact their parents during lunchtime concerning sports cancellations or time changes and the need to make arrangements with their parents to accommodate these changes.

Mr. Smith stated we should establish cell phone usage one way or the other and not make changes to allow for privileges. He anticipated this becoming more problematic when deviations are made from written policy. Mr. Waddell was in agreement with Mr. Smith.

Following a lengthy discussion, the majority of Board Members were not in favor of discontinuing student cell phone usage during their lunchtime for the 2011-2012 school year at the high school.

Dress Code Committee and Administration Request

Dr. Grasty stated she will be forming a Dress Code Committee this fall which would be comprised of assistant principals, staff, and parents from each school in order to review the current dress code. This committee will meet monthly during the fall and winter, with the goal of having a revised dress code to the Board in late winter or early spring 2012 for approval.

The superintendent indicated principals have expressed a desire to be able to give students a verbal warning as a choice for the first offense before immediately placing the student in in-school detention and shared the following current consequences for grades 6 - 12:

1. First Offense - Student is placed in In-School Detention and the parent is notified by the school office. The student remains in ISD until suitable clothing can be obtained.

2. Second Offense - Student is placed in In-School Detention for the remainder of the school day and the parent is notified by an administrator.

3. Third Offense - Student is placed in In-School Detention all day and the parent is notified. The student is suspended overnight and a parent conference with an administrator is required before the student may return to school.

4. Fourth and Subsequent Offenses - Student is suspended from school one day.

The principals have requested the following warning be added as the first offense of dress code violations for grades 6-12 effective for the 2011-2012 school year:

1. Warning – A student will be given a warning and a copy of the Dress Code Policy with the expectation of changing clothes or going to in-school suspension for the day. No referral will be written for this warning.

Dr. Grasty clarified warnings would be given by the principals or assistant principals and would be documented although parents would not be notified.

Mrs. Garrett was supportive of adding the warning but stated the need for consistency regarding the enforcement of Dress Code regulations. She also emphasized staff and administration should also be held accountable for adhering to Dress Code.

ACTION ITEMS

Consideration of Approval of First Reading of Revised Policies

It was moved by Mr. Waddell and seconded by Rev. Williams to approve the first reading of the following revised policies as presented and recommended by the superintendent:

BBBC	-	Board Member Oath of Office (Option 1)
BBFA	-	School Board Members Conflict of Interest (Option 2)
BCC	-	School Board Clerk
BDDE	-	Rules of Order
BFE/CHD	-	Administration in Policy Absence
CBA	-	Qualifications and Duties for the Superintendent
CBG	-	Evaluation of the Superintendent
CHD/BFE	-	Administration in Policy Absence
CLA	-	Reporting Acts of Violence and Substance Abuse
DB	-	Annual Budget
DIA	-	Reporting Per Pupil Costs
DJ	-	Small Purchasing
GBE	-	Staff Health
GBEB	-	Staff Weapons in School
GCCB	-	Employment of Family Members (Option 2)
GCBE	-	Family and Medical Leave
GCG	-	Professional Staff Probation and Continuing Contract
IGAH	-	Family Life Education
IGAJ	-	Driver Education
IGBA	-	Programs for Students with Disabilities

IBGE	-	Remedial Instruction Program
IGBF	-	Limited English Proficient Students
IGBG	-	Homebound, Correspondence, and Alternative Means of Instruction
IL	-	Testing Programs
JBA	-	Section 504 Hearing Procedures
JEA	-	Compulsory Attendance
JEC	-	School Admission
JEG	-	Exclusions and Exemptions from School Attendance
JFC	-	Student Conduct
JFC-R	-	Standards of Student Conduct (Option 2)
JFCD	-	Weapons in School
JFCF	-	Drugs in School (Option 1)
JGD/JGE	-	Student Suspension/Expulsion (Option 2)
JGDA	-	Disciplining Students with Disabilities
JHC	-	Student Health Services and Requirements
JHCB	-	Student Immunizations
JHCC	-	Communicable Diseases
JHCD	-	Administering Medicines to Students
KFB	-	Administration of Surveys and Questionnaires
KKA	-	Service Animals in Public Schools
KN	-	Sex Offender Registry Notification
KNA	-	Violent Sex Offenders on School Property
KNAJ	-	Relations with Law Enforcement Authorities
LBD	-	Home Instruction
LC-E	-	Charter School Application
LI	-	Relations with Education Accreditation Agencies

By unanimous voice vote, the motion was approved. The second reading and adoption of the policies will be conducted at the July 28, 2011 meeting.

Consideration of Approval of First Reading of New Policy

It was moved by Rev. Williams and seconded by Mr. Smith to approve the first reading of the following new policy as presented and recommended by the superintendent:

JJAC	-	Student Athlete Concussions During Extracurricular Activities

By unanimous voice vote, the motion was approved. The second reading and adoption of the policy will be conducted at the July 28, 2011 meeting.

Consideration of Adoption of Resolution Concerning Regulatory Relief for America's Schools

It was moved by Mr. Smith and seconded by Mrs. Martin to adopt the Resolution Concerning Regulatory Relief for America's Schools as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachment # 10)

Consideration of Authorization of Signatures in Absence of the Superintendent

It was moved by Rev. Williams and seconded by Mrs. Martin to approve Annette A. Bennett and Stephen O. Edwards be authorized to sign all Virginia Department of Education reports, documents, requisitions, and other official correspondence in the absence of the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 11)

Consideration of Authorization to Submit the 2011-2012 Application for Title I - Part A

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the 2011-2012 Title I - Part A Application be submitted as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 12)

Consideration of Authorization to Submit the 2011-2012 Application for Title III - Part A

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the 2011-2012 Title III - Part A Consortium Application be submitted as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 13)

Consideration of Authorization to Submit the 2011-2012 Application for Title II - Part A

It was moved by Mr. Waddell and seconded by Rev. Williams to approve the 2011-2012 Title II - Part A Application be submitted as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 14)

Consideration of Authorization to Auction Surplus Items

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the auction of surplus items valued at $500.00 or more as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Appointment of Purchasing Agent

It was moved by Mrs. Martin and seconded by Rev. Williams to approve Stephen O. Edwards be appointed Purchasing Agent for Appomattox County Public Schools, July 1, 2011 through December 31, 2011, as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Reconsideration of Out-Of-County Tuition Rates for 2011-2012

It was moved by Mr. Smith and seconded by Rev. Williams to take no further action concerning the reconsideration of out-of-county tuition rates for 2011-2012 and leave the previously approved amount at $750.00 per student except currently approved out-of-county tuition students who will be juniors or seniors in 2011-2012 will be charged $500.00 per student. By unanimous voice vote, the motion was approved.

Consideration of Requests for Admission as Out-Of-County Tuition Students for 2011-2012

It was moved by Rev. Williams and seconded by Mr. Smith to approve admission of out-of-county tuition students for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 15)

Consideration of Request from Ray Perkins and NABF

It was moved by Rev. Williams and seconded by Mr. Waddell to approve use of the Appomattox County High School Baseball Field by Mr. Ray Perkins and NABF (National Amateur Baseball Federation) for the following dates: 6/20/2011, 6/21/2011, 6/27/2011, 6/28/2011, 7/6/2011, 7/11/2011, 7/15/2011, from 5:00 pm – 9:30 pm, and for a maximum of four additional practice dates, with dates and times of practices to be pre-approved by the Director of Business and Operations at least 48 hours in advance. The field use fee is to be waived, and a flat fee of $200.00 will be charged for the use of field lights. Payment for lights is due in the School Board Office no later than 6/28/2011. Mr. Perkins is responsible for all field prep excluding mowing and irrigation. He is also responsible for trash collection and removal. Prior to the first use, Mr. Ray Perkins and Mr. Stephen Edwards will walk the field to review use and maintenance guidelines. They will

also walk the field as soon as possible after the 7/15/2011 game. Mr. Perkins and NABF assume all liability for the field during their usage times. By unanimous voice vote, the motion was approved. (See Attachment # 16)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated May 31, 2011. (See Attachment # 17)

APPROVAL OF BILLS

Rev. Williams moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $456,678.57 – General Fund (See Attachment # 18)
2. $ 23,016.63 – School Food Fund (See Attachment # 19)
3. $ 1,541.37 – School Textbook Fund (See Attachment # 20)
4. $ 2,680.41 – General Fund End-of-Month (See Attachment # 21)
5. $ 84.37 – School Food End-of-Month (See Attachment # 22)
6. $ 13,930.00 – General Fund Addendum (See Attachment # 23)

Mrs. Martin seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The Close-Out Meeting will be held Wednesday, June 29, 2011 at 8:00 a.m. and the next Regular Monthly Business Meeting will be held Thursday, July 28, 2011 at 5:30 p.m. Both meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia. Mr. Waddell indicated he would be on vacation and not in attendance at the June 29, 2011 Close-Out Meeting.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employees #73, #157, #394, and #429.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #50490 and #12306.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 24)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the personnel report as amended and as recommended by the superintendent, pending the results of background checks. Mrs. Garrett, Mrs. Martin, Mr. Smith, and Mr. Waddell voted in favor of the motion. Rev. Williams voted against the motion. By majority voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2010-2011:

Susan W. Book – Instructional Assistant – Appomattox County High School – Effective: June 30, 2011.

Peter H. Lester, Jr. – Teacher – Appomattox County High School – Effective: June 30, 2011.

Attachment # 24

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: June 16, 2011

Minutes of
Appomattox County School Board
Close-Out Meeting

The Appomattox County School Board met in regular session on Wednesday, June 29, 2011 at 8:00 a.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Close-Out Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent. Mr. Bobby K. Waddell was not in attendance due to previously scheduled vacation plans.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Report Card Change at APS for 2011-2012

Dr. Grasty stated over the past year, Mrs. Heather Mullins, Principal of Appomattox Primary School, and her Leadership Team have been discussing the need to align the grading system used for the first and second grades with the grading system utilized by the other schools in our county. They are proposing to change from using grades of E, S, and N to the traditional A, B, C, D, and F, utilizing the same number and percentage scale as the elementary school. This information has been presented to and endorsed by the primary school staff as well as the PTO Executive Board. The superintendent noted the current grading system of E, S, and N would continue to be used for kindergarten students. It was the consensus of the Board to proceed with the proposed report card change at the primary school for 2011-2012. Dr. Grasty stated Mrs. Mullins will be sending letters to the parents of all first and second grade students advising them of this change.

Notice of Graduation – June 4, 2012

The superintendent reported June 6, 2012 will be the last day for students in the 2011-2012 school year with June 5 and 6 designated as early dismissal

days. Traditionally seniors complete their required coursework several days prior to the last day of school which should coincide with graduation that is planned for June 4, 2012. Dr. Grasty noted there are no play-off games scheduled by the Virginia High School League (VHSL) for this date in the event any of our teams should qualify. VHSL does have play-offs scheduled for the remainder of the first week in June.

The Vines Center has been the requested location for the June 4, 2012 graduation. Earlier in the week, Mr. Brette A. Arbogast, Director of Technology and CTE, conducted a Global Connect phone survey to all 2011-2012 seniors giving them a choice of selecting Appomattox County High School Bragg Stadium/Athletic Field or the Vines Center at Liberty University. The results indicated 38% preferred the high school and 62% selected the Vines Center.

Dr. Grasty stated Mrs. Eagle could secure the Vines Center contract fairly soon if we make a commitment to lock-in the June 4, 2012 date for graduation. Rev. Williams asked who pays for the use of the Vines Center and Dr. Grasty noted the School Board paid the $4,000.00 fee that was charged for our June, 2011 graduation program. Rev. Williams stated this was too costly and if the seniors want to graduate from the Vines Center, they should be responsible for the expense. He suggested senior class fund raisers could be considered.

Mrs. Garrett and Mrs. Martin also shared their concern regarding the cost involved with using the Vines Center. Mrs. Garrett stated she would prefer knowing the exact cost involved, to determine the amount the School Board may be able to contribute, before making a commitment to conduct graduation at this location.

Dr. Grasty noted she would request a contract price from Mrs. Eagle that would be provided to the Board. She stated she would also request Mrs. Eagle contact the Senior Class Advisors concerning fund raising projects.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Proposed Salary Scales for 2011-2012 – Salaries were not increased for 2011-2012. An additional step was added to the beginning of each scale resulting in the first four steps of each grade being the same amount. (See Attachment # 1)

2. End of Year Financial Update – The expected revenue should be $20,046,000.00 and the expected expenditures should be $20,085,000.00.

By a narrow margin, it appears we should meet required local effort. Mr. Edwards expressed his appreciation to Jayne Luongo for her hard work in securing invoices needed for the end-of-year processing.

Mrs. Martin asked if we were able to purchase any extra items and was particularly interested in the purchase of the new radios that have been mandated by the FCC. Mr. Edwards stated radios could have been purchased but there was not sufficient time to write the RFP and allow vendors enough time to respond. However, he was pleased to report two school buses were purchased utilizing the state contract. He noted we were unable to pave the parking lot at the high school because companies did not bid on the project. It is anticipated a sealer will be applied and the parking lot will be repainted until we are able to complete the needed paving. Mr. Edwards stated there are major issues at the high school concerning the roof, parking lot, and brick face.

3. Stimulus Funded ACHS ADA Renovations – The project should be completed by early August which is slightly ahead of schedule.

4. APS PPEA Project – Paving should begin the first week in July and accommodations have been made to address access issues. Bid packages for the second and third phases are due July 21, 2011. A sewer line issue along the front of the building should be covered by the project utility allowance. A fire hydrant is needed at the back of the building and may also be paid from the utility allowance.

5. Health Insurance – A final meeting regarding health insurance is scheduled for July 6, 2011 with presentations planned from two companies whose rates are favorable: Piedmont Community Health Plan and Local Choice. It appears at this point we will need to change companies as Anthem continues to uphold their 15% rate increase. Rev. Williams asked who would make the decision regarding our health insurance carrier. He asked if the county would make the decision and if we were tied to the county. Mr. Edwards indicated we are not tied to the county and they will be following our lead. Rev. Williams offered his concerns regarding Piedmont. Mr. Edwards stated Piedmont has an extremely wide network and they have agreed that our employees would be able to continue utilizing their existing medical provider. Their preferred hospitals are UVA, Medical College of Virginia, and Chapel Hill. Mr. Edwards noted Duke is now a member of the Piedmont provider network. He also indicated Piedmont has given us a maximum rate cap for year two. Dr. Grasty stated we need to ensure the company selected does not come in low and then spike their rates in coming years. She asked if coverage was provided in the Lynchburg area. Mr. Edwards indicated Piedmont is owned by Lynchburg

physicians with coverage provided in the Lynchburg area. Our consultant, Willis, is very positive concerning Piedmont. Willis has indicated the changes with Health Care Reform have caused companies to remove bad experiences off their books and this message is generally indicated through rates. It appears Anthem is sending us this message. Mr. Edwards stated Local Choice is a pool administered by Anthem and the coverage would include medical, dental, and vision. There are components in the Local Choice plan that make it richer than our current Anthem plan. Mr. Edwards indicated our current deductibles of $300.00 and $500.00 may not have to change if we go with either of the two vendor finalists.

Mrs. Garrett thanked Mr. Edwards for his hard work since he assumed his position in January, 2011.

ACTION ITEMS

Consideration of Approval of First Reading of Revised Policies

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the first reading of the following revised policies as presented and recommended by the superintendent:

GBA/JFHA	-	Sexual Harassment/Harassment Based on Race, National Origin, Disability and Religion
JFHA/GBA	-	Sexual Harassment/Harassment Based on Race, National Origin, Disability and Religion
JEC-R	-	School Admission

By unanimous voice vote, the motion was approved. The second reading and adoption of the policies will be conducted at the July 28, 2011 meeting.

APPROVAL OF BILLS

Rev. Williams moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $1,080,251.74 – General Fund (See Attachment # 2)
2. $ 2,912.35 – School Food Fund (See Attachment # 3)
3. $ 5,781.68 – School Textbook Fund (See Attachment # 4)
4. $ 16,647.18 – General Fund - Final (See Attachment # 5)

Mrs. Martin seconded the motion with all members approving the payment of bills as indicated by voice vote.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended.

Rev. Williams seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mrs. Martin and seconded by Mr. Smith to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Rev. Williams, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 6)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Retirement 2010-2011:

Josie M. Butler – Teacher – Appomattox County Public Schools – Effective: June 30, 2011.

Resignation 2010-2011:

Ronald W. Carter, Jr. – Athletic Director – Appomattox County Public Schools – Effective: June 30, 2011.

Assignment 2011-2012:

Brad A. Harper – Assistant Principal/Athletic Director – Appomattox County High School – Effective: July 1, 2011. (New Position).

Family and Medical Leave Act 2011-2012:

Lindsey A. Mihalik – Teacher – Appomattox Primary School. Effective: Approximately September 11, 2011, for up to 12 weeks according to FMLA guidelines.

Supplemental Assignments 2011-2012

Appomattox County High School:

Brian Allgood	–	BAND, HEAD
Josh Caruthers	–	BAND ASSISTANT
Lindsay Pulfer	–	TRACK, CROSS COUNTRY HEAD
James S. Reynolds, IV	–	VOLLEYBALL, HEAD

Appomattox Middle School:

Laura Taylor	–	VOLLEYBALL, 8TH GRADE

Homebound 2011-2012:

Frankie Perkins

NEXT MEETINGS

The next Regular Monthly Business Meeting will be held July 28, 2011 and the next Interim Meeting is scheduled for August 11, 2011. Both meetings will be conducted at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. Mr. Smith indicated he would not be in attendance at the July 28th meeting due to previously scheduled vacation plans.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was recorded.

RANDOLPH COLLEGE
BOOK AWARD PRESENTATION SPEECH

I am pleased to present the Randolph College Book Award to an outstanding junior who has been selected for her achievements in academic excellence and her leadership potential.

The book being presented is Hilary Spurling's *Pearl Buck in China: Journey to the Good Earth*. Pearl Sydenstricker Buck is a distinguished alumna from the class of 1914. She exemplifies the kind of student who attends Randolph College--we are: bright, motivated, well-rounded, and involved people who want to make a difference in the world and our communities. We are willing to think outside of the box, take risks, and inspire others to live by the College's motto, *Vita Abundantior*, which when translated means a life more abundant. We have always been a community of originals—Pearl S. Buck was one of the original originals.

In addition to the book, the recipient of this award automatically qualifies for a renewable merit scholarship of $5,000.00 per year if she applies to and is accepted for admission to Randolph College.

Randolph College, founded as Randolph-Macon Woman's College, is a private, coeducational liberal arts and sciences institution located in Lynchburg, Virginia.

It is my pleasure to announce that the recipient is Lauren Fields Paulette.

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, July 28, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent. Mr. Gregory A. Smith was not in attendance due to previously scheduled vacation plans.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

APPROVAL OF MINUTES

June 16, 2011 – Regular Monthly Business Meeting
June 29, 2011 – Close-Out Meeting

It was moved by Rev. Williams and seconded by Mr. Waddell to approve the minutes of the June 16, 2011 Regular Monthly Business Meeting and the June 29, 2011 Close-Out Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared a letter addressed to the School Board from The Greater Lynchburg Community Trust. (See Attachment # 1)

Communication Items from Board Members

There were no communication items from Board Members.

RECOGNITIONS

Student

Dr. Grasty took great pleasure in recognizing the following student for her achievement:

Appomattox County High School -

Randolph College Award –
Lauren Fields Paulette (See Attachment # 2)

On behalf of the School Board, the Chairman presented a Certificate of Special Recognition to the individual listed above for her outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the June 30, 2011 Membership Report which indicated the total funded ADM was 2,224 students. This compares with a budgeted ADM of 2,218 for the 2010-2011 school year. (See Attachment # 3) Mr. Waddell expressed his concern regarding the decline in attendance at the middle school during June.

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 4)

VSBA and NSBA Activities

The following VSBA activity was discussed:

The 2011 VSBA Annual Convention will be held in Williamsburg, November 16 - 18, 2011 with the Delegate Assembly scheduled on November 17th. VSBA requests the Board select a delegate and alternate delegate prior to August 1, 2011. Mr. Waddell and Dr. Grasty indicated their interest in attending the Convention. Mrs. Garrett suggested Mr. Smith consider attending, should he

be elected in November, as the Convention would be beneficial to a new Board Member.

Information from the Schools and Division Offices

The Pre-School Staff Schedule for August, 2011 was distributed to Board Members for their information and review. (See Attachment # 5)

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on Stimulus Funded ACHS ADA Renovations - The project is scheduled to be completed by August 11, 2011 except for the terrazzo tile that should be in place prior to the first day of school.

2. Update on APS PPEA Project – A walk-through is scheduled for August 4, 2011 to address access issues and develop a map that will be distributed to parents in registration packets as well as published in the *Times Virginian*. Paving for staff parking has been delayed due to recent rains. Bids for paving site work were $175,000.00 under budget and bids for kitchen equipment were slightly below budget. The mechanical bids were due on July 27, 2011 and the results should be received in the near future.

3. Health Insurance Update – Our broker, Willis, issued a short RFP the end of April or early May requesting proposals. Responses were received from seven or eight vendors with Piedmont Community Health Plan (1.6% increase above our current rates) and Local Choice (2.4% increase above our current rates) proving to be the best plans for our consideration. Our current carrier, Anthem Blue Cross/Blue Shield, continued to offer renewal rates which indicated a premium increase of 15%. Mr. Edwards recommended Piedmont Community Health Plan be approved as our medical insurance provider for the October 1, 2011 – September 30, 2012 plan year. He also recommended the School Board contribution be increased from $365.19 to $400.00 per subscribing employee, per month. Dr. Grasty concurred with this recommendation as Mr. Edwards explained it is anticipated we will experience an annual savings of $50,000.00 from our budgeted insurance premium increase. (See Attachments # 6 - # 10) Rev. Williams expressed concern that employees will be able to see the physician of their choice under the Piedmont Community Health Plan. Mr. Edwards indicated in the event a specialist is required, the referral of the primary care physician should be honored by Piedmont as an in-network provider.

4. Stimulus Funds – The balance of our Stimulus money must be spent by September 30, 2011. We are considering expenditures to improve the high school concourse roof and parking lot.

Bright Beginnings Enrollment Update

Mrs. Elizabeth R. Haught, Director of Remedial and Special Education, was pleased to report 47 students are currently enrolled in our Bright Beginnings Preschool Program for the 2011-2012 school year. She stated we have been approved to serve 47 students and can actually enroll up to 54 preschoolers in our three classes by assigning 18 students to each classroom.

AYP Status Report

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, presented the Board with preliminary AYP (Adequate Yearly Progress) status reports and stated this information has not been released to the public at this time. She noted the changes in the alternate assessment program during 2010-2011 have created statewide issues. Final results will be provided to the Board as soon as the information is received. She also stated the high school needs to continue to address the area of math.

Draft of 2012-2018 Six Year Comprehensive Plan

Dr. Grasty provided the Board with a draft of the 2012-2018 Six Year Comprehensive Plan. She stated she has been working with the Teacher Advisory Committee, Parent Advisory Committee, Leadership Team, and principals during the past school year to develop the document. The superintendent requested Board Members review the plan and contact her with suggestions or concerns. She indicated she will continue to refine the document and submit it to the Board for final approval later in the fall.

ACHS 2012 Graduation Update

Dr. Grasty reported Liberty University charged our school division $4,400.00 for the use of their facilities to conduct our graduation on June 7, 2011. In an effort to assist the Board in evaluating the charges, the superintendent provided a report from Mr. Edwards which listed the approximate costs to the school division should graduation be conducted at our high school. (See Attachment # 11)

Mrs. Martha Eagle, Principal of Appomattox County High School, has been in contact with Liberty University and requested a preliminary contract and cost for use of the Vines Center for graduation on June 4, 2012. As of this meeting, the

document has not been received. Mrs. Eagle noted Liberty University is undergoing major renovations that could impact the availability of their facilities next spring.

It was the consensus of the Board to delay a decision regarding the location of next year's graduation until a contract and price are received from Liberty University. Dr. Grasty stated once a contract is received it would be reviewed by our School Board Attorney prior to taking any action.

Records Management Update

Mr. Brette A Arbogast, Director of Technology and CTE, informed the Board of the digital file conversion being conducted in our school division. He reported original student records are being retained at the high school for five years. Prior to that five year period, the records have been digitally converted. Mr. Arbogast also stated shredding bins will be provided throughout the school division on a regular basis.

ACHS Employee Athletic Entrance to Sporting Events

The superintendent reported school employees and their immediate families may attend all home games during the 2011-2012 school year without charge when employees present their identification badge at the gate. Immediate family members must accompany the employee at the time of entry to the sporting event. She noted these guidelines were also followed during the previous school year.

School Related Fund Raisers – Quarterly Report – June 30, 2011

As required by Policy JL – Fund Raising and Solicitation, Board Members were provided copies of the Quarterly Reports of Fund Raising Activities conducted in our school division for the quarter ending June 30, 2011. (See Attachments # 12 - # 15)

ACTION ITEMS

Consideration of Requests for Admission as Out-of-County Tuition Students for 2011-2012

It was moved by Rev. Williams and seconded by Mrs. Martin to approve admission of out-of-county tuition students for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 16)

Consideration of Disapproval of Request for Admission of Non-Resident Tuition Student for 2011-2012

It was moved by Mrs. Martin and seconded by Rev. Williams to deny the request for admission as an out-of-county tuition student for 2011-2012 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 17)

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2011-2012

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve exemption from compulsory attendance laws for bona fide religious belief for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 18)

Consideration of Approval of Second Reading and Adoption of Revised Policies

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the second reading and adoption of the following revised policies as presented and recommended by the superintendent:

BBBC	-	Board Member Oath of Office (Option 1)

KNA	-	Violent Sex Offenders on School Property
KNAJ	-	Relations with Law Enforcement Authorities
LBD	-	Home Instruction
LC-E	-	Charter School Application
LI	-	Relations with Education Accreditation Agencies

By unanimous voice vote, the motion was approved. (See Attachments # 19 - # 67)

Consideration of Approval of Second Reading and Adoption of New Policy

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the second reading and adoption of the following new policy as presented and recommended by the superintendent:

JJAC	-	Student Athlete Concussions During Extracurricular Activities

By unanimous voice vote, the motion was approved. (See Attachment # 68)

Consideration of Selection of VSBA Delegate and Alternate

It was moved by Mrs. Martin and seconded by Rev. Williams to approve Mr. Waddell serve as delegate and Rev. Williams serve as alternate delegate at the VSBA Annual Convention, November 16-18, 2011 in Williamsburg, Virginia. By unanimous voice vote, the motion was approved.

Consideration of Approval of Organizational Chart

It was moved by Rev. Williams and seconded by Mr. Waddell to approve the Organizational Chart as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 69)

Consideration of Approval of Employee Health Insurance Carriers and Employer Paid Contribution

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the following health insurance carriers for Appomattox County Public Schools for the period October 1, 2011 through September 30, 2012: Piedmont Community Health Plan as our medical insurance carrier, Delta Dental as our dental insurance carrier, and Superior Vision as our vision insurance carrier and a monthly School Board contribution of $400.00 per subscribing employee toward medical insurance coverage, as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Overnight Trips

It was moved by Rev. Williams and seconded by Mr. Waddell to approve the overnight trips as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 70 - # 71)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated June 30, 2011 as well as approved supplemental appropriations. (See Attachments # 72 - # 73)

APPROVAL OF BILLS

Rev. Williams moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $ 97,209.30 – General Fund (See Attachment # 74)
2. $143,270.52 – General Fund Addendum (See Attachment # 75)
3. $ 384.37 – School Food Fund (See Attachment # 76)
4. $610,060.00 – APS PPEA Construction Fund (See Attach. # 77)

Mrs. Martin seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, August 11, 2011 at 5:30 p.m. and the next Regular Monthly Business Meeting will be held Thursday, August 25, 2011 at 5:30 p.m. Both meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employee #112.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically students #12087, #50358, and #50672.

Mrs. Martin seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 78)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Waddell and seconded by Rev. Williams to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

Amanda G. Wodke – Teacher – Appomattox Alternative Education – Effective: July 18, 2011.

Assignments 2011-2012:

Brenda S. Barringer – Teacher – Appomattox Middle/County High School – Effective: August 8, 2011. (Replacing Jared Shortmeier)

Luke C. Cunningham – Teacher – Appomattox County High School – Effective: August 8, 2011. (Replacing Josie Butler)

Angela D. Dillon – Pre-K Teacher – Appomattox Primary School – Effective: August 8, 2011. (3rd Bright Beginning Class)

Samantha E. Donghia – Teacher – Appomattox Middle School – Effective: August 8, 2011. (Replacing Leigh Ann Gregory, who is moving to AES to replace Zona Major).

Christopher W. Gardner – Teacher – Appomattox County High School – Effective: August 8, 2011. (Replacing Peter Lester)

Lea D. Gray – Teacher – Appomattox Middle School – Effective: August 8, 2011. (Replacing Sommer Jones who is replacing Jean Doherty, ACHS).

Jeanie N. Napier – Bus Driver – Appomattox County Public Schools – Effective: August 18, 2011. (Replacing Nancy Davis)

Brittany N. Padgett – Instructional Assistant – Appomattox Primary School – Effective: August 17, 2011. (New Position, Pre-K Class)

Brenda G. Primm – Instructional Assistant – Appomattox Primary School – Effective: August 17, 2011. (New Position, Pre-K Class)

Lauren R. Scott – Teacher – Appomattox County Public Schools – Effective: August 8, 2011. (Replacing Maggie Whorley).

Heather M. Thompson – Teacher – Appomattox Middle School – Effective: August 8, 2011. (Replacing Samantha Raitter).

Leliea “Charlene” Trent – Instructional Assistant – Appomattox County High School – Effective: August 17, 2011 (Replacing Susan Book).

Kristopher B. Tuck – Teacher – Appomattox Middle School – Effective: August 8, 2011. (Replacing Katie Barber).

Long Term Substitute 2011-2012:

Mary Ann Bennett – Long Term Substitute – Appomattox County High School - Substituting for Lorie Carwile. Effective: Approximately August 8, 2011 for up to 12 weeks.

Supplemental Assignments 2011-2012:

Appomattox County High School:

Travis K. Cottrell – BASKETBALL, BOYS HEAD VARSITY
Donald D. Jack – BASKETBALL, GIRLS HEAD VARSITY
Kenneth W. Jordan, Jr. – BASKETBALL, Girls, VAR, ASST.
Brittany A. McLean – BASKETBALL, GIRLS JV
Christopher D. Conkwright – WRESTLING, HEAD

Appomattox Middle School:

Laura Taylor – VOLLEYBALL, 8th GRADE – Declined Offer
Kimberly A. Gregory – VOLLEYBALL, 8th GRADE
Mark E. Drinkard – VOLLEYBALL, 8th GRADE ASSISTANT

Brenda F. Gowin
Clerk of the Board

Attachment # 78

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

2008, 2007 National Distinguished Title 1 School
AYP Certified School
Fully Accredited School

Tom Yarber, Principal **Karen Cyrus, Assistant Principal**

From Team Headquarters…Welcome to the Team!

Welcome to Appomattox Elementary School!

This year will be filled with new experiences and growth. Our theme this year is "Team Up for Learning at AES." We will focus on our time to support students' learning, our belief that effort has its rewards, our achievement goal on SOL tests to result in at least 91% proficiency in all areas, and on Marzano strategies for learning. In November, parents will be invited to share how they use Reading, Writing, Math, Science, History, and other skills on a daily basis so that students can compare their learning at school to their parents' learning outside of school. Students might compare through writing, drawing, creating original problems, etc. and we will publish these in our newsletter as space allows. This is one way that we can team up for learning! We are glad that you are part of the team!

Tom E. Yarber, Principal

Mark Your Calendar!

August 22	First Day of School
September 5	Labor Day-No School
September 6	PTO Open House/Gym @ 7:00
October 4	Picture Day

School Hours:

Arrival Time	8:00-8:25 a.m.
Tardy Time	8:25 a.m.
Instructional Day	8:25-3:00 p.m.
Dismissal Time	3:00-3:30 p.m.

Visitors' Pass:

Parents or other individuals who are in the building for conferences or other school business are expected to report to the office to obtain a pass.

Parent-Student Newsletter:

The AES newsletter is sent home by your child on the last school day of each month. *Check those backpacks*!

BUS NOTES:

Written permission is necessary regarding bus changes, walker's bell or pick-ups. **We cannot take changes over the phone.** Information that needs to be on notes are: the students full name, the teachers name, the desired bus number, the full name of the person's house where your child will be getting off the bus, and the **911 address**. Also, include your phone number in case the school or bus driver has any questions regarding your arrangements.

Please be sure your child knows what to do in case school closes early due to inclement weather, early dismissal or other circumstances.

Student Planner Contains Student-Parent Handbook!

The A.E.S. PTO will be providing students with a homework planner that also has the A.E.S. Student-Parent Handbook in the front. This will be great for remembering homework assignments and important events!

Phone Numbers:

If you would like a time reserved or a time to meet with the principal, teacher, guidance counselor or nurse, you are encouraged to call for an appointment.

Tom Yarber, Principal – 352-7463
Karen Cyrus, Assistant Principal – 352-7463
Carolyn Lawson, Guidance Counselor – 352-0531
Angie Lewis, Nurse – 352-5411

Important Traffic Reminders:

Traffic in front of the school is going smoothly. Thank you for your help and attention to the routines we have established. Safety is our #1 priority! Here are a few important reminders:

- **Students cannot be dropped off until 8:00a.m. Supervision of students begins at 8:00a.m**.
- After dropping off or picking up a student, be careful when pulling out at the stop sign.
- Please don't rush! Allow the car in front of you to pull out, and then follow. Don't pull around.
- If you are visiting the office or a classroom please park in the lot, not at the curb where we load and unload students. **We have 15 minute parking areas for your convenience.**

Your attention to these matters will help us continue to provide a safe environment!

Attendance Notes: Regular attendance is necessary and important to the development of individuals who are successful in school and in all areas of responsibility. There is a close correlation between school attendance and attendance on the job after leaving school. It is a joint responsibility of the school and parents to require regular attendance. School attendance will be monitored daily so that students are given opportunity to be successful. Make school attendance a priority in your home this year! In addition to regular daily attendance, please refrain from picking students up early (except for emergencies). It is important that students hear announcements, receive information before going home, and have closure to the school day with their teacher. We appreciate your help in these areas!

Student Safety is a Priority for Parents and Staff:

All requests for release of students must come directly from the office, by office personnel, written note, or the intercom. The office will deliver items sometime during the day.

Most of the policies and rules employed by schools are designed specifically to protect your children. For example, all school employees are required to undergo thorough background checks, as well as where ID badges. And all visitors must check-in with the office before they're allowed on campus.

Health policies are yet another way in which schools protect your children. When new students enroll, schools require proof of immunization to reduce the risk of contagious disease entering the school, such as mumps, measles, and whooping cough. To prevent the spread of infection, most schools recommend that children suffering fevers in excess of 100 degrees be kept at home until their temperatures have returned to normal for a period of 24 hours. School nurses are often asked to administer appropriate medication with parental permission and physician instructions.

Occasionally, schools may require a statement from the attending physician prior to a sick or injured child's return to the classroom. Knowing what activities an injured or ill child should or should not participate in is key to the child's recovery.

Whatever the health or safety issue, remember that educators take their responsibility for your child very seriously.

"Making Things Happen"

T-Dap immunization

To all parents that will have children starting 6th grade in the 2011-2012 school year:

All 6th graders will be required to have the T-Dap immunization before entering the 6th grade. All of the area health departments are giving the required immunizations. Check your local newspaper for listings.

Hey AMS -
Here We Come!

Bus & Walker Notes

Parents – We ask that you would please be sure to put all necessary information on bus and walkers' notes. We need the following information:

- student's first and last name,
- bus number the student will be riding,
- complete 911 address of the student's destination,
- and the name of the person whose residence the student will be going to.

This will ensure the student gets to the proper destination and also prevents them from having to be called from class and losing valuable instruction time. Thank you in advance for your help. We look forward to a great school year!

"If we are to teach real peace in this world ... we shall have to begin with the children.

- Mahatma Gandhi, Indian Nationalist Leader and Social Reformer

STUDENT DRESS CODE

Students in the Appomattox County Public Schools are expected to dress in a manner that is supportive of a positive learning environment free of distractions and disruptions. Student attire and grooming should promote a positive, safe, and healthy environment.

The School Board recognizes that although individual students have a right to free expression, that right must be balanced with the Board's responsibility to provide a safe, secure and orderly educational environment for all students.

The purpose of this dress code is to assure that consistency and interpretation is implemented countywide, thus providing equitable treatment for all students. Apparel that disrupts educational activities and processes of the school will result in the removal of the student from the regular school environment until acceptable apparel can be secured for the student.

The administration will be the final judge about whether a student's clothing is appropriate for school or whether it will create an environmental climate that is distracting to learning. Principals, faculty, and staff members will enforce the dress code. The principal may waive the dress code or specific sections for school spirit days and other special occasions.

A. REQUIREMENTS FOR STUDENT DRESS

1. Tops must cover the shoulders, midriff, chest, cleavage, back, sides, and all undergarments including bra straps at all times. No shirts, sweaters, sweatshirts or top may be longer than the bottom of the buttocks when the student is standing. Tops which hang below the bottom of the buttocks must be tucked in.

2. Tank-style and halter style tops, tank-style shirts, and muscle shirts shall be worn either over or under a shirt with sleeves.

3. Shorts, skirts, divided skirts, dresses and skorts are permitted. For students in grades 6-12, they must reach the top of the knee or longer when the student is standing. The top of a slit in a skirt, dress or other lower garment must be no higher than the top of the knee when standing. For students in grades pre-k through 5, they must reach mid-thigh or fingertip length, whichever is longer, when standing.

4. All trousers, pants or shorts must totally cover undergarments, including boxer shorts. They are to be worn at the student's natural waist at all times. Sagging or baggy pants or shorts are not permitted. No holes or tears are permitted above the knee in trousers, pants or shorts.

5. Clothing and shoes must be properly buttoned, zipped, tied, or fastened at all times.

6. All clothing, jewelry or tattoos shall be free of the following: offensive pictures or logos depicting nudity, references to violence, profanity, vulgarity, alcohol, illegal drugs, tobacco products, gangs, race, sexual preferences, and derogatory statements about physical, emotional, or intellectual abilities.

7. See through, athletic, or mesh fabric clothing may only be worn over clothing meeting requirements. School-issued uniforms may be worn during physical education classes.

8. Form fitting clothing or skin tight clothing such as leotards, leggings, Spandex, Lycra, and biker type clothing (including sport bras) may only be worn if covered by an outer garment that meets the requirements of the dress code.

9. Safe and appropriate footwear must be worn. Inappropriate footwear includes, but is not limited to, bedroom slippers, cleats, shoes with rollers or wheels, and footwear with metal heel plates. Appropriate athletic shoes are to be worn for physical education class and recess.

13. Sunglasses and gloves may be worn only outside except for those students with valid medical documentation.

14. Lettering across the buttocks of a garment is not permitted.

15. Trench or duster type coats are not permitted.

16. Due to the different physical designs of schools, the principal will have discretion as to the wearing of coats, jackets and other outdoor wear during the school day.

Updated Information

Parents/Guardians:
Please remember to keep your address and phone number updated with us for important school delays and closings. Please call the middle school office at 434-352-8257 and ask to speak to either Mrs. Connie Gaulden or Mrs. Nadine Pannell. They will update your contact information.

Please encourage new residents to register as soon as possible for the 2011-2012 school year!

Appomattox Middle FFA Happenings

The 85th Annual Virginia FFA State Convention hosted over 1,700 FFA members and guests during the four day conference at Virginia Tech.

Eight members of the Appomattox Middle FFA Chapter attended the 85th Virginia FFA State Convention on June 27 – 30, 2011. The 85th Virginia FFA State Convention hosted over 1,700 FFA members and guests during the four day conference at Virginia Tech. FFA members from across the state participated in Career Development Events (CDEs), attended five convention sessions, and explored opportunities in FFA and agriculture through workshops.

Chapter Accomplishments

The Appomattox Middle FFA Chapter was recognized for completing over 15 different activities and meeting five quality standards in each of the three program of activity areas: student, chapter and community development. Scores of activities included a spring strawberry fundraiser sale, continuing positive relations with the Appomattox FFA Alumni Association, participation on the Appomattox FFA Livestock Show Team, and holding the annual leadership training in August. The chapter received on stage recognition at the first session of the convention and a certificate for its accomplishments in the Superior Chapter Award Program.

Quiz Bowl CDE

The Appomattox Middle FFA delegation participated in five CDEs during the convention. Oralia De La Cruz, Tatum Martin, Jordan Moore, and Bethany Walker participated in the State Quiz Bowl CDE. The FFA Quiz Bowl CDE allows students to display their knowledge of FFA history and current events through a written test and team tournament. They placed 4th in the team tournament and 7th in the written component of the event. Martin placed in the top 10% of the written component and advanced to the final written component of the event which he wrote an essay on "How Has the FFA and Agriculture Prepared You for Your Future?" Martin's overall placing was 4th high individual and received a blue ribbon. De La Cruz received a red ribbon and Moore and Walker both received yellow ribbons.

Junior Horse Hippology CDE

The Horse Hippology team consisted of Anna Conrad, Oralia De La Cruz, Jordan Moore, and Bethany Walker. In the Horse Hippology CDE, students participated in a written test, placing classes, and team problems to show competency in horse breeds, nutrition, anatomy, and management. The team was the 3rd placed junior team in the state and received a gold rating. Moore placed 9th, Walker 14th, Conrad 17th, and De La Cruz 22nd in the competition.

Small Animal Care CDE

In the Middle School Small Animal Care CDE, students displayed knowledge on small animal breeds, care, and selection. The team consisted of Sidney Braswell, Anna Conrad, Tatum Martin, and Hunter Page. Braswell and Conrad received red ribbons; Martin and Page received yellow ribbons. The team received a bronze rating in the state.

Agriscience Technology

Mechanics CDE

Sidney Braswell, Jonathan Nash, and Hunter Page participated in the Middle School Agriscience Technology Mechanics CDE. This event is designed for students to show their knowledge of mechanics through tool identification, team problem solving, project construction, and a written test. Braswell, Nash, and Page were recognized with yellow ribbons. The team was recognized as a bronze team in the state.

Computer Applications CDE

The Computer Applications State CDE is designed for students to show proficiency with using Microsoft Word, Excel and Access. Jonathan Nash competed in the event where he had to de-

event where he had to design a mail merge and complete a written test. Nash received a bronze rating.

The Appomattox Middle FFA would like to extend a sincere thank you to the Appomattox FFA Alumni Association for their assistance with providing partial sponsorship for the trip.

Not an FFA member?

To take part in these exciting opportunities; students must be enrolled in an agriculture class and pay membership dues. Contact your guidance counselor and Mrs. Duncan (ejduncan@appomattox.k12.va.us or 352-8257) if you are interested!

Important Dates

August 17– Registration & Fee Day will be @ AMS and all schools from 12:00 to 3:00 and from 4:00 to 7:00. (We will break from 3:00-4:00 for dinner)

August 22—First Day of Classes

August 25—Monthly School Board Meeting @ 5:30

September 5—Labor Day Holiday / No School for Students or Staff

Portable Communication Device

Appomattox County School Board policy (JFC-R) allows students to have cell phones at school. All cell phones must be registered properly with the school office. Cell phone registration forms are handed out in the homeroom packet on the first day of school and are also available in the school office. **Once at school, phones are to remain turned off and in the student's locker.** Phones are not to be **visible or used** during the school day (8:00-3:35). Failure to follow this policy may result in the following:

1st offense: Referral to Administrator – warning issued, administrator may keep the phone for up to a week, and parent must pick up phone at school.

2nd offense: Referral to Administrator – administrator may keep the phone for up to one month, and parent must pick up phone. **Additionally, student may be suspended from school for one day.**

3rd offense: Referral to Administrator – administrator may keep the phone for up to two months, and parent must pick up phone. **Additionally, student may be suspended from school for three days.**

Student's name: _____ Grade: _____

I give permission for my child to possess the following portable communication device(s) and understand the provisions of the school board policy. Also, I understand that should my child fail to abide by the policy, the item may be confiscated by the administration, and my child will be subject to disciplinary action.

St. Clement of Alexandra

From the Guidance Department @ AMS

Mrs. Cooter welcomes all new and returning students. She will be working with both the 8th and 9th graders this year. Feel free to contact her at AMS: 352-2135 or ACHS: 352-7146. The extension is 4209 at both schools. Additionally, she may be contacted at: dwcooter@appomattox.k12.va.us

8 Time Management Tips

1. Use and follow an agenda.
2. Write down everything you need to do for homework in your agenda book or planner.
3. Complete the most important activities first.
4. Get organized! Have your notes, books, pencils, papers, and assignments ready to use.
5. Plan for unexpected interruptions.
6. Plan a study time around other activities such as sports, practices, and clubs.
7. Don't wait until the last minute! Start assignments early and prepare for tests as soon as you know you have one.
8. Check your agenda or planner for books you need to carry home before you leave school at the end of the day.

Student pick-up and drop-off

Parents of students who are being dropped off or picked up from school every day have two options. First - is the parent pick-up/drop-off which is located on the right side of AMS if you are facing the building. You can gain access to this site from the back of AMS from Oakleigh Ave. The parent pick-up/drop off circle is located between the AMS Field in the back of the school and Appomattox Courthouse Presbyterian Church. Your other option is in front of AMS - you may drop-off/pick up your student across the street from AMS with the Crossing Guard. Please be reminded ***- Do not drop students off or pick students up in the staff parking lot located in front of the school during arrival and dismissal times.*** Thank you! AMS

AMS School Fees

Student Comprehensive Fee $25.00

Band Book $11.00

School Lunch & Breakfast Prices @ Middle School

.80 for Breakfast
$1.75 for Lunch

Office hours @ AMS

School office hours are from 8:00 a.m.- 4:00 p.m. on school days.

Appomattox Primary School

"Building the Future at APS"

August/September 2011

Principal's Message…

Welcome to Appomattox Primary School! We are under construction and building the future beginning on Monday, August 22, 2011.

The faculty and staff at APS will make every effort to ensure student academic and emotional success, despite all the renovating and building taking place this school year. There will be bumps, due to the construction. By working together, being flexible, being cooperative, and being understanding… we can "Build the Future at APS"!

Please feel free to contact me if I can be of assistance this year:

Heather Mullins
Telephone: 352-5766
E-mail:hsmullins@appomattox.k12.va.us

In the Know at APS…

- **Division calendar – This contains division events and general information about Appomattox County Public Schools.**
- **Code of Conduct and Acceptable Computer System Use Policy handbook provides information about expected student behavior on campus, buses, and while using school technology.**
- **The handbook is packed full of information to help you be in the know about information more specific to Appomattox Primary School.**
- **Your child's teacher can provide information about classroom expectations, homework, field trips, class schedules, and other classroom details.**
- **Office staff can assist you with general procedures, receive paperwork/bus notes, and call for students to be dismissed to you.**
- **Cafeteria Manager: Provides information about school lunch program; student lunch account manager**
- **Principal/Assistant Principal: Instructional leadership; school operations; supervision; student safety/discipline issues; all other issues not addressable by the above**

Building Instruction…

School Day: 8:25-3:00

Instructional time is precious, and we try diligently not to interrupt it. Please encourage your child(ren) to double-check to be sure he/she has all homework assignments, bus notes, lunch/snack and books prior to leaving for school. Not only will this reduce the need to interrupt the instructional process, but it will encourage your child(ren) to develop responsibility.

In addition, please note the following:

- **Students may arrive no earlier than 8:00 each day. There is no student supervision prior to 8:00.**
- **Parents who transport their children from school on two or more occasions per week, can greatly assist us by sending in a permanent car rider note and picking up students between 3:00-3:10 p.m. in the car rider loop off of Armstrong Lane.**
- **We are unable to take bus/transportation changes over the phone. Bus bells begin dismissing at 3:07. We are unable to "hold" students until you arrive. If you've not sent a change in writing, your child will be transported based on the last note we have on file and/or his/her regular bus. We ask that you send in changes via the student or fax (352-8074) us a note by 12:00. If you choose to fax a note, please follow up with a phone call to ensure our receipt of the fax. We cannot guarantee receipt of changes if after 12:00 and/or not followed up with a phone call.**

***When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**

Notes are Needed for Sound Construction…

Written communication provides a clear understanding for everyone. If e-mail is your preferred method of communication, please be cognizant that teachers are unable to check their e-mail during active instructional times. They are encouraged to check it in the morning, planning time, lunch, and at the end of their work day if possible. Therefore, if a change to your child's schedule, bus, etc., needs to be communicated it is necessary that a note be written and sent with the student or faxed to the school office (see above).

Please help us by writing notes for the following situations:

- ✓ **When bus dismissal changes are necessary.**
- ✓ **When your child returns to school after being absent.**

Notes…(continued)…

- ✓ When an early dismissal is expected.
- ✓ When there are special custody or health concerns.
- ✓ When there is a change in address, phone numbers, or emergency contacts.
- ✓ When a conference is requested (please allow a couple of days turn-around time for teachers). They may not be able to respond immediately.
- ✓ When clarification of an assignment, program, or policy is needed.
- ✓ When a child is being released to someone other than a custodial parent/guardian.

Safety and Security of Our Students…

We are vulnerable to random acts of violence, and it is understandable that we are concerned about students' personal safety. When visiting, please use the front entrance (front right breezeway) and report to the office to check-in and receive your visitor's badge. If planning to eat lunch with a student, please be prepared to present your ID if asked. Please inform grandparents or other individuals who may wish to eat with your child that they should be prepared to do the same. Over the course of the year the office staff will get to know your face/you, and this may no longer be necessary.

All doors remain locked during the school day except for the main entrance and other exceptions noted below:

New Due to Construction: Front Door at Second Grade that Faces Ferguson Street:
The front/south entrance is available for student a.m. drop-off . The door is unlocked between 8:00-8:25 for a.m. drop-off.

Front Kindergarten Wing Door at Visitor's Parking Lot:
This door is unlocked between 8:00-8:25 to assist parents who wish to accompany students into the building in the morning.

*Front doors that open onto the bus circle are used in the morning/afternoon to monitor bus riders. Please do not access the building through these doors in the morning or afternoon even if they are open.

***Please Note: Our students and staff have been instructed NOT to open doors for anyone. For the safety and security of students and staff, please do not knock on locked doors and ask to be let in.**

Spot The Construction Reader…

Again this year, our instructional readers will have the opportunity to participate in the Accelerated Reader program (AR). This program is a technology-based literacy system designed to encourage the reading of good literature.

All participants must select an AR book of their choosing. After reading the book, the student is required to take a computerized test. Points are assigned for each test passed, based on the length and reading level of the book. Students accumulate points throughout the school year.

At designated increments, the students receive or become eligible for prizes to encourage continued participation.

Classroom teachers determine when students have access to testing and the level the program is promoted within that class. Different teachers have different policies and procedures for how AR is used/facilitated.

Student Recognition…

Students love to be recognized. In order to give a diverse student population multiple opportunities to be in the spotlight, APS, in addition to classroom rewards teachers may have, has several programs to recognize students for social and academic accomplishments. Student of the Week, academic achievement awards, accelerated reader, and birthday announcements are just a few of the ways students may be the top "Spot".

APS Cafeteria Account System…

The computerized cafeteria system provides parents the option of establishing an account whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly, or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

Breakfast Program…

The breakfast program will begin Monday, August 29. Breakfast, like the lunch program, is offered on a full, reduced, or free price basis. Students who participate in the Free and Reduced Lunch Program are also eligible for the breakfast program.

Guidance…

Family Life:

The state of Virginia has developed Family Life Education Standards of Learning for grades K-12. Most of the standards for grades K-2 have been integrated into the social studies and/or science curricula in areas such as citizenship. Another program that covers some of the standards is Al's Pals. If you would like to review these Standards of Learning, please let the office know, and we will set a time for you to review these.

You, as the parent, have the right to opt your child out of this program. If you, as a parent, choose to have your child opted out, please let the principal know in writing.

Counseling Services:

Please contact the guidance counselor, Kathryn Nash, if you have concerns about your child. She conducts guidance lessons, but she will also talk with students who might be experiencing difficulty at school.

Bullying Prevention:

Bullying comes in many forms – bullies may exclude, tease, or physically hurt others. Help keep your youngster from being a target by building his self-esteem and encouraging him to make friends.

Help him practice how to respond if he is bullied. Since a bully feels more powerful when his target is upset, it's often best not to react.

Talking to a bully isn't a good idea, but talking to an adult is. If your child tells you about bullying, consult with his teacher or the guidance counselor.

Crisis Management…

Appomattox Primary School has a Crisis Management Plan in place. The students and staff regularly practice fire, tornado, lockdown, and evacuation drills. School is one of the safest places during most crises or natural disasters because students are prepared.

In the event of a crisis or natural disaster, students and staff will remain at school until it is determined that the danger has passed. Please do not phone the school as our limited phone lines must remain open for emergency communication.

Parents have the right to sign their child out in the school office. Please be aware that without written permission from the parent, only a parent or those individuals listed by the parent as emergency contacts will be allowed to remove the child from the school. No phone requests will be accepted.

Confidentiality…

We are required to protect student information and confidentiality. If someone calls in, we are not permitted to give information out over the phone.
Please do not ask about other students, as we are not able to share that information with anyone other than the parent or legal guardian.

Under Construction: Important Notes…

This year will require us to be patient, flexible, and understanding as we undergo our fabulous building and renovation project. Having said that, please note the following:

Parking:
Parents/Visitors may park in the small lot on the right at the front of the school or in the lot off of Armstrong Lane. Parking is on the side or in the front, but building access for 11-12, will still be at the front breezeway closest to the school office. **Parents may not be in the bus circle at all anymore including to come eat lunch or for any other reason.** Do not park in the lot at the front of the building (below the bus circle). That is faculty and staff only.
Parking will be monitored closely for the safety of our students. Failure to adhere to these guidelines can result in a parking ticket being issued as your license number will be turned over to the Sherrif's department for further action.

Building Access:
Front Door at Second Grade that Faces Ferguson Street:
The front/south entrance is available for student a.m. drop-off . The door is unlocked between 8:00-8:25 for a.m. drop-off.
Front Kindergarten Wing Door at Visitor's Parking Lot:
This door is unlocked between 8:00-8:25 to assist parents who wish to accompany students into the building in the morning.
Front doors that open onto the bus circle are used in the morning/afternoon to monitor bus riders. Please do not access the building through these doors in the morning or afternoon even if they are open.

Other:
Internet, fax, and phone service have been intermittent (at best) this summer. Please be aware that during any construction project, it is possible due to unforeseen circumstances to have basic services interrupted at any time. Please prepare accordingly in regards to contacting the school and/or faxing in bus changes. Also, please be aware of the need to reroute traffic and/or change procedures to accommodate construction needs. While we will try to limit inconvenience, it may happen. There will be factors outside of our control and

they might not be to the liking of many. While your first thought might be to complain, please be reminded of the prize at the end. Construction inconveniences a little at times… but it will be worth it to our students and community in the end. Our focus is instruction. Time spent dealing with complaints because you had to walk a ways, because the ceiling is open, or because there is a little more dust than usual… is time away from what is truly important!

Fast:

Appomattox Primary School will be offering an eight-week Family Fun Night Series this fall. The events will take place weekly on Thursday nights from 5:30 pm -8:00 pm, beginning September 29th. Families who sign up to participate will enjoy family-oriented fun and games while making friends, communicating and having a great time at Appomattox Primary. Each family in attendance will be eligible for the weekly prize drawing. Gifts will be awarded to the families that successfully complete the eight-week series. For More Information Contact Ms. St. John.

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, August 11, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Introduction of New Assistant Principal/Athletic Director

The superintendent was pleased to introduce Mr. Brad Harper, the new Assistant Principal and Athletic Director at Appomattox County High School. Mr. Harper expressed his appreciation to the Board for the opportunity to be employed by our school division.

ACHS Athletic Season Passes and Ticket Prices 2011-2012

Mr. Harper presented information concerning the Appomattox County High School Athletic Season Passes and Ticket Prices for 2011-2012. He stated this information would be provided at registration day, at the gates for athletic events, and on the high school website as well as printed in the *Times Virginian*. (See Attachment # 1)

Discussion of September 22, 2011 Tour of School Facilities

Dr. Grasty reminded Board Members of their tour of school facilities scheduled on September 22, 2011 that will begin at 10:30 a.m. and continue until the 3:30 p.m. Board Meeting. She requested input concerning the areas of

interest to be included in the tour. It was the consensus of the Board to have lunch in one of the school cafeterias (perhaps the elementary school), view any new programs, tour in reverse order of the last tour schedule, and visit the primary school first.

ACTION ITEMS

Consideration of Requests for Admission as Out-of-County Tuition Students for 2011-2012

It was moved by Mrs. Martin and seconded by Mr. Smith to approve admission of out-of-county tuition students for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 2)

Consideration of Disapproval of Request for Admission of Non-Resident Tuition Students for 2011-2012

It was moved by Mr. Waddell and seconded by Mr. Smith to deny the request for admission as out-of-county tuition students for 2011-2012 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 3)

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2011-2012

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve exemption from compulsory attendance laws for bona fide religious belief for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 4)

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #112, #3, #147; former employee #73; and

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, and specifically student #52107.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mr. Smith to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mr. Smith, unanimously approved, and recorded by roll call vote. (See Attachment # 5)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Waddell and seconded by Mr. Smith to approve the personnel report as amended and recommended by the superintendent, pending the results of background checks. Mrs. Martin, Mr. Smith, Mr. Waddell, and Rev. Williams voted in favor of the motion. Mrs. Garrett voted against the motion. By majority voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2011-2012:

Christopher D. Conkwright – Teacher – Appomattox Middle School – Effective: August 2, 2011.

Justin D. Jack – Teacher – Appomattox Middle School – Effective: August 3, 2011.

Change in Assignment 2011-2012:

Lolita R. Preston – From: Crossing Guard – To: Bus Aide – Appomattox County Public Schools. Effective: August 15, 2011.

Assignments 2011-2012:

Carmen R. Harper – Teacher – Appomattox Middle School – Effective: August 8, 2011. (Replacing Chris Conkwright)

Nicholas C. Kuzmiak – Teacher – Appomattox Alternative Education – Effective: August 10, 2011. (Replacing Amanda Wodke)

Attachment # 5

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: August 11, 2011

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, August 25, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the agenda as presented. By unanimous voice vote, the motion was approved.

APPROVAL OF MINUTES

July 28, 2011 – Regular Monthly Business Meeting

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the minutes of the July 28, 2011 Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent reported Mrs. Velma P. Elliott, retired teacher, passed away August 6, 2011. Mrs. Elliott taught Home Economics Education in our school division for 38 years prior to her retirement on July 1, 1983. On behalf of the School Board, a contribution was made to the Appomattox County Education Foundation in her memory and a card was sent to the family. We acknowledge Mrs. Elliott's contributions to our school system and extend our deepest sympathy to her family. A thank you from the family was also shared with the Board.

Communication Items from Board Members

Mrs. Garrett shared a copy of the August, 2011 edition of the *Lynchburg Business Magazine* which featured an article written by Danny Richardson entitled "Swipe K-12 Appomattox County Schools Aim To Raise Attendance and Safety." She stated the article contained quotes from Mr. Brette A. Arbogast, Director of Technology and CTE, as well as Mrs. Martha J. Eagle, Principal of Appomattox County High School.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

First Four Days of School Report

Dr. Grasty was pleased to report the first four days of the 2011-2012 school year had gone very smoothly. She provided an enrollment report which indicated a daily increase in attendance. (See Attachment # 1) The superintendent stated she had been in all of the schools and the challenges presented at the primary school due to the construction project are improving daily.

Membership Report – Tentative Enrollment Figures

The superintendent provided a tentative enrollment report as of August 18, 2011 which indicated a total funded ADM of 2,255 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 2)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 3)

VSBA and NSBA Activities

The following VSBA activity was discussed:

The 2011 VSBA Annual Convention will be held in Williamsburg, November 16 - 18, 2011 with the Delegate Assembly scheduled on November 17th. Mr. Waddell and Dr. Grasty are scheduled to attend with Mr. Waddell serving as the Board's Delegate. October 13, 2011 is the deadline for registration and the fee is $220.00 per person.

Information from the Schools and Division Offices

School newsletters were distributed to Board Members for their information and review.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on Stimulus Funded ACHS ADA Renovations - The project is basically completed and the close-out meeting is scheduled the week of August 29, 2011.

2. Update on APS PPEA Project – The project is well underway. Some recent weather issues will be addressed at a meeting on August 31, 2011 with J. E. Jamerson and Sons and the engineers. A request has been made to place a temporary covered walkway into the building during the winter months. Parent drop-off and pick-up of students is being carefully assessed with the goal of decreasing the daily wait time. A PPEA Committee Meeting is scheduled on September 8, 2011.

3. Stimulus Funds Update – ACHS Parking Lot Patching – Repairs have been made to the high school parking lot by patching areas with holes and base issues. The project was paid from Capital Improvement Funds rather than Stimulus Funds following a conversation with personnel in the Department of Education who noted it may not be an approved Stimulus Funds project. The funds were moved to the high school concourse roof project which qualified for Stimulus Funds.

4. Earthquake Facilities Assessment Update – Following the recent earthquake, all building administrators checked their facilities for cracks or other issues with Timmy Garrett, Maintenance Supervisor, following-up on the areas of concern. Cracks at the middle school warranted contacting the local building inspector and Blair Smith who determined there were no immediate safety issues and requested the services of a structural engineer. The engineer's review determined all of the cracks were structurally insignificant and there was no compromise of the structural integrity of the building. This information will be included in a written report that will be submitted in the near future. Earthquake riders are included in our insurance policies.

Update on Health Insurance Transition

Mr. Bruce McMillan, Director of Human Resources and Staff Development, reported open enrollment meetings will be held during the week of August 29, 2011. Representatives from Piedmont Community Healthcare Plan will be leading these meetings that will be conducted at all school locations as well as the central office. The goal is to have everyone enrolled by September 15, 2011. Mr. Waddell asked if out of state travel emergency care will be included in our new health insurance coverage. Mr. Edwards noted this topic had been addressed and it was his understanding these types of situations will be handled as in-network claims.

ACPS Annual Report 2010-2011

Dr. Grasty provided the Board with copies of the Appomattox County Public Schools Annual Report 2010-2011. She stated this information is required to be published annually and has been placed on our school division website as well as in the offices at each school and the School Board Office. Copies were also provided to parents on Registration Day. (See Attachment # 4)

Als Pals Evaluation Report 2010-2011

Mr. Jason Bowyer, Assistant Principal at Appomattox Primary School and Als Pals Coordinator, reported on the successful 2010-2011 Als Pals Program. (See Attachment # 5)

Summer School Report 2011

Mrs. Elizabeth R. Haught, Director of Remedial and Special Education, reported on Summer School 2011 that had an enrollment of 290 students. (See Attachment # 6)

SOL Score Report Regarding Accreditation and AYP Update

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, provided the official SOL Scores and reported the school division did not meet Adequate Yearly Progress (AYP). The primary, elementary, and middle schools did not meet AYP in English and math. The high school did not meet AYP in math and the Federal Graduation Index (FGI). (See Attachments # 7 and # 8)

Division Technology Update

Mr. Brette A. Arbogast, Director of Technology and CTE, presented a power point presentation concerning technology updates throughout the division

which were conducted during the summer of 2011. (See Attachment # 9) Mr. Arbogast also took this opportunity to thank Mrs. April Johnson and Mr. Phillip Amos, technicians, for their outstanding service to the school division. On behalf of the Board, the chairman presented certificates of appreciation to these employees.

Annual Review of Crisis Management Plans

Mr. Arbogast, conducted the review of the Crisis Management Plans which is an annual requirement of the Code of Virginia. He stated earthquake plans will be added prior to submitting the final report to the Virginia Department of Education at the end of the month.

Discussion of Old County Library Use Options

Dr. Grasty noted our school division had been using the Old County Library, which is located on the campus of the middle school, until last year when the chimney began to pull away from the building and became unsafe. The superintendent stated she and Mr. Edwards met with Mrs. Aileen Ferguson, County Administrator, on August 19, 2011 to discuss the use options for the Old County Library as the Town of Appomattox and several historical groups have expressed interest. At that time, Mrs. Ferguson indicated the Board of Supervisors would be voting at the September 6, 2011 meeting concerning the outcome of the Old County Library. She tentatively anticipated the Board of Supervisors would deed the building to the Town of Appomattox, which has no immediate plans for the building. The Town has requested use of the parking lot which we are currently utilizing. We have asked that we continue to be allowed use of the parking lot until 4:00 p.m. on days schools are in session.

Mr. Smith stated it was a mistake to let the building get away from the school system and cited the safety of students as his primary concern. He noted we would have no control of who would be in and out of that building once the town or one of the historical groups is given ownership. He suggested the repairs be made to the building and school use be retained. Rev. Williams was in agreement with Mr. Smith.

Mrs. Garrett noted the condition of the building has been a topic at Board Chairs Meetings in recent months.

Following discussion, the Board directed the superintendent to send a letter to the Board of Supervisors requesting the school division be allowed to continue using the Old County Library with support from the county to complete the needed repairs. It was also noted, Mrs. Garrett's signature should be included on the letter.

Dr. Grasty stated she would prepare the requested letter and deliver it to Mrs. Ferguson.

Discussion of Travel Reimbursement for Teachers Traveling Between Schools

The superintendent stated during the 2010-2011 school year, the Board approved paying teachers who traveled between schools each day to fulfill their job assignments $100.00 per semester to compensate them for their travel expenses. This request had been made by the Teacher Advisory Committee. Currently, ten teachers travel between schools daily. The superintendent requested the Board consider approving this payment again for the 2011-2012 school year and noted this was included as an action item on the meeting agenda.

Student Behavior Expectations at Home Football Games

Dr. Grasty provided the Board with information from the high school concerning student behavior expectations at home football games to encourage good sportsmanship and ensure the safety of all attendees. She stated this information has been shared with students. (See Attachment # 10) The Board was supportive of the information provided. Mr. Waddell suggested painting the walkways a special color which would indicate a no standing zone. The superintendent directed Mr. Edwards to follow-up with Mr. Timmy Garrett, Maintenance Supervisor, concerning this suggestion.

Discussion of AYS Request to Use Bragg Stadium for Four Saturdays in the Fall

The superintendent reviewed the request from Mr. Ray Perkins, on behalf of Appomattox Youth Sports (AYS), to use the high school football field, Bragg Stadium, for four Saturdays this fall: September 10, October 15, October 22, and October 29, 2011. She stated this would be an action item on the meeting agenda and recommended approval of the request, waiver of fees and require AYS to pick-up trash, and clean bathrooms and concessions. Dr. Grasty stated Mr. Brad Harper, Appomattox County High School Assistant Principal and Athletic Director, would determine if the weather will allow the fields to be used on the days requested. It was also noted Mr. Perkins be directed to check with Mr. Harper concerning the best dates for the 2012 AYS Football Program prior to scheduling.

2011-2012 Committees

Dr. Grasty provided the Board with the following list of committees for 2011-2012: (See Attachments # 11 - # 14)

Teacher Advisory Committee (TAC)
Parent Advisory Committee (PAC)
K-12 Literacy Committee
Dress Code Committee

September Board Meeting and School Visitations

The Board was provided with a tentative schedule for the September 22, 2011 tour of school facilities. (See Attachment # 15)

ACTION ITEMS

Consideration of Requests for Admission as Out-of-County Tuition Students for 2011-2012

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve admission of an out-of-county tuition student for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 16)

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2011-2012

It was moved by Mrs. Martin and seconded by Rev. Williams to approve exemption from compulsory attendance laws for bona fide religious belief for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 17)

Consideration of Approval of Request from Historic Appomattox Railroad Festival

It was moved by Rev. Williams and seconded by Mr. Smith to approve the request from the Historic Appomattox Railroad Festival to use the parking lot at Appomattox County High School on Saturday, October 8, 2011 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 18)

Consideration of Approval of 2011-2012 Remedial and Special Education Advisory Committee Members

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the 2011-2012 Remedial and Special Education Advisory Committee Members as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 19)

Consideration of Approval of 2011-2012 Gifted Advisory Committee Members

It was moved by Rev. Williams and seconded by Mr. Waddell to approve the 2011-2012 Gifted Advisory Committee Members as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 20)

Consideration of Approval of 2011-2012 School Health and Wellness Advisory Committee Members

It was moved by Mr. Smith and seconded by Rev. Williams to approve the 2011-2012 School Health and Wellness Advisory Committee Members as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 21)

Consideration of Request for Early Kindergarten Enrollment

It was moved by Mrs. Martin and seconded by Mr. Waddell to deny the request for early enrollment in kindergarten based on testing results as recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 22)

Consideration of Approval of ACHS Concourse Roof Bid

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve Roofing Solutions be awarded the Appomattox County High School (ACHS) Concourse Roofing Project with a base bid of $99,200.00, Unit Price #1 of $4.25 BF and Unit Price #2 of $7.00 LF as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 23)

Consideration of Approval of Overnight Trips

It was moved by Rev. Williams and seconded by Mr. Waddell to approve the overnight trips as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 24 - # 25)

Consideration of Approval of Travel Reimbursement for Teachers Traveling Between Schools

It was moved by Rev. Williams and seconded by Mrs. Martin to approve a $100.00 per semester payment to teachers who are required to travel to multiple schools daily to fulfill their job assignment as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Request from AYS to Use Bragg Stadium for Four Saturdays in the Fall

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the request for Appomattox Youth Sports (AYS) to use the high school football field, Bragg Stadium, for four Saturdays this fall: September 10, October 15, October 22, and October 29, 2011; waive the fees; and require AYS to pick-up trash, clean bathrooms and concessions. By unanimous voice vote, the motion was approved. (See Attachment # 26)

Re-Consideration of Approval of Eagle Scout Project Request

Board Members reviewed the original Eagle Scout Project proposal Caleb Edwards presented to the Board on April 28, 2011. (See Attachment # 27) At that time, Rev. Williams requested this item be placed on the next Board Meeting agenda with the Chairman in agreement.

Prior to the May 12, 2011 Board Meeting, Caleb contacted the superintendent with a revised cost of $900.00 for the entire project rather than the original estimate of $1,000.00. Rev. Williams suggested Caleb raise the needed funds for the project through donations. By majority vote, the motion to approve the Eagle Scout Project as requested was not approved. Mrs. Garrett requested once Caleb secured donations to cover the cost of $900.00 he resubmit his request to the Board with a list of sponsors.

As of August 20, 2011, Caleb had raised $500.00 from donations. He has worked with Mr. Ronnie Guthrie of RSG Landscaping to do a scaled back version of his initial plan for $500.00. He has scheduled the project for September 23-24, 2011 and will be assisted by volunteers from three area Boy Scout Troops as well

as family and friends. If additional funds are raised by mid September, these will go towards the full-scale project.

It was moved by Rev. Williams and seconded by Mr. Smith to approve the Eagle Scout Project, as modified, including raising funds from other sources. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated July 31, 2011. (See Attachment # 28)

APPROVAL OF BILLS

Rev. Williams moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $155,152.43 – General Fund (See Attachment # 29)
2. $105,114.82 – School Textbook Fund (See Attachment # 30)
3. $ 15,027.27 – School Food Fund (See Attachment # 31)
4. $530,891.00 – APS PPEA Construction Fund (See Attach. # 32)
5. $ 52,825.00 – Sch. Capital Improvement Fund (See Attach. # 33)
6. $ 1,200.01 – General Fund End-of-Month (See Attachment # 34)

Mrs. Martin seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, September 8, 2011 at 5:30 p.m. and the next Regular Monthly Business Meeting will be held Thursday, September 22, 2011 at 3:30 p.m. Both

meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and former employee #73.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically students #143, #10261, #52105, and #52107.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was

seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 35)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2011-2012:

Alecia Davis – Bus Aide/Instructional Assistant – Appomattox County Public Schools – Effective: August 17, 2011.

- Gary W. Tanner

TONIGHT'S GOAL

TO DELIVER A STATE OF THE SCHOOLS UPDATE

OUR THEME:

- BUILDING A COMMUNITY OF LEARNERS

BUILDING PROFESSIONAL LEARNING COMMUNITIES

- Collaborative teams
- Common planning
- Formative assessments
- Data analysis
- Prescriptive direct remediation
- Challenging proficient students
- Continual monitoring and reassessing

THANK YOU FOR YOUR SUPPORT OF OUR SCHOOL DIVISION

We are 2,200 strong!

2011 ACHS GRADUATES

- 164 – Graduates
- 79 – Advanced Diplomas
- 76 – Standard Diplomas
- 3 – Modified Standard Diplomas
- 6 – Special Education Diplomas

2011 ACHS GRADUATES' PLANS

- 68 – 4 Year College
- 47 – 2 Year College
- 8 - Trade School
- 12 – Military
- 28 – Work Force
- 1 - Undecided

CAREER & TECHNICAL EDUCATION

- 3 – Agricultural Machinery Service
- 14 - Agricultural Production
- 2 - Horticultural Science
- 3 - Veterinary Science
- 23 - Business & Information Technology
- 18 - Nurse's Aide
- 6 - General Marketing
- 8 - Drafting
- 13 - Automotive Service Technology
- 6 - Early Childhood Education
- 11 -Culinary Arts

ENROLLMENT AS OF 10/24/11

- APS – 490
- AES – 493
- AMS – 553
- ACHS - 674

STUDENT DEMOGRAPHICS

- ETHNICITIES

- 69% White
- 29% Black
- 1% Hispanic
- 1% Other

OTHER STUDENTS

- Home schooled students = 110
- Out of division tuition paying students = 47

MEALS SERVED IN 2010-11

School Breakfast	82,316
School Lunch	255,395
TOTALS	**337,711**

NEW USDA FOOD REGULATION REQUIREMENTS COMING

- We tried some of the new changes in September
- The “old favorites” were missed
- We will be sprinkling in the new items again

NEW GUIDELINES

"Whole Grain Rich" = 51% or more
By 2014 "Whole Grain Rich" will be replaced by "Whole Grain"

Federal Register / Vol. 76, No. 9 / Thursday, January 13, 2011 / Proposed Rules 2499

CHANGES IN MINIMUM AMOUNTS AND TYPES OF FOOD: BREAKFAST

	Current requirement	Proposed requirement
Fruit	½ cup per day	1 cup per day.
Grains and Meat/Meat Alternate	2 grains or 2 meat/meat alternates or 1 of each per day.	1.4–2 grains per day plus: 1–2 meat/meat alternates per day. (Range reflects difference by grade group.)
Whole Grains	Encouraged	At least half of the grains to be whole grain-rich.
Milk	1 cup	1 cup, fat content of milk to be 1% or less.

CHANGES IN MINIMUM AMOUNTS AND TYPES OF FOOD: LUNCH

	Current requirement	Proposed requirement
Fruit and Vegetables	½–1 cup of fruit and vegetables combined per day	¾–1 cup of vegetables plus ½–1 cup of fruit per day.
Vegetables	No specifications as to type of vegetable	Weekly requirement for dark green and orange vegetables and legumes and limits on starchy vegetables.
Meat/Meat Alternate	1.5–3 oz equivalents (daily average over 5-day week).	1.6–2.4 oz equivalents (daily average over 5-day week).
Grains	1.8–3 oz equivalents (daily average over 5-day week).	1.8–2.6 oz equivalents (daily average over 5-day week).
Whole Grains	Encouraged	At least half of the grains to be whole grain-rich.
Milk	1 cup	1 cup, fat content of milk to be 1% or less.

USDA CHANGES

- Mandatory Changes for 2011-2012
  - Meal Price Increase
  - Milk fat content ≤ 1%
  - Water availability
    - Water must be available to students where lunch is served. All locations currently comply.
  - Other back of house paperwork requirements regarding use of SSN on the meal application, categorical eligibility, etc.
- Proposed Mandatory Changes for 2012-2013
  - Calorie reductions & caps
  - Serving size increases
  - Incorporating the 2010 Dietary Guidelines in the Meal Pattern
    - Whole grain rich (half of breads/grains be 51% whole grain)
    - Half of the plate should be fruits and veggies
    - Sodium regulations

FREE & REDUCED MEAL FACTS (AS OF 9/30/11)

School	Paid %	Reduced %	Free %	FR Combined %
APS	45.7%	8.2%	46.1%	54.3%
AES	49.9%	7.7%	42.4%	50.1%
AMS	54.7%	8.1%	37.2%	45.3%
ACHS	58.9%	8.9%	32.2%	41.1%
Division Wide	**52.7%**	**8.3%**	**39.0%**	**47.3%**

SPECIAL EDUCATION STAFF

- 18 - Special Education Teachers
- 10 - Special Education Assistants/Aides
- 1 - Speech Language Pathologist
- 1 - Psychologist
- 1 - Sign Language Interpreter

- Contracted Services Part Time Staff: Occupational Therapist, Physical Therapist, Vision Instructor, Autism Specialist, Speech Language Pathologist

SPECIAL EDUCATION STUDENT ENROLLMENT

- 260

ALTERNATIVE SPECIAL EDUCATION FACILITIES OUT OF DIVISION

- LAUREL Regional School
- Bridges Treatment Facility
- New Vistas School
- Rivermont School
- Commonwealth Treatment Center

TITLE I PROGRAM

- Federal funds to provide remedial reading instruction to students in the elementary grades at APS and AES
- Title I serves 55 students at APS
- Title I serves 47 students at AES

SUMMER SCHOOL 2011

- 290 students
- Reading, math, social studies, and science
- 90% of students who took SOL tests passed
- 2 students who did not graduate in June received diplomas following summer school

APPOMATTOX ALTERNATIVE EDUCATION CENTER (AAEC)

- 20 students enrolled currently
- 1 student has completed GED since August
- 10 students in Individual Student Alternative Education Plan (ISAEP)
- The ISAEP program is designed for those students ages 16 to 18 and enrolled in high school programs who are having difficulty finding success in a regular classroom environment. Included in enrollment is:
- Career guidance counseling
- Mandatory enrollment in a GED preparation program
- Career and technical education

PROJECT GRADUATION

- New program, using existing staff at ACHS, which targets students who have not passed one or more SOL tests needed for graduation
- Students are enrolled in 90 minute class, 45 minutes of which are spent with academic teacher who works with them in their area of need
- Remaining 45 minutes are spent with a different teacher who works on study skills curriculum
- This is done during part of teachers' planning periods

NEW CLASS - COLLEGE FOCUS

- Reinforces study skills, SAT practice, and college preparation skills
- Using existing staff

STAFF DEVELOPMENT/TRAINING FOR TEACHERS

- Professional Learning Communities
- Updating Pacing Guides and Benchmark Tests
- Best Practice Teams are trained to provide differentiation skills to staff
- 21st Century Learning Skills Cohorts
- Developing network of resources for new math standards
- Training on new textbook programs
- Adoption of new English and Science Standards
- Region 8 network to develop higher level thinking questions
- Investigating additional Advanced Placement courses through VASS AP Grant

TECHNOLOGY UPGRADES 2010-11

- Replaced or upgraded all teacher computers
- Created redundant ASA firewall
- Added an additional 8 terabytes to county owned virtual cloud
- Added thin clients to every English classroom in the county
- Created centralized print server
- Primary school / first time in 7 years teachers have two functional computers in every classroom
- Reloaded all computers in the county with new image
- Completed VOIP installation for all schools and offices
- Installed two e911 servers to be compliant with the new e911 laws
- Upgraded student database server with redundancy
- Began new implementation of costs per copy program for copiers
- Implemented new offsite virtual backup system
- Created redundancy for new phone system
- Installed POE (Power Over Ethernet) for all core switches in the event of power outages
- Increased the implementation of MAC computers into the Technology Integration Plan
- Added additional unit to server farm which now has three physical servers that run 23 virtual servers

SOL TESTING 2010-11 NUMBER OF TESTS GIVEN

- English Reading - 1,272
- English Writing - 568
- Math - 1,626
- Science - 1,148
- History - 1,394

- Total SOLs given: **6,008**

SOL PERFECT SCORE RECOGNITION

- October 27
- 5:30 p.m. – ACHS auditorium
- 600 = perfect score
- 253 students achieved a perfect score on 340 SOL tests during 2010-11

2010-11 HIGH LIGHTS - APS

- 91% achieved 1+ years in reading
- 250 earned spot on Mad Math Minute Wall
- 127 earned 75 Accelerated Reader(AR) points
- 450 students recognized for outstanding achievement at end of semester assemblies
- 1st annual Little Farmer's Day
- Longwood University student art contest winner
- Relay for Life team with teachers and staff
- Attendance Program and Lunch Buddies Program
- Community partnerships with Walmart & Pizza Hut

AES 2010-11 HIGH LIGHTS

- 206 perfect SOL scores at October recognition
- VA Board of Education Competence to Excellence Award
- VA Tech Excellence in Education Award for Partnership Program with APS
- UVA Partnership for gifted students
- Longwood University Partnership for Professional Development
- Girls on the Run, WATCH DOGS Dad Program - volunteers
- Family Alliance Essay Winner
- VA Museum of Fine Arts Partnership
- Regional Science Fair Participation
- After School Clubs Program - volunteers
- Bucket-filling program to promote respect
- Math Whiz Kids Club
- Accelerated Reader Program

AMS 2010-11 HIGH LIGHTS

- 122 perfect SOL scores at Recognition Ceremony
- Math Plus & Academic Enrichment classes
- VSBA Spring Regional Forum Art Contest winner
- Citizen of the Month Program
- Anti-bullying Program
- PE Bike Program
- Spelling Bee
- Geography Bee Winner
- Girls on Track Program
- App Squad
- ALPS program enrichment
- 50 students recognized for Presidential Academic Achievement and Excellence Awards
- FFA recognized as Superior Chapter
- Band earned Excellent Rating at VA Band Director's Concert Festival
- Citizens of the Year
- 12 students visited The Governor's School
- 23 students visited Centra Health Career Day

ACHS 2010-11 HIGH LIGHTS

- 41 perfect SOL scores
- 37 honor graduates
- 14 CVCC Early College Scholars
- Track –girls won 4 x 1 Regional
- Softball - District Champs
- Baseball- Region B Champs
- Golf -3rd in District
- FCCLA students placed in state competition
- Drafting & Nuc.Tech students placed in CVCC Technology Fair
- FFA Chapter - 3 Star National Award
- FFA livestock competition team recognized by VSBA as "Showcase for Success"
- FFA Chapter participated in the Adopt A Highway Program

ADULT EDUCATION

- 35 Adults Received GEDs 2010-11
- 40 Adults - Currently Enrolled
- Housed at CVCC

OUR TEACHING STAFF

- Full-time teachers - 175
- Teachers with Master's Degrees – 74
- Female Teachers – 77%
- Male Teachers – 23%

NEW MANDATED VIRGINIA DEPARTMENT OF EDUCATION TEACHER EVALUATION SYSTEM

- Must be ready to use July 1, 2012
- Has 7 standards of measure:
- Professional Knowledge
- Instructional Planning
- Instructional Delivery
- Assessment of Student Learning
- Learning Environment
- Professionalism
- Student Academic Progress

OUR STAFF – 377 EMPLOYEES

- 45 – Bus Drivers
- 4 - Crossing Guards
- 2 - Mechanics
- 18 – Custodians
- 22 – Clerical
- 37 - Aides
- 4 - Principals
- 4 - Asst. Principals
- 1 - Ath. Dir./Asst Princ.
- 5 - Directors
- 2 - Supervisors
- 26 – Food Services
- 40 - Coaches (part-time)

EMPLOYEE DEMOGRAPHICS

- BY AGE:
- 20-29: 55
- 30-39: 74
- 40-49: 93
- 50-59: 90
- 60-69: 51
- 70+ : 14

TRANSPORTATION FACTS

*Fleet is comprised of 51 buses

*5 of those are substitute buses

*46 buses are used each day

*Average age of our buses is a 2002 model

*Oldest models are 1995s

*Total mileage for the fleet is 516,000 per year

OUR FACILITIES

- 460,000 square feet
- 80 acres
- 5 school buildings
- 6 support building
- Buildings range in age from 10 years old to over 100 years old
- Facilities study was completed in 2008 by Dominion 7

APPOMATTOX PRIMARY SCHOOL

- Built in 1954
- Addition in 1989
- Getting a renovation and additions through QSCB
- Thank you for this project!

APPOMATTOX ELEMENTARY SCHOOL

- Constructed in 2001
- No major needs other than carpeting should be replaced

APPOMATTOX MIDDLE SCHOOL

- Original building – 1908-1953
- Old library – 1940 – title search in process
- Vocational building – 1955
- Addition – 1998
- <u>Needs:</u>
- Plaster in original building
- Boiler replacement
- Roof on original building needs repair
- Ventilation needs attention on lower level in original building
- Gym needs air conditioning

APPOMATTOX COUNTY HIGH SCHOOL

- Constructed in 1974
- Needs complete renovation to update and upgrade all areas including:
- Kitchen equipment, plumbing and electrical distribution panels, and HVAC systems
- A.D.A . compliance
- Major brick re-pointing needed all over the exterior of the building
- Major sidewalk repairs and alteration to parking lot to accommodate safety concerns and traffic flow
- Expansion of the CTE wing to increase hands-on training for students in such areas as: Horticulture, Drafting, HVAC, Plumbing, Masonry, 21st Century STEM programs, etc.

BUS SHOP & MAINTENANCE SHOP

- Study recommended demolition and construction of new pre-engineered metal building to house the bus garage and maintenance department to address safety issues and increase efficiency of its operations.
- Study also recommended relocating current school board office to old elementary school after a renovation.

CAPITAL IMPROVEMENTS FY 2011

- Technology Infrastructure $ 11,142.87
- 2 School Buses 159,740.00
- Special Needs Bus 83,890.00
- Maintenance Storage Shed 9,035.59
- ACHS ADA Bath Renovation 330,687.46
- ACHS Parking Lot Repair 52,825.00
- ACHS Baseball Bleachers 11,200.00
- ACHS Practice Field Improvement 8,572.00

STIMULUS FUNDS 2010-11

- Teaching positions
- Retaining jobs
- Employee bonuses
- Return of 1 Bright Beginnings class for half year
- ACHS ADA bathroom/upgraded gym lobby/lighting

RETURN OF MATCHING FUNDS

- 3 Bright Beginnings 4 Year-old Classes
- (Kindergarten teachers have noticed decline of incoming skills from K students unable to attend last year)
- Algebra Readiness
- Early Reading Intervention

Continuation of K-3 Class Size Reduction

Thank you for your support of these vital programs!

RETURN OF MIDDLE SCHOOL SPORTS

- Parents and staff have expressed appreciation for these programs

PUBLIC PRIVATE EDUCATION FACILITIES & INFRASTRUCTURE ACT (PPEA)

*Committee comprised of both Boards
*Unsolicited proposals reviewed; winning proposal selected – J. E. Jamerson and Sons
*Bill Gillespie hired as project manager
*County awarded $10,000,000 QSCB Bond at 0% interest
* We appreciate this!

CHALLENGES FOR 2012-13

- Benefit unknowns involving VRS and health insurance
- Salary increases for staff as we move into 4th year of frozen wages
- Examination of all retiring staff positions and class sizes K-12
- Expiration of Federal Stimulus Funds
- Unfunded mandates (SOL testing, Gifted services, Special Education services, LEP services, new teacher evaluation system, OSHA, FCC 911 and radios, etc.)

BUDGET PLANNING SCHEDULE

August – September	Agency Budget Prep
November – December	Governor, DPB and Cabinet Review
December 19	**Governor's Proposed Budget Sent to Senate**
January 2012	Budget Bills sent to Money Committees

BUDGET PLANNING SCHEDULE

February 2012	Senate & House produce separate budget bills
March 2012	Conference Committee Reports Bill(s)/General Assembly (GA) Approves
April 2012	Governor signs/vetoes or returns to GA with Amendments – six weeks after GA Approval

*** Any budgets developed before this are ***projections only!***

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, September 8, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

Rev. Williams requested a discussion of staffing of the art classes be included on an agenda, but not necessarily at this meeting. Mrs. Garrett directed the item to be added to the next meeting agenda.

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Enrollment Information

The superintendent provided an enrollment report for the first eleven days of school which indicated an enrollment of 2,217 on September 6, 2011. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 1)

Report from Structural Engineer on AMS

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the report from the structural engineer concerning Appomattox Middle School which had been forwarded to our insurance adjuster. (See Attachment # 2) He noted our insurance policy has a $5,000.00 deductible for earthquake damages. Mr. Edwards stated the written report confirmed a previous verbal report which indicated the cracks were structurally insignificant and there was no compromise of the structural integrity of the building. A follow-up report will be presented to the Board following receipt of a response from our insurance adjuster.

APS Construction Project Update

Mr. Edwards shared an update report from Mr. Bill Gillespie, PPEA Project Manager, concerning the primary school construction project, (See Attachment # 3) He stated Mr. Gillespie will provide this type of report at each interim and regular monthly business meeting. Mr. Gillespie will also be present at the regular monthly business meetings to provide a short presentation.

Mr. Edwards noted a PPEA Committee Meeting was held earlier in the day. He stated site issues were of concern to a number of committee members, particularly the water runoff because more water is being put into the system than is allowed. Mr. Gillespie is addressing the situation on Ferguson Street with the Virginia Department of Transportation. J. E. Jamerson & Sons and Dewberry & Davis are working to make site corrections at no additional cost to the project.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, and specifically students #52626, #233, and #52107.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mr. Smith, unanimously approved, and recorded by roll call vote. (See Attachment # 4)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Family and Medical Leave Act 2011-2012:

Erin E. Bromley – Teacher – Appomattox Elementary School. Effective: Approximately October 21, 2011, for up to 12 weeks according to FMLA guidelines.

Amanda R. Turner – Teacher – Appomattox Primary School. Effective: Approximately February 20, 2012, for up to 12 weeks according to FMLA guidelines.

Long-Term Substitutes 2011-2012:

John E. Schnatterly, Jr.– Long Term Substitute – Appomattox Elementary School - Substituting for Erin Bromley. Effective: Approximately October 21, 2011 for up to 12 weeks.

Kelly C. Watson – Long Term Substitute – Appomattox Primary School – Substituting for Lindsay Mihalik. Effective: August 31, 2011 for up to 12 weeks.

Teacher Substitutes 2011-2012:

John E. Schnatterly, Jr.
Kelly C. Watson
Greer D. Harris

Supplemental Assignments 2011-2012:

Appomattox County High School:

Brenda S. Barringer	–	Drama/Chorus
Victoria W. Rothgeb	–	Yearbook
Joseph G. Servis	–	Academic Competition

Appomattox Elementary School:

Jason L. Wells	–	Webmaster – Declined Offer
Dana C. Hamlett	–	Webmaster

Stipend for Employees Who Work at More Than One School:

Darlene W. Cooter
Lauren R. Scott
Brenda S. Barringer
Bryan M. Allgood
Lindsay M. Pulfer
Margaret I. Donghia
Ami S. Gonzalez
Elizabeth J. Duncan
Jane E. Mills
Melanie M. Ranson

APPROVAL OF STUDENT MATTERS:

Student Number 52626:

It was moved by Mr. Waddell and seconded by Mr. Smith to place Student Number 52626 at the Pride Center until the end of first semester of the 2011-2012 school year pending a behavioral progress report from the Pride Center to determine if the student should continue this placement for second semester. By unanimous voice vote, the motion was approved.

Student Number 233:

It was moved by Mr. Waddell and seconded by Mr. Smith to expel Student Number 233 for 365 days due to possession of marijuana and alcohol on school property. Mrs. Garrett, Mr. Smith, Mr. Waddell, and Rev. Williams voted in favor

of the motion. Mrs. Martin abstained. By majority voice vote, the motion was approved.

NEXT MEETINGS

The following meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia:

- Regular Monthly Business Meeting – Thursday, September 22, 2011 – 3:30 p.m. The tour of school facilities will be held prior to the meeting, beginning at 10:30 a.m.
- Interim Meeting – Thursday, October 13, 2011 – 5:30 p.m.

ADJOURNMENT

There being no further business, Mr. Waddell moved the meeting be adjourned with a second from Mr. Smith. By unanimous voice vote, the meeting was adjourned.

_____
Stacy C. Garrett
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 4

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: September 8, 2011

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, September 22, 2011 at 3:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order, welcomed those in attendance, and stated it had been a wonderful day touring the schools and observing the many successes in our school division.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the agenda as presented. By unanimous voice vote, the motion was approved.

APPROVAL OF MINUTES

August 11, 2011 – Interim Meeting
August 25, 2011 – Regular Monthly Business Meeting

It was moved by Mr. Smith and seconded by Mr. Waddell to approve the minutes of the August 11, 2011 Interim Meeting and the August 25, 2011 Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent reported Appomattox Walmart honored ten teachers in our school division in grades K-8 as part of their National Teacher Appreciation Program. (See Attachment # 1) Dr. Grasty expressed her appreciation of the support our schools receive from Appomattox Walmart.

Communication Items from Board Members

Mr. Smith stated he has received numerous compliments concerning Mr. Bryan Allgood and the performance of the band. He requested the superintendent communicate this information to Mr. Allgood.

RECOGNITIONS

Students and Staff

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox Middle School:

Tatum Martin - 4th High Individual - State Quiz Bowl CDE (Career Development Event) at Virginia FFA Association State Convention. The Quiz Bowl CDE is open to middle school students and requires them to study FFA history, traditions, and current events.

Appomattox County High School:

FCCLA:

Shannon Gunter - Gold Medal Winner - Focus on Children - National FCCLA Leadership Competition
Rebekah McQuigg - Gold Medal Winner - Focus on Children - National FCCLA Leadership Competition
Mrs. Ronda Matthews - FCCLA Sponsor

FFA:

Caleb Baker - State Runner-Up - Senior Agricultural Mechanics
William Gaulden - State Runner-Up - Senior Agricultural Mechanics CDE and 2nd High Individual in the State
Cory Hodges - High Individual - State Junior Agricultural Mechanics CDE - State FFA Convention
William Lewis - State Runner-Up - Senior Agricultural Mechanics
Corey Scruggs - Silver Finalist - National Diversified Horticulture Proficiency Award
Rob Thomas - Silver Finalist - National Specialty Crops Proficiency Award
Mr. Edward McCann - FFA Sponsor

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

VSBA Academy Awards

The Virginia School Boards Association (VSBA) encourages participation in programs that are offered to School Board Members, Superintendents, Clerks, and Deputy Clerks throughout the year. Mrs. Garrett was pleased to present the following VSBA Academy Awards earned during the period July 1, 2010 through June 30, 2011:

Mr. Bobby K. Waddell	-	Award of Honor and Gold Pin
Dr. Dorinda G. Grasty	-	Award of Honor and Gold Pin

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the August 31, 2011 Membership Report which indicated the total funded ADM was 2,190 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 2)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 3)

VSBA and NSBA Activities

The following VSBA activity was discussed:

The 2011 VSBA Annual Convention will be held in Williamsburg, November 16 - 18, 2011 with the Delegate Assembly scheduled on November 17th. Mr. Waddell, Rev. Williams, and Dr. Grasty are scheduled to attend. Mr. Waddell will be serving as the Board's Delegate and Rev. Williams will be serving as the Board's Alternate Delegate. The deadline for registration is October 13, 2011 and the fee is $220.00 per person.

Information from the Schools and Division Offices

The superintendent stated the October school newsletters would be forthcoming.

Comments Following School Facilities Tour Held Earlier Today

Dr. Grasty stated the School Board tour of school facilities began at 10:30 a.m. and included all four schools as well as the Appomattox Alternative Education Center. She welcomed comments and suggestions from Board Members.

Mrs. Garrett noted it had been a great day and the group was intrigued by a game they played at the elementary school as they rediscovered they could learn while having fun. She was also pleased to see the recently completed construction at the high school and the ongoing construction at the primary school.

Mr. Smith requested Mr. Arbogast, Director of Technology and CTE, look into a Driver's Education Simulator. He also requested consideration be given to making the Safe Teen Driving Program mandatory for every student and parent. He asked when this program will be conducted this fall. Mrs. Martha Eagle, Principal of Appomattox County High School, stated the program has not been scheduled at this time due to poor attendance in the past and requested direction from the Board. Mr. David Read, Assistant Principal of Appomattox Middle School, reported less than five students attended the past two programs and agreed it should be mandatory. Dr. Grasty requested Mrs. Eagle look into the Safe Teen Driving Program and provide information at an upcoming meeting.

Mrs. Martin was impressed with the technology and methods of teaching exhibited in the classrooms they visited.

Mr. Waddell noted learning has to be fun and that was evident during the tour.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on Stimulus Funded ACHS ADA Renovations - The project is basically completed. Punch list items include HVAC in the lobby area, a drain line plumbing concern in the new ladies restroom, and some paint issues that have been shared with the architect.

2. Changes to the ACHS Parking Lot Traffic Pattern – We have received good news from VDOT stating they will make improvements to the intersection of Evergreen Avenue and Route 727 on the Technology Center corner. This will allow buses four additional feet. A new traffic pattern will be in place at the high school beginning October 17, 2011 and continuing for the remainder of the current school year. Buses will enter near the football field, drop off students at the cafeteria breezeway, and exit onto Evergreen Avenue. Cones have been purchased to separate the bus area from the section designated for staff, students, and parents. Prior to implementation, maps will be published in the newspaper for two weeks, Mrs. Eagle will be sending a letter to parents, and homeroom announcements will be made at the school. A long term plan is being developed.

3. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager, provided a detailed update concerning the primary school PPEA construction project. (See Attachment # 4) He was pleased to report three of the four bid phases have been completed and the project remains within budget. Mr. Gillespie reviewed a number of architect drawings and noted the next PPEA Committee Meeting will be held October 27, 2011.

Presentation of Day Treatment Program in Our Schools

Mrs. Genevieve Whittemore and Ms. Amber Duff with Central Virginia Community Services provided an informative power point presentation concerning the Therapeutic Day Treatment Services provided to students in our school division. (See Attachment # 5)

New Concussion Policy and Training for Coaches

Mr. Brad Harper, Athletic Director and Assistant Principal at Appomattox County High School, addressed Policy JJAC – Student-Athlete Concussions During Extracurricular Activities and the training that is being provided to our coaches. (See Attachment # 6) A Concussion Management Team is being formed as required by Policy JJAC. Mr. Harper noted all coaches will be required to take and pass a concussion course, annually, that is designed by the National Federation of High Schools.

Mr. Michael Shetely, Athletic Trainer, has obtained a program which will allow him to determine the severity of a suspected concussion that will assist our athletes in a timely and efficient manner. The test will also determine at what point the athlete may return to play. A pre-season computerized baseline test will be administered to all student athletes who will also be required to retake the test after a suspected concussion occurs. A grant application has been processed

through Dicks Sporting Goods that will provide the first 500 tests. If the grant is not awarded, the tests will be purchased.

A copy of information prepared by Mr. Shetely was shared with Board Members. (See Attachment # 7) This information will be distributed at all pre-season parent meetings to ensure the safety of our student athletes.

Update on Olweus Bullying Program

Mr. David Read, Assistant Principal of Appomattox Middle School and Bullying Prevention Coordinator for our school division, provided an update concerning the bullying prevention practices being conducted in our schools. (See Attachment # 8) He stated we need speakers to address bullying prevention with our students which will require funding. Mr. Read confirmed students are reporting bullying incidents.

New USDA Child Nutrition Proposed and Mandatory Regulations

Ms. Niki Kempton, Food Service Coordinator, provided information concerning the new proposed and mandatory regulations that have been issued by the USDA Child Nutrition Program and provided copies of October 2011 School Menus. (See Attachment # 9)

Mr. Smith stated he realized we have no choice but to follow the USDA Child Nutrition requirements. He also shared his concern that students did not know what some of the menu items were which resulted in bringing lunch from home, wasted food, and hungry children.

Ms. Kempton cited patience and flexibility will be needed to implement the required changes and noted in the future new food items will be introduced by providing samples to the students.

Mr. Edwards noted the federal reimbursement provided to our school division for students approved to receive free meals is $1.80 per meal for breakfast and $2.77 per meal for lunch. This reimbursement includes labor, supplies, food, and utilities which certainly does not cover the total costs.

Dr. Grasty stated the November menus will reflect slight changes as more of the USDA requirements are slowly incorporated into the Food Service Program each month.

Appomattox Alternative Education Center Update

Mr. Jason Bowyer, Assistant Principal at Appomattox Primary School and liaison for our Alternative Education Program, provided an update concerning the Appomattox Alternative Education Center (AAEC). He thanked the Board for touring the program earlier in the day and stated the students were impressed by their visit. Mr. Bowyer reported 18 students are currently enrolled at the Appomattox Alternative Education Center in the following capacities: 9 Pre-GED, 5 working toward credits, and 4 ISAEP/GED. He also shared information concerning the AAEC Discipline/Demerit System. (See Attachment # 10)

Accommodations in College for Students with Disabilities

Mr. Michael Jones, School Psychologist, reported on Friday, September 23, 2011, Dr. Debi Kipps Vaughn, Professor of School Psychology at James Madison University, will present a program at Appomattox County High School which will focus on accommodations for college students with disabilities. She will discuss the differences between the special education services in high school and accommodations in college. Dr. Vaughn will be accompanied by professionals from JMU's Office of Disabilities Services, who will also discuss the topic. They will provide a program for students at 11:00 a.m., parents at 1:00 p.m., and teachers at 2:00 p.m. Mr. Jones stated a group of ten students and their parents have been invited to the program. An invitation was also extended to Board Members.

Profile of SAT Testers at Appomattox County High School

Mrs. Annette Bennett, Director of Curriculum and Instruction, provided the Board with a Profile of SAT Testers at Appomattox County High School for 2011 College-Bound Seniors. (See Attachment # 11) She stated ACHS students are scoring in the fiftieth percentile which is within a standard deviation with other students in Virginia. Mrs. Bennett noted students are not screened to take SATs. Any student interested in taking the test may do so by registering and paying the required fee.

Class Size Reports from Each School

Mrs. Bennett presented the Board with copies of Class Size Reports from each school. (See Attachments # 12, # 13, # 14, and # 15) She stated high school Math and Spanish class sizes are approaching 30 students and if funding would allow, we could use another Spanish teacher. She also indicated physical education classes are fairly large at the middle school.

Discussion of Art Instruction Staffing K-12

Mrs. Bennett provided a power point presentation concerning Art Instruction Staffing K-12 – 2011 Update. (See Attachment # 16) She stated art is only required at the high school and is actually provided at all four schools. She also stated art enrollment at the high school has decreased requiring only a half-time teacher during 2010-2011 and 2011-2012.

Rev. Williams suggested the goal for 2012-2013 should be to hire certified art teachers for every classroom in which art is taught. Mrs. Bennett asked Rev. Williams if he preferred reverting to four full-time art teachers and he indicated that was his suggestion. Mrs. Garrett noted only three and one-half art teachers are actually needed for the current school year. She also stated the budget is going to get worse and positions not required by the state could be positions that may need to be cut. Dr. Grasty noted she would make a notation for the 2012-2013 budget to consider hiring certified art teachers with the current number needed being three and one-half positions.

Appomattox County High School Graduation 2012

Dr. Grasty furnished the Board with a listing of possible locations for June, 2012 graduation for Appomattox County High School which indicated Liberty University's Vines Center was the only facility of adequate size. (See Attachment # 17) She also presented a preliminary Liberty University Facilities User Agreement for June 4, 2012. (See Attachment # 18) She noted the fee of $4,400.00 from Liberty University is the same amount charged for our high school graduation in June 2011. Dr. Grasty stated at a recent Board Chairs Meeting, she spoke with Mr. Jerry Small to ask if he knew of anyone at Liberty University who might be able to authorize a discount to the rental fee. He indicated he would check on this and left a message earlier in the week stating he had made several inquiries on our behalf with no success. The rationale given Mr. Small was granting a discount to one school would create the need to grant a discount to other school divisions as well. Dr. Grasty shared her appreciation of Mr. Small's efforts on our behalf.

Due to the lack of alternatives, the superintendent recommended graduation on June 4, 2012 be held at the Vines Center at Liberty University as it is the only area facility large enough to accommodate the many people who attend. Should the Board approve this recommendation, Dr. Grasty also stated she would send the agreement to our attorney for his perusal prior to signing the document.

Mr. Waddell and Mrs. Martin stated their support of the superintendent's recommendation. Mrs. Martin indicated it was not her favorite choice but if the

majority of the graduating class preferred the Vines Center she could support their preference. Mrs. Garrett noted she could also go along with the recommendation even though her preference was to conduct graduation at our high school. She also emphasized this would not be guaranteed for future graduating classes as budget restraints may not permit this continued expenditure.

Update on Flu Clinics

The superintendent reported Student FluMist Clinics will be provided through the Central Virginia Health District (CVHD) again this year as follows:

1. September 23, 2011 – 9:00 a.m. – Primary School
2. September 27, 2011 – 1:30 p.m. – High School
3. September 28, 2011 – 9:00 a.m. – Middle School
4. September 30, 2011 – 1:00 p.m. – Elementary School
5. October 21, 2011 – Second Dose Clinic – Primary School

Employee Flu Clinics will be conducted by the Appomattox County Health Department as follows:

1. September 27, 2011 – 3:30 – 5:00 p.m. – School Board Office
2. September 28, 2011 – 2:00 – 4:00 p.m. – Appomattox County Health Department
3. September 29, 2011 – 8:30 – 11:00 a.m. – Appomattox County Health Department
4. A second in-house clinic will be scheduled in October and announced to staff as soon as possible.

Dr. Grasty expressed her appreciation to the Central Virginia Health District, including the Appomattox County Health Department, for their assistance to our students and staff.

Students to be Honored at October Regular Monthly Business Meeting

Dr. Grasty stated all students who achieved a perfect score of 600 on SOL tests during the 2010-2011 school year will be honored at the School Board Meeting on October 27, 2011 at Appomattox County High School. The meeting will convene in the Auditorium at 5:30 p.m. and students will be recognized as the first item on the agenda. Following the awards presentation, a brief recess will be held to allow Board Members an opportunity to visit with students and parents as refreshments are served in the cafeteria. The School Board Meeting will then move to the High School Library to reconvene and conduct the remainder of the meeting.

Joint Meeting with Appomattox County Board of Supervisors

The superintendent reported a Joint Board Meeting of the Appomattox County School Board and Appomattox County Board of Supervisors is scheduled to be held Tuesday, October 25, 2011 at 5:30 p.m. in the School Administration Building. The superintendent requested input from the Board concerning items they would like included in her presentation. The following responses were received:

- Review of the Annual Report.
- Update of classrooms, sports, and items reinstated in the 2011-2012 Budget such as the Pre-School Program. During the tour conducted earlier in the day, kindergarten teachers indicated they could see a difference in their students this year because of the lack of the Bright Beginnings Program last year.
- Update on APS PPEA Project.
- Invite Board of Supervisors to tour the primary school construction project.

ACTION ITEMS

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2011-2012

It was moved by Rev. Williams and seconded by Mrs. Martin to approve exemption from compulsory attendance laws for bona fide religious belief for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 19)

Consideration of Adoption of Resolution for the School Board to Reimburse Itself for the Purchase of Certain Technology Equipment from the Proceeds of Technology Grants

It was moved by Mr. Waddell and seconded by Mr. Smith to adopt the resolution for the School Board to reimburse itself for the purchase of certain technology equipment from the proceeds of technology grants as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachment # 20)

Consideration of Adoption of Resolution in Support of Public Education in Virginia

It was moved by Mrs. Martin and seconded by Mr. Waddell to adopt the Resolution for the Support of Public Education in Virginia as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachment # 21)

Consideration of Approval of Request from Historic Appomattox Railroad Festival

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the request from the Historic Appomattox Railroad Festival to use the parking lot and conference room of the School Board Office on Saturday, October 8, 2011 and Sunday, October 9, 2011 and the Appomattox Elementary School grounds on Saturday, October 8, 2011 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 22)

Consideration of Approval of 2011-2012 Career and Technical Education General Advisory Council Members

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the 2011-2012 Career and Technical Education General Advisory Council Members as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 23)

Consideration of Approval of 2012 ACHS Graduation Location

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve conducting the June 4, 2012 graduation for Appomattox County High School at Liberty University's Vines Center at a fee of $4,400.00 and authorizing the superintendent to sign the Liberty University Facilities User Agreement as presented and recommended by the superintendent, pending School Board Attorney approval of the agreement. Mrs. Garrett, Mrs. Martin, Mr. Smith, and Mr. Waddell voted in favor of the motion. Rev. Williams abstained. By majority voice vote, the motion was approved.

Consideration of Approval of Overnight Trip

It was moved by Rev. Williams and seconded by Mr. Smith to approve the overnight trip as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 24)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated August 31, 2011. (See Attachment # 25)

APPROVAL OF BILLS

Rev. Williams moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $311,844.16 – General Fund (See Attachment # 26)
2. $ 26,292.08 – School Textbook Fund (See Attachment # 27)
3. $ 60,407.79 – School Food Fund (See Attachment # 28)
4. $450,723.00 – APS PPEA Construction Fund (See Attach. # 29)
5. $ 3,720.00 – General Fund End-of-Month (See Attachment # 30)
6. $ 84.37 – School Food End-of-Month (See Attachment # 31)
7. $ 676.26 – General Fund Addendum (See Attachment # 32)

Mr. Waddell seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, October 13, 2011 at 5:30 p.m. and a Joint Board Meeting with the Appomattox County Board of Supervisors will be held Tuesday, October 25, 2011 at 5:30 p.m. Both meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia.

The next Regular Monthly Business Meeting will be held Thursday, October 27, 2011 at 5:30 p.m. at Appomattox County High School. The annual SOL Recognition Program for students will be conducted at this meeting.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employee #128.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #51516, #12696, #52107, and #233.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mr. Smith, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 33)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Homebound 2011-2012:
Jean M. Doherty

Substitute Teacher 2011-2012:
Karena J. Hudson

APPROVAL OF STUDENT MATTERS:

Student Number 51516:

It was moved by Mr. Waddell and seconded by Mr. Smith to allow Student Number 51516 to continue enrollment at the middle school. By unanimous voice vote, the motion was approved.

Student Number 12696:

It was moved by Mr. Waddell and seconded by Mr. Smith to honor the expulsion from the previous school division for Student Number 12696. The student may reapply for admission on January 10, 2012. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was recorded.

_____
Stacy C. Garrett
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 33

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Superintendent's Message

Dear Staff,

Over a month of school has passed by already and the first days of fall are here. I trust that your school year is going really well and you are enjoying each day. The first month of school was punctuated with a hurricane brushing by us and an earthquake shaking us up. We were fortunate to escape the damage from both of these events, unlike other school divisions in Virginia who sustained significant peril. Thank you for reassuring our students through these events.

Students and staff are hard at work in our Professional Learning Communities (PLC) in our schools. I am privileged to watch our students engaged in instruction as we focus on ensuring that students learn at high levels as we work together to ask:

1. What is it we want our students to know? What systems have we put in place to ensure we are providing every student with access to a guaranteed and viable curriculum?
2. How will we know if our students are learning? How can we check for understanding on an ongoing basis in our classrooms? How will we gather evidence of each student's proficiency as a team?
3. How will we respond when students do not learn? What steps will we put in place to provide students who struggle with additional time and support for learning that is timely, directive, and systematic?
4. How will we enrich and extend the learning for students who are proficient? How can we differentiate instruction to meet the needs of all students?

Our initiative to strengthen our PLCs will create the conditions for continuous school improvement to develop the collective capacity of educators to meet the needs of our students. Our staff development throughout the year at each school will be part of this ongoing process to create the conditions to foster building powerful PLCs.

Those of us working in the field of education do this because we feel a moral obligation and deep yearning to help children. We want to assist children to be successful and grow academically, intellectually, and ethically. We do this not because it is easy, but because it is the right thing to do. It is an ongoing and continual task before us.

Thank you for taking on the task of changing lives and working collectively in our PLCs to increase learning for our students.

Dorinda G. Grasty, Ed. D.
Division Superintendent

October School Board Meetings:

October 13 – 5:30 p.m. Interim Meeting - SBO

October 25 – 5:30 p.m. Joint Meeting with Appomattox County Board of Supervisors - SBO

October 27 – 5:30 p.m. Regular Meeting and SOL Recognition - ACHS

Human Resources
Bruce McMillan, Director

License Renewal Process – Recently, I emailed all teachers whose license expires on June 30, 2012. This could be those with a Provisional License or those who need to renew. If you didn't get that email from me and you believe your license expires in June 2012, please check your license and then contact me. Please make sure you are working with your advisor (principal) to do what you need in order to get your license upgraded or renewed before contracts come out in May. Remember, there is a local technology requirement that everyone must complete during their renewal period.

If your license expires in June 2012, once you have met all the requirements, you may start meeting with your principal in January to go over your recertification file and get signatures.

We pay the cost of renewing your license. However, if you have other changes (adding an endorsement, changing a name, etc.) there may be a small fee for you. If that is the case, I will let you know. Email me if you have questions.

Insurance Update – Starting October 1st, our medical insurance carrier will be Piedmont Community Health Plan (PCHP). If anyone has issues with their health insurance or dental insurance, please contact PCHP or Delta Dental directly by using the toll free numbers on the back of the ID cards. The toll free customer service number for PCHP is 800-400-7247 or 947-3590. In addition, please feel free to contact Tracy Johnson in our office if you have questions related to your insurance.

Appomattox Recycles!!

Recycling at each school location is collected each Wednesday. Anything, including regular paper, colored paper, construction paper, magazines, and flat cardboard is accepted. The only thing we are asked to keep separate is corrugated cardboard. If you would like a gray collection bin in your classroom/office, please email nakempton@appomattox.k12.va.us.

Cafeteria Corner
Niki Kempton

The cafeteria menus underwent some transformations in August and September in response to the expected mandatory changes coming from the USDA with regard to the Child Nutrition Program. We received mixed reviews on some of the changes and have decided to scale back plans to overhaul the menu completely, while still moving in the direction of USDA suggestions.

Mandatory changes for 2011-2012 include:

- Meal price increase
- Serving milk equal to or less than 1% fat
- Free drinking water availability to students during lunch
- Many behind the scenes paperwork changes

Expected changes for 2012-2013 and beyond include:

- A weekly serving each of orange veggies, dark green veggies and legumes
- Only one serving of a starchy vegetable per week, including potatoes, peas, and corn.
- Larger portions of fruit and vegetables for both breakfast and lunch
- Smaller portions of bread/grain
- Decreased sodium amounts
- Changes in minimum and maximum calorie amounts
- Continued meal price increase

Business
Steve Edwards, Director of Business and Operations

Health Insurance Notes: The process of selecting a health insurance carrier concluded over the summer with the selection of Piedmont Community Health Plan (PCHP) as our new provider. Not only were we able to maintain comparable rates for employees at rates lower than budgeted, the School Board also approved an increase in the monthly contribution to $400.00.

Construction Notes: The high school ADA bathroom renovation project was completed just before students returned this year. We also realized that some SFSF stimulus dollars would remain and working with Blair Smith of Dominion 7 Architects, were able to just recently complete re-roofing of the ACHS concourse roof. This is the original roof from the building's initial construction and had been on our Capital Improvement Plan for some time.

The APS construction project hit high speed on June 7th and Phase 1 (Site Work) was completed on schedule and within budget. Throughout the school year, contractors will be working on the additions with plans to move into the renovation phase as soon as school lets out next spring.

Phases I, II, and III have been bid and all are at, or under budget. Phase IV bid documents are out with bids due back soon.

APPOMATTOX PRIMARY SCHOOL CONSTRUCTION UPDATE SEPTEMBER 22, 2011

Construction of the new additions to the Primary School continues to move along well as can be seen by the foundations and exterior walls coming out of the ground. The first picture is the rear of the gym addition specifically the equipment storage room and the P.E. Teacher's office. Stone is being placed in preparation of the floor being poured in the coming weeks.

There is a recently constructed covered temporary staging area which will protect the students and faculty during drop-off and pick-up activities. This covered area extends from the building entrance to the parking lot where the students can gather in a protected area. This shelter will be removed during the summer of next year once the new canopies for student drop-off/pick-up and bus loop areas are constructed. These canopies will be a welcomed addition to the school and allow protection during inclement weather.

The second picture is the pad area for the construction of the new kitchen. All of the existing kitchen as seen in this picture will be demolished. This will allow the much needed expansion of the dining room. A totally new kitchen complete with new equipment will be in place for the opening of school in the fall of 2012.

The project to date, with 3 out of 4 of the bidding packages complete, has been within the projected budget. The PPEA Committee will review the bid results for the final bid package number four the end of October.

The site security for the safety of the students, faculty, and staff appears to be working well. The site has also stabilized well. Vegetation is covering the graded areas which is needed to control erosion which has been a problem during several of the torrential rains that were experienced during August.

Gym Addition

Pad for New Kitchen

The Appomattox County School Board toured all schools September 22, 2011 and enjoyed lunch at AES.

Transportation
Matt Lair

Bus Loads in Appomattox

How do we determine the number of students that can ride a bus? The buses in Appomattox County are 52 passenger buses with three students per seat. As we get older, we grow and at some point, only two students can fit on a seat. We try to model our routes so we don't have over 45 students per bus. Currently, the average number of students riding our buses is 36. However, this number may drastically increase, especially on Friday afternoons. You may ask yourself why would this occur on Friday afternoons? Birthday parties, sleepovers, and students going to spend the weekend with relatives can really change the number of students.

How do we know the number of students that ride a bus every day? The drivers have a count form they fill out every morning and every afternoon. The count sheet is broken down for drivers to denote how many students they load and unload at each school, as well as the total number of students transported.

We have seen an increase in the number of students riding our buses in the last year. As fuel prices increase, so do our bus loads.

Remedial and Special Education
Beth Haught, Supervisor

New Speech-Language Pathologist for AES, AMS, and ACHS

Please join me in welcoming Mrs. Jane Mills to our staff. Jane is our new Speech-Language Pathologist and comes to us from Jacksonville, FL. She will be working with all of the speech/ language impaired students at the elementary, middle, and high schools this year. As you see her in your building, please extend a word of welcome. We are very happy to have her here in Appomattox. Welcome, Jane!

Annual Title 1 / Special Education Parent Meeting

Parents will be invited to attend the Annual Title 1/ Special Education Meeting which will be held at AES this year on Monday, October 17 at 7:00 p.m. Special Education and Title 1 staff from AES and APS will present information about their programs with take-home materials being provided for parents following a brief question/answer period. All parents of children receiving special education or Title 1 reading or math services are encouraged to attend this event.

Spotlight on Special Education

October 22 is National Stuttering Awareness Day. Here are some misconceptions to keep in mind as you interact with students or adults who may stutter.

Myth: People who stutter are not smart.

Reality: There is no link whatsoever between stuttering and intelligence.

Myth: Nervousness causes stuttering.

Reality: Nervousness does not cause stuttering. Nor should we assume that people who stutter are prone to be nervous, fearful, anxious, or shy.

Myth: Stuttering can be "caught" through imitation or by hearing another person stutter.

Reality: You can't "catch" stuttering. No one knows the exact causes of stuttering, but research indicates that family history (genetics), neuromuscular development, and the child's environment, including family dynamics, all play a role in the onset of stuttering.

Myth: It helps to tell a person to, "Take a deep breath before talking," or "Think about what you want to say first."

Reality: This advice only makes a person more self-conscious, making the stuttering worse. More helpful responses include listening patiently and modeling slow and clear speech yourself.

Myth: Stress causes stuttering.

Reality: As mentioned above many complex factors are involved. Stress is not the cause, but it certainly can aggravate stuttering.

Curriculum and Instruction
Annette Bennett, Director

ACPS Celebrates SOL Perfect Scores

At its meeting on October 27th, the Appomattox County School Board will proudly recognize 253 students who have achieved a perfect score on 340 SOL assessments. Parents and students will receive invitations to this recognition ceremony which will be held in the auditorium at ACHS at 5:30. A reception honoring each of these students, their parents, teachers and staff will be held following the recognition ceremony. Congratulations to all these students!

ACHS - CVCC Partnership in Dual Enrollment

This fall 90 ACHS students are making strides towards not only a high school diploma but a college degree as well. Thirty-five Early College Cohort students are working hard towards the goal of earning an Associate's Degree by the time they earn their high school diploma. The other 55 dually enrolled students are taking a variety of courses, many of which will also transfer to the college of their choosing. These 90 students are enrolled in 267 classes!

We are thrilled to be able to partner with the CVCC staff to offer this advanced coursework. Students are selected for the CVCC program based on their academic record, their work ethic, and the CVCC placement test scores. Thanks to ACPS, these students receive some financial assistance in the tuition cost for these classes. Thanks to CVCC for their continued support of this partnership. For more information about this program, you may contact Betty Jo Smith, College and Career Coach, or the ACHS Guidance Department at 352-7146.

Wal-Mart Teacher Appreciation Program

Our Appomattox Wal-Mart honored 10 teachers in ACPS in grades K-8 as part of their National Teacher Appreciation Program. Shown below are teachers and principals from APS, AES, and AMS after they were presented $100 gift certificates from Wal-Mart's store manager, Denzil VanSwearingen.

Front row left to right: Mrs. Donghia, Mrs. Trent, Mrs. Lankford, Mrs. Scott, and Mrs. Gregory. Back row left to right: Mr. Yarber, Mrs. Hawkes, Mrs. Blankenship, Ms. Scott, Mr. VanSwearingen and Mr. Reichert. Unable to attend the event, but also recognized were Mrs. Wells and Mrs. Harris from APS. Teachers were treated to fruit baskets, donuts, and a special cake. Thank you Wal-Mart, for recognizing and appreciating our teachers!

Sports
Brad Harper, Athletic Director

The Appomattox Raider Golf Team clinched the Dogwood District regular season title by defeating the Governors of Nelson County. The Dogwood District Tournament took place at Falling River Country Club on Monday, September 26 at 10 a.m. The Raiders will also host the Region B Golf Tournament on Monday, October 3. Congratulations and good luck to the Raiders!

Appomattox County High School will be hosting many special athletic events over the next few weeks:

Oct 13-Volleyball-Dig Pink Night
Oct 14- Football-Breast Cancer Awareness Game and Homecoming
Oct 27-Volleyball-Senior Night/Dig Pink Night 2
Oct 28-Football-Senior Night and Hall of Fame Recognition Night

Please come out and support the Raiders and these special events!

If you have ordered an athletic pass from Appomattox County High School it can be picked-up at the gate at all home athletic events. If you would like to order a family, individual, or senior citizen athletic pass, which is good for regular season athletic events, please download a form from the ACHS Sports Website or come by ACHS to pick-up an order form.

The ACHS Sideline Cheer Squad will be selling a special program for the final two regular season home games. The October 14 edition will include pictures of the homecoming court. The October 28 edition will honor the senior student-athletes of the fall season. Individuals will have the opportunity to purchase senior recognition ads for $25. If you are interested in purchasing a senior-student athlete recognition ad, please contact Brad Harper at 434-352-7146.

The ACHS Athletic Department is also offering sponsorship opportunities for the 2011-12 school year. These opportunities include permanent scoreboard signs, electronic messages, as well as multiple season advertising opportunities. If you are interested in sponsoring a sign, please call Brad Harper at 434-352-7146. GO RAIDERS!

Congratulations!!
Employees of the Month

School News

AMS NEWS

The students and staff at AMS are "Making Things Happen" this school year. As we steam ahead into the academic year, we do so with several new faculty members, new technology in classrooms, and with the welcomed return of extra-curricular athletic teams. We have had a number of athletic contests already, and we have had a wonderful PTO evening, September 20, where we were entertained by the ACHS and AMS bands as well as the AMS chorus. We invite parents, family and community out to AMS to take part and be a part of the wonderful things that we make happen at AMS.

AES NEWS

AES and Hillcats Team Up For Learning

Two Hillcats players hit a homerun when they spoke to our 4th grade students on September 2nd. Our students listened with anticipation as player Ryan Query read "Dreams Will Come, Dreams Will Go." Author Tony Mansolino wrote this rhyming couplet children's book about the minor league experience and the perseverance needed to achieve dreams. All-Star Todd and Ryan answered questions from the students regarding their personal experiences during their sports career. Some of the students are participating in an enrichment project by writing a newspaper article about this event to submit to our local newspaper. This event motivated the students to hit their own homerun this school year at AES!

School News

"The first little pig built his house of straw, the second little pig built his house of sticks, and the third little pig built a PLC."

APS NEWS

APS celebrated a NFL day on Friday, September 16th as part of a $10,000 Health and Wellness Grant sponsored by NFL PLAY 60. Students and staff wore their NFL gear, made posters, played educational football games, and enjoyed "tailgate parties" to celebrate the day. If APS is one of the 34 schools selected to win this grant, the money will be applied to the APS playground fund.

ACHS NEWS

Certified Nurse Aides

Eight 2011 ACHS graduates passed the Nurse Aide Certification test on August 4, 2011. These students are now eligible to work as Certified Nurse Aides in Virginia. The test is a 70 question written test along with a skills test. There are 24 skills that can be tested. The candidate is given five skills to perform with intense analysis by the testing evaluator.

These eight students passed both the written and skills portions of the test:

Nicole Belcher
Suzanne Hendricks
Jessica Hudson
Jessica McCormick
Nina Marie Morgan
Blake Parks
Savannah Parris
Jessica White

College Focus

The high school is offering a new class this year called College Focus. Class instruction addresses ACT/SAT test taking strategies, college exploration, study skills, and time management. Students identify and explore their learning styles to better prepare themselves for college. Seniors Melissa Baldwin, Katie Wingfield, Robyn Oliveri and juniors Leighanne Bennett, Summer Mitchell, and Eureka Hodge, create positive peer pressure in their study groups while identifying short-term college readiness goals, academic behaviors, self-management skills, and problem solving strategies. Other topics include: how to study for a test, how to read and understand a college syllabus, how to create a schedule and manage free time productively, and how to navigate a college website.

FLU Vaccine Clinics

Again this year, we are working with the Health Department to provide flu vaccines for our students. Flu Mist Clinics for students have been scheduled for the following dates and times:

APS = 9/23/11 at 9:00 a.m.

ACHS = 9/27/11 at 1:30 p.m.

AMS = 9/28/11 at 9:00 a.m.

AES = 9/30/11 at 1:00 p.m.

APS = 10/21/11 for Second Clinic Dose

ACPS employees will be offered a flu vaccine (injection) Tuesday, September 27 from 3:30 - 5:00 p.m. at the School Board Office in the Conference Room. The Appomattox County Health Department will offer vaccine clinics also at their site on Wednesday, September 28 from 2:00 – 4:00 p.m. and Thursday, September 29 from 8:30 a.m. – 11:00 a.m.

* Upcoming Important Dates *

October 21 - 1:00 Early Dismissal/Staff Workday

October 24 – 1st Nine Weeks End

October 25 - 2nd Nine Weeks Begin

October 31 – Parent Teacher Conferences/Student Holiday

November 11 – Veteran's Day – Student and Staff Holiday

November 23 – 1:00 Early Dismissal

November 24-25 – Thanksgiving Holiday

Technology

Brette Arbogast, Director of Technology

Social Media

With so many new social media sites available, and it becoming such an important part of many people's lives, it's hard to see the negative aspects that this new form of communication can cause. We always discuss in education how communication is the key to success, but we must always remember that something in print is always open to different interpretations.

We care about the students that we teach and in many instances are called on to be more than just an educator. In many instances we are counselors, friends, and support. The biggest problem with being all of these and using social media sites is that your comments are now in print and open to interpretation. Although the intended person may understand your reasoning, the outside person may not have the background information to understand your comment.

For example, and this is only an example: A teacher was just discussing with another teacher that she is having a rough time with getting students to understand a specific lesson. The teacher posts on a comment on Facebook. "Well 3rd period is about to start and I'm dreading this lesson". With the background information, we clearly understand the teacher's frustration. But a parent who may see the comment may take it negatively as the teacher does not want to be teaching her third period class. These types of interpretations are what cause so many issues with social media sites.

Social media is a great form of improving communication, but communication is only effective when ALL of the information, including that critical background information, is understood.

Another example is taken from real life. A male teacher had a student in class that was upset because another student made fun of something she was wearing. The teacher also used social media to communicate with the students for class projects. Later that day the teacher, wishing to cheer the student up, made a comment on the social site to the student that said, "Hey, cheer up, you looked great today." Again, if you know the background information, this was a harmless and truly nice thing for the teacher to say. In this situation, the teacher was placed on administrative leave after the father of the child saw the comment and asked why was the teacher crossing the line and commenting on how the daughter looked.

Social media is both powerful and prevalent. It provides the means to almost instantaneous communication. Because of this, the usual precautions we take when writing e-mails or other forms of written communication tend to be ignored. These examples cite some potential dangers of social media. It's all about interpretation and lack of background knowledge. As educators, we need to be aware not only of the benefits, but of the potential pitfalls of social media.

Maintenance

Timmy Garrett, Maintenance Supervisor

The Maintenance Department and custodial staff made great progress in many areas of our facilities this summer including preventative maintenance on heating, ventilation, air conditioning, and lighting. We also applied over 265 gallons of paint and provided a thorough cleaning of our school buildings with repairs being made in many areas.

Integration of Technology

By Brette Arbogast

With all the new technology available for our students and teachers, it's easy to forget that technology integration is not the goal of the lesson, but rather it's only a tool. So many times we see a new technology gadget or cool tool and want to find some way to incorporate this tool into the classroom. The biggest hurdle, other than funds, is teachers lacking the time to learn the new tool. The view that should be taken is to expose teachers to all of the tools by allowing them access and providing training in their use. This is where your ITRT's come in to use. Let's give a scenario on how you would go about integrating a piece of technology into your classroom.

Mr. Smith is a teacher at a primary school. Mrs. Jackson is an ITRT.

Mr. Smith saw another teacher using the ActiVotes in a classroom and wishes to use these for an upcoming lesson on subtraction.

Mr. Smith would need to e-mail Mrs. Jackson and request assistance on setting up and integrating the votes. The main things to include in this e-mail are:

1. Date you wish to receive in-service. This would be roughly 10-15 minutes during a planning period.
2. Lesson objective.
3. Number of students included in the lesson.
4. Planned date for the lesson to be taught.

Mrs. Jackson would then respond with a verification and schedule as to when everything can be accomplished. After the schedule has been accepted, Mrs. Jackson would then work with the Technology Department to get things rolling on the set-up and installation.

The ITRT's job is to take a teacher's lesson and incorporate technology for the teacher that will help enhance the lesson. This was the sole purpose of why the ITRT position was created. Give the ITRT a lesson that you will be working on and have them come up with the suggestions of technology and how to implement the technology effectively. Once this is completed, the ITRT will work with you during your lesson until you feel comfortable with the new technology tool. Please understand that you will not be given a piece of technology without the support to utilize it efficiently and correctly. I ask you to please use this valuable resource for your classroom; all you need to do is ask.

Building A Community of Learners

American Education Week
November 14–18, 2011

American Education Week is a week for everyone to celebrate learning! Students are invited to show their school spirit by participating in the following activities:

Monday, November 14th – Class Shirt Day (wear your class t-shirt)

Tuesday, November 15th- Mismatch Day (Go crazy! Wear clothes, shoes, accessories, etc., that do not match.) *Kindergarten parents are invited to eat lunch with their child.*

Wednesday, November 16th – Pajama Day (Wear weather-appropriate pajamas and bring your favorite bedtime story to share.) *First grade parents are invited to eat lunch with their child.*

Thursday, November 17th- Spot Day (Represent our school mascot by wearing black and white.) *Second grade parents are invited to eat lunch with their child.*

Friday, November 18th – Favorite Team Day (Wear clothes and/or colors representing your favorite sports team.)

Please remember to follow the school dress code when dressing your child each day.

In order to help the cafeteria prepare enough food, please complete and return the bottom portion of this letter to your child's teacher.

Student's name:_____ **Teacher:**_____

Check the date that you will be eating lunch:

___Tuesday, November 15th - Kindergarten parents (Total guests: _____)

___Wednesday, November 16th - First Grade parents (Total guests: _____)

___ Thursday, November 17th - Second Grade parents (Total guests: _____)

****Grandparents will be invited to eat lunch the following week. Please check the appropriate date if your child will have grandparents eating with him/her.****

___ Monday, Nov. 21st - Kindergarten & Second Grade grandparents (Total guests:_____)

___Tuesday, Nov. 22nd - First Grade grandparents (Total guests:_____)

What teachers really want to tell parents

Editor's note: Ron Clark, author of "The End of Molasses Classes: Getting Our Kids Unstuck -- 101 Extraordinary Solutions for Parents and Teachers," has been named "American Teacher of the Year" by Disney and was Oprah Winfrey's pick as her "Phenomenal Man." He founded The Ron Clark Academy, which educators from around the world have visited to learn.

(CNN) -- This summer, I met a principal who was recently named as the administrator of the year in her state. She was loved and adored by all, but she told me she was leaving the profession.

I screamed, "You can't leave us," and she quite bluntly replied, "Look, if I get an offer to lead a school system of orphans, I will be all over it, but I just can't deal with parents anymore; they are killing us."

Unfortunately, this sentiment seems to be becoming more and more prevalent. Today, new teachers remain in our profession an average of just 4.5 years, and many of them list "issues with parents" as one of their reasons for throwing in the towel. Word is spreading, and the more negativity teachers receive from parents, the harder it becomes to recruit the best and the brightest out of colleges.

So, what can we do to stem the tide? What do teachers really need parents to understand?

For starters, we are educators, not nannies. We are educated professionals who work with kids every day and often see your child in a different light than you do. If we give you advice, don't fight it. Take it, and digest it in the same way you would consider advice from a doctor or lawyer. I have become used to some parents who just don't want to hear anything negative about their child, but sometimes if you're willing to take early warning advice to heart, it can help you head off an issue that could become much greater in the future.

Trust us. At times when I tell parents that their child has been a behavior problem, I can almost see the hairs rise on their backs. They are ready to fight and defend their child, and it is exhausting. One of my biggest pet peeves is when I tell a mom something her son did and she turns, looks at him and asks, "Is that true?" Well, of course it's true. I just told you. And please don't ask whether a classmate can confirm what happened or whether another teacher might have been present. It only demeans teachers and weakens the partnership between teacher and parent.

Please quit with all the excuses

The truth is, a lot of times it's the bad teachers who give the easiest grades, because they know by giving good grades everyone will leave them alone.

Ron Clark

And if you really want to help your children be successful, stop making excuses for them. I was talking with a parent and her son about his summer reading assignments. He told me he hadn't started, and I let him know I was extremely disappointed because school starts in two weeks.

His mother chimed in and told me that it had been a horrible summer for them because of family issues they'd been through in July. I said I was so sorry, but I couldn't help but point out that the assignments were given in May. She quickly added that she was allowing her child some "fun time" during the summer before getting back to work in July and that it wasn't his fault the work wasn't complete.

Can you feel my pain?

Some parents will make excuses regardless of the situation, and they are raising children who will grow into adults who turn toward excuses and do not create a strong work ethic. If you don't want your child to end up 25 and jobless, sitting on your couch eating potato chips, then stop making excuses for why they aren't succeeding. Instead, focus on finding solutions.

Parents, be a partner instead of a prosecutor

And parents, you know, it's OK for your child to get in trouble sometimes. It builds character and teaches life lessons. As teachers, we are vexed by those parents who stand in the way of those lessons; we call them helicopter parents because they want to swoop in and save their child every time something goes wrong. If we give a child a 79 on a project, then that is what the child deserves. Don't set up a time to meet with me to negotiate extra credit for an 80. It's a 79, regardless of whether you think it should be a B+.

This one may be hard to accept, but you shouldn't assume that because your child makes straight A's that he/she is getting a good education. The truth is, a lot of times it's the bad teachers who give the easiest grades, because they know by giving good grades everyone will leave them alone. Parents will say, "My child has a great teacher! He made all A's this year!"

Wow. Come on now. In all honesty, it's usually the best teachers who are giving the lowest grades, because they are raising expectations. Yet, when your children receive low scores you want to complain and head to the principal's office.

Please, take a step back and get a good look at the landscape. Before you challenge those low grades you feel the teacher has "given" your child, you might need to realize your child "earned" those grades and that the teacher you are complaining about is actually the one that is providing the best education.

And please, be a partner instead of a prosecutor. I had a child cheat on a test, and his parents threatened to call a lawyer because I was labeling him a criminal. I know that sounds crazy, but principals all across the country are telling me that more and more lawyers are accompanying parents for school meetings dealing with their children.

Teachers walking on eggshells

I feel so sorry for administrators and teachers these days whose hands are completely tied. In many ways, we live in fear of what will happen next. We walk on eggshells in a watered-down education system where teachers lack the courage to be honest and speak their minds. If they make a slight mistake, it can become a major disaster.

My mom just told me a child at a local school wrote on his face with a permanent marker. The teacher tried to get it off with a wash cloth, and it left a red mark on the side of his face. The parent called the media, and the teacher lost her job. My mom, my very own mother, said, "Can you believe that woman did that?"

I felt hit in the gut. I honestly would have probably tried to get the mark off as well. To think that we might lose our jobs over something so minor is scary. Why would anyone want to enter our profession? If our teachers continue to feel threatened and scared, you will rob our schools of our best and handcuff our efforts to recruit tomorrow's outstanding educators.

Finally, deal with negative situations in a professional manner.

If your child said something happened in the classroom that concerns you, ask to meet with the teacher and approach the situation by saying, "I wanted to let you know something my child said took place in your class, because I know that children can exaggerate and that there are always two sides to every story. I was hoping you could shed some light for me." If you aren't happy with the result, then take your concerns to the principal, but above all else, never talk negatively about a teacher in front of your child. If he knows you don't respect her, he won't either, and that will lead to a whole host of new problems.

We know you love your children. We love them, too. We just ask -- and beg of you -- to trust us, support us and work with the system, not against it. We need you to have our backs, and we need you to give us the respect we deserve. Lift us up and make us feel appreciated, and we will work even harder to give your child the best education possible.

That's a teacher's promise, from me to you.

GED® FAST TRACK!

Are you interested in getting your GED® credential but don't have a lot of time for class?

GED® Fast Track may be just what you need!

Participants in a Fast Track class may be able to complete their GED® preparation in four classes or less. Plus, those who pass an Official GED® Practice Test may take the GED® exam for free–a $58 value!

REQUIREMENTS:

- You must be at least 18 years old.
- You must have a valid picture ID from DMV: ID card, learner's permit, or driver's license.
- You must have very good reading skills. Individuals who have reading skills at less than a high school level should not expect to be good candidates for Fast Track but could join one of our other GED® classes.
- You must complete a registration form before the class begins.

For more information:

FROM TEAM HEADQUARTERS

HEY PARENTS, GIVE US 10!

At AES, November is "Parents Huddle For Learning" month. I am sponsoring a "brown bag lunch" Career Fair during lunch time where 10 parents can come to AES for 10 minutes on 10 different days to talk about their careers and the skills that their jobs require for success. Come and have lunch with your child plus 9 friends (or more:). Please complete the simple form below and return it to AES. I will contact you with a brief outline and to plan your visit. Thank you for teaming up with AES for learning!
Tom E. Yarber, Principal

Parent's Name: _____

Child's Name: _____

Child's Teacher: _____

Parent's Job: _____

Subject Area (Math, Reading, Science, etc.): _____

Parent's Day Time Phone Number: _____

Mark Your Calendar!

October 4	Picture Day (8:30-11:30)
October 7	Ident-A-Kid (9:00-10:00)
October 10-14	Grandparent's Week
October 11	PTO Executive Mtg. 6:15pm
October 21	1:00 Early Dismissal
	Teacher/Staff Workday
October 24	Reward Activity (Team Spirit Games)
October 25	2nd Nine Weeks Begin
	AR Reward Activity
October 31	No School/Parent Conferences
November 1	Report Cards go Home

Phone Numbers:

If you would like a time reserved or a time to meet with the principal, teacher, guidance counselor, nurse or cafeteria director, you are encouraged to call for an appointment.

Tom Yarber, Principal – 352-7463
Karen Cyrus, Assistant Principal – 352-7463
Carolyn Lawson, Guidance Counselor – 352-0531
Angie Lewis, Nurse – 352-5411
Debbie Knight, Cafeteria – 352-5583

Student Drop-off/Pick-up:

1. Drive slowly at all times, coming to complete stops when picking up or dropping off your child. A car taking off with sudden speed may not notice a child or parent who is walking across the lane.
2. Please do not park in the drop-off/pick-up lane if you need to come into the school, or to wait for your child who may be going in to pick up belongings. There are 15-minute guest parking spots in the lot we need you to use. If your child is coming back into the building, please accompany him or her to the office to alert that the child has a need to return to the classroom.
3. Make sure to stop at the stop sign at the end of the lane. We share the exit road with school buses, who have the right of way.

BUS NOTES:

Written permission is necessary regarding bus

changes, walker's bell or pick-ups. **We cannot take changes over the phone.** Information that needs to be on notes are: the students full name, the teachers name, the desired bus number, the full name of the person's house where your child will be getting off the bus, and the **911 address**. Also, include your phone number in case the school or bus driver has any questions regarding your arrangements.

Please be sure your child knows what to do in case school closes early due to inclement weather, early dismissal or other circumstances.

PTO NEWS:

What does the PTO do for our Students…..

- Provide the Daily Planners for the students
- Helps with Bus Transportation for Field Trips
- Helps with the "Reward Activity" program for the students
- Donates to the school SCA
- Shows appreciation to our Teachers with luncheons AND MUCH MORE……

We appreciate every family that joins the PTO and supports our efforts. If you are interested in joining the PTO with a $5.00 donation, please contact the office. The PTO has amazing things going on right now. We kicked off our first fundraiser for the year and it is going great!! We have already well exceeded our Candy Bar sales from last year and are very excited with the sales this year. Keep up the good work students, and a huge THANKS to the parents for helping with this.

Student and Staff Safety at AES!

Appomattox Elementary School is a safe place to be. One of the reasons is the procedures set in place through our School Safety and Crisis Management Plan, evaluated and updated frequently by a team of concerned team members, which includes administrators, teachers, school nurse, maintenance, law enforcement, parents, and student representation.

Parents, we ask that you continue to assist our efforts to keep our school a safe place for learning by following and/or reviewing these tips.

Visitors' Pass:

Parents or other individuals who are in the building for conferences or other school business are expected to report to the office to obtain a pass.

School Hours:

Arrival Time…….8:00-8:25 a.m.
Tardy Time……..8:25 a.m.
Instructional Day…..8:25-3:00 p.m.
Dismissal Time…….3:00-3:30 p.m.

Picture Day:

AES students will be taking fall portraits on Wednesday morning, October 4, 2011 with Lifetouch Studios. Parents should have received a portrait package selection sheet with an envelope to return payment to your child's teacher on picture day. Please do not send money to school before picture day. Any questions, please contact the school office

Ident-A-Kid at AES:

What is an Ident-A-Kid card?
The Ident-A-Kid card is an Immediate Response Card designed to provide parents and law enforcement officials with crucial information should your child become lost or missing. The driver's license-like card contains your child's photograph, fingerprint and description. Parents keep the card with them at all times and, in an

emergency, can provide law enforcement with it for immediate response.

Please note the day and times that you may get a card at AES. October 7th, 9:00-10:00.

GRANDPARENT'S WEEK AT AES:
Please come by and eat lunch with your grandchild. Below is the teacher, time & where they will be. Come by the office/lobby and check in and we will show you where to go. October 10-14.

Time	Commons A	Commons B
11:00-11:30	Gillam	Dunevant
11:05-11:35	Lewandowski	Franklin
11:10-11:40	Gregory	Perkins
11:15-11:45	Hamlett	Pinelli
11:20-11:50	Hogan	Jamerson
11:25-11:55	Wells	Hix
11:35-12:05	Nolen	Knaus
11:40-12:10	Barricks	Lankford
12:10-12:40		Ferguson
12:15-12:45	Rees	Trent
12:20-12:50	Peck	Lindsay
12:25-12:55	Carson	McCann
12:30-1:00	Driskill	Williams

3 It's hard to believe that October is already here! Teachers and students in third grade continue to "Team Up For Learning"! We have been so busy assessing your child's reading and spelling levels for the past few weeks. Thank you for encouraging your child to always try his/her best each day! Thank you for sending us third graders who are well rested, focused on their lessons, prepared with necessary supplies, show responsibility and are ready to learn! The cooperating team of parents, students and teachers are what we need in order to "Team Up For Learning"! Thanks for all that you do for your child's success in third grade! We make a great team!!

4 Fourth grade has started off the year in exciting fashion! We are "Teaming Up for Learning" at Appomattox Elementary School! In math, we have played with probability and graphing. Some classes graphed colors of M&M's, while some made human graphs to show their data. Classes are now working with patterns and trying to decode patterns. This can be a challenge, but also a lot of fun! Be sure to get involved with your son or daughter's homework each night to find out what they are working on!

In Social Studies, the teams have mastered the geography of VA and its surrounding states. We have also learned the major rivers and some other facts about Virginia. Presently they are learning about local Indian tribes and how these different tribes communicated. Also, some of the things the Eastern Woodland Indians did to survive.

Reading really becomes fun in the fourth grade. Students are reading great chapter books by this point and most students find themselves very engaged by the books that they have chosen to read! Don't forget that all 4th graders have an A.R. goal of 20 points this nine weeks. We hope that all students will reach their goals!

In Writing, students will be participating in an essay contest! The contest allows students to write about "Why My Family Is Special". We look forward to having one winner from our school that will represent us at a banquet in Lynchburg and be the recipient of several different awards.

5 What I like about School this year:
What I like about school so far is that I have the best teachers in the whole wide world. They are kind, nice, fun, but know how to be strict when they need to be. My teacher plays football with me and teaches me life lessons.

School is great this year too because I am learning a lot. I like math and science. I made a very cool volcano (Mt. Tambora). I learned about probability and how to make a line graph. I also am learning how to design things. Helping my teacher around the room has been going pretty well.
-Jawad Dickerson

Parenting Children with Learning Disabilities
Tips for Helping Your Child:

Emphasize healthy lifestyle habits

It may seem like common sense that learning involves the body as well as the brain, but your child's eating, sleep, and exercise habits may be more important than you think. If children with learning disabilities have healthy habits, they will be better able to focus, concentrate, and work hard.

- Diet – Making sure your children eat well means a diet full of whole grains, fruits and vegetables and lean protein. Teach them how to make their own healthy choices for breakfast, lunch and dinner.
- Sleep – Sleep is also essential to good learning. If your child is tired during the day, it will be that much harder for them to focus on learning new things. Make their sleep schedule (bedtime and wake time) consistent.
- Exercise – Rather than making a child with a learning disability tired, regular exercise can help your child stay alert and attentive throughout the day. Exercise can also be a great antidote to stress and frustration caused by a learning disability.

Take charge of your child's education

As the parent of a child with learning disability, you can take the lead in researching effective treatments and services and working with the school.

- Learn the specifics about your child's learning disability. Read and learn about your child's type of learning disability. Find out how the disability affects the learning process and what cognitive skills are involved. It's easier to evaluate learning techniques if you understand how the learning disability affects your child.
- Research treatments, services, and new theories. Along with knowing about the type of learning disability your child has, educate yourself about the most effective treatment options available. This can help you advocate for your child at school and pursue treatment at home.

Reference:
http://www.helpguide.org/mental/learning disabilities_treatment_help_coping.htm

Physical Education News:

"The Mile Club" is being implemented during your child's Physical Education resource class this year. This club is a continuation of the mileage program most of the students participated in while at APS. All students at AES participate in the Mileage Club each week during their designated P.E. resource time.

Physical Activity is so important for people of all ages and The Mileage Club provides each child an opportunity to walk and/or jog for fitness. Each class is given 10-15 minutes on the track to complete as many laps as possible by walking, jogging, or a combination of both each week. Students are encouraged to jog as much as possible and to practice jogging at a pace he/she can maintain to complete 4 laps around the track within the time limit.

Students have the opportunity to earn rewards in this program. Students must complete 4 laps around the track to accumulate one mile. Students receive a sticker for each mile he/she completes during the year and these stickers are placed on a chart in the gym.

At the end of the year, each student that has completed at least 2 miles will receive a runner bracelet. Students will receive a small beaded chain and then create their individual bracelet from an assortment of runner tokens. The amount of runner tokens is determined by the number of stickers a student has earned. Students receive one runner token for every 2 miles.

The students are doing a great job with this program so far! My hope is that The Mileage Club will encourage students to be active in some way everyday, whether by walking, jogging, jumping rope, riding a bike, swimming, or through other activities of their choice. It is important for kids to start now and make the choice to live an active and healthy lifestyle.

Library News:

Something New in Book Fair!

Thank you, parents, for your interest in book fair at AES. Many of you have stopped me and offered to volunteer. You know that we cannot have book fair without parent volunteers helping. We plan a spring book fair this year; fall is such a busy time, between Railroad Day and all the holidays that follow it. Our book fair is scheduled for March 20-26, and I will be asking for volunteers by the December newsletter.

Nancy Williams, library

Compass Math Lab:

Welcome back to school to all AES students! We are teaming up to learn lots of new math concepts.

5th graders have been working on mean, median, mode, range, stem-leafs, and graphs.

3rd and 4th graders have been studying probability and reading graphs.

All students will now begin to look at patterns with numbers and symbols.

5th graders will also be working on algebra.

Please practice math facts with your student at home. We work on them in the lab as time allows; students also come to the lab from 3:00 to 3:30 for extra practice if they are on a late bus.

Fun4thebrain.com is a great site to practice all math facts. The faster the students are with their facts, the easier it is for them to learn new math concepts and they will be able to finish homework more quickly.

I look forward to a wonderful year with all of the students!

-Mrs. Carla Lewis

Safety Tips for Trick-or Treaters:

Halloween is a memorable time in the life of a child. Costumes, parties, and candy make this much celebrated holiday a happy one for most children.

Unfortunately, times have changed and children are often not safe walking alone in the dark. Here are some tips your child should keep in mind when trick-or-treating, adapted from The Children's Safety Zone at sosnet.com:

- Carry a flashlight.
- Walk, don't run.
- Stay on the sidewalk if possible. If there isn't a side walk, walk on the left side of the road facing traffic.
- Obey traffic signals.
- Stay in familiar neighborhoods.
- Don't cut across yards or driveways.
- Wear a watch that can be read in the dark.
- Make sure costumes don't drag on the ground.
- Wear shoes that fit (even if they don't go with your costume).
- Avoid wearing masks while walking from house to house.
- Carry only flexible knives, swords, or other props.
- Wear clothing with reflective makings or tape.
- Approach only houses that are lit.

Stay away from and don't pet animals you don't know.

From Karen Cyrus, Assistant Principal:

Eliminating Bullying by "Bucket Filling"

Appomattox County Public Schools participates in the Olweus Bullying Prevention Program. Dr. Dan Olweus developed this definition of bullying during his many years of bullying prevention research:

Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to another person who has a hard time defending himself or herself.

Bullying can take on many forms—from physical to emotional abuse. In his writings, Dr. Olweus is very clear that bullying is "peer abuse" that should not be tolerated under any circumstances. In fact, more than thirty states have adopted laws against bullying.

Bullying is Not Teasing

It might be hard to tell the difference between playful teasing and bullying. Teasing usually involves two or more friends who act together in a way that seems fun to all the people involved. Often they tease each other equally, but it never involves physical or emotional abuse.

Sometimes children who are being bullied may tell you that the child who is bullying them is their friend. An important part of *OBPP* is teaching educators and parents the difference between bullying, teasing, or rough and tumble play, and real fighting.

Identifying the Effects of Bullying

As a parent, you may suspect your child is being bullied. If you are not quite sure, review these common signs to help you recognize if bullying is occurring. Your child may:

- come home with torn, damaged, or missing pieces of clothing, books, or other belongings
- have unexplained cuts, bruises, and scratches from fighting
- have few, if any, friends with whom he or she spends time

- seem afraid of going to school, walking to and from school, riding the school bus, or taking part in organized activities with peers (such as clubs or sports)
- take a long, "illogical" route when walking to or from school
- lose interest in school work or suddenly begin to do poorly in school
- appear sad, moody, teary, or depressed when he or she comes home
- complain frequently of headaches, stomachaches, or other physical problems
- have trouble sleeping or frequent bad dreams
- experience a loss of appetite
- appear anxious and suffer from low self-esteem

At Appomattox Elementary School, we strive to help our students learn the importance of respecting others, and as a result, eliminate bullying behavior. You may have heard your child talk about "Bucket Filling," which is one way we are helping students learn the positive effects that respecting others has on both the giver of respect and the recipient. The AES Bucket-Filling/Bullying Prevention Committee is sponsoring a weekly Thursday reading over the intercom of a short passage related to preventing bullying and how to show respect to others. Students and adults can submit for our daily announcements examples of respectful actions they have observed in our school. Monthly class meetings are held to discuss classroom-based concerns and to motivate students to be good friends. Bucket-filling books are distributed to each homeroom and are discussed. Our Student of the Week recognitions are often the students who show respect to others and make positive contributions to AES. Each nine weeks, students who consistently demonstrate good citizenship participate in a reward activity and letters of recognition are mailed to parents.

Parents, thank you for being a part of our Bucket-Filling Team!

John Kennedy Martial Arts. LLC Appomattox, VA

Mrs. Drinkard

I would like to inform the members of the P.T.O about the opportunities for children and their families that exist right here in Appomattox. My name is John Kennedy and I own the local Martial Arts school right here on Main Street. It has been demonstrated time and time again that training in the martial arts is one of the best ways to install discipline, dedication, and a feeling of accomplishment for children and adults alike.

Our school here on Main Street exists for the people and the community of Appomattox. We are dedicated to proper instruction of martial arts, creating strong bodies, minds, and spirit, and helping to build a strong community through fun and friendship. The classes that are offered are tailored for the student's needs and abilities and range from young beginners to older students with or without prior training. The ages of our students range from 8 to 80.

I would like to offer to the member of the P.T.O a highly discounted introductory enrollment so that the members of the community and their families can see the benefits for themselves, 50 % off for the first two months

and a free uniform for beginning students. It is my hope that others see the great benefits that martial arts has provided to myself and others.

Sincerely,

John Kennedy

Kroger Plus Card for Education

Bar Code Registration Sheet

School Name Appomattox Elementary

Parents & Friends,

We are participating in the Kroger Plus Card for Education School Program. This program will provide much needed educational awards for our school at no cost.

Please take this notice to a local Kroger store and ask the cashier to scan the bar code along with your Kroger Plus Card. You only have to scan this bar code one time and you are registered to support our school. Once you have scanned our bar code, please pass this notice along to friends, neighbors and co-workers so they can also help us earn FREE educational awards.

Thereafter, scan your Kroger Plus Card every time you shop at Kroger between September 3, 2011/ March 21, 2012 and our school will electronically earn credit toward FREE educational awards.

Thank you for your support

Your Kroger Plus Card for Education Program Coordinator

Carolyn Lawson

PLEASE CUT THIS SHEET INTO FOUR ALONG THE DOTTED LINES AND DISTRIBUTE TO RELATIVES, FRIENDS, NEIGHBORS AND CO-WORKERS.

Take this to Kroger and have the cashier scan the bar code, along with your Kroger Plus Card to help our school.

"Never look down on anybody unless you're helping them up."

Jesse Jackson

Student Arrival @ AMS

Upon arrival at school, students are to remain outside under the covered walkway until 8:05 a.m. at which time they are to report directly to their homeroom class. Crossing guards will be located on 460 Business and Church Street to assist students across the street. Students who choose to purchase breakfast in the cafeteria must do so between 8:00 a.m. and 8:15 a.m. The cafeteria will closed at 8:15 a.m. Students **ARE NOT** to be on campus prior to 7:55 a.m. due to lack of supervision. If an emergency arises, the student may sit in the front office or cafeteria until 7:55 a.m.

Bullying

AMS will not tolerate bullying or bullying-like behavior. As part of the Olewus Bullying Prevention Program, AMS enforces the following Anti-Bullying rules:

1) We will not bully others.
2) We will try to help students who are bullied.
3) We will try to include students who are left out.
4) If we know that somebody is being bullied, we will tell an adult at school and an adult at home.

If a student feels they have been bullied, or has seen another student bullied, they should tell a teacher, counselor, or administrator immediately.

Students are encouraged to **STAMP** out bullying. Stay away from bullies—

Stay away from bullies

Tell someone

Avoid bad situations

Make friends

Project confidence

Reminders: Bus & Walker Notes

Parents – We ask that you could please be sure to put all necessary information on bus and walkers' notes. We need the following information – students first and last name, bus # the student will be riding, complete 911 address of the student's destination, and the name of the person whose residence the student will be going to. This will ensure the student gets to the proper destination and also prevents them from having to be called from class and losing valuable instruction time. Thank you in advance for your help. We look forward to a great year!

Mr. James and Mrs. Cooter would like to remind all students of the importance of good character. Take a look at the six pillars of character outlined below. We encourage you to make them a part of each school day. And remember, always treat a person the way you would want him or her to treat you!

"The beginning is the most important part of the work."

Plato

Trustworthiness

Be honest • Don't deceive, cheat, or steal • Be reliable — do what you say you'll do • Have the courage to do the right thing • Build a good reputation • Be loyal — stand by your family, friends, and country

Respect

Treat others with respect; follow the Golden Rule • Be tolerant and accepting of differences • Use good manners, not bad language • Be considerate of the feelings of others • Don't threaten, hit or hurt anyone • Deal peacefully with anger, insults, and disagreements

Responsibility

Do what you are supposed to do • Plan ahead • Persevere: keep on trying! • Always do your best • Use self-control • Be self-disciplined • Think before you act — consider the consequences • Be accountable for your words, actions, and attitudes • Set a good example for others

Fairness

Play by the rules • Take turns and share • Be open-minded; listen to others • Don't take advantage of others • Don't blame others carelessly • Treat all people fairly

Caring

Be kind • Be compassionate and show you care • Express gratitude • Forgive others • Help people in need

Citizenship

Do your share to make your school and community better • Cooperate • Get involved in community affairs • Stay informed; vote • Be a good neighbor • Obey laws and rules • Respect authority • Protect the environment • Volunteer

The Prudential Spirit of Community Awards

If you've made a difference by volunteering in your community over the past year, you could win $1,000 and a fabulous trip to Washington, D.C. with a parent May 5-8, 2012, by applying for a Prudential Spirit of Community Award! Students in grades 5-12 are eligible to compete. The award is given to one high school and one middle school student in each of the 50 states . Even more importantly, you could win recognition that might inspire other young people to follow your example. These prestigious awards, sponsored by Prudential Financial and the National Association of Secondary School Principals, have honoured tens of thousands of middle level and high school students over the past 16 years solely for their volunteer work.

The deadline to apply is November 2, 2011. Applications are available on line @ http://spirit.prudential.com/view/page/soc/14782?lp=14779.

Mrs. Cooter has met with all eighth grade students during directed study class to discuss 8th grade expectations, classes needed for promotion to 9th grade, new attendance guidelines, SOLs, getting involved with your school, and scheduling that will take place in February for 9th grade classes.

Should you have any questions about any of the discussion, feel free to contact Mrs. Cooter at: 352-2135 ext. 4209 or at dwcooter@appomattox.k12.va.us

CTY Talent Search : Graces 6-8

What is the CTY Talent Search?

CTY, a world leader in gifted education, conducts national and international talent searches to assess, identify and recognize outstanding academic talent. For over 30 years, CTY has helped talent soar among the world's brightest young people. Through the Talent Search, high-performing students take a test designed for older students. This above grade-level testing can reveal more about the academic talents of students who are topping out on grade-level tests.

Who qualifies for the CTY Talent Search?

Achievement at advanced levels on state tests, designated as scoring in categories such as advanced proficiency, distinguished honors or gifted.

Demonstration of superior academic performance.

Talent Search benefits now and lasting…

Enroll your child in the CTY Talent Search to receive the following benefits, and more!

- Assess a student's high academic talents and/or reveal previously recognized abilities.
- Receive information on your child's mathematical and verbal reasoning abilities.
- Receive email news items for gifted students and their families, as news is updated on CTY's programs.
- Gain access CTY's rewarding Family Academic Programs.
- Potentially qualify for hundreds of courses offered by CTY's Summer Programs and CTY Online.
- Access to MyCTY for online resources available exclusively for Talent Search participants and their parents.

How to participate:

1.Register online **www.cty.jhu.edu/discover**.)

2.Complete the Talent Search paper application. Note: there is a non-refundable $37.00 fee payable to CTY/JHU for participation.

Wal-Mart Appreciation Program

The Appomattox Wal-Mart recognized Mrs. Alma Scott, Mrs. Margaret Donghia, and Mrs. Steffanie Hawks, teachers from AMS, as part of their Teacher Appreciation Program. They each received $100.00 gift certificates as part of their National Teacher Appreciation Program.

The Appomattox Wal-Mart honored 10 teachers (3 from AMS) from the Appomattox County Public Schools from grades K-8.

Fall Picture Day @ AMS

Thursday, October 13, 2011

Mark your calendar ! Picture day is coming Thursday, October 13th! Look for more information on your child's flyer and on the order form the week of October 3rd. Please visit Lifetouch.com for clothing suggestions, online payment details and more.

Employee of the Month for September 2011

Congratulations!

Mrs. Allison Garrett

Our Attendance Secretary @ AMS, for being the Employee of the Month for September. She is truly dedicated and devoted to our staff and students. We appreciate her warmth and her kindness. Her smile brightens our day. Thank you Allison!

Pre-Algebra is Earth Shaking!

Who would have ever thought the second day of school we would have experienced an earthquake here in our town of Appomattox! Eighth grade pre-algebra students used this opportunity to investigate earthquakes and their relative strengths and energy released.

Our first unit in math involved powers and exponents. The Richter scale is based on a mathematical system. Each whole-number increase in magnitude on the Richter scale represents an increase in measured amplitude by a factor of 10. The Richter scale is also used to estimate the relative energy released by earthquakes. Each whole-number increase on the scale represents an increase in energy release by a factor of 32.

We compared the recent Earthquake in Mineral to the one that occurred in Charlottesville in 2001. The earthquake in Charlottesville measured 3.2 on the Richter scale. The one that we felt in our classroom was the result of a 5.8 quake. The earthquake that occurred in Mineral was approximately 1000 (10^3) as strong and the change of energy released was 32^3 as much.

The earthquake we felt was considered to be moderate. Only 1.4% of earthquakes that occur fall in that category. An even smaller number, 0.03% are considered to be "major" or "great". Even though the one we felt does not occur often, it certainly left an impression on us!

Appomattox Primary School

"Building the Future of Success"

October 2011

Principal's Message...

Happy October...

It is hard to believe we are already into October. Our students and staff are hard at work each day. It is amazing to see what your wonderful children have already learned this year. However, there is still much to do and learn!

I encourage you to stay involved through regular communication with teachers, to read all papers that come home, and to ask questions when they arise. Your child's teacher is a professional with a wealth of knowledge and experience with multiple students. We sometimes underestimate the expertise and education of today's educators. They are our biggest asset in helping students learn and grow into good citizens. As part of this newsletter, I have included an article that I think will spark thought and discussion about the support educators need and deserve.

Thank you in advance for all you do to for your children and their education.

Please feel free to contact me if I can be of assistance:

Heather Mullins
Voicemail: 352-5766, Extension 24
E-mail:hsmullins@appomattox.k12.va.us

Attendance at APS:

Reward for Perfect Attendance – Each semester, one student from each grade level k-2 will receive a cash prize of $25 for having perfect attendance (this means no absences, tardies, or early dismissals). A drawing will be held to determine winners.

Parents of A.M. Car Riders – The tardy bell rings at 8:25. Students must be in the classroom when the bell rings. If your child is in the hallway or outside, he or she will be counted tardy and will need to get a tardy slip from the office. If your child is tardy, he/she needs to be walked in by you.

Attending school regularly is extremely important for any child to work toward his/her maximum potential. Parents will be notified when their child has five unexcused absences and will be asked to come to school to develop a plan to resolve the nonattendance. Three unexcused early dismissals and/or tardies will result in one unexcused absence being recorded. Please refer to the Student/Parent Handbook to read the complete Attendance Policy.

If you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash
352-0831

Communication that builds success…

-Written communication provides a clear understanding for everyone. If e-mail is your preferred method of communication, please be cognizant that teachers are unable to check their e-mail during active instructional times. They are encouraged to check it in the morning, planning time, lunch, and at the end of their work day, if possible. Therefore, if a change to your child's schedule, bus, etc., is required… please send that in writing to the school office.

- Notes are needed:

- When there is a change in address, phone numbers, or emergency contacts.
- When a conference is requested (please allow a couple of days turn-around time for teachers). They may not be able to respond immediately.
- When clarification of an assignment, program, or policy is needed.
- When a child is being released to someone other than a custodial parent/guardian.
- When bus dismissal changes are necessary.
- When your child returns to school after being absent.
- When an early dismissal is expected.

Please note: We are unable to take bus/transportation changes over the phone. Bus bells begin dismissing at 3:07. We are unable to "hold" students until you arrive. If you've not sent a change in writing, your child will be transported based on the last note we have on file and/or his/her regular bus. We ask that you send in changes via the student, or fax (352-8074) us a note by 2:00. If you choose to fax a note, please follow up with a phone call to ensure our receipt of the fax. We cannot guarantee receipt of changes if after 2:00 and/or not followed up with a phone call.

*When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.

Safety and Security of Our Little Builders…

Doors remain locked during the school day except for the main entrance and other exceptions noted below:

-The front/south entrance at Armstrong Lane is available for student a.m. drop-off. The door is unlocked between 8:00-8:25 for a.m. drop-off.

-Front Kindergarten Wing Door at Visitor's Parking Lot: This door is unlocked between 8:00-8:25 to assist parents who wish to accompany students into the building in the morning.

***Front doors that open onto the bus circle are used in the morning/afternoon to monitor bus riders. Please do not access the building through these doors in the morning or afternoon even if they are open.**

***<u>Please Note: Our students and staff have been instructed NOT to open doors for anyone. For the safety and security of students and staff, please do not knock on locked doors and ask to be let in.</u>**

Car Rider Safety: We ask that you remain in your vehicle while your child is being loaded in the p.m. in the pick-up circle. Students are loaded from the door facing the building. We ask that you not have them loaded on the opposite side (facing VDOT). We prefer not to cross behind or in front of a vehicle for the safety of your child and our staff. Also, we understand the importance of a seatbelt. We simply ask that if your child needs assistance, you pull over into a parking space down past the pick-up area. This helps with the flow of traffic, and keeps people behind you from passing… which we consider unsafe to do.

<u>Reminders…</u>

Bus Loop: Please note the signs located at the corner of Ferguson Street and the bus loop at the front of APS. Car traffic is not permitted at all in the bus loop at any time.

Faculty and Staff Parking Lot: Please don't park in the large lot in the front. That is for faculty and staff. We have staff that arrives throughout the day, and they are unable to find parking as parents are parking there during lunch, etc. Please use the small visitor lot in the front or off of Armstrong Lane. If you have a handicapped tag, you may park in the designated spots in any lot.

Car Rider: A car rider is a student whose parent will drive through the p.m. pickup. The student will be outside waiting in the line-up. The parent drives through, and the student is loaded into the vehicle. If you wish your child to be a car rider permanently or on one day, please indicate this on a written note (if you haven't already done so or on the day in question).

Walker: A walker is a student whose parent parks in the visitor lot (preferably the small one in the front), comes into the office, signs the child out, and the child is then called to meet the parent to walk out.

***Please do not park, walk up to the pm pick up line and try to pick up a student from the pm pickup line. With our staff committed to safety while traffic is moving through the line, it is too much to have them concentrate on traffic and release students out of the line. If you wish to walk up, please go to the office and have your child be a walker.**

Our Book Fair is Coming…

We are excited about our upcoming Book Fair in October! An amazing selection of books is headed our way! At the Book Fair you will find the latest and finest titles for children, as well as books of interest to parents. Preview Week is October 10-14 and Purchase Week is October 17-21. Mark your calendar for our Family Event where the whole family can join in the fun on Wednesday, October 19, from 4:00-6:00 p.m. Check out our homepage at http://bookfairs.scholastic.com/homepage/appomattoxprimary The Book Fair is a great way to get everyone excited about reading. See you there!
Ms. Judy Johnson, APS Librarian

FAST…

Appomattox Primary School will be offering an eight-week Family Fun Night Series this fall. The events will take place weekly on Thursday nights from 5:30 pm -8:00 pm, beginning September 29th. Families who sign up to participate will enjoy family-oriented fun and games while making friends, communicating and having a great time at the primary school. Each family in attendance will be eligible for the weekly prize drawing. Gifts will be awarded to the families that successfully complete the eight-week series. For More Information Contact Ms. St John.

YMCA Afterschool…

Our After School Program runs from 3 until 6 M-F
Lights on After School October 20th from 4 - 6
Theme: Carnival "Tyme": Snow Cones, Games, Prizes and more.
All are welcome!
Come and join us for a lot of fun!
Healthy Kids Initiative with our running coach Brennan!
The 1st and 3rd Monday until May 2012
Need information please contact 434-401-3073

Spot the Readers…

Accelerated Reader (AR) is a technology-based literacy system designed to encourage the reading of good literature. We use it at APS to encourage students to enjoy reading, while also working towards different incentives.

Students may take tests following the rules, policies, and/or expectations of the classroom teacher.

Any questions concerning AR should be directed to your child's teacher.

Internet Safety: Computer Ethics:

The first nine weeks our Internet Safety topic is Computer Ethics. Students are learning that computers are objects, and the computers they use at school are the property of the school. They are learning that they need to take care of and use the computers properly and appropriately. In doing so, they are learning to use computer technology ethically.

APS Cafeteria Account System…

The computerized cafeteria system provides parents the option of establishing an account whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly, or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

October 2011 Calendar…

- **FAST Family Fun Nights – October 6, 13, 20, 27**
- **1:00 Early Dismissal – October 21**
- **Parent/ Teacher Conferences – NO SCHOOL – October 31**

Students of the Week

Appomattox Primary School

"Building the Future of Success "

November 2011

Principal's Message…

Happy Thanksgiving (soon)! It is hard to believe that the first nine weeks are already behind us. Time truly does fly…
With that in mind, as we progress further into the school year, please take a few minutes to reflect on your child's progress and how far he/she may have come to date. Many of you have taken advantage of conferencing with your child's teacher and are aware of where he/she stands in terms of being on or below grade level. If you have not, please contact the classroom teacher as soon as possible. As early as January, we will begin talking about retention if students do not meet the required benchmarks each nine weeks. We don't want anyone to feel like they don't have all the information possible, well ahead of time.

Thank you in advance for a great second nine weeks!
As always, if we may be of assistance to you, please contact us:

Heather Mullins
Principal
hsmullins@appomattox.k12.va.us
Jason Bowyer
Assistant Principal
jabowyer@appomattox.k12.va.us

PTO

…

Our second APS PTO meeting is scheduled for Monday, November 14, 2011, at 7:00 p.m. To celebrate the APS theme of "BUILDING FOR THE FUTURE AT APS," the program is entitled, "POSSIBILITIES," by Teresa Jennings of Plank Road Publishing. Second grade students will sing about the infinite possibilities waiting at the end of our construction project. New and improved facilities will provide the opportunities students deserve in order to have the support needed to meet the goals of living their dreams! Join us to hear some lively songs and help us celebrate our ongoing project! We have BIG dreams and we look forward to telling you all about them in song! See you there! ☺

NOTES FROM THE CLINIC…

The normal fall/winter illnesses are making their way through the school. If your child vomits or has a fever (over 100) during the evening/night before school, please keep him/her home. A medicated fever is still a fever, so your child should be free from fever for 24 hours without the use of fever-reducing medication. If you have any concerns, call the clinic at 352-8937 between 8:00 a.m. – 3:30 p.m.

LOST AND FOUND…

Cold mornings and warm afternoons mean lots of coats and jackets left outside. The pile is growing! Please put your child's name or initials on all belongings… jackets, book bags, lunchboxes, etc. If you have lost a jacket, call the clinic at 352-8937. If you can describe the article, Mrs. Waddell would be glad to look in Lost and Found for it; or during clinic hours, you are welcome to come by and look.

Internet Safety: Privacy:

Our Internet Safety topic the second nine weeks is Privacy. Students are learning that, just as in real life, they should not give strangers their personal information like where they live or what school they attend. The internet should be accessed with adult supervision, and they should tell a trusted adult, like a parent or teacher, if anyone online asks them for their name, address or phone number.

Attendance at APS:

Parents of Car Riders – The tardy bell rings at 8:25. Students must be in the classroom when the bell rings. If your child is in the hallway or outside, he or she will be counted tardy and will need to get a tardy slip from the office. You need to walk your child in to the office if tardy, please.

Please send a note to school when your child returns after an absence stating the reason for the absence. All absences are initially recorded as <u>un</u>excused--and stay unexcused until a note is received. If your child goes to the doctor, please send in the doctor's note.

If you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash 352-0831

APS Cafeteria Account System…

The computerized cafeteria system provides parents the option of establishing an account, whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

Building the Future at APS… with Box Tops for Education…

APS is off to a fantastic start this year! Our goal for 2011-12 is $3,500 and in our first collection we raised $894.00! Congratulations to Mrs. Donnigan's first grade class for being the first school-wide winner who collected 678 box tops ($67.80). Please continue to *Buy, Clip and Collect* and help us reach our goal. Our earnings will help APS purchase new playground equipment and help fund our Accelerated Reader (AR) program. Thank you for being a part of this program. For more information, check out the Box Tops for Education website at www.btfe.com.
Jennifer Royal, APS *Box Tops for Education* Program Coordinator

YMCA Afterschool Program…We are here for you!

Need somewhere for your child to be on early dismissal days?
Contact us for more information: 434-401-3073
Dates to Remember:
-Schools are closed on Veterans Day, Friday, November 11, 2011. Therefore, there will be no afterschool program.
- Wednesday, November 23, 2011, Early Dismissal @ 1 p.m.: we will operate from 1 – 6 p.m.
-Thursday & Friday, November 24 & 25, 2011: Schools Closed - Happy Thanksgiving to All!

Reminders…

- **Car Riders – If you want your child to be in the car rider loop for pickup outside, please make sure the pickup note says car rider. Otherwise, the child will be held in the classroom, waiting for you to come in and sign him/her out.**
- **Car Riders – Please remain in your vehicle if you are picking up a student in the loop. If your child needs assistance buckling up, please let the staff member putting your child in your vehicle know. We'll be happy to assist with this if possible.**
- **No Passing – If you are picking up in the car rider line, and the person in front of you hasn't exited, please do not pass. We are trying to get everyone out very quickly, but we ask that you not pass the car in front of you unless directed to do so by an APS staff member. We want to avoid accidents.**

November 2011 Calendar…

Tuesday, November 1
-Report cards go home
Thursdays in November - FAST
Friday, November 11
- NO SCHOOL
Ve - Veterans Day
November 14-18
-American Education Week
(See attached flyer)
Monday, November 14
-PTO, 7 p.m.
-2nd grade performs
Thursday, November 17
-Make-up picture day
November 23
-Early Dismissal 1:00 p.m.
November 24-25
-NO SCHOOL
-Thanksgiving Break

Students of the Week

September 26-30, 2011

K: James Allen, Jeremiah Harris, Kaleb Mann, Jazmine Klinedinst, Kyle Davis, Camden Harrison, Zachary Wallen and David Pollard.

1: Ginna Bowles, Austin Hodge, Andre Desouza, Kaydence Gilbert, Christianna Tappen, Kenley Booth, Sophia Sausser and Jillian Williams.

2: Abigail Wilkerson, Miguel Alonso, Alex Busa, Kasey Fetty, Conner Scruggs, Frank Gonzin, Jacob Williams and William Morgan.

October 3-7, 2011

K: Brandon Childress, Zoey Terry, Hunter Howald, Keith Hamilton, Emmanuel Whiting, Olivia Inglett, Bree Carrico and David Pollard.

1: Nate Dillon, Anna Inzeo, Billy O'Neill, Xzavian King, Trey Shrock, Sydney Donnigan and Blake Jamerson.

2: Clara Sims, Breeley Mays, Chandler O'Rourke, Terrance Jennings, Dakota Wheeler, Karlee Davis, Jakyra Morgan and Lori Donghia.

October 10-14, 2011

K: Tori Hoffman, Megin Tuck, Larken Harris, Kaitlyn Hamlett, Levy Jackson, Jersey McDilda, Jaiden Harrison and Camdyn Taylor.

1: Raelyn Allen, Holly Miller, Ryan Chandler, Kirsten Moore, Jalen Jenkins, Princess Sanchez, Rupert Armentrout and Heavenly McFadden.
2: Tamlyn Beiler, Jade Lipscomb, Jaden Mayo, Mannix Wilhoit, Jeffery Bruffy, Kenlee Garrett, Savion Vaughan and Kierra Boyd.
October 17-21, 2011 - None

PTO Fundraiser

The PTO Fund-Raising Committee would like to thank everyone who sold items for our fall fundraiser. We raised almost $8,000 for our PTO general account. We had 78 students who sold 12 or more items , and they got to enjoy an ice cream party on October 25th. Thank you for your continued support!
Lara Peterson, PTO Fund-Raising Chairman

Physical Education Class and the Weather

Parents...as the weather gets colder and your children dress in warmer clothes, I'd like to suggest something to you. Because we get very warm in PE class, I always allow students to remove coats, sweaters and shirts **IF** they are wearing a t-shirt underneath. We do not go out into the hallways dressed in undershirts, but I do allow such dress during activity in the gym or outside on the blacktop, because we do get very warm! If you ask your child, he/she will tell you! So, please think about adding an undershirt (at least on PE days) for comfort during physical activity! Thank you so much!
Kathy Dickerson, PE Teacher

Fully Accredited School

Tom Yarber, Principal **Karen Cyrus, Assistant Principal**

Team Up To Read!

At this time of year when sunlight seems to take its time to appear in the morning and goes away too quickly in the afternoon, I invite you to use our traffic light to track and to improve your reading skills at home. This traffic light gets your reading team to score a good book!

Stop-Reading to observe . ? !''

- Stop to look up works that you don't know.
- Stop to look up words that have multiple meanings.

Pause-Reading to observe ; : ,

- Pause to underline information that you are looking for.
- Pause to look at pictures, graphs, headings, and tables. Pause to ask and answer: What if ____?

Go-and read like you would speak with natural speed and with appropriate emotion.

MARK YOUR CALENDAR!

November 1	Report Cards go Home
November 11	NO SCHOOL-Holiday
November 15	Make-up Picture Day (8:30-10:00)
November 23	Early Dismissal-1:00
November 24 & 25	NO SCHOOL-Holiday
November 29	Interims go Home
December 16	Holiday Sing-A-Long
Dec.19-Jan.2	NO SCHOOL-Winter Break
January 3	Welcome Back

PHONE NUMBERS:

If you would like a time reserved or a time to meet with the principal, teacher, guidance counselor, nurse or cafeteria director, you are encouraged to call for an appointment.

Tom Yarber, Principal/352-7463
Karen Cyrus, Assistant Principal/352-7463
Carolyn Lawson, Guidance Counselor/352-0531 or ext. 4307
Angie Lewis, Nurse/352-5411or ext. 4306
Debbie Knight, Cafeteria/352-5583 or ext. 4318

Please call the **nurse directly** if your child will be out of school for any reason: sickness, personal business, etc....

3 The third grade team continues to be busy as we "Team Up For Learning"!

For a little while, we shifted our content learning from Science to Social Studies and the students really enjoyed learning how economics plays a role in their world. Soon, we will shift back to Science and learn about the water cycle.

In Math, we will continue to learn about place value to the hundred-thousands, rounding to the thousands, and comparing two whole numbers (6 digit) to determine "greater than", "less than" or "equal to".

In Language Arts, we have been busy working on writing topic sentences for creating strong paragraphs.

Our Spelling focus continues to change as your child learns a new skill weekly. He/She will continue to have a list of words, as well as Spelling homework each week. Look for a new list every Monday in order to help your child practice throughout the week.

October 24 begins the second nine weeks of third grade! Each nine weeks, AES begins a new 15 point AR goal. Your child will need to be reading Accelerated Reader (AR) books each evening in order to obtain this 15 point goal for the new nine weeks. Reading teachers will continue to check your child's at-home reading (planner) weekly.

4 The fourth grade has hit the ball into the outfield and are safely standing on first base. To make it safely to second base (second nine weeks), Social Studies will focus on the capitals in Virginia and the American Revolutionary War. Classes will discuss why the capital was moved on two different occasions and why Richmond is the location today. Students will focus on the causes leading up to the Revolutionary War and our Independence from British rule.

In Math, students will be working on building up speed in addition and subtraction problems and then moving into multiplication and division facts. Make sure your child is working on all basic facts. Ask your child how they are doing on their Five Minute Tests each week.

Read, Read, Read! Fourth graders should begin now earning AR points for the 2nd nine weeks. Have your child set a weekly goal to earn at least 2-3 points EACH week. Get wrapped up in a book and enjoy these fall days by reading WITH your child. Then write, write, write! Write about your fall adventures or create a family diary. Students will love to see their parents writing with them and about them.

Students will be studying author's purpose, drawing conclusions, and making inferences. These topics involve students thinking beyond what is written to thinking about why. Why did an author write the book or passage? What is the purpose for writing it? What conclusions or inferences can you make about the character? Ask your child questions and allow them to ask you questions. Talk aloud when you are working through problems and encourage them to do so as well.

5 Fifth Grade News! It's hard to believe we are in our tenth week of school! At this moment, fifth graders are preparing for their first benchmark tests. Benchmarks will begin next Tuesday, November 1. In other news, our VA Beach field trip is scheduled for Friday, April 27. Chaperone letters have been sent out. Chaperones are reminded they must attend one of the four meetings scheduled in November. If you have any questions, please contact your child's homeroom teacher.

SCA News!

After school clubs have begun and approximately 150 students are participating! A special thanks to all the instructors and helpers. Without their help, the clubs would not be possible. Beginning **November 14**, the SCA will hold their annual canned food drive. The food drive will last until Wednesday, **November 23**. On November 23, the fourth and fifth grade SCA Officers and Representatives will deliver the canned food to a local food pantry. Students are asked to bring in one canned food item.

Grandparents Week was a HUGE Success!

195 Grandparents were able to join us for lunch throughout the week of October 10-14. It was great to have you all with us!! Please know you are welcome to come back to visit anytime you like.

Daylight Saving Time:

Remember to set your clocks back. Daylight Saving Time ends November 6, 2011.

Book Fair Dates Corrected!

Our 2012 spring bookfair will be held in the library February 21-24 and 27.
The dates I put in the newsletter last month were incorrect. Please mark your calendars now for visiting bookfair with your student February 21-24 and then 27 (for Monday students). Volunteers will be asked to respond in December!

Future Planning for a Child With Disabilities:

It is not possible for parents to imagine all the stops and detours that they will make as their unexpected journey takes them into the future. But you will probably be thinking at different times about what the future holds for your child. Advocates believe it is important for parents to have expectations about what their child with disabilities can achieve in the future and to encourage their child to develop as much independence as possible, given the nature and severity of the disability (Dickman, 1993).

Therefore, when you contemplate the future of your son or daughter with disabilities and develop goals for that child, it may be helpful to consider the following suggestions:

- Ensure that your child has the opportunity to acquire skills now that will make him or her as independent as possible in the future.
- Ensure that your child has opportunities to develop social skills that can be used in a variety of settings (regular classroom settings and exposure to many different environments are useful in this regard).
- Teach your child to be responsible for his or her own personal needs (e.g., self-care, household chores).
- Work with the school and other agencies to ensure that transition planning for your son or daughter takes place and addresses training for future employment, coordination with adult service providers, investigating postsecondary education or training, and participation in community activities.

12:25-12:55	Carson	McCann
12:30-1:00	Driskill	Williams

Visitors' Pass:

Parents or other individuals who are in the building for conferences or other school business are expected to report to the office to obtain a pass.

School Hours:

Arrival Time.....8:00-8:25 a.m.
Tardy Time.....8:25 a.m.
Instructional Day.....8:25-3:00 p.m.
Dismissal Time.....3:00-3:30 p.m.

Lost and Found

Remind your child to check the Lost and Found, located in Commons A, for any missing items. Many items are waiting to be claimed.

"Quotes to Quote"

Forever on Thanksgiving Day, the heart will find the pathway home. -Wilbur D. Nesbit

To be good is noble, but to teach others how to be good is nobler. -Mark Twain

Physical Education News:

Here is the suggested rule: get 1 hour or more of physical activity each day! The good news is that your kids' 60 minutes of physical activity doesn't need to happen all at once. Just help them get active for 10 or 15 minutes a few times a day.

You don't need fancy equipment or a health club to help your kids get their daily physical activity. All you need are some regular household items and a little imagination. Combine a few of these tips, and they'll quickly add up to a fun and healthy 60-minute routine. Naturally, the best way to get your kids moving is to get up and go with them. So make daily activity part of the program, and you could enjoy the health benefits too!

At-Home Gym

- **Step to it**: Take three trips up and down the stairs with your child, or do 20 step-ups on one step.
- **Kangaroo Jump**: Tape a shoelace to the floor in a straight line. Have your child stand on one side of the string with both feet together. Count to three, and cheer as he or she jumps over the string and back 10 times. Take a short break—and do it again!
- **Crab Crawl**: Sit with your feet flat on the floor, knees bent. Lean back and place your hands flat on the floor behind you. Lift your seat off the floor, putting your weight on your hands and feet. Now, crab crawl around the room with your kids!
- **Can Do**: Go to the kitchen and find two of the heaviest cans your child can hold. Have him stand with his feet flat on the floor, with the cans in his hands and arms at his side. Show him how to lift the cans up to his chest, bending his arms at the elbows. Have him hold for two seconds, and then slowly lower his arms. Repeat 10 times.
- **Reach for the Sky:** Grab a small textbook and hold it by the spine. Make an "L" with your arm—with your upper arm at shoulder level and your forearm pointing toward the ceiling. Now extend your arm straight over your shoulder, pushing the book toward the sky. Return to the bent-arm position. Repeat 10 times, and then switch arms. Have your kids follow along with their own books (and arms).
- **Get On Down**: Start with two bottles of laundry detergent (or any large bottle with a handle). Have your child stand with her feet flat on the floor, shoulder width apart. Place the bottles on each side of her feet. Watch as she **bends her knees**, grabs the bottles, and stands up. Repeat 10 times.
- **Hoop it Yourself:** A trashcan (or even a box) makes a great indoor basketball goal—perfect for a quick game of one-on-one.

House Music

There's no better way to get active than to dance! It doesn't have to be perfect—sometimes it's more fun to be silly! Just turn up the music and move to the beat.

- **Two Steps**: Teach your kids to dance while they talk on the phone, watch TV, brush their teeth or clean their rooms!
- **New Moves**: Have your child invent his or her own dance steps. They can be cool—or just wacky.
- **Dance-a-thon:** Try to hop on one foot with your kids all the way through their favorite song.
- **Jumping Jack Flash**: Start with a shorter song, and see if your child can do jumping jacks all the way through it. Work your way up to longer songs.

Above all HAVE FUN exercising together!!!

Bus Safety – Tips for Keeping our Children Safe

Many children rely on a school bus as their means of transport, roughly 25 million nationwide according to the National Safety Council (NSC). In Appomattox County, nearly 1500 students or 68% use our school buses as their primary means of transportation to/from school. While a large number indeed, the U.S. Department of Transportation estimates that more than twice as many students walk to school and nearly four times as many are driven there by private auto.

Regardless of the transport mode, there are important concerns regarding the safety of these children. Take for example school bus riders. Although school bus travel is considered a safer option than driving in an automobile, the National Highway Safety Administration has calculated that in an average year, 19 school-age children will die in school transportation-related accidents. Ironically, nearly three-quarters of these fatalities will involve students as pedestrians during loading or unloading activities. Moreover, young children, between the ages of 5 and 7, are disproportionately represented as these casualties. This age group is particularly at risk as they have not developed the skills and experience to judge speed and distance.

NSC has defined the threat area around a school bus as the Danger Zone. It is comprised of the locations where children are most likely not to be seen by the driver. It includes ten feet in front of the bus, ten feet on either side of the bus, and the area behind the bus. In addition to training bus drivers to be vigilant about safety, parents are encouraged to impart safe practices on their children. Organizations like First Student provide such guidance. They recommend that students leave plenty of time to arrive safely at their bus stop. Children should avoid listening to music, talking or texting on cell phones, or playing handheld games when walking to the bus stop or waiting for the bus to arrive. When onboard, children have a responsibility to act civilized, staying seated and not cause any distractions that can impact the driver's ability to remain focused on the road. The onus is on other motorists as well, particularly to heed the school bus arm and flashing lights as an indication to stop until the area is clear.

And let's not forget those who walk rather than ride to school. Here, the risks can extend beyond safety to also include security from bullying and possible interactions with strangers. Steps can be taken here as well to reduce the likelihood of an undesirable event. KidsWalk-to School recommends the following practices: 1) encourage children to walk in groups, 2) have an adult accompany the children as the walk to and from school, 3) have parents work with local agencies to identify and create safe routes to school, 4) partner with local police to enforce speeds in proximity to the school, and 5) have the school employ a crossing guard to assist with traffic management at dangerous intersections near the school.

Children deserve a safe environment in which to learn and grow. It is truly tragic when any child is denied this opportunity due to an avoidable incident. Whether as a parent, school employee or passing motorist, let's do our fair share to ensure the well-being of our future.

GED® FAST TRACK!

Are you interested in getting your GED® credential but don't have a lot of time for class?

GED® Fast Track may be just what you need!

Participants in a Fast Track class may be able to complete their GED® preparation in four classes or less. Plus, those who pass an Official GED® Practice Test may take the GED® exam for free–a $58 value!

REQUIREMENTS:

- You must be at least 18 years old.
- You must have a valid picture ID from DMV: ID card, learner's permit, or driver's license.
- You must have very good reading skills. Individuals who have reading skills at less than a high school level should not expect to be good candidates for Fast Track but could join one of our other GED® classes.
- You must complete a registration form before the class begins.

Bus Safety – Tips for Keeping our Children Safe

Many children rely on a school bus as their means of transport, roughly 25 million nationwide according to the National Safety Council (NSC). In Appomattox County, nearly 1500 students or 68%, use our school buses as their primary means of transportation to/from school. While a large number indeed, the U.S. Department of Transportation estimates that more than twice as many students walk to school, and nearly four times as many are driven there by private auto.

Regardless of the transport mode, there are important concerns regarding the safety of these children. Take, for example, school bus riders. Although school bus travel is considered a safer option than riding in an automobile, the National Highway Safety Administration has calculated that in an average year, 19 school-age children will die in school transportation-related accidents. Ironically, nearly three-quarters of these fatalities will involve students as pedestrians during loading or unloading activities. Moreover, young children between the ages of 5 and 7 are disproportionately represented as these casualties. This age group is particularly at risk as they have not developed the skills and experience to judge speed and distance.

NSC has defined the threat area around a school bus as the Danger Zone. It is comprised of the locations where children are most likely not to be seen by the driver. It includes ten feet in front of the bus, ten feet on either side of the bus, and the area behind the bus. In addition to training bus drivers to be vigilant about safety, parents are encouraged to impart safe practices on their children. Organizations like First Student provide such guidance. They recommend that students leave plenty of time to arrive safely at their bus stop. Children should avoid listening to music, talking or texting on cell phones, or playing handheld games when walking to the bus stop or waiting for the bus to arrive. When onboard, children have a responsibility to act civilized, staying seated and not causing any distractions that can impact the driver's ability to remain focused on the road. The onus is on other motorists as well, particularly to heed the school bus arm and flashing lights as an indication to stop until the area is clear.

And let's not forget those who walk rather than ride to school. Here, the risks can extend beyond safety to also include security from bullying and possible interactions with strangers. Steps can be taken here as well to reduce the likelihood of an undesirable event. KidsWalk-to-School recommends the following practices: 1) encourage children to walk in groups, 2) have an adult accompany the children as they walk to and from school, 3) have parents work with local agencies to identify and create safe routes to school, 4) partner with local police to enforce speeds in proximity to the school, and 5) have the school employ a crossing guard to assist with traffic management at dangerous intersections near the school.

Children deserve a safe environment in which to learn and grow. It is truly tragic when any child is denied this opportunity due to an avoidable incident. Whether as a parent, school employee or passing motorist, let's do our fair share to ensure the well-being of our future.

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, October 13, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Stacy C. Garrett, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty. Mrs. Amy M. Martin was not in attendance due to illness.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mr. Waddell and seconded by Mr. Smith to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Old County Library Update

Dr. Grasty provided the Board with a letter from Mrs. Aileen Ferguson, County Administrator, concerning the Old County Library. The letter stated the county voted to transfer the ownership of the property to the Town of Appomattox and if the town decides not to continue use of this facility for public purposes, ownership would revert to the county. (See Attachment # 1) Rev. Williams asked if the parking lot adjacent to the Old County Library will also be involved in the transfer. The superintendent stated our School Board Attorney is in the process of conducting a title search of the property that will hopefully determine the exact parameters of the area involved in the transfer. Dr. Grasty noted the results of the title search will be shared with the Board as soon as information is received from our attorney.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on APS PPEA Construction Project - Slabs have been poured for the multipurpose room and administrative building with walls beginning

on the multipurpose room. The under slab rough-in is nearly completed for the classroom addition. To date, we are meeting our goal of keeping the mason on sight with the exclusion of rainy days. It is our objective to have all of the additional buildings enclosed by winter.

2. Radio Bid Update - Bids were posted on our school division website and E-Virginia on October 7, 2011. Recent phone calls from vendors have made us aware of the possible need to issue an addendum or perhaps pull the bid request and resubmit at a later date. We hope to have bids submitted by winter break.

3. New Traffic Pattern at ACHS - Maps of the temporary new traffic pattern and parking plan at the high school, that will take effect on Monday, October 17, 2011, were distributed. (See Attachment # 2) Maps of the potential plan for long-term traffic pattern and parking changes were also shared. (See Attachment # 3) Mr. Earl Dickerson will be working with the school division this winter to develop a formal engineering plan for curb and sidewalks to separate the bus loop from the remaining traffic. Pending the availability of funds at the end of the school year, the permanent traffic plan will be installed. Mrs. Garrett noted the congestion that currently exists on Evergreen Avenue in front of Appomattox Health and Rehabilitation Center as a concern. Mr. Edwards indicated a crossing guard may be needed at that location and stated the situation will be carefully studied. Mrs. Garrett also suggested student parking spots be numbered and parking passes be assigned by number.

Discussion of Special Payment of ARRA Expenditures

Mr. Edwards stated in order to receive ARRA fund reimbursements for all expenditures encumbered by September 30, 2011, the Board is requested to consider approval of ARRA bills at the November 10, 2011 Interim Board Meeting for any items not received and not paid for at the October 27, 2011 Regular Business Meeting. (See Attachment # 4) The special payment on November 10, 2011 will allow all ARRA reimbursement requests to be processed prior to the November 15, 2011 federal deadline. A list of possible payments that could be requested at the next interim meeting was distributed to the Board. Mrs. Garrett noted this was also an action item next on the agenda.

ACTION ITEM

Consideration of Payment of ARRA Bills at the 11/10/2011 Interim Board Meeting

It was moved by Mr. Smith and seconded by Mr. Waddell to approve the payment of ARRA bills at the November 10, 2011 Interim School Board Meeting. By unanimous voice vote, the motion was approved.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950 as amended.

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, and specifically student #51300.

Mr. Smith seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mr. Smith, unanimously approved, and recorded by roll call vote. (See Attachment # 5)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Waddell and seconded by Mr. Smith to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

June G. Bentley – Bus Driver – Appomattox County Public Schools – Effective: September 26, 2011.

Change in Retirement Date 2011-2012:

Brenda C. Sauls – SPED Secretary – Appomattox County Public Schools – Change Effective Date From January 1, 2012 To March 1, 2012.

Assignments 2011-2012:

Wayne Dellosso – Bus Driver – Appomattox County Public Schools – Effective: September 26, 2011. (Replacing June Bentley)

Jean N. Napier – 3 Hour Food Service – Appomattox Primary School – Effective: October 1, 2011. (Replacing Sabrina Savage who went to fill a vacancy at the Middle School).

Supplemental Assignments 2011-2012:

Appomattox Middle School:

Clinton S. Dodson	–	Basketball, Boys 8th Grade
J. Douglas Marshall	–	Basketball, Girls 8th Grade
Alison C. Paulette	–	Soccer, Girls AMS

Teacher Substitutes 2011-2012:

Jana R. Baldwin
Dorothy C. Booth
Shannon J. Branham
Hannah L. Bryant-Harvey
Annette D. Casey
James H. Cheatham
Amy R. Donghia
Karen F. Dowden
Cheryl M. Ellis
Rhonda M. Hurt
Karen S. Johnson
Amanda J. Kaufmann
Jill A. Lawson
Suzanne E. Liguori
Michelle P. Lipscomb
Brandy D. Meador
Beverly M. Mewborn
Channa C. Pettigrew
Ashly N. Scott
A. Carol Senger
Renee B. Surrency
Brandy L. Taylor
Thomas M. Tillerson
Krista M. Williams

APPROVAL OF STUDENT MATTERS:

Student Number 51300:

It was moved by Mr. Waddell and seconded by Mr. Smith to allow Student Number 51300 to return to the middle school. The student must abide by the no trespassing notification for all school related activities after 3:30 p.m. for the remainder of the 2011-2012 school year. The student shall have no further discipline referrals and must follow all school rules. By unanimous voice vote, the motion was approved.

Student Number 233:

It was moved by Mr. Waddell and seconded by Rev. Williams to reinstate Student Number 233 beginning the first day of second semester of the 2011-2012 school year. By unanimous voice vote, the motion was approved.

NEXT MEETINGS

A Joint Meeting of the Appomattox County School Board and the Appomattox County Board of Supervisors will be held Tuesday, October 25, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia

The next Regular Monthly Business Meeting will be held Thursday, October 27, 2011 at 5:30 p.m. at Appomattox County High School. Students achieving a perfect score of 600 on 2011 SOL Tests will be recognized at this meeting.

The next Interim Meeting will be held Thursday, November 10, 2011 at 5:30 p.m. in the School Administration Building.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Waddell. By unanimous voice vote, the meeting was adjourned.

Attachment # 5

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: October 13, 2011

Minutes of
Appomattox County School Board
Joint Meeting

The Appomattox County School Board met in special session on Tuesday, October 25, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. This was a joint meeting between the members of the Appomattox County School Board and Appomattox County Board of Supervisors. Present were School Board Members: Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty. Also present were Supervisors: Mr. Samuel E. Carter, Mr. Thomas H. Conrad, Mr. William H. Craft, Mr. Jerry N. Small, Mr. Gary W. Tanner, and County Administrator Mrs. Aileen T. Ferguson.

The following Central Office Staff Members were in attendance as well: Mr. Brette Arbogast, Director of Technology and CTE; Mrs. Annette A. Bennett, Director of Curriculum and Instruction; Mr. Stephen O. Edwards, Director of Business and Operations; Mrs. Elizabeth R. Haught, Director of Remedial and Special Education; and Mr. Bruce R. McMillan, Director of Human Resources and Staff Development.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order.

WELCOME

Dr. Dorinda G. Grasty, Division Superintendent, welcomed everyone to the annual “State of the Schools Update” meeting and introduced Joint Board Members.

PRESENTATION FROM SUPERINTENDENT

The superintendent distributed copies of the following Appomattox County Public Schools information:

- 2010-2011 Annual Report
- 2011-2012 Calendar and Directory
- 2011-2012 Code of Student Conduct and Acceptable Computer System Use Policy

Dr. Grasty provided an informative power point presentation regarding the school division that included: (See Attachment # 1)

- 2011-2012 Theme: "Building A Community Of Learners"
- Building Professional Learning Communities
- Gratitude for Support
- 2011 ACHS Graduates and Their Plans After Graduation
- Career and Technical Education Completers
- Current Enrollment
- Student Demographics
- Homebound and Out of Division Students
- Food Service Program and New USDA Regulations
- Free and Reduced Meal Statistics
- Special Education Staff, Student Enrollment, and Alternative Placement
- Title I Program
- Summer School 2011
- Appomattox Alternative Education Center (AAEC)
- Project Graduation and College Focus
- Staff Development and Training for Teachers
- 2010-2011 Technology Upgrades
- 2010-2011 SOL Testing, Results, and Perfect Score Recognition
- 2010-2011 Highlights from Each School
- Adult Education
- Teaching Staff and New Mandated Teacher Evaluation System
- Employee Numbers and Demographics
- Transportation Facts
- Facility Facts Concerning Each School, Bus Shop, and Maintenance Shop
- Capital Improvements FY 2011
- 2010-2011 Stimulus Funds
- Reinstatement of Matching Funds and Middle School Sports
- Public Private Education Facilities and Infrastructure ACT (PPEA) and Appreciation for the PPEA Renovation Project at Appomattox Primary School
- 2011-2012 Revenue
- Average Daily Membership
- Challenges for 2012-2013
- Budget Planning Schedule

ITEMS FROM BOARD OF SUPERVISORS AND SCHOOL BOARD

Following the superintendent's presentation, Dr. Grasty called for questions and comments from the members of both boards. The response follows:

1. Mr. Craft asked how the current number of out of division students compares to previous years.

Dr. Grasty stated we currently have three less out of county students than last year.

2. Mr. Craft noted $330,687.46 for the ACHS ADA bathroom renovations seemed high.
   Mr. Edwards stated the total project cost was slightly over $560,000.00. He emphasized renovations to an existing building involve complying with current code which makes the project more involved than originally anticipated. He also noted the project was subject to the Davis Bacon Act which escalated expenditures.
   Mr. Waddell pointed out the cost of the ACHS ADA bathroom renovations was covered by Federal Stimulus Funds.

3. Mr. Smith was pleased to report Appomattox County High School was the only county public high school in Virginia represented by an FFA Chapter at the State Fair. He stated he was able to attend a portion of the program and indicated our students were exceptional. Adults, from Appomattox, assisting our FFA students included Ed McCann, Timmy Garrett, Randy Phelps, Cindy Phelps, Anita Moore, Cathy Baldwin, and Mr. and Mrs. Gilliam.

   Mrs. Martin stated the superintendent received a letter from the leader of another group of students who had exhibited animals at the State Fair. The letter complimented Mr. McCann and our students who gave of their time and effort to assist other students who were also competing.

4. Mr. Smith also noted the successful Watch DOGS Program at Appomattox Elementary School. He challenged the gentlemen on the School Board and Board of Supervisors to volunteer their time to work with our students in this outstanding program.

5. Mr. Conrad expressed his appreciation for the opportunity to work with the School Board during his eight years as a member of the Board of Supervisors. He noted this would be his last joint meeting as he is not running for re-election.

6. Mr. Waddell noted the Lunch Buddies Program at Appomattox Primary School is an excellent program. Mr. Carter expressed interest in participating in the program.

7. Mr. Carter and Mr. Craft thanked Dr. Grasty for her wonderful presentation.

8. Mrs. Garrett also thanked Dr. Grasty for her presentation and the valuable information she provided. She also shared her appreciation to both boards for their support during her four years on the School Board as she is also not running for re-election.

ADJOURNMENT

There being no action and no further business, it was moved by Mrs. Martin and seconded by Mr. Waddell to adjourn the meeting. A unanimous voice vote of approval was received.

Stacy C. Garrett
Chairman

Brenda F. Gowin
Clerk of the Board

Minutes of
Appomattox County School Board
Special Meeting

The Appomattox County School Board met on Thursday, October 27, 2011 at 4:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct a special meeting. Present were Board Members Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, and Division Superintendent Dr. Dorinda G. Grasty. Rev. J. Wesley Williams was not in attendance.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purpose:

1. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, and specifically students #50055 and #51585.

Mr. Waddell seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Waddell to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mrs. Martin, unanimously approved, and recorded by roll call vote. (See Attachment # 1)

ADJOURNMENT

There being no action taken and no further business, Mr. Waddell moved the meeting be adjourned with a second from Mrs. Martin. By unanimous voice vote, the meeting was adjourned.

Attachment # 1

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: October 27, 2011

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, October 27, 2011 at 5:30 p.m. in the Auditorium at Appomattox County High School at 198 Evergreen Avenue in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams (arrived as the meeting was reconvened in the library), and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

STUDENT RECOGNITIONS

Students with a Perfect Score of 600 on 2010-2011 SOL Tests

On behalf of the Board, the Chairman congratulated the 253 students who received a perfect score of 600 on 340 SOL tests during the 2010-2011 school year. She stated her appreciation to teachers, staff, and parents for their support of our students.

The school principals and assistant principals recognized each student, announced their area of accomplishment, and presented certificates of special recognition. (See Attachment # 1) Mrs. Garrett and Dr. Grasty greeted each student and issued award ribbons.

BRIEF RECESS

Following the recognition of students, a brief recess was taken to allow everyone an opportunity to enjoy refreshments prepared by the School Nutrition Department of Appomattox County Public Schools.

RECONVENE IN LIBRARY AT APPOMTTOX COUNTY HIGH SCHOOL

Following the brief recess, the chairman reconvened the meeting of the Appomattox County School Board in the Library of Appomattox County High School.

CONSIDERATION OF AGENDA

It was moved by Rev. Williams and seconded by Mr. Waddell to modify the agenda by moving "Scoreboard Sponsor Update Regarding Ads" from item A to item F under the Superintendent's Report as Mr. Harper had not arrived due to his responsibilities at the volleyball recognition program. By unanimous voice vote, the motion was approved.

APPROVAL OF MINUTES

September 8, 2011 – Interim Meeting
September 22, 2011 – Regular Monthly Business Meeting

It was moved by Mr. Smith and seconded by Mr. Waddell to approve the minutes of the September 8, 2011 Interim Meeting and the September 22, 2011 Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared the following communication items with the Board:

1. Mrs. Brenda Thompson, retired Food Service Employee, passed away September 26, 2011. On behalf of the School Board, a contribution was made to the Appomattox County Education Foundation in her memory and a card was sent to the family. Mrs. Thompson's contributions to our school system were acknowledged and deepest sympathy was extended to her family. A thank you had been received from Mrs. Thompson's family and was shared with the Board.

2. Board Members were invited to attend a reception honoring the artists of the 2011 Area Youth Art Exhibit sponsored by Longwood University, College of Education and Human Services and the Longwood Center for Visual Arts on Sunday, October 30, 2011, 2:30 - 4:00 P.M. The awards ceremony will be held at 3:00 p.m. on the First Floor of the Hull Building at Longwood University in Farmville. The following Appomattox County students will be recognized and have their artwork displayed: Colby Cobb, Denise Donghia, Zach Herbert, and Bethany Wilbun.

3. A note was received from our FFA students offering their appreciation for the opportunity to attend the FFA Convention in Indianapolis, Indiana.

4. The superintendent recently visited Mrs. Katie McCann's class during Read Aloud Week and enjoyed reading to the students. A thank you from the class was shared with the Board.

Communication Items from Board Members

Mrs. Martin expressed her appreciation to the Board for the get well card they sent to her recently.

Rev. Williams stated he had received a well written thank you from Caleb Edwards concerning his recent Eagle Scout Project of landscaping at the School Administration Building.

Mrs. Garrett shared a letter from Governor McDonnell concerning the Governor's Task Force for Local Government Mandate Review. This Task Force was established by legislation passed during 2011 to review state mandates imposed on localities and to recommend temporary suspension or permanent repeal of such mandates. (See Attachment # 2)

STAFF RECOGNITIONS

September 2011 Employees of the Month

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for September, 2011:

Appomattox Primary School:
Amy McConville

Appomattox Elementary School:
Karen Therkildsen

Appomattox Middle School:
Allison Garrett

Appomattox County High School:
Jeff Conner
Mike Mizell
Jay Ranson
Sue Robinson
Donald Routt
Kenneth Routt

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the September 30, 2011 Membership Report which indicated the total funded ADM was 2,189 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 3)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 4)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The 2011 VSBA Annual Convention will be held in Williamsburg, November 16 - 18, 2011 with the Delegate Assembly scheduled on November 17th. Mr. Waddell, Rev. Williams, and Dr. Grasty are scheduled to attend. Mr. Waddell will be serving as the Board's Delegate and Rev. Williams will be serving as the Board's Alternate Delegate.

Our school division will be represented at the VSBA Annual Convention in the Signs of Success Poster Session by Appomattox FFA: The Animal Experience. (See Attachment # 5)

Governor McDonnell has issued a resolution declaring November as Take Your Legislator to School Month. (See Attachment # 6) Dr. Grasty requested suggestions from the Board concerning this activity. Mrs. Garrett noted November appeared to be an odd month for this to be conducted as it is election month. She asked Board Members to submit any suggestions to the superintendent.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

Scoreboard Sponsor Update Regarding Ads

Mr. Brad Harper, Assistant Principal and Athletic Director at Appomattox County High School, presented a Scoreboard Proposal which he reviewed in detail. (See Attachment # 7) He noted the proceeds from items A – E would be split 50/50 between the Appomattox County School Board and the Appomattox County Athletic Department until the total scoreboard debt is paid. Following his presentation, it was the consensus of the Board that Mr. Harper should proceed with the Scoreboard Proposal as presented.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Budget Information Letter - This letter was sent to Mrs. Aileen Ferguson, County Administrator, from Mr. Edwards. A copy was provided to the Board. (See Attachment # 8) Mr. Edwards noted the upcoming General Assembly will be a long session and we do not anticipate receiving final budget information from the state until late April, 2012. Dr. Grasty mentioned we generally conduct a joint meeting with the Appomattox County Board of Supervisors in late March and we may want to move that meeting to late April to incorporate the information we anticipate coming from the General Assembly.

2. ACHS Traffic Pattern Update - The new traffic pattern at the high school is progressing and positive comments have been received from parents. We are still in the process of implementing modifications in an effort to insure the safety of students, parents, staff, and visitors.

3. Utility Audit - Information from Troy and Banks concerning a contingency-based audit of our utility and telecommunications bills. (See Attachments #9 and #10) Mr. Edwards stated this is strictly a retroactive audit that will review the past six years' billing. Should the Board accept the presented proposal, our school division would keep 71% of any money found to be owed the school division and Troy and Banks would keep the remaining 29% as their fee. If the review indicates no money is owed the school division, then no fee is paid to Troy and Banks for their services.

4. Activity Funds Audit Results - Copies of the school activity funds audit, conducted at the end of the 2010-2011 school year by Mr. Singleton, were presented to the Board. Mr. Edwards indicated it was a cash only audit and no major issues were disclosed. Several accounts carried negative balances and measures will be implemented to prohibit this process in the future. He also stated at times it is a good practice to change auditors and he is in the process of looking into this for next year.

5. Update on APS PPEA Project - Mr. Bill Gillespie, PPEA Project Manager, provided a detailed update concerning the primary school PPEA construction project. (See Attachment # 11) He provided the following information: a) Upon completion of the project, the school will be designed for 681 students. b) The building will have 162 square feet per pupil which exceeds the average of 123 square feet per pupil. c) Phase four bid requests have been advertised. d) The project is currently below budget with significant savings. e) The $200,000.00 contingency fund has not been used at this point. f) The PPEA Committee has decided to look at additional finishes for the building in the event the budget will allow. Additional finishes will give the building added personality. g) A more definitive cost summary will be available in February, 2012.

6. Other Information: Radio Bid - Mr. Edwards reported the radio bid has been retracted and removed from our webpage. We plan to reissue the bid request in November.

Review 2005-2011 Comprehensive Plan

Dr. Grasty reviewed the current 2005-2011 Comprehensive Plan. (See Attachment # 12) She stated work continues on the new 2012-2018 Comprehensive Plan that will be presented to the Board within the next few months.

2011 School Bus Safety Week

The superintendent reported Governor McDonnell proclaimed October 17 - 21, 2011 as School Bus Safety Week and presented a copy of the Governor's resolution. (See Attachment # 13) Appomattox Primary School treated the Transportation Staff to breakfast on October 19 and Mr. Lair provided breakfast on October 20th to honor these dedicated employees for their service and hard work.

School Related Fund Raisers – Quarterly Report – September 30, 2011

As required by Policy JL – Fund Raising and Solicitation, the superintendent provided the Quarterly Report of Fund Raising Activities conducted within our school division for the quarter ending September 30, 2011. (See Attachments # 14, # 15, # 16, and # 17)

Update on School/Business Partnerships

The superintendent provided the Board with a report from the elementary and middle schools concerning School Business Partnerships for 2011-2012. She stated the high school did not have any partnerships at this time and the report from the primary school will be presented at a later date. (See Attachments # 18 and # 19)

K-3 Primary Class Size Reduction Program for Fiscal Year 2012

Mr. Bruce R. McMillan, Director of Human Resources and Staff Development, supplied the Board with the K-3 Primary Class Size Reduction Program Report for Fiscal Year 2012. The report indicated our actual pupil-teacher ratio in grades K-3 is below the Virginia Department of Education requirement. (See Attachment # 20)

Retiree Health Insurance Eligibility Guidelines Update

Mr. McMillan reviewed the Retiree Health Insurance Eligibility Guidelines that have been updated to reflect new federal health insurance requirements which changes our dependent age from 23 to 26. (See Attachment # 21)

Preparation for Board Meeting Calendar for 2012

Dr. Grasty indicated a draft Board Meeting Calendar for 2012 will be presented at the November 21, 2011 School Board Meeting and requested input from the Board. She stated the 2011 Board Meeting Calendar set all meetings to begin at 5:30 p.m. except the April and September Regular Monthly Business Meetings that began at 3:30 p.m. following the tour of school facilities. The 2011 calendar did not include an Interim Meeting during the month of July due to the vacation schedules of administrators or during December as it is a shorter month. The superintendent requested guidance from the Board concerning preparation of the Board Meeting Calendar for 2012. It was the consensus of the Board to follow the same format for the 2012 calendar.

FY 2013 Budget Process

The superintendent proposed the following budget calendar for the development of the 2012-2013 School Budget:

1. November - Public input and discussion of possible budget goals
2. December - Board develops budget goals
3. January - Budget update and goals; Budget Work Session
4. February - Public Hearing on FY 2013 Budget; Budget Work Session
5. March - Superintendent's Budget Presentation
6. April - Joint Meeting with the Appomattox County Board of Supervisors; Possible additional Budget Work Session
7. April/May - Adoption of 2013 Budget

The Board was in agreement with the budget schedule presented by the superintendent.

Safe Teen Driving and Texting Simulator Programs

Mrs. Martha Eagle, Principal of Appomattox County High School, provided information concerning a Texting Simulator Assembly that was held at the school on October 12, 2011 for tenth grade health and physical education classes. She stated this was an excellent program that allowed students to experience the dangers of texting and driving in a simulated environment. (See Attachment # 22) She also presented a video entitled “It Can Wait” which emphasized the ultimate hazard of texting while driving.

Mrs. Eagle also distributed material regarding Partners for Safe Teen Driving. (See Attachment # 23) She proposed the program be mandated for ninth and tenth grade students to attend one session with a parent or guardian prior to taking behind the wheel driver education and receipt of the Certificate of Completion for Classroom Driver Education by the Commonwealth of the Virginia Department of Education (DEC-1) beginning with the 2012-2013 school year.

Mr. Smith stated this is an excellent program and was in favor of the proposal offered by Mrs. Eagle.

ACTION ITEMS

Consideration of Approval of Agreement Concerning Energy and Telecommunications Auditing Proposal

It was moved by Rev. Williams and seconded by Mrs. Martin to authorize the Director of Business and Operations be directed to enter into an agreement with Troy and Banks per the terms of their proposal for Energy and Telecommunications Auditing on behalf of Appomattox County Public Schools. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated September 30, 2011. (See Attachment # 24)

APPROVAL OF BILLS

Mrs. Martin moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $500,825.34 – General Fund (See Attachment # 25)
2. $ 4,618.73 – School Textbook Fund (See Attachment # 26)
3. $ 74,925.16 – School Food Fund (See Attachment # 27)
4. $418,242.48 – APS PPEA Construction Fund (See Attach. # 28)
5. $ 5,760.47 – General Fund End-of-Month (See Attachment # 29)
6. $ 77.22 – School Food End-of-Month (See Attachment # 30)
7. $ 18,760.60 – General Fund Addendum (See Attachment # 31)
8. $ 84.37 – School Food Addendum (See Attachment # 32)
9. $ 22,328.58 – School Textbook Addendum (See Attachment # 33)

Rev. Williams seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, November 10, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. Mrs. Garrett stated she would not be in attendance at this meeting and requested Mr. Waddell, Vice-Chairman, preside. The next Regular Monthly Business Meeting will be held Monday, November 21, 2011 at 5:30 p.m. at the same location. Rev. Williams indicated he would not be in attendance at this meeting due to vacation plans.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employees #10233 and #10607.
2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,
3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #50055 and #51585.

Mr. Waddell seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Waddell to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Waddell, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 34)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

Judy C. Thacker – Database Coordinator – Appomattox County Public Schools – Effective: Friday, November 4, 2011

Family and Medical Leave Act 2011-2012:

Attachment # 34

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Waddell seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Public Comment Invited on 2012-2013 School Budget

The Appomattox County School Board will hold a public comment session on Monday, November 21, 2011 at 5:30 PM in the School Administration Building. The purpose of the session will be to solicit comments from the public prior to development of the 2012-2013 school budget.

Individuals and organizations with suggestions for the 2012-2013 school budget are encouraged to speak at the meeting. It is not necessary for speakers to request placement on the agenda for this portion of the School Board meeting.

This initial meeting will allow the School Board to hear suggestions prior to development of the school budget. The budget development time line calls for the School Board to hold a public hearing on the School Board Budget at its February 2012 meeting. The specific date for that meeting will be set when the Board adopts its 2012 calendar in January.

For further information, contact the superintendent at 434-352-8251.

WSLC Star Country 94.9 FM	WFIR 960 AM

Please note the following codes:

Code I—Administrators, teachers, clerical, maintenance, and custodial personnel report

Code II—12-month personnel report

Code III—Designated central office administrators, custodial , maintenance, and bus shop personnel report

Code IV– No one reports

Spirit Week @ AMS was October 24-28, 2011 - this is how we celebrated!

Guidance News

(Day 1) Monday -- Students and staff wore Red Ribbons. Students signed a Pledge Card indicating that drugs and alcohol will not be a part of their lives.

Today's message: Let's put an end to drug use in Appomattox. Teachers: Please turn in your signed homeroom rosters to guidance.

(Day 2) Tuesday-- "Sock" bad drugs away from our lives." Everyone wore a pair of silly, funny, odd, cute, fancy or sporty socks to school with your shoes. Today's Message: Enjoy your life by choosing the right time to be silly, funny, happy and serious.

(Day 3) Wednesday-- Teachers: Encouraged their students to wear red because the homeroom teacher who has the most kids wearing red will be entered in a drawing. Each grade level will have a winning class for wearing red.

RULES for wearing RED:

Clothing that counts will be shirt, pants, dress or skirt, shoes, and socks.

Ribbons, bows and other accessories will NOT be counted. The majority of the clothing article must be **red.**

For example: if the shirt is half **red** and half blue it will count, if a shirt is white with **red** lettering it will NOT count.

(Day 4) Thursday--"I'm too cool to ever use DRUGS"—Students and staff looked cool by wearing sunglasses, fake glasses, or silly glasses. They were removed during instruction. Today's Message: The good choices we make every day are what really make us COOL. Remember you make choices in your life every day, and you have the right to change your mind if you feel the choice you have made will lead to negative consequences.

(Day 5) Friday--"Team Up Against Drugs" Students and staff wore something showing support for the Appomattox Raiders or their favorite sports team. Students and teachers teamed up for a drug-free life style. They wore their team shirt and/or jewelry supporting your favorite team.

Today's Message: Students need to know several ways to say – "No. Drugs are not for me!" We need to make positive and safe choices in selecting our activities.

Announcements:

Monday, October 24

The **Red Ribbon Celebration** brings millions of people together to raise awareness regarding alcohol, tobacco and other drug and violence prevention, early intervention, and treatment services. It is the largest, most visible prevention awareness campaign observed annually in the United States.

Appomattox Middle School rallied and wore red ribbons symbolizing a healthy, drug-free lifestyle. Last week was known as Raiders' War on Drugs Red Ribbon Week. Everyone present received red ribbons and wore them all week. This year our theme is, "I Vote to be Drug-Free!" There was a theme for each day.

Student names were entered in drawings for free prizes.

Tuesday, October 25

Red Ribbon Week: The Story Behind the Symbol

Enrique "Kiki" Camarena grew up in a dirt-floored house with hopes and dreams of making a difference. Camarena worked his way through college, served in the Marines and became a police officer. When he decided to join the U.S. Drug Enforcement Administration, his mother tried to talk him out of it. "I can do this," he told her. **"I'm only one person, but I want to make a difference."** The DEA sent Camarena to work undercover in Mexico investigating a major drug cartel believed to include officers in the Mexican army, police and government. On Feb. 7, 1985, the 37-year old Camarena left his office to meet his wife for lunch. Five men appeared at the agent's side and shoved him in a car. One month later, Camarena's body was found in a shallow grave. He had been tortured to death. In honor of Camarena's memory and his battle against illegal drugs, friends and neighbors began to wear red badges of satin. Parents, sick of the destruction of alcohol and other drugs, had begun forming coalitions. Some of these new coalitions took Camarena as their model and embraced his belief that one person can make a difference, and wore red ribbons. Since the first Red Ribbon Campaign in 1988, the campaign has reached millions of U.S. children.

Wednesday, October 26

Alcohol is a drug found in beer, wine, and liquor. It is the most widely used--and abused-- drug in the United States.

Nearly 10 million American adults are alcoholics--people who can't control their drinking. One study found that three of every ten students in grades 7 to 12 drink alcohol at least once a week. Drinking and driving is especially deadly. More than 25,000 people are killed each year in car accidents caused by people drinking. Accidents involving drunken drivers are the leading cause of death among teenagers.

Youth who start drinking before the age of 15 are four times more likely to become alcoholics than young people who do not drink before the age of 21.

The brain does not finish developing until a person is around 21 years-old, so the risks of losing memory and learning capacity as well as slowing the capacity for good judgment can be severely affected by the use of alcohol at early ages.

Thursday, October 27

Scientist have found more than 3,000 chemicals in cigarette smoke. At least seven of these chemicals are known to cause cancer. One of the poisons in cigarette smoke is nicotine. Nicotine is the chemical that hooks smokers and makes it difficult for them to quit. Studies show that people who smoke have a greater chance of getting cancer and heart disease.

About 400,000 people die in the U. S. each year from diseases caused by smoking. Some of the chemicals found in tobacco or smoke include ammonia (used as a household cleaner), arsenic (uses as a poison to kill rats), benzene (found in paint), cadmium (found inside batteries), carbon monoxide (a gas in car exhaust), formaldehyde (used to preserve dead bodies), phenol (used in making explosives), and tar (the gooey stuff from smoke that sticks to your lungs).

Friday, October 28

Scientists have found 400 chemicals in marijuana . Some studies have shown that certain harmful chemicals in marijuana smoke can stay in a person's body for up to a month. Marijuana has more cancer-causing chemicals than tobacco, and it can cause lung problems as well. The health risks include lung cancer, inhibits short term memory and slows reaction time, and impairs visual tracking (the ability to follow moving objects accurately). Marijuana also speeds a person's heartbeat as much as 50%, increasing the risk of heart disease. Researchers found that users' risk for a heart attack is four times higher within the first hour after smoking marijuana, compared to their general risk of heart attack when not smoking. Marijuana is known as a gateway drug which leads to other stronger, harmful drugs such as heroin, cocaine, and other illegal drugs.

Guidance News

An important message from Mr. James and Mrs. Cooter, AMS Guidance Counselors:

Cheating: Here, There, Everywhere

When it comes to cheating, we've all heard the same old songs:

- "It's only cheating if you do it on a test."
- "Our teacher doesn't seem to care or notice, so it's okay to cheat."
- "I'm only cheating this one time because I didn't have a chance to study."

"Everybody's doing it, so it's alright for me to do it, too!"

Being a student means being exposed to all sorts of cheating situations, and deciding what's right and what's wrong can be pretty confusing. Even if you're super-serious about school, it's normal to find yourself tempted to cheat, especially when you're under a lot of pressure. It's also common to think that since so many other students are cheating, it's really not a big deal…especially if nobody gets caught.

But no matter what you've heard or what excuses you can come up with, cheating **IS** a big deal. It can make mega-trouble for you not just in school, but also with your family, friends, and, sometimes most importantly, yourself.

"No, to Alcohol, Drinking and Drugs"

~

Volunteer Opportunity

Teen Volunteer Program (Lynchburg General Hospital) - Students must be 14 years old by January 1 of this year to participate. For more information, please call Anita Lowe, Teen Coordinator at (434) 947-3228.

~

Mr. James and Mrs. Cooter are very proud of all the students for their participation in Red Ribbon Week from October 24-28. Your pledge to say "No to Alcohol, Drinking and Drugs" is very commendable. Thank you for your support in wearing the crazy socks, all the **red** apparel, the sun glasses and the team jerseys. A special thank you is extended to the SCA officers, representatives, sponsors, and principals for their contributions in making the campaign such a huge success.

HAPPY VETERANS DAY

The Appomattox Middle School Student Council and student body would like to honor our veterans by inviting them to a free luncheon on Thursday, November 10, 2011, beginning at 12:00 p.m. in the AMS library. We want to say **THANK YOU** for your service to our country! The menu will be as follows: meat loaf, mashed potatoes, green beans, roll, fruit cobbler and an assortment of beverages. Please **RSVP** by returning a form that is provided by the students' homeroom teacher no later than Monday, November 7 to make your reservation.

We Thank You!

Technology Know-How

Have you heard? Appomattox Middle School is leading the way in applying renewable energy sources to our basic transportation needs. Mr. Sullivan's Technology Classes in conjunction with the 6th grade science classes have been learning about renewable and nonrenewable energy sources and what it takes to get that energy to do work.

The 6th grade students built simple machines and cars that used photovoltaic cells to harvest the suns energy, which generated electricity to power their machines.

Would you like to learn about renewable and nonrenewable energy sources?

Anti-Bullying Contest

The Anti-Bullying Contest began Friday October 21, 2011. Each Raider Room was asked to design a poster with an anti-bullying theme for Appomattox County Public Schools. The winning poster design will be used for the new refrigerator magnet for the Appomattox County Public School system. The deadline was Friday, November 4th.

The anti-bullying rules and the new hotline phone number must be on the design and are as follows:

Rule #1 -Raiders will not bully others.

Rule #2 - Raiders will help students who are bullied.

Rule #3 - Raiders will include students who are left out.

Rule #4 - Raiders will tell an adult at school or home if they know someone is being bullied.

The new hotline phone# **434-352-2071** must be on the design.

Jim and Liz Baker visit AMS

Advanced eighth grade English students had a unique opportunity to gain insight into the realities behind George Orwell's *Animal Farm*. After completing a unit, reading the novel, students conducted research on the key historical characters portrayed in the story. Links between were the novel and the rise of communism in Russia were noted, particularly as it impacted European and American history.

Jim and Liz Baker, who recently moved to the area after being long-term residents of Kiev, Ukraine, visited Appomattox Middle School to further enhance the students' exploration of the novel and history. Drawing on their first-hand experience of life in a post-Soviet society, they introduced students to the catastrophic results of the Stalin regime. Students also learned about aspects of the culture that was once known as the Bread Basket of the Soviet Union. Students sampled *blinis* (Russian pancakes), examined Soviet propaganda posters, watched a short video about the *holodomor* (forced famine) of 1933, deciphered Soviet news headlines, explored artifacts of everyday peasant, farm life, and wrote their names in the Cyrillic alphabet (Russian alphabet). Their presentation brought to life the period of history that inspired the writing of this novel.

The 2nd Annual Tennis/Baseball Game @ AMS

THE TEACHERS WON 19-5

The SCA held it's annual tennis/ baseball game on Wednesday, October 26th. It was a gorgeous day to be outside. The students and staff were excited to be able to put the books down and pick up a tennis racket for a day of fun and sun.

ACHS Raiders Rock

With the first nine weeks coming to a close, ACHS has had a very successful beginning.

Our staff and students work hard every day in both academics and after-school events. We should all be very proud of the many accomplishments!!

We are still working on more consistency of rules and maintaining high expectations!

Our students are reminded every day by our staff and by the many posters—Be Punctual, Be Prepared, Be Respectful, and Be of Good Character.

The new ACHS Administrative Team 2011-2012
Mrs. Eagle, Mr. Moreno and Mr. Harper

There is nothing more inspiring than to see our students achieving and working hard each day, despite some challenges, despite personal attitudes, despite varied opinions—they do well because of their character. They shine and show true Raider Spirit!

We look forward to the rest of the year as our students make us proud each and every day!!

Senior News - Class of 2012

There are currently 148 seniors. 14 seniors have already been offered admission to a college or university. 43 applications have been processed so far. Robyn Oliveri is representing Appomattox County High School in the DAR Good Citizens Scholarship competition. Katie Wingfield was selected as the Bank of the James- Ronald V. Dolan Citizenship Award recipient for Appomattox County High School.

Selected senior leaders joined Mrs. Eagle and senior sponsors for a working lunch at Pino's on Friday, October 21, 2011. Students shared their plans for the future and discussed graduation and the senior class trip over pizza and pasta. A good time was had by all!

ACHS FFA Making Strides

Dr. Joe Tritschler from Virginia State visited Mr. McCann's small animal care class, trained and certified the students in FAMACHA parasite management for small ruminants.

The FFA chapter has been making great progress this fall in developing premier leadership, personal growth and career success in all 126 FFA members. This year's chapter officers are as follows President- Will Lewis, Vice President- Caleb Baker, Secretary- Jalen Thomas, Treasurer- Rob Thomas, Reporter- Cory Hodges, Sentinel- Tyler Wallen, and Student Advisor- Will Gaulden. The officer team had a summer officer retreat and planned out many exciting activities for the school year. Afterwards, they attended the Southside Area COLT (Chapter Officer Leadership Training).

Many FFA members participated in at least one event at the State Fair of Virginia. Mrs. Metts coached the Junior Foresters team. Team members Cory Hodges, Caleb Baker, Sidney Braswell and Rob Thomas placed 10th in the state. The same team competed at the HUB Federation Forestry Judging Contest at Liberty High School and placed 2nd.

Seven members represented ACHS in the Forestry Field Day timbersports contest at the state fair. Terrell Franklin competed in the bowsaw contest. Justin Pickrel did well in the water backpack accuracy contest. Rob Thomas and Tyler Wallen did the two-man cross-cut saw event. William Lewis and Cory Hodges participated in the log rolling event. Clayton Mosley entered into the pulpwood toss. The team placed 8th in the state.

Tristan Phelps, Tyler Wallen, Caleb Baker, Mallory Baldwin, Jessica Shumaker, Jalen Thomas, Jo Davis and Dylan Garrett were on the State Fair Livestock Show Team. They did well at the state fair sheep show. Mallory Baldwin was grand champion in the costume contest. Tyler Wallen was the reserve grand champion in the costume contest.

Several FFA members recently returned from the National FFA Convention in Indianapolis, Indiana. The FFA chapter was crowned a 2-star National Chapter for their excellent program of activities. They were recognized on stage before 55,000 FFA members from across the nation.

The FFA chapter has started their annual citrus fruit fundraiser. Interested FFA members should see an agriculture teacher for sale slips. Our fruit is delivered to us from family farms in Florida. Prizes are available for outstanding salesmen.

There are several key dates that all parents of FFA members should be aware of:

Success doesn't come to you, you go to it.— Marva Collins

Senior T-Shirts

Mrs. Wilhoit is taking orders for senior t-shirts. All seniors that would like a senior t-shirt, please come to room 302 to see Mrs. Wilhoit. Come during class or after school. A sample t-shirt will be available to look at. T-shirts will be $15. You can order the t-shirts until Friday, November 4.

Important FFA Dates:

November 1 –First Small Engine and Tractor Troubleshooting Practice, 3:30-5:00

November 14 – Citrus Fruit Orders DUE

November 16 – Chapter FFA Meeting, 3:30-5:30

December 6-8 – Citrus Fruit Handout, 3:30-6:30

December 14 – Chapter FFA Meeting, 3:30-5:30

January 26 – Central Virginia Livestock Show Interest Meeting, 3:30-4:30

ACHS Website

http://www.appomattox.k12.va.us/highschool

Please check out our website on a daily basis for daily announcements, sports information, and so much more!

We thank Mrs. Ceil Fahrman for keeping this page up-to-date!!

Good Character:

Respect,

Responsibility

and Doing the Right Thing.

After-School Activity Supervision: Students need to be with a teacher, coach or sponsor for all after-school activities or in Room 114 until the sponsor arrives. Students should not be in the halls, locker rooms, or classrooms without adult supervision.

"There are no secrets to success. It is the result of preparation, hard work, and learning from failure."

Former Secretary of State, Colin Powell

FBLA/DECA Fall Social

FBLA and DECA had a social last Thursday. We went to Lynchburg putt-putt and out to eat. Everyone enjoyed the event!

Business students sold donuts and the Business Department would like to say thank you to all parents and students. The money will help pay for FBLA meetings, Christmas Children and Project ASK. This project benefits children with cancer. Once again thanks for your help.

Texting Simulator Assembly—ACHS

Driver distraction is one of the leading causes of motor vehicle accidents. One of the fastest growing and most problematic of driver distractions is text messaging. In a recent study involving a driving simulator, teens using text messaging devices and MP3 players made alarming changes in speed, weaved between lanes and ran over virtual pedestrians. Today's average teen sends 2,899 texts per month according to a recently published Nielsen Study.

ACHS students learned the dangers of texting and driving, the possible consequences of their actions, and how to make the right choice. All students viewed a realistic video and a majority of the10th graders experienced the texting simulator program.

ACHS 10th grade student in the texting simulator.

School Calendar Reminders

Thur., Nov. 3 - Picture Make-Up Day
Fri., Nov. 11— Holiday—Veteran's Day
Wed., Nov. 23—1:15 Early Dismissal
Thurs., Nov. 24 and Fri., Nov. 25—Thanksgiving Holiday
Mon., Dec. 19—Mon., Jan. 2—Christmas Break
Wed., Jan. 4—Wed., Jan. 11—SOL Testing
Thurs., Jan. 12 and Fri., Jan. 13—1:15 Early Dismissal—Exam Days
Mon., Jan. 16—Holiday—Martin Luther King Day
Tues., Jan. 17 and Wed., Jan. 18—No School—Teacher Work Days
Wed., Jan. 19—Tentative start for second semester

Swipe Attendance Process:

Great job on this process so far! All students, including CVCC students, are expected to Swipe upon entry and exit of CVCC or ACHS each morning and prior to 3:15. We thank you for your diligence!

After Prom Committee

The 2012 After Prom Committee is seeking volunteers to help with planning the May 2012 event. Any student, faculty, or parent of students in grades 9-12 are welcome to join the team. The committee has met to organize and held their first fundraiser with a stew at the last football game. Thanks goes to Stacey Jones and Gus Paulette for organizing the evening. If you have any further questions, please contact the ACHS Main Office to put your name on the list! We appreciate you!!

Dress Code Reminders:

Students need to be dressed appropriately for school each day. Holes, baggy pants, and cleavage are the main concerns. Please read the policy and know what is expected!!!

ACHS Main Office—352-7146

RAIDERS

Bus Safety – Tips for Keeping our Children Safe

Many children rely on a school bus as their means of transport, roughly 25 million nationwide according to the National Safety Council (NSC). In Appomattox County, nearly 1500 students or 68% use our school buses as their primary means of transportation to/from school. While a large number indeed, the U.S. Department of Transportation estimates that more than twice as many students walk to school and nearly four times as many are driven there by private auto.

Regardless of the transport mode, there are important concerns regarding the safety of these children. Take for example school bus riders. Although school bus travel is considered a safer option than driving in an automobile, the National Highway Safety Administration has calculated that in an average year, 19 school-age children will die in school transportation-related accidents. Ironically, nearly three-quarters of these fatalities will involve students as pedestrians during loading or unloading activities. Moreover, young children, between the ages of 5 and 7, are disproportionately represented as these casualties. This age group is particularly at risk as they have not developed the skills and experience to judge speed and distance.

Children deserve a safe environment in which to learn and grow. It is truly tragic when any child is denied this opportunity due to an avoidable incident. Whether as a parent, school employee or passing motorist, let's do our fair share to ensure the well-being of our future.

To make the world a friendly place, one must show it a friendly face.

James Whitcomb Riley,

American Poet

Superintendent's Message

Dear Staff,

The glorious golds and ruby reds of fall surround us as the season changes. The crisp morning air signals the heralding of holidays and spending more time by the fireside as temperatures drop. We are in our tenth week of the 2011-12 school year and look forward to parent teacher conferences on October 31.

Schools are busy with many wonderful activities as you can see from this edition. Students and staff are hard at work in our Professional Learning Communities (PLC). Working collaboratively in a collective effort to meet the needs of each student is critical in our PLCs. The collaborative team is the driving force to create continuous improvement.

When our PLC teams set and share goals to work on that are applicable in our own classrooms, we build collective capacity and positively impact our students' achievement. Common planning is a time to clarify what we want students to learn, to jointly plan instruction, to track student progress through common assessments, and to address problems with a plan of action.

PLC teamwork is not a quick task as it takes trust between members and seeks to build the collective capacity of the entire team. Sharing individual successes is the easy part of being a team member, but sharing individual challenges and difficulties is the stepping-out-on-the-limb part of PLCs. PLC collaborative teams require trust, commitment, and a desire to problem solve together and support each other.

We cannot achieve our quest of educating our 2,200 students in isolation. Our duty requires that we work together for our children to enable them to be highly academically successful. It is not enough to co-labor, but we must collaborate on the right work, the work that we have agreed upon in our PLCs.

Thank you for being part of the Professional Learning Community (PLC) team in ACPS. From those who transport, feed, and coach to those who teach, counsel, nurse, discipline, and clean up after our students, thank you for working together. Our students need our collective commitment and desire to succeed. As this quote tells us, we become powerful as we work as a team:

"Individually, we are one drop. Together, we are an ocean." (Ryunosuke Satoro)

Sincerely,

Dorinda G. Grasty, Ed. D.
Division Superintendent

November School Board Meetings:

November 10 – 5:30 p.m. Interim Meeting - SBO

November 21 – 5:30 p.m. Regular Meeting - SBO

Human Resources

Bruce McMillan, Director

Recertification Reminder – Anyone whose license expires in June of 2012 should be working toward getting the180 recertification points. I sent a detailed email and attachment a few weeks ago to anyone who, according to our records, is due for license renewal this June (2012). Don't forget the Technology Requirement. Once you have met all requirements, you can start meeting with your principal in January. Please email me if you have questions. For those who renew in June 2013 (or even 2014), it's not too early to get started!! Best not to wait until the last minute if you can avoid it.

Health and Dental Insurance – If anyone has questions about their health insurance or dental insurance, please contact PCHP or Delta Dental directly by using the toll free numbers on the back of your cards. Please, also, feel free to contact Tracy Johnson if you have questions related to your insurance.

Teacher Evaluation Update – On April 28, 2011, the Board of Education approved the revised documents, *Guidelines for Uniform Performance Standards and Evaluation Criteria for Teachers* and the *Virginia Standards for the Professional Practice of Teachers*. The guidelines and standards will become effective on July 1, 2012. Therefore, all school divisions in the state are now required to create new teacher evaluation documents to match the new standards. These new evaluation forms must be implemented for the 2012 – 2013 school year. Please click on the link below to view the entire Supts. Memo which provides more details -

http://www.doe.virginia.gov/administrators/superintendents_memos/2011/136-11.shtml

VDOE is providing significant "guidance" related to the process and forms. As we find out more, we will pass it along.

Business

Steve Edwards, Director of Business and Operations

APS Construction Notes: The renovation/addition process at Appomattox Primary School is moving along on schedule, despite the recent rains. By the time this article is published, the under slab utility work and slab work for the classroom, multi-purpose room, and admin/ guidance wings will be complete with load-bearing wall construction under way. This is great news as the contractor hopes to have these areas under roof before the harsh winter weather arrives. The even better news is that the project is presently at or under budget in all phases.

ACHS Concourse Roof: We found ourselves with some remaining federal stimulus dollars that had to be spent on capital improvements before the end of September and were able to complete a much needed re-roofing of the concourse roof at the high school. The roof that was replaced was the original roof from the 1974 construction, and one of the last two portions to be re-roofed since that time.

Budget Process: This year, the state legislature begins a new biennium budget process that will go on well into April. This means we will NOT know a final budget until late April, at the earliest. The complete budget timeline for the government's process is below. Internally, we will be working on numerous budget projections and will adjust those as time passes and the information coming out of Richmond changes.

The current budget picture presents a slightly positive revenue picture than in recent years from the state, but more bleak numbers from the federal government, and numerous pressing demands for that revenue including VRS repayments.

We are putting together our schedule of public hearings on the budget for ACPS and will keep you posted as we learn more. Should you have questions, please do not hesitate to email or call me.

The budget process timeline is:

November – December	Governor and Cabinet Review
December 19th	Governor's Proposed Budget Sent to Virginia Senate
January	Budget Bills Sent to Money Committees
February	Senate & House Produce Separate Budget Bills
March	Conference Committee Reports Bill(s)/General Assembly Approves
April	Governor Signs/Vetoes or Returns to General Assembly with Amendments – six weeks after General Assembly Approval

Cafeteria Corner

Niki Kempton, Food Service Coordinator

Appomattox Recycles!!! Recycling at each school location is collected on Wednesdays. Anything, from regular paper, colored paper, construction paper, magazines, to flat cardboard is accepted. The only thing we are asked to keep separate is corrugated cardboard. If you would like a gray collection bin in your classroom/office, please email nakempton@appomattox.k12.va.us.

Cafeteria News - What items would you like to see on the menu in our cafeterias this winter? Comfort Foods? Soups? Homemade Pizza? Seafood?

We will be releasing a division wide survey in mid-November for students and staff to choose the yummiest items they would like to see on the menu for December. We will then create a December menu from the items with the highest number of votes. It's your choice!

AMS News

Advanced English

Advanced eighth grade English students had a unique opportunity to gain insight into the realities behind George Orwell's *Animal Farm.* After reading the novel, students conducted research on the key historical characters portrayed in the story. Links between the novel and the rise of

communism in Russia were noted, particularly as it impacted European and American history.

Jim and Liz Baker, who recently moved to the area after being long-term residents of Kiev, Ukraine, visited Appomattox Middle School to further enhance the students' exploration of the novel and history. Drawing on their first-hand experience of life in a post-Soviet society, they introduced students to the catastrophic results of the Stalin regime. Students also learned about aspects of the culture that was once known as the Bread Basket of the Soviet Union. Students sampled *blinis* (Russian pancakes), examined Soviet propaganda posters, watched a short video about the *holodomor* (forced famine) of 1933, deciphered Soviet news headlines, explored artifacts of everyday peasant farm life, and wrote their names in the Cyrillic alphabet (Russian alphabet). Their presentation brought to life the period of history that inspired the writing of this novel.

Red Ribbon Week

During the last week of October, AMS is celebrating Red Ribbon Week--a time that brings millions of people together to raise awareness of drug and alcohol prevention. AMS rallied and wore red ribbons, symbolizing a healthy, drug-free lifestyle. Each day of the week was celebrated with a different theme:

Monday: Red Ribbons distributed and pledge cards signed
Tuesday: Crazy Sock Day - symbolizing the socking away of drugs
Wednesday: Wear Red Day - homerooms with the highest percent of participation won prizes
Thursday: Too Cool Day - students wore sunglasses to symbolize they are too cool for drugs
Friday: Team Up Against Drugs Day - students wore Raider or other sports jerseys

APS News

Book Donation

The United Daughters of the Confederacy, Appomattox Chapter, recently donated books pertaining to the Civil War to each ACPS Library. Pictured here are Ms. Judy Johnson, APS Librarian, and Peyton Garrett, APS kindergartner, accepting the book donated to the Appomattox Primary School Library. Our thanks to The United Daughters of the Confederacy Appomattox Chapter.

Online Art Museum

Appomattox Primary School has joined Artsonia, the largest online student art museum. Parents give permission to the art teacher and Artsonia to include their student's artwork in the school's online gallery. Student safety is protected and parents can approve comments to be posted to the child's artwork. Families and friends can be sent online invitations to view student artwork and parents get emails when new student work is posted. At APS, we have almost 500 artists and 1500 works online so far this school year. The students are so excited to have their art online and to share with family and friends. Please visit Appomattox Primary at Artsonia.com to see our amazing art.

Construction at APS is Well Underway!

Please take the opportunity to see the buildings going up little by little. The students and staff are very excited about the progress and look forward to the new facility.

Transportation
Matt Lair, Supervisor

Making Daylight Savings Time Safe for Kids

As autumn turns toward winter, we know the days are growing shorter. When we change our clocks from Daylight Savings Time back to Standard Time at 2:00 a.m. on November 6, 2011, it will be dark even earlier. But what we may not realize is this also means more children will be traveling to and from school in the dark, which puts them at greater risk of injuries from traffic crashes. Over half of all fatal pedestrian crashes and over one fourth of fatal bicycle crashes involving school age children (ages 5 through 18) occur in low light or dark conditions.

There are many things you can do to help your students, or the kids in your neighborhood, get to school each morning and reach home safely at the end of the day. First, you can help them learn and practice this important safety rule: *Be Seen To Be Safe*. Let kids know that during the day and at dawn and dusk, they should wear bright or fluorescent clothing. These colors (day-glo green, hot pink, or construction worker orange) amplify light and help the wearer stand out in a crowd. However, at night, these colors appear to be black, so kids should carry a flashlight and/or wear retro-reflective gear that reflects light back to its source so motorists can see them. A motorist will quickly detect a child walking with a lit flashlight, or riding a bike with an attached headlight and flashing taillight. When combined with retro-reflective gear or strips of retro-reflective tape on their jacket, shoes, cap, helmet, or backpack, a child's odds of being seen are greatly improved. The sooner motorists are alerted to something - like a child - moving up ahead, the sooner they can react.

Second, you can help kids remember to "stop, look left-right-left, and listen" before stepping off the curb, even where there is a traffic signal.

Third, you can remind kids to avoid "jaywalking" and crossing from between parked vehicles. Crosswalks are safer and more visible, especially after dark.

Motorists can also help by paying special attention to safe driving rules in low-light conditions. You must be alert if you are on the road after dark. Watch carefully for children who may be walking or riding their bikes. Always drive at a safe speed, especially on unlit or winding roads or when using low beams. Never pass a stopped school bus with its stop arm extended and red lights flashing.

To help increase your ability to see at night, be sure to take off your sunglasses at dusk. Wipe off your headlights regularly, and keep your windshield clean, both inside and out. Adjust the rearview mirror to the "night" setting to avoid headlight glare. If you need to use your high beams on an unlit road, be sure to turn them off when another car approaches.

Remedial and Special Education
Beth Haught, Director

Annual Title 1 / Special Education Parent Meeting

On October 17 at 7:00 pm, several parents and students joined 14 teachers at the Annual Title 1/ Special Education Parent Meeting held at AES. Special Education and Title 1 Reading teachers presented information about their individual programs to the enthusiastic group. Take-home materials were provided for parents following a brief question and answer period and parents were encouraged to contact teachers throughout the year for additional information.

Special Education / Remedial Education / Title 1 Advisory Committee Meeting

The initial meeting for the 2011-12 Special Ed/Remedial Ed/Title 1 Advisory Committee was held Wednesday, October 26 at the School Board Office. This committee meets four times per year and is made up of parents, community members, and staff who are interested in improving educational services for special education and remedial students in our division. Topics including transition needs, Special Education and Title 1 regulations, Special Olympics, staffing needs, and mentoring opportunities were discussed. Committee meetings are open to the public and any interested parties are invited to attend.

Curriculum and Instruction
Annette Bennett, Director

K- 12 Literacy Committee Focus for 2011-12

The K-12 Literacy Committee has met to determine its focus areas for the school year. Based on teacher input and SOL results, the committee has decided to focus on three areas: Grammar Instruction, Vocabulary Strategies, and Domain Scoring training for all Writing teachers.

To generate and accomplish these goals, each committee member volunteered to serve on a subcommittee for one of these three areas:

Grammar	Vocabulary	Writing
Crystal Allie	Heather Thompson	Janet Jackson
Brenda Peck	Susan Williams	Julie Bloomfield
Lara Peterson	Alison Paulette	Katie McCann
Judy Johnson	Charlotte Land	Kelly Hall
Kim Gregory		

If you have ideas or input, please see one of the committee members in your school. Thanks to these teachers for the work they will be doing for our division this year.

Sports

Brad Harper, Athletic Director

Congratulations to Jake Perkins and the Appomattox County Raiders Golf Team

Jake Perkins was crowned the VHSL Group A State Individual Golf Champion during the two day tournament October 10th and 11th in Harrisonburg. Jake's two day total was 9 under par for a total of 131. He is the first golf state champion in Appomattox County High School history. Jake also won the Region B Golfer of the Year by shooting the low round of the Region B Tournament that was held at Falling River Country Club on October 3rd.

The Raider Golf Team claimed the Region B Tournament Championship and finished 4th in the VHSL Group A State Tournament. The members of the team included: Jake Perkins, Tyler Carrico, Graham Comeau, Zach Perkins, Chandler Harvey, and Dylan Slayton. Way to go Raiders!

Appomattox Scholastic Sports Hall of Fame 2011

Appomattox County High School is proud to announce the 2011 Appomattox Scholastic Sports Hall of Fame inductees: **Rebecca Almond, Ed Cawthorne, Sam Ferguson, Melanie Hudson Glover, G. H. Jamerson, Raschad Kelso, David Read, and Terry Woods.**

These individuals will be inducted into the Hall of Fame at halftime of the varsity football game on October 28th, 2011. The game begins at 7 pm, with a reception for the inductees, their families, and all current Hall of Fame members taking place in the ACHS cafeteria at 6 p.m.

Just a quick reminder, if you ordered an athletic pass for the 2011-12 school year you can pick your pass up at the gate of any home athletic event at ACHS. If you are interested in ordering a pass please come by or call the main office at 434 352-7146.

The Appomattox County High School Athletic Department is currently selling Raider athletic apparel and stadium blankets. If you are interested, please pick up an order form at any home athletic contest or from the high school office. Orders must be placed by November 8th.

The Raider Athletic Department is also offering a wide variety of sponsorship opportunities for the 2011-12 school year and beyond. If you know of any business that would like to help support Raider Athletics, please call Brad Harper at 434 352-7146.

Winter sports begin on November 7, 2011. If you are interested in trying out for a winter activity you must have a completed physical on file. Please contact Brad Harper, Assistant Principal/AD if you have any questions.

Cave Art at Appomattox Elementary School!!!

By: Karen Therkildsen and Lauren Scott

There are certain units in art that take a life of their own and just GROW! Cave art is one of them. We decided to make this a 3rd-5th grade theme. Displaying children's work is so important to us so this had to be BIG! How were we going to achieve this? Recreating a cave similar to the Lascaux Caves in France filled with all the student's work, of course! We wanted them to fully understand the importance of those early cave paintings as the first ever examples of art in history.

We first began by looking at actual prints of paintings from Lascaux taking a 3D virtual tour and looking at the subject matter chosen by the cave people. After that, the students couldn't wait to start drawing and painting their own images of animals. They began by taking brown paper and crumbling it to create a rough rock like texture. After discussing the paintings from the Cave of Lascaux, students discovered that pictures are more than pretty colors and representations of things we recognize: students began to understand that art is a way of communicating beliefs and ideas.

We discussed how cave men made art supplies and tools and lived off the land. Students used earth toned paint and chalk to bring their animals to life!

With all the kids' paintings, a large cave was created covering the walls in a classroom. Upon completion, all of the classes used flashlights and took a tour through the cave. The students had a GREAT time looking for their work and talking about the cave they helped to create!!!!

2nd Annual AES Watch D.O.G.S. Kick-off a SUCCESS!

On Tuesday, September 27 more than 160 dads, grandpas, uncles, positive male role models and students filled the AES cafeteria! After a delicious pizza dinner the positive male role models were introduced to the Watch D.O.G.S program. Watch D.O.G.S. stands for **D**ads **O**f **G**reat **S**tudents. The program's mission is to increase the male presence in the public schools to offer support, security, and success.

A special thanks to all the dads and positive male role models who attended this event. Additionally, without the help of the following people, the event would have not been such a success: Katie McCann, Brandy Wells, Beth Jamerson, Leigh Ann & Brandon Gregory, Brenda Johnson, Karen Cyrus, Debbie Hix, Tom Yarber, Elizabeth Duncan, Rebecca Deike, AES Custodial Staff, AES Cafeteria Staff, Bob Williams, Bob Poole, Jennifer Carson, Matt Meers, and Little Caesars! Your support for this event was greatly appreciated!

ACHS NEWS

FFA Members Trained in FAMACHA

In an effort to continue providing an educated agricultural workforce, several FFA members were recently certified in FAMACHA parasite management training. Dr. Joe Tritschler, Virginia State University's Sheep and Goat Specialist, spoke to the FFA members about parasite management in sheep and goats. He discussed the importance of rotating anthelmintic control measures in order to reduce parasite resistance. Each student checked sheep and goats for anemia using the FAMACHA training method. The FAMACHA nematode monitoring system was developed in South Africa. Each of the students in Ed McCann's Small Animal Care course were certified: Justin Harnett, Dustin Woodall, Kesha'an Wesley, Tyler Price, Blake Stanley, Brandon Stanley, Michael Keeling, Tyler Archer, Devin Carter and William Horton.

Aim High For Success

ACHS students in ***Project Graduation*** were challenged by Mr. Gardner and Ms. Jones to think about their personal goals for the upcoming year. Using colorful balloons, they proudly released their goals of success into the air. As they watched the balloons travel in different directions, they were reminded that they must continue to aim HIGH for success, in and outside of the classroom!

"We are assuming collective responsibility for your learning, Kenny, not ganging up on you."

Appomattox County Education Foundation Scholarship Program

The Appomattox County Education Foundation, Inc. was established in 1988 by local officials and businessmen in the community for the sole purpose of providing college scholarships to deserving graduates of Appomattox County High School. During the past 22 years 63 scholarships totaling $31,500.00 have been awarded to ACHS graduates. Employees of Appomattox County Public Schools have generously contributed to this scholarship fund through payroll deduction since the foundation was established. Payroll deduction can be processed at a minimum monthly contribution of $1.00 and forms are available by contacting Mitzi Letterman at mbletterman@appomattox.k12.va.us

Public Comment Invited on 2012-2013 School Budget

The Appomattox County School Board will hold a public comment session on Monday, November 21, 2011 at 5:30 PM in the School Administration Building. The purpose of the session will be to solicit comments from the public prior to development of the 2012-2013 school budget.

Individuals and organizations with suggestions for the 2012-2013 school budget are encouraged to speak at the meeting. It is not necessary for speakers to request placement on the agenda for this portion of the School Board meeting.

This initial meeting will allow the School Board to hear suggestions prior to development of the school budget. The budget development time line calls for the School Board to hold a public hearing on the School Board Budget at its February 2012 meeting. The specific date for that meeting will be set when the Board adopts its 2012 calendar in January.

For further information, contact the superintendent at 434-352-8251.

* Upcoming Important Dates *

October 31	Parent/Teacher Conference Day
November 11	Veteran's Day – Student/Staff Holiday
November 14 - 18	American Education Week
November 23	Early Dismissal 1:00
November 24-25	Thanksgiving Holiday
December 16	Last Day Before Winter Break
December 19 - Jan 2	Winter Break

Blocked Pages

A blocked page looks like this:

Submit site for review:

When you reach a blocked page (left image above) that needs to be reviewed and unblocked, click the first blue link on the blocked page that reads "Submit a site review request." That will bring up the "Request site review screen" (right image above) where you should type your email address in the first box and a comment in the comment box (not required) and click Submit. This sends an email to the Technology Department with the exact link you would like reviewed and unblocked. When the site has been reviewed and a decision has been made, you will receive an email from the Technology Department regarding the site.

If you click a link and the screen displays all white, that's not actually a blocked page. It could be a page that is experiencing issues, is old and not functional, etc. Blocked pages always have the red STOP sign on them. Pages like http://www.facebook.com are blocked at the division level for everyone and those pages display differently.

BAND INSTRUMENTS NEEDED FOR OUR STUDENTS

By Bryan Allgood

In today's economy, many individuals are faced with the inevitable hardship of living in a recession. As Band Director of Appomattox County Schools, I see these hardships every day in the eyes of certain students who come to me with a sad face saying, "I really want to be in band but mom and dad can't afford an expensive instrument. What can you do?" The unfortunate reality is that I cannot do a lot without the help of our local community. The wonderful administration and Band Boosters in Appomattox County Schools suggested we ask the community to donate old instruments. If anyone in the community has an old instrument lying in their attic or basement, not being used, please donate it to the Appomattox County Schools Band Program. Feel free to drop the instrument off in the office of Appomattox Middle or High School, or contact me at bmallgood@appomattox.k12.va.us.

Primary School Construction Update

New Main Entrance

Admin. & Clinic/Guidance Wings

Slab Preparation for New Classrooms

Construction continues to move along well even with the rains that occurred during the month of October. The construction is on schedule for the connection of the new additions in June of 2012. The students, parents, staff, and faculty appear to have settled in to the routine of having construction going around throughout their day and carrying on their normal activities day.

The first picture to the left is the structural steel that will support the new primary entrance in to the school. This will provide enhanced security as all visitors to the school must come through this entrance and are clearly visible to the administrative area. Access into the building from this main entrance will only be allowed once a visitor has been cleared through the Administrative Office.

A canopy will cover the students from their exit of the building to the parental drop-off/pick-up area. This will be a significant improvement over the previous arrangement where the parents had to come inside the building to pick-up students at the end of the day.

The second picture shows the walls of the administrative wing (to the left of the main entrance) and the wing to the right of the main entrance which will house the clinic, guidance, restrooms, and the teacher workroom.

The third picture shows the foundation slab being prepared for the classroom addition. The plumbing and electrical piping under the slab is in place and by the time of this writing, the slab should be in place.

Bids have been received for Phase 4 of the project and the project overall is under budget. The PPEA Committee will be considering a number of the finish materials available that were in the Phase 4 bid package on October 27th. Once the Committee finalizes its selections, a financial report will be provided to the Committee.

Congratulations!! Employees of the Month October 2011

APS - Valerie York, Jennifer Mott

AES - Dana Hamlett

AMS - Michael Sullivan

ACHS - Tori Rothgeb

(September) Jay Ranson was omitted last month.

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, November 10, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty. Mrs. Stacy C. Garrett was not in attendance.

CALL TO ORDER

Mr. Waddell, Vice-Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

There being no requests for changes or additions to the agenda, the Vice-Chairman accepted the agenda as presented.

SUPERINTENDENT'S REPORT

Discussion of Composite Index of Local Ability-to-Pay for 2012-2014 Biennium

Dr. Grasty provided a copy of Superintendent's Memo #306-11, dated November 8, 2011, concerning Composite Index of Local Ability-to-Pay for the 2012-2014 Biennium. (See Attachment # 1) The document indicated an increase in financial responsibility for our local governing body from .2732 to .2945. The superintendent noted when the locality is required to pay more, the amount provided by the state is decreased. Mr. Stephen O. Edwards, Director of Business and Operations, stated he had contacted the Virginia Department of Education to determine if there are steps the locality can take to challenge this requirement and noted he was awaiting their response. He also indicated he would have the actual dollar amount calculated to present to the Board at the November 21, 2011 meeting. Dr. Grasty stated this information had been shared at the Joint Board Chairs Meeting earlier in the day.

Old County Library Update

Dr. Grasty reported Mr. Sam Vance, with Overbey, Hawkins, and Wright, had been conducting a title search concerning the Old County Library. Mr. Vance had tentatively indicated his research shows the property belongs to the school

division including the parking lot area. Dr. Grasty noted she was awaiting the official paperwork from Mr. Vance and indicated it would be shared with the Board upon receipt. The superintendent stated this information had also been shared at the Joint Board Chairs Meeting earlier in the day. County personnel asked that we let them know if we want to keep the building and voiced concerns regarding the impact to our budget if we retain the facility. They also indicated they have no funds to provide the improvements needed to the building. Dr. Grasty stated Mr. Timmy Garrett, Maintenance Supervisor, has been cleaning and painting the inside of the building. Mr. Garrett indicated the side porch closest to the Agriculture Building needs to be replaced, a problem exists with the gutters, some minor mortar replacement is needed, the front porch has separated from the building and needs to be reworked, and the safety of the chimney is of concern. A structural engineer will be looking at the Old County Library on November 14, 2011 to access the safety of the building and provide an estimate of the cost for repairs. The superintendent noted should the Board decide to keep the building it could be put to good use for meetings and training sessions for adults, as well as a location for in-school homebound students. Following discussion, it was the consensus of the Board to retain the building, if possible, should it be deemed safe and affordable pending receipt of the final title search documentation from Mr. Vance.

ACTION ITEMS

Consideration of Payment of ARRA

It was moved by Mrs. Martin and seconded by Rev. Williams to approve the payment of ARRA bills as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 2)

Consideration of Request from Appomattox Soccer Association to Waive Facility Use Fees

A lengthy discussion of school facility use resulted in the following:

1. Mr. Smith requested a list of all school activities involving our facilities as well as a list of all outside activities with a summary of the impact upon our school budget.

2. Rev. Williams was in favor of waiving field use fees and charging the actual costs to the groups requesting to use school facilities.

3. Mr. Edwards was requested to revise our current facility use policy to incorporate suggested modifications and have the revised policy in place by January 1, 2012.

Following the discussion, it was moved by Rev. Williams and seconded by Mrs. Martin to charge the Appomattox Soccer Association $50.00 for use of electricity and lighting at Appomattox Middle School for the period November 7 – 17, 2011. By unanimous voice vote, the motion was approved.

Consideration of Changing Time of November 21, 2011 School Board Meeting

It was moved by Rev. Williams and seconded by Mr. Smith to change the time of the November 21, 2011 School Board Meeting from 5:30 p.m. to 5:00 p.m. to allow a thirty minute closed session prior to the regular monthly business meeting scheduled to begin at 5:30 p.m. By unanimous voice vote, the motion was approved.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employees #10233 and #10784.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended.

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended.

Mrs. Martin seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The vice-chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mrs. Martin, unanimously approved, and recorded by roll call vote. (See Attachment # 3)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

Tammy L. Canter – Full-Time Food Service – Appomattox County High School – Effective: November 12, 2011.

Retirement 2011-2012:

Regina M. Robinson – Custodian – Appomattox Elementary School – Effective: December 31, 2011.

Change in Assignment 2011-2012:

Dawn K. Garrett – From: Instructional Assistant – Appomattox Alternative Education Center. To: SPED Secretary – Appomattox County Public Schools. Effective: November 7, 2011. (Replacing Brenda Sauls)

Temporary Change in Assignment 2011-2012:

Shannon M. Boyce – From: Instructional Assistant – Appomattox Middle School. To: Guidance Secretary – Appomattox Middle School. Effective: October 31, 2011. (Temporarily Replacing Connie Gaulden who was moved to the high school guidance secretary position)

Laura W. Evans – From: Guidance Secretary – Appomattox County High School. To: Student Information Specialist – Appomattox County Public Schools. Effective: October 28, 2011. (Temporarily replacing Judy Thacker)

Family and Medical Leave Act 2011-2012:

Mary Jo Pulliam – Teacher – Appomattox Adult Education. Effective: October 25, 2011, for up to 12 weeks according to FMLA guidelines.

Project Graduation/Remediation 2011-2012 (Estimated at 15 Hours per month):

Marie C. Morgan (Effective October 3, 2011)
S. Gayle Williams (Effective October 3, 2011)

Teacher Substitutes 2011-2012:

Nina R. Johnson
Marie C. Morgan

Supplemental Assignments 2011-2012:

Appomattox County High School:

Susan A. Tyree – Cheerleading, Winter JV
Elizabeth R. Wheeler – Cheerleading, Winter JV
(Split Position No More Than 70 Hours per Coach)

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held Monday, November 21, 2011 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The December Regular Monthly Business Meeting will be held Thursday, December 15, 2011 at 5:30 p.m. at the same location.

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Mr. Smith. By unanimous voice vote, the meeting was adjourned.

_____
Bobby K. Waddell
Vice-Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 3

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: November 10, 2011

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Monday, November 21, 2011 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams (arrived at 5:25 p.m.), and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

There being no requests for changes or additions, the Chairman accepted the agenda as presented.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed session pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia for the purpose of consultation with legal counsel retained by the School Board regarding specific legal matters requiring the provision of legal advice by such counsel, such matter being legal liability issues pertaining to due process procedures for disciplinary hearings.

Mr. Waddell seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to consultation with legal counsel, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Waddell, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 1)

CONGRATULATIONS OFFERED BY CHAIRMAN

Mrs. Garrett congratulated Mr. Waddell and Rev. Williams regarding their successful re-elections to the School Board. She also congratulated Mr. Smith and Mr. Wyatt Torrence for being elected to serve as School Board Members.

APPROVAL OF MINUTES

October 13, 2011 – Interim Meeting
October 25, 2011 – Joint Board Meeting
October 27, 2011 – Special Meeting
October 27, 2011 – Regular Monthly Business Meeting

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the minutes of the October 13, 2011 Interim Meeting, October 25, 2011 Joint Board Meeting, October 27, 2011 Special Meeting, and the October 27, 2011 Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared a letter from the Governor's Office that was in response to the resolution the Board adopted in September, 2011 concerning K-12 funding and use of FY 2011 surplus for K-12 education. (See Attachment # 2)

Communication Items from Board Members

There were no items of communication from Board Members.

RECOGNITIONS

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox County High School:

FFA:
Cody Sams – CDE Winner – Tractor Operators – Junior Division – Southside Area HUB Federation

Rob Thomas – CDE Winner – Tractor Operators – Senior Division – Southside Area HUB Federation

Cory Hodges – CDE Winner – Small Engine Troubleshooting – Southside Area HUB Federation

Drama:
Elizabeth Jo Davis – Actor and Crew Member in "The Bridge Watcher" – District Competition

Taylor Phelps – Actor and Crew Member in "The Bridge Watcher" – District Competition

Jonathan King – Actor and Crew Member in "The Bridge Watcher" – District Competition

Mary McRae – Actor and Crew Member in "The Bridge Watcher" – District Competition

Myka Roach – Played Part of "The Watcher" in "The Bridge Watcher" – District Competition

Alexandra Carney – Played Part of "The Jumper" in "The Bridge Watcher" – District Competition

Golf:
Jake Perkins – Winner of Group A Individual State Golf Championship

Chorus:
Dakota Walker – High School All-District Treble Choir

October 2011 Employees of the Month

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for October, 2011:

Appomattox Primary School:
Jennifer Mott
Valerie York

Appomattox Elementary School:
Dana Hamlett

Appomattox Middle School:
Michael Sullivan

Appomattox County High School:
Victoria "Tori" Rothgeb

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Report on FFA Trip to National Convention

Mr. Edward McCann, Teacher and FFA Advisor for Appomattox County High School thanked the Board for their support of the recent trip to the National FFA Convention in Indianapolis, Indiana, October 17 – 21, 2011. Mr. McCann was assisted by the following FFA Members in providing a report concerning the 83rd Annual FFA Convention: William Gaulden, William Lewis, Caleb Baker, Jalen Thomas, Cory Hodges, and Tyler Wallen.

FY 2013 Budget Public Comment Session

The Chairman opened the floor for the 2012-2013 Budget Public Comment Session. The following speaker addressed the Board:

Mrs. Tammy Brown
391 Walton Drive
Appomattox, Virginia 24522
Mrs. Brown spoke on behalf of her children and the Band Boosters and requested additional funding for the band program.

Membership Report

The superintendent provided the October 31, 2011 Membership Report which indicated the total funded ADM was 2,178 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 3)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 4)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The 2011 VSBA Annual Convention was held in Williamsburg, November 16 - 18, 2011. Mr. Waddell, Rev. Williams, and Dr. Grasty attended with Mr. Waddell serving as the Board's Delegate and Rev. Williams serving as the Alternate Delegate during the Delegate Assembly on November 17. Dr. Grasty shared a handout she received at the convention entitled "20 Questions and Answers Every Virginia School Board Member and Superintendent Should Know". (See Attachment # 5) Mr. Waddell stated it was a good conference and he attended a number of informative sessions including General Assembly Update and School Law Update. Rev. Williams also attended a number of sessions and found the one conducted by the Food Service Director from Falls Church City Schools to be interesting and helpful. The gentleman was relatively new to the school system and stated his first plan of action was to get to know the people, school division, and School Board to learn of their needs. Before implementing changes, he encouraged the School Board to set policies and encouraged all of the stakeholders to get involved. Rev. Williams stated approximately seventy-five percent of the meals served in Falls Church City Schools are prepared from scratch and include a large quantity of fresh fruits and vegetables. A Grab-N-Go After School Program had been implemented to accommodate athletes and salad bars were placed in all middle and high schools. The speaker reported the need to train food service employees with proper food preparation skills. Rev. Williams stated he took detailed notes of this session and would email a typed copy to all Board Members and the superintendent.

The VSBA Orientation for New School Board Chairs/Vice-Chairs and Orientation for New Board Members and Superintendents will be held in Richmond on January 30, 2012. Mr. Smith and Mr. Torrence are registered to attend the Orientation for New School Board Members. The deadline for registration is January 9, 2012 and the cost is $140.00 per person.

The VSBA Legislative Conference will be held in Richmond January 30-31, 2012. The deadline for registration is January 9, 2012 and the cost is $150.00 per person.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. ACPS Proposal from McNeary Insurance Strategy & Solutions - A copy of the proposal was provided to the Board. (See Attachment # 6) Mr. Edwards recommended the Board retain this company for consulting purposes for the remainder of the 2011-2012 school year at a cost of $6,000.00.

2. Actual Dollar Amount the Composite Index Increase will Increase the Amount Paid by the Locality – Effective with the 2012-2014 biennium, the Composite Index will increase from .2732 to .2945 which is an increase of .0213 which is applied to SOQ funding. Based upon current fiscal year numbers, $289,093.00 will be added to the locality funding requirement and removed from the state funding requirement for our school division. (See Attachment # 7) Dr. Grasty noted the Composite Index increase information from the state had been shared at the November 10, 2011 Joint Board Chairs Meeting.

3. Update on Old County Library – A letter from Mr. Samuel F. Vance, IV, School Board Attorney, indicated the Appomattox County Public School Board is the owner of record for this property. (See Attachment # 8) A report from Mr. R. Lindley Vaughan, Jr., Structural Engineer with Dunbar, Milby, Williams, Pittman, and Vaughan indicated the structure was a safe building in need of necessary repairs. (See Attachment # 9)

4. Update on APS PPEA Project - Mr. Bill Gillespie, PPEA Project Manager, provided a detailed update concerning the primary school PPEA construction project. (See Attachment # 10) He stated construction continues to

move forward due to favorable weather conditions. All four phases have been advertised for bid and the project is currently under budget.

5. Other Information: Radio Bid - Mr. Edwards reported the radios have been placed on state contract. A meeting was held last week with David Warner, Virginia Radio Specialists for Governmental Agencies, and Bobby Wingfield, 911 Coordinator for Appomattox County. Mr. Warner recommended the firms of Harris, Motorola, and Kenwood. A meeting will be held with these three firms to obtain the best price for our needs. Should this venture prove to be unsuccessful, an invitation for bids will be resumed.

Discussion of Possible FY 2013 Budget Goals

The superintendent requested input from the Board regarding possible FY 2013 Budget Goals and received the following:

1. Request Salary Increase for All Staff
2. Keep Employee's Take-Home Salary Whole
3. Employ a Full-Time Art Teacher
4. Increase the Band Budget
5. Address Efficiency in the Areas of Energy/Utilities and Supplies
6. Repair the Lighting in the ACHS Auditorium to Make it Safer

Mrs. Martin stated the 2012-2013 Budget will be difficult as our list of wants and needs is great and our funding is extremely limited.

Mr. Smith recommended each school should be operated as a business. He further suggested a six percent reduction in electric bills and cutting budgeted line items to accomplish our goals.

Mr. Waddell noted salaries account for eighty percent of our budget which makes it very difficult to implement cuts.

Virginia DOE Revised Teacher Evaluation System

Mr. Bruce R. McMillan, Director of Human Resources and Staff Development, provided detailed information concerning the new mandated revised teacher evaluation system from the Virginia Department of Education that will become effective July 1, 2012. (See Attachment # 11) He stated we fall under this mandate because of the receipt of ARRA funding. The Code of Virginia will require teacher evaluations be consistent with the following performance standards:

1. Professional Knowledge
2. Instructional Planning
3. Instructional Delivery
4. Assessment of and for Student Learning
5. Learning Environment
6. Professionalism
7. Student Academic Progress

We will be required to provide a summative evaluation rating for each teacher. The Department of Education recommends weighting the first six standards equally at ten percent each and the seventh standard of student academic progress at forty percent.

Mr. Waddell asked how student academic progress will be defined. Mr. McMillan indicated this is the real question that has been posed across the state since this directive was received from the Virginia Department of Education. The state has provided some guidelines and possible ideas but, the final decision will be up to the local School Board. Mr. McMillan noted he and Dr. Grasty recently attended a conference where the creators of this evaluation system spoke about the system in general. Two additional information sessions will be provided in February and April, 2012 that will specifically address measuring student academic progress. Information from those sessions will be presented as it is received. Mr. McMillan stated in the meantime, we are in the process of developing criterion. Mr. Waddell indicated it appears this measure could be leading the school division to pay teachers based on performance. Dr. Grasty noted new evaluation systems are also in progress for principals, central office staff, and superintendents that will be tied to student academic progress.

The superintendent noted there has been some discussion of placing the student academic indicators online as public information that would be tied to teachers names. She also pointed out we will not be receiving any new money from the state to fund the new evaluation requirements.

Mr. McMillan stated information regarding the new mandated teacher evaluation system will be shared with the Teacher Advisory Committee at their meeting later in the month. The information has also been sent to all staff through the *Division Digest*.

2012 Draft School Board Meeting Calendar

The superintendent provided Board Members with a draft of the 2012 Board Meeting Calendar. She reviewed the document and requested members provide feedback at the December 15, 2011 meeting for development of the final

calendar that will need to be adopted at the January, 2012 organizational meeting.

School Showcase Schedule for 2012

Dr. Grasty reported the following School Showcase schedule has been established for the 2011-2012 school year:

1. January, 2012 - Appomattox County High School
2. February, 2012 - Appomattox Primary School
3. March, 2012 - Appomattox Elementary School
4. April, 2012 - Appomattox Middle School

ACTION ITEMS

Consideration of First Reading of Revised Policies

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the first reading of the following revised policies as presented and recommended by the superintendent:

1. JEC-R - School Admission
2. JGD/JGE - Student Suspension/Expulsion
3. JGD/JGE-R - Student Suspension/Expulsion
4. KG - Community Use of School Facilities
5. KG-R - Community Use of School Facilities

By unanimous voice vote, the motion was approved.

Consideration of Approval of Mandatory Parent and Student Attendance at Partners for Safe Teen Driving Program

Mrs. Martin requested accommodations be made to assist working parents or guardians in attending the required meeting. Mrs. Garrett also requested updates be made to the driver education classroom material currently used at the high school.

Following discussion, it was moved by Mr. Smith and seconded by Rev. Williams to approve mandatory attendance of ninth and tenth grade students, with a parent or guardian, at one session of the Partners for Safe Teen Driving Program prior to taking behind the wheel drivers education and receipt of the Certificate of Completion for Classroom Driver Education by the Commonwealth of the Virginia Department of Education (DEC-1) beginning with the 2012-2013 school year. By unanimous voice vote, the motion was approved.

Consideration of Approval of Contract with Insurance Consultant

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve a contract with McNeary Insurance Strategy & Solutions for insurance consulting through June 30, 2012. By unanimous voice vote, the motion was approved. (See Attachment # 12)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated October 31, 2011. (See Attachment # 13)

APPROVAL OF BILLS

Mrs. Martin moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $161,065.74 – General Fund (See Attachment # 14)
2. $ 39,838.74 – School Food Fund (See Attachment # 15)
3. $ 2,605.82 – School Textbook Fund (See Attachment # 16)
4. $615,560.00 – APS PPEA Construction Fund (See Attach. # 17)
5. $ 30,048.82 – General Fund Addendum (See Attachment # 18)

Rev. Williams seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETING

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held Thursday, December 15, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employee #10355.
2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,
3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #51841, #145, and #10205.

Mr. Waddell seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Waddell to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded

by Mr. Waddell, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 19)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Retirement 2011-2012:

Myrtice D. Pinelli – Teacher – Appomattox Elementary School – Effective: March 1, 2012.

Supplemental Assignments 2011-2012:

Appomattox County High School:

Scott Conkwright	–	Wrestling, Assistant
Robert S. Cothran	–	Wrestling, Assistant
S. Jerome (Jerod) Patterson	–	Basketball, Boys JV

Career Coach 2011-2012-Temporary Position ($10 per hour for approximately 10 hours a week)

Karen M. Richardson (Replacing Betty Jo Smith)

Substitute Bus Drivers 2011-2012:

William F. Kitchel
Tyrone D. Scott

APPROVAL OF STUDENT MATTERS:

Student Number 51841:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve long term suspension for Student #51841 through the remainder of the 2011-2012 school year with the school division agreeing to register the student one time for the GED Test upon receipt of proper documentation. Should the student not complete the GED test and wishes to return to Appomattox County Schools for the 2012-2013 school year, the student will be required to meet with the School Board. By unanimous voice vote, the motion was approved.

Student Number 145:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve Student #145 be expelled for 365 days with the school division agreeing to register the student one time for the GED Test upon receipt of proper documentation. By unanimous voice vote, the motion was approved.

Student Number 10205:

It was moved by Mr. Smith and seconded by Mr. Waddell to approve long-term suspension for Student # 10205 through the remainder of the 2011-2012 school year. Mrs. Martin, Mr. Smith, Mr. Waddell, and Rev. Williams voted in favor of the motion. Mrs. Garrett voted against the motion. By majority voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Waddell. A unanimous voice vote of approval was recorded.

Middle Years
Working together for school success

Shorts stops

Holiday teamwork

If your family celebrates a winter holiday, invite your tween to help with preparations. The bonding time can create special memories. You might work side-by-side to bake, wrap gifts, or decorate. Let your child know how much you enjoy her company—and your help!

Be a travel agent

Boost your youngster's imagination and research skills. Ask him to pretend he's traveling back in time to drum up tourism for an ancient city like Troy or Alexandria. He can read books and websites to learn what might attract visitors (theatre performances, athletic competitions, poetry readings) and then design a travel brochure.

Hygiene habits

Middle school is a good time for you and your children to evaluate their hygiene routines. At this time, they'll start to sweat more, so they'll need to work harder to keep their skin clean.

Worth quoting

"Knowledge is of two kinds. We know a subject ourselves, or we know where we can find information on it." Samuel Johnson

Just for fun

Q: What's the worst thing that can happen to a geography teacher?

A: Getting lost

Acts of Kindness

It's free, it can be big or small, and it can make your child feel good whether she gets it or gives it away. What is it? Kindness!

Middle graders who are considerate get along better with classmates and adults. They also tend to be happier and feel better about themselves. Foster kindness with these ideas.

Talk about why

Tell your child that when you help others, it benefits you as well as the person you're helping. You can get your mind off your own problems and feel good about making a difference. Plus, kindness makes life better for people in your youngster's school and community. Ask her to look for examples (a teacher helping parents learn English, a neighbor clearing snow from community sidewalks).

Take action

Encourage your middle grader to be kind whenever possible. For example, if there is a new student in her classes, ask her how she might feel if she was new. Putting herself in someone else's shoes makes it easier to be compassionate. Then, she can think of ways to make the new girl feel welcome, such as introducing herself or sitting with her at an assembly. Also, suggest that she ask the school counselor if her school provides ways to help others (collecting books for needy children, for instance) and then participate.

Celebrate kindness

Highlight your child's kind behavior when you see it. You might say, "That was so nice of you to put away your brother's laundry while he's sick." Or declare "Kindness Week" at your house. Family members can write down random acts of kindness they see each other do. At the end of the week, take turns reading them out loud at dinner. Try to guess which family did each one.

Achievement boosters

Middle schoolers sometimes need extra encouragement to do their best. Create learning enthusiasm in your child with strategies like these:

- Suggest that your youngster talk to his teacher about creative approaches to assignments. Some teachers may allow students to use different formats for projects. For example, your teen might make a video, do a slide show, or interview an expert.
- Encourage him to use subjects he likes to help him do-better in those he's less enthusiastic about. If he loves science but isn't fond of writing, for instance, he might write a science fiction story for a creative writing assignment.

From Your AMS Guidance Counselors

Mr. James and Mrs. Cooter ask that you check out the article below from PBS about Time Management and Goal Setting. We think you will find it very interesting. If you have any questions, feel free to stop by the Guidance Office. Don't forget the second nine weeks grading period will be ending soon. Be sure to turn in ALL assignments!

Time Management: Have-To's, Want-To's, and Goals

What are the things we *have* to do in our lives? What are the things we *want* to do? All of these take TIME!

Have-To's:

"Have-To's" need to be a part of almost every day. Whether we like it or not, we all have to find time to get them done.

- **Family responsibilities.** You know the drill: household chores, helping your little brother with homework, keeping your room clean.
- **School and homework.** You won't always be a student, but while you are, it's your job to give time and energy to your education.
- **Sleep.** This may seem like a big "DUH," but it helps to be reminded: Sleep is a must for our bodies and minds, and doctors agree that young people need at least eight hours every night. If you think you can squeeze more time into your schedule by cutting back on Zzzz's, you'll probably find that you're sleepy and sluggish during the day, and wind up taking longer to do things anyway.

Eating and personal hygiene. We know, another big "DUH." But many people skip meals because they're running late. Taking enough time to eat so that you actually enjoy it, rather than just shoving cereal down your throat, will help you develop healthy food habits. The same goes for bathing, dressing, and other things that make you presentable to the world. If you block out time to do them and enjoy them, you're likely to feel better about yourself that day.

Want-To's:

Fortunately, our time isn't just about responsibilities ...we get to have some fun, too! "Want-To's" make our lives a little more fulfilling.

- **Activities.** You might be a violinist, a soccer player, a painter, a poet, or a ballet dancer. Sports, the arts, and other hobbies are important because they help make us well-rounded and develop our bodies and minds. Plus, they just plain make us happy.

Chill time. Okay, let's not forget that you also deserve some time to just be *you* and do whatever you feel like, whether it's going to the park, hanging out with friends, reading a book, or being alone with your thoughts.

Goals:

Many of our Have-To's and Want-To's get done because we set goals for ourselves.

Short-term goals are things we want or need to do that can be accomplished in a few hours or days. Let's say you want to bake a birthday cake for your dad. You might not think about it, but that's a short-term goal. It'll probably take just an hour or two, but making that goal and planning to achieve it will result in that yummy cake. Other short-term goals take longer; for instance, building a skateboard ramp or going through old boxes in the attic, which might happen over a weekend or more.

Long-term goals are part of the "bigger picture" of our lives - our dreams and aspirations. Although they may take months or years to accomplish, they still take up time on a regular basis. These might include teaching yourself to play the guitar, writing a book, becoming a better basketball player, or learning to speak French. Goals like these can't be achieved by setting aside one big block of time but rather, smaller blocks of time over a period of days, months, or even years.

We are kinda busy right now ... however, we would like to wish each of you a very, Merry Christmas!

... MORE GUIDANCE NEWS

When Friends Fight: The Importance of "I'm Sorry"

No fight can end, and no friendship can move on until everyone says these two words. Sometimes though, they can be difficult to say. Here are some things to keep in mind; **It's not about winning.** Friendships aren't like the Super Bowl, and there should never be a winner and a loser. When you start fighting with a friend, it may feel important that you "win" the fight by proving you're right and he's wrong, or by making him be the first to apologize. In reality, you'll BOTH LOSE if you let the fight ruin your relationship, and you will BOTH WIN if you both find a way to heal it.

Put aside your pride. You may have heard the expression "His pride stood in the way ." This phrase is used to describe a person who is so determined to be "right" that he let's the opportunity for happiness pass him forever. Don't let this happen to a friendship you care about. Remember: as time goes on, we usually forget about who was right and who was wrong in a disagreement, and only remember the sadness of losing a friend.

Take the first step. Are you sick of fighting? Do you think this fight is just not important enough to ruin your friendship? Then try being the first to apologize. You don't have to take full responsibility for starting the fight, or even say that your feelings were wrong. But you should find something that you did or said that's worth apologizing for. Maybe you're sorry that you let the fight go for so long, or that you overreacted to something your friend did. If you say you're sorry, it's like an invitation for your friend to do the same. Once you've both said it, you'll both feel a million times better. Apologizing isn't about "bowing down" to your friend or becoming a "doormat". It's about taking some responsibility for the argument, and inviting him or her to take responsibility too. If your friend think she's "won" just because you've apologized, then she's not ready to make up yet. Still having trouble getting the words to come out of your mouth? Try doing it this way:

- "I really feel bad about ____ and I'm sorry that it happened."
- "I know that you've felt ____, and I'm sorry for making you feel that way.

> *"Once you've both said it, you'll feel a million times better."*

Anti-Bullying Poster Contest Winner @ AMS

Congratulations!

to Mrs. Armstrong's class for winning the Anti-Bullying Poster Contest @ AMS!

THE SCHOLASTIC BOOK FAIR IS COMING TO AMS

Dear Parents and Families,
A Scholastic Book Fair is coming to our school from December 7-14, 2011. It's a great opportunity for students to find books that really interest them. We know kids read more books when they get to choose their own. The more kids read, the more their reading skills improve.
I'm inviting you to be a part of our Book Fair Family Event. It's taking place Monday, December 12th from 8:00am to 6:00pm. You can shop for books for your entire family! If for some reason you can't make it or you want to continue shopping from an expanded selection, you can now visit the Fair online – www.scholastic.com/schoolbookfairs/2918919.
The online Fair:

- is available for an extended time and all orders ship FREE to school
- provides a chance for you and your child to create and send wish lists to invite friends and family to participate in the Book Fair.
- Delivery for online purchases will be here by December 16
- offers an expanded book selection for all ages—from preschool to adult.

All in-school and online Book Fair purchases benefit our school. Thanks for helping get **more kids reading, kids reading more**.
See you at the Book Fair!

Have you read a book today?

Coffee With The Principals

You are invited to spend a few minutes with Mr. Todd Reichert, Principal and Mr. David Read, Assistant Principal at the Appomattox Middle School on Friday, December 16, 2011 @ 9:00 a.m. Please join us for coffee and homemade pastries in the library. For more information, please contact the main office at 434-352-8257.

School Delays & Closings

In bad weather and other emergencies, Appomattox County Public Schools (ACPS) notify parents and staff about the status of school schedules in several ways. We utilize the following TV and radio stations:

WDBJ TV 7,
APPO Cable 21,
WSLS TV 10,
WKDE 105.5 FM & 1000 AM,
WSET TV 13,
WROV 96.3 FM,
WWBT TV 12 Richmond,
Spirit 103.7 FM,
WRLV 88.3 FM,
WSLQ 99.1 FM,
WFLO 95.7 FM & 870 AM,
K92 FM,
WSNV Sunny 93.5,
WJJS 104.9 FM & 102.7 FM,
WYYD 107.9 FM,
WSFF 106.1 FM & 101.7 FM,
WVBE / VIBE 100.1 FM,
WODI 1230 AM,
WSLC Star Country 94.9 FM and
WFIR 960 AM,

Please note the following codes:
Code I—Administrators, teachers, clerical, maintenance, and custodial personnel report
Code II—12-month personnel report
Code III—Designated central office administrators, custodial , maintenance, and bus shop personnel report
Code IV – No one reports

Veterans Day Luncheon @ AMS

The week of November 7-11, was designated "Patriot Week" at AMS. Each morning, members of the AMS Student Council honored each branch of the United States Armed Forces with a reading, and the playing of the Army, Navy, Air Force, and Marine theme songs. All students were asked to bring in a photograph of a family member who has or is currently serving in the military. These photographs were used to construct a tribute bulletin board entitled "AMS Honors Our Heroes". On Wednesday, November 9, faculty, staff, and students wore red, white, and blue in honor of all who have served our country. The week culminated with a complimentary luncheon for veterans. Students invited members of their families who have served in the armed forces to enjoy a hardy meal of meatloaf, mashed potatoes, green beans, rolls, and brownies. Students had the privilege of eating lunch with their veteran. Conflicts ranging from WWII to the current war on terrorism were represented by those in attendance. The students and staff of AMS look forward to making this an annual event as we continue to remember those who have sacrificed so much for our freedom.

FFA Cuts Down Competition in Forestry Field Day Contest

In late September, 14 FFA members and advisors traveled to Richmond to compete in the State FFA Forestry Field Day contest. Forestry Field Day is a timber sports contest that includes five different team and individual events. In the log roll event, William Lewis and Cory Hodges represented the high school and Erin Thompson and Adam Fleshman represented the middle school. The event involves rolling and spinning a heavy log down a course using only cant hooks and their feet. The pulpwood toss event requires the student to throw a pulpwood log as far as they can. Clayton Mosley threw for the high school and Max Raup threw for the middle school in this event. Robert Thomas and Tyler Wallen competed in the two-man crosscut saw contest, during which they cut through a railroad tie with a cross-cut saw. Jordan Moore and Kolby Grimsley completed the cross-cut for the middle school. The water accuracy event is designed to simulate fire-fighting skills. Justin Pickeral represented the high school and Hunter Page represented the middle school competed in this event. Terrell Franklin competed in the bow saw contest for the high school and Tatum Martin for the middle school; they had to cut through an 8" railroad tie. Franklin placed 3rd in his event. The high school chapter placed 8th in the senior division and the middle school chapter placed 5th in the junior division. Both FFA chapters are proud of their members' accomplishments at the 2010 State FFA Forestry Field Day event.

TO: Car-riders and parents
RE: Afternoon pick-up procedures

- Car-riders will be dismissed at **3:00** rather than 3:05.
- Students are encouraged to go immediately to the pick-up circle in the back and wait until their ride is available in the pick-up area.
- All pick-ups are to take place in the pick-up circle in the back of the school. Please do not use the front parking lot for pick-up. Starting Friday, October 21st, the front parking lot entrance will be coned off.
- Students being picked up will assemble in the grass area next to the pick-up circle.
- Students will be allowed to enter their pick-up car only after it has entered the circle- that is typically the first four cars in the row.
- Please pull as far forward as you can, stopping at the white line. The area beyond that line needs to be kept open so other cars can turn and leave.

From the Principal:

TEAM UP FOR BUCKET-FILLING!

Dear Parents,

Each day at AES, it is my pleasure to receive at least one bucket-filling note. What is a bucket-filling note? It is a note that students and staff write to share good news and positive actions. I read them over the intercom and they give us a positive start to our day. Not only are they written notes of encouragement, but we also see bucket-filling notes as a way to reduce bullying by emphasizing positive actions by our team. I have collected over 100 bucket-filling notes this year already and am thinking about a way to display these in our team lobby. That means that at least 100 opportunities have been taken to say a positive word to someone at AES! Wow! Would you like to send a bucket-filling note to your student or teacher during December or January? December is a wonderful time of year to give the gift of positive encouragement and January is our Bullying Awareness month. Please use the outline below to complete the bucket-filling note and send it to me. I will look forward to reading them sometime during the months of December or January. Thank you for helping us maintain our bucket-filling notes at AES☺ Tom E. Yarber, Principal, AES.

BUCKET-FILLING NOTE

I would like to fill (put person's name here)_____'s bucket by saying that he/she (below please write about what is important about that person)

_____

_____

_____

_____

_____

_____

From: (name of the person writing the note): _____

MARK YOUR CALENDAR:

Debbie Knight, Cafeteria/352-5583 or ext. 4318

***Please call the **nurse** **directly** if your child will be out of school for any reason: sickness, personal business, etc....

4th Grade News:

Fourth graders are full of excitement and joy as the holiday season draws near. As always, we are like busy little elves learning as much as we can. This month in language arts we will focus on summarizing, drawing conclusions, and making inferences. We will also focus on informative and narrative writing, as well as, subject verb agreement.

The fourth grade social studies classes are busy with news of the Revolution. George Washington, James Lafayette, Patrick Henry, Thomas Jefferson, and Jack Jouett are amongst our famous Virginians to recognize this holiday season. Can you guess which one of these men was responsible for making Thanksgiving a national holiday?

In math our classes are busy elves with the work of large digit multiplication, addition, subtraction, and estimation. We are working hard on our math facts in all areas! This is an exciting and busy time of the year!

5th Grade News:

Our 5th graders have been as busy as Santa's elves. In science class, students turned in a wide variety of fabulous ocean projects. They learned many new facts that will help them on the Virginia Beach field trip in April. Next, they will be observing and discovering the concepts of Sound and Light.

In the blink of an eye, March will be here which means it is time for the Writing SOL. Please review with your

child nightly the notes in their binder. Also get your child to write about their weekend or a trip taken for them to practice their writing skills. Students are working on a writing prompt, "The Funniest Thing…."

In math students are becoming computation specialist. Practice those basic math facts so you will be fluent and quick to recall them. Students will be multiplying and dividing whole numbers and decimals.

Lastly, read, read, and read to earn AR points to help achieve your goal of 25 points by January 13th. Parents sit down with your child tonight and take turns reading a great book together!

YMCA After School Program @ Appomattox Primary School

Hours: 3 p.m. - 6 p.m.
Look for our clubs coming next year!
Contact: 401-3073 for more info.

Where will your child be during Winter Break?

Check us out...2 locations: Amelon Elementary & Jamerson YMCA
Hours of operation: 7 a.m. - 6 p.m.
Need more info: call 847-8750

Physical Education News:

Our mileage is quickly adding up here at AES! We have lots of stickers on our mileage posters in the gym. After the first 9-week grading period the mileage totals are as follows for each grade level; third graders have run 300 miles, fourth graders have run 318 miles, and fifth graders have run 404 miles. If you are ever in the gym feel free to check out your child's individual accomplishments on the posters hanging on the stage wall…each sticker represents one mile!

During each P.E. class we usually begin with some exercises and stretching. Stretching is really important to do before and after any activity, especially running. Some people like it, some hate it, but it's the rules! It keeps you relaxed, flexible, increases your range of motion, and keeps you injury free. Stretches are even good to practice at home no matter what age you are…flexibility is important as we get older. You could even try to make up some of your own, but here are a few you can try.

Things to Remember:
1. Don't bounce.
2. Keep it comfortable. Never stretch until you have pain.
3. Count to at least 10...slowly. Better yet, count to 20.
4. Don't stretch a cold muscle. Make sure you've jogged around a little before you stretch.
5. Stretch a bit before you run. Stretch a **lot** after.

Upper Body Stretches:
1. Roll your head slowly around in a circle. Stop at any point and hold the stretch if you like.
2. Lace your fingers together in front of your body. Turn your arms "inside out" (palms facing outward) then pull up and stretch. Stretch your arms, shoulders, and upper back. Repeat with arms straight out in front of you.
3. Lace your fingers together behind you. Turn your arms inward (palms facing outward) and stretch behind your back.
4. Put one hand on your elbow and pull arm across your chest. Stretches shoulder and back.

Jump Rope for Heart will be coming up in February…mark your calendars for Friday, February 17th!!! Look for more information to come home with your child in January.

School Closing and Emergency Information

In bad weather and other emergencies, Appomattox County Public Schools (ACPS) notify parents and staff about the status of school schedules in several ways. We utilize the following TV and radio stations:

WDBJ TV 7	APPO Cable 21
WSLS TV 10	WKDE 105.5 FM & 1000 AM
WSET TV 13	WROV 96.3 FM
WWBT TV 12 Richmond	Spirit 103.7 FM
WRLV 88.3 FM	WSLQ 99.1 FM
WFLO 95.7 FM & 870 AM	K92 FM
WSNV Sunny 93.5	WJJS 104.9 FM & 102.7 FM
WYYD 107.9 FM	WSFF 106.1 FM & 101.7 FM
WVBE / VIBE 100.1 FM	WODI 1230 AM
WSLC Star Country 94.9 FM	WFIR 960 AM

We also use an automated calling system, Global Connect, to deliver phone calls regarding the status of school delays and closings. This system calls the phone number you have registered at your child's school. Should your phone number change, please notify the school office to register your new number.

It would be ideal to be able to notify all parents and staff the night before snow or ice occurs so childcare plans could be made early, however, in many cases the frozen precipitation may not begin falling until after midnight. We go out into several areas of the county to check road conditions when a snow/ice event occurs. We do our best to make a decision to close or delay by 5:30 a.m. There may be times when there is frozen precipitation in the western part of the county near Concord and no frozen precipitation on the eastern end near Pamplin. In those situations, we must close the entire school division as we must take into consideration all county roads on which our buses and students travel.

On days that we have put out a notification of a two hour delay and the road conditions do not improve significantly before buses must leave for their route, we may have to move from a two hour delay to a closed status. We will put out all notifications as soon as possible when this situation occurs.

Should frozen precipitation begin to fall once school has begun, we will close schools as quickly as possible if that precipitation is scheduled to continue.

The safety of our students and staff is very important to us. We take these decisions very seriously and exercise caution when transporting the children of ACPS.

P.O. Box 548 • 316 Court Street • Appomattox, Virginia 24522
Phone: (434) 352-8251 • Fax: (434) 352-0883

School Bus Safety Rules

Students Riding a School Bus Should Always:

- Arrive at the bus stop 5 minutes early.
- Stand at least 5 giant steps (10 feet) away from the edge of the road.
- Wait until the bus stops, the door opens, and the driver says its okay before stepping onto the bus.
- Be careful that clothing with drawstrings and book bags with straps or dangling objects do not get caught in the handrail or door when exiting the bus.
- Check both ways for cars before stepping off the bus.

Crossing Students Should:

- Walk in front of the bus; never walk behind the bus.
- Walk on the sidewalk or along the side of the road to a point at least 10 giant steps ahead of the bus.
- Be sure the bus driver can see students, and they can see the bus driver.
- Wait for the driver's signal to cross.

Things Students Should Know About School Bus Safety:

- The bus driver and others cannot see you if you are standing closer than 10 feet to the bus. Stay out of the danger zone!
- If something falls under or near the bus, tell the driver. NEVER try to pick it up yourself!
- While waiting for the bus, stay in a safe place away from the street.
- When you get on or off the bus, look for the bus safety lights and make sure they are flashing.
- Be alert to traffic. When you get on or off the bus, look left, right, left before you enter or cross the street.
- When the driver says it is safe to cross the street, remember to CROSS IN FRONT of the bus.
- Stay in your seat and sit quietly so that the driver is not distracted.

Things Parents Should Know About School Bus Safety:

- School buses are the safest form of highway transportation.
- The most dangerous part of the school bus ride is getting on and off the bus.
- Pedestrian fatalities (while loading and unloading school buses) account for approximately three times as many school bus-related fatalities, when compared to school bus occupant fatalities.
- The loading and unloading area is called the "Danger Zone"
- The "Danger Zone" is the area on all sides of the bus where children are in the most danger of not being seen by the driver (10 feet in front of the bus where the driver may be too high to see a child, 10 feet on either side of the bus where a child may be in the driver's blind spot, and the area behind the bus).
- Half of the pedestrian fatalities in school bus-related crashes are children between 5 and 7 years old.
- Young children are most likely to be struck because they:
    - Hurry to get on and off the bus.
    - Act before they think and have little experience with traffic.
    - Assume motorists will see them and will wait for them to cross the street.
    - Don't always stay within the bus driver's sight.

"Building the Future of Success"

December/January 2011/2012

Principal's Message…

We have many things to be thankful for, and I wanted to take the opportunity to thank you for all of the different ways you support your children. As a parent myself, I know how difficult it is to manage work, household chores, dinner, lunches, helping with homework, and the list goes on for miles. We have numerous demands on our time and resources; yet lots of parents are very involved in their child's education by helping with homework, volunteering, and regularly communicating with the school.

Again, I thank you! I wish you all a very special holiday season, and I hope 2012 is another great year here at APS.

As always, if I may be of assistance to you, please contact me:

Heather Mullins
Voicemail: 352-5766, Extension 24
E-mail:hsmullins@appomattox.k12.va.us

Building Blocks of Communication: Conferences:

On October 31, there were 487 conferences held. Thank you all so much for your active involvement in your child's education!

Box Tops for Education October Classroom Winners:

Pre K - Turner

K – Wells (School-wide Winner!!)

1st – Donnigan

2nd – Jamerson

Total Collected: $ 432.10

APS continues to hammer towards our Box Tops goal for this year. We set our goal at $3,500 and in just three short months, we have already collected $1,326.10…and we have six more collection months to go! WOW! This year's funds will go far towards helping our Accelerated Reader program, as well as continuing to help support the APS PTO in playground equipment fundraising. Thanks to all the students, parents, teachers, and staff who participate in this program. Together, we ARE building the future at APS!

NOTES FROM THE CLINIC

The normal fall/winter illnesses are making their way through the school. If your child vomits or has a fever (over 100) during the evening/night before school, please keep him/her home. A medicated fever is still a fever, so your child should be free from fever for 24 hours without the use of fever-reducing medication. If you have any concerns, call the clinic at 352-8937 between 8:00 a.m. – 3:30 p.m.

Reminders About Student Progress:

Appomattox Primary School
Retention Guidelines/Policy

It is our desire and mission that each student be successful now and in the future. Not every student learns in the same way or at the same rate. Some students may need additional time to master certain skills before being promoted to the next grade level. While it is never an easy decision to retain a student, it is an appropriate decision if the student has not met the grade level requirements for promotion. Appomattox County School Board Policy indicates that many factors should be considered at the elementary level (K-5) including, but not limited to the following:

A. Standards of Learning Assessment scores
B. Progress on grade level subject matter with an emphasis on Reading and Mathematics
C. Academic progress as measured by school assessments
D. Attendance
E. Age
F. Maturity
G. Prior retention
H. Other factors specific to the student

Reference: Appomattox County School Board Policy: IKEC-R

As indicated above, grade level subject matter progress is considered when making retention decisions. Those expectations are described both in the student handbook and can be found at http://www.doe.virginia.gov/.

If a student is considered for retention, you will be notified by the teacher in January of the current school year. In addition, you will receive a letter from the principal in February. The letter does not mean your child will be retained, but it does mean that retention is a possibility. The teacher(s) will conference with you, if requested, to discuss strategies to help your child meet grade level

requirements. If necessary grade level requirements are not achieved by the end of the school year, you will be notified following May assessments. The teacher will inform you through a conference, phone call, and/or written correspondence. Additionally, you will receive a letter from the principal indicating your child will be retained in the current grade level for the next school year.
Please note the following excerpt from Appomattox County Public School Board Policy in regards to final student placement/retention decisions:

File: IKEC

PROMOTION/RETENTION

Each student should learn the relevant grade level subject matter before promotion to the next grade.
Decisions regarding promotion and retention shall be made by the principal in consultation with the parent or guardian, teachers, and other school personnel. Although final authority for assignment of the student must rest with the principal, it is preferable that an agreement is reached with the parent or guardian that retention is in the best interest of the student.
Performance on the Standards of Learning Assessments shall be used as part of a multiple set of criteria for determining the promotion or retention of students in grades 3, 5, and 8.
Specific criteria for promotion/retention shall be set forth in regulations developed by the superintendent.
Adopted: August 21, 1998

Legal Refs.: 8 VAC, Section 20-131-30, 20-131-40, 22.1-253.13.4
APPOMATTOX COUNTY

Adopted: August 21, 1998

If you have any questions regarding the retention/promotion policy, please contact the APS Principal, Heather Mullins at 352-5766.

LOST AND FOUND

Cold mornings and warm afternoons mean lots of coats and jackets left outside. The pile is growing! Please put your child's name or initials on all belongings... jackets, book bags, lunchboxes, etc. If you have lost a jacket, call the clinic at 352-8937. If you can describe the article, Mrs. Waddell would be glad to look in Lost and Found for it; or during clinic hours you are welcome to come by and look.

Internet Safety: Tips for Parents

- **Remind your children not to give personal information out to people online unless you have given permission.**
- **As a family, come up with rules for surfing the internet. Go over them regularly.**
- **Check with your internet service provider concerning any safeguarding programs or options they may offer.**
- **Most importantly, supervise your children while they are online.**

Reminders:

- **Please make sure your child has everything he/she needs for the day, including a snack. We are unable to call students to the office or interrupt instruction to deliver items. We will be happy to place the item in the teacher's box, but we can't guarantee your child will receive the item at a certain time.**
- **We are unable to take bus/transportation changes over the phone. Bus bells begin dismissing at 3:07. <u>We are unable to "hold" students until you arrive.</u> If you've not sent a change in writing, your child will be transported based on the last note we have on file and/or his/her regular bus. We ask that you send in changes via the student or fax (352-8074) us a note by 12:00. If you choose to fax a note, please follow up with a phone call to ensure our receipt of the fax. We cannot guarantee receipt of changes if after 12:00 and/or not followed up with a phone call.**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**
- **If you would like for your child to be a car rider, please indicate that in the note. If the note says you will pick your child up, he/she will be held in the classroom for you to come in to the office to sign out. The student is called once you sign your child out. If the note indicates he/she will be a car rider, your child will be waiting in the line outside for you to drive around and pick him/her up at the curb.**
- **If using the car rider pick-up loop, please remain in your vehicle. If your child needs assistance with a seatbelt, please let the staff member know who assists with loading, and he/she will assist your child. Also, we ask that you have the right passenger (back or front – your choice) available for a student to load. We prefer not to cross in front of or behind cars in the line.**
- **Please do not pass in the car rider line. If there is a delay, it will take seconds to clear. There have been several near misses as one car has passed another.**

Attendance at APS:

Parents of Car Riders – The tardy bell rings at 8:25. Students must be in the classroom when the bell rings. If your child is in the hallway or outside, he or she will be counted tardy and will need to get a tardy slip from the office. Please do not drop students off prior to 8:00 a.m.

Pre-arranged absences – If your family is going on vacation and/or your child needs to be out for more than a day, please submit a request in writing directly to the Principal prior to the requested dates. A written/approved request is the only way any of the days can be excused in conjunction with the use of parent notes.

If you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash 352-0831

APS Cafeteria Account System…

The computerized cafeteria system provides parents the option of establishing an account whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly, or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

December 2011/Januuary 2012 Calendar…

(Please Note: Schedule is subject to change due to possible inclement weather make-up days.)

Monday, December 19 – Monday, January 2:
- **Winter Break – No School**

Tuesday, January 3:
- **School Reopens**

Thursday, January 12, and Friday, January 13:
- **Early Dismissal Days – 1:00 Dismissal**

Monday, January 16: Holiday – No School

Tuesday, January 17 , and Wednesday, January 18:
- **No School**
- **Teacher Workdays**

Thursday, January 19: 3rd Nine Weeks Begins

Monday, January 23: Report Cards Go Home

School Closing and Emergency Information from Dr. Dorinda Grasty, Division Superintendent:

In bad weather and other emergencies, Appomattox County Public Schools (ACPS) notify parents and staff about the status of school schedules in several ways. We utilize the following TV and radio stations:
WDBJ TV 7; WSLS TV 10; WSET TV 13; VWBT 12 Richmond; WRLV 88.3 FM; WFLO 95.7 FM ; WVTF 89.1; WKDE 105.5 FM; WROV 98.3; Spirit 103.7 FM ; WSLQ 99.1 FM ; K92 FM Parents and staff can also go to http://ww.schoolsout.com/ and then go to "Virginia" to find Appomattox County Public Schools. From this page, a message appears regarding school closure.

We also use an automated calling system, Global Connect, to deliver phone calls to all parents regarding the status of school delay and closing. It would be ideal to be able to notify all parents and staff the night before snow or ice occurs so child care plans could be made early, however, in many cases the frozen precipitation may not begin falling until after midnight. We go out into several areas of the county to check road conditions when a snow/ice event occurs. We do our best to make a decision to close or delay by 5:30 a.m. There may be times when there is frozen precipitation in the western part of the county near Concord and no frozen precipitation on the eastern end near Pamplin. In those situations, we must close the entire school division as we must take into consideration all county roads on which our buses and students travel.

On days that we have advertised a two-hour delay and the road conditions do not improve significantly before buses must leave for their route, we may have to move from a two-hour delay to a closed status. We will put out all notifications as soon as possible when this situation occurs.

Should frozen precipitation begin to fall once school has begun, we will close schools as quickly as possible if that precipitation is scheduled to continue.

The safety of our students and staff is very important to us. We take these decisions very seriously and exercise caution when transporting the children of ACPS. Please note the following codes:

Code I - Administrators, teachers, clerical, maintenance, and custodial personnel report
Code II - 12 month personnel report
Code III - Designated central office administrators, custodial, maintenance, and bus shop personnel report
Code IV - No one reports

YMCA After-School Program @ APS

Hours: 3:00 p.m. – 6:00 p.m.
Look for our clubs coming next year… Double Dutch, Building, and Scrapbooking!
Call (434) 401-3073 for more information.

Where will your child be during Winter Break?
Check us out at our two locations: Amelon Elementary and Jamerson YMCA.
Hours of operation: 7:00 a.m. – 6:00 p.m.
Need more info?? Call (434) 847-8750

Holiday Gift Shop

The APS Relay for Life Team is pleased to announce that the Holiday Gift Shop will be coming to APS on Wednesday, December 7 through Tuesday, December 13. The Holiday Gift Shop gives students the chance to do their own holiday shopping for mom, dad, brother, sister, grandma, grandpa, and even the family pet! Each gift will be gift-wrapped when purchased. Prices vary from 25 cents to $10.00. Students will have the opportunity to shop during their computer lab time, with a family night on Tuesday, December 13, from 4:00 p.m. – 6:00 p.m. More information will be sent home the week of December 5th.

Students of the Week

October 24-28, 2011
K: **Alica Berkley, Jorja Baldwin, TyShaun Napier, Chovia Williams, Brenton Black, Sean Gabel, Catey Paulette and Camden Joy.**
1: **Jacob Hensley, Sage Garrison, Alyssa Inzeo, Micah Johnson, Conner Ramsey, Logan Mann, Jacob Taylor and Mario Rubio.**
2: **Katie Drinkard, Lucas Allen, Joshua Eagle, Caden Braford, Raylee Roper, Ethan Moore, Gabby Pickett and Austyn Franklin.**
October 31-November 4, 2011 **- None**
November 7-11, 2011 **- None**
November 14-18, 2011
K: **Madison O'Brien, Bella Lewis, Madelyn Austin, Grace Jones, Kierstyn Gilbert, Peyton Garrett and P. J. Reel.**
1: **Brianna Reynolds, Sara Conner, Makalah Thornhill, Berkley Jamerson, Karly Lawhorn, Bennett Goodman, Malik Kidd and Taylor Henderson.**
2: **Mayghen Boni, Mary O'Brien, Alyse Thompson, D'Ayzha Trent, Cody Childress, Maddie Hall, Lanie Midkiff and Macee Hargis.**
November 21-25, 2011 **- None**

School Bus Safety Rules

Students Riding a School Bus Should Always:
•Arrive at the bus stop 5 minutes early.
• Stand at least 5 giant steps (10 feet) away from the edge of the road.
•Wait until the bus stops, the door opens, and the driver says its okay before stepping onto the bus.
•Be careful that clothing with drawstrings and book bags with straps or dangling objects do not get caught in the handrail or door when exiting the bus.
• Check both ways for cars before stepping off the bus.

Crossing Students Should:
•Walk in front of the bus; never walk behind the bus.
•Walk on the sidewalk or along the side of the road to a point at least 10 giant steps ahead of the bus.
•Be sure the bus driver can see students, and they can see the bus driver.
•Wait for the driver's signal to cross.

Things Students Should Know About School Bus Safety:
•The bus driver and others cannot see you if you are standing closer than 10 feet to the bus. Stay out of the danger zone!
• If something falls under or near the bus, tell the driver. NEVER try to pick it up yourself!
• While waiting for the bus, stay in a safe place away from the street.
• When you get on or off the bus, look for the bus safety lights and make sure they are flashing.
• Be alert to traffic. When you get on or off the bus, look left, right, left before you enter or cross the street.
• When the driver says it is safe to cross the street, remember to CROSS IN FRONT of the bus.
• Stay in your seat and sit quietly so that the driver is not distracted.

Things Parents Should Know About School Bus Safety:
• School buses are the safest form of highway transportation.
•The most dangerous part of the school bus ride is getting on and off the bus.
•Pedestrian fatalities (while loading and unloading school buses) account for approximately three times as many school bus-related fatalities, when compared to school bus occupant fatalities.
•The loading and unloading area is called the "Danger Zone"
•The "Danger Zone" is the area on all sides of the bus where children are in the most danger of not being seen by the driver (10 feet in front of the bus where the driver may be too high to see a child, 10 feet on either side of the bus where a child may be in the driver's blind spot, and the area behind the bus).
• Half of the pedestrian fatalities in school bus-related crashes are children between 5 and 7 years old.
•Young children are most likely to be struck because they:

- Hurry to get on and off the bus.
- Act before they think and have little experience with traffic.
- Assume motorists will see them and will wait for them to cross the street.
- Don't always stay within the bus driver's sight.

Superintendent's Message

Dear Staff,

How is it possible that 75 days of school have already occurred? Where has the time gone since August 22? For our youngest students, it was their very first day of school and for our seniors, it was their very last "first day of school".

I see so many wonderful things going on in our schools. Students are learning and engaged in instruction. They are mannerly and eager to gain knowledge. Teachers are positive and implement differentiated lessons. Support staff provide efficient services of transporting and nutritiously feeding our children daily. Other employees are running our offices while some are behind the scenes taking care of our buildings and grounds. Thank you for your work and care with our students in ACPS.

A guaranteed and viable curriculum is another cornerstone in our Professional Learning Communities (PLCs). We have curriculum guides and have created pacing guides in order to guarantee that students have access to the same knowledge and skills. To be guaranteed a curriculum assures that specific content is taught in a specific course at specific grade levels. To make it viable indicates that there is enough instructional time available to actually teach the content indentified as critical. A PLC's curriculum cannot be guaranteed unless it is viable.

A guaranteed and viable curriculum has been identified as the variable most strongly related to student achievement at the school level. The way to guarantee the curriculum is for teachers delivering the instruction to agree on the priorities within the curriculum, to clarify how the curriculum translates into student knowledge, and to commit to one another to teach the agreed-upon curriculum. A guaranteed curriculum creates an equitable opportunity to learn and succeed for all of our students.

Keep our PLC questions in mind:

1. What is it we want our students to know?
2. How will we know if they are learning?
3. How will we respond when individual students do not learn?
4. How will we enrich and extend learning for students who are proficient?

I wish you a restful, joyous, and very Merry Christmas. Enjoy your holiday and may it be a wonderful season for you and yours.

"When we remember a special Christmas, it is not the presents that made it special, but the laughter, the feeling of love, and the togetherness of friends and family that made that Christmas special." (Catherine Pulsifer)

Sincerely,

Dorinda G. Grasty, Ed. D.
Division Superintendent

December/January School Board Meetings:

Regular Business Meeting **Thursday, December 15, 5:30**

Interim and Organizational School Board Meeting (Tentative)
Thursday, January 5, 2012, 5:00

Budget Work Session and Regular Business Meeting (Tentative)
Thursday, January 26, 2012, 5:00

Cafeteria Corner

Niki Kempton

You VOTED!! The December Cafeteria Menu at each location is packed with the items you voted for in our *You Tell Us What's for Lunch* cafeteria survey. From Popcorn Shrimp to Homemade Pizza, we're rolling out the red carpet for staff and students for the month of December. Let us know which items you enjoyed to keep them coming back!! Thanks for voting!

We will be serving ACHS FFA citrus fruits throughout the month of December at all locations. Stop by and include a Hamlin or Navel FFA orange in your lunch!

National Farm to School Week Conducted in November!

- APS served apples from Silver Creek Orchard in Nelson County, Va.
- AES served a salad mix from Lynchburg Grows. "*Lynchburg Grows is an urban farm that takes a hands-in-the-dirt approach to teaching others how sustainable food production promotes a healthy planet. They are situated on 6.8 acres in historic Lynchburg, Va., with two of those acres spread among nine greenhouses*." Visit them at http://www.lynchburggrows.org/
- AMS served turnip greens on December 7th. **These greens were donated to the Food Service Program by Mr. Barry Sauls, Retired Ag Teacher from ACHS. Thank you Mr. Sauls!**
- ACHS served delicious broccoli from a farm in neighboring Charlotte County. We hope to do business with these and other local Virginia farmers in the future. Our commitment to local farmers during these changes in the National School Lunch Program is one of the biggest goals of the Appomattox County Public Schools Food Service Department.

Appomattox Recycles!!

Thank you to Ms. Ferguson, Ms. East, Ms. Hamlette and their students for all their hard work with our Recycling Program! Remember, students travel through AMS & ACHS every Wednesday morning and every other Wednesday at AES, collecting paper from the recycling bins in each classroom, office, and lounge. We accept missed paper, which is every kind of paper—except for corrugated cardboard—including magazines, flat cardboard, poster board, white paper, colored paper, etc. We are having an issue at some locations with garbage in the gray collecting bins. Please know and inform students that paper products ONLY are allowed in the gray bins.

Band and Choral Concert!

Please make plans to support our middle school and high school students for the Appomattox County Holiday/Christmas Concert to be held on Tuesday, December 13, 2011 at 6:00 p.m. in the High School Auditorium.

January is Bullying Prevention Month

In an effort to promote awareness of school bullying, the Virginia School Boards Association (VSBA) has again set aside the month of January as the VSBA Bullying Prevention Month.

School board members, superintendents, teachers, parents and children around the state are encouraged to use bullying prevention activities and materials to help end bullying.

Childhood bullying is a significant problem nationwide. It can cause school absenteeism, mental and physical stress, poor school performance, poor self-esteem, and, in some cases, school violence. Statistics show that 160,000 children in the United States miss school each day as a result of being bullied.

Our schools will host a variety of bullying prevention activities during January.

Things Parents Should Know About School Bus Safety:

- School buses are the safest form of highway transportation.
- The most dangerous part of the school bus ride is getting on and off the bus.
- Pedestrian fatalities (while loading and unloading school buses) account for approximately three times as many school bus related fatalities, when compared to school bus occupant fatalities.
- The loading and unloading area is called the "Danger Zone."
- The "Danger Zone" is the area on all sides of the bus where children are in the most danger of not being seen by the driver (10 feet in front of the bus where the driver may be too high to see a child, 10 feet on either side of the bus where a child may be in the driver's blind spot, and the area behind the bus).
- Half of the pedestrian fatalities in school bus related crashes are children between 5 and 7 years old.
- Young children are most likely to be struck because they: 1) Hurry to get on and off the bus. 2) Act before they think and have little experience with traffic. 3) Assume motorists will see them and will wait for them to cross the street. 4) Don't always stay within the bus driver's sight.

Business
Steve Edwards, Director of Business and Operations

2012-2013 Budget - Unfortunately, I must be a bit of a scrooge. The budget outlook is not looking promising. Although sales tax revenue is looking up for the state, the demands on state government for those dollars is even greater. Legislators will have to make very tough decisions this session so we urge you to contact your representatives and senators to remind them to keep public education as a top priority during budget talks. Another compounding factor is that our Composite Index has increased by 2%. The Composite Index determines a school division's ability to pay education costs fundamental to the commonwealth's Standards of Quality (SOQ). The Composite Index is calculated using three indicators of a locality's ability-to-pay:

- True value of real property (weighted 50 percent)
- Adjusted gross income (weighted 40 percent)
- Taxable retail sales (weighted 10 percent)

The Composite Index is refigured every two years across Virginia. What this means is that the locality must now fund approximately $300,000 more of the costs.

Appomattox County Education Foundation Scholarship Program

The Appomattox County Education Foundation, Inc. was established in 1988 by local officials and businessmen in the community for the sole purpose of providing college scholarships to deserving graduates of Appomattox County High School. During the past 22 years 63 scholarship totaling $31,500.00 have been awarded to ACHS graduates. Employees of Appomattox County Public Schools have generously contributed to this scholarship fund through payroll deduction since the foundation was established. Payroll deduction can be processed at a minimum monthly contribution of $1.00 and forms are available by contacting Mitzi Letterman at mbletterman@appomattox.k12.va.us

Remedial and Special Education
Beth Haught, Director

December is a month for celebration in the field of special education. On December 2, 1975, President Gerald Ford signed the first federal special education law. Special Education Day, a national holiday listed in Chase's Calendar of Events, began in 2005. That year marked the 30th anniversary of the IDEA--the Individuals with Disabilities Education Act. Where were we when this ground-breaking legislation was signed? Where are we now? Where do we need to be tomorrow? We have come a long way since that landmark day and now provide access to education for all children, including children with disabilities. Take time this month to honor progress and celebrate students with disabilities--and their parents, teachers and schools.

Have a wonderful and relaxing winter break!

Curriculum and Instruction
Annette Bennett, Director

Follow "Abe Across America"

If you'd like to know more about Lincoln, and you're not afraid to show off your creativity and your passion for learning, get ready to apply for the Horace Mann-Abraham Lincoln Fellowship.

Since 2005, Horace Mann has teamed up with the Abraham Lincoln Presidential Library and Museum to offer the fellowship. This program gives 50 educators from across the country the opportunity to travel to Springfield, Ill., and study the life and times of our 16th president. This year, during an event we're calling "Abe Across America," we're inviting teachers to apply on Facebook:

1. Visit the "Abe Across America" tab of our Facebook page.
2. Take a picture of you - and maybe your students - with Abraham Lincoln. This is your chance to show off your creativity and your part of the country!
3. Upload your original photo and complete the entry form, which includes a brief question on how you'll use what you learn about Lincoln in your school.
4. Spread the word! Get your colleagues to vote for your entry!

From Nov. 1, 2011 to Jan. 2, 2012 Horace Mann will display entries on their "Abe Across America" Facebook page and encourage you to vote for your favorites. The top 10 vote-getters will automatically be named Lincoln Fellows. The remaining 40 spots will be selected by a panel of independent judges. Questions? Contact Katie Cyphert at 434-845.2223.

katie.cyphert@horacemann.com

It's beginning to look a lot like Christmas!

School Closing and Emergency Information

In bad weather and other emergencies, Appomattox County Public Schools (ACPS) notify parents and staff about the status of school schedules in several ways. We utilize the following TV and radio stations:

WDBJ TV 7	APPO Cable 21
WSLS TV 10	WKDE 105.5 FM & 1000 AM
WSET TV 13	WROV 96.3 FM
WWBT 12 Richmond	Spirit 103.7 FM
WRLV 88.3 FM	WSLQ 99.1 FM
WRLO 95.7 FM & 870 AM	K92 FM
WSNV Sunny 93.5 FM	WJJS 104.9 FM & 102.7 FM
WYYD 107.9 FM	WSFF 106.1 FM & 101.7 FM
WVBE/VIBE 100.1 FM	WODI 1230 AM
WSLC Star Country 94.9 FM	WFIR 960 AM

We also use an automated calling system, Global Connect, to deliver phone calls to staff regarding the status of school delays and closings.

It would be ideal to be able to notify all staff the night before snow or ice occurs so childcare plans could be made early, however, in many cases the frozen precipitation may not begin falling until after midnight. We go out into several areas of the county to check road conditions when a snow/ice event occurs. We do our best to make a decision to close or delay by 5:30 a.m. There may be times when there is frozen precipitation in the western part of the county near Concord and no frozen precipitation on the eastern end near Pamplin. In those situations, we must close the entire school division as we must take into consideration all county roads on which our buses and students travel.

On days that we have advertised a two hour delay and the road conditions do not improve significantly before buses must leave for their route, we may have to move from a two hour delay to a closed status. We will put out all notifications as soon as possible when this situation occurs.

Should frozen precipitation begin to fall once school has begun, we will close schools as quickly as possible if that precipitation is scheduled to continue.

The safety of our staff is very important to us.

AES NEWS

AES Students Team Up For Learning After School!

By: Tom Yarber

Appomattox Elementary School students have once again enjoyed learning during our After-School Clubs, a program sponsored by our SCA and supported by AES teachers, staff, administration, and community volunteers.

Along with studies in weather, Herpetology, birds and their feeders, and tree cookies, AES students have learned to identify trees and to use a GPS with Mrs. Bonnie Tillotson in "Fun with 4-H." Look for a newspaper article and a grant submission from this club.

After all that time outside, are you hungry? Our club called "Snack-A-Paloozza, with Rebecca Bruce, teaches our students to relate cooking to physical activity. These students made healthy recipes to share.

Mr. Bob Williams has been hunting with his students by following hunting techniques, learning about calls, doe bleats, reading rub and scrape lines, and watching videos of best practice hunters at work. Students have gained an appreciation for hunting.

While out in the woods, how about using sign language to communicate? Mrs. Debbie Carson's Sign Language Club has shared their techniques with family members and other AES students.

We are sure that Mrs. Carson's students could sign "say cheese" when the Digital Photography Club led by Mr. Bob Poole works with the students to enter weekly contests, to take pictures of other clubs, and to create a poster collage of contest entries.

When developing those pictures, you may want to share them by making a craft in the Team Crafts Club led by Mrs. Driskill and Mrs. Hogan. They have displayed a helping hands wreath now hanging in the AES Conference Room, sent cards to nursing home residents, and shared ornaments for the AES Christmas tree. Mrs. Moore and Mrs. Fox have also volunteered for this club.

Mrs. Cyrus and Mrs. Ranson have worked with our students to create Math in Art. This club combines two favorite subjects of AES students. Look carefully - you will see patterns galore!

AES NEWS, continued

The Spanish Club is led by Mrs. Donghia and Jacob Ranson, student leader. The Spanish Safari will sing a song to share from what they have learned through crafts, coloring, and learning basic Spanish. Buenos Dios!

Coming to a stage near your Christmas tree might be Reader's Theater with Mr. Yarber. This club has evaluated scripts, read scripts, and decided to present a short Reader's Theater entitled "50 Flavors" on the final day AES clubs for an audience to enjoy. Somewhere in those 50 flavors is your favorite!

AES students are grateful for the gift of time from our volunteers who helped us learn - even after school!

Congratulations!!
Employees of the Month

APS NEWS

APS Relay for Life Team Holiday Shop:

A parent volunteer helps students make a wish list of gifts to purchase for family and friends.

Appomattox Primary School and Gleaning for the World teamed-up to collect new and gently used stuffed animals to send to needy children in other countries. What is more comforting to a child who has/is experiencing a weather tragedy or other scary situation than a soft, cuddly bear? Boxes upon boxes of stuffed animals were collected over a two week period in November. Children around the world will be impacted by the generosity of students from Appomattox Primary School.

APS Construction Notes: The renovation/addition process at the Primary School continues to move along on schedule. The contractors have, or are close to having, the multi-purpose room and student services' wings completely under roof and are beginning to work on interior stud walls. The slab work on the classroom and new kitchen additions should be complete soon.

Walls begin to go in place within the student services additions.

APPOMATTOX PRIMARY SCHOOL CONSTRUCTION UPDATE

New kitchen is ready for the floor to be poured.

Brick veneer comes out of the ground around the additions.

AMS News

AMS Recognized Local Veterans

The AMS SCA has been busy in November. We celebrated our local Veterans by taking a week to recognize the importance and contributions of each military branch. The celebration culminated with a lunch for our Veterans and their family members in the library. It was a pleasure to have such distinguished guests at AMS.

AMS Basketball Teams

After a year's absence, the boys' and girls' basketball teams tapped off their seasons in November and are off to a great start. Come out and support the teams.

Angry Birds at AMS

The 8th grade teachers were ANGRY as November came to a close…Angry Birds that is. The month ended with the 8th grade staff designing science, math, history, and English lessons around the theme of Angry Birds.

ACHS Future Farmers of America (FFA)

Several students from the Appomattox County High School FFA Chapter recently participated in the Appomattox FFA Small Engine Troubleshooting Career Development Event. Logan Marshall and Corey Hodges competed in the activity. Hodges went on to win the chapter and the Southside Area Small Engines Troubleshooting contests. Hodges beat students from across the Southside area. He was able to troubleshoot a small gasoline engine with poise and confidence. He was required to identify over 100 engine parts and tools, complete a written exam, measure items, and look up engine part numbers and prices.

Corey Hodges repairs an engine at the Southside Area FFA Small Engine Troubleshooting Contest.

Tyler Wallen, Rob Thomas, Cory Hodges, Will Gaulden, Will Lewis, Mr. McCann, Jalen Thomas, Caleb Baker, and Sam Campbell traveled to the 84th National FFA Convention in Indianapolis on October 18 - 22, 2011.

Sports

Brad Harper, Athletic Director

Congratulations to Appomattox County Raider Varsity Football Team!

The ACHS Varsity Football Team had a very successful 2011 season. The Raiders finished as Dogwood District Champions with a 10-2 record. The only losses of the season were to Buckingham in the first game and a hard fought battle at the hands of Wilson Memorial in the 2nd round of the Western Section playoffs. The Raiders were also well represented on the All Dogwood District football team with numerous players earning post season recognition, including Josh Wilson as the Offensive Back of the Year and Ben Martin as the Dogwood District Coach of the Year. Way to go Raiders!!!!

Winter Sports Season is Rolling at ACHS!

The following winter sports are currently taking place at ACHS: JV/Varsity Boys Basketball, JV/Varsity Girls Basketball, Wrestling, Boys/Girls Indoor Track, and JV/Varsity Winter Sideline Cheerleading. Good luck to all participants! For updated schedule information, please view the Appomattox County Raider website at:

http://www.dogwooddistrictva.org/g5bin/client.cgi?G5genie=368&school_id=2

A quick reminder to anyone who has ordered and ACHS Individual, Family, or Senior Citizen Athletic Pass: they can be picked-up at the gate of any regular season home event.

To anyone who ordered Raider apparel or a stadium blanket from the ACHS Athletic Department Fan Cloth Fundraiser: delivery date is scheduled for Tuesday, December 13, 2011. You will be contacted once the order arrives or please contact ACHS if you have any other questions.

The Raider Athletic Department is also offering a wide variety of sponsorship opportunities for the 2011-12 school year and beyond. If you know of any business that would like to help support Raider Athletics, please call Brad Harper at 434-352-7146.

ACHS News

ACHS Embraces 21st Century Learning

Twenty-first century education is a paradigm shift away from teacher-centered, textbook driven instruction. Instruction becomes student-centered with students working collaboratively in a dynamic classroom. Twenty-first century education not only teaches content, but also important "survival skills" like research and inquiry, organization and time management, and group participation and individual leadership. Technology is an important part of twenty-first century education in that it allows students greater access to resources around the world and it allows for "multiple forms for learning and assessment."

English teachers at ACHS have embraced 21st century tools as a means to support differentiated instruction. The newly adopted English SOLs call for the creation of a research product instead of the previously required research paper. This provides for many more opportunities for student expression. One of the methods teachers are using is tic-tac-boards which provide students choices to demonstrate acquired skills. Many of these choices include 21st century applications. Already this year students have utilized Glogster, GoAnimate, Edmodo, MuseumBox, Animoto, Prezi, and Big Huge Labs as part of their English classes. These tools not only meet the needs of various learning styles but also require the higher thinking skills of creating and evaluating according to Bloom's Digital Taxonomy.

Penney, Penney, Samantha. "Bloom's Digital Taxonomy Pyramid." *University of Southern Indiana*. Web. 28 Nov. 2011. <http://www.usi.edu/distance/bdt.htm>.

Another key change in the English SOLs is the emphasis on media literacy which includes such things as gathering information online, using library databases, evaluating and citing sources, and recognizing and avoiding plagiarism. To this end, English and history classes have been collaborating with the Library Media Specialist. Students received instruction on the variety of information sources available to them online and how to effectively search Google using the advanced search feature.

They were also given five quick steps for evaluating web sources.

At a later date, students returned to the library for a presentation on the different types of plagiarism and a discussion as to whether famous speeches and songs were plagiarized from other politicians and artists.

As part of November's Faculty Meeting, teachers and students presented a few of their projects to interested teachers at a 21st Century Fair. Teachers were able to see firsthand how these technologies could be used in a classroom. Students shared their Holocaust Museum Boxes, *Flowers for Algernon,* Prezis, origin myth videos, *Outsiders* Animotos, *The Absolutely True Diary of a Part-Time India* animations and many more wonderful projects.

ACHS Students Visit Virginia Tech

Students from Mr. Gardner's Sociology and Ms. Bloomfield's Freshman Academy classes visited the campus of Virginia Tech to learn about campus diversity, the social impact of April 16th, and educational, leadership and research opportunities. They visited the April 16th Memorial, the War Memorial, walked the infamous drill field and attended an admissions presentation. Dietrick Hall offered an all-you-care -to-eat dining experience followed by visits to the bookstore and the practice field of the Virginia Tech Hokies Football Team. Students wrote reflection papers and worked on cluster activities related to diversity and the social impact of April 16th upon their return to the classroom.

"I thought that was *our* job."

* Upcoming Important Dates *

December 19 - January 2 Winter Holiday

January 16 - Martin Luther King, Jr. Holiday - No School / Student and Staff Holiday

January 17 - Teacher Workday / Student Holiday*

January 18 - Teacher Workday / Student Holiday*

January 19 - 2nd Semester / 3rd Nine Weeks Begins*

January 23 - Report Cards Go Home*

*Please note that if there are snow days prior to these dates, the calendar may shift and / or change.

Technology

Brette Arbogast, Director of Technology

Have you ever been at home, enjoying your dinner when you realized that that critical Word document you need to finish before school starts is sitting on your teacher station? What do you do? Up until now, your options were limited, but now, we have a process in place where you can access your files from home. Yes, it's true; if you save your files in SharePoint you will be able to access all of your files from your home computer.

If you already know how to do this, or if you are curious about what SharePoint has to offer, the Technology Department offers workshops and courses on SharePoint as well as other technology resources. So far this year, the Tech Department has provided two 3 credit college courses and five workshops. Please check out the ITRT Site on SharePoint for the training calendar at: http://acpssharepoint/TP/itrt/Lists/Calendar/Calendar%20No%20Links.aspx for more information.

Have you ever wanted to create a podcast? Are you wondering how to use SharePoint in your classroom? Have you heard about ActivVotes, ActivExpressions and CPS Systems but really don't know what they are? If you've got questions, the Appomattox County Tech Department has the answers for you! Every week the Tech Department offers a one hour workshop open to all Appomattox County Public Schools staff. These workshops are taught by the district level ITRTs, Susie Fisher and Danny Richardson and by the in-house Instructional Technologist, Adele Richardson at APS, Jason Wells at AES, Susan Williams at AMS, and Brittany McLean at ACHS.

In addition to the topics mentioned above, there are also workshops on using the Airliner and SmartBoard software, utilizing ActivInspire, and using iPods and iPads. Each school has a calendar listing of the dates and locations of the workshops. In addition, the ITRT SharePoint Site lists this information as well as the instructor and a brief explanation of the workshop. This calendar is located at:

http://acpssharepoint/TP/itrt/Lists/Calendar/Calendar%20No%20Links.aspx

Please contact Susie or Danny if you have any questions. We look forward to seeing you there!

Please note the following weather and Emergence Closing Codes, which will be communicated through local radio and TV stations, as well as Global Connect calls:

Code I - Administrators, teachers, clerical, maintenance, and custodial personnel report

Code II - 12 month personnel report

Code III - Designated central office administrators, custodial, maintenance, and bus shop personnel report

Code IV - No one reports

Bruce McMillan

Human Resources

College Classes - If you are looking for renewal points by taking a college class, colleges in the area will have a whole new batch of classes starting in January. Many of these can be taken online. Please call them or view their website for details.

For instance, CVCC has many class offerings that are usually reasonably priced. Here is a link to their website – http://www.cv.cc.va.us/ClassSchedule.aspx. They have classes at the Lynchburg Campus, the Appomattox Campus, and online.

The University of Phoenix also has many classes – their classes might be a little more expensive, but they are usually shorter – many as short as three weeks. Here is a link to their website - http://www.phoenix.edu/programs/continuing-education/continuing-teacher-education.html.

June 2012 License Renewals – This is a quick reminder for anyone who is up for license renewal in June of 2012. The Department of Education will start accepting renewals from me in January. Once you have compiled your 180 points and documented that on the License Renewal Form, you must meet with your principal. During this meeting, your principal will ask to see your License Renewal Form and all of your documentation. Once he or she has reviewed your points and documentation, they will initial each section and sign the form. Once they sign the form, a copy should be made of the form for your records and the original should be sent to me. I will give it a quick review and send it on to Richmond. If you are going to use a college course, please attach a copy of the transcript. Email me with questions.

VRS information – Here is some information for anyone who is considering retirement in the next year or two:

A. This is a link to the portion of the VRS website which allows you to see your own individual information. http://www.varetire.org/Members/About-myVRS/Index.asp After you log - in, this section allows you to see what your actual monthly retirement benefit would be and it allows you to plug-in different retirement scenarios. If you have trouble registering, contact Tracy Johnson in our office.

B. If you are considering retirement in the next year or two, you may want to attend a VRS Group Information Session. They usually have one in Lynchburg. Here is the link to the schedule page - http://www.varetire.org/Members/Plan1/Education/GCS/Index.asp

C. Here is a link to several Webinars that will give you information about the retirement process. There are live webinars and you can also view previously recorded webinars. By the way, anyone who entered the Virginia Retirement System BEFORE July 1, 2010 is part of Plan 1. http://www.varetire.org/Members/Plan1/Education/Webinars.asp

New Teacher Evaluation – The Virginia Department of Education is requiring all school divisions to revamp their teacher evaluation process effective July 1, 2012. They are requiring that student academic progress be a significant factor for the overall summative evaluation of each teacher (DOE is recommending 40% of the final evaluation be based on student progress). We will have more details after our Winter Break.

Bullying Prevention Month Resolution

WHEREAS, school bullying has become an increasingly significant problem in the United States and Virginia; and

WHEREAS, almost thirty percent of the youth in United States are estimated to be involved in bullying each year, either as a bully or as a victim; and

WHEREAS, an estimated one hundred sixty thousand students in kindergarten through twelfth grade miss school every day due to a fear of being bullied; and

WHEREAS, bullying can take many forms, including verbal, physical, and most recently in cyberspace, and can happen in many places on and off school grounds; and

WHEREAS, it is important for Virginia parents, students, teachers, and school administrators to be aware of bullying, and to encourage discussion of the problem as a school community; and

WHEREAS, the VSBA has developed a model policy on anti-bullying to encourage positive behaviors and to eliminate bullying behaviors; and

NOW, THEREFORE, the Appomattox County School Board recognizes the month of January 2012, as the VSBA Bullying Prevention Month, with the intention that the issue of bullying and its prevention be discussed in division schools and classrooms during that time.

PASSED AND ADOPTED THIS 15TH DAY OF December, 2011.

WITNESS the following signatures and seal:

APPOMATTOX COUNTY SCHOOL BOARD

_____

Stacy C. Garrett, Chairman

ATTESTED TO:

_____

Brenda F. Gowin
Clerk of the Board

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, December 15, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, and Dr. Dorinda G. Grasty, Division Superintendent. Rev. J. Wesley Williams was not in attendance due to previously scheduled vacation plans.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

APPROVAL OF MINUTES

November 10, 2011 – Interim Meeting
November 21, 2011 – Regular Monthly Business Meeting

It was moved by Mr. Smith and seconded by Mr. Waddell to approve the minutes of the November 10, 2011 Interim Meeting and the November 21, 2011 Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared the following information:

1. A thank you note from Karena Hudson who recently completed her student teaching at Appomattox Elementary School.

2. Board Members were invited to attend a farewell reception for Mr. Tom Conrad on Thursday, December 22, 2011 from 2:00 – 4:30 p.m. at the County Administration Building. Mr. Conrad will complete his term on the Appomattox County Board of Supervisors at the end of the month.

3. Mrs. Eloise Robinson, retired cafeteria manager at Appomattox Elementary School, passed away December 4, 2011. On behalf of the School Board, a contribution was made to the Appomattox County Education Foundation in her memory and a card was sent to the family.

Communication Items from Board Members

There were no items of communication from Board Members.

RECOGNITIONS

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Eagle Scout Project:

Caleb Edwards - Landscaped Front of School Administration Building for His Eagle Scout Project

Appomattox County High School:

Golf:
Doug Marshall - Golf Coach of the Year

Organized and Presented at the ACHS English Showcase Event:
Jackie Johnson
Alison Paulette

Students Who Volunteered to Present at the ACHS Faculty Meeting for the Tech/English Showcase Presentation:
Alex Brown
Jasmine Bryant
Brandon Hedrick
Marquise Kelso
Amber Litchford
Chyenne Lambert
Casey Martin
Savannah Mason
Chase Simpson

Shelby Voorhees
Libby Williamson

FFA:
Third Place Tractor Troubleshooting Team - Southside Area Event
Caleb Baker
Tyler Wallen

Appomattox Middle School:

Central Virginia Lego Robotics Tournament:
Students were judged in four categories: Subject Research, Team Work, Robot Design, and Mission Points. AMS Lego League participants stayed after school 3 days a week for 8 weeks to prepare for the competition. The winning robot and trophy are on display in the AMS Library.

Division Two: The Berzerker Botz Bots – Placed 14th
Maegan Magruder
Brandy Martin
Brandon Mills
Dakota Roach
Zane McCoy
Bennett Franklin
Lance Marqers

Division One: The Cheese Wheelz – Finished in the Top 10 and Won Best Robot Design
Kendra Fetty
Allison Harris
Nicholas Servis
Nath Kuegler
Jordan Martin
Aaron McConville
Abby Huffman
Adrianna Novilla
William Huffman

November 2011 Employees of the Month

Employees of the Month were recognized for going “above and beyond” their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for November, 2011:

Appomattox Primary School:
Rebecca Deike
Regina Pankey
Brandy Wells

Appomattox Elementary School:
Myrtice Pinelli

Appomattox Middle School:
Laura Taylor

Appomattox County High School:
Sara Bowles

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the November 30, 2011 Membership Report which indicated the total funded ADM was 2,186 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 1)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 2)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The VSBA Orientation for New School Board Chairs/Vice-Chairs and Orientation for New Board Members and Superintendents will be held in Richmond on January 30, 2012. Mr. Smith and Mr. Torrence are registered to attend the Orientation for New School Board Members. The deadline for registration is January 9, 2012 and the cost is $140.00 per person.

The VSBA Legislative Conference will be held in Richmond January 30-31, 2012. Mr. Waddell and Dr. Grasty are registered to attend. The deadline for registration is January 9, 2012 and the cost is $150.00 per person.

VSBA has requested candidate suggestions for individuals interested in serving on the VSBA Insurance Services Supervisory Board. Should the Board decide to take action concerning this information, it could be added to the January 2012 Interim and Organizational Meeting Agenda.

VSBA has requested the name of an official voting representative to serve at the annual or a special meeting of the VSBA Insurance Services Programs. Should the Board decide to take action concerning this information, it could be added to the January 2012 Interim and Organizational Meeting Agenda.

Information **from the Schools and Division Offices**

School and division newsletters were distributed to Board Members for their information and review.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Use of School Facilities – A report of the use of school facilities by outside groups, as well as internal school groups, was provided to the Board. The report revealed hundreds of events have taken place from July 1, 2011 to the present date. (See Attachments # 3 and # 4)

2. Discussion of Old County Library – A structural engineer has deemed the building safe for use, pending anchoring the chimney to the building and completion of various maintenance improvements that can be accomplished by our maintenance department. The school division still owns this property and the Board of Supervisors has requested the School Board inform them of our intentions concerning use of the building. Mr. Edwards indicated the middle school could use the back of the building for Day Treatment Services and the large front room could serve the school division quite well as an additional meeting facility for staff.

3. Update on APS PPEA Project – The primary school construction project was reported to be ahead of schedule and under budget. (See Attachment # 5)

4. Update on Energy Management Solutions – Two options concerning energy management were presented to the Board that would require school division funds. Following a lengthy discussion, the Board opted not to contract with an energy management vendor at this time due to budget restrictions. (See Attachment # 6)

5. Other Information: Radio Bid - Meetings have been held with four potential providers who will submit proposals in early February, 2012. A final decision should be made by the end of February.

Technology Conference Report

Mrs. Susie Fisher, ITRT, reported on the excellent Educational Technology Leadership Conference she and Mr. Danny Richardson attended in November. She stated they received invaluable information that will be used in our school division.

Wide Area Network Request for Proposals

Mr. Brette A. Arbogast, Director of Technology and CTE, discussed the RFP (Request for Proposal) that will be issued for WAN (Wide Area Network) connection. He stated our current contract will expire June 30, 2012 and the RFP will include a request for any and all proposals which will include e-rate discounting as well as those not eligible for discounts. One proposal would be for a lease option that could be discounted. The other proposals will not be e-rate eligible but are being requested as we are exploring the overall costs of ownership. Should it prove to be cost efficient to pay a one-time out of pocket cost that would eliminate our annual expense for WAN connection, we may investigate this solution. This would be beneficial for our school division as well as the county to increase both school connection speeds and possibly connection alternatives for county residents.

January is Bullying Prevention Month

Dr. Grasty noted the Virginia School Boards Association has designated January as Bullying Prevention Month. She provided the Board with anti-bullying activities that will take place in our schools during the month as well as a proposed resolution for School Board consideration of approval. (See Attachment # 7)

Update on 2012-2013 School Calendar

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, provided an update on the 2012-2013 School Calendar. She presented the following three

calendar options that had been shared with staff and stated the majority of those responding to a recent survey favored Calendar # 1 with some minor modifications.

Calendar # 1: Parent Teacher Conferences not in calendar. Professional dev. days are backed up against Holidays for students (Students have 1 week at Thanksgiving - teachers 3 days. Students have 8 days at spring break; teachers have 5) 2nd semester starts on Friday, January 18 (Holiday on Monday, January 21) which gives teachers a planning day at the end of 3rd nine weeks. (See Attachment # 8)

Calendar # 2: Parent Teacher Conference Day scheduled at end of 1st nine weeks; 2nd semester starts on Tuesday, January 22 to coincide with Martin Luther King, Jr. Day; lose the March 28th planning day. Professional development days are at the end of the nine weeks instead of backing up to student holidays. (See Attachment # 9)

Calendar # 3: Parent Teacher Conference Day scheduled at end of 1st and 3rd nine weeks. Professional development and teacher planning day combined at end of 3rd nine weeks. Last day of school June 6 so end of the year work days go into the next week. (See Attachment # 10)

Mr. Waddell voiced his support of Calendar # 1.

Mrs. Martin suggested the calendar be adjusted to begin Christmas Break prior to Monday, December 24, 2012.

Mr. Smith requested exploring extending each school day by thirty minutes and reducing the number of days while maintaining the required instructional hours. He estimated this would create a savings that would assist in the upcoming budget.

Mrs. Garrett requested Mr. Smith's proposal be investigated and information be provided to the Board. The superintendent stated she would be glad to compile the requested information.

FY 2013 Budget Goals

Dr. Grasty noted the FY 2013 Budget Process established December for the development of budget goals by the School Board. She stated the following goals were suggested by Board Members at the November 21, 2011 meeting and requested guidance from the Board concerning deletions or additions:

1. Request Salary Increase for All Staff
2. Keep Employee's Take-Home Salary Whole
3. Employ a Full-Time Art Teacher
4. Increase the Band Budget
5. Address Efficiency in the Areas of Energy/Utilities and Supplies
6. Repair the Lighting in the ACHS Auditorium to Make it Safer

The Board made no changes to the FY 2013 Budget Goals that were previously discussed. Mrs. Martin, Mr. Waddell, and Mrs. Garrett emphasized the need for a salary increase for all staff.

FY 2013 Budget Goals will be submitted to the Board at the January, 2012 Regular Monthly Business Meeting for adoption.

Discussion of 2012 Draft School Board Meeting Calendar

The Draft 2012 School Board Meeting Calendar was presented. Board Members were requested to make suggestions for changes that should be made prior to the adoption of the calendar at the January, 2012 Organizational Meeting. The superintendent recommended inviting the Appomattox County Board of Supervisors to join our Board for the proposed September 27, 2012 tour of schools.

January 2012 Organizational Meeting

The superintendent recommended the following items be considered at the January, 2012 Interim and Organizational Meeting:

1. Elect Chairman and Vice-Chairman
2. Appoint Clerk and Deputy Clerk
3. Appoint Designee to Attend School Board Meetings in the Absence of the Superintendent
4. Appoint Purchasing Agent
5. Appoint Records Officer
6. Appoint Representative to the LAUREL Regional Program Board
7. Appoint Representative to the Central Virginia Governor's School Board
8. Appoint Representative to the Appomattox County Education Foundation Scholarship Committee (ACEF)
9. Establish the 2012 School Board Meeting Schedule
10. Adopt Roberts Rules of Order
11. Adopt VSBA Code of Conduct for School Board Members

Appreciation Extended to Mrs. Garrett

Dr. Grasty noted this was Mrs. Garrett's last School Board Meeting and extended appreciation to her for her service to the children of Appomattox County Public Schools. Mrs. Garrett has served during the past four years as a Board Member and as Chairman during 2011.

ACTION ITEMS

Consideration of Second Reading and Adoption of Revised Policies

It was moved by Mrs. Martin and seconded by Mr. Waddell to adopt the second reading and adoption of the following revised policies as presented and recommended by the superintendent:

1. JEC-R - School Admission
2. JGD/JGE - Student Suspension/Expulsion
3. JGD/JGE-R - Student Suspension/Expulsion
4. KG - Community Use of School Facilities
5. KG-R - Community Use of School Facilities

By unanimous voice vote, the motion was approved. (See Attachments # 11 - # 15)

Consideration of Approval of Request for Admission as Out-Of-County Tuition Student for 2011-2012

It was moved by Mr. Smith and seconded by Mr. Waddell to approve the request for admission of an out-of-county tuition student for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 16)

Consideration of Adoption of Bullying Prevention Month Resolution

It was moved by Mr. Waddell and seconded by Mrs. Martin to adopt the Bullying Prevention Month Resolution as presented and recommended by the superintendent. By roll call vote, the motion was approved. (See Attachment # 17)

Consideration of Approval of Lease Agreement for Use of Gymnasium at the Carver-Price Educational Complex (Old Elementary School)

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the lease agreement for use of the Carver-Price Educational Complex Gym (Old Elementary School) by the School Wrestling and Competition Cheerleading

Programs and as an exercise area for Appomattox County Alternative Education students as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 18)

Consideration of Approval of Fee Increase for Adult Nurse Aide Class

Mr. Arbogast presented the Board with information concerning the request to increase the fee charged for the Adult Nurse Aide Class which was needed to cover the increased cost for textbooks. (See Attachment # 19)

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve increasing the fee charged for the Adult Nurse Aide Class from $350.00 to $400.00 effective, January 1, 2012. By unanimous voice vote, the motion was approved.

Consideration of Establishing January 5, 2012 as the Interim and Organizational School Board Meeting

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the Interim and Organizational Meeting of the Appomattox County School Board be held Thursday, January 5, 2012 at 5:00 p.m. in the School Administration Building in Appomattox. By unanimous voice vote, the motion was approved.

Consideration of Approval of Overnight Trip Request

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the overnight trip request to Baltimore, Maryland, April 26 - 28, 2012, for the Senior Class of Appomattox County High School as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 20)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated November 30, 2011. (See Attachment # 21)

APPROVAL OF BILLS

Mr. Waddell moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $154,683.95 – General Fund (See Attachment # 22)
2. $ 46,184.82 – School Food Fund (See Attachment # 23)
3. $768,109.55 – APS PPEA Construction Fund (See Attach. # 24)
4. $ 34,763.79 – General Fund End-Of-Month (See Attachment # 25)
5. $ 84.37 – School Food End-Of-Month (See Attachment # 26)

Mrs. Martin seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETING

The next meeting of the Appomattox County School Board will be held Thursday, January 5, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. This will be an interim and organizational meeting.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report, employee #10233 and former employee #10522.
2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,
3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Waddell seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 27)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as amended and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Change in Assignment 2011-2012:

Laura W. Evans – Student Information Specialist – From: Temporary Assignment To: Permanent Assignment – Appomattox County Public Schools. Effective: December 12, 2011.

Family and Medical Leave Act 2011-2012:

Ashley D. Ferguson – Teacher – Appomattox Elementary School – Effective: January 11, 2012.

Medical Leave 2011-2012:

Myrtice D. Pinelli – Teacher – Appomattox Elementary School – Effective: January 27, 2012.

Long-Term Substitutes 2011-2012:

Amy Poole – Long Term Substitute – Appomattox Elementary School - Substituting for Ashley Ferguson. Effective: Approximately January 11, 2012 through January 18, 2012.

Mary A. Bennett – Long Term Substitute – Appomattox Elementary School – Substituting for Ashley Ferguson. Effective: January 19, 2012 through April 16, 2012.

Substitute Teachers 2011-2012:

Amy B. Dahlin
Marie Eaton-Jones
Randall L. Fish
Kimberly D. Magruder
Vicky D. McFadden
Carrington W. Pritchard
Ashley M. Reynolds
Teresa H. Reynolds
Laura E. Squier
Ashley S. Thompson

Substitute Food Service 2011-2012:

Joyce O. Baldwin .

ADJOURNMENT

There being no further business, Mr. Waddell moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was recorded.

_____
Bobby K. Waddell
Vice-Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 27

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Garrett	-	Yes
Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Waddell	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: December 15, 2011

CERTIFICATE of RECOGNITION

By virtue of the authority vested by the Constitution in the Governor of the Commonwealth of Virginia there is hereby officially recognized:

SCHOOL BOARD APPRECIATION MONTH

WHEREAS, the Commonwealth of Virginia is proud of its educational system and is appreciative of the efforts of local school board members to make the Virginia public school system an excellent place in which to educate its youth; and

WHEREAS, local school boards have devoted themselves to providing a high quality education for all students of the Commonwealth; and

WHEREAS, this year's theme, "Leading Today for Tomorrow" is a testimony to the importance of education in all walks of life; and

WHEREAS, the contributions of these men and women should be recognized and appreciated by all who benefit from our public school system;

NOW, THEREFORE, I, Robert F. McDonnell, do hereby recognize February 2012 as **SCHOOL BOARD APPRECIATION MONTH** in our **COMMONWEALTH OF VIRGINIA,** and I call this observance to the attention of our citizens.

Robert F. McDonnell
Governor

Janet V. Polarek
Secretary of the Commonwealth

CERTIFICATE of RECOGNITION

By virtue of the authority vested by the Constitution in the Governor of the Commonwealth of Virginia, there is hereby officially recognized:

PRINCIPALS APPRECIATION WEEK

WHEREAS, the education of Virginia's youth is to be a positive and enlightening experience in which children develop a love of learning in and out of the classroom and become hard-working citizens who make a positive contribution to society; and

WHEREAS, parents are to guide their children in every aspect of life, and as such, entrust teachers and principals to demonstrate leadership and be proactive role models while their children are at school; and

WHEREAS, the influence that principals, teachers, and parents have on the Commonwealth's youth should be one of independence, morality, and character that is developed through academics, athletics, extra-curricular activities and social interaction; and

WHEREAS, principals incessantly strive for academic accountability through Virginia's Standards of Learning, and continue to provide guidance to teachers and other professionals in the school as they work tirelessly to increase their students' academic successes; and

WHEREAS, the labors of principals help students to develop and reach their goals, academic professionals recognize that each student is an individual with differing needs for growth and success; and

WHEREAS, through their diligence, enthusiasm, perseverance, and guidance, principals provide educational leadership throughout our Commonwealth so that our students thrive now and indefinitely;

NOW, THEREFORE, I, Robert F. McDonnell, do hereby recognize February 5-11, 2012 as **PRINCIPALS APPRECIATION WEEK** in our **COMMONWEALTH OF VIRGINIA**, and I call this observance to the attention of all our citizens.

Middle Years

Working together for school success

Short Stops

Happy New Year!

New Year's resolutions can help your child form good habits. This year, have her think of resolutions for your family, like exercising together once a week. Then, come up with a plan, such as walking on Saturday mornings, and motivate each other to stick with it.

Internet pledge

To help protect your middle grader when he uses the Internet, consider creating a safety contract. Put rules in writing ("I will not give out personal information," "I will not talk to strangers"). Then, have him sign the pledge and post it near the computer. *Tip:* Find sample rules at *www.safekids.com/contract.htm*.

Promptness, please

Being at her desk when the bell rings means your child won't miss important announcements or class instruction. Suggest that she add a five-minute "cushion" to her morning so she has time to deal with the unexpected (a missing shoe, an early bus).

Worth quoting

"A mind that is stretched by a new experience can never go back to its old dimensions."
Oliver Wendell Holmes Jr.

Just for fun

Q: A man went out in the rain without an umbrella or a hat, yet not one strand of hair got wet. How is that possible?

A: He was bald!

Friendly reading

Looking for a way to motivate your children to read regularly and enjoy books? Have them turn reading into a social event! Sharing reading with friends can improve comprehension and keep youngsters motivated to read through the middle years. Try these ideas.

Reading buddies

Your children might plan to read with friends at libraries or at one of their houses. Suggest that they each take a novel to read or share some magazines. This is also a good way to tackle books they're assigned for class. They can discuss passages they like or ask for help with parts that aren't clear.

Book clubs

Encourage your youngsters to find out whether the public library or school media center offers book clubs. Or they could start their own groups with several classmates. The students can choose a book to read and pick a date to get together and talk about it. Each member could take several titles to the meetings so the group will have plenty to choose from.

Social networking

Online reading communities are fun places for kids to swap book recommendations and express opinions about what they read. They can rate and review books at *www.goodreads.com*. Using the site regularly is a good way to keep track of titles they've read, too. At *www.youarewhatyouread.com*, each reader can leave a "bookprint"—a list of all-time favorite books. They'll also be able to see which books their friends like best, and why.

Go, team!

Cheering on the home team with good sportsmanship shows class. Your child can help her school and team earn a nice reputation with these suggestions:

- Show school pride by wearing team colors on game days and to sporting events.
- Hold up signs that encourage the home team. ("Go, Hawks!") Avoid slogans or messages that put opponents down.
- Join in positive chants and cheers to spur on your team ("De-fense! De-fense!"), and don't boo the other team.
- Respect referees' and officials' calls by keeping negative thoughts to yourself. Remember that just one angry fan can turn the tide of a crowd.
- Be courteous to fans, players, and coaches of other teams if you run into them before or after a game.

© 2011 Resources for Educators, a division of CCH Incorporated

Let's talk!

Something seems to be on your middle grader's mind, but you can't get her to open up. Or you've disagreed about a decision, but she's not interested in talking about it.

The words you choose can make a difference in whether discussions take off or end quickly.

Starters

These comments invite further conversation by showing you care about what your child has to say. They also demonstrate that you're willing to listen rather than interrupt with your own opinions or solutions. Try conversation openers such as:

- "Tell me more about that."
- "How do you feel about it?"
- "I can tell this really matters to you. Why do you think that is?"
- "What would you like to see happen?"

If your youngster knows she can talk without being judged or lectured, she will be more apt to share her feelings.

Enders

These phrases can give your middle schooler the impression you're not interested in a two-way conversation or that you don't respect her feelings. Try to avoid saying things like:

- "I'm the adult."
- "Don't argue with me."
- "You shouldn't feel that way."
- "You don't know what you're talking about."

If your child is afraid you'll criticize, she'll be more likely to keep her thoughts to herself.

Fun with electives

One exciting thing about middle school is that your child gets to take electives. Here are ways he can decide which subjects to choose—and get the most out of them.

Start by scanning the course offerings together. Look for classes that match his interests (photography, poetry) or that help him explore careers (computer programming, journalism). He can ask his school counselor about specific courses or get input from teachers on what kind of assignments he'll have.

Then, when your tween takes electives, ask him to introduce your family to what he's learning. You might take family "field trips." For example, visit an art museum if he's taking painting, or head to a local creek if he's studying environmental science. Also, you can show support by attending a school play if he's in charge of sound effects, or you might display a table that he built in shop class.

Q&A

Jump right in!

Q *My son waits until the last minute to start school projects. Then, he ends up stressed out and doesn't do his best. How can I help him change this?*

A When it comes to projects, getting started might seem like the hardest part. But the longer your child puts it off, the tougher it can be to do a good job and finish on time.

As soon as he knows about a project, he should write the steps in his planner, making sure to allow enough time for each one. For example, to do a science project, he'll need to gather materials, set up the experiment, collect and record data, and analyze results. If he sees the steps broken down, getting started might not seem overwhelming.

Let him know that the important thing is to do something each day, no matter how small, so that he keeps moving forward.

Parent to Parent

Smart spending

When my daughter Alyssa reached middle school, she started asking for money to spend on things like weekend outings and trendy jeans. These extras usually weren't in my budget, and I wanted her to learn about making good spending choices for herself.

I started giving her a small allowance so she could pay for non-necessities and get comfortable managing money. We talked about ways to be responsible with her allowance, like shopping around for the best price and thinking carefully about each purchase. I suggested that she ask herself if she'd rather save the money for something else, if the purchase was something she could wait for, or if she could live without it altogether.

Alyssa's been getting her allowance for a month. Last Saturday, she invited a friend over instead of meeting at the mall for lunch so she could save for jeans. I'm glad she's learning to make these choices now so she'll be more prepared to manage her own budget when she's older.

OUR PURPOSE

To provide busy parents with practical ideas that promote school success, parent involvement, and more effective parenting.

Guidance News

"VIEW"

During the month of November, Mr. James conducted a two day guidance lesson on careers with all 7th grade students during their social studies class.

Students explored and researched careers using the Virginia VIEW (Vital Information for Education and Work) website (www.virginiaview.org).

On the first day of the lesson, students completed a survey regarding their interests and were matched to a career cluster/family based on the activities the students found most interesting. On the second day of the lesson, students spent the day exploring the careers they matched and completed a questionnaire on the career they wanted to enter. Students discovered the duties, skills, working conditions, salary, educational requirements, job outlook, and high school related subjects for all occupations including the one they were most interested in pursuing. Virginia VIEW also provided students with a list of colleges and trade/technical schools that prepare students for each career.

University of Virginia 2012 Summer Enrichment Program

Mission: Our mission is to engage gifted and/or high ability students in high quality learning experiences designed to cultivate interest and potential in a wide variety of fields and disciplines. Our program focuses on meeting both the cognitive and affective needs of these learners while fostering a passion for lifelong learning and leadership.

Launch Your Potential!

2012 Program Date

Session I

June 17–June 28

Session II

July 1–July 12

Session III

July 15–July 26

Points of Interest

- This program serves students currently enrolled in 4th—10th grade
- The camp is a 12 day residential experience. Students live on-grounds at UVA and attend classes at nearby private school.
- SEP is grounded in best practices in
- curriculum and instruction. We have a dynamic staff of experts in gifted education and fields ranging from engineering and architecture to economics.
- The program has been offered for over 30 years.

On-line application and more program information available at:
http://curry.virginia.edu/sep
*Applications are available December 15, 2011 and are due February 15, 2012

SCHOOL BUS SAFETY RULES

Students Riding a School Bus Should Always:

• Arrive at the bus stop 5 minutes early.

• Stand at least 5 giant steps (10 feet) away from the edge of the road.

• Wait until the bus stops, the door opens, and the driver says its okay before stepping onto the bus.

• Be careful that clothing with drawstrings and book bags with straps or dangling objects do not get caught in the handrail or door when exiting the bus.

• Check both ways for cars before stepping off the bus.

Crossing Students Should:

• Walk in front of the bus; never walk behind the bus.

• Walk on the sidewalk or along the side of the road to a point at least 10 giant steps ahead of the bus.

• Be sure the bus driver can see students, and they can see the bus driver.

• Wait for the driver's signal to cross.

Things Students Should Know About School Bus Safety:

• The bus driver and others cannot see you if you are standing closer than 10 feet to the bus. Stay out of the danger zone!

• If something falls under or near the bus, tell the driver. NEVER try to pick it up yourself!

• While waiting for the bus, stay in a safe place away from the street.

• When you get on or off the bus, look for the bus safety lights and make sure they are flashing.

• Be alert to traffic. When you get on or off the bus, look left, right, left before you enter or cross the street.

• When the driver says it is safe to cross the street, remember to CROSS IN FRONT of the bus.

• Stay in your seat and sit quietly so that the driver is not distracted.

Things Parents Should Know About School Bus Safety:

• School buses are the safest form of highway transportation.

• The most dangerous part of the school bus ride is getting on and off the bus.

• Pedestrian fatalities (while loading and unloading school buses) account for approximately three times as many school bus-related fatalities, when compared to school bus occupant fatalities.

• The loading and unloading area is called the "Danger Zone"

• The "Danger Zone" is the area on all sides of the bus where children are in the most danger of not being seen by the driver (10 feet in front of the bus where the driver may be too high to see a child, 10 feet on either side of the bus where a child may be in the driver's blind spot, and the area behind the bus).

• Half of the pedestrian fatalities in school bus-related crashes are children between 5 and 7 years old.

• Young children are most likely to be struck because they:

• Hurry to get on and off the bus.

• Act before they think and have little experience with traffic.

• Assume motorists will see them and will wait for them to cross the street.

• Don't always stay within the bus driver's sight.

"School buses are the safest form of highway transportation."

Employee of the Month for November

Ms. Laura Taylor

For your loyalty, commitment and devotion to the students and staff @ AMS! Thank you Ms. Taylor for all that you do!

Sugar Babies Kidnapped at AMS

Mrs. G. Hunters' health class started their sugar baby project this week in health class. December 12-16, each 8th grade girl created and cared for their baby all week. The new moms completed a Journal and cared for their tiny sweet babies. Each baby weighed around 5 pounds, so the girls increased their bicep and tricep strength during the week's activities. On December 14 the babies were kidnapped from Mrs. Meissners' New Hall Way Day Care. Mrs. Meissner was shocked by this tragic event. When Mrs. Hunter learned of the event she reported to the scene of the crime and did a report on the Day Care Center. Mrs. Meissner received a poor rating for her day care facility and was fined for all the infractions. She was warned to come up to code next year or alternate day care plans must be met. When the reporters interviewed the babies' moms, they were beside themselves. When one of the new moms accused Mrs. Hunter of kidnapping the babies because of her sugar addiction, Officer O'Brien cleared Mrs. Hunter after the lie detector test was administered. Mrs. Hunter then assured the four moms NO points would be deducted because of this terrible day. The AMBER alert went out. AMBER ran all over the halls of AMS and informed the school of the kidnappings. Each mom was interviewed and a TV report was placed on the local TV and radio stations.

Ms. C Williams was interviewed and said, "Where is my baby, I miss M-ulies so much." Ms. I DeLaCruz through her tears said, "I want my baby back, I will do anything to get Allyson back." Ms. DeLaCruz asked Officer O'Brien to assist in the investigation. Officer O'Brien replied, "It's out of my jurisdiction." Officer O'Brien claimed he wouldn't touch it with a ten-foot pole. He would have to be paid extra.

BASKETBALL SCHEDULE FOR JANUARY 2012

Tuesday January 3	Boys Basketball	Monticello	Away	5:30pm
Wednesday January 4	MS Basketball	Cumberland	Away	5pm

Appomattox Middle School
Mr. Todd Reichert, Principal

Middle Years

Working together for school success

Short Stops

Games galore

Board games are entertaining and educational. Simply having them lying around can make your middle schooler more likely to play Trivial Pursuit, Monopoly, Clue, or Scrabble wherever family members tend to gather (living room, kitchen). Then, when you have free time, suggest that you play a game together.

After-school greetings

If you're not home when your child returns from school, you can still greet her with a cheerful "hello." Leave a note on the counter or a voice mail on her phone. ("Thinking of you. I'll be home around 5 p.m. We're having tacos for dinner!")

Volunteering from home

Too busy during the day to help out at your youngster's school? Ask in the school office about ways to volunteer outside the building (email parents about events at the school, do fund-raising paperwork). Let your child see you working on these projects—he'll know that you care about his school.

Worth quoting

"Attitude is a little thing that makes a big difference."
Winston Churchill

Just for fun

Q: Why did the frog say "meow"?

A: Because he was learning a foreign language.

I like me!

Middle schoolers who feel good about themselves have an advantage during the tween years. They're less dependent on impressing others, and they tend to face challenges with confidence. Here are some ways to build self-esteem in your child.

Be realistic. If your youngster is like many middle graders, her view of herself (outgoing or shy, artsy or athletic) is based on where she fits in among her peers. But instead of comparing herself to others, urge her to recognize her strengths and sustain them. If she has a knack for acting, for instance, suggest that she take drama classes, try out for school plays, or attend community productions.

Choose friends wisely. Encourage your child to spend time with people who build her up and to avoid those who put her down or talk behind her back. She might invite good friends home more often and stay away from a lunch table full of classmates who are catty. Tip: She should also be a friend to herself. For example, if she misses shots in a basketball game, she can think about what she'd say to a friend in that situation. ("You were great on defense!")

Help others. Making a difference in another person's life can boost your middle grader's self-confidence. She will take pride in being a leader and a role model. Suggest that she tutor younger students at school or volunteer with children's programs at a community center or place of worship. Or she could ask her school counselor about peer mentoring programs.

In the know

From politics and business to health and entertainment, there's always something interesting going on in the world. Motivate your child to stay informed about current events with these ideas.

1. Start a habit. Stay up to date as a family. You might listen to morning news on the way to school, watch the evening news on TV after dinner, or email interesting articles to each other on a regular basis.

2. Make it relevant. Talk about how articles relate to your middle grader's life. For example, a new state law might determine when he can get a driver's license, while school lunch legislation could affect what he eats in the cafeteria.

© 2011 Resources for Educators, a division of CCH Incorporated

Bringing science home

Science doesn't have to take place in a lab. In fact, your middle grader can use science skills to solve household problems. Suggest these experiments.

Recommend a product. Next time your child comes home with grass stains on his pants, give him two brands of a stain remover. Ask him to try both and compare the results. For a controlled experiment, he needs to use an equal amount of each product—one stain remover on one pant leg and one on the other—following the directions on the bottles. Which one works better?

Conserve energy. Do family members leave electronics plugged in? Your youngster can help you save energy by only plugging in devices (laptop, iPod, phone) when they need to be charged. Have him let the items' batteries die completely and then fully charge them. He can write down how long it takes to charge each one, let the batteries die again, and write down how long each one lasted. Scientists use repeated trials for accuracy, so he should do this three times per device. Using the data, he can calculate the average life of each battery and draw a conclusion. ("My phone battery takes 45 minutes to charge and lasts about 50 hours. I need to plug it in every other day for 45 minutes.")

Family outings

Where does your family like to go during the winter? Here are a few free or low-cost outings to enjoy together.

■ **Stay fit.** Head to a local park and take advantage of hiking trails or sledding hills, or look for indoor activities like bowling and ice skating. You might also consider taking a family class (martial arts, yoga).

■ **Plan a day trip.** Check out websites or call tourism offices in nearby towns for new ideas. Perhaps you'll discover a pet show at a convention center, a winter festival in a historic district, or a factory that offers behind-the-scenes tours.

■ **Watch sports.** Attend winter events at a local high school or college. Try gymnastics meets, basketball games, or wrestling matches.

OUR PURPOSE

To provide busy parents of high school students with research, strategies, practical information, and tips to assist in parenting teenagers for success.

Q&A Still creative

Q *My daughter used to love arts and crafts, but she seems to have lost interest. How can I encourage creativity at this age?*

A Creativity helps children express feelings and improves thinking skills. To rekindle your daughter's creative side, try suggesting projects that appeal to her age and interests.

For example, your youngster might enjoy making music videos with friends. Let them use a cell phone camera or laptop webcam to record themselves lip-synching to favorite songs. They can design different backgrounds or experiment with special effects on the computer.

If your middle schooler likes to take pictures, she could make a slide show of her favorite photos and set it to music on a laptop or tablet.

Or if cooking is her thing, suggest that she try cupcake decorating. She can use food coloring, toppings, and cake decorating tools to add creative touches to treats—and share them with the family when she's finished.

Parent to Parent: Stand up to bullying

My son Lance came home laughing because some classmates shoved a student into a locker. When I asked Lance what he did about it, he looked surprised and said, "Nothing."

I told him what I had read in an article recently: when kids laugh or do nothing, they encourage bullies to keep bullying. Lance said he hadn't thought of it that way. So we talked about how he can respond when kids are picked on. If he feels like he can help the victim without getting hurt, he should step in and then walk away with the victim to the nearest adult. If he's afraid, he should get an adult immediately.

Although this incident was unfortunate, I'm glad the topic came up. The next time Lance sees bullying, I hope he'll think twice. And if he has the courage to speak up, maybe he'll inspire other kids to show bullies that their behavior isn't acceptable.

GUIDANCE NEWS

Career Planning for 8th Graders

Ask an 8th grader for a career plan and you'll probably get one of two answers: "I want to be a [fill in the blank]." or "Career what?" Either way, many students will have little in the way of an actual "plan" for their future. Many students don't start career planning until college rolls around, and that's not enough time. Without proper preparation in high school, many 8th graders will miss out on the chance to pursue a dream career.

Virginia Wizard and Virginia View help students get a jump on career planning. The students have taken career assessment tests and have started mapping a route to their career choices. Next month in Civics class, 8th graders will be drafting their own high school schedules, a rough draft anyway. The intent is to get students thinking about their future by understanding what classes they will need to take in high school in order to succeed in a college and career.

Like the idea? Here are some ways you can introduce 8th graders to career planning:

*Encourage your student to take career assessments available on line.

*Visit the high school and get your student thinking about the years ahead.

*Review the list of high school classes available in our course directory, then have your student create a rough schedule.

*Get your student thinking about college majors to match up with career interests. Contact or pay a visit to some of the colleges.

*Introduce your student to a career mentor, or someone who will provide a real sense of the job.

Course registration forms will be coming home for your signature and approval in the next few weeks. Please return these promptly. Additionally, should you desire to set up a personal conference with me and your child, an invitation will be sent home with the course registration form for your student to return. You are requested to indicate the best day and time most convenient for your schedule. I look forward to working with you and your student!

Sincerely,

Mrs. Cooter

8th & 9th Grade Counselor

Thank you for informing the school of your child's absence.

Appomattox Middle School students raise $1122.82 through St. Jude Math-A-Thon®

Students at Appomattox Middle School recently participated in the St. Jude Children's Research Hospital® Math-A-Thon program and raised $1122.82 to help kids battling cancer and other deadly diseases.

"We are so proud of our students for embracing Math-A-Thon and raising critical funds for St. Jude," said Ann Swanberg, coordinator of the event. "Every dollar raised with help support the St. Jude mission of finding cures and saving children in communities worldwide."

Since its inception more than 30 years ago, Math-A-Thon has become one of America's largest education-based fundraisers. More than 10,000 schools across the country participate in the program every year. Math-A-Thon is also one of the most successful fundraising campaigns for St. Jude, having raised nearly $400 million since its inception.

Math-A-Thon allows students to build and practice essential math skills while they raise funds for kids battling cancer at St. Jude. The program works in the following way: Teachers serve as volunteer coordinators for Math-A-Thon at their school. Participating students solve math problems in a printed or online Funbook. Students ask family and friends for donations in support of their participation in the Math-A-Thon. All donations are sent to St. Jude, where no child is ever turned away because of the family's inability to pay.

St. Jude has teamed up with Scholastic Inc. to make Math-A-Thon a more valuable resource for teachers as they prepare students for standardized testing. The print and online versions of Math-A-Thon Funbooks contain colorful activities developed by Scholastic. The activities support National Standards and are aligned to the National Council of Teachers of Mathematics (NCTM) focal points for each grade level from K–8. The online version of the Funbook allows students to complete grade-specific activities like those offered in the print version but in an engaging game format that tracks points for the student.

For more information on how to host your own Math-A-Thon event, call 1-800-FUNBOOK (386-2665) or visit www.mathathon.org.

About St. Jude

St. Jude Children's Research Hospital is internationally recognized for its pioneering work in finding cures and saving children with cancer and other catastrophic diseases. St. Jude is the first and only pediatric cancer center to be designated as a Comprehensive Cancer Center by the National Cancer Institute. Founded by the late entertainer Danny Thomas and based in Memphis, Tenn., St. Jude freely shares its discoveries with scientific and medical communities around the world. St. Jude is the only pediatric cancer research center where families never pay for treatment not covered by insurance. No child is ever denied treatment because of the family's inability to pay. St. Jude is financially supported by ALSAC, its fundraising organization. For more information, go to www.stjude.org.

Noticias del Club Español

El club español de ACHS & AMS ha contribuido con su comunidad local:

1. **Recibimos muchos paquetes de galletas y los llevamos a Las casas de los Ancianos Locales.**
2. **Contribuimos con la Operación Navidad de la escuela Primaria.**
3. **Ahora estamos planeando un viaje educacional en el mes de febrero.**
4. **Lo último que haremos este ano será una cena con todos los miembros del Club.**

Señora Walker & Señora Donghia

2012 Appomattox Middle School Spelling Bee

Congratulations! go to 8th Grader, Caitlin Huffman, for winning the 2012 Appomattox Middle School Spelling Bee! She is quite a champion! Competing in more than 15 rounds, Caitlin really demonstrated her spelling capabilities.

Our 1st runner up is 7th Grader, Harmonie Elliott. She grappled with Caitlin in a grueling battle, and spelled with gusto!

The 2nd runner up is Tristan Hensley, who demonstrated tenacity and a great attitude.

25 Students competed in a challenging contest. Everyone did their best and they **DID** shine!

Caitlin will be representing our school at the spelling bee in Lynchburg next month. If she cannot attend, Harmonie will step into her place to represent AMS.

Science Fair News

What: **Science Fair** (display of home project)

When: February 21, 2012

Who: 6th, 7th and 8th grade students!

It is time for Appomattox students to shine, shine, shine! Put on your Science cap and design an experiment of your very own!

Projects are due in your Science class on or before February 14th. Top projects will be selected from each class to participate in the AMS Science Fair!

Projects will be selected from winning projects to participate in the Central Virginia Regional Science Fair this Spring! The Central Virginia Regional Science Fair is the local sponsor of the Discovery Challenge to give young scientists in grades 5-8 the opportunity to be recognized for their scientific interests. ***This fair is held at Heritage High School.***

SCHEDULED For

AMS & ACHS Students

Parents of Appomattox Middle and High School students are invited to attend a meeting scheduled for **Monday, January 30, at 6:00 p.m.**, in the high school cafeteria. This year's meeting will feature presentations by middle and high school guidance counselors concerning course registration for the 2012-2013 school year.

Mr. Moisis James (6th and 7th grade counselor); Mrs. Darlene Cooter (8th and 9th grade counselor); Ms. Robyn Whorley (10th and 12th grade counselor); and Mrs. Stephanie Allen (11th grade counselor) will discuss the course offerings, SOL requirements, and registration of courses for next year. Ms. Ghana Ramey, Career Coach, will be on hand to answer any questions pertaining to college and career opportunities. Additionally, the Career and Tech teachers from the high school will be available to discuss information regarding their programs. Information relating to class registration will be presented for students currently in grades six through eleven. Please join us for this informational session at the ACHS cafeteria located on first floor of the building. You may park parallel to Hwy. 727 and enter the building using the breezeway entrance.

Freestyle Pictures

Lifetouch will be here on February 16th to take free-style pictures. This will be a good time to capture childhood memories with friends or your favorite school activities (e.g., band, sports, etc.). So get creative and put these memories on film! Groups of friends will be limited to eight (8). Information will be sent home a week prior to picture day. If you have any questions please contact Melanie Furlough, bookkeeper, at 434-352-8257 ext. 4205.

Appomattox Middle School Basketball Schedule

Date	School	Home or Away	Time
January 19th	LCA	Home	5:00 pm/6:15 pm
January 23rd	James River Day School	Away	4:30 pm/5:45 pm
January 26th	Linkhorne	Home	5:00 pm/6:15 pm
February 1st	Middle School Tournament vs. Goochland	Away	7:30 pm-Girls only @ Cumberland Middle
February 2nd	Middle School Tournament Boys will play Goochland @ 5:00 pm Girls will play Cumberland @ 6:15 pm Boys will play Cumberland @ 7:30 pm	Away	Cumberland Middle *Girls games will begin first unless listed otherwise. *Home games will be played at AMS.

Principal's Message

Greetings and Happy New Year!

It is hard to believe we are half way through the school year. It has been a great semester—our students have completed the first round of SOL testing and the results are looking good. Thanks to the teachers and students for their hard work!!

Second semester began on Thursday, January 19. With brand new classes beginning, we are positive the spring will be as successful as this past fall.

Data shows that when students are involved in extracurricular events, clubs, activities, fine arts, and athletics, it enhances achievement and success in school. Please encourage your student to get involved!

Attendance is very important as we enter this spring semester. If a student misses even one day, it is like missing two in year-long classes. The habits we build in our students now will serve them well in post-secondary education and the world of work.

Wishing You My Best,

Martha J. Eagle

All Upcoming Dates Are Tentative based on weather.

Important Upcoming Dates:

Feb. 20 - Holiday - Schools Closed
March 6/7 - Writing SOLs
March 23 - End of 3rd 9 wks
March 26/27 - Student Holidays
March 28 - 4th 9 wks begins
April 9-13 - Spring Break
April 26- 28 - Senior Trip
May 5 - SAT @ ACHS
May 7 - 11 - Staff Appreciation Week
May 15 – FFA Banquet
May 19 – Prom
May 24 – Class Day
May 25 – Senior Picnic
May 28 - Holiday
June 3 – Baccalaureate Ceremony
June 4 – Graduation at Vines Center – Liberty University
June 5/6 - Underclass Exams
June 9- ACT @ ACHS

Senior News - Class of 2012

SENIOR TRIP
April 26-28

January 31 – first payment of $100.00 for the senior trip to Baltimore, MD is due, 2nd payment by Feb 29 and 3rd payment by March 30

January 31 – students will get raffle tickets for a prize basket so they can earn money for the senior trip.

INSIDE LOOK

Bus Safety 2
Parent Meeting 2
Traffic Patterns 3
Spanish Club 3
Bluegrass Concerts 4
ACHS FFA News 5
Activities and College Stats 6

Students from Spanish classes go around and sing for the classes in December. Warm wishes of holiday joy were spread via English and Spanish versions of holiday songs.

Life's most persistent and urgent question is, 'What are you doing for others?' - **Martin Luther King, Jr.**

Bus Safety News

Students Riding a School Bus Should Always:
•Arrive at the bus stop 5 minutes early.
• Stand at least 5 giant steps (10 feet) away from the edge of the road.
•Wait until the bus stops, the door opens, and the driver says its okay before stepping onto the bus.
•Be careful that clothing with drawstrings and book bags with straps or dangling objects do not get caught in the handrail or door when exiting the bus.
• Check both ways for cars before stepping off the bus.

Crossing Students Should:
•Walk in front of the bus; never walk behind the bus.
•Walk on the sidewalk or along the side of the road to a point at least 10 giant steps ahead of the bus.
•Be sure the bus driver can see students, and they can see the bus driver.
•Wait for the driver's signal to cross.

Things Students Should Know About School Bus Safety:
•The bus driver and others cannot see you if you are standing closer than 10 feet to the bus. Stay out of the danger zone!
• If something falls under or near the bus, tell the driver. NEVER try to pick it up yourself!
• While waiting for the bus, stay in a safe place away from the street.
• When you get on or off the bus, look for the bus safety lights and make sure they are flashing.
• Be alert to traffic. When you get on or off the bus, look left, right, left before you enter or cross the street.
• When the driver says it is safe to cross the street, remember to CROSS IN FRONT of the bus.
• Stay in your seat and sit quietly so that the driver is not distracted.

Things Parents Should Know About School Bus Safety:
• School buses are the safest form of highway transportation.
•The most dangerous part of the school bus ride is getting on and off the bus.
•Pedestrian fatalities (while loading and unloading school buses) account for approximately three times as many school bus-related fatalities, when compared to school bus occupant fatalities.
•The loading and unloading area is called the "Danger Zone"
•The "Danger Zone" is the area on all sides of the bus where children are in the most danger of not being seen by the driver (10 feet in front of the bus where the driver may be too high to see a child, 10 feet on either side of the bus where a child may be in the driver's blind spot, and the area behind the bus).
Half of the pedestrian fatalities in school bus-related crashes are children between 5 and 7 years old.
Young children are most likely to be struck because they:
-Hurry to get on and off the bus.
-Act before they think and have little experience with traffic.
-Assume motorists will see them and will wait for them to cross the street.
-Don't always stay within the bus driver's sight.

Parent Meeting - Jan. 30

AMS and ACHS Counselors and Administrators will host an informational meeting for all parents and students incurrent 6th - 11th grades. This meeting will be hosted at the ACHS Cafeteria.
Course registration for the 2012-2013 school year will be discussed, career and technical staff will discuss career programs, and prizes will be available.
We hope to see you on Monday, January 30 at 6:00 p.m. for this important informational meeting!!

ACHS Website

Please check out our website on a daily basis for daily announcements, sports information, and so much more!

DEDICATION – Make a success of living by seeing the goal and aiming for it unswervingly! -- Cecil B. DeMille, American Filmmaker

Swipe Attendance Process:

Great job on this process so far! All students, including CVCC students, are expected to Swipe upon entry and exit of CVCC or ACHS each morning and prior to 3:15. We thank you for your diligence!

"Gratitude unlocks the fullness of life. It turns what we have into enough and more. It turns denial into acceptance, chaos to order, and confusion to clarity. It can turn a meal into a feast, a house into a home, and a stranger into a friend. Gratitude helps us make sense of our past, brings peace for today, and creates a vision for tomorrow." quote by Melody Beattie

Traffic Patterns

The new parent, student, and bus traffic patterns have taken a while to get use, but have proven to be a little less confusing and dangerous. Although settled for now, the schools ultimate goal is to separate all three traffic zones from each other. By having the parent, student, and bus traffic totally separate, the traffic flow will be much more smooth and less congested. We appreciate your patience and cooperation as we analyze the patterns and develop plans toward our ultimate goal. Traffic safety is always an important factor when developing plans for any high school.

YEARBOOK REMINDERS!!!

February 1st is the deadline to order a yearbook **with personalization**. After February 1st, books only can be ordered online (credit card only) or with Mrs. Rothgeb in room 304 (cash or check made out to ACHS Yearbook).

Reminder to pay the remaining balance on partial payments for yearbooks – *especially those with personalization.*

After Prom Committee

The 2012 After Prom Committee is seeking volunteers to help with planning the May 2012 event. Any student, faculty, or parent of students in grades 9-12 are welcome to join the team. If you have any further questions, please contact the ACHS Main Office to put your name on the list! We appreciate you!!

Dress Code Reminders:

Students need to be dressed appropriately for school each day. Holes, baggy pants, and cleavage are the main concerns. Please read the policy and know what is expected!!!

Facility Use:

This process has changed!!! Please see the website at http://acpssharepoint.appomattox.k12.va.us/ACPS/facilitiesuse/SitePages/Home.aspx For forms and an updated calendar!!

ACHS Main Office—352-7146

RAIDERS

Appomattox Bluegrass Concert Series - 2012

Sponsored by the ACHS Athletic Booster Club in the ACHS Auditorium for the following Sundays at 1:00 p.m.:

- January 29 - Michael Cleveland and Flamekeeper with James River Cut-Ups
- February 12 - Bobby Osborne and Rocky Top X-Press with Dixie Ridge
- February 26 - Doyle Lawson and Quicksilver with True Spirit
- Russell Moore & IIIrd Tyme Out with The Epperson Brothers
- March 25 - Daily and Vincent at 2:00 p.m.

www.appomattoxbluegrass.com

Let us think of education as the means of developing our greatest abilities, because in each of us there is a private hope and dream which, fulfilled, can be translated into benefit for everyone and greater strength of the nation."
-- John F. Kennedy

ACHS Athletic Boosters would like to invite you to be a part of their team. They recognize that without parent, business and community support, they would not have the funds needed to support the students and athletes. Please contact Mark Franklin or Brad Harper at 352-7146 to be a part of this team!!!

ACHS FFA Features Community Service and Upcoming Events:

The FFA chapter has put an emphasis on community service during the 2nd nine weeks. A series of service-based learning programs were coordinated to help each FFA member learn the importance of volunteering.

In November, members worked to coordinate the 2nd annual "Big Buck Contest". Proceeds from the contest went to sponsor the processing fees for 1 deer in the Virginia Hunters For The Hungry program. Approximately 25 students entered into the contest. A ground blind was provided to the first place hunter. In coordination with the contest, hunter safety specialist, Robert Tillotson, was the guest speaker at the November FFA meeting. The chapter used the contest to promote both safe and ethical sportsmanship while also helping the Hunters For The Hungry program provide meat to the less fortunate.

In keeping with tradition, 19 agriculture students helped to pick up litter along 1.5 miles of South Church Street in Appomattox. The FFA chapter adopted the portion of the highway. Students collect litter along the roadside quarterly. With much teamwork, students collected 10 bags of litter.

Lastly, the "Holes for Hope" Cornhole tournament took place during early December. Students in all three lunch periods took part in the two-day Cornhole bean-bag toss game to raise money for the Christmas Angel Tree program. Students aimed to raise enough money to sponsor presents for two teenagers. After two successful days and many contributions from the student body and faculty, the FFA chapter collaboratively raised over $140 and purchased presents for three teenage boys. The FFA chapter is grateful to each person who helped make the holidays more enjoyable for the less fortunate in our community.

The FFA chapter just wrapped up its annual citrus fruit fundraiser. We sincerely appreciate all customers and hope that you enjoyed fresh Florida citrus. The fruit sold by the chapter is grown on family owned citrus groves in Florida.

Part of the FFA's mission is to promote career success. In November, sophomore Cory Hodges placed first in the Southside Area Small Engine Troubleshooting Career Development Event (CDE). Cory had to identify tools, engine parts, look up engine parts and prices, take a written practical and repair a small gasoline engine. He will advance to the state finals later in the year. Caleb Baker and Tyler Wallen placed 3rd in the Southside Area Tractor Troubleshooting CDE. Tyler and Caleb worked to repair three different types of diesel tractors. We are proud of their accomplishments.

The agriculture department recently invested in a CNC Plasma machine. The machine uses a plasma cutter and a computer to cut out designs in sheet metal. As part of a special collaborative project with the drafting and marketing departments, the first annual "Holiday Keepsake" project was created. When the ACPS Holiday Keepsake project neared completion in late December, the project was much more successful than planned. At least 23 drafting students submitted over 63 ornament designs. Five designs were selected for mass production. Approximately 15 students in agriculture courses made over 150 keepsakes in 3 days. Thirty-two marketing students were invited to promote and sell the ornaments. Each CTESO made a profit from the enterprise. Drafting students were challenged to design projects that were both eye appealing and mechanically efficient.

They learned how to respond to feedback from manufacturers and how to adjust their creation. Agriculture students learned how to operate complex machinery and technology that is commonplace in most metal fabrication facilities such as Areva, Babcock & Wilcox, Red Acres Equipment, etc. Marketing students took a raw product and created an entrepreneurial business. Students applied pricing, advertising, competition, and delivery. All students involved developed a better understanding of the complex interrelated nature of design, production, and business operation.

Teachers, parents and students were the primary target audience for this project. Students were eager to participate because they quickly grasped the "real world" connections and the necessity for the respective skill sets.

Important FFA Dates:

- Horse Hippology Interest Meeting: January 25, Room 328 @3:30PM
- Central Virginia Livestock Show Interest Meeting, January 26, Room 327, @3:30PM
- Junior Agricultural Mechanics Practice (9th Grade Only), February 2, Room 327, @3:30PM
- Senior Agricultural Mechanics Practice, February 7, Room 327, @3:30PM
- State FFA Degree/Proficiency Award Workshop, February 13, Room 327, @3:30PM
- National FFA Week, February 18-25
- Block and Bridle Livestock Judging Practice, February 28, Room 327 @ 3:30PM
- All State Applications Due, March 21
- Little Farmer's Day, April 26
- Central Virginia Livestock Show, May 5 @ Lynchburg Livestock Market
- Parent/Member FFA Awards Banquet, May 15 @ 6:00PM in ACHS Cafeteria

19 FFA members picked up 10 bags of litter long Route 641, South Church Street as part of the VDOT Adopt-A-Highway program.

ACHS Activity Center

After-School Activity Supervision: Students need to be with a teacher, coach or sponsor for all after-school activities or in Room 114 until the sponsor arrives. Students should not be in the halls, locker rooms, or classrooms without adult supervision.

Senior News - College Stats

54 seniors have applied to college/universities
100 mid term official transcripts will be mailed this week for admission review
23 mid term official transcripts will be electronically scanned this week and sent to college/ universities with an updated secondary school report and recommendation
35 students have reported acceptance letters
13 students have reported that they have committed to 6 college/universities for the fall 2012..those are:

- Mississippi State
- Virginia Tech
- Longwood University
- Lynchburg College
- University of Northwest Ohio
- Old Dominion University

Senior students and parents are reminded to check FAFSA deadlines for each college/ university as those financial aid deadlines vary from school to school and are different from application deadlines. Seniors and their parents are reminded to get a PIN for electronic FAFSA filing by going to www.pin.ed.gov. Only one parent per household needs a PIN while each student needs one.

Tom Yarber, Principal **Karen Cyrus, Assistant Principal**

From the Principal's Desk:

When we know where we want to go, our opportunities to reach our goals increase.
The annual AES survey is one opportunity to know how we can improve.

Please complete the survey below; your student may give it to the teacher who will forward the survey to the main office on or before February 17, 2012.

As always, we thank you for your feedback. All surveys are anonymous.

1. My student and I work together for learning in positive and responsible ways.
   AGREE **DISAGREE**
2. My student reads better aloud and with better comprehension.
   AGREE **DISAGREE**
3. My student has improved in solving mathematical problems.
   AGREE **DISAGREE**
4. My student's discipline is logical and focuses on how to improve respect for self and others.
   AGREE **DISAGREE**
5. My student has been involved in a leadership opportunity (SCA, PTO fundraiser, Jump Rope for Heart, Reward Activity, etc.)
   AGREE **DISAGREE**
6. My student can state why he/she does or does not meet the Accelerated Reader individual or class level goals.
   AGREE **DISAGREE**
7. My student is learning.
   AGREE **DISAGREE**
8. My student would benefit from a volunteer's assistance at least once a week.
   AGREE **DISAGREE**
9. My student and I receive sufficient communication from AES newsletters, notes home, phone calls, etc.
   AGREE **DISAGREE**
10. My student attends a positive, respectful, relevant, and learning-focused school at AES.
    AGREE **DISAGREE**

MARK YOUR CALENDAR:

February 1	100th Day of School
February 2	SCA meeting 3:30-4:30
	Groundhog Day
February 6-8	Otis Lennon
February 14	Lunch w/Dad & Watch DOGS
February 17	Jump Rope for Heart (Gym)
February 20	No School-Holiday
	(Possible Snow Make-Up Day)
February 21	AMS to Visit 5th Grade
	(10:30 in Gym)
February 21-27	Book Fair

VISITORS' PASS:

Parents or other individuals who are in the building for conferences or other school business are required to report to the office to obtain a pass. You may not pass the office without it. Thank You!

Attendance Calls:

When your student is absent, please call the school nurse, Mrs. Lewis, at 352-5411 to let her know. Also make sure you send a parent note or a doctor's note when your child returns to school.

Cafeteria:

If you have any questions about your student's lunch account, call Mrs. Knight at 352-5583.

BUS NOTES:

Written permission is necessary regarding bus changes, walker's bell or pick-ups. **We cannot take changes over the phone.** Information that needs to be on notes are: the students full name, the teacher's name, the desired bus number, the full name of the person's house where your child will be getting off the bus, and the **911 address**. Also, include your phone number in case the school or bus driver has any questions regarding your arrangements.

Please be sure your child knows what to do in case school closes early due to inclement weather, early dismissal or other circumstances. You may fax a note to 352-8134 if changes occur after your child has come to school.

Otis Lennon Testing:

The Otis Lennon School Abilities test is a standardized assessment which will be given to all 2nd and 4th graders in Appomattox County Public Schools this year. Students do not need to study in order to prepare for this type of test. We encourage a good night of sleep prior to the day of testing, and an adequate breakfast. These are done on scan-tron answer documents, so a #2 pencil should be used.

These tests are used only as an additional piece of data to help our schools determine students' learning strengths and needs. Unlike the SOL test, the Otis Lennon is a timed test, and students will take about one hour to complete.

Otis Lennon testing for 4th graders will take place February 6-10, 2012.

If you have any questions, please contact Mrs. Ranson at 352-7463ext. 4365 or mmranson@appomattox.k12.va.us.

Date	Teacher	Time
Monday, February 6	Mrs. Peck & Mrs. Lindsay	10:30-11:30a.m.
Monday, February 6	Mrs. Trent & Mrs. Rees	1:00-2:00 p.m.
Tuesday, February 7	Mrs. Driskill & Mr. Williams	9:30-10:30 a.m.
Wednesday, February 8	Mrs. McCann & Mrs. Carson	9:30-10:30 a.m.

Guidance News:

Team Up for Learning by Attending School Every Day . . . . .

It is so important for student success that each student attend school every day possible. Our teachers work very hard to prepare challenging lessons and when your child misses school, important instructional time is lost.

However, we know it is sometimes necessary for a student to miss school. The division attendance policy states that parents are to notify the school by 9am on any day their child is absent from school. We now have a telephone calling system that calls your home to inform you that your child is not in school. It also reminds you to send a written note when your child returns to school. Absences may be excused or unexcused. An excused absence is an absence followed by a written note from the parent, health care provider or court official. When a parent does not provide a written note, the absence

is considered unexcused until a note is brought to school.

Also, students are expected to be in school the entire school day. Instruction begins at 8:25AM. Students arriving after this time are considered tardy. The instructional day concludes at 3PM. Please make every effort to schedule appointments after school hours and avoid taking children from school before instruction is complete.

There are often unique situations regarding student absences. Please inform the school so we can work together to help students get the most from each school day.

If you have further questions, please call Carolyn Lawson, AES School Counselor at 352-0531.

GROUNDHOG DAY:

According to legend, if the groundhog sees his shadow when he emerges from his burrow on this day, there will be six more weeks of winter.

LUNCH TIMES:

Please post where you can refer to later.

Time	Commons A	Commons B
11:00-11:30	Gillam	Dunevant
11:05-11:35	Lewandowski	Franklin
11:10-11:40	Gregory	Perkins
11:15-11:45	Hamlett	Pinelli
11:20-11:50	Hogan	Jamerson
11:25-11:55	Wells	Hix
11:35-12:05	Nolen	Knaus
11:40-12:10	Barricks	Lankford
12:10-12:40		Ferguson
12:15-12:45	Rees	Trent
12:20-12:50	Peck	Lindsay
12:25-12:55	Carson	McCann
12:30-1:00	Driskill	Williams

WE ARE IN NEED OF A VOLENTEER:

We are in need for someone to take care of our

Fish Tank. It needs some love and care. If you are interested, please contact the school office at 434-352-7463 or just come by.

Need a Tutor? Get Online:

If you have children in the fourth through twelfth grades who need help in a school subject, consider getting a certified virtual tutor.

How does this work?

The service is available seven days a week from 2 p.m. to 1 a.m. Eastern time. Help is offered in Math, Science, Social Studies, and English. Many libraries offer the service, or you can get remote packages to access tutorial help at home.

Students who want to use the service enter a username and password, and then select their subject and grade level. No e-mail address is required.

Once this is done, the student is immediately connected to a tutor in an online classroom. Here the student can chat or work on the interactive white board where there are many virtual tools. Co-browsing the Web and file sharing are also possible.

Students who find a favorite tutor can continue to connect to that person, or review past sessions, anytime they want. The tutors are certified teachers, professors, professional tutors, graduate students, or college students from top universities. They must all pass criminal and reference background checks.

For more information, go to www.tutor.com

For Parents with Learning Disabled Children:

Identify how your child learns best

Everyone has their own unique learning style. Some people learn best by seeing or reading, others by listening, and others by doing. You can help a child with a learning disability by identifying his or her learning style.

The following lists will help you determine what type of learner your child is.

Is your child a visual learner?

- If your child is a visual learner, he or she:
- Learns best by seeing or reading
- Does well when material is presented and tested visually, not verbally
- Benefits from written notes, directions, diagrams, charts, maps and pictures
- May love to draw, read and write; is probably a good speller

Is your child an auditory learner?

- If your child is an auditory learner, he or she:
- Learns best by listening
- Benefits from classroom discussion, spoken directions, study groups
- May love music, languages and being on stage

Is your child a kinesthetic learner?

- If your child is a kinesthetic learner, he or she:
- Learns best by moving or doing
- Does well when he or she can move, touch, explore, and create in order to learn
- Benefits from hands-on activities, lab classes, props, skits and field trips
- May love sports, drama, dance, martial arts, and arts and crafts

Studying Tips for Different Types of Learners

Tips for visual learners:

- Use books, videos, computers, visual aids and flashcards
- Make color-coded or highlighted notes
- Make outlines, diagrams and lists
- Make drawings in colors

Tips for auditory learners:

- Read notes or study materials out loud
- Study with other students
- Listen to books on tape or other audio recordings
- Use a tape recorder to listen to lectures again

Tips for kinesthetic learners:

- Get hands on. Do experiments and take field trips
- Study in small groups and take frequent breaks
- Use memory games or flashcards
- Study with music on in the background

http://helpguide.org

Science Fair Opportunity:

Do you love science experiments? Would you like to design your own test and share your work with an audience? Now is your chance! A.E.S. students are invited to participate in the 4-H Science Fair, which is scheduled for Friday, March 9, 2012, during school hours. Students will need to bring their completed tri-fold boards to school on this day so that other students and judges can view their work. Please see Mrs. Ranson for an information packet by February 10th if you plan to participate.

Science Fair Project ideas:

- How does the weight of different model cars affect the distance they travel when released from a ramp?
- How does the height of the ramp affect the distance my model car travels?
- What is the best way to keep an ice cube from melting?
- Which homemade airplane design flies best?
- Which brand of paper towel is strongest?
- Which brand of baby diaper is most absorbent?
- Does music affect plant growth?
- How much sunlight is best for plant growth?
- Which plant fertilizer works best?

- What type of food allows mold to grow the fastest?
- What brand of bubble gum produces the biggest bubbles?
- Which brand of glue works best on wood?
- Which soda turns flat fastest?
- Which brand of battery lasts longer?
- In which liquid will salt dissolve fastest?
- Which liquid will evaporate fastest?
- Which food will grow mold fastest?

If you have any questions, please contact Mrs. Ranson at 352-7463 ext. 4365 or mmranson@appomattox.k12.va.us.

Compass Math Lab:

Third graders are busy learning their multiplication facts. Please practice all of the facts with your child at home on a regular basis. We use the website fun4thebrain.com during resource each week. Soon we will be multiplying 2 digits by one digit. The faster they know their facts, the easier division will be for them. Practice makes perfect! If you practice a different set of facts each night, you will be amazed how quickly they master them!

Fourth graders are reviewing double digit multiplication and practicing all of their division facts. We will practice long division with remainders at the beginning of the third nine weeks. I will be spiraling back to multiplication and division until SOL's; the extra practice every week will make them experts! Please practice all of their facts with them at home. The website fun4thebrain.com is an excellent place to practice.

Fifth graders are all reviewing order of operations, double digit multiplying, dividing with double digits, addition and subtraction with regrouping, and comparing prime and composite numbers. Our next big unit will be fractions. The faster they are with multiplication and division facts, the easier the fraction unit will be for them.

A very special "Thank you" to all of the parents, grandparents, and other family members who are helping our students learn their facts! I can tell each week which students are making lots of progress!

An Early Spring Book Fair Is Coming!

Scholastic Book Fairs, Inc., is packing six cases of books to deliver to AES in February. The fair will open Tuesday, February 21 and last through Monday, February 27th. If for some reason we lose a day to snow and are actually in school on Monday, February 20th (President's Day holiday), we will open book fair to students on that Monday as well. Shoppers will find best sellers, bargain books, and everything in between.

Parents are needed to be volunteers, helping students locate books, total their purchases, and pay for their books. If you would like to volunteer for book fair at AES, send a brief note to school telling us you are a willing volunteer, and how we can reach you. We will call you back and help you choose which day to work and which shift (morning or afternoon). Volunteers will sign in as visitors in the office, and then come to the library to begin their work. (Our voice mail system is not working in the library.)

Volunteers get a sizeable discount when they purchase books from the book fair, and they get the satisfaction of knowing that book fair cannot operate without parents to help out. If you cannot volunteer, feel free to come by and shop with your student during book fair week. The shopping will take place during regular library class periods.

-Nancy Williams, Librarian

3rd Grade News:

The third grade team continues to prepare daily for the big game in May (SOL tests!). We learn new skills for Reading, Word Study and Writing every day at "practice". We also practice those new skills that we are learning in Science and Social Studies. Our "Coach" even took us back in time to a culture named Mali recently. We all had a wonderful team bonding experience as we explored this ancient culture and learned ways that they have influenced our world today!

We have also begun a daily strength-building drill….multiplication! We are excited to be learning this new skill, and continue to work to be a member of the "Fab Fifteen Club" (for those students who can *prove* that they know the 15 most

difficult basic multiplication facts!)! This incentive is encouraging our children to learn those basic multiplication facts, so that they will be able to recall them quickly as their math progresses into more difficult multiplication concepts. Don't give up!! Keep trying!! It'll be worth it!!

Here are a few "Coach's" tips for the new nine weeks: Continue to read and practice those math facts each night. Get your planner signed to show that you have read. Make sure you have an AR book with you at all times. Complete and turn in your homework as it is assigned. Get your yellow and green folders signed and returned on time. Use your best manners and be a "Bucket Filler"! Our third nine weeks' behavior reward activity is going to be another fun one!! Work hard so that you will be able to attend!!

4th Grade News: Math Success

Research shows that parental help and support in math is closely linked with successful math experiences in elementary school students. The following are some ways that you can help your child to be successful in fourth grade math.

1. Demonstrate math skills in everyday life. Math is all around us, and children benefit from seeing how the skills they are learning in school are necessary tools in life. Involve your child in some of these activities.

- Grocery Shopping: comparing prices, making wise choices, weights, reading nutrition labels, counting money, and making change.
- Time Management: calculating time until a deadline is up, completing a daily schedule of times, estimating time needed for experiences, calculating elapsed time, reading analog and digital clocks.
- Cooking: reading a recipe, measuring ingredients, calculating cooking time, comparing Metric and U.S. standard measuring tools, making measurement conversions.

2. Make, purchase, and play math games. Talk to your child's teacher about what skills are being addressed in the classroom. Search online games on the internet, or create games that will reinforce these skills.

3. Help your child to be successful with math homework. Check his or her backpack daily for homework assignments. Maintain a quiet work environment for your child to complete homework without noise and distractions. Go over your child's math homework after it is completed to identify areas of confusion. Communicate with your child's teacher about the progress your child is making in math.

4. Include some math experiences in your child's summer schedule. Purchase grade appropriate workbooks, or print out free activities from the internet. Have your child play basic math fact games to help him or her to maintain math skills through June, July, and August.

4th Grade News: Reading Success

We appreciate the opportunity to teach your child various skills in school. Thank you for being a part of your child's education by reinforcing the skills at home. Listed below are several suggestions to help develop their skills.

4th Grade Reading

- Listen to your child read and ask questions about the story after every couple of pages.
- Read to your child and ask them questions about the story.
- Spend time in the local library together.

4th Grade Language Arts - Oral Communication

- Play a game of Charades to help with oral directions.
- Demonstrate how to use compass to find a location.

4th Grade Writing

- Encourage your child to write in a journal each night about their day.
- Listen to them read sentences they have written to check for a complete thought.
- Check every sentence for accurate punctuation and capitalization.

Below are more examples of questions to ask your child to spark discussion, make them think

critically, and encourage higher order thinking. Try asking these questions at home and in a variety of educational and non-educational settings. Rather than just having a conversation, you can also ask your child to respond to these questions in writing. Be prepared to respond to your child's answers with even more thought-provoking questions to continue to encourage higher levels of thinking, also opening up the lines of communication between parent and child!

When reading a book:

"What do you think might happen next?"
"Does this remind you of anything from your life?"
"Can you tell me about what you read today?"
"Why did he/she act that way?"

When visiting an unfamiliar place:

"How is _____ similar to/different from _____?"
"Can you explain/show me that in another way?"

When making an important decision:

"How would you rank _____?"
"How do you imagine _____ would look?"
"What do you think a solution might be?"
"Why did you decide to choose _____ over _____?"

4th Grade Title 1 Reading:

Many exciting adventures occur through reading! Students recently wrote and shared creative examples of Realistic Fiction and Fantasy. They also are enthusiastically reading a biography of Pocahontas, as they focus on building vocabulary, comprehension, and the use of reading strategies. Parents, thank you for encouraging the adventures! Happy reading!

5th Grade News:

This year has been a blast for fifth graders! We have learned many new things and done a lot of cool things! In Science class, we have just recently learned about Sound. We even used a virtual oscilloscope to see sound waves. We made rain sticks in class, too! It has been a ton of fun. In writing class, we have learned about quotations, run on sentences, and sentence fragments. Be sure to review what we have covered in writing class. The writing SOL is in March. In math class, we made projects on our favorite number.

Our next lesson will be on adding, subtracting, multiplying, and dividing fractions. We will also be ordering fractions, decimals, and percents. In reading class, we have been reading Holes. Reminder to earn two or more points every week to achieve your AR goal. Please encourage your child to read!!

Submitted By:
Ilyana Servis, Ashleigh Maxwell, Dakota Tappen, and Shaquoya Clark from Mrs. Jamerson's class

MUSIC NOTES:

Rock N' Roll is one of America's greatest music. Join us for our annual PTO musical as we explore the cities, streets and neighborhoods where rock n' roll was born! All 3rd grade students, as well as members of the 4th and 5th grade will have the opportunity to participate in this cross country tour of America's greatest music. During the first full week of February, students will receive PTO permission slips to participate in our upcoming musical, "Destination Rock N' Roll." Please make plans for your son/daughter to be a part of this special event and return the permission slip to the homeroom teacher **as soon as possible**.

Mark your calendars! The show is scheduled for Tuesday, March 13, 2012 at 7:00PM in the AES gymnasium. Won't you please come and share this special musical performance with us? We're looking forward to seeing you!

You can find additional copies of permission slips and program information on Mrs. Bromley's music website:
http://teacherweb.com/VA/AppomattoxElementarySchool/GeneralMusic/h0.aspx

Box Tops for Education:

We want to thank everyone for their support of Boxtops for Education. The school recently received a check in the amount of $1,116 for the boxtops turned in last spring and this fall. The library will use this money to buy more books for the students.

We will be sending boxtops in again at the end of February and would greatly appreciate it if you would get your boxtops turned in by February 15th. This will give us time to count them and get them in the mail on time. Many of the bonus boxtops expire either in June or August and cannot be counted next fall, so it is very important to watch the expiration dates on the bonus boxtops that you receive.

Thank you again for saving boxtops for our school.

"Quotes to Quotes":

Let go of the past and go for the future. Go confidently in the direction of your dreams. Live the life you imagined.

- Henry David Thoreau

You will face many defeats in your life, but never let yourself be defeated.

- Maya Angelou

"I don't care if all the kids are wearing it that way. You'd better grow it back before your father gets home."

PHYSICAL EDUCATION NEWS

Who: All Students Grades 3-5

What: **Jump Rope for Heart**

When: **Friday, February 17th**
3rd grade 1:20-3:00
4th grade 8:30-10:10
5th grade 10:30-11:20 & 12:10-1:00

Where: AES Gymnasium

Why: Students will help children & adults with special hearts and learn about how to be heart healthy and feel good!

*Online registration and donations accepted please visit www.heart.org/jump and be sure to sign-up for the Appomattox Elementary School team!

JRFH packets were sent home with students in January! If you need more information or would like to volunteer during one of the times above, please contact Jennifer Walton @ 434-352-7463, ext 4359 or by e-mail jrwalton@appomattox.k12.va.us

Start 2012 with a Strong Active Family. Below are 5 suggestions…

- **TV Time Out** – Time spent watching TV, playing video games or surfing the internet is time your kids could be using to stay physically active.
- **Trip Tips** – Plan a family vacation that includes hiking, paddling, swimming or biking
- **Lesson Up** – Check your community parks and fitness facilities for free tennis or golf lessons, and sign up as a family
- **Mental Activity** – Visit museums, zoos and other places with plenty of walking and learning
- **Tackle Chores** –Do housework or yard work as a family activity.

Information provided by the American Heart Association

AES Yearbooks are coming!

In May, our 2011-2012 "Team up for Learning" yearbooks will be arriving at our school. This year, we have ordered a limited supply. You may reserve your student's copy of our yearbook by filling out the form below and returning it to AES by 2/15/12 along with $17.00. Any remaining yearbooks will be sold on a first come basis.

Our AES yearbooks offer:

40 full color pages of fond memories

Portraits of students listed alphabetically by grade

Class Photos

Activity Photos

Foil Imprinting

Hard Cover

Thank you for purchasing your child's yearbook.

----------Please detach and return to your teacher----------

2012

Minutes of
Appomattox County School Board
Interim and Organizational Meeting

The Appomattox County School Board met on Thursday, January 5, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an interim and organizational meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Division Superintendent Dr. Dorinda G. Grasty called the meeting to order, welcomed those in attendance, and presided until the chairman was elected.

CONSIDERATION OF AGENDA

The agenda was accepted as presented.

ELECTION OF BOARD CHAIR

Mrs. Martin nominated Bobby K. Waddell serve as Chairman. No additional nominations were received. By unanimous vote, Bobby K. Waddell was elected to serve as Chairman of the Appomattox County School Board for 2012 as recorded by roll call vote.

At this point, Mr. Waddell presided for the remainder of the meeting.

REORGANIZATION FOR 2012

Elect Vice Chair

Mrs. Martin nominated Gregory A. Smith to serve as Vice Chairman. No additional nominations were received. By unanimous voice vote, Gregory A. Smith was elected to serve as Vice Chairman of the Appomattox County School Board for 2012.

Appoint Clerk

Mr. Smith nominated Brenda F. Gowin to be appointed to serve as Clerk of the Board for 2012 with a second from Mrs. Martin. No additional nominations were received. By unanimous voice vote, Brenda F. Gowin was appointed to

serve as Clerk of the Appomattox County School Board for 2012 as recommended by the superintendent.

Appoint Deputy Clerk

Mr. Smith nominated Jayne D. Luongo to be appointed to serve as Deputy Clerk of the Board for 2012 with a second from Mrs. Martin. No additional nominations were received. By unanimous voice vote, Jayne D. Luongo was appointed to serve as Deputy Clerk of the Appomattox County School Board for 2012 as recommended by the superintendent.

Appoint Designee to Attend School Board Meetings in the Absence of the Superintendent

Mrs. Martin nominated Annette A. Bennett to be appointed to serve as Designee to attend School Board Meetings in the absence of the superintendent for 2012. No additional nominations were received. By unanimous voice vote, Annette A. Bennett was appointed to serve as Designee to attend School Board Meetings in the absence of the superintendent for 2012.

Appoint Purchasing Agent

Mr. Smith nominated Stephen O. Edwards to be appointed to serve as Purchasing Agent during 2012. No additional nominations were received. By unanimous voice vote, Stephen O. Edwards was appointed to serve as Purchasing Agent during 2012 as recommended by the superintendent.

Appoint Records Officer

Mr. Smith nominated Brette A. Arbogast to be appointed to serve as Records Officer for Appomattox County Public Schools for 2012. No additional nominations were received. By unanimous voice vote, Brette A. Arbogast was appointed to serve as Records Officer for Appomattox County Public Schools for 2012 as recommended by the superintendent.

Appoint Representative to the LAUREL Regional Program Board

Mr. Waddell nominated Wyatt K. Torrence to be appointed to serve as the Appomattox County School Board Representative to the LAUREL Regional Program Board for 2012. No additional nominations were received. By unanimous voice vote, Wyatt K. Torrence was appointed to serve as the Appomattox County School Board Representative to the LAUREL Regional Program Board for 2012.

Appoint Representative to the Central Virginia Governor's School Board

Mrs. Martin nominated Gregory A. Smith to be appointed to serve as the Appomattox County School Board Representative to the Central Virginia Governor's School Board during 2012. No additional nominations were received. By unanimous voice vote, Gregory A. Smith was appointed to serve as the Appomattox County School Board Representative to the Central Virginia Governor's School Board for 2012.

Appoint Representative to the Appomattox County Educational Foundation Scholarship Committee

Mr. Waddell nominated J. Wesley Williams to be appointed to serve as the Appomattox County School Board Representative to the Appomattox County Educational Foundation Scholarship Committee for 2012. No additional nominations were received. By unanimous voice vote, J. Wesley Williams was appointed to serve as the Appomattox County School Board Representative to the Appomattox County Educational Foundation Scholarship Committee for 2012.

Establish the 2012 School Board Meeting Schedule

It was moved by Mr. Smith and seconded by Mrs. Martin to adopt the 2012 Appomattox County School Board Meeting Schedule as presented. By unanimous voice vote, the meeting schedule was adopted as presented. (See Attachment # 1)

Adopt Roberts Rules of Order

It was moved by Mr. Waddell and seconded by Mrs. Martin to adopt Roberts Rules of Order, Newly Revised 11th Edition, as the Rules of Order for 2012. By unanimous voice vote, the Board adopted Roberts Rules of Order, Newly Revised 11th Edition, as the Rules of Order for 2012.

Adopt VSBA Code of Conduct for School Board Members

It was moved by Mr. Smith and seconded by Mrs. Martin to adopt the VSBA Code of Conduct for School Board Members as presented. By unanimous voice vote, the Board adopted the VSBA Code of Conduct for School Board Members as presented. (See Attachment # 2)

ACTION

Consideration of Approval of Request for Waiver of Facility Use Fees

It was moved by Mrs. Martin and seconded by Mr. Smith to charge the Appomattox Martin Luther King, Jr., Celebration Committee $50.00 for facility use, $108.00 for the direct cost for custodial services, and $72.00 for the direct cost of food service personnel for use of the Appomattox County High School Cafeteria and Kitchen on January 14, 2012. By unanimous voice vote, the motion was approved.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) of the Code of Virginia, 1950 as amended; and

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711(A) 2 of the Code of Virginia, 1950, as amended.

Mrs. Martin seconded the motion made by Mr. Smith. This was followed by a positive voice vote of approval from all Members of the Board.

Closed Session

After completing the business related to personnel, actual or probable litigation, and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mrs. Martin, unanimously approved by all Board Members, and recorded by roll call vote. (See Attachment # 3)

Approval of Personnel Matters

Mr. Smith moved the personnel report, as presented and recommended by the superintendent, be approved pending the results of background checks. A second to the motion was made by Rev. Williams and a unanimous voice vote of approval was recorded. Personnel were approved as follow:

Retirement 2011-2012:

Mary Jo Pulliam – Adult Learning Center – Appomattox County Public Schools – Effective: February 29, 2012.

Food Service Substitute 2011-2012:

Nancy H. Walker

NEXT MEETINGS

The next regular monthly business meeting of the Appomattox County School Board is scheduled on Thursday, January 26, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The next interim meeting is scheduled on Thursday, February 9, 2011 at 5:00 p.m. at the same location.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was received from all Board Members.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 3

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: January 5, 2012

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, January 26, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin (arrived at 5:25 p.m.), Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

APPROVAL OF MINUTES

December 15, 2011 – Regular Monthly Business Meeting

The Chairman declared the minutes of the December 15, 2011 Regular Monthly Business Meeting approved as presented as there were no requests for corrections or additions.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared the following information:

1. The copy of a letter she sent to the members of the House Education Sub-Committee in support of the repeal of the Labor Day Law. The Sub-Committee was scheduled to meet on Thursday, January 26, 2012 to decide whether or not to recommend the repeal to the full House Education Committee. (See Attachment # 1)

2. A note of appreciation from the family of Mrs. Eloise Robinson, retired cafeteria manager at Appomattox Elementary School, who passed away December 4, 2011.

Communication Items from Board Members

There were no items of communication from Board Members.

RECOGNITIONS

School Board Appreciation Month – February 2012:

Governor Robert F. McDonnell proclaimed the month of February, 2012 as School Board Appreciation Month in Virginia. (See Attachment # 2) Dr. Grasty stated our School Board Members spend hundreds of hours and an endless amount of energy to assure our schools are providing the best education possible for the children of our community. The time spent in Board Meetings represents just a small fraction of the hours they devote to the demanding challenges of their duties. On behalf of Appomattox County Public Schools the superintendent took great pride in recognizing the following members of the Appomattox County School Board for their dedication and outstanding service to our students:

Mr. Bobby K. Waddell, Chairman
Mr. Gregory A. Smith, Vice-Chairman
Mrs. Amy M. Martin
Mr. Wyatt K. Torrence
Rev. J. Wesley Williams

Students and Staff:

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox Elementary School

AES Spelling Bee Champion**:**
Summer Natour –

Appomattox Middle School

AMS Spelling Bee Winners:
Caitlln Huffman - First Place
Harmonie Elliott - 1st Runner Up

VSBA School Board Clerk Appreciation Week - February 12 - 18, 2012
(See Attachment # 4)

Brenda F. Gowin, Clerk
Jayne D. Luongo, Deputy Clerk

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the December 31, 2011 Membership Report which indicated the total funded ADM was 2,188 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 5)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 6)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The VSBA Orientation for New School Board Chairs/Vice-Chairs and Orientation for New Board Members and Superintendents will be held in Richmond on January 30, 2012. Mr. Smith and Mr. Torrence are registered to attend the Orientation for New School Board Members and the cost is $140.00 per person.

The VSBA Legislative Conference will be held in Richmond January 30-31, 2012. Mr. Waddell and Dr. Grasty are registered to attend the sessions on January 30th and the cost is $150.00 per person.

The VSBA Hot Topic Conference in Wytheville will be held March 14, 2012. Registration deadline is February 29, 2012 and the cost is $130.00 per person.

VSBA offers individualized Board Training for School Board Members through the Center for Board Development at the VSBA Office in Charlottesville. There is no cost for the session, except lunch which is typically a deli-style working lunch, and a room cleaning fee. The session follows the flow of conversation and is a good time to answer questions and discuss process in addition to the roles and responsibilities of a Board and Superintendent. The sessions can begin at 9:00 or 9:30 a.m. and go until 1:00 or 1:30 p.m. or 10:00 a.m. – 2:00 p.m., depending upon the preference of the Board. The superintendent stated we have not had a Board training in two years. The only training dates VSBA has available in March are March 6, 15, and 28, 2012. The superintendent has conflicts on March 15 and 28 which leaves March 6th as the only possible date. The superintendent stated our school attorney can provide training but there would be significant costs involved and requested guidance from the Board concerning VSBA Board Training. It was the consensus of the Board to schedule Board Training in Charlottesville on March 6, 2012 from 10:00 a.m. – 2:00 p.m.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager reported the primary school construction project continues to be ahead of schedule. The furniture, fixtures, and equipment to furnish the building have been identified and the total price, including Promethean Boards in every classroom, came in under budget. The existing building will have a completely different aesthetic appearance by using a product that will allow the existing ceramic tile and masonry block walls to be painted. A second shift has been hired to work during the evening hours which will allow the installation of the

mechanical systems in the existing building to be completed prior to the end of the school year. (See Attachment # 7)

2. Other Information: Nutritional Guidelines - The anticipated new nutritional guidelines for school meals have been approved with the anticipated restraints regarding the volume of potatoes served being removed from the final document. The new guidelines will be shared with parents, students and staff.

3. Other Information: Out of Division Tuition Change Impact - Various scenarios concerning the amount charged for out of county tuition students were provided to Board Members. (See Attachment # 8)

4. Other Information: Incentive Based Competition - Mr. Edwards requested guidance from the Board concerning investigating incentive based savings opportunities by promoting competition between the schools. He suggested any savings achieved by the school division would be shared with the winning school.

Mr. Smith was in favor of the suggestion. Rev. Williams stated his support would depend on how the program would be handled and he would be opposed should it become an additional burden for teachers and administrators. Mrs. Martin noted it was a good idea but should be approached with caution to avoid too much competition. Mr. Edwards commented it was not the intent to place a burden on the schools and teachers. Incentive based competition could provide savings opportunities without cutting quality education.

School Showcase

Mrs. Martha Eagle, Principal, and Mr. Poldi Moreno, Assistant Principal of Appomattox County High School, were ably assisted by students and staff in providing an entertaining and informative School Showcase. Their delightful presentation emphasized “A Day in the Life of Appomattox County High School” which included daily announcements and students’ academic and extracurricular activities, as well as the roles and responsibilities of teachers, secretaries, custodians, food service employees, teacher assistants, and administrators in the daily education of our students.

School Related Fund Raisers – Quarterly Reports as of December 31, 2011

As required by Policy JL – Fund Raising and Solicitation, the superintendent provided the Quarterly Report of Fund Raising Activities conducted within our school division for the quarter ending December 31, 2011. (See Attachments # 9, # 10, # 11, and # 12)

Review of Preliminary Fall SOL Testing Data

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, provided a review of the preliminary fall on-line SOL testing data. She stated paper tests were completed earlier in the week and the results were not included in this report. (See Attachment # 13) She noted math was a new test this year and scores will likely be equated and released sometime in February. Historically, during the first year of new subject area SOL tests the scores reveal an implementation dip which is anticipated in the area of math. Traditionally, the second year of a new test has shown discernible improvement which was the case in last year's history scores. Mrs. Bennett stated final scores will be provided to the Board as soon as they are received. She was very pleased to report the anticipated final score for science should be 100% which will be the first time this goal has been achieved in our school division.

Review of Revised 2012-2013 School Calendar and Response to Questions Regarding Extending the School Day

The superintendent shared extensive information with the Board regarding extending the length of the school day by examining the impact on academics, finances, employees, parents, community, and the academics of students who participate in sports. Should the Board decide to extend the length of the school day, Dr. Grasty recommended teachers, administrators, parents, and the community be involved as they will be greatly impacted. She anticipated it could take several months to involve all stakeholders and therefore recommended the Board approve the 2012-2013 School Calendar reviewed by Mrs. Bennett which was Option One. (See Attachment # 14) This option was the preference of staff who responded to a December survey. She stated the original version had been modified to incorporate guidance from the Board by beginning Christmas break earlier and adjusting the end of first semester.

Mr. Smith expressed his appreciation for the comprehensive review regarding the impact of extending the school day. Mr. Torrence also thanked the administrative staff members for their work in gathering this information and stated the response appeared to be one sided. Dr. Grasty stated their widespread research resulted in only one article in favor of extending the school day because attendance rates improved. Mrs. Bennett noted the number of days could be reduced without impacting students' retention of instructional data by offering a year round approach, with a number of breaks, as a possible consideration. She also explored another option of dividing the primary and elementary schools into two K-5 schools with one being year round and the other our more traditional schedule which would provide a choice for parents. She stated reservations with this method being successful at the secondary level. Mrs. Bennett noted it was not the intention to say we cannot extend the length of

the school day and decrease the number of days for students. The process has gotten everyone thinking creatively as to how the calendar can be manipulated to reduce the day to day expenses but not impact instruction in a negative manner. Mr. Smith again thanked everyone for their input and stated his interest in receiving any new information that may be received.

Discussion of the Old County Library

Dr. Grasty reported the Appomattox County Board of Supervisors had requested the School Board inform them of our intentions concerning the use of the Old County Library. Following discussion, it was the consensus of the Board to retain use of the Old County Library as it has been determined to be owned by the school division. A structural engineer has deemed the building safe for use, pending anchoring the chimney to the building and completion of various maintenance improvements that can be accomplished by our maintenance department. The Board instructed the superintendent to prepare a letter to be signed by the superintendent and chairman informing the Appomattox County Board of Supervisors we will retain use of the Old County Library for school purposes.

Review of Draft Proposed Student Dress Code for 2012-2013

The Board reviewed a draft of the proposed Student Dress Code for 2012-2013. The superintendent stated she had appointed a Dress Code Committee for the 2011-2012 School Year which consisted of parents, teachers, and assistant principals. The committee met several times during the fall and was charged with the task of reviewing our current dress code for students, to make changes and revisions, and present the revised dress code to the School Board for approval in early 2012. Earlier in the month, a draft copy of the Student Dress Code was sent to all teachers and staff for their review and comments through a survey in Sharepoint. One hundred and nineteen staff members responded with the majority in favor of the dress code as it was presented. The Board was asked to study the draft student dress code policy and contact the superintendent with any suggestions or concerns. Dr. Grasty proposed conducting the first reading of the final revised student dress code policy at the March 22, 2012 School Board Meeting with the second reading and adoption at the April 26, 2012 Meeting. She stated this timeframe would allow principals time to include the new policy in the May school newsletters to inform students and parents of the changes prior to their purchase of clothing for the 2012-2013 school year.

Review of 2012-2018 Comprehensive Six Year Plan

Dr. Grasty stated state law requires each school division to develop and implement a Six Year Plan as she presented the Appomattox County Public Schools 2012-2018 Comprehensive Six Year Plan for their review. She stated extensive work began in the fall of the 2010-2011 school year to develop the document. Input was received from the Teacher Advisory Committee, Parent Advisory Committee, principals, assistant principals, and Central Office Administrators. The superintendent requested Board approval as an action item later during the meeting.

2012-2013 Budget Goals and Budget Work Session

The superintendent presented the 2012-2013 Budget Goals previously suggested by Board Members:

1. Request Salary Increase for All Staff
2. Keep Employee's Take-Home Salary Whole
3. Employ a Full-Time Art Teacher
4. Increase the Band Budget
5. Address Efficiency in the Areas of Energy/Utilities and Supplies
6. Repair the Lighting in the ACHS Auditorium to Make it Safer

It was the consensus of the Board to make no changes to the proposed budget goals while realizing accomplishing them would be a challenge.

The Board conducted a Budget Work Session which revealed the division could be facing a $1.25 million shortfall for 2012-13, given the preliminary impact of increased Virginia Retirement System (VRS) costs, increased Composite Index costs, increased health insurance costs, and possible cost of living adjustments for employees. The remaining Jobs Bill Funds of approximately $330,000.00 must be used by September 30, 2012 and could offset this deficit. The General Assembly is still in the early stages of the legislative session and budget details regarding VRS may change. Mr. Edwards indicated the current Budgeted ADM for 2012-2013 is 2185 students.

Mr. Smith requested principals inform their staff to contact their Delegate and Senator by daily emails requesting support for K-12 education. He also asked Mr. Edwards if purchasing fuel with other localities could be an option and cost savings. Mr. Edwards indicated this was an area he was pushing as he was looking at reducing costs in all ways possible.

ACTION ITEMS

Consideration of Approval of Requests for Admission as Out-Of-County Tuition Students for 2011-2012

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the requests for admission of out-of-county tuition students for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 15)

Consideration of Adoption of 2012-2013 Budget Goals

It was moved by Mr. Smith and seconded by Mr. Torrence to adopt the 2012-2013 Budget Goals as presented. By unanimous voice vote, the motion was approved. (See Attachment # 16)

Consideration of Approval of 2012-2018 Comprehensive Six Year Plan

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the 2012-2018 Comprehensive Six Year Plan as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 17)

Consideration of Plans for Use of the Old County Library

It was determined no formal action was needed as it was the consensus of the Board to retain use of the Old County Library as it had been determined to be owned by the school division and deemed safe by a structural engineer.

Consideration of Approval of 2012-2013 School Calendar

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the 2012-2013 School Calendar as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 18)

Consideration of Approval of Overnight Trip Requests

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the overnight trip requests as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 19 - # 26)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated December 31, 2011. (See Attachment # 27)

APPROVAL OF BILLS

Mrs. Martin moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $147,481.01 – General Fund (See Attachment # 28)
2. $ 39,931.74 – School Food Fund (See Attachment # 29)
3. $ 3,437.38 – School Textbook Fund (See Attachment # 30)
4. $796,963.00 – APS PPEA Construction Fund (See Attach. # 31)
5. $ 35,984.29 – General Fund End-Of-Month (See Attachment # 32)
6. $ 84.37 – School Food End-Of-Month (See Attachment # 33)

Mr. Smith seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, February 9, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. Rev. Williams indicated he would not be in attendance at the interim meeting as he would be attending his son's wedding. The next Regular Monthly Business Meeting and Public Hearing on the FY 2013 School Budget will be held Thursday, February 23, 2012 at 5:00 p.m. at the same location.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employee #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #52478 and #12696.

Mrs. Martin seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mrs. Martin and seconded by Mr. Smith to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in

the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 34)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Rev. Williams to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Family and Medical Leave Act 2011-2012:

Jane M. Harris – Teacher – Appomattox County High School – Effective: January 12, 2012, for up to 12 weeks according to FMLA guidelines.

Brittany C. Thomson – Teacher – Appomattox Middle School – Effective: January 25, 2012, for up to 12 weeks according to FMLA guidelines.

Long-Term Substitute 2011-2012:

Karena J. Hudson – Long Term Substitute – Appomattox Elementary School - Substituting for Myrtice Pinelli. Effective: January 30, 2012.

Fannie P. Davis – Long Term Substitute – Appomattox Middle School – Substituting for Brittany C. Thomson – Effective: January 26, 2012.

Supplemental Assignments 2011-2012:

Appomattox County High School:

M. Scott Almond	–	Softball, Assistant Varsity
Fulmer L. Burks, Jr.	–	Baseball, JV
Donald R. Byers, Jr.	–	Softball, Varsity Head
Thomas H. Chambers, IV	–	Soccer, Boys JV
Travis K. Cottrell	–	Baseball, Varsity Assistant
Anthony D. Franklin	–	Track, Outdoor Head
Kenneth Jordan, Jr.	–	Softball, Assistant Varsity
J. Douglas Marshall, Jr.	–	Tennis, Boys Head
Travis O'Brien	–	Soccer, Boys Head
Kirk D. Pugh	–	Boys Soccer, Volunteer

Appomattox County High School (continued):

Lindsay M. Pulfer	–	Track, Outdoor Assistant 1
Janet L. Rawes	–	Softball, JV M.
Stanley Rawes	–	Softball, JV Assistant Volunteer
Tyrone D. Scott	–	Track, Outdoor Assistant

Appomattox Middle School:

H. Ray Conner, Jr.	–	Track, Middle School Volunteer
Jeffrey D. Conner	–	Track, Middle School Volunteer
Shelley R. Harvey	–	Track, Middle School Boys Head
Candace C. Lee	–	Track, Middle School Girls Head

APPROVAL OF STUDENT MATTERS:

Approval of Student Number 12696:

It was moved by Mr. Smith and seconded by Mrs. Martin to allow Student Number 12696 to enroll at Appomattox Middle School effective Monday, January 30, 2012. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was recorded.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 34

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board

"Building the Future of Success at APS"

February 2012

Principal's Message…

Happy Valentine's Day (coming later this month). Students love this day, and many of them will exchange nice notes and share a piece of candy or two. That is one of the fun things about being young… enjoying the simple things.

What is not simple? …We must continue to keep students on track and learning, while so many things grab their attention. As we are now halfway through the 2011-2012 school year, we will begin looking at student progress in terms of decisions for next year's placement. If your student is below grade level, that information will have been indicated on the report card and/or your child's teacher will have shared that with you. If your child is below grade level and does not meet the required benchmarks by the fourth marking period, he/she may be retained for the 2012-2013 school year. I will be sending letters to parents/students later this month who are in the greatest danger of being retained. If you have questions, please contact your child's teacher to schedule a conference and/or discuss how best to help your child progress.

We look forward to the second half of the year, and continue to be very excited about the construction. We thank you for your patience, understanding, and cooperation as things continue to evolve in regards to construction changes.
If I can be of assistance, please feel free to contact me:
Heather Mullins
Voicemail: 352-5766

E-mail:hsmullins@appomattox.k12.va.us

Reminders and Helpful Tips

- **If you have given us a new phone number, it is updated in PowerSchool daily. However, it may take up to a month for the update to be reflected in Global Connect, as that is a monthly update.**
- **If you transport your child from school on more than one afternoon per week, please write a note to have your child dismissed with car riders. Dismissal time can be very hectic, and it will help us out a great deal to have those students picked up in the car rider line outside instead of being called from the office.**
- **If you are dropping off students in the morning, please do not do so until after 8:00. Supervision is not provided until that time.**
- **The Visitor parking lot is not a drop-off area. If you are not walking your child in, then please use the Armstrong Lane entrance.**

- **If you are transporting your child to school and it is after 8:25, please do not drop off on the Thomasville side. Those doors are locked at that time. Please park in one of the visitor lots (not the faculty/staff lot in the front) and bring your student into the building.**
- **We are unable to take bus/transportation changes over the phone. <u>We are unable to "hold" students until you arrive.</u>**
- **Car riders must be picked up by 3:10. If you wish for your child to be in the car rider loop, please make sure his/her note indicates car rider, not walker.**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**
- **If your address or phone number has changed, please come by the office or send it in writing to the main office.**

Jump Rope for Heart

Appomattox Primary School students will be participating once again in our annual Jump Rope for Heart fundraising activity. During the week of Feb. 13, all gym classes will be exercising by jumping in one way or another as a way of building heart strength. We are trying to create an awareness of the need to keep hearts fit and healthy while also raising money to support the American Heart Asssociation. Collection envelopes will be coming home with your student. We hope that you will feel inclined to participate with us by helping to raise dollars to fight heart disease. The collection ends at the end of February, and all monies collected will go to the AHA. The 3 classes that raise the most money (1 in Kindergarten, 1 in First Grade and 1 in Second Grade) will be rewarded by APS and Mrs. Dickerson. Won't you help support this effort?

Attendance at APS

Pre-arranged absences – If your family is going on vacation and/or your child needs to be out for more than a day, please submit a request in writing directly to the Principal prior to the requested dates. A written/approved request is the only way any of the days can be excused in conjunction with the use of parent notes or be considered prearranged.

If you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash 352-5766, option 3

NOTES FROM THE CLINIC

Contagious illnesses are no fun for anyone. Please keep your child at home if he/she has had a fever (medicated or not) and/or has vomited in the last 24 hours. In addition, if there are other things such as pink eye or head lice making the rounds at your house, please make sure your child is treated before returning to school. Consult the school nurse (352-5766, option 2) if you have any questions.

Internet Safety: "Feeling Comfortable"

The third nine weeks, students will learn that there are good and bad people in cyberspace. Students will learn what to do when they feel uncomfortable online. They will be taught to tell a trusted adult like a teacher or parent when someone does or says something online that makes them feel uncomfortable. They will also be reminded that any person they don't know (real or in cyberspace) is a stranger, and personal information shouldn't be given to that person.

FIELD DAY

As we work our way through the winter months, students and parents begin to ask one of the biggest questions of the year: When is Field Day? We are currently planning for Field Day, but we will all have to make a few changes this year due to construction. This year we will be having an in-house Field Day for students because of the limited space outside and the moving of heavy equipment as the construction project moves forward. What does this mean? Students will still have an exciting time with lots of games and exercise; however, we do not have the space, this year, to accommodate the large crowd of family members. We look forward to the 2012-2013 school year where all parents will be welcome and invited to attend Field Day. We appreciate your understanding and patience as we continue to work through the renovation and build the future at APS!

2012-2013 Placement

As we enter into a new year, we are beginning to think about student placement for the 2012-2013 school year. If there is any information you would like to share with us regarding your child's placement for next year, please communicate that to the principal by email or by leaving a voicemail. While we do not take specific teacher requests, we do make note of teaching styles and personalities.

YMCA After-School Program Activities

Double Dutch Club starts February 17th, 4:00 to 5:00 p.m.
Running Program, Tues., February 7th and Tues., February 21st, 4:00 – 5:00 p.m.
If interested in our After-School Program, contact Tina at 434-401-3073

"Celebration Station"

Appomattox Primary School will be offering an eight-week "Celebration Station" series this spring. The events will take place weekly on Thursday nights from 5:30-8:00 p.m., beginning February 9. Families who sign up to participate will enjoy family-oriented fun and games while making friends, communicating, celebrating, and have a great time at APS. Each family in attendance will be eligible for the weekly prize drawing. Gifts will be awarded to the families that successfully complete the eight-week series. For more information, contact Ms. St. John at APS.

Students of the Week

January 2-6, 2012 - None
January 9-13, 2012 – None
January 16-20, 2012 – None

January 23-27, 2012
K: Campbell Brown, Raymond Hartman, Gray Peterson, Cole Arrington, Andy Peacock, Myah Kelso, Emily Flores and Kia Pollard.
1: Jonathan Moore, M. J. Pusha, Sayje Burchard, Kristen Kidd, Connor Swanberg, Trevor Willis, Christine Hamilton and Rashaad Miyzaan.
2: Riley Brown, Trevon Booker, Hunter Humbles, Cierra Moore, Amyah Bolar, Elijah Rousseau, Sarah Goin and Macee Hargis.

Stop Bullying Now!

Appomattox County Public Schools believes RAIDERS DON'T BULLY! No student deserves to be bullied, and no student should bully another.

My Child is Being Bullied

Article from stopbullying.gov

When children are involved in bullying, it is important for parents to be willing to take action.

Children often do not tell their parents that they are being bullied because they are embarrassed or frightened. If you suspect your child is being bullied or your child brings it up, consider these steps:

- **Talk with your child. Focus on your child. Express your concern and make it clear that you want to help.**
- **Empathize with your child. Say bullying is wrong, that it is not their fault, and that you are glad they had the courage to tell you about it.**
- **Work together to find solutions. Ask your child what they think can be done to help. Reassure them that the situation can be handled privately.**
- **Document ongoing bullying. Work with your child to keep a record of all bullying incidents. If it involves cyberbullying, keep a record of all messages or postings.**
- **Help your child develop strategies and skills for handling bullying. Provide suggestions for ways to respond to bullying, and help your child gain confidence by rehearsing their responses.**
- **Be persistent. Bullying may not be resolved overnight.**
- **Stay vigilant to other possible problems that your child may be having. Some of the warning signs may be signs of other serious problems. Share your concerns with a counselor at your child's school.**

Working with Your Child's School

Parents are often reluctant to report bullying to school officials, but bullying may not stop without the school's help. Parents should never be afraid to call the school to report that their child is being bullied and ask for help to stop the bullying.

- **Know the school policies.**
- **Open the line of communication. Call or set up an appointment to talk with your child's teacher or school counselor and establish a partnership to stop the bullying.**
- **Get help for your child. Seek advice from your child's guidance counselor or other school-based health professionals. They may be able to help your child cope with the stress of being bullied.**

What Not to Do

- Never tell your child to ignore the bullying. What the child may "hear" is that you are going to ignore it. Be supportive and gather information about the bullying. Often, trying to ignore bullying allows it to become more serious.
- Do not blame your child for being bullied. Do not assume that your child did something to provoke the bullying.
- Do not encourage your child to harm the person who is bullying them. It could get your child hurt, suspended, or expelled.
- Do not contact the parents of the students who bullied your child. It may make matters worse. School officials should contact the parents of the children involved.
- Do not demand or expect a solution on the spot. Indicate you would like to follow up to determine the best course of action. Also, be aware that the law limits the ability of school personnel from revealing disciplinary actions taken against other students. Just because they cannot tell you if or how another student was disciplined, does not mean action was not taken.

February 2011 Calendar…

Monday, February 20

-President's Day – No School

February 6-13, 2012

-Otis Lennon Testing for 2nd grade

-Please refer to the letter sent home in regards to specific dates for your student.

February 26 - March 3

-Dr. Seuss activities (check with your child's teacher for participation)

Flag Etiquette Presentation

Kathryn Nash and Kathy Dickerson gave a presentation on flag etiquette and care of the American flag at the American Legion Ladies Auxiliary meeting on January 9, 2012. Traditionally, second grade students at APS are taught flag etiquette during their physical education time.

School Closing and Emergency Information from Dr. Dorinda Grasty, Division Superintendent:

In bad weather and other emergencies, Appomattox County Public Schools (ACPS) notify parents and staff about the status of school schedules in several ways. We utilize the following TV and radio stations:
WDBJ TV 7; WSLS TV 10; WSET TV 13; VWBT 12 Richmond; WRLV 88.3 FM; WFLO 95.7 FM ; WVTF 89.1; WKDE 105.5 FM; WROV 98.3; Spirit 103.7 FM ; WSLQ 99.1 FM ; K92 FM
Parents and staff can also go to http://ww.schoolsout.com/ and then go to "Virginia" to find Appomattox County Public Schools. From this page, a message appears regarding school closure.
We also use an automated calling system, Global Connect, to deliver phone calls to all parents regarding the status of school delay and closing. It would be ideal to be able to notify all parents and staff the night before snow or ice occurs so childcare plans could be made early, however, in many cases the frozen precipitation may not begin falling until after midnight. We go out into several areas of the county to check road conditions when a snow/ice event occurs. We do our best to make a decision to close or delay by 5:30 a.m. There may be times when there is frozen precipitation in the western part of the county near Concord and no frozen precipitation on the eastern end near Pamplin. In those situations, we must close the entire school division as we must take into consideration all county roads on which our buses and students travel.
On days that we have advertised a two hour delay and the road conditions do not improve significantly before buses must leave for their route, we may have to move from a two hour delay to a closed status. We will put out all notifications as soon as possible when this situation occurs.
Should frozen precipitation begin to fall once school has begun, we will close schools as quickly as possible if that precipitation is scheduled to continue.
The safety of our students and staff is very important to us. We take these decisions very seriously and exercise caution when transporting the children of ACPS. Please note the following codes:
Code I - Administrators, teachers, clerical, maintenance, and custodial personnel report
Code II - 12 month personnel report
Code III - Designated central office administrators, custodial, maintenance, and bus shop personnel report
Code IV - No one reports

***Please note that Global Connect Notification is a courtesy. Please refer to the ACPS website and local news stations for the most up to date information.**

Appomattox Primary School
Retention Guidelines/Policy

It is our desire and mission that each student be successful now and in the future. Not every student learns in the same way or at the same rate. Some students may need additional time to master certain skills before being promoted to the next grade level. While it is never an easy decision to retain a student, it is an appropriate decision if the student has not met the grade level requirements for promotion. Appomattox County School Board Policy indicates that many factors should be considered at the elementary level (K-5) including; but not limited to the following:

A. Standards of Learning Assessment scores
B. Progress on grade level subject matter with an emphasis on Reading and Mathematics
C. Academic progress as measured by school assessments
D. Attendance
E. Age
F. Maturity
G. Prior retention
H. Other factors specific to the student

Reference: Appomattox County School Board Policy: IKEC-R

As indicated above, grade level subject matter progress is considered when making retention decisions. Those expectations are described both in the Virginia Standards of Learning (a copy was sent home at the beginning of the year and can be found at http://www.doe.virginia.gov/) and on the APS grade level requirements sheet (also sent home at the beginning of the year).

If a student is considered for retention, you will be notified by the teacher in January of the current school year. In addition, you will receive a letter from the principal in late January or February. The letter does not mean your child will be retained, but it does mean that retention is a possibility. The teacher(s) will conference with you, if requested, to discuss strategies to help your child meet grade level requirements. If necessary grade level requirements are not achieved by the end of the school year, you will be notified following May assessments. The teacher will inform you through a conference, phone call, and/or written correspondence. Additionally, you will receive a letter from the principal indicating your child will be retained in the current grade level for the next school year.

Please note the following excerpt from Appomattox County Public School Board Policy in regards to final student placement/retention decisions:

File: IKEC

PROMOTION/RETENTION

Each student should learn the relevant grade level subject matter before promotion to the next grade.

Decisions regarding promotion and retention shall be made by the principal in consultation with the parent or guardian, teachers, and other school personnel. Although final authority for assignment of the student must rest with the principal, it is preferable that an agreement is reached with the parent or guardian that retention is in the best interest of the student.

Performance on the Standards of Learning Assessments shall be used as part of a multiple set of criteria for determining the promotion or retention of students in grades 3, 5, and 8.

Specific criteria for promotion/retention shall be set forth in regulations developed by the superintendent.

Adopted: August 21, 1998

Legal Refs.: 8 VAC, Section 20-131-30, 20-131-40, 22.1-253.13.4

APPOMATTOX COUNTY

Adopted: August 21, 1998

If you have any questions regarding the retention/promotion policy, please contact the APS principal, Heather Mullins at 352-5766.

Superintendent's Message

Dear Staff,

This is one of the few years in many that we have had no snow days. For all of you snow lovers, you are still hoping for that big February or March blizzard, and just maybe your wish will come true. The Farmer's Almanac 2012 predicts a heavy, wet, foot of snow blanketing the Northeast the third week in February and then again the first week in March, so don't put your sleds and snow shovels away just yet.

Our Professional Learning Communities (PLCs) continue to focus on the following four questions:

1. What is it we want our students to know?
2. How will we know if our students are learning?
3. How will we respond when students do not learn?
4. How will we respond and extend the learning for students who are proficient?

Our PLCs must ensure that students learn at high levels and that we work collectively to meet their needs. We are creating a results-orientation as we analyze assessment data to prescribe specific remediation for students in need. PLCs are powerful communities of life-long learners—both for students and teachers. In common planning, we dissect lessons, ask probing questions, and determine differentiation strategies. We know that the ultimate test of effective instruction is actual evidence that our students have learned.

"The goal is not simply learning a new system, but creating conditions for perpetual learning. It is an environment in which innovation and experimentation are not viewed as tasks to be accomplished or projects to be completed; rather they become ways of conducting day-to-day business...forever." (Whatever It Takes)

The General Assembly is in full-swing with many proposed education bills on the docket daily. This is a long session of the General Assembly as they will meet for 60 days. Teacher contracts, the Virginia Retirement System (VRS), schools opening before Labor Day, and charter schools are only a few of the hot topics. Legislators adjourn March 10 and will hold a Reconvened Session April 18 for the purpose of considering the governor's recommendations and vetoed legislation. Bills that become law at a regular session (or the reconvened session that follows) are effective the first day of July following adjournment of the regular session.

Thank you being a part of ACPS in teaching, supporting, and taking care of our students. Every single one of our students is worth our effort.

Sincerely,

Dorinda G. Grasty, Ed. D.
Division Superintendent

February/March School Board Meetings:

February 23 - 5:00 Public Hearing on FY 2013 School Budget and Regular Business Meeting - SBO

March 8 - 5:00 Budget Work Session and Interim Meeting

March 22 - 5:00 Regular Monthly Business Meeting

Appomattox County Public Schools Recycling Program!

Thank you to Ms. Ferguson, Ms. East, Ms. Hamlette and their students for all of their hard work with our Recycling Program!

Remember every Wednesday morning students travel through AMS & ACHS, every other Wednesday at AES, collecting paper from the recycling bins in each classroom, office and lounge. We accept mixed paper, which is every kind of paper - except cardboard, poster board, white paper, colored paper, etc.

We are have an issue at some locations with garbage in the gray collecting bins. Please know and inform students that paper products ONLY are allowed in the gray bins.

Cafeteria Corner

Niki Kempton

The final rule for the Child Nutrition Act of 2010 has been declared. Some of the known changes are:

- Increased fruit and vegetable servings
- All grains must be whole grain rich (≥8 servings of grain per serving)
- A fruit or vegetable must be chosen for lunch in order to be considered a reimbursable meal
- Weekly variety of vegetables required - including legumes/beans
- Weekly ranges with minimum and maximums of protein, grain, and calories
- Reduced sodium target ranges over 10 years

Lunch changes will come into effect next school year. Breakfast changes are required to begin 2013-2014. For more information on the National School Lunch program or School Breakfast program please email nakempton@appomattox.k12.va.us

February 20 - President's Day:

President's Day, celebrated each year on the third Monday in February, is a day when Americans honor the legacies of the U.S. presidents. The holiday was established in 1800, when Congress declared February 22- George Washington's birthday - a federal holiday. Still legally known as Washington's Birthday, President's Day has become a day to honor not only Washington, but Abraham Lincoln, the 16th U.S. president who was born on February 12, and the lives and accomplishments of all U.S. presidents.

Human Resources

Bruce McMillan, Director

June 2012 License Renewals - This is a quick reminder for anyone who is up for license renewal this June (2012). The Virginia Department of Education (VDOE) will start accepting renewals from me now. Once you have compiled your 180 points and documented that on the License Renewal Form, you must meet with your principal. During this meeting, your principal will ask to see your License Renewal Form and all of your documentation. Once he or she has reviewed your points and documentation, they will initial each section and sign the form. Once they sign the form, a copy should be made of the form for your records and the original should be sent to me. I will give it a quick review and send it on to Richmond. If you are going to use a college course, please attach a copy of the transcript. I also need to see some documentation that you have met the local TSIP requirement (transcript or TSIP certificate). Email me with questions.

New Teacher Evaluation - VDOE is requiring all school divisions to revamp their teacher evaluation process effective July 1, 2012. They are requiring that student academic progress be a significant factor for the overall summative evaluation of each teacher (VDOE is recommending 40% of the final evaluation be based on student progress). The Director of Curriculum & Instruction is taking the lead on how to assess student progress in all of our classes. Stayed tuned for more information.

Family Medical Leave Reminder - Just a quick reminder that if you have a medical issue for which you need to be out for several days/weeks/months, please contact your supervisor and Tracy Johnson (Benefits Coordinator). We are legally required to send you Family Medical Leave Forms. If you have questions, contact Tracy at tajohnson@appomattox.k12.va.us

Insurance Update - For those of you who have health insurance with us (medical, dental, vision), just a quick reminder about the "Qualifying Event Rule". This is a rule established by the insurance companies which gives employees 31 days from the date of a qualifying event to make changes to their insurance. A qualifying event is a major life event such as the birth of a child, if a spouse loses their coverage, marriage, divorces, and so on. If you experience one of these qualifying events, you have 31 days from that event to make changes to your insurance here. The most frequent example is probably adding a newborn child. You have 31 days from the date of birth to add your little bundle of joy to your insurance here.

Business

Steve Edwards, Director of Business and Operations

'Tis the budget season again! Seems like I just did this!

You obviously have heard the rumblings from Richmond, in the local papers, and many others places about the projected budget shortfalls expected in school divisions across the state. Regrettably, we are no exception.

Currently, based on the Governor's Proposed Budget to the General Assembly, the shift in the Composite Index requiring a higher percentage of funding from the locality, anticipated increases in Virginia Retirement System contributions and health insurance premiums, and a proposed cost of living increase for our employees, we are entering the season with a $1.2 million shortfall.

We have some remaining Jobs Bill Funds that can be used to narrow that gap to approximately $900,000 and have begun to talk with county leaders on finding ways to bridge this gap. I am optimistic that there is a cooperative mechanism in place between the schools and county leaders to find answers to this difficult situation.

We will learn more about the budget as the General Assembly completes its work, but don't expect final answers until late April when the Governor acts on the Conference Committee's Budget. I will do my best to keep you posted as things move along. If you have questions in the interim, please feel free to contact me.

* Upcoming Important Dates *

February 23 - Public Hearing on 2012-13 School Budget and Regular Monthly Business Meeting of the School Board - 5:00 p.m.

March 22 - Regular Monthly School Board Meeting - 5:00 p.m.

March 23 - 3rd Nine Weeks End

March 26* - Teacher Workday / Student Holiday

March 27* - Parent Conferences / Student Holiday

March 28 - 4th Nine Weeks Begin

April 3 - Report Cards Go Home

April 9-13 - Spring Break

*Student Holidays could change if snow days are encountered

Curriculum and Instruction
Annette Bennett, Director

Appomattox County Schools Included in STEM Grant Award

We are very excited about being included in a DOE STEM grant award that will support a continued effort to train teachers in lesson development that will support STEM learning activities. Sweet Briar College released the following announcement about the grant on Feb. 3rd.

'The Toshiba America Foundation has announced that it will sponsor a local K-12 school project undertaken by school divisions in Bedford, Appomattox and Campbell County in collaboration with area colleges. "Toy Race Cars, Magnets and Copper Coils" will receive $909 to fund equipment needed to implement a lesson plan created through a grant-funded partnership among the local schools and Sweet Briar and Lynchburg colleges.

The Toshiba grant comes within a year of the Virginia Department of Education awarding the $199,502 Mathematics and Science Partnership Grant to the colleges. Last spring, teams began recruiting fourth– and fifth– grade teachers nominated by the participating schools for the project, which is titled "Central Virginia Collaborative for Developing STEM Lessons to Improve Learning in Grades 4 and 5." In August, the teachers started developing integrated STEM lessons—science, technology, engineering and mathematics—through an "iterative lesson study" process.

The Toshiba grant will support the implementation of one of the classroom lessons developed as part of the MSP-DOE project.

"This is a great example of how our work with the area teachers has additive effects on the schools, classrooms and K-through-twelve students," said Jill Granger, project director and professor of chemistry at Sweet Briar. "And it's a great example of a collaborative K-through-twelve-college effort that is very much regionally based." '

Included in the grant proposal is a project steering committee that will begin recruiting teachers for the project. The first cohort of teachers will be recruited for a June 2012 start date; the second cohort will be recruited for a November 2012 start date. Two cohorts of 16 teachers each are selected by the steering committee. Teachers participate in a three-day intensive experience in inquiry-based instruction focusing on scientific process skills and the nature of science from a physical and Earth science content standpoint. Teachers are introduced to continuous assessment practices and their use in inquiry-based lessons. This experience takes the form of a graduate education course, EDUC 658 "Introduction to Inquiry" which specifically addresses Goals (I) and (III) of this proposal.

Last spring two Appomattox Elementary School teachers, Lynne Lindsay (4th grade Math) and Beth Jamerson (5th grade Science), were chosen to participate in the first phase of this project under the MSP-DOE project. If you are interested in participating in this opportunity, please let your principal know right away.

Remedial and Special Education
Beth Haught, Director

As I write this, it is 54 degrees on a balmy February afternoon (snow is in the forecast, however!) Heat waves and/or snow storms bring on thoughts of...ho, yes...Summer School 2012 which will be held July 9-27 with Grade 11 Writing beginning July 2. Classes will be held at Appomattox Elementary School for APS and AES students, and at Appomattox County High School for AMS and ACHS students. Teacher hours will be 8:00am—12:00pm with student hours being 8:30—11:30am at AES and 8:30—11:45am at ACHS. Positions available for all schools include building coordinators (1 per school), teachers, and substitutes, with instructional assistants for APS and AES only.

Applications will be accepted February 24 - March 23. Information will be posted on the division website as well as in each school on February 24. Applications should be returned by March 23 to building principals who will forward them to the School Board Office. Notification of selection will be provided as soon as possible following presentation to the School Board for approval which is anticipated to be in mid-April. Please feel free to contact me if you have questions. See you this summer!

Appomattox County School Board

Public Hearing on Proposed 2012-2013 School Budget

Thursday, February 23, 2012 at 5:00 p.m.

School Administration Building

316 Court Street; Appomattox, Virginia

Speakers addressing the School Board during the 2012-2013 School Budget Public Hearing do not need to notify the superintendent in writing at least one day prior to the meeting date to be placed on the agenda. Speakers will be asked to provide their name, address, and if they are speaking as an individual or on behalf of a group. If speaking on behalf of a group, the name of the group should be provided. Speakers will be requested to keep their comments to five minutes or less.

February is School Board Appreciation Month

School Board Members exemplify local citizen control and decision making in education. They work hundreds of hours and an immeasurable amount of energy to assure that our schools are providing the best education possible for the children of our community. Here are some reasons we are taking this opportunity to show them our appreciation during School Board Appreciation Month in February.

School Board Members are citizens whose decisions affect our children—what they learn, who will teach them, and what kinds of facilities house their classrooms. These are men and women elected to establish the policies that provide the framework for our public schools. They represent you, and they take this responsibility seriously by attending lengthy—sometimes challenging—meetings, conferences, and institutes that broaden their knowledge about education, during numerous conversations about the schools, and sessions before the Virginia Legislature.

Our School Board is one of 134 such boards across the state. These boards enable us to have local control of public schools, meaning that decisions are made by local, elected representatives who understand the community's unique problems, values, culture, and circumstances.

It's a tradition that began nearly 300 years ago. With the advice and counsel of the educational professionals they hire, our School Board has an effect on virtually every aspect of our schools. It's a huge responsibility and one that should not be taken lightly. Too often we neglect to recognize the dedication and hard work of these men and women who represent us. The staff and students of our school division are asking all local citizens to take a moment to tell a School Board Member "thanks for caring about our children's education."

So, hats off to the dedicated men and women who make it possible for local citizens to have a say about education in our communities. We salute the public servants of Appomattox County Public Schools whose dedication and civic responsibility make local control of public schools in our community possible. We applaud them for their vision and voice to help shape a better tomorrow. Thank you:

Amy M. Martin
Gregory A. Smith
Wyatt K. Torrence
Bobby K. Waddell
J. Wesley Williams

Congratulations!!
Employees of the Month
January, 2012

APS - Laura Page, Jo Harris

AES - Karen Cyrus

AMS - Bryan Allgood, Brenda Berringer

ACHS - Robyn Whorley

The Virginia School Boards Association (VSBA) designates the third week in February as VSBA School Board Clerk Appreciation Week

School board clerks in each locality are appointed to fulfill their duties and responsibilities for keeping accurate records of the meetings and proceedings of the school board, a record of all receipts and disbursements, and a record of all official acts. Clerks also maintain frequent contact with the public, including parents, employees and the media, on behalf of the school board and superintendent. We thank our School Board Clerk, Brenda Gowin, and our Deputy School Board Clerk, Jayne Luongo, for their service to our school division.

"They never quit, do they?"

Technology

Brette Arbogast, Director of Technology

Appomattox County Starts a BYOD (Bring your own Device) Implementation

In a time of strict budget constraints and ever expanding technological advances, the Appomattox County technology staff sees a need to open up the wireless access for teachers and students to use their own technology to gain access to the internet. As a trial for the rest of the 2011-2012 school year, ACHS students who attend CVCC and ACHS teachers may utilize the division's wireless network on their personal laptops at school. This is a new initiative which could lead to broader acceptance in the future. All people using their own device must use the ACPS Bring Your Own Device (BOYD) network in order to get the filtering required by federal law under The Children's Internet Protection Act (CIPA). They cannot use any other device to access the Internet (such as an air card or phone hot spot). In addition, the usernames and passwords used to access the division's internet on personal laptops is offered in 30 day increments and requires the completion of a permission form.

Recognizing that laptops can be used as an educational tool, students may utilize their laptops in the classroom when the teacher deems appropriate for educational purposes. The Tech Department will facilitate connection to the network for students and teachers who bring their own laptop, but both groups will need to understand that we do not service private machines as this would cause more work and responsibility on our two technicians. Students and teachers will be personally and solely responsible for the security of their personal laptops. The school shall not assume responsibility for theft, loss or damage. If laptops are loaned to or borrowed and misused by non-owners, device owners are jointly responsible for the misuse or policy violation(s).

Reducing Costs While Increasing Computer To Student Ratio

IT departments are actively searching for less expensive ways to purchase and manage user desktops. NComputing offers several desktop virtualization products that are much cheaper than having strictly physical computers. One of their products, the L300, is a network connected device that connects to a server running NComputing's vSpace software.

Using this software, a user will have his own desktop experience while using the resources from the remote server. The latest version of the vSpace software allows 100 L300 devices to share one physical host; in essence, 100 users are all using one computer at the same time. A server capable of hosting up to 100 L300 devices is currently being piloted at Appomattox Middle School. This configuration will consume les power, generate less heat, require less support time, and produce less electronic waste, thus saving money and being easier on the environment. An average computer costs $600-$800. This new implementation will reduce the overall cost to $333.00 per station.

Transportation
Matt Lair

A Humorous Look at Why it's Not Easy Being a School Bus Driver

- If you're cautious, someone may complain that you're too slow and you're holding up traffic.
- Drive at the speed limit, and in certain areas it's guaranteed that someone will say that your speeding.
- Drive in the passing lane, and it's guaranteed that you will be honked at because nobody wants to be stuck behind a school bus.
- Yet, drive in the right hand lane and then try to get into the left lane to make a left turn, and nobody will let you in!
- Keep your bus clean, and it's guaranteed somebody will borrow it for a field trip and leave it dirty-or worse-not fueled!
- Come to work when it's sunny, then walk out to your bus and it'll definitely start to rain.
- Leave your raincoat in the car, and it's guaranteed to rain.
- Wear your good clothes to work, and it's guaranteed that your bus will be down and only the oldest spare in the fleet will be available for you to drive that morning.
- Have a doctor's appointment at 9:45 AM, and it's guaranteed you will have a break down and be late!

Harlem Superstars Promote Positive Choices

Students and staff at Appomattox Elementary School were provided a special treat on February 2, 2012, when two members of the Harlem Super-Stars, otherwise known as "Hollywood" and "Surfer Boy," visited to share their on-court skills, along with some off-court advice about positive choices. While entertaining the crowd with dribbles, chest passes, one-handed, backward, half-court shots, and windmill jams, the Harlem Super Stars stressed the importance of working hard in school, setting goals, playing fair, being a good friend, and eliminating bullying. This program was sponsored by the Tiny Angels Daycare as a fundraiser for their playground. The program was free for all students during the school day, but the public was invited to an admission program later that evening in which the Superstars played against an Appomattox Dream Team of coaches, former students, ministers, and others.

During the school assembly, students cheered on their teachers as they played an elimination round of chest passes. Mrs. Johnson, a teacher assistant, was the sole survivor of the fast-paced action.

At the conclusion of the exciting basketball program, Mrs. Walton, our Physical Education Teacher, led the crowd in a resounding cheer of:

"We fill buckets
Yes, we do!

We fill buckets!

How about you?"

Students at Appomattox Elementary School work hard to "fill buckets" by being kind and considerate in words and actions. Class meetings are held each month to promote ways in which to do so, and to share strategies for solving problems in appropriate ways.

Announcements are made daily in which students caught being bucket fillers are recognized for their citizenship. Students who exhibit a consistent example of positive behavior by following school rules are rewarded each nine weeks with a special fun activity, and a letter is mailed home to their parents congratulating them for being a member of the Positive Action Team at AES.

AMS News

Plenty of things have been happening at AMS since the last Division Digest…

Reading

In January, all students who met their Accelerated Reader (AR) goals were treated to an ice cream party. More than half the students made their individual AR goals.

90 6th graders 96 7th graders 71 8th graders

Fundraising

Appomattox Middle School students raised $1122.82 through the St. Jude Math-A-Thon to help kids battling cancer.

Warm Fuzzy Drive

AMS put a call out to the community to donate their gently used coats and other winter gear. We have been collecting these items since the start of winter to make sure that no one goes through the winter having to be cold. We are still collecting, so send in your gently used coats and winter gear.

School News

AMS News, continued

Sports

The AMS boys' and girls' basketball teams culminated fantastic seasons by finishing first and second, respectively, at the Cumberland Future Stars Tournament. Spring sports (boys' and girls' soccer and track) are on the way.

On February 2nd, Ricky Lopes, who is seven feet tall, from the Harlem Superstars entertained AMS with his amazing basketball skills and his character building messages.

History

In January the 6th grade traveled to St. John's Church in Richmond. The students were treated to a historical reenactment of Patrick Henry's famous "Give me Liberty or give me Death" speech. The students were able to interact with the likes of George Washington, Patrick Henry, and other famous leaders of the pre-revolutionary time.

FFA News

The National Future Farmers of America (FFA) Organization celebrates FFA week each year during the month of February. This year it will be held February 19-25.

- Tuesday - Premier Leadership - Dress up like your role model or a leader (also Teacher Appreciation Day)
- Wednesday - Personal Growth - No dress up, Canned Food Drive Kickoff, encourage students to donate
- Thursday - Career Success - Dress up as your future career
- Friday - Blue & Gold Day - FFA T-Shirt or Blue/Gold attire

AMS Spelling Bee

Congratulations go to 8th grader, Caitlin Huffman, for winning the 2012 Appomattox Middle School Spelling Bee! She is quite a champion! Competing in more than 15 rounds, Caitlin really demonstrated her spelling capabilities. Our 1st runner up is 7th grader, Harmonie Elliot. The 2nd runner up is Tristan Hensley. Caitlin will be representing our school at the Spelling Bee in Lynchburg. If she cannot attend, Harmonie will step into her place to represent AMS

NATIONAL GEOGRAPHIC BEE WINNER

Whitley Drinkard, an 8th grader at AMS, won the school-level competition of the National Geographic Bee on January 20, 2012 and a chance at a $25,000 college scholarship. The school-level bee, at which students answer oral questions on geography, was the first round in the 24th Annual National Geographic Bee. Colton Mullins took second place while Tia Hodge came in third.

The kickoff for this year's Bee was the week of November 15th, with thousands of schools around the United States and in the five U.S. territories participating. The school winners will now take a written test. Up to 100 of the top scorers in each state will be eligible to compete in their state bee April 1, 2012 in Richmond.

The National Geographic Society will provide an all-expenses-paid trip to Washington, D.C. for state champions and teacher-escorts to participate in the Bee National Championship on May 24th and 25th. The first-place national winner will receive a $25,000 college scholarship, a lifetime membership in the Society, and a trip to the Galapagos Islands.

ACHS News

ACHS has been using the Accelerated Reader (AR) program for many years, but this is the first year we have added incentives. Each nine weeks all students who meet their AR goal participate in pizza and Wii in the library during their lunch period. In addition, students receive rewards based on the cumulative amount of AR points. Rewards range from ice cream and Sweet Frog to gift certificates and prom tickets. The top prize is a limo ride for prom or a night out. Student response has been very positive with many continuing to read after they complete their English classes, which was one of our main goals. Thanks to the ACHS administrative staff for supporting these activities.

Pictured left to right: Charmita Robertson, Shauna Ford, Tiffany Villarreal, and Janae Marshall enjoying Pizza Party at the end of the 2nd nine weeks.

School News

ACHS News, continued

The Man Called Doc

Able to dream up a rehab plan faster than a speeding bullet..
Able to train you to be more powerful than a locomotive…
Able to dispense ice and wrap ankles in a single bound…

It's a bird, it's a plane, no it's Doc. Disguised as mild mannered Michael Shetley as Athletic Trainer. Not only does he provide services to our student athletes, he also teaches an athletic training class during the day. He is an Athletic Trainer and Certified Strength and Conditioning Specialist (CSCS).

He is a certified measurer for the Virginia High School League (VHSL) and recently gave a talk at Lynch College (LC) about the "VHSL Weight Control Program". Students at LC learned about body fat and hydration testing. We appreciate his work with all student athletes here at ACHS.

Sports

Brad Harper, Athletic Director

Spring Sports Are Here!

Monday, February 20th is the first day that spring sports are eligible to start practice. Please keep in mind that this date is a holiday for students and staff. All student athletes must have a completed VHSL physical turned into their coach or athletic department before they can try out. Please contact the coach of your particular sport or ACHS with questions about a specific sport.

A quick reminder to anyone that has ordered an athletic pass from the ACHS Athletic Department that passes will be available at the gates of home spring sporting events. If you have any interest in purchasing a pass, please contact Brad Harper at 434-352-7146.

The VHSL Winter Awards Ceremony will be held in the auditorium of ACHS on Monday, March 5 at 6 p.m. The following activities will be recognized: Indoor Track, JV/Varsity Boys Basketball, JV/Varsity Girls Basketball, Scholastic Bowl, JV/Varsity Winter Sideline Cheerleading, and Wrestling.

Four Raider Wrestlers captured Sectional Wrestling Titles on Saturday, February 4th at Cumberland High School. Congratulations to Tucker Harvey, Tristan Shaner, Austin Short, and Sam Leap. These wrestlers along with Timmy Oliveri, Kendall Thomas, Bryan Chapman, Nick Microusicos, Hunter Miller, Jared Curtis, Chris Dixon, and Alonso Hamlette moved on to participate in the Region B Wrestling Tournament held at Strasburg High School on February 10th and 11th.

Good luck to Austin Short and Sam Leap as they represent ACHS in the VHSL Group A State Wrestling Tournament that will be held at the Salem Civic Center on February 17th and 18th.

If you know of a business that would be interested in advertising on the scoreboard at Bragg Stadium or in the gymnasium of ACHS, please contact Brad Harper at (434-352-7146). There are many opportunities available that will meet the advertising needs of your business while supporting the Raider Athletic program.

There are now two ways to keep updated about ACHS sports on the web:

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, February 9, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, and Division Superintendent Dr. Dorinda G. Grasty. Rev. J. Wesley Williams was not present as he was attending his son's wedding.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended, and

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, including Student #52254.

Mrs. Martin seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mrs. Martin, unanimously approved, and recorded by roll call vote. (See Attachment # 1)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

Benjamin M. Martin – Teacher/Head Football Coach – Appomattox County High School. Effective: June 30, 2012.

Assignment 2011-2012:

Cheryl C. Comeau – Interim Guidance Secretary – Appomattox Middle School – Effective: February 13, 2012 through June 22, 2012. Replacing Connie Gaulden (who moved to ACHS).

Family and Medical Leave Act 2011-2012:

Stephanie L. Allen – Guidance Counselor – Appomattox County High School. Effective: Approximately May 20, 2012, for up to 12 weeks according to FMLA guidelines.

Long-Term Substitutes 2011-2012:

Sara B. Bollinger – Long Term Substitute – Appomattox Primary School – Substituting for Amanda Turner. Effective: Approximately February 20, 2012.

Bettye Williams – Long Term Substitute – Appomattox County High School – Substituting for Jane Harris. Effective: February 6, 2012.

Long-Term Substitute 2011-2012 (Change in Daily Rate):

Karena J. Hudson – Long Term Substitute – Appomattox Elementary School - Substituting for Myrtice Pinelli. Effective: January 30, 2012. Change Daily Rate effective January 30, 2012 due to Long-Term Substitute receiving her Teaching License.

Supplemental Assignments 2011-2012:

Appomattox County High School:

Shana H. Canada	–	Tennis, Girls Head
Joseph J. Caruso	–	Baseball, Head
Amy B. Dahlin	–	Soccer, Girls Varsity Head
Joshua A. Mills	–	Soccer, Boys
Ashley B. Walker	–	Tennis, Girls
Stacy H. Williamson	–	Soccer, Girls

Appomattox Middle School:

Brian R. Hofmann	–	Soccer, Boys
Sean D. Soper	–	Soccer, Boys

Homebound Teachers 2011-2012:

Victoria L. Davis
Alison C. Paulette
Marilyn H. Wingfield

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held Thursday, February 23, 2011 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The Public Hearing for the 2012-2013 School Budget will also be conducted at this meeting. The next Interim Meeting and Budget Work Session will be conducted Thursday, March 8, 2012 at 5:00 p.m. at the same location.

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Mr. Torrence. By unanimous voice vote, the meeting was adjourned.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 1

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: February 9, 2012

Minutes of
Appomattox County School Board
Public Hearing on FY 2013 School Budget and Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, February 23, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, and Dr. Dorinda G. Grasty, Division Superintendent. Rev. J. Wesley Williams was not in attendance due to illness.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

PUBLIC HEARING ON THE 2012-2013 SCHOOL BUDGET

The Chairman opened the floor for public comments regarding the 2012-2013 School Budget. No members of the audience requested to address the Board during the FY 2013 Budget Public Hearing; therefore, the Public Hearing was closed by the Chairman.

APPROVAL OF MINUTES

January 5, 2012 – Interim and Organizational Meeting
January 26, 2012 – Regular Monthly Business Meeting

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the minutes of the January 5, 2012 Interim and Organizational Meeting and the January 26, 2012 Regular Monthly Business Meeting as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent stated Mrs. Marjorie Webb Morris, retired cafeteria manager at Appomattox Primary School, passed away February 13, 2012. On behalf of the School Board, a contribution was made to the Appomattox County Education Foundation in her memory and a card was sent to the family. Dr. Grasty acknowledged Mrs. Morris' contributions to our school system and extended deepest sympathy to her family.

Communication Items from Board Members

There were no items of communication from Board Members.

RECOGNITIONS

Students and Staff:

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox Middle School

Geography Bee Winners:
Whitley Drinkard – 1st Place
Colton Mullins – 2nd Place
Tia Hodge – 3rd Place

January Employees of the Month:

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for January, 2012:

Appomattox Primary School:
JoAnn Harris
Laura Page

Appomattox Elementary School:
Karen Cyrus

Appomattox Middle School:
Bryan Allgood
Brenda Barringer

Appomattox County High School:
Robyn Whorley

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the January 31, 2012 Membership Report which indicated the total funded ADM was 2,178 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 1)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 2)

VSBA and NSBA Activities

The following VSBA activities were discussed:

Mr. Smith and Mr. Torrence attended the VSBA Orientation for New School Board Members in Richmond on January 30, 2012. Mr. Smith stated they received good information, our school division is more fortunate than some in the state, and the interaction with other School Board Members was beneficial. Mr. Torrence reported the meeting provided good preparation as well as an insight of the expectations of the position and noted he was one of the youngest participants.

Mr. Waddell and Dr. Grasty attended the VSBA Legislative Conference in Richmond January 30, 2012. Mr. Waddell stated the news was bad but networking with other Board Members was important. Dr. Grasty concurred the budget information across the state was not good.

VSBA will offer Board Training through the Center for Board Development at the VSBA Office in Charlottesville for our Board Members and the superintendent on February 27, 2012 from 10:00 a.m. – 2:00 p.m. There is no charge for the training.

VSBA will offer a Hot Topic Conference entitled "Food for Thought" in Charlottesville on April 30, 2012. The deadline for registration is April 9, 2012 and the cost is $130.00 per person.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

School Showcase

Mrs. Heather Mullins, Principal, and Mr. Jason Bowyer, Assistant Principal of Appomattox Primary School, provided an informative presentation concerning "Building the Future Through Community Service at APS". (See Attachment # 3) Mrs. Mullins stated community service is emphasized with students and staff at the primary school. She invited those in attendance to visit the school as they anticipate a whole new world at the completion of the current construction project.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager, reported the primary school construction project continues to progress well due to the mild winter. The metal roof is now complete on the student services wing, as well as the flat roof for the multi-purpose room, kitchen, and classrooms. The bulk of the heating and cooling duct work is now in place in the student services wing and the rooftop units should be installed by the end of March. The kitchen will be the last addition to be completed due to the required connection to the existing building. Mr. Gillespie expressed appreciation to Mr. Timmy Garrett, Maintenance Supervisor for Appomattox County Public Schools, for his invaluable assistance with the primary school building project. (See Attachment # 4)

2. Radio Bid Update - The Federal Communications Commission (FCC) has mandated all broadband radio users must convert to narrowband by January 1, 2013. Our school division currently utilizes a broadband radio system and must comply with this mandate. To assist with this requirement, the

Appomattox County Board of Supervisors provided additional funding within the current 2011-2012 School Budget to support this mandate. The following school employees served on the Radio Committee: Steve Edwards, Director of Business and Operations; Matt Lair, Transportation Supervisor; Brette Arbogast, Director of Technology and CTE, and Timmy Garrett, Maintenance Supervisor as well as Bobby Wingfield, 911 Coordinator for Appomattox County. The committee met with the following providers who are on the state bid list: Kenwood, Harris, ICOM, and Elecom (Motorola). It was noted, the school radio system will be integrated with the county radio system to provided added safety and security. Proposals and presentations were evaluated on the following criteria: price, cost per channel, cost of ownership, coverage area and features, equipment knowledge and experience, service, warranties, and trade-in value. Mr. Edwards recommended the radio bid be granted to Elecom (Motorola) with a final price of $139,184.48 which is higher than the low base bid of $133,100.00 due to the inclusion of frequency licensing, portable radio upgrade and a back-up antennae. Installation of the new system could begin during spring break and training will be provided. (See Attachment # 5)

3. Quarterly Health Insurance Report - Information concerning our first quarter of coverage with Piedmont Community Health Plan was presented for the period October 1, 2011 through December 31, 2011. (See Attachment # 6) Based upon current trends, it is estimated renewal rates will reflect no more than an eleven percent increase. Generally, employees have been receptive to the new plan that utilizes a set co-pay with the biggest issues being related to pharmaceuticals which had been anticipated.

4. Budget Plan - The county has requested projected budget information from our school division. Mr. Edwards provided the Board with FY13 Initial Budget Outlook which was based upon the Governor's Proposed Budget and a budgeted Average Daily Membership (ADM) of 2190 students. (See Attachment # 7) The General Assembly has completed the cross-over of budget information which indicates both the House and Senate are asking for more K-12 education funding than the Governor. The total estimated expenditures in the amount of $20,061,973.00 include a Composite Index change, increased Virginia Retirement System (VRS) costs which are required by the General Assembly, increased projected health insurance costs, and a requested two percent cost of living adjustment for staff for 2012-2013. The anticipated revenues total $18,844,209.00 which results in an estimated budget shortfall of $1,217,764.00. It was proposed this deficit could be offset by utilizing $332,363.00 of the remaining Jobs Bill Funds and implementing internal cost savings amounting to $300,000.00. Mr. Edwards suggested requesting an estimated amount of $5,015,739.00 from the locality to meet the needs of the 2012-2013 School Budget. Dr. Grasty emphasized these are tentative budget estimates at this time, as the General Assembly is still in session and changes are anticipated.

5. Out of County Tuition Rate for 2012-2013 - Board Members were provided with Out of County Tuition Fees for surrounding school divisions (See Attachment # 8) and Out of County Tuition Scenarios (See Attachment # 9). Mr. Edwards clarified the locality must pay the required local amount per pupil for students who reside within the county as well as students enrolled as out of county students. Dr. Grasty noted the existing fee of $750.00 is being charged per year for out of division students and we currently have 51 out of division students in our school system. Mr. Smith stated the county's payment of $1,839.00 per out of county student yielded a return from the state in the amount of $5,940.00 per student which he considered an excellent return on our investment. He further indicated should these students receive free or reduced price meals, additional funds would also be paid to the school division. Mr. Smith suggested this information be shared with the county.

Budget Input from Board Members

Board Members voiced the need to retain the proposed two percent pay increase for all employees within the 2012-2013 School Budget. Mr. Smith also noted if we are unable to increase paychecks it is his goal not to create a decrease. Following discussion, it was the consensus of the Board to submit the amount of $5,015,739.00 to the county as our current estimate of requested local funding for the 2012-2013 School Budget.

Report on Recent Technology Events

Mrs. Susie Fisher and Mr. Danny Richardson, Instructional Technology Resource Teachers, provided an informative pictorial report on Digital Learning Day which was conducted in our school division on February 1, 2012. They also shared valuable technology information received at the Annual STEM Summit on February 14, 2012 at Longwood University. (See Attachment # 10)

Tornado Drill Preparedness

The superintendent reported March 20, 2012 has been designated as Tornado Preparedness Day in the state of Virginia. A tornado drill will be conducted at 9:45 a.m. on that day in all of our school buildings.

ACTION ITEMS

Consideration of Approval of First Reading of Revised Policy

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the first reading of revised Policy JO – Student Records as presented and

recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of First Reading of New Policies

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the first reading of new policies JFHB – Bullying and JR – Videotaping of Students as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Requests for Admission as Out-Of-County Tuition Students for 2011-2012

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the requests for admission of out-of-county tuition students for the 2011-2012 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 11)

Consideration of Approval of Overnight Trip Request

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the overnight trip request as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 12)

Consideration of Approval of Radio Bid

It was moved by Mr. Smith and seconded by Mr. Torrence to approve a purchase order with Elecom (Motorola) for $139,184.48 for a narrow band radio system including FCC License, 72 mobile radio units, 48 portable units, all required infrastructure components, and installation, with work to be completed before June 15, 2012 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 13)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated January 31, 2012. (See Attachment # 14)

APPROVAL OF BILLS

Mrs. Martin moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $394,780.63 – General Fund (See Attachment # 15)
2. $ 48,715.85 – School Food Fund (See Attachment # 16)
3. $ 2,500.00 – School Food Fund Addendum (See Attachment # 17)
4. $ 1,186.20 – School Textbook Fund (See Attachment # 18)
5. $602,910.00 – APS PPEA Construction Fund (See Attach. # 19)
6. $ 5,601.25 – General Fund End-Of-Month (See Attachment # 20)
7. $ 85.55 – School Food End-Of-Month (See Attachment # 21)

Mr. Smith seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, March 8, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. A budget work session will also be conducted at this meeting. The next Regular Monthly Business Meeting will be held Thursday, March 22, 2012 at 5:00 p.m. at the same location.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended,

in particular for review of the personnel report and employee #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #51841.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 22)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the personnel report as presented and as recommended by the superintendent,

pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Retirements 2011-2012:

Helen T. Cordell – Custodian – Appomattox Elementary School – Effective: June 30, 2012.

Sally E. Walker – Instructional Assistant – Appomattox Elementary School – Effective: June 30, 2012.

Resignation 2011-2012:

Timothy B. Peterson – Teacher/Varsity Football Assistant Coach – Appomattox County High School – Effective: June 30, 2012.

Supplemental Assignments 2011-2012:

Appomattox County High School:

Sierra R. Palmieri – Soccer, Girls JV
Daniel E. Welch – Soccer, Girls Volunteer

Substitute Teachers: 2011-2012

Linda K. Barkley
Tiffany R. Copeland
Kimberly R. Dabney
LaToya V. Fitch
Connie G. Godsey
Ronald D. Lankford, Jr.

APPROVAL OF STUDENT MATTERS:

Approval of Student Number 51841:

It was moved by Mr. Smith and seconded by Mr. Torrence to release Student Number 51841 from compulsory attendance. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Torrence. A unanimous voice vote of approval was recorded.

FROM THE PRINCIPAL'S DESK: IT'S SNOWING!

Dear Parents,

Have you ever thought about how words can get your attention just like the title of this article? Words such as "bucket-filling", "Accelerated Reader", "Fab 15 Math club", and "Drop Everything and Write" are important at Appomattox Elementary School. Speaking of writing, we want to thank our Writing teachers and our students for their hard work on the 5th Grade Writing SOL test scheduled for March 6 and March 7. It is never too late to help your student with writing at home. Here are some ideas that I hope that you will try with your student: 1. Write a letter to a relative that lives far away and write about the day (new friends, recess, lunch, a favorite story, a new hobby, a reward for hard work, a favorite movie, a favorite team). 2. Look in a newspaper or magazine. Cut out favorite pictures and write captions for the pictures. Match your captions to the "real" caption. 3. Write about the weather in a different "voice" such as curious, expert, or excited—the same excitement that I feel when "it's snowing!"

Good luck to our 5th grade writers on their SOL Writing Test on March 6 and 7, 2012!

MARK YOUR CALENDAR:

March

2	Read Across America Day
6 & 7	SOL Writing Test (5th only)
8	Jamestown Program (4th only)
11	Daylight Saving Time Begins (Spring Forward)
12 & 13	SOL Online Writing Field Test (5th only)
12 & 13	24 Tournament (4th only)
13	PTO (All Grades Participate)
14 & 15	24 Tournaments (5th only)
20	Spring Begins
23	St. Jude Math-A-Thon (All Grades)
26	No School-Teacher Workday
27	No School-Parent Conferences (8:30-3:00)
28	4th Nine Weeks Begin
29	AR Reward
30	Reward Activity (Skating)

RETENTION:

On January 27th, letters were mailed to the parents of students who are being considered for possible retention in the current grade level. If you received a letter, and have not already been contacted, please call your child's teachers to set up a conference to discuss your child's progress. Together, you can discuss strategies that can assist your child in meeting grade level expectations. Thank you for your immediate attention to this matter.

VISITORS' PASS:

Parents or other individuals who are in the building for conferences or other school business are required to report to the office to obtain a pass. You may not pass the office without it. Thank You!

News from the Dog House:

Watch D.O.G.S. Valentines Event is a Big Success

February 14th was made very special this year for students at AES when they were given the opportunity to invite their Dads to lunch for the first time ever Watch Dogs Valentine's Day event. Approximately 71 AES Dads came out and joined in on the fun. As they entered the school, they were greeted by the schools SCA President Abby Ranson, Vice President Taylor Falk, selected students from Mrs. Carson's 4th grade class, Olivia Reid and Shalynn Jefferson-Miller, "Coaches for the Day" Tatum Martin and Carter Berry and AES Watch DOGS Parent Coordinator, T.M. Phelps. The visiting Dads were given handmade hearts to present to their student and enough to share with other students at their lunch table who did not have a visiting Dad.

The event was organized to give potential Watch DOGS the opportunity not only to enjoy lunch with their special Valentine, but to learn more about the "Watch DOGS Program". "We had eight Dads or Granddads give their name and number and/or talk to me about the Watch Dogs program", T.M. Phelps stated. "The idea to do the Valentines event came while brainstorming ways to help get more Watch DOGS in the school on a weekly basis. Having at least one Watch DOG every week is a great goal, but having a Watch DOG in the school on a daily basis would be a dream come true.", Phelps added.

For more information on the Watch DOGS program, please email teacher sponsors, Katie McCann at Kdmccann@appomattox.k12.va.us or Jason Wells at Jlwells@appomattox.k12.va.us. Also, you can contact the Parent Coordinator T.M. Phelps at coacht0208@gmail.com.

Attendance Calls:

When your student is absent, please call the school nurse, Mrs. Lewis, at 352-5411 or ext. 4306. Also make sure you send a parent note or a doctor's note when your child returns to school.

Taste Test:

Come one, come all to the taste test stand at AES from 6:00 to 6:30 before the PTO meeting on 3/13/12. On the menu will be items that follow the new USDA guidelines for the National School Lunch Program. Come to enjoy Vegetable Lasagna, Three Bean Chili, Sweet Potato Fries, Fruit Smoothie & our new House Dressing. Yum!!

LUNCH TIMES:

Please post where you can refer to later.

Digital Learning Day:

On Wednesday, February 1, AES celebrated Digital Learning Day. "Digital Learning Day" is a nationwide celebration of innovative teaching and learning through digital media and technology that engages students and provides them with a rich, personalized educational experience." (http://www.digitallearningday.org/)
AES students and teachers used a multitude of technologies. Technologies such as: Promethean Boards, ActiVotes, ActivExpressions, iPads, iPods, document cameras, laptops, and desktop computers were all utilized. Kudos to all AES teachers and students who took part in this special day!

3rd Grade News:

March looks like it's going to be a busy month, so let's "Team Up For Learning" to be successful!

In Reading, we will continue to read books together and practice the 3rd grade standards that are necessary to become better readers. We will continue to use specific vocabulary to compare and contrast characters, settings and events in stories, as well as show cause and effect relationships. We will continue to show comprehension of fiction and nonfiction texts by identifying the main idea and supporting details, and summarizing major points.

In Writing, we will continue to use word reference resources, as well as other reference materials. We plan to do a lot of writing for various reasons. We will end the month with sharing reports on information gathered from researching and reading biographies of famous people.

In Math, we will focus on measurement. This includes length, weight, capacity, temperature and time. We will practice both metric and U.S. customary units.

We will begin a unit in Social Studies to learn about several explorers. We will describe the accomplishments of Christopher Columbus, Juan Ponce de Leon, Jacques Cartier and Christopher Newport. We will identify reasons for exploring, information gained and results from their travels.

As you can see, March is looking quite busy for 3rd grade! Let's "Team Up For Learning" and have a successful month!!

4th Grade News:

Hello from the fourth grade at AES! Our fourth graders are busy getting ready for the SOL tests coming up in May. In math students have not long ago finished working with decimals out through the thousandths place value. They have written decimals in expanded form, word form, and standard form. They have also rounded decimals and added and subtracted them. We are studying fractions at the present time, adding, subtracting, finding equivalents, reducing; all the fun stuff! In Virginia History we finished the Civil War and are studying Reconstruction. The month of March holds some exciting trips for the fourth graders as well. Stay tuned for more information on that from your child's teacher.

Read Across America:

Celebrate Read Across America with your child during the month of March! The National Education Association's Read Across America is an annual reading motivation program that challenges every child in every community to celebrate reading on March 2, the birthday of children's author Dr. Seuss. Your child will be participating in special reading activities in school and will be encouraged to celebrate at home with you as well! TV, videogames, computers and other distractions make it difficult for children to get excited about reading. Your child can become an enthusiastic reader when you read with your child daily and encourage younger and older siblings to read together. This is a great reading opportunity for your child to earn AR points to meet their 20 point goal by the end of the nine weeks! Ask your child about their classroom's AR competition and reward activities.

Read Across America Poem

You're never too old, too wacky, too wild,
To pick up a book and read with a child.
You're never too busy, too cool, or too hot,
To pick up a book and share what you've got.

In schools and communities,
Let's gather around,
Let's pick up a book,
Let's pass it around.

There are kids all around you,
Kids who will need
Someone to hug,
Someone to read.

Come join us March 2nd
Your own special way
And make this America's
Read to Kids Day.

5th Grade News:

Fifth graders at AES have been very busy preparing for the upcoming Writing SOL test. The two day test is scheduled for March 6th and 7th. In preparing for the upcoming test, students have been doing practice SOL packets daily and working on the Young Author's Essay. This important date is right around the corner so please make sure your child is prepared by remembering to do a few things:

1. Make sure your child is well rested by ensuring they get a good night's sleep.
2. Make sure they eat breakfast on test day, or have them eat breakfast here at school. Studies have shown students perform better when they have eaten breakfast.
3. Please try to have your student here on time. This is very important! Testing usually begins shortly after 8:30, so being punctual is crucial.

The fifth grade has also been studying light in Science, and fractions and division in Math. Our Reading classes have been reading a variety of books and learning about Comparing and Contrasting as well as Cause and Effect Relationships. Please encourage your child to continue working to meet their 25 point AR goal per nine weeks.

March is Math Madness Month!

Math competitions will be held during the month of March. Third graders will compete on speed and accuracy of basic math facts during their math compass lab time with Mrs. Lewis. Each class will have a competition winner who will receive a prize.

Fourth and fifth graders will compete in grade level 24 game tournaments. Students will be introduced to the game in homeroom classes where they will eventually compete to be one of the top three from their class. Those three students will go on to compete in grade level competitions. An example of a 24 game card is shown below with directions.

If you are interested in purchasing this game, Little Dickens on Lakeside Drive carries it locally. A number of online stores sell it. Be sure to get the original, single digit version. There is also a 24 game app available on iTunes for $0.99.

Directions: You can add, subtract, multiply and divide. Use all four numbers on the card, but use each number only once. You do not have to use all four operations.
Example: One solution to the card shown is:
4 x 3 = 12, 12 x 2 = 24, 24 ÷ 1 = 24

Music Notes:

Mark your calendars! The date is set! Our PTO program, "Destination Rock N' Roll" will be performed for you on **Tuesday March 13**, at 7:00 PM is in the AES gymnasium. Featured performers are members of the 3rd, 4th, and 5th grade. Performers are asked to arrive no later than **6:40PM**. Performers need to wear a plain white shirt and dark pants. Won't you please come and share this special musical performance with us? We're looking forward to seeing you!

March is Music in Our Schools Month!

The purpose of MIOSM is to raise awareness of the *importance of music education for all children* – and to remind citizens that school is where all children should have access to music. MIOSM is an opportunity for music teachers to bring their music programs to the attention of the school and the community and to display the benefits school music brings to students of all ages.
Check out Mrs. Bromley's Website to see how AES celebrates Music in our Schools Month!
http://teacherweb.com/VA/AppomattoxElementarySchool/GeneralMusic/h0.aspx

Attending School Every Day. . . More Important as the School Year Progresses:

We often speak of the importance of attending school each day at the beginning of the school year. But as the year goes on, being here every day becomes even more important. Our school days are filled with important activities and lessons that cannot be experienced anywhere else. Teachers try to "catch students up", but it is very difficult to do. When a student misses a day from school, 6.5 hours of learning is lost.

We realize there are valid reasons for missing school. When students are sick, please call AES by 9am. When your student returns to school, please send a note explaining his/her absence. If there are other reasons for the absence, list those reasons in the note. The note verifies that you are aware of the absence. It is also important that the student makes up the assignments missed. This should be done as quickly as possible as one lesson often builds upon another.

Sometimes it is necessary for students to be absent from school for a reason other than illness, religious holidays, or legal appointments. This would be considered a pre-arranged absence. If you know in advance it will be necessary for your student to be absent, please send a written note to the principal in advance of the absence detailing the need for the absence. He will designate the absences as excused or unexcused.

Arriving at school on time each day is also important. Our school day begins at 8:25am and ends at 3pm. Please be sure your student is here on time each day and avoid any disruptions to his/her day whenever possible.

This is a busy time of year. Teachers and students are working hard each day. Help your child be a part of every class activity. AES is the place to be from 8:25 to 3! Thank you for your cooperation.

HARLEM SUPERSTARS PROMOTE POSITIVE CHOICES:

Students and staff at Appomattox Elementary School were provided a special treat on February 2, 2012, when two members of the Harlem Super-Stars, otherwise known as "Hollywood" and "Surfer Boy," visited to share their on-court skills, along with some off-court advice about positive choices. While entertaining the crowd with dribbles, chest passes, one-handed, backward, half-court shots, and windmill jams, the Harlem Super Stars stressed the importance of working hard in school, setting goals, playing fair, being a good friend, and eliminating bullying. This program was sponsored by the Tiny Angels Daycare as a fundraiser for their playground. The program was free for all students during the school day, but the public was invited to an admission program later that evening in which the Superstars played against an Appomattox Dream Team of coaches, former students, ministers, and others.

During the school assembly, students cheered on their teachers as they played an elimination round of chest passes. Mrs. Johnson, a teacher assistant, was the sole survivor of the fast-paced action; however, her win was the subject of debate. She was accused of a little foul play, but our student audience knows better, and had a good laugh watching.
At the conclusion of the exciting basketball program, Mrs. Walton, our Physical Education teacher, led the crowd in a resounding cheer of:

"We fill buckets
Yes, we do!
We fill buckets!
How about you?"

Students at Appomattox Elementary School work hard to "fill buckets" by being kind and considerate in words and actions. Class meetings are held each month to promote ways in which to do so, and to share strategies for solving problems in appropriate ways.

Announcements are made daily in which students caught being bucket fillers are recognized for their citizenship. Students who exhibit a consistent example of positive behavior by following school rules are rewarded each nine weeks with a special fun activity, and a letter is mailed home to their parents congratulating them for being a member of the Positive Action Team at AES.

JUMP ROPE FOR HEART A HUGE SUCCESS!

All of the students at AES participated in lots of JUMPING on Friday, February 17th. Students jumped all over heart disease and stroke by exceeding our school goal of $4200.00. We are so proud of our students' efforts and support of the American Heart Association.

Donations raised during Jump Rope for Heart help fund research to fight heart disease and stroke and also support the American Heart Association's public and professional education programs. Heart disease is the No. 1 killer in America and stroke is No. 3.

The top three fundraising classes in each grade level earned a pizza party! The entire student body earned "Hat Day" on Friday, February 24th for reaching our goal this year! A special recognition goes to our top fundraiser, Alexis Scruggs, for turning in a total of $1,010.00 to AHA. Thanks so much for all your hard work and we look forward to another exciting event next year!

What is a Legume???

A Legume is a group of vegetables.
These vegetables grow on a vine or bush.
Legumes are cooked, edible mature seeds.
Examples of legumes are black beans, kidney beans, lentils, chick peas, soy & peanuts.

Why eat Legumes???

1. They are low in fat.
2. They are high in protein.
3. They have folate, potassium, iron and magnesium, which are all good for your body.
4. They have lots of fiber and what's left after digestion acts as a broom to sweep out your digestive system, keeping cholesterol levels down and helping your heart.
5. They have compounds which may help prevent diseases.
6. They taste sooooo good!!

So, who wouldn't want to eat such a great food?

Win a FREE Ala Carte Item!!

Turn in your favorite BLACK BEAN recipe to the cafeteria by March 16th and get a free ala carte item ticket!
The recipe must include 1/2 cup per serving of BLACK BEANS, your name and your grade.
The best BLACK BEAN recipes will be included on the April menu!!!!

Mr. Tom Yarber & Staff
Appomattox Elementary School
176 Kids Place
Appomattox, VA 24522

Dear Tom:

On behalf of the 4-H youth who participated in our Appomattox County 4-H Public Speaking Contest, we wish to thank you for your assistance with this program. We deeply appreciate your willingness to work with 4-H in allowing us to use the building and the equipment. Please thank the members of your staff who helped with this effort.

Our contest on Monday night was well received by an appreciative audience of approximately 200. It was good to see so many youth and adults involved. We feel that the youth participants earned skills in preparing and presenting their speeches in front of an audience. Some of these young people may have had difficulty experiencing success in other areas of their lives, but they were able to be positively recognized in this area.

Thanks again for your cooperation and assistance. Best wishes for your plans for the rest of this spring season. Please let us know if we can assist you in any way through the Extension Office.

Sincerely,

Bonnie

Bonnie B. Tillotson

SPRING IS PERFECT FOR PICTURES!

Mark your calendars for April 3, 2012 as Spring Picture Day returns to AES. We are excited to welcome our Lifetouch photographers back to our school for a wonderful fund raising opportunity to benefit our school and our parents.

First, students will take a group picture with their class. These pictures are $11.00 each and you can send in payment before or on picture day. Your child should have received a flyer with an envelope for enclosing payment. If not, and you would like to purchase, please make check or money order payable to LIFETOUCH place in an envelope with your child's name and teacher and send to AES before or on picture day.

Second, students will each be photographed in a pose that you choose from the picture day flyer. Please select a pose even if you do not intend to purchase. Your child will need to bring this pose selection on picture day. Just cut out from the picture day flyer and send to your child's teacher on 4/3/2012. When these portraits arrive, our bookkeeper will send them home with your child for you to view. If you wish to make any purchases, please make checks or money orders payable to LIFETOUCH. You may send cash in the envelope that will be included in your portrait package. If you do not wish to purchase at this time, please return the complete portrait package back to school with your student promptly.

Last thing to remember on Spring Portrait Day is to be on time to school if you would like your picture taken. Our session should be over by 10:30 a.m. and we will not have a make-up day. BRING YOUR SMILE!

Parents, thank you for supporting our school through our portrait program. We appreciate all that you do for us!

May SOL Test Schedule:

12:30-1:00	Hamlett	Pinelli

Homework Tips for Parents with Children with Learning Disabilities:

After a long day at school, homework time can be difficult for all children. It can be especially hard for children with learning disabilities. They may have more difficulty completing homework due to the following reasons: difficulty with organization, higher frustration levels and often attention issues. Here are some things that parents can do to help their child complete homework!

Location: You child should complete his/her homework in the same place every night. Let the child help you decide where that could be. Make sure that there is plenty of lighting.
Supplies: At the beginning of the year, make a homework supply kit with all the necessary school supplies. Buy a calendar with blocks big enough to write in. Write on the calendar when homework or projects are due.

Routines and Goals: Be consistent! Homework should be done at the same time every day. Decide which adult is going to help. Establish rules for reducing distractions. (No friends over, no phone calls during, no radio or TV.)

Organization: It is important to teach your child a strategy to pack his/her book bag at the end of each day. *Hint: Write a simple list of books/supplies needed for homework on an index card and keep it in the front pocket of the book bag.* Other ideas might include using different colored folders and notebooks for each subject and having your child pack up his/her bag every night instead of waiting until the morning.

Fatigue: To prevent fatigue when completing homework, provide frequent, short breaks.

Chunking: Break assignments into shorter tasks. *Hint: Do not wait until Thursday night to start studying for Friday's spelling test!* Start Monday and study for 10 minutes each night.

Praise: Provide frequent verbal and non-verbal praise.

Homework Contracts: Use homework contracts and focus on one goal at a time. *Hint: Have your child help in writing the contract to develop ownership.* Example: "I, Marvin, will complete all of my homework each night for five nights in a row. When I accomplish this, I can go to the movies."

Monitoring Time on Task: Use a timer or hour glass to make the passage of time more concrete. Your student can actually see the amount of time that is passing and how much time he/she has left to work. -----www.superduperinc.com

News from Compass Math:

Thanks to all of the family members who are working hard with your student to help him/her to memorize math facts! This will help each student understand each new math unit a lot better and grasp higher level thinking skills more quickly. Third graders have been learning about fractions. They are identifying them, comparing them, and adding and subtracting them with like denominators. They have also identified mixed fractions. By cross-multiplying ("butterflying") two fractions, they learned to tell which one was the largest, or identify them as equal. It is very helpful when the student knows the multiplication tables by heart. Scrap paper is provided for those who need to use different strategies to get the answer.

I will be doing a review of subtraction with borrowing very soon.

Fourth graders have been doing fractions also. They have identified them, compared them, reduced them, made them equivalent, and identified a mixed number. We will be adding and subtracting them with like and unlike denominators. Knowing multiplication and division facts is key to understanding all of these concepts.

Fifth graders have spent a lot of extra time with fractions. They are presently doing a lot of review of mixed numbers, improper fractions, GCF, LCD, and adding and subtracting fractions with like and unlike denominators. We will soon be reviewing elapsed time.

The fourth grade students have safely rounded third base and are racing towards home plate. The school year is quickly coming to an end. Teachers and students are ready to have Spring Break and then

prepare to score at the plate and be ready for fifth grade.

3rd grade news:

As we finish up benchmark testing, we are now into the fourth and final nine weeks of third grade. Remember that each nine weeks, all third graders need to obtain 15 Accelerated Reader points during that nine week period. Your child's reading homework continues to be to read an AR book and record it into their planner 5 nights per week.

A-wing continues to "Team Up For Learning" as the SOLs are quickly approaching (May). We continue to have weekly Spelling lists, written Spelling homework assignments twice per week, and Spelling tests on Fridays. Please continue to help your child prepare.

In Math, we continue our study of measurement, including time, distance, capacity, volume and weight. Following this, we will move on to geometry. Don't forget to practice those basic math facts (addition, subtraction, multiplication and division).

We are also moving right along in Science. We are learning about the different sources of energy, with emphasis on solar energy. We plan to experiment with solar powered cars, build windsocks and test water wheels during our lessons. Soon after, we will move on to learning about soil. Students will use their senses to analyze 3 to 4 different soil samples. We will investigate and answer which living things depend on the soil. We will need all students to be able to define the science term "conserve". Each student will be asked to give strategies for conserving water and soil while at home and at school.

Please check to make sure that your child has these supplies ready for learning daily: pencils, paper, scissors, a glue stick and crayons. Continue to review those study guides and returned graded papers.

As always, thank you for everything that you do for your child's education!

Your AES third grade team! We "Team Up For Learning" in 3rd grade!

4th Grade News:

Language Art classes are beginning to review skills for SOL testing. It is extremely important for students to be here at school all day to benefit from an intensive review of skills, test taking strategies, as well as building their confidence in reading comprehension.

Your child will be working towards 20 points in AR. IT is VERY important to earn at least 2.5 points a week. Start with that small goal and read extra to meet the goal. Some ways to increase your child's reading abilities and skills is to - Read WITH your child, have your child read out loud to you; ask your child questions about the characters, setting, plot, vocabulary, tone, mood and language; encourage them to take AR tests; and motivate them to read more and work harder - push themselves!

In math we will begin a unit on Measurement. Please help your child to use measurement at home as well as school.

Use the bathroom scales to find the weight of objects around your home.

Use a ruler, yard stick, tape measure, and meter stick to measure length. Use a variety of objects and use parts of an inch to measure small objects.

Use measuring spoons and measuring cups to measure volume. Have your child help measure rice, water, flour, salt, sugar, etc when making a recipe. As you work with your child in the kitchen, they are helping you prepare a meal, and you are working side by side to reinforce measuring skills.

In Social Studies we are beginning 20th and 21st Century Virginia. Share memories of your life during this time. Have your child read books about Martin Luther King, Rosa Parks, Arthur Ashe, Jackie Robertson, Babe Ruth, etc. Talk about these Virginians as a family.

Let's get excited as your child gets ready for their final nine weeks this year! We thank you for allowing us the opportunity to work with your child

at school and look forward to the future successes in your child's educational years.

5th Grade News:

Spring is in the air at AES! The Writing SOL is behind us, and now our focus shifts to the upcoming Reading, Science, and Math SOLs. These will be taking place in the month of May. However, we have much to learn about before then. In Writing our 5th graders will be studying poetry. In the subject area of Reading we will be learning about fact and opinion. Our students will be studying measurement in Math and weather in Science.

Prior to the SOLs we have two exciting trips planned for the 5th grades students in the month of April. The students will be visiting the Claytor Nature Center in Bedford. They will learn about different aspects of nature by using their five senses. Students will take a nature hike, learn about our local watershed, and go wading in a creek to look for live critters. On April 27th we will be making our way to Virginia Beach. This is a much anticipated trip for our students. We will be visiting the Virginia Beach Aquarium, watching an IMAX movie, and taking a dolphin watching cruise. Spring looks to be sunny for our 5th graders at AES. We are very thrilled.

BOX TOPS FOR EDUCATION:

We would like to thank everyone for sending in their Box Tops for Education this fall and spring. We were able to send in an additional $570.40 this spring, giving us a grand total for this school year of $1685.60. We have designated these funds for the library to purchase additional AR books. As you send in box tops, be aware that they do have expiration dates as do the bonus box tops and certificates from our local stores. Thank you again for your support and continue to send in your box tops. We will send in another batch in October of this year.

Music Notes:

Thanks to all the students and parents for your participation in the PTO program, "Destination Rock N Roll." The performance was spectacular! Check out pictures, video, and blogging questions at Mrs. Bromley's website:
http://teacherweb.com/VA/AppomattoxElementarySchool/GeneralMusic/h0.aspx

From your Librarian:

Thank You, Volunteers

We have an amazing book fair in February. Our sales topped $7,000 for the first time in my work here as librarian. Sixteen volunteers came out to help us run book fair. We are so grateful to each one who came; book fair cannot be done without volunteer help. I hope that many more of you will offer to volunteer next year, and will actually come to help us, or at least to shop with your students during book fair. Parents are always welcomed in library, but are especially welcomed during a book fair.

Language Arts Announcements:

On April 6, AES will celebrate DEAR Day (Drop Everything and Read). In your child's class, they will be celebrating Beverly Cleary's birthday and this celebration day in different ways. The school will participate by having students and faculty to **dress like their favorite Beverly Cleary character** on **April 6**.
For character ideas - Check out
www.beverlycleary.com

Hit the Books with Lynchburg Hillcats!
Your child will be receiving a reading bookmark during the first week of April. Once your child reads 4 books and has his/her teacher to sign off on the reading, you can pick up 2 free tickets from the Sylvan Learning Center in Lynchburg for a Hillcats game on May 27. The game will be the celebration of the Hit the Books program. There will be fireworks at the game!
Read and earn tickets to a baseball game!
More information will come home when bookmarks are sent.

Read for AR
With AR Enterprise, your child should have no problem finding LOTS of books to READ! The AR program used by schools was switched over in the fall which gives students and teachers options for LOADS of book tests along with other skill and vocabulary tests. With this opportunity, you are encouraged to find books in your child's classroom, school library, local library, book stores and book orders!

Strategies to help your child - have your child read aloud to you, read with your child, spend time together reading as a family, ask your child questions, set up incentives for reading at home, and find time to read.

Make small weekly goals for AR points. By setting small goals, your child will be able to meet the nine week goal.

For example:
3rd graders should earn 1.5-2 points a week
4th graders should earn 2-2.5 points per week
5th graders should earn 2.5-3 points per week

Be sure to encourage your child to earn AR points. There are numerous rewards for school level goals PLUS at the end of the year there will be additional opportunities for class AR point winners.

Your child is part of the class team! Read!

Lynchburg Hillcats' Outstanding Student Recognition Night---May 25, 2012

This year, the Lynchburg Hillcats have "TEAMED UP for Learning" with Appomattox Elementary School to promote positive student accomplishments. In the fall, two of their baseball players visited with our fourth graders to promote excellence in learning by reading with our students, sharing their personal learning experiences, and allowing students to interview them. This spring, the Hillcats will publicly recognize our outstanding students on the field at the beginning of its May 25th game against the Potomac Nationals.

Selected students, based on academic achievement and/or exemplary citizenship, will receive a complimentary ticket to the game. Family and friends will have the opportunity to purchase tickets in advance from the school for $8.00 each. As part of the partnership program, Appomattox Elementary School will receive half of the money raised for the event. The money received will be used for future student events, such as SCA, Accelerated Reader incentives, Citizenship Reward activities, and special assemblies.

It is a great opportunity to celebrate our students' growth through the year and support our schools' programs at the same time. It is also a great way to spend some quality family time, both with your own family and with your child's AES family.

Mark your calendar for May 25th!!! More information will be shared closer to the date. Together, we "TEAM UP to Celebrate Learning!"

4-H Science Fair:
On March 9, 2012, A.E.S. students participated in our 4-H Science Fair. The variety of interesting projects ranged in subject matter from battery brand longevity tests to aerodynamics of paper airplane designs. Students were able to successfully explain their projects to judges. Many were selected to compete in the 4-H division program which will be held later this month. Congratulations to all the young scientists who entered our Science Fair!

3rd Grade:
Ethan Harbin- Gillam
Abigail Swanberg- Gillam
Tyffani Sigafoos- Hamlett
Liam Bennett- Hamlett
Ellie Peterson- Lewandowski
Billy Stanley- Dunevant
Cameron Womack- Gregory

4th Grade:
Anne Armstrong- McCann
Annabelle Paulette- McCann
Colton Smith- McCann
Hayley Carrico- McCann
Claudia Hamlet- Rees
Gabby Mendoza- Lindsay

5th Grade:
Ian Watson- Hix
Abby Ranson- Hix
Ryan Berry- Hix
Bryant Tolley- Hogan
Hannah Johnson- Hogan
Tyler Lewis- Hogan
Chase Coleman- Hogan
Ilyana Servis- Jamerson
Ashleigh Maxwell- Jamerson
Braden Drinkard- Jamerson
Michael Spangler- Jamerson
Jackson Cheatham- Jamerson

Katelin Savage- Nolen
Hogan Beazley- Knaus
Lyric Robinson- Lankford
Tori Mattox- Lankford
Colby Mullins- Wells

24 Tournament:

Fourth and Fifth grade students were involved in the 24 Game Math Tournament during March. Three students from each class were selected to participate based on performance in their classroom tournaments. After participating in the school tournament rounds 1 & 2, the list was narrowed to 12 semi-finalists. From there, three finalists competed for the championship.

The finalists from fourth grade were: Gaither Comeau, Adam Dillon, and Colton Smith. After the final round, Colton Smith was declared our 4th Grade 2012 Tournament Champion.

The finalists from fifth grade were: Hogan Beazley, Braden Drinkard, Summer Natour, and Katelin Savage. After the final round, Katelin Savage was named our 5th Grade 2012 Tournament Champion.

Participants in the Fourth Grade 24 Game Math Tournament were:
Mrs. Trent:
Jarod Morgan
Hayden Drinkard
Tevin Hurt

Mrs. Rees:
Eric Cheatham
Ethan Garrison
Brendan Gallier

Mrs. Peck:
Shaunquitta Wright
Maliek Hubbard
NaDyah Wynn

Mrs. Lindsay:
Parth Patel
Shaniya Johnson
Gabby Mendoza

Mr. Williams:
April Morgan
William Donghia
Jacob Neighbors

Mrs. Driskill/Mrs. Almond:
Luke Olimpio
Amber Lewis
Lexi Scruggs

Mrs. McCann:
Gaither Comeau
Adam Dillon
Colton Smith

Mrs. Carson:
Olivia Reid
Sam Sutherland
Jenna St. John

Participants in the Fifth Grade 24 Math Tournament were:
Mr. Wells:
Cody Mewborn
Hallie Drinkard
Maddie Driskill

Mrs. Hix:
Hunter Franklin
Ian Watson
Abby Ranson

Mrs. Hogan:
Chris Richardson
Tashya Copeland
Bryant Tolley

Mrs. Jamerson:
Kourtney Moseley
Ilyana Servis
Braden Drinkard

Mrs. Lankford:
Trey Smith
Cheyenne Moore
Lyric Robinson

Mrs. Barricks:
Kaleb Board
Jacob Johnson
Holly Rutherford

Mrs. Nolen:
Katelin Savage
Summer Natour
Chris Caudill

Mr. Knaus:
Hogan Beazley
Austin Robertson
Makayla Davis

YOUNG AUTHORS CONTEST:

The Young Authors Contest is an annual event hosted by the Piedmont Area Reading Council. Congratulations go out to the following students whose essays have been submitted to division level competition.

4th graders:
Luke Olimpio
Robert Paisley
Annah Booker
Jeremy Thomas
Adam Dillon

5th graders:
Colby Mullins
Skyler Glover
Desire Hamlett
Temia Pennix
Savannah Keyser
Autumn Honeycutt

Congratulations to these students whose fiction writing was submitted to division level competition:

3rd graders:
Tatum Harris
Keyshawn Baker
Ellie Peterson
Andrew Lindsay
Tyffani Sigafoos

4th graders:
Christian Ferguson
Hannah Marcum

5th grader:
Kayla Cash

Congratulations to these students whose poetry writing was submitted to division level competition:

4th grade:
Jaynell Jennings

5th grade:
Lyric Robinson
Tori Mattox
Cheyenne Moore

NOTES FROM PE:

Students received their Thank-You Gifts from Jump Rope for Heart! We again want to say thanks for partnering with the American Heart Association and participating in Jump Rope for Heart and making this year such a huge success! Your partnership enables the AHA to continue and strengthen its lifesaving research and education.

AES Field Day is scheduled for Friday, May 25th! We will need your help again this year to help make this day a success and a lot of fun for the students! Look for more information in the May newsletter and a volunteer sign-up form. Please mark your calendars now and plan on being a part of your child's Field Day experience.

Get Your Plate in Shape: Before you eat, do you think about what you will put onto your plate? A balanced plate sets you on the path to success for your whole day - a day when one healthy meal leads to another, which leads to another.

Get your plate in shape with these ideas:

- Make half your plate fruits and vegetables. Eat a variety of vegetables, especially dark-green, red and orange vegetables plus beans and peas. Fresh, frozen and canned vegetables all count. Choose "reduced sodium" or "no-salt-added" canned vegetables.
- Make at least half your grains whole. Choose 100% whole-grain breads, cereals, crackers, pasta and brown rice. Check the ingredients list on food packages to find whole-grain foods.
- Switch to fat-free or low-fat milk. Fat-free and low-fat milk have the same amount of calcium and other essential nutrients as whole milk, but less fat and calories.
- Vary your protein choices. Eat a variety of foods from the protein food group each week, such as seafood, nuts and beans, as well as lean meat, poultry and eggs. Twice a week, make seafood the protein on your plate. Keep meat and poultry portions small and lean.
- Drink water instead of sugary drinks. Choose 100% fruit juice instead of fruit-flavored drinks.
- Select fruit for dessert and eat sugary desserts less often.
- Cook more often at home, where you are in control of what's in your food.
- When eating out, choose lower calorie menu options. Choose dishes that include vegetables, fruits and whole grains.

This information is provided by the American Heart Association

Mrs. Jennifer Walton
Physical Education Teacher

Yum!!

FREE BREAKFAST MONDAYS!

Yum!!

Taken @ APS 3/7/12

Beginning After Spring Break,
on April 16th,
ALL schools will be offering
Free Breakfast EVERY Monday
to ACPS students for the rest of the school year!
Just come in the cafeteria and put your number in.
Your breakfast will be free!

Appomattox Primary School

"Building the Future of Success at APS"

March 2012

Principal's Message…

Where is the snow? I can't believe I'm asking that question, but by this time last year we had already missed several days of school. We really are fortunate that we have been able to maintain our schedule. The students have been working hard each day, and they have not had a snow day to rest. As the weather gets warmer, it may become increasingly difficult for them to remain focused; but it is even more important that they do. Over the course of the next few weeks/months, we will concentrate on helping students reach the academic benchmarks necessary to be promoted for the 2012-13 school year.
It will be crucial that we help our students remain attentive and focused on learning, as more things compete with their attention. While playing outside and engaging in other activities is very important to a child's development, please encourage your child to get a good night's rest, so s/he will come to school re-energized each day. We appreciate all that you do as parents to see that students are at their best each day. It is impossible for the teacher to do it all, and s/he needs your help at home to ensure homework is completed and skills are reviewed each week. We are in this together.
Thank you in advance,
Heather Mullins
Principal

As always, if we may be of assistance to you, please contact us:
434-352-5766
Website: http://www.appomattox.k12.va.us/primaryschool

Employee of the Month:

Congratulations to Jennifer Mott, Valerie York, and Laura Page for being employee(s) of the month (January and February).

Jump Rope for Heart:

From Kathy Dickerson, PE Teacher

Our Jump Rope for Heart event this year has raised a grand total of $3,503.84!! I am beyond pleased! I will be mailing this money in to the American Heart Association immediately, but if, by chance, you collect any more money, I will be glad to do a final mailing the second week of March. Thank you so much for your

support! In this economy, I wasn't sure we should even do an event this year! Your generosity is truly appreciated by the many people who suffer with heart conditions, and I thank you as well!

Box Tops for Education

From Jennifer Royal, Box Tops Coordinator

APS is hammering away at our Box Tops for Education goal for the year! It's so exciting to see the totals each month. For the November collection, our total earned was $159.60, with Mrs. Royal as the school-wide winner. In January, we collected a total of $611.40, with Mrs. Donnigan as the school-wide winner. That brings our grand total so far this year to…$2,097.10! Please continue to buy, clip and send in those box tops. With only three more months to collect, our goal of $3,500.00 is in sight.

Summer School:

APS is offering a half-day summer remedial program during the month of July. It will be held at AES again this year due to the building project.
The summer school program will offer concentrated reading instruction in a small group setting to invited students. Transportation to central pick-up/drop-off points within the county will be provided. Parents may wish to reserve July if their child is experiencing difficulty in reading and/or at risk of repeating the present grade. More information will be forthcoming.

Reminders and Helpful Tips:

- **If you have given us a new phone number, it is updated in PowerSchool daily. However, it may take up to a month for the update to be reflected in Global Connect as that is a monthly update.**
- **If you transport your child from school on more than one afternoon per week, please write a note to have your child dismissed with walker's bell and sign them out in the office, or to be dismissed with car riders to meet you outside in the drive-through circle. Dismissal time can be very hectic, and it will help us out a great deal to have this procedure followed.**
- **If you are dropping off students in the morning, please do not do so until after 8:00. Supervision is not provided until that time.**
- **The visitor parking lot is not a drop-off area. If you are not walking your child in, then please use the Armstrong Lane entrance. This is a safety issue as some students are running from that lot to the front without adult supervision.**

- **If you are transporting your child to school and it is after 8:25, please do not drop off on the Thomasville side. Those doors are locked at that time. Please park and bring your student into the building, using the front entrance.**
- **We are unable to take bus/transportation changes over the phone. <u>We are unable to "hold" students until you arrive.</u>**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**
- **If your address or phone number has changed, please come by the office or send it in writing to the main office.**

<u>March 2012 Calendar…</u>

Thursday, March 1
-Spring/Individual Pictures
Friday, March 2
-Dr. Seuss's Birthday
Monday, March 12
-PTO – First Grade Performs
Monday, March 26
-Staff Development Day
-No School for Students
Tuesday, March 27
-Parent/Teacher Conferences (8:00-3:30 by appointment)
Monday, March 28
-4th Nine Weeks Begins
Tuesday, April 3
-Report Cards Go Home (Available after 3:00 if student is absent or if a copy is needed other than the one sent home with the student)

PTO Program – March 12, 2012

Our next PTO program is scheduled for Monday, March 12, 2012, at 7:00 p.m., in the APS cafeteria. First grade students will be performing "The Alphabet Adventures of Sometimes Y," by Mark Burrows. Students have been busy for the last two months learning songs about letters, words, sentences and paragraphs, and how they are put together in order to make the stories they read while seeking those important AR points! This has been such a fun-filled experience and we'd like to share it with you in song! Student performers should meet Mrs. Morrison in the APS all-purpose room (gym) at 6:30 p.m. that evening. Dress for all will be everyday school clothes with low-heeled shoes. We are looking forward to seeing you there!

Students of the Week

January 30-February 3, 2012

K: Angel Seay, Alexis Jenkins, Noah Franklin, Cheyenne Kniffin, Spring McFadden, and MaKinnley Meador.

1: Dilaal Foxx, Isabella Gonzin, Qua Mosley, Troy Tomlin, Adrienne Morgan, Ibrahim Rahman, Nathan Shippee and Jaliyah Hall.

2: Corinthia Jones, Promyse Hodge, Charlie Beazley, JaQuan Walker, Madison Shirey, Jurzee Chambers, Kaylie Morgan and Michael Breedlove.

February 6-10, 2012

K: Luca Reed, Whittney Anderson, Kevin Fitch, Destiny Solliday, Colin Martin and Madison Martin.

1: Christian Fields, Cayden Branham, Jada Baker, Makalah Thornhill, Ava Beckhouse, James Munshausen, Nevaeh Payne and Zach Busa.

2: Jaylin McCoy, Karis Hensley, Skylar McDilda, Hannah Lethcoe, Dakota Wheeler, Maddie Hall, Gage Meador and William Morgan.

February 13-17, 2012

K: Anthony Inzeo, Dominic Silver, Sally Lawson, Ryan Hall, Michael Stanley, Logan Godsey, Olivia Inglett and Ethan Burks.

1: Caitlyn Radford, Morgan Doss, Jasmin Shinault, Alex Caruso, Lineeyah Williams, Jacob Moore, Jaylen Kelso and Emoni Allen.

2: Italy Chambers, Terrence Epperson, Avery Roark, Anna Putnam, William Peacock, Brittany Smith, Josie Jones and Carley Davidson.

February 20-24, 2012 - None

APPOMATTOX COUNTY PUBLIC SCHOOLS

FY 2012-13

SUPERINTENDENT'S BUDGET PRESENTATION

MARCH 22, 2012

General Assembly

- Reconvened with 11 senators and 14 delegates to review proposals yesterday
- Senate Finance Committee met today and unanimously reported out its versions of the both the amendments to the 2010-2012 biennial budget, SB 1300, and the 2012-2014 budget, SB 1301. With a few exceptions, these budgets are identical to Senate Bills 29 and 30 previously reported by the Committee, but which died on the Senate floor.
- Committee adopted amendments to its previously adopted SB 30 that would increase funds going to K-12 by approximately $55 million.
- Legislators could be given amended budget Monday, March 26, to consider
- April 18 – Governor's veto session

Preliminary Board Goals

- 1. Maintain current instructional services
- 2 Request salary increase for all staff
- 3. Keep employee's take-home pay whole
- 4. Address efficiency in the areas of energy/utilities and supplies
- 5. Employ a full-time art teacher
- 6. Increase the band budget
- 7. Repair the lighting/electrical in the ACHS auditorium to make it safer

Instructional Student Needs

- To deliver instructional services for our students to make us competitive with adjacent counties and Region 2000:
- 1. Need additional remedial services in reading and math for middle and high school
- 2. Need additional Advanced Placement (AP) training for teachers at $650/week with the closest site being in NOVA or William and Mary
- 3. Need Pre-AP foundational training for 8 teachers – $550/week - with the closest site being in NOVA or William and Mary
- 4. New personal finance course mandated by DOE

Instructional Needs Which Impact Staffing

- Incoming kindergarten enrollment numbers
- Course request numbers – AMS and ACHS
- Additional course mandated for graduation- Economics and Personal Finance
- Need for Advanced Placement (AP) training

Priority - Capital Needs

- ACHS Roof Structural Support System
- ACHS Electrical Upgrade
- Bus and Maintenance Shop Replacement
- ACHS Other Safety Issues:
  - A. Track Resurfacing
  - B. Sidewalk Repair
  - C. Baseball Field Accessibility
  - D. Gym Bleachers
- Larger Middle School Cafeteria

Staff Needs

- Employees have not received a raise/cost of living in 4 years

Note:

- 3.5% one time bonus was disseminated to employees in 2010-11 using Federal Jobs Fund

Reality – Required Local Effort Rankings 2012 (DOE)

- Highest in state – Sussex – 224.38%
- Those around us:
- Campbell – 104.60%
- Lynchburg – 100.13%
- Nelson – 98.96%
- Prince Edward – 84.12%
- Amherst – 77.63%
- Charlotte – 12.25%
- **Lowest in state – Appomattox – 5.36%**

Budget Considerations

- Budgeted Average Daily Membership (ADM) for 2011-12
- 2253

- Current ADM - 2178
- State budgeted ADM for 2012-13
- 2185

Possible Reductions for Cost Savings

- Professional and classified positions through attrition, retirement, non-renewals, moves, which will combine or reduce class offerings and increase class size or eliminate programs
- Reduction of 1 bus route - directly affected by number of special transportation needs, i.e. Laurel, Rivermont, Pride, etc.

Other Possible Cost Saving Measures - Athletics

- Eliminating 2 non-district contests in all events other than football
- Limiting non district contest travel (not counting regional/state events) to a 2 hour max. for high school teams
- Limiting non-district contest travel to a 1 hour max. for middle school teams
- Possibly charging minimal fee for students to attend sporting events

James Regimbal19

While Local Revenues Continue to Suffer

Source: 1990-2010, Auditor of Public Accounts
FY 11 & 12 estimates from VML/VACO Fiscal Survey

James Regimbal20

Reasons the State Is Restoring Little to Core K-12 Program Funding

1. Revenues not growing as fast as usual coming out of a recession (under 5% revenue growth expected in 2012-14). Tax changes reducing revenues. Concern over potential impact of federal deficit reductions.
2. Rainy Day Fund must be restored – Half of any GF revenue growth above prior 6-yr. avg. (2% now) goes to RDF.
3. VRS contribution rates for teachers and state employees will be significantly increased.
4. Medicaid spending continues to grow faster than state revenues. 2014 impact of federal health care big unknown, but law as written would add up to 425,000 new Medicaid recipients.
5. Use of one-time revenues/savings/debt in recession have to be replaced with ongoing revenues just to keep current spending.
6. Increasing efforts to use general funds for transportation.

James Regimbal21

Revenues Not Rebounding as Fast

Growth in General Fund Tax Revenues

K-12 and Medicaid Funding are Converging (% of Total GF Spending)

23

State Per Pupil Funding Projections

Includes GF, lottery profits, miscellaneous NGF, and state appropriated federal stimulus funds

24

ACPS Budget Challenges

- VRS – General Assembly requires employee to pay 5% and locality to offset this with mandated 5% pay increase,
- Paying the 5% costs the locality more because benefits, such as Social Security, group life insurance, and retirement contributions are tied to employee pay
- Our division cost for 5% pay offset could cost us approximately additional $200,000; this may vary if General Assembly or Governor amends the proposal

The Effect of 5% VRS Increase vs. 5% VRS Offset on Employee's Monthly Paycheck – 2 Examples

Take Home Pay with:	5% VRS Increase	5% VRS Offset
Average Teacher @ $40,583.53	$2,516.05	$2,443.04
Maintenance Worker @ $24, 383.48	$1,568.63	$1,535.62

Health Insurance Premiums

- Projected to rise approximately 8%
- Projected division costs to offset this in order to keep employees take-home pay whole: $94,464
- This is based on current number of subscribers

Since 2008 – a shrinking staff – number of total employees

	Staff	Budget	Change
2008-09:	381	$21,575,019	
2009-10:	374	$20,209,508	- 6.32%
2010-11:	364	$18,739,583	- 7.27%
2011-12:	362	$19,168,396	+2.28%

- Staff has DECREASED by 4.98% and budget has DECREASED 11.15% since 2008-09.

Currently, 282 of our 362 employees, or 78%, are Appomattox County residents.

A shrinking teaching staff also…

- 2008-09: 188
- 2009-10: 185
- 2010-11: 176
- 2011-12: 172

- This is an 8.5% reduction in teaching positions in 4 years.

Fall-out From a Shrinking Budget…

- Increased class size
- Elimination of instructional programs
- Reduced course offerings
- Shared staff between buildings
- Deferred maintenance
- Requiring AMS and ACHS teachers to use part of planning periods to provide remediation and duties
- Aging bus fleet
- Eliminated staff tuition reimbursement
- Reduced off-site staff development
- Staff moving to other divisions for higher pay
- Difficulty recruiting and retaining teachers and administrators

HOW DO WE MAINTAIN SERVICES TO OUR STUDENTS?

HOW DO WE KEEP OUR STAFF?

HOW DO WE MAINTAIN and UPDATE OUR FACILITIES?

Request Sent to Board of Supervisors February 2012 includes:

- 5% VRS Increase (mandated by General Assembly 5% for employees to pay)
- 2% Cost of Living Increase
- 8% Health Insurance Premium Increase
- 2% Composite Index Increase to Locality (mandated by DOE)
- This request could change, pending upcoming General Assembly rulings.

Maintain all current instructional programs – our budget is based on **needs for students**

Other budget cuts could include

- Reductions in force if budget is decreased
- Additional programs eliminated

Unknowns as of this evening

- General Assembly has not approved a budget
- General Assembly may reconsider a budget March 27
- Governor may amend or veto legislation April 18
- Our budget request to the locality could change, depending upon the final General Assembly rulings

Minutes of
Appomattox County School Board
Interim Meeting and Budget Work Session

The Appomattox County School Board met on Thursday, March 8, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting and Budget Work Session. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

SUPERINTENDENT'S REPORT

Review of Upcoming Policy Revision

The superintendent presented the latest version of Policy JFCK – Student Dress Code for feedback from Board Members. The document contained several revisions since the Board reviewed the policy on January 26, 2012. The revisions were provided by Mr. David Hawkins - School Board Attorney, principals, and administrators. By consensus, the Board was in favor of the revised document that will be considered for a first reading at the March 22, 2012 meeting.

Virginia Locality Expenditures and Appropriations for 2010-2011 and 2011-2012

Dr. Grasty distributed copies of the Virginia Department of Education (VDOE) document dated January 10, 2012 that is annually provided to the General Assembly. The document ranks all Virginia school divisions with regard to locality expenditures and appropriations designated to meet required local effort in support of the Standards of Quality for 2010-2011 and 2011-2012. (See Attachment # 1) The following information was reported:

1. Our division is at 12.21% and fifth from the bottom for actual required local effort for the Standards of Quality for 2010-2011.

2. Our division is at 5.36% and in last place for budgeted required local effort for the Standards of Quality for 2011-2012.

3. Our school division is tenth from the bottom for actual required local match for lottery accounts for 2011-2012.

4. Our school division is currently last for the budgeted required local match for incentive and lottery accounts for 2011-2012; however, this may change slightly once the rankings are recalculated since we have received confirmation from the Department of Education that we met all required components.

Mr. Smith stated he had pulled data from the VDOE document and compiled a report concerning the "Divisions Within Region 2000" and furnished copies to the superintendent and Board. (See Attachment # 2) He noted our school division is last in all of the categories within Region 2000.

Board Members directed the superintendent to send both of these documents to the Appomattox County Board of Supervisors.

BUDGET WORK SESSION

Budget Update

Mr. Stephen O. Edwards, Director of Business and Operations, reported no final budget information had been received from Richmond as the General Assembly is still in session. He presented information depicting the three versions of the budget from the Governor, Senate Finance Committee, and the House that are being debated. (See Attachment # 3) Mr. Edwards noted the budgeted average daily membership (ADM) for the 2012-2013 School Budget has been adjusted to 2180 which is more in line with our current student enrollment. He also stated the local figures indicated in this report reflect current program matches and the mandated change to the Composite Index. He noted the local figures do not reflect anticipated increases for health insurance, cost of living, and Virginia Retirement System payments.

Budget Work Session

Dr. Grasty reported she had sent a letter to the Appomattox County Board of Supervisors requesting $5,015,739.00 in local funding for the 2012-2013

School Budget as directed by the Board at the February 23, 2012 meeting. She requested further guidance from the Board concerning the upcoming budget.

Mr. Smith requested the Board cover any increases to health insurance premiums and not pass the additional costs to employees. He also suggested at least one School Board Member be present at every Board of Supervisors meeting from now until the budget is finalized. It was noted the next Supervisors' Meeting will be held March 19, 2012.

Rev. Williams requested any proposed salary increases be placed in the budget now and not brought before the Board on an individual basis for consideration after the budget is approved.

ACTION

Consideration of Request to Waive Facility Use Fee

Dr. Grasty provided the Board with a request from the Appomattox County Habitat for Humanity to waive the $50.00 facility use fee for a fundraising activity they plan to have at the high school on March 17, 2012. (See Attachment # 4) Following discussion, it was moved by Mr. Smith and seconded by Mrs. Martin that the facility use policy should be followed and charges should be made for the $50.00 facility use fee for the auditorium and $192.00 for custodial services. By unanimous voice vote, the motion was approved. It was further moved by Mr. Smith and seconded by Mrs. Martin to amend the original motion by stating the facility use policy should be followed and charges should be made for the $50.00 facility use fee and the appropriate amount for custodial fees. By unanimous voice vote, the amended motion was approved.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #10413 and #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended.

Mrs. Martin seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mrs. Martin, unanimously approved, and recorded by roll call vote. (See Attachment # 5)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

Christopher W. Gardner – Teacher/Assistant Football Coach – Appomattox County High School. Effective: June 30, 2012.

Family and Medical Leave Act 2011-2012:

Bethanne R. Metts – Teacher – Appomattox County High School. Effective: Approximately April 11, 2012, for up to 12 weeks according to FMLA guidelines.

Long-Term Substitutes 2011-2012:

Dennis W. Torrence – Long Term Substitute – Appomattox County High School – Substituting for Bethanne R. Metts. Effective: Approximately April 11, 2012.

Dorothy C. Booth – Long Term Substitute – Appomattox Middle/County High Schools – Substituting for Margaret Donghia. Effective: March 19, 2012 through approximately March 31, 2012.

Supplemental Assignments 2011-2012:

Appomattox County High School:

Michael T. Jackson	–	Baseball, JV Assistant
Phillip Jamerson	–	Track, Outdoor, Volunteer
Jody Lee	–	Track, Middle School Assistant, Volunteer
Jonathan Watson	–	Soccer, Boys Varsity, Volunteer

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held Thursday, March 22, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The next Interim Meeting and Budget Work Session will be conducted Thursday, April 5, 2012 at 5:00 p.m. at the same location.

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Rev. Williams. By unanimous voice vote, the meeting was adjourned.

Attachment # 5

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Date: March 8, 2012

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, March 22, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

APPROVAL OF MINUTES

February 9, 2012 – Interim Meeting
February 23, 2012 – Public Hearing on FY 2013 School Budget and Regular Monthly Business Meeting

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the minutes of the February 9, 2012 Interim Meeting and the February 23, 2012 Public Hearing on the FY 2013 School Budget and Regular Monthly Business Meeting as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent shared the following information:

1. Invitation from Ms. Valerie York, Primary School Art Teacher, to attend the Annual Area Youth Art Exhibition at the Longwood Center for the Visual Arts from March 25, 2012 through April 21, 2012. The opening reception will be held Sunday, March 25, 2012 from 2:00 – 4:00 p.m.

2. Note from the parent of a special education student expressing her appreciation for the child's teacher.

3. Letter from Mrs. Bonnie Tillotson, Appomattox County Extension Agent to Mr. Tom Yarber, Principal at Appomattox Elementary School, and AES Staff Members conveying her appreciation for their assistance with the recent Appomattox County 4-H Public Speaking Contest.

4. Letter signed by local citizens, parents, community leaders, involved fans, and alumni of Appomattox County Public Schools concerning the hiring of a high school football coach.

Communication Items from Board Members

There were no items of communication from Board Members.

RECOGNITIONS

Students and Staff:

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox Middle School -

Danielle Alexander – 2nd Place in Vocal Category at Bland Music Scholarship Contest at Liberty University

Appomattox County High School -

Scholastic Bowl
Lucy Reed - Team Captain and Most Valuable Player
Gary Smith - Most Improved Player
Nick Microutsicos - Best New Comer
Joe Servis - Team Captain and Teacher

District III Skills USA Competition
Caleb Baker - 2nd Place in Auto Servicing
Casey Martin - 1st Place in Technical Drafting
Joseph Foxwell - 2nd Place in Architectural Drafting
Zachary Taylor - 1st Place in Architectural Drafting
Keith Maxey - Teacher
Dianne Tuck – Teacher

FFA Southside Agricultural Mechanics Career Development Event

First Place Junior Agriculture Mechanics Contest Winners

Juan Johnson
Cody Sams
Sidney Braswell

First Place Senior Agriculture Mechanics Contest Winners

Caleb Baker
Cory Hodges
Will Gaulden
Ed McCann - Teacher

Business Students Participated in the Longwood University Spring Conference

Amanda Schumaker - Desktop Publishing - Team Event
Tiara Hubbard - Desktop Publishing - Team Event
Cory Scruggs - Cyber Security
Austin Vaughan - Computer Problem Solving
Randall Hall - Spreadsheet Applications
Michael Ferguson - Technology Concepts
Jeremy Garrett - Business Calculations
Crystal Wilhoit - Teacher
Tori Rothgeb - Teacher

February Employees of the Month -

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for February, 2012:

Appomattox Primary School:

Brenda Primm
Brittany Padgett

Appomattox Elementary School:

Katie McCann

Appomattox Middle School:

Dana Wingfield

Appomattox County High School:

Joe Servis

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the February 29, 2012 Membership Report which indicated the total funded ADM was 2,180 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 1)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 2)

VSBA and NSBA Activities

The following VSBA activities were discussed:

VSBA provided Board Training through the Center for Board Development at the VSBA Office in Charlottesville for Board Members and the Superintendent on February 27, 2012. Mr. Smith stated the session was very informative and Mr. Torrence noted it was good to spend time with the entire Board outside of a meeting environment. Mr. Waddell commented this was the first time our Board has conducted a training session in the Charlottesville office.

VSBA will offer a Hot Topic Conference entitled "Food for Thought" in Charlottesville on April 30, 2012. The deadline for registration is April 9, 2012 and the cost is $130.00 per person.

The VSBA Southern Regional Forum will be held on April 24, 2012 at Dan River High School in Ringgold, Virginia. The deadline for registration is April 5, 2012 and the cost is $21.00 per person.

The VSBA Policy Services Workshop will be held in Charlottesville on May 22, 2012. The deadline for registration is May 8, 2012 and the cost is $95.00 per person. Dr. Grasty is registered to attend.

The VSBA School Law Conference will be held June 1, 2012 in Charlottesville. The deadline for registration is May 18, 2012 and the cost is $165.00 per person. Dr. Grasty is registered to attend.

A copy of a letter issued through VSBA concerning a Legislative Alert referencing SB 497 was provided to Board Members. (See Attachment # 3) The letter was sent to the Governor from the Virginia Association of Counties, Virginia Association of School Superintendents, Virginia Municipal League, and the Virginia School Boards Association. It was noted an email from Gina Patterson, VSBA Assistant Executive Director, requested school divisions contact the Governor concerning the bill requiring local employees pay the mandatory 5% VRS contribution and requiring employers to give a 5% salary increase to offset the contribution. The Chairman stated, initially, he thought the Board should send the requested letter to the Governor, but after studying the document more thoroughly, he was of the opinion it was not in the best interest of the school division. By consensus, the Board agreed not to send the letter to the Governor.

Information from the Schools and Division Offices

School newsletters were distributed to Board Members for their information and review.

School Showcase

Mr. Tom Yarber, Principal, and Mrs. Karen Cyrus, Assistant Principal of Appomattox Elementary School, provided an informative and entertaining presentation concerning Science, Technology, Engineering, and Math (STEM) at AES. Student Science Fair Projects were displayed throughout the meeting room as a movie was presented which addressed the following STEM activities that are taking place at the elementary school: STEM Partnership with Sweet Briar College, Fantastic Friday and Terrific Tuesday with Appomattox Primary School, STEM After School Clubs, K-Nex Engineering, and Rocketry Engineering. It was also noted that Appomattox Elementary School has received the Virginia Tech Excellence Award which resulted in a $500.00 Scholarship.

Mr. Smith was very complimentary of the recent Science Fair he attended at the elementary school.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager, reported the primary school construction project continues to make remarkable progress. The student services wings, multipurpose room, and classroom additions are 85% to 95% complete with the new kitchen being 50% complete. The project continues below budget with the total building raw cost at $8,704,169.00 and a per square foot cost of $99.89. This was notable as the statewide average for school construction projects during 2011-2012 is $128.82 per square foot. (See Attachment # 4)

2. APS Furniture/Equipment Disposition Plan – New furniture will be purchased for students and staff at the primary school; therefore, the following schedule has been developed to dispose of unneeded items and will be published in the newspaper(s):

a.) 5/28/12 = deadline for removal of staff personal property.
b.) 5/28/12 = deadline for school property to be tagged as storage/keep, unneeded/auction, broken/trash.
c.) 5/29/12 = directors will review unneeded/trash items.
d.) 5/30/12– 6/8/12 = unneeded items will be distributed in the following priority: other schools, county/city departments and agencies, non-profit tag sale, sale to area residents and for-profits.
(See Attachment # 5)

3. ACHS Gym Bleachers – Information was shared concerning the deteriorating condition of the thirty-eight year old wooden gym bleachers and the need for replacement and/or major repair due to safety issues. A quote had been received to replace the bleachers at a cost of $85,000.00 with refurbishing ranging from $35,000.0 to $40,000.00. Additional quotes have been requested. Due to the mild winter, funds budgeted for utility costs could be used for this expense as the money must be spent to meet required local effort.

4. ACHS Feasibility Study – The last Capital Improvement Plan Priority List was completed in 2008 which is now outdated due to the near completion of the primary school project. We are also experiencing significant issues at the high school including electrical load concerns with outdated panel boxes and structural load problems primarily of concern in the auditorium and gym. These two areas of concern should be addressed as soon as possible. A proposal was reviewed from Dominion Seven Architects concerning updating the Capital Improvement Plan Priority List and developing a Master Plan for the High School.

5. Engineer's Report Concerning ACHS – Information was shared regarding structural issues with some walls and the roof in the gym and auditorium at the high school that need to be addressed. (See Attachment # 6) It

is estimated the cost will be $6,500.00 to $7,500.00 to assess the electrical and lighting issues in the auditorium.

6. Recent Article in the Local Newspaper – Mr. Edwards referred to the *Times Virginian* article concerning "Sluggers" and stated every effort is being made to assure adequate insurance is provided for our athletes involved in this program.

Superintendent's 2012-2013 School Budget Presentation

Dr. Grasty provided a thorough and informative power point presentation of preliminary information regarding the 2012-2013 School Budget (See Attachment # 7) which included:

- Current Status of General Assembly
- Preliminary Board Goals
- Instructional Student Needs
- Instructional Needs Which Impact Staffing
- Priority – Capital Needs
- Staff Needs
- DOE Rankings of Required Local Effort - 2012
- Budget Considerations
- Revenues and Expenditures - Presented by Mr. Edwards
- Possible Reductions for Cost Savings
- Other Possible Cost Saving Measures – Athletics
- Budget from a National Perspective
- State Funding Issues
- ACPS Budget Challenges
- Virginia Retirement System
- Health Insurance Premiums
- Shrinking Staff Since 2008
- Fall-Out from a Shrinking Budget
- Budget Request Sent to Board of Supervisors
- Other Possible Budget Cuts
- Current Unknowns
- Upcoming Tour of School Facilities
- Upcoming Joint Board Meeting

Budget Input from Board Members

Following the superintendent's presentation, Board Members were asked for guidance and input concerning the 2012-2013 School Budget.

Mr. Smith stated we need to hold elected leaders accountable and encouraged Board Members attendance at county meetings on April 2, 2012 and April 16, 2012.

Mr. Waddell asked if the five percent increase to VRS was included in the preliminary budget figures. Mr. Edwards stated the five percent to VRS is included, but the additional five percent increase to salaries to offset employees paying five percent to VRS was not included. Dr. Grasty noted this would result in an additional approximate cost of $250,000.00. Mr. Edwards pointed out should the proposed five percent salary increase for VRS and two percent cost of living adjustments be passed, the net increase in employee pay will result in approximately one and one quarter percent.

Rev. Williams noted we are in a dire situation and year after year we find ourselves in the same budget dilemma. If this continues, in the next five to ten years, drastic cuts will have to be made which could result in no athletic programs for our students.

Update of Fall 2011 SOL Scores

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, provided the Board with an update of the Fall 2011 SOL Scores. (See Attachment # 8)

Update of School Food Program and USDA Regulation Changes for 2012-2013

Ms. Niki Kempton, Food Services Coordinator, provided an update concerning the School Food Program and USDA Regulation Changes for 2012-2013. (See Attachment # 9)

Report on School Security Walk-Throughs

Mr. Brette A. Arbogast, Director of Technology and CTE, reported on School Security Walk-Throughs conducted on March 12, 2012. (See Attachment # 10)

Discussion of Possible Revision to Policy JEC-R – School Admission

The superintendent requested direction from the Board concerning a possible revision to Policy JEC-R – School Admission. Following discussion, it was the consensus of the Board to add “and business license taxes paid in the Town of Appomattox” to the policy for a first reading at the April 26, 2012 School Board Meeting.

Discussion of Board Self-Evaluation

It was the consensus of the Board to conduct the Board Self-Evaluation on an individual basis in May, 2012 followed by a compiled assessment.

Discussion of Addition of Pledge of Allegiance, Moment of Silence, and Consent Agenda Items at Board Meetings

Mr. Waddell noted the students in our school division begin each day with the pledge of allegiance to the flag followed by a moment of silence and suggested our Board Meetings follow the same format. He also suggested implementing a consent agenda that would include the financial report, educational trips, and minutes. (See Attachment # 11) He noted, at any time, a Board Member can request an item be removed from the consent agenda. It was the consensus of the Board to add the pledge of allegiance, moment of silence, and consent agenda to the meeting agendas beginning at the next regular monthly business meeting.

Discussion of Spring Break Schedule

The superintendent reported Spring Break is scheduled the week of April 9 – 13, 2012. The 2011-2012 ACPS Employee Calendar designates Wednesday, April 11 and Thursday, April 12, as work days for twelve month employees. It is customary for twelve month employees to use vacation days on these scheduled work days if they so choose which may result in school offices and the central office being closed for business on these days.

Discussion of April 26, 2012 Tour of School Facilities

Dr. Grasty reported a number of guests have been invited to accompany the School Board during their tour of school facilities on April 26, 2012. She provided a draft schedule for the tour and requested suggestions for revisions with none being received.

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of Revised Policy

It was moved by Mrs. Martin and seconded by Rev. Williams to approve the second reading and adoption of revised Policy JO – Student Records as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 12)

Consideration of Approval of Second Reading and Adoption of New Policies

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the second reading and adoption of new policies JFHB – Bullying and JR – Videotaping of Students as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 13 & # 14)

Consideration of Approval of First Reading of Revised Policies

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the first reading of the revised policies listed below as presented and recommended by the superintendent. It was the consensus of the Board to remove Policy BBBB – Student Liaison to the School Board to allow the high school principal time to poll government classes to determine student interest. By unanimous voice vote, the motion was approved.

1. JFCK - Student Dress Code (customized)
2. BBBA - Qualifications of School Board Members
3. BDB - Special School Board Meetings
4. CA - Administration Goals
5. CC - Administrative Organization Plan - Policy Deleted
6. CL - Administrative Reports - Policy Deleted
7. GBG - Staff Participation in Political Activities
8. GCBA - Staff Salary Schedules
9. GCBB - Supplementary Pay
10. GCBD - Staff Leaves and Absences
11. GCPB - Resignation of Staff Members (customized)
12. GCQA - Nonschool Employment by Staff Members
13. GCQAB - Tutoring for Pay
14. GCQB - Staff Research and Publishing - Option 2
15. GD - Support Staff
16. GDB - Support Staff Employment Status
17. GDBA - Support Staff Salary Schedules - Policy Deleted
18. GDBD - Support Staff Leaves and Absences - Policy Deleted
19. GDG - Support Staff Probationary Period (customized)
20. GDPB - Resignation of Support Staff Members - Policy Deleted
21. IEA - Pledge of Allegiance
22. IFB - Pilot, Research or Experimental Projects - Policy Deleted
23. IGBH - Alternative School Programs
24. IHA - Grouping for Instruction
25. IIAE - Innovative or Experimental Programs
26. IICA - Field Trips
27. INB - Teaching about Controversial Issues

28. JGA - Corporal Punishment
29. JHDA - Human Research
30. KA - Goals for School-Community Relations
31. KB - Public Information Program
32. KBA-F1 - Request for Public Records
33. KBA-F2 - Record of Inspection and/or Delivery of Copies
34. KBC - Media Relations
35. KC - Community Involvement in Decision Making
36. KLB-E - Request for Reconsideration of Learning Resources
37. KP - Parental Rights and Responsibilities
38. LA - Education Agency Relations Goals
39. LE - Relations with Colleges and Universities - Policy Deleted
40. LEA - Student Teachers

Consideration of Approval of Request by the Appomattox County Extension Office

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the request by the Appomattox County Extension Office for school buses to transport 4-H members to and from Holiday Lake 4-H Center on July 30, 2012 and August 3, 2012 as recommended by the superintendent. Rev. Williams requested the motion be amended to include “with reimbursement expected” with a second from Mrs. Martin. By unanimous voice vote, the motion as amended was approved. (See Attachment # 15)

Consideration of Request to Waive Facility Use Fees

It was moved by Rev. Williams and seconded by Mr. Smith to deny the request from the Appomattox County Relay for Life Team to waive facility use fees in the amount of $50.00 for field use, $125.00 for five (5) hours use of stadium lights, and $234.00 for thirteen (13) hours for custodial services for the event scheduled June 8, 2012 at Appomattox County High School. By unanimous voice vote, the motion was approved. (See Attachment # 16)

Consideration of Allowing June 1 to be the Last Day of School for APS Students

It was moved by Rev. Williams and seconded by Mr. Smith to allow Appomattox Primary School to conduct their last day of school on June 1, 2012 for the 2011-2012 school year, with Appomattox Primary School teachers required to report two days early for the 2012-2013 school session, as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Update of CIP Priority List and Master Plan for the High School

The Board was presented a proposal from Dominion Seven Architects to update the Capital Improvement Priority List and develop a Master Plan for the High School at a cost of $1,500.00 and $12,500.00 respectively. Mrs. Martin asked if the original CIP Priority List could be used with the primary school items being removed. Rev. Williams asked if work would begin on the new CIP Priority List right away. Prior to voting on the request, Mr. Torrence asked to view the current CIP Feasibility Study and requested an opportunity to discuss the matter with Mr. Edwards and Mr. Blair Smith with Dominion Seven Architects. Mr. Torrence also offered his assistance in this area.

It was moved by Mr. Smith and seconded by Mrs. Martin to postpone updating the CIP Priority List and developing a Master Plan for the High School with Dominion Seven Architects, at this time. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated February 29, 2012 and two supplemental appropriations recently approved by the Appomattox County Board of Supervisors. (See Attachment # 17, # 18, & # 19)

APPROVAL OF BILLS

Mr. Smith moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $246,583.93 – General Fund (See Attachment # 20)
2. $ 48,773.43 – School Food Fund (See Attachment # 21)
3. $ 8,059.24 – School Textbook Fund (See Attachment # 22)
4. $788,799.25 – APS PPEA Construction Fund (See Attach. # 23)
5. $ 3,653.61 – General Fund End-Of-Month (See Attachment # 24)
6. $ 85.55 – School Food End-Of-Month (See Attachment # 25)

Rev. Williams seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests from the public to comment on non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, April 5, 2012 at 5:00 p.m. The next Regular Monthly Business Meeting will be held Thursday, April 26, 2012 at 3:30 p.m. and a Joint Meeting with the Appomattox County Board of Supervisors will be held Monday, April 30, 2012 at 5:00 p.m. All three meetings will be held at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #1112-01.

Rev. Williams seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Rev. Williams, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 26)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Rev. Williams to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Retirement 2012-2013:

June W. Wills – Custodian – Appomattox Middle School – Effective: August 1, 2012.

Resignation 2011-2012:

Kenneth Wiley – Bus Driver – Appomattox County Public Schools – Effective: March 23, 2012.

Family and Medical Leave Act 2011-2012:

Katherine L. Bowman – Teacher – Appomattox County High School. Effective: Approximately May 29, 2012, for up to 12 weeks according to FMLA guidelines.

Change in Assignment 2012-2013:

Melissa J. Blanchard – Food Service – Appomattox County High School – From: 3 Hours per day – To: 4.5 Hours per day. (Tammy Canter's 6 Hour Position)

APPROVAL OF STUDENT MATTERS:

Approval of Student Number 1112-01:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve Student Number 1112-01 be placed at the Appomattox Alternative Education Center for the remainder of the current school year. The student will not be allowed to participate or attend any after school activities. The student will be expected to achieve good academic progress, maintain good behavior, good discipline, and good attendance at school and on the bus. The high school administration will review the student's records at the end of the 2011-2012 school year to determine placement for the 2012-2013 school year. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was recorded.

Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 26

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Rev. Williams seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Principal's Message

The countdown has begun!

Spring is a great time of year. Enjoying the early warm weather and sunshine is wonderful. The spring sports season is underway and we have some awesome athletic teams competing. With one quarter left until the end of the school year, we are excited for our seniors finalizing their plans for college and careers. Underclassmen are finalizing grades, projects, and their studies as some prepare for the spring SOL tests. Staff are wrapping up their goals for this year and already making plans for next year.

It has been a great honor to have served the students, staff, and parents of Appomattox County High this school year. Through all the changes and even when challenges have been presented, I hope you are assured that my passion for education, for learning, for high expectations, for growth, and most of all for our student's success are steadfast.

Families, teachers, administrators, and students working together to achieve our best is a goal we should all be proud of!

I wish the Senior Class of 2012 the best of luck and remind them – Attitude is Everything – Possibilities are Endless – Go and Believe!!!

Wishing You My Best,

Martha J. Eagle, Principal

Important Upcoming Dates:

April 9-13 - Spring Break
May 5 - SAT @ ACHS
May 7 - 11 - Staff Appreciation Week
May 15 – FFA Banquet
May 19 – Prom
May 24 – Class Day
May 25 – Senior Picnic
May 28 - Holiday
June 3 – Baccalaureate Ceremony
June 4 – Graduation at Vines Center – Liberty University
June 5/6 - Underclass Exams
June 9- ACT @ ACHS

All upcoming dates are tentative based on weather

SCA News - Raider Spirit

The Student Council Association of Appomattox County High School is a representative body of students who organize activities, fundraisers, and participate in school government. Throughout the week of February 6-10, the SCA sponsored the first ever Winter Spirit Week and pep rally to celebrate winter sports. In addition, this week was used to hold a fundraiser for the Cystic Fibrosis Foundation. Money was raised by allowing teachers to make a donation to the organization and in return they were given a "jeans pass." The group also sold Cystic Fibrosis links to students and teachers in the high school. The reward to the homeroom who bought the most links was a breakfast cooked by the Mrs. Sarah Bowles' Culinary Arts class. The high school ended up raising over $500.00 for the foundation and the winning class was Ms. Stephanie Tyree's homeroom. The Student Council Association was very pleased with the outcome and they plan to organize more fundraisers throughout the year.

Emily Hauser
SCA President

Our Students Rock!!!

Spring sports are in full swing at ACHS. Chandler Harvey above has extreme focus and concentration!!

ACHS FFA - Hippology Judging

ACHS FFA at Block and Bridle Horse and Hippology Judging

On February 17th-18th the Appomattox County High FFA Chapter attended the Block and Bridle Hippology and Horse Judging contest at VA Tech in Blacksburg, Virginia. Team members consisted of Jessica Shumaker, Mallory Baldwin, Sidney Braswell, and Whitney Wood. In the hippology contest the team members were required to take a written exam, answer a team problem, and identify various tack, farrier equipment, grains and forage, tools and equipment, internal and external parasites, blemishes and unsoundnesses, and aging according to teeth. There were over 400 contestants participating in this contest. The ACHS FFA team placed 23rd overall.

The team had to judge four classes of halter horses, six classes of performance horses, and give three sets of oral reasons on the classes. There were over 300 contestants participating in this contest and the team placed 17th overall. The team was coached by FFA Advisor Bethanne Metts.

Hippology (from Greek:, hippos, "horse" and logos, "Study") is the study of the horse.

Seniors - as you finalize your college plans, military plans, or career plans, see Ms. Whorley, to let her know.

There is no telling how many miles you will have to run, chasing a dream.

Author Unknown

But Seniors - keep chasing those dreams, keep running, keep believing!!

You will do great things!!!

A Man Called Doc

Able to dream up a rehab plan faster than a speeding bullet..
Able to train you to be more powerful than a locomotive…
Able to dispense ice and wrap ankles in a single bound…

It's a bird, it's a plane, no it's Doc. Disguised as mild mannered Mr. Mike Shetley during the day, he transforms to Doc after school hours and fights a never ending battle against sprains and bruises. ACHS is fortunate to have Michael Shetley as athletic trainer. Not only does he provide services to our student athletes, but he also teaches an athletic training class during the day. He is an- Athletic Trainer and CSCS- Certified Strength and Conditioning Specialist. He is a certified measurer for the VHSL and recently gave a talk at Lynchburg College about the "VHSL Weight Control Program." Students at LC learned about body fat and hydration testing. We appreciate his work with all student athletes here at ACHS.

Pictured left to right: Charmita Robertson, Shauna Ford, Tiffany Villarreal, and Janae Marshall enjoying pizza party at the end of the 2nd nine weeks.

ACHS has been using the Accelerated Reader (AR) program for many years, but this is the first year we have added incentives. Each nine weeks all students who meet their AR goal participate in pizza and Wii in the library during their lunch period. In addition, students receive rewards based on the cumulative amount of AR points. Rewards range from ice cream and Sweet Frog to gift certificates and prom tickets. The top prize is a limo for prom or a night out. Student response has been very positive with many continuing to read after they complete their English classes, which was one of our main goals. Thanks to the ACHS administrative staff for supporting these activities.

<u>After-School Activity Supervision:</u>
Students need to be with a teacher, coach or sponsor for all after-school activities or in Room 114 until the sponsor arrives. Students should not be in the halls, locker rooms, or classrooms without adult supervision.

Yum!!

Yum!!

Taken @ AMS 3/6/12

Beginning After Spring Break,
on April 16th,
ALL schools will be offering
Free Breakfast EVERY Monday
to ACPS students for the rest of the school year!
Just come into the cafeteria
during breakfast time and put your number in.
Your breakfast will be free!

Prom 2012!!!

The ACHS Prom is Saturday, May 19 - Get ready for the "Vegas Lights". This special night provides a safe, alcohol-free, drug-free, and fun environment for students to celebrate the accomplishments and honor the 2012 Senior Class. Details for the prom can be picked up in the main office. See Mrs. Bowles or Mrs. Wingfield for further information.

After Prom Committee

The 2012 After Prom Committee is seeking volunteers to help with planning the May 2012 event. Any student, faculty, or parent of students in grades 9-12 are welcome to join the team. If you have any further questions, please contact the ACHS Main Office to put your name on the list! We appreciate you!!

Dress Code Reminders:

With warm weather, the short skirts, shorts, and outfits are a big concern. Please review the ACPS School Board Policy and discuss with your family. We appreciate your support!!!

Facility Use:

This process has changed!!! Please see the website at http://acpssharepoint.appomattox.k12.va.us/ACPS/facilitiesuse/SitePages/Home.aspx

For forms and an updated calendar!!

ACHS Main Office—352-7146

Health and PE

Students have completed the Health and Driver's Education section of the curriculum for this year. All students will be in Physical Education classes for the remainder of the spring. Students are to have their gym suits and shoes, prepared to dress out, every day!

ACHS Athletic Boosters would like to invite you to be a part of their team. They recognize that without parent, business and community support, they would not have the funds needed to support the students and athletes. Please contact Mark Franklin or Brad Harper at 352-7146 to be a part of this team!!!

We are what we repeatedly do. Excellence, therefore, is not an act but a habit. Aristotle

4 Grade Language Arts News:

Fourth graders are sailing quickly towards the upcoming SOL tests in May. Students will be reviewing testing strategies and skills that have been taught throughout the year. You can help your child at home by going over their papers in the weekly folder, make sure that they are completing their homework assignments each night, and help them maintain a regular bedtime. It is so important for children to be well rested, so that they are alert and ready to focus throughout the school day.

Reading SOL testing dates for Grade 4 – (Upstairs classes – May 7th, Downstairs classes – May 8th)

4th Grade Content Contribution:

Math classes are quickly progressing to their last unit of the year! We are working our way through memorizing measurement conversions in both the metric and customary systems. Geometry will be our next and final unit before we begin preparing for the spring assessments. The fourth grade is working through our last unit in Government and Economics, discovering the latest products and industries of our beautiful state. SOLs continue to be in our minds as we look toward our final weeks.

5TH GRADE NEWS:

Spring has sprung here at AES. As our school year comes to an end, we still have much to cover before June 6, 2012. In the next couple of weeks, we will be reviewing what we have learned this year in all subjects. Please look at the calendar to determine when your child will take the Science, Math and Reading SOL Test.

You can go on www.portaportal.com (guest access = redskins) to review with your students on skills for the Sol test.

We have just returned from our Claytor Nature Field Trip and our Va. Beach Field Trip. Both of these trips were informative for our Science SOL Test. We would like to thank everyone who made these trips possible for us.

Remember READ, READ, READ, your child still has their Reading AR Goals to make by Thursday, May 24, 2012.

Last but not least, our 5th Grade Graduation is scheduled for Friday, June 1, 2012 at 9:00 a.m.

This will take place in the gym. We look forward to seeing parents, grandparents and all of your family members on that day.

MATH COMPASS LAB:
All three grades are currently reviewing for SOL's. I am practicing a lot of story problems with the students, as well as all other important math skills.

I have enjoyed a wonderful year with all of the students at AES. They have all worked very hard in my class; as a result they have made many academic accomplishments in math this school year! I am very proud of them!

I want to thank all parents and other family members who have worked with the students to memorize math facts. Make sure you practice over the summer so the answers will be fresh in your minds next fall!

Best of luck to all of the 5th graders as you move on to AMS next year. I look forward to seeing the 3rd and 4th graders again next fall! Have a fantastic and fun summer!

Mrs. Lewis

Music Notes:
SOL testing is right around the corner. In preparation for the SOL tests, students will be participating in an SOL Music Marathon before the week of testing. Students will learn songs and dances that correlate to what students have been learning in Science, Math, Language Arts, and Social Studies this past year. This will be a good study strategy as Music is proven to improve memorization and automaticity.

You can find a copy of the SOL song packets on Mrs. Bromley's website listed below:
http://teacherweb.com/VA/AppomattoxElementarySchool/GeneralMusic/h0.aspx

TIPS FOR HELPING YOUR CHILD STUDY:
Students often have difficulty studying class and test materials at home. Parents can help their child to complete homework and study effectively by providing a consistent homework routine. These are a few tips for providing consistency for your child when completing their daily homework assignments.

1. Turn off the TV set.
2. Designate specific areas for homework and studying.
3. Complete homework at the same time each day.
4. Organize study and homework projects.
5. Help your child to feel confident for tests.

From the Desk of the TOP DOG:
I am so happy that everyone had a wonderful Spring Break and that you are now ready for the last few weeks of school. I hope the WATCH D.O.G. in your life was able to attend the "Breakfast with the Top Dog" in April and have signed up on the WATCH D.O.G. calendar for the remainder of the 2011/2012 school year. We have made great strides this year with the positive media attention from our segment on WSET13 Living in the Heart of Virginia, the front page news article and photos in the News and Advance and the article in our local Appomattox Times Virginian. The number of new WATCH D.O.G.s has also grown this school year, which is tremendous to reach our goal of one day having a WATCH D.O.G. in AES every day of the week. Wouldn't it be awesome to see a friendly WATCH D.O.G. face walking our halls on a daily basis? This is a very reachable goal!!
May is going to be very exciting as the AES staff is going to be asked to take part in "Bring your D.O.G. to school day"...More information to come...

ART NEWS:
Congratulations to our 5th grade Art student, Ilyana Servis, who has won first place in the Elementary Division for the Virginia School Board Association Spring Art Contest. Her bean art piece featuring a theater mask will hang in the Virginia School Board Association's office for one year. Congratulations to Ms. Scott and Mrs. Therkildsen for working with Ilyana for her success! Tom

APRIL 17, 2012

JACKIE DRINKARD, APPOMATTOX ELEMENTARY SCHOOL PTO PRESIDENT

Dear Mrs. Drinkard,

Each day at Appomattox Elementary School, our students work on goals for learning. These goals help them reach the next grade level, the next Accelerated Reader level, and the next lap around the track. Benchmarks and milestones are important parts of our children's day.

In much the same way, I am arriving at a milestone in my professional career. During the Summer of 2013, I will retire after 30 years of service to student learning. As this benchmark gets closer, I initiated the idea of a transition plan in which Mrs. Cyrus becomes Principal of Appomattox Elementary School and I become Assistant Principal during 2012-2013.

I am grateful to you and to our parents for your commitment to student learning, for your professionalism, and for your optimism during my years as Principal.

Thank you.

I pledge my continued support for Appomattox Elementary School students' learning.

Sincerely,

Tom E. Yarber, Principal

Third Grade News:

They're here!!!!!!! The SOL tests that we have been preparing for all year are finally here! These tests will require your child to use lots of self control and to focus on the stories and questions that he/she will read.

We will begin the series of SOL testing with **Math**. Upstairs classrooms will take the Math SOL test on Friday, May 11. Downstairs classes will take it on Monday, May 14.

Upstairs classes will take the **Reading** test on Tuesday and Wednesday, May 15 and 16. Downstairs will take it on Thursday and Friday, May 17 and 18.

Upstairs will take the **History** test on Friday, May 18, and downstairs classes will take it on Monday, May 21.

We will finish SOL testing with **Science**. Upstairs will take Science on Tuesday, May 22, and downstairs will take it on Wednesday, May 23.

Please encourage your child to read carefully, stop and think about what each question is asking them to do, highlight key words, and go back into the passage to confirm their answer choices.

Please try to keep your child on a regular routine as much as possible. As always, have your child get plenty of rest, eat a nutritious breakfast, and come to school on time, prepared to work hard! He/She can do it!!

"Team Up For Learning!" Prior to testing, the ACHS girls' softball team and the boys' baseball team members will visit our school. These team players will help motivate and encourage your child to try their best on these SOL tests, as well as at school and life in general.

We also have lots of learning yet to do, as well as lots of fun activities planned for the remainder of the year. Please encourage your child to follow directions and to do what is expected of him/her in order to participate in all of the upcoming events.

As always, thank you for all that you do to make your child's education a top priority!

Field Day 2012

AES Parents:

On Friday, May 25, 2012 AES is scheduled to have our annual Field Day festivities. We are very excited and know that the students, teachers, staff, and parents will have a great time. In order to help make this year's Field Day a success, we need your help. If you would be willing to volunteer for any portion of the day, please fill out the attached slip and send it back to your child's homeroom teacher by Friday, May 11th. After a list is compiled, a letter will be sent home by your child detailing the day's events, schedule, and individual assignments. The majority of volunteer help will be needed during the morning game stations. I will do my best to split up the morning schedule, so volunteers will have some time to walk around and visit with your student(s) as well. I appreciate your willingness to help!

We hope that you will consider being a part of this fun-filled day. Please complete all sections of the form below before returning it to your child's teacher. Without YOU this day would not be a possibility, so I would like to thank you in advance and I look forward to seeing you on May 25th!

Jennifer Walton, AES P.E. Teacher
jrwalton@appomattox.k12.va.us

Please return to AES by Friday, May 11th

Lynchburg Hillcats' Outstanding Student Recognition Night---May 25, 2012

Appomattox Elementary students and families are invited to the Lynchburg Hillcats' Stadium on May 25 for an evening of celebration of academics and citizenship. The Game starts at 6:05 pm, and is against the Potomac Nationals.

Students who have reached honor roll and/or citizenship goals for at least three of our four nine weeks will be recognized on the baseball field for their accomplishments. These students will receive a letter for parents/guardians, because their admission fee is free. These students will need to arrive at the right field gate by 4:45 pm.

Any other students, family members, and friends will have the opportunity to purchase tickets in advance from the school for $8.00 each. As part of the partnership program, Appomattox Elementary School will receive half of the money raised for the event. The money received will be used for future student events, such as SCA, Accelerated Reader incentives, Citizenship Reward activities, and special assemblies.

Tickets can be purchased through the school office or with the form attached. If tickets are purchased at the gate the night of the game, the funds DO NOT benefit our school. Only those purchased through our school benefit us.

It is a great opportunity to celebrate our students' growth through the year and support our schools' programs at the same time. It is also a great way to spend some quality family time, both with your own family and with your child's AES family.

We look forward to seeing you there!

Outstanding Student

_____ My child, _____ , received an invitation for recognition on the field and will attend the Lynchburg Hillcats game on May 25th.

As an Outstanding Student he/she will need ONE FREE ADMISSION ticket.

_____We would like to purchase _____ tickets for our family at $8.00 apiece.
The money/check for Appomattox Elementary School is included in this request.

Mr. Todd Reichert, Principal

Middle Years

Working together for school success

Short Stops

Fun with fiction

Your child can find creative-writing ideas in unexpected places. Perhaps he'll write about a funny incident in gym class or put a modern twist on a fairy tale he reads to a sibling. Suggest that he carry a small notebook for jotting down possibilities. Then, when he has an assignment or just feels like writing, he'll have ideas ready.

Making it right

An apology means more if your youngster follows up on it. When she makes a mistake, ask her what her plan is for the future. For example, say you have to get out of bed to tell her to turn down her music. After she says "I'm sorry," she might tape a sign to her speakers that reads "Turn the volume down at bedtime."

Stepparents and tweens

It can take time for a new family to bond. Try inviting your stepchild to join you in an activity you both enjoy, like fishing or going to car shows. If he doesn't want to go along, say, "Maybe next time." Keep asking, and let him adjust at his own pace.

Worth quoting

"Act as if what you do makes a difference. It does."
William James

Just for fun

Q: What can go as fast as a racehorse?

A: The jockey!

© 2012 Resources for Educators, a division of CCH Incorporated

What's your style?

Information clicks with students in different ways. Perhaps your child learns best by discussing material with classmates. Or maybe she needs to find connections between ideas or to read about a topic first. Most likely, she uses a combination of learning styles.

Here are a few ways youngsters learn, along with tips for getting the most from each.

Social

A social learner enjoys interacting and collaborating. She's good at working in groups and participating in class discussions. If your middle grader likes learning with others, suggest that she study with friends. Or offer to listen while she summarizes a novel out loud or brainstorms science project ideas.

Logical

Is your tween good at solving puzzles and problems? Does she easily recognize patterns and understand step-by-step directions? She may be a logical learner. Encourage her to rewrite class notes in outline form. When she studies, she can draw charts and diagrams.

Verbal

Verbal learners like reading, writing, and talking. If this sounds like your youngster, suggest that she use rhymes, songs, or abbreviations to help her remember information. She might also make up word problems to go with math equations.

Family volunteering

Volunteering as a family is one way to introduce your child to community service. Here are ways he can do his part and gain volunteer experience:

- Stop by the public library to ask about opportunities. Your family might reshelve books or lend a hand during events or programs (book sales, English or Spanish conversation clubs).
- Call nursing homes or assisted-living communities. Your family could help with activities, such as making crafts or reading aloud.
- Children ages 8–13 can volunteer with Special Olympics if a parent or guardian goes with them. Click on your state at *specialolympics.org* to see what's available.

Say no to drinking

Up to 40 percent of eighth-graders report trying alcohol at least once. Whether they drink to see what it's like or to act cool, knowing *why* children say yes can help you provide reasons to say no.

"I'm bored." Your youngster may have heard that drinking is fun. Tell him that it's *not* fun to throw up, pass out, or get arrested—all of which can happen when children drink. Then, help him realize there are lots of fun alcohol-free activities. He and his friends might go to the batting cages, play pickup hockey, or attend dances at a teen center.

"I want to belong to the popular crowd." Finding friends who don't drink is key. Try to steer your middle grader toward activities with kids who aren't known to be drinkers (ask neighbors or parents of older children for suggestions). Having friends in that group can make him less interested in belonging to the drinking crowd and give him the confidence to say no to alcohol.

"I'm so stressed out." Even children this age might use alcohol to cope with problems (arguments with friends, pressures of schoolwork, their parents' divorce). Talk about healthy ways to relieve stress instead. He might confide in a trusted adult, exercise, or work on his favorite hobby. For more serious situations, your child may need to meet with a counselor.

Activity Corner: Word games

Word games are not only fun, they help build vocabulary and spelling skills. Here are two to try.

Word morph

Have your youngster write a five- or six-letter word at the top of a sheet of paper. Let family members take turns making a new word by changing one letter in the last word written. *Example:* quack, quick, quirk. When you can't make any more words, pick a new word and play again.

Word staircase

Each player writes the numbers 4 to 12 down the left side of her paper. One person picks a two-letter combination that often begins words (en, cr, ph) and sets a timer for five minutes. Next to each number, write a word with that many letters and beginning with the letters chosen. *Example:* For *en,* put "envy" beside 4 and "enact" by 5. To win, come up with the most words that no one else used.

OUR PURPOSE

To provide busy parents with practical ideas that promote school success, parent involvement, and more effective parenting.

Q&A: Responsible social networking

Q *My sixth-grade daughter wants a Facebook account, but I think she's too young, and I worry about her seeing inappropriate posts. Are there other options?*

A Explain to your child that Facebook users must be 13. Just as she had to wait for other privileges, like staying up later, she'll need to wait to join Facebook.

In the meantime, consider *everloop.com, imbee.com,* or *gianthello.com*. These sites are designed for younger children and offer parental controls. For instance, you approve new friends, determine whether your middle grader can chat, and get reports about her online activity.

When she's online, encourage her to think carefully about the words or pictures she posts. For example, would she want her grandmother to read what she's writing? Would she want to see the photo hanging in the school hallway? If not, she might not want to make it public online either! Being careful now will help her get in the habit of maintaining a good online reputation.

Parent to Parent: A "teachable moment"

Earthquakes are unusual in our area, so when we felt a small one, our son Chad had lots of questions. What caused it? Could it happen again? His curiosity reminded me of when he was little and fascinated by rainbows or by ants carrying crumbs.

I suggested that Chad get a library book about earthquakes. He was surprised to learn that we would probably feel aftershocks for several weeks. He also looked online to find out when there had been earthquakes in our area before.

Chad told his science teacher what he had learned, and she called the earthquake a "teachable moment." Since then, we've started looking for other teachable moments to pique Chad's curiosity and encourage him to do research. Now he shares interesting discoveries with us, such as why we celebrate April Fools' Day or why 2012 is a leap year.

2012 Summer Career Academies
August 6-10-2012
8 a.m. –12 p.m. Daily

Central Virginia Community College will sponsor high technology summer career academies for middle school & high school students. These camps are high-quality career exploration events designed to educate and inspire students to explore career pathways in Central Virginia.

Middle School Career Academies (rising 6th, 7th, and 8th graders)

Advanced Manufacturing	CVCC Lynchburg Campus
Agriculture Technology	CVCC Bedford Center, New London Farm
Aviation Technology	Liberty University
Building Trades	Dunbar Middle School
Crime Scene Investigation (3 camps)	CVCC Lynchburg Campus (2) / Campbell Co. Tech. Ctr.
Culinary Arts	Campbell County Technical Center
Experiments Gone Wild	CVCC Lynchburg Campus
Health Technologies (2 camps)	CVCC Lynchburg Campus / CVCC Altavista Center
Info Technology & Digital Multimedia	CVCC Lynchburg Campus
Motorsports Technologies	CVCC Altavista Center
Nuclear Technologies	AREVA NP Training Center
Women in Engineering & Technology	CVCC Lynchburg Campus

High School Career Academies (rising 9th and 10th graders)

Advanced Engineering (2 camps)	CVCC Lynchburg Campus
Culinary Arts	CVCC Lynchburg Campus
Wireless Technologies	CVCC Lynchburg Campus

Registration begins Monday, March 19, 2012

Registration:

1) Visit the Central Virginia Community College website www.cvcc.vccs.edu,

where you'll find the 2012 Summer Career Academies link on our home page

2) Complete a registration form and e-mail to demasterst@cvcc.vccs.edu or fax to 434-832-7761

3) Wait for your confirmation

4) Mail in your payment and the Assumption of the Risk Form

FEE: $50.00 non-refundable fee due at registration. Make checks payable to Central Virginia Community College

QUESTIONS: Contact Twila DeMasters ~ demasterst@cvcc.vccs.edu ~ 434-832-7607.

Appomattox Middle School Students Challenged to "Ignite the Power."

Appomattox Middle School Agriculture Students were visited by Virginia FFA Association State Officers on March 22, 2012. State Officers Dani Gaulden, State Secretary, of Appomattox and Tori Avvenire, State Reporter, of Strasburg, presented a workshop on Teamwork to 7th graders. Gaulden and Avvenire presented to students that to work well on a team, it requires trust, skill, and strength.

Students were also encouraged to participate in FFA Activities, including Career Development Events and Supervised Agricultural Experience. Avvenire and Gaulden shared personal experiences of how the FFA has also allowed them to travel around the country and to build lasting relationships with fellow FFA members across the country.

For more information on the Appomattox Middle FFA Chapter, contact Elizabeth Duncan at 434-352-8257 ext. 4253.

Appomattox Middle School Agriculture students learn how to work together as a team.

Coffee with The Principals

Please join Mr. Todd Reichert, Principal & Mr. David Read, Assistant Principal
On Friday, April 27, 2012 @ 9:00 a.m. at the Appomattox Middle School library for coffee and homemade pastries.
If you have any questions, please contact the main office at (434) 352-8257.

A Note from Mrs. Dolly Cooter

All 8th graders have met with Mrs. Cooter to discuss career plans and to select classes for his/her 9th grade year at Appomattox County High School. Additionally, students have worked on a 5-Year Career Plan selecting their diploma type: Standard or Advanced as well as a Career & Technical Program of Studies. Each year a student is given the opportunity to update the 5-Year Plan which requires the parent's permission and approval.

Should you have a student in 8th grade and have any questions regarding your child's selections please feel free to contact Mrs. Cooter to set up an appointment. She may be reached at: 434-352-2135 ext.4209 or at: dwcooter@appomattox.k12.va.us.

Mrs. Catherine East's class had a visitor

Appomattox County Board of Supervisors member, Ronnie Spiggle, visited Mrs. East's class at Appomattox Middle School. The students really enjoyed meeting Mr. Spiggle and learning about our local government offices.

Family Resource Night At ACHS

The ACPS STARS Mentorship Program held a Family Resource Night at ACHS cafeteria on Thursday, March 15. This event was sponsored by the I'm Determined Project. A pasta dinner was served and students and their families learned about community resources available.

A Holocaust Survivor

In preparation for an Art contest hosted by the Virginia Holocaust Museum, Appomattox Middle School Art students participated in a Skype session. Mr. Jay Ipson, Director of the Museum and Holocaust survivor, spent time telling his story of capture, escape, loss, and survival. Students were engaged as he detailed his personal experience as a Jew living during the Holocaust. He was a young boy, whose family was able to escape from the Kovno Concentration camp and remain living underground for months to avoid capture and death. Once liberated in the mid-1940's, his family was eventually able to move to America, where they began a "new" life. Mr. Ipson spoke to students about the importance of being tolerant and not bullying others. The following student's artwork will be on display at the Virginia Holocaust Museum; 8th grade – Malcolm Booker, 7th grade – Joshua Anthony, and 6th grade – Holly McRae.

Monica Evans, Art

SPRING BREAK

FFA Competes In Animal Evaluation Contests

Several FFA members recently traveled to the Virginia Tech campus in Blacksburg, Virginia to compete in the Virginia Tech Block and Bridle state stockmens' contest and a Block and Bridle state livestock judging contest. The contests required a vast array of practical animal husbandry skills from contestants. Garrett Woody, Josh Anthony, Chris Hawks, Andrea Hodges, Taylor Archer, Jordan Moore, and Hunter Page represented the Appomattox Middle School FFA. Jalen Thomas, Caleb Baker, Cody Sams, Michael Coleman, Sidney Braswell, Casey Clark, and Oliva Ballard competed on teams for ACHS FFA. These events prepare students for an agricultural service career that involves the livestock industry.

The stockmens' contest is an event designed to test the overall knowledge and skills of contestants in animal science. Participants judged classes of hay and meat as well as live classes of cattle, sheep, and hogs. Students also learned to identify livestock breeds, meats, livestock tools, and animal feeds. Thomas, Baker, Sam and Coleman were on the ACHS team and placed 25th in identification and the written exam out of over 100 teams.

In addition to participating in the stockmen's contest, the students also participated in the Virginia Tech Block and Bridle Livestock Judging contest. Over 600 contestants evaluated 8 classes of live animals ranging from yearling bulls, commercial heifers, bulls, market lambs, commercial ewes, purebred doe goats, market hogs, and a replacement gilt class. Students answered a range of industry driven questions on classes and used the provided Expected Progeny Difference (EPD) data to assist in making informed decisions.

The junior team did well in the contest. The team consisting of Woody, Anthony, Hawks and Hodges placed 25th in cattle evaluation, 21st in swine evaluation, and 21st in questions. Team members Archer, Moore and Page placed 18th in swine evaluation, 9th in sheep evaluation, 25th in questions and 22nd overall. Page was the second high individual for swine evaluation. Hodges was recognized as the 13th high individual for swine evaluation and 24th high individual in questions. Jordan Moore was crowned high individual in the sheep evaluation portion of the contest.

The high school teams won several accolades. The team consisting of Braswell, Clark and Ballard placed 12th in cattle evaluation. The team consisting of Thomas, Baker, Sam and Coleman were recognized for placing 6th in swine evaluation, 25th in sheep evaluation, 24th in questions and 19th overall. Clark was commended for placing 23rd in cattle evaluation. Sams was the 23rd high individual in swine evaluation.

The team has already begun planning for next year's events and would like to thank Ms. Tracey Thomas and Mrs. Nita Moore for helping to chaperone the trip.

"These events prepare students for an agricultural service career that involves the livestock industry."

ACHS and AMS Block and Bridle Teams. Front Row (Left to Right): Oliva Ballard, Taylor Archer, Hunter Page, Josh Anthony. Middle Row: Andrea Hodges, Sidney Braswell, Casey Clark, Chris Hawks, Jordan Moore and Garrett Woody. Back Row: Caleb Baker, Jalen Thomas, Cody Sams and Michael Coleman.

Appomattox Middle School will be hosting an Open House for 5th Graders and their Families

AMS will be hosting an Open house for 5th Graders and their families on Thursday, April 19th from 5:30 p.m. to 7:00 p.m.

1. *Have dinner in the cafeteria*
2. *Meet our teachers*
3. *Win door prizes*
4. *Tour the school*

What's on the minds of our Rising 6th graders:

1. *Transportation concerns*
2. *School cafeteria*
3. *Locker combinations*
4. *Making new friends*
5. *More homework*
6. *More teachers*
7. *Guidance counselors*
8. *Sports teams*
9. *Plenty of "Guidance" on the first day of school and thereafter*

If you have any questions, please call the main office at 434-352-8257.

JOINT BOARDS PRESENTATION

Our Staff

- 362 Employees

Since 2008 – a shrinking staff – number of total employees

	Staff	Budget	Inc./Decrease
2008-09:	381	$21,575,019	
2009-10:	374	$20,209,508	- 6.32%
2010-11:	364	$18,739,583	- 7.27%
2011-12:	362	$19,068,396	+1.75%

Currently, 282 of our 362 employees, or 78%, are Appomattox County residents.

A shrinking teaching staff also…

- 2008-09: 188
- 2009-10: 185
- 2010-11: 176
- 2011-12: 172

- This is an 8.5% reduction in teaching positions in 4 years.

OUT STUDENTS AND STAFF CONTINUE TO WORK VERY HARD AND GIVE TO THE COMMUNITY

APS High-Lights

- 1. Community Service Project with Gleaning for the World: Teddy Bear Brigade - stuffed animal collection
- 2. Relay for Life Team
- 3. Longwood University student art contest winners
- 4. Operation Christmas Child - gifts for needy families
- 5. Approximately 300 students in Accelerated Reader points club
- 6. 250 students recognized with academic achievement awards during January student award ceremony
- 7. Teamed with high school students to provide coats for children
- 8. Lunch Buddy Mentors for students
- 9. Box Tops - have raised over $2000 for new playground equipment and/or school resources

AES High-Lights

- St. Jude's Children Research Hospital Math-a-Thon
- Lynchburg College Economic Education Stock Market Game Winners
- WATCH DOG Dads Program
- Girls on the Run Program
- Science, Technology, Engineering, Math Inquiry by Learning Partnership with Sweet Briar College; Young Author's District Competition
- Family Alliance Essay Contest Winner
- Lynchburg Hill Cats Hit the Books Recognition Program
- Appomattox Museum of the Confederacy Pre-Opening Invited Guests

AMS – High Lights

1) Veterans Luncheon
2) Spelling Bee
3) Geography Bee
4) Family Resource (STAR Program)
6) Coffee with Principals For Parents
7) Angry Birds- 8th grade Theme Day
8) IPAD Lab – 6th Grade
9) Rising 6th Grade Open House
10) Math Word of the Day
11) Skype with Holocaust Survivor
12) Harlem Superstars- Motivational Speaker
13) "Coach D"- Motivational Speaker
14) Hill Cats Game - Just Say No to Drugs
15) Talent Show

ACHS High-Lights

- Project Graduation Program
- Motivational Guest Speaker on April 2 – Coach D
- SODA Program to mentor AMS students
- SCA – Gleaning and Cystic Fibrosis Projects
- Blood Drives
- Accelerated Reader Program
- SAT and ACT official site
- Early College Cohort
- English Remediation Program
- Many Career & Technical Education (CTE) Competitions & Awards
- SOL Remediation Program

Thank you for your support for our programs for our students

APPOMATTOX COUNTY PUBLIC SCHOOLS

School Board Goals 2012-13

- 1. Maintain current instructional services
- 2 Request salary increase for all staff
- 3. Keep employees' take-home pay whole
- 4. Address efficiency in the areas of energy/utilities and supplies
- 5. Employ a full-time art teacher
- 6. Increase the band budget
- 7. Repair the lighting/electrical in the ACHS auditorium to make it safer

A Sampling of Our Programs

For Our Students

Instructional Services

- Early College Cohort with CVCC – 36 students
- Gifted Program – 130 students
- Governor's School – 1 currently, 4 students for next year
- Alternative School – served 32 students this year with 12 completing GEDs

Remedial Services

- 106 students - Title I Reading Services – APS & AES
- 290 students – Summer School
- 3 students – Limited English Proficient Services
- 19 students – Section 504 Plans
- 23 students – Homebound Services
- 82 students – Truancy Services (29 court, 53 conferences)
- 51 students – Bright Beginnings 4 Year Olds
- 15 students – Early Reading Intervention

Students Needing and Receiving Remedial Instruction

- **300 – APS – Remedial Math**
- **85 - AES - Reading and Math (in addition to Title I)**
- **371 – AMS – Academic Extension and Math Enrichment**
- **121 - ACHS – Core Content Subjects**

Special Education Services

- 270 students

Career & Technical Education 2011-12 Enrollment - ACHS

- Agriculture - 188
- Business & Information Tech – 227
- Family & Consumer Science – 263
- Health & Medical Science - 36
- Marketing - 60
- Trade & Industrial - 109

Career and Technical Education Accomplishments

- **FCCLA State Awards – 9 students**
- **FBLA Awards – Desktop Publishing, Internet Security, Computer Problem Solving, Business Math, Technology Concepts**
- **Drafting Awards**
- **Auto Servicing Awards**
- **DECA Awards – Food Marketing, Marketing Management, Restaurant and Food Service Management**

FFA Awards

- State Forestry Field Day Winners
- Southside Area Tractor Troubleshooting and Operating Winners
- Southside Area Mechanics Design and Fabrication Proficiency Award Winners
- HUB Federation Dairy Cattle Evaluation Winners
- State Avian Bowl Winners
- State Horse Hippology Winners
- State Dairy Handlers Winners
- State Vet Science Winners
- State Block & Bridle Livestock Judging Winners
- Virginia State Fair Sheep Show Winners
- National Crop Proficiency Award Winner
- National Chapter Award

Examples of Program Equipment Replacement Needs - Agriculture

- 1. Midi Jet Wood Lathes - 2 @ $600 = $1,200
- 2. Drill Press for Ag Mechanics Shop with Milling Machine = $15,000
- 3. Small Engine Tool Kit Repairs for Machinery Shop: (20) at $75.00 = $1,500
- 4. 3 Arc Welding Machines for Mechanics Shop (3) at $1,500 = $4,500
- 5. Greenhouse Evaporative Air Coolers (2) - $1,300-$1,500
- 6. Hydroponic System for Growing Lettuce for Farm to School Program for Horticulture - $1,500

Band Program

- Placed **first** in 3 of 4 marching competitions this year with **16** trophies

- At ***The Virginia Bands and Orchestra Association*** *we* received the highest award of the day, a **Superior Rating and Straight 1's**.

- **167 students enrolled in the program at AMS and ACHS**
- **Average age of our band instruments – 1968 (purchase year)**
- **Band Boosters raise funds**
- **Students rent to own instruments monthly**
- **Instrument cost examples:**
- **Sousaphone - $6000**
- **Baritone Sax. - $4000**

Athletics

- Number of students in VHSL athletics at ACHS 2011-12 – **545**
- Number of students in athletics at AMS 2011-12 - **212**
- **757 total or 35% of our ADM**

Athletic Awards

- **Fall 2011:**
- **Golf - Regular Season Dogwood District Champions, Region B Champions, 4th Place Team Finisher in State Tournament**
- **Doug Marshall - Dogwood District and Region B Coach of the Year, and Jake Perkins - VHSL Group A Individual State Champion**
- **Football - Regular Season Dogwood District Champion, 10-2 final record, Ben Martin - Dogwood District Coach of the Year, Josh Wilson - Dogwood District Offensive Back of the Year**
- **Drama - 3rd place finish in One Act Theatre Festival, Alex Carney - Outstanding Lead Actress**
- **Volleyball - raised almost $1000 to help hospitalized children have a brighter holiday season**
-
- **Winter 2012:**
- **Wrestling- 3rd place in Sectional Tournament; Region B Team Tournament Participant; 4 individual sectional champions- 2 state tournament participants**
- **Boys Basketball- 2 members of all Dogwood District basketball team**
- **Girls Basketball- 2 members of all Dogwood District basketball team**
- **Indoor Track and Scholastic Bowl-Successful competition in many different events**

Instructional Student Needs

- To deliver instructional services for our students to make us competitive with adjacent counties and Region 2000:

- 1. Need additional remedial services in reading and math for middle and high school
- 2. Need additional Advanced Placement (AP) training for teachers at $650/week with the closest site being in NOVA or William and Mary
- 3. Need Pre-AP foundational training for 8 teachers – $550/week - with the closest site being in NOVA or William and Mary
- 4. New personal finance course mandated by DOE
- 5. Textbooks – English, science and foreign language

SOL Scores

- A Longitudinal Look Since 2001

DIVISION NEEDS 2012-13

Instructional Needs Which Impact Staffing

- Incoming kindergarten enrollment numbers
- Course request numbers – AMS and ACHS
- Additional course mandated for graduation- Economics and Personal Finance
- Need for Advanced Placement (AP) training

Priority - Capital Needs

- ACHS Roof Structural Support System
- ACHS Electrical Upgrade
- Bus and Maintenance Shop Replacement
- ACHS Other Safety Issues:
  - A. Track Resurfacing
  - B. Sidewalk Repair
  - C. Baseball Field Accessibility
  - D. Gym Bleachers
- Larger Middle School Cafeteria
- Long Range Plan - ACHS

Staff Needs

- Employees have not received a raise/cost of living in 4 years

Note:

- 3.5% one time bonus was disseminated to employees in 2010-11 using Federal Jobs Fund

Actual Required Local Effort for Standards of Quality - 2011

- **Lowest – Williamsburg – 4.22%**
- **Highest – West Point - 273.82 %**

- **Buckingham - 40.31 %**
- **Charlotte - 45.63 %**
- **Prince Edward 66.62 %**
- **Campbell - 91.37%**

- **Appomattox – 12.21 %**
- **Nottoway - 11.64 %**
- **Highland - 11.42 %**
- **Grayson - 9.45 %**
- **Appomattox was 5th from the lowest of 136.**
- **The average local support in excess of the required local effort was 80.75%.**

Required Local Effort Rankings 2012 (DOE) – Budgeted % Above RLE

- Highest in state – Sussex – 224.38% above
- Those around us:
- Campbell – 104.60%
- Lynchburg – 100.13%
- Nelson – 98.96%
- Prince Edward – 84.12%
- Amherst – 77.63%
- Charlotte – 12.25%
- Lowest in state currently – Appomattox – 5.36% of 136 school divisions
- The average budgeted local support in excess of the required local effort is 84.11%.

COMPARISON OF PER PUPIL LOCAL FUNDING FOR 2011

Lowest County	Lee	$ 1,548
Highest County	Arlington	$15,380
Appomattox		$2005
Our Neighbors:		
Charlotte		$2458
Campbell		$2645
Buckingham		$2727
Bedford		$2875
Amherst		$2971
Prince Edward		$3074
Nelson		$6647

Appomattox County ranked 5th from the bottom in counties in the state in local per pupil funding (6th including city of Norton) of 136

Lee	$1548
Scott	$1572
Henry	$1677
Russell	$1817
Appomattox	$2005

Comparison of Per Pupil Funding Including Local, State, and Federal Funding Sources (total) for 2011*

County	Total	Local
Lee	$11,032	$1548
Scott	$9378	$1572
Henry	$9169	$1677
Russell	$9685	$1817
Appomattox	$8828	$2005
Charlotte	$10,963	$2458
Campbell	$8892	$2645
Buckingham	$10,925	$2727
Bedford	$8401	$2875
Amherst	$9865	$2971
Prince Edward	$10,821	$3074

- *Appomattox ranked 10th from the bottom in total per pupil funding in all Virginia counties. We ranked 12th from the bottom including all cities and counties in total per pupil funding for 2011.

For 2011, per pupil funding sources for us reflect ...

- **State – 54%**
- **County – 23%**
- **Sales Tax – 9%**
- **Federal – 14%**

Budget Considerations

- Budgeted Average Daily Membership (ADM) for 2011-12

  2253

- Current ADM - 2185
- State budgeted ADM for 2012-13
- 2180

Possible Reductions for Cost Savings

- Professional and classified positions through attrition, retirement, non-renewals, moves, which will combine or reduce class offerings and increase class size or eliminate programs
- Increase efficiency of bus routes
- Reduce number of summer school buses

Other Possible Cost Saving Measures - Athletics

- Eliminating 2 non-district contests in all events other than football
- Limiting non district contest travel (not counting regional/state events) to a 2 hour maximum for high school teams
- Limiting non-district contest travel to a 1 hour maximum for middle school team
- Possibly charging fee for students to attend sporting events

ACPS Budget Challenges

- VRS – General Assembly requires employee to pay 5% and locality to offset this with mandated 5% pay increase
- Paying the 5% costs the locality more because benefits, such as Social Security, group life insurance, and retirement contributions are tied to employee pay
- Our division cost for 5% pay offset will cost us approximately additional $200,000

Health Insurance Premiums

- Projected to rise approximately 8%
- Projected division costs to offset this in order to keep employees take-home pay whole: $94,464
- This is based on current number of subscribers

Fall-out From a Shrinking Budget…

- Increased class size
- Elimination of instructional programs
- Reduced course offerings
- Shared staff between buildings
- Deferred maintenance
- Requiring AMS and ACHS teachers to use part of planning periods to provide remediation and duties
- Aging bus fleet
- Eliminated staff tuition reimbursement
- Eliminated staff stipends for grade chairpersons and committee coordinators
- Reduced off-site staff development
- Staff moving to other divisions for higher pay
- Difficulty recruiting and retaining teachers and administrators

HOW DO WE MAINTAIN SERVICES TO OUR STUDENTS?

HOW DO WE KEEP OUR STAFF?

HOW DO WE MAINTAIN and UPDATE OUR FACILITIES?

Request Sent to Board of Supervisors Includes:

5% VRS Increase (mandated by General Assembly 5% for employees to pay)

2% Cost of Living Increase

8% Health Insurance Premium Increase

2% Composite Index Increase to Locality (mandated by DOE)

This request could change, pending upcoming Governor rulings.

Maintain all current instructional programs – our budget is based on **needs for students**

Other budget cuts could include

- Reductions in force if budget is decreased
- Additional programs eliminated
- Eliminate field trips
- Larger class size
- Reducing sports

THANK YOU FOR YOUR SUPPORT FOR OUR STUDENTS AND STAFF

Educating and funding for our students

- **This is not an easy task, but it is one that someone did for us**
- **It is a task worth every effort and worth the journey**

We need this budget approved for our

- Students
- Staff
- Community
- Future

- *Any questions?*

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, April 5, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty. Mr. Bobby K. Waddell was not in attendance due to previously scheduled vacation plans.

CALL TO ORDER

Mr. Smith, Vice-Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

The Vice-Chairman accepted the agenda as presented as there were no requests for changes or additions.

SUPERINTENDENT'S REPORT

Budget Update

Mr. Stephen O. Edwards, Director of Business and Operations, provided the Board with an update concerning the 2012-2013 School Budget. (See Attachment # 1) It was noted the General Assembly has yet to agree upon a state budget which results in our school budget information continuing to be presented as preliminary data.

Mr. Smith stated the Appomattox County Board of Supervisors recently discussed adopting a resolution that would be submitted to the state and call for the General Assembly to address the state budget as the first agenda item annually. Mr. Smith suggested the School Board also adopt a similar resolution.

Discussion of Updating CIP Priority List and Developing Master Plan for the High School

Mr. Torrence reported he had discussed with Mr. Edwards the request to update the CIP Priority List and developing a Master Plan for the High School. He noted he had also discussed the topic with his co-workers and he recommended

the Board give serious consideration to approval of the request as the benefits would far outweigh the costs. He was of the opinion the proposed charges from Dominion Seven Architects were minimal compared to the benefits which would last twenty to thirty years.

Mrs. Martin thanked Mr. Torrence for his input and stated she felt better about approving the request after hearing his report. Mr. Smith noted the Master Plan could be shared with the Board of Supervisors for future planning purposes. It was the consensus of the Board to add this topic to the April 26, 2012 agenda as an action item.

ACTION

Consideration of Approval of Windstream Notice to Proceed for Wide Area Network Agreement

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the Windstream Notice to Proceed for the Wide Area Network Agreement as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 2 and # 3)

Consideration of Approval of Plan to Identify and Provide Corrective Action Concerning Structural and Electrical Improvements at the High School Auditorium and Gym

It was moved by Rev. Williams and seconded by Mr. Torrence to move ahead with the structural and electrical improvement plan for Appomattox County High School which includes overall project management with Dominion Seven Architects at a cost of $26,150.00, structural engineering services with Dunbar, Milby, Williams, Pittman and Vaughan at a cost of $13,500.00 and electrical engineering services with Oberchain, Linkous, Daniels and Sowick at a cost of $5,600.00 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 4)

CLOSED SESSION

Adjourn to Closed Session

Mr. Torrence moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to

Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended.

Mrs. Martin seconded the motion made by Mr. Torrence. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mrs. Martin and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Torrence made this motion which was seconded by Mrs. Martin, unanimously approved, and recorded by roll call vote. (See Attachment # 5)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Torrence and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. Mrs. Martin, Mr. Smith and Mr. Torrence voted

in favor of the motion. Rev. Williams abstained from voting. By majority vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

James I. Phillips – Teacher – Appomattox County High School – Effective: June 30, 2012.

Non-Renewal 2012-2013:

Crystal E. Rees – Teacher – Appomattox Elementary School – Effective: June 30, 2012.

Assignment 2012-2013:

Douglas E. Smith – Teacher/Head Football Coach (11 Month Contract) – Appomattox County High School – Effective: July 30, 2012. (Replacing Benjamin Martin)

Change in Assignment 2012-2013:

Tom E. Yarber – FROM: Principal – Appomattox Elementary School - TO: Assistant Principal – Appomattox Elementary School.

Karen C. Cyrus – FROM: Assistant Principal – Appomattox Elementary School – TO: Principal – Appomattox Elementary School.

Family and Medical Leave Act 2011-2012:

Bethany A.W. Hunter – Teacher – Appomattox Middle School. Effective: Approximately May 20, 2012, for up to 12 weeks according to FMLA guidelines.

Long-Term Substitute 2011-2012:

Amy B. Dahlin – Long Term Substitute – Appomattox County High School – Substituting for Katherine L. Bowman. Effective: Approximately May 29, 2012.

Supplemental Assignment 2012-2013

Appomattox County High School:

Douglas E. Smith – FOOTBALL, HEAD
Douglas E. Smith – WEIGHT ROOM, WINTER
Douglas E. Smith – WEIGHT ROOM, SPRING
Douglas E. Smith – WEIGHT ROOM, SUMMER

Professional Staff – Recommended Reappointments for 2012-2013
(this could change depending on final budget approval and licensure status)

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held Thursday, April 26, 2012 at 3:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. A Joint Meeting with the Appomattox County Board of Supervisors will be held Monday, April 30, 2012 at 5:00 p.m. and the next Interim Meeting will be conducted Thursday, May 10, 2012 at 5:00 p.m. at the School Administration Building.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Torrence. By unanimous voice vote, the meeting was adjourned.

_____
Gregory A. Smith
Vice-Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 5

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Torrence moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: April 5, 2012

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, April 26, 2012 at 3:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence. He stated the Board had enjoyed touring the schools during the day and seeing the students and staff. (See Attachment # 1)

CONSENT AGENDA

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the following consent agenda items:

1. Minutes of March 8, 2012 Interim Meeting and Budget Work Session
2. Minutes of March 22, 2012 Regular Monthly Business Meeting
3. Financial Reports – March 31, 2012 (See Attachment # 2)
4. Educational Trips – April 26, 2012 (See Attachment # 3)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

COMMUNICATIONS

Communication Items from the Superintendent

The superintendent was pleased to report the After School Clubs Program at Appomattox Elementary School was recently recognized in the *2012 VSBA Showcases for Success*. (See Attachment # 4)

Communication Items from Board Members

Mr. Smith offered his congratulations to Ilyana Servis, fifth grader at Appomattox Elementary School, who placed first in the VSBA Student Art Contest in the elementary category at the VSBA Southern Regional Forum held in Ringgold, Virginia on April 24, 2012.

RECOGNITIONS

Students and Staff:

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox Primary School:

Finalist in the Artist of the Week Contest on Artsonia.com

Virginia Tech Block and Bridle Livestock Judging Competition
Jordan Marie Moore - High Individual Sheep Judging
Hunter Chase Page - Second High Individual Swine Judging

4-H County Speech Competition
Kendra Fay Fetty - Placed in 7th Grade Level
Joshua Landon Anthony - Placed in 7th Grade Level

Appomattox County High School:

Boys State
Timothy Reeves - Delegate
Joseph Foxwell - Delegate

Girls State
Ashley Cheatham - Delegate
Leighanne Bennett - Delegate
Lucy Reed - Alternate

2012 Junior Law Cadet Program
Cordell Elam - ACHS Representative

Appomattox County Schools Technology Department:

Southside Virginia Regional Technology Consortium (SVRTC) Awards
Adele Richardson - Teacher
Susan Williams - Support
Phillip Amos - Support

March Employees of the Month -

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for March, 2012:

Appomattox Primary School:
Barbara Hudson

Appomattox Elementary School:
Lauren Scott

Appomattox Middle School:
Sarah Meissner

Appomattox County High School:
Alison Paulette

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the March 31, 2012 Membership Report which indicated the total funded ADM was 2,183 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 5)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The VSBA Southern Regional Forum was held on April 24, 2012 at Dan River High School in Ringgold, Virginia. Mrs. Martin, Mr. Smith, Mr. Waddell, Rev. Williams, and Dr. Grasty attended.

The VSBA Policy Services Workshop will be held in Charlottesville on May 22, 2012. The deadline for registration is May 8, 2012 and the cost is $95.00 per person. Dr. Grasty is registered to attend.

The VSBA School Law Conference will be held June 1, 2012 in Charlottesville. The deadline for registration is May 18, 2012 and the cost is $165.00 per person. Mr. Waddell and Dr. Grasty are registered to attend.

The Governor's Conference on Education will be held in Richmond on July 31, 2012. The deadline for registration is July 2, 2012 and the cost is $170.00 per person.

VSBA Legislative Positions information was distributed concerning the request for submission of proposed changes or additions to the VSBA Legislative Positions. Proposals are due in the VSBA Office no later than Friday, June 15, 2012 and require approval by a majority vote of a member school board. Mr. Waddell noted proposals from Board Members should be considered at the May 24, 2012 meeting in order to meet the established VSBA deadline.

Information from the Schools and Division Offices

School newsletters were distributed to Board Members for their information and review.

Comments Following School Facilities Tour Held Earlier in the Day

Mrs. Martin was pleased the legislative representatives accepted our invitation to accompany the School Board on the facilities tour. She noted it is always fun and interesting to see the technology in our schools, especially at the elementary level.

Mr. Smith requested the superintendent send letters to Delegate Fariss and Senator Garrett thanking them for spending the day with the Board touring our schools.

Mr. Torrence thanked the principals for their realistic approach in sharing our schools with the legislators, members of the Appomattox County Board of Supervisors, and Appomattox Town Council.

Mr. Waddell was in agreement with all of the shared comments and thanked the School Board Members for taking the time out of their busy schedules to visit in our schools. He also expressed appreciation to Dr. Grasty, the Directors, and Mr. Bill Gillespie, Interim Town Manager.

School Showcase

Mr. Todd Reichert, Principal, of Appomattox Middle School, stated the theme at AMS this year is "Making Things Happen". He and Mr. David Read, Assistant Principal, provided an informative and entertaining presentation concerning the following things that are happening at AMS: Open House for Rising Sixth Graders, Academics, Technology, Art, Agriculture Program, Sports, Food Service Program, Physical Education, Student Talent Show, Science Fair, and Student Skype Conversation with Holocaust Survivor. The highlight of the middle school presentation was an outstanding live performance by the Band.

Dual Enrollment Update for 2012-2013

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, presented an update concerning dual enrollment classes for 2012-2013. (See Attachment # 6)

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager, reported the primary school construction project is slightly ahead of schedule with the additions being approximately 85 to 90 percent complete. The old kitchen had been demolished and temporary serving and dining areas had been set-up in the multi-purpose room. Due to the warm weather, the existing boilers had been removed and work had begun to reconfigure the space for the new high efficiency boilers. (See Attachment # 7) Mr. Edwards noted the contractor will be providing a budget update on May 1, 2012 and a PPEA Committee Meeting will be scheduled soon.

2. APS Furniture/Equipment – The Board of Supervisors appropriated an additional amount up to $600,000.00 for primary school furniture and equipment. It is anticipated $525,000.00 will be spent for items such as student desks and chairs, office furniture, multi-purpose and dining room furniture, computer desks, window shades, and dispensers for paper products. We will pay for the items and request reimbursement from the county. Mr. Edwards commended Mr. Timmy Garrett, Maintenance Supervisor, for the diligence of his

department in recycling discarded items from the primary school project. To date, $2,900.00 has been received for recycled materials and this money will be put back into the primary school project. It is anticipated additional revenue will be received as they continue this recycling project.

3. Insurance Update – Renewal premium notices have been received within the past few days from our insurance consultant McNeary and Associates. During the past year, VSBA has been our carrier for general liability/umbrella coverage and SIS for workers compensation coverage. The base liability has increased 2.04 percent and workers compensation has increased nineteen percent due to projected payroll increases, bus drivers, industry increases, and an increase in modification factors. McNeary is recommending we increase our earthquake coverage from $1 million to $25 million due to the extensive earthquake damage experienced in other parts of the state during the past year. This adjustment in coverage will result in a $2,700.00 annual premium increase that will come to the Board in May as an action item.

4. Budget Update – Mr. Edwards provided a proposed budget for 2012-2013 in the amount of $19,539,293.00 based on the Conference Committee's recommendation to the Governor. (See Attachment # 8) He also noted as of this meeting, the Governor had not taken action. The locality will be requested to contribute $4,886,831.00 which will cover increasing employee pay by 5% to cover their General Assembly mandated payment of 5% toward the Virginia Retirement System, a 2% cost of living increase for employees, and an anticipated 8% increase in health insurance premiums.

Dr. Grasty noted the Appomattox County Board of Supervisors will meet on May 7, 2012 to conduct a Budget Public Hearing which will be followed by a vote concerning the budget. The next Interim School Board Meeting will be May 10, 2012 at which time the Board will consider voting on a school budget for 2012-2013. The superintendent stated program and staff reductions may need to be considered should the requested amount of $4,886,831.00 not be received from the locality.

5. ACHS Bleachers – A proposal in the amount of $46,000.00 has been received to refurbish the gym bleachers at Appomattox County High School. This compares to a recent bid for new bleachers which totaled $85,000.00. Dr. Grasty noted this was being provided as information only and no action was requested at this time.

Internet Filtering System Information Regarding Meeting CIPA (Children's Internet Protection Agency) Guidelines

The superintendent provided information from Mr. Brett A. Arbogast, Director of Technology and CTE, which indicated our Internet filtering is compliant and supports the ACLU's free speech guidelines. (See Attachments # 9 and # 10)

Bring Your Own Device Initiative

Mrs. Susie Fisher and Mr. Danny Richardson, ITRT's, presented information concerning the school division's guidelines regarding Bring Your Own Device Initiative (BYOD). (See Attachment # 11) Mrs. Fisher noted a test trial was conducted earlier in the spring with high school CVCC students and teachers. The test was successful and will allow BYOD to be used countywide beginning in 2012-2013. She noted CIPA filtering requirements must be met and the Accessible Use Policy will be revised to accommodate students and staff who bring their own device.

Local Per Pupil Spending Comparison 2011

The superintendent provided a Virginia Department of Education comparison of per pupil local funding for fiscal year 2011 for Appomattox and surrounding school divisions. The per pupil local funding for 2011 for Appomattox was $2,005.00. Neighboring divisions were as follows: Charlotte - $2,458.00, Campbell - $2,645.00, Buckingham - $2,727.00, Bedford - $2,875.00, Prince Edward - $3,074.00, and Nelson - $6,647.00. Appomattox ranked sixth from the bottom of 136 school divisions in Virginia for 2011 in per pupil local funding. (See Attachments # 12 and # 13) The Board requested the superintendent share this information with the Appomattox County Board of Supervisors.

Update on Mentor Teacher Program

Mr. Bruce R. McMillan, Director of Human Resources and Staff Development, provided an update concerning the Mentor Teacher Program in our school division as well as a new college class that has been provided to new teachers. (See Attachments # 14 and # 15)

Update of Interest in Student Liaison to the School Board

Dr. Grasty stated VSBA included Policy BBBB – *Student Liaison to the School Board* as an optional policy for consideration at the March 22, 2012 Board Meeting. It was the consensus of the Board to remove this policy from the March first reading and allow the high school principal time to poll government classes to

determine student interest. The superintendent shared the results of a questionnaire that was distributed to government students at the high school.

Employee Recognition Banquet

The Annual Employee Recognition Banquet will be held Monday, May 21, 2012 at 6:00 p.m. at the Appomattox Community Center. Board Members were invited to attend this special event to recognize retirees as well as employees who have been with our school division for twenty-five or more years.

School Related Fund Raisers – Quarterly Report as of March 31, 2012

As required by Policy JL – Fund Raising and Solicitation, Board Members were provided copies of the Quarterly Reports of Fund Raising Activities conducted in our school division for the quarter ending March 31, 2012. (See Attachments # 16, # 17, # 18, and # 19)

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of Revised Policies

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the second reading and adoption of the following revised policies as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 20 through # 52)

37. KP - Parental Rights and Responsibilities
38. LA - Education Agency Relations Goals
39. LE - Relations with Colleges and Universities - Policy Deleted
40. LEA - Student Teachers

Consideration of Approval of First Reading of Revised Policy

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the first reading of revised policy JEC-R - School Admission as amended and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of 2012-2013 Staff Calendar

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the 2012-2013 Staff Calendar as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved as amended. (See Attachment # 53)

Consideration of Approval of 2012-2013 Carl Perkins Plan

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the 2012-2013 Carl Perkins Plan as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 54)

Consideration of Approval of Special Education Plan for 2012-2013

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the Special Education Plan for 2012-2013 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 55)

Consideration of Approval of Update of CIP Priority List and Master Plan for the High School

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the update of the CIP Priority List and development of a Master Plan for Appomattox County High School as recommended by the superintendent. Mrs. Martin, Mr. Smith, Mr. Torrence, and Mr. Waddell voted in favor of the motion. Rev. Williams voted against the motion. By majority voice vote, the motion was approved. (See Attachment # 56)

Consideration of Approval of Donation to ACHS 2012 After Prom Party

It was moved by Mrs. Martin and seconded by Mr. Smith to approve a $1,000.00 contribution to the Appomattox County High School 2012 After Prom Party and authorize the payment be processed with April 30, 2012 end-of-month bills as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Overnight Trip Requests

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the overnight trip requests as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 57 and # 58)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

APPROVAL OF BILLS

Mr. Torrence moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $ 246,723.78 – General Fund (See Attachment # 59)
2. $ 54,215.88 – School Food Fund (See Attachment # 60)
3. $1,319,629.00 – APS PPEA Construction Fund (See Attach. # 61)
4. $ 17,778.50 – General Fund Addendum (See Attachment # 62)
5. $ 85.55 – School Food Addendum (See Attachment # 63)
6. $ 29,247.13 – General Fund End-Of-Month (See Attach. # 64)
7. $ 85.55 – School Food End-Of-Month (See Attach. # 65)

Mrs. Martin seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

Mrs. Rachel Drinkard and her daughter Whitley of 2223 Old Grist Mill Road, Appomattox, Virginia 24522 addressed the Board on behalf of a group of parents and students (See Attachment # 66) requesting the establishment of a Swim Team at Appomattox County High School beginning with the 2012-2013 school year. (See Attachment # 67)

Mr. Waddell thanked Mrs. Drinkard and her daughter for addressing the Board and stated the Board would attempt to offer a response at the May meeting.

NEXT MEETINGS

The Appomattox County School Board will conduct a joint meeting with the Appomattox County Board of Supervisors on Monday, April 30, 2012. The next Interim Meeting will be held Thursday, May 10, 2012 and the next Regular Monthly Business Meeting will be held Thursday, May 24, 2012. All three meetings will be held at 5:00 p.m. at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employee #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #98.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 68)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2011-2012:

Randall L. Fish – Bus Driver – Appomattox County Public Schools. Effective: April 20, 2012.

Attachment # 68

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Appomattox County School Board

Date: April 26, 2012

Minutes of
Appomattox County School Board
Joint Meeting

The Appomattox County School Board met on Monday, April 30, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. This was a scheduled joint meeting between the members of the Appomattox County School Board and Appomattox County Board of Supervisors. Present were School Board Members: Mrs. Amy M. Martin (arrived at 5:30 p.m.), Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty. Also present were Supervisors: Mr. Samuel E. Carter, Mr. William H. Craft, Mr. Jerry N. Small, Mr. Ronald C. Spiggle, Mr. Gary W. Tanner, and County Administrator Mrs. Aileen T. Ferguson.

The following Central Office Staff Members were also in attendance: Mr. Brette Arbogast, Director of Technology and CTE; Mrs. Annette A. Bennett, Director of Curriculum and Instruction; Mr. Stephen O. Edwards, Director of Business and Operations; Mrs. Elizabeth R. Haught, Director of Remedial and Special Education; and Mr. Bruce R. McMillan, Director of Human Resources and Staff Development.

CALL TO ORDER, PLEDGE OF ALLEGIANCE, AND MOMENT OF SILENCE

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and thanked the members of the Appomattox County Board of Supervisors for the opportunity to conduct a joint meeting. The Chairman also led in the Pledge of Allegiance and a Moment of Silence.

PRESENTATION BY THE SUPERINTENDENT

Dr. Dorinda G. Grasty, Division Superintendent, thanked the Board of Supervisors for their support of our school division and provided an informative Power Point Presentation regarding Appomattox County Public Schools and the proposed 2012-2013 School Budget which included: (See Attachment # 1)

- Appreciation for the Renovation of Appomattox Primary School
- The Budget from a National Perspective
- State Funding Issues
- Building a Community of Learners
- ACPS Facts and Figures
- Average Daily Membership (ADM)
    - ADM by Gender and Race
- Meals Program

- Transportation Facts – Buses
- Our Staff
    - Shrinking Since 2008
- Students and Staff Give to the Community
    - APS High-Lights
    - AES High-Lights
    - AMS High-Lights
    - ACHS High-Lights
- School Board Goals for 2012-2013
- Sampling of Programs for Our Students
    - Instructional Services
    - Remedial Services
    - Special Education Services
    - Career and Technical Education Enrollment
    - Career and Technical Education Accomplishments
    - FFA Awards
    - Program Equipment Replacement Needs
- Band Program
- Athletics
    - Awards
- Instructional Student Needs
- SOL Scores
- Division Needs 2012-2013
    - Instructional Needs Which Impact Staffing
    - Priority Capital Needs
    - Staff Needs
- Actual Required Local Effort for Standards of Quality – 2011
- Required Local Effort Rankings – 2012
- Comparison of Per Pupil Local Funding - 2011
- Per Pupil Funding Sources
- Budget Considerations
- Other Possible Reductions for Cost Savings
- Possible Cost Savings Measures – Athletics
- ACPS Budget Challenges
    - Health Insurance Premiums
- Revenue Sources 2012-2013
- Budgeted Expenditures 2012-2013
- Fall-Out from a Shrinking Budget
- How Do We Maintain Services to Our Students?
- How Do We Keep Our Staff?
- How Do We Maintain and Update Our Facilities?

- Request Sent to Board of Supervisors Includes
  - 5% VRS Increase Mandated by General Assembly – 5% Employees Must Pay
  - 2% Cost of Living Increase
  - 8% Health Insurance Premium Increase
  - 2% Composite Index Increase to Locality Mandated by Virginia Department of Education (DOE)
  - Requests Could Change Pending Upcoming Governor Rulings
  - Maintain All Current Instructional Programs
  - Budget Based on Needs for Students
- Other Budget Cuts Could Include
- Thank You for Your Support for Our Students and Staff
- We Need This Budget Approved for Our
  - Students
  - Staff
  - Community
  - Future

Mr. Edwards shared information concerning revenues and expenditures included in the proposed 2012-2013 School Budget.

DISCUSSION BY BOARD MEMBERS

Following her presentation, the superintendent called for questions and comments from the members of both boards. The response follows:

1. Mr. Craft asked how critical is the situation concerning the high school gym roof? Do we have ballpark figures concerning the costs?

   Dr. Grasty stated the current situation has existed for a number of years. A structural engineer assessed the situation recently and stated it should be addressed as soon as possible.

   Mr. Edwards stated the engineer acknowledged the building has stood for 38 years and is not prepared to say it will fall tomorrow or it will last another 38 years. The engineer was not prepared to say it meets code and recommended it be dealt with as expeditiously as possible.

   Mr. Edwards noted the engineer and Dominion Seven Architects are working to prepare a proposal to secure bids by the end of May; at which time we will have a better projection of costs.

2. Mr. Spiggle asked how our enrollment projections are determined?

   Dr. Grasty noted Weldon Cooper has been used, but has been unreliable during the past five years; therefore, we are now determining projections based upon current enrollment data and kindergarten registration.

3. Mr. Spiggle asked if the school division has future funding projections of needed funds from the county for the next year, three years, five years, and ten years?

   Mr. Edwards stated he was not aware of how to project revenue beyond the current year when state and federal changes occur so frequently creating unknown state and federal support.

   Dr. Grasty noted the state mandates Composite Index changes every two years which can create a huge impact on our funding.

4. Mr. Spiggle asked what is the plan to replace school buses?

   Dr. Grasty stated funding issues and the need for money to cover instructional purposes have caused buses to continually be cut from our budgets because they are high dollar items.

5. Mr. Spiggle asked why the middle school needs a larger cafeteria?

   Mr. Waddell noted the original specifications for the cafeteria indicated a larger area, but we did not have the required funds, so we built what we could with the funds we had at the time.

6. Mr. Carter noted in speaking with Mr. Matt Lair, Transportation Supervisor, buses are scheduled to be replaced after fifteen years of service.

   Mr. Edwards stated two or three new buses were included in the current budget, but they were the first items to go when the budget needed to be reduced. This was done to avoid cutting teaching positions.

7. Mr. Small noted three buses were purchased during the past two years.

   Mr. Edwards stated one of those buses was a special education bus and purchased with AARA funds. The other two were purchased at the end of the school year in order to meet local effort requirements.

8. Mrs. Martin asked if the number of jobs cut during the past few years had been discussed prior to her arrival?

   Dr. Grasty thanked Mrs. Martin for remembering this important point and stated this information had been shared earlier in the presentation.

9. Mr. Smith indicated we are in the same spot as last year and requested the school division be given the same support as the regional jail in Amherst. He asked that the school division be given support to allow us to invest in our own. Businesses will not come to Appomattox if we don't invest in ourselves.

10. Mr. Torrence stated friends his age are sending their children to Lynchburg Christian Academy in order for them to receive a better education. We are looking at the future for our children and we need to keep our talented teachers in Appomattox which will help keep our students in the county.

11. Mr. Waddell noted we need to remain competitive. We want our children to have every opportunity to learn, grow, and compete with other students across the state.

12. Dr. Grasty stated she continues to be amazed by the progress of our students and the work of our staff. Our staff is great, they care about our students, and go above and beyond the call of duty. She also noted we have good students who for the most part are well behaved and mannerly.

13. Mr. Carter stated the tour of school facilities conducted on April 26, 2012 was a real eye opener. He noted it had been approximately eight years since he toured our schools and a lot of change had taken place during that time. He really enjoyed the tour but was dismayed at some of the conditions although he was thoroughly impressed with the staff and students. He was very pleased the renovations were being made at the primary school. He noted our kids are our future and we will do everything we can to fulfill our duties.

14. Mrs. Martin expressed sincere gratitude for the help provided by the Board of Supervisors for the renovation of the primary school.

15. Mr. Torrence noted during the school facilities tour Senator Tom Garrett wanted to know all of our needs and stated Mr. Garrett is listening and wants to help.

ACTION

No action was taken at this meeting.

ADJOURNMENT

There being no further business, it was moved by Mrs. Martin and seconded by Mr. Smith to adjourn the meeting. A unanimous voice vote of approval was received.

"Building the Future of Success at APS"

May/June 2012

Principal's Message…

Wow… what a great year! Despite the massive construction that has been taking place, we have kept focused and on target with student learning. It is so hard to believe that our year is simply weeks from being over. As we spend these last days helping students reach benchmarks, it is crucial that we maintain fidelity to our goal of student success. While it would be easy to check out and chalk it up to spring fever, we cannot afford to waste one minute of precious learning time. Please work at home to ensure that homework is completed each night, and that your child gets plenty of rest. There will surely be some exciting, fun learning opportunities as we finish the year, but again, we must forge ahead if students are to be prepared for the next grade level.

Let us take this final moment to thank parents for their support of APS, and their understanding during the renovation. It can be a little overwhelming to access areas of the building, but you have been gracious and patient with the process. We'd like to thank you in advance for realizing that how we do business this summer will change moment to moment. There will be times the office is closed, and/or we are unable to accept guests on the property… and knowledge of that may be available only at the last minute.

We ask that you also exercise extreme patience when we return in the fall, as traffic patterns, procedures, etc., will most likely change; and we may be unable to educate people on those changes until after they occur. New traffic patterns will undoubtedly back up traffic, and building security inhibit free access. Patience, patience, patience… please!!

All of us at APS wish you and yours a happy and safe summer filled with the wonder and excitement of discovery and maybe a little rest as well!!!

Thanks so much,
Heather Mullins
Principal
Jason Bowyer
Assistant Principal

As always, if we may be of assistance to you, please contact us:
434-352-5766
Website: http://www.appomattox.k12.va.us/primaryschool

Employee of the Month:

Congratulations to Barbara Hudson for being employee of the month for the month of March. We thank her for her dedication to students and service at APS.

Teacher/Staff Appreciation:

We will be recognizing and honoring our staff the week of April 30. The next week is considered National Teacher Appreciation, so we have elected to celebrate that with all of our committed staff. All of our staff work extremely hard, often without thanks or commensurate pay, so please let them know how much you appreciate that.

Box Tops for Education:

WOW! Way to go APS for collecting $2,942.70 with Box Tops for Education through March this year. That means with one more collection date to go, we are SURE to meet our $3,500.00 goal! Thank you students, parents and staff for clipping those box tops and sending them in. Don't forget to clip and save them over the summer, too. If you would like a sheet to tape them on, visit www.btfe.com and print off any sheet containing 25 box tops.

Thank you, again, for supporting APS through Box Tops for Education, where we are building the future of success.

Lost and Found:

There is a HUGE collection of jackets, coats, hats, etc., in Lost and Found in the clinic. Everything left in Lost and Found will be donated to a charity at the end of April. Feel free to come by and look if your child is missing an item of clothing, or call 352-8937 if you can describe the article you are missing.

Summer School:

APS is offering a half-day summer remedial program during the month of July. It will be held at AES again this year due to the building project.

The summer school program will offer concentrated reading instruction in a small group setting to invited students. Transportation to central pick-up/drop-off points within the county will be provided. Parents may wish to reserve July if their child is experiencing difficulty in reading and/or at risk of repeating the present grade. Please return permission for invited students if you have not already done so.

Reminders and Helpful Tips:

- **If you have given us a new phone number, it is updated in PowerSchool daily. However, it may take up to a month for the update to be reflected in Global Connect as that is a monthly update.**
- **If you transport your child from school on more than one afternoon per week, please write a note to have your child dismissed with Walker's bell and sign them out in the office or to be dismissed with car riders to meet you outside in the drive-through circle. Dismissal time can be very hectic, and it will help us out a great deal to have this procedure followed.**
- **If you are dropping off students in the morning, please do not do so until after 8:00. Supervision is not provided until that time.**
- **The Visitor parking lot is not a drop-off area. If you are not walking your child in, then please use the Armstrong Lane entrance. This is a safety issue as some students are running from that lot to the front without adult supervision.**
- **If you are transporting your child to school and it is after 8:25, please do not drop off on the Thomasville side. Those doors are locked at that time. Please park and bring your student into the building, using the front entrance.**
- **We are unable to take bus/transportation changes over the phone. <u>We are unable to "hold" students until you arrive.</u>**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**
- **If your address or phone number has changed, please come by the office or send it in writing to the main office.**

May/June/July/August 2012 Calendar…

May 8 – Kindergarten Orientation (for parents of students entering K in 2012/2013.

May 14 – PTO, 7:00 p.m. – Kindergarten Performs (Please note that we will be in our new multipurpose room and space is limited for parking and seating).

May 28 – Memorial Day – No School

May 31 – Bright Beginnings application deadline extended (all packets/applications due)

<u>June 1 – LAST DAY FOR APS STUDENTS ONLY</u>

May/June/July/August 2012 Calendar Continued…

June 4 – Last day APS office Open until June 18.

June 6 – Last day for students at AES, AMS, ACHS.

June 5-16 – APS offices closed due to renovation/moving (you will not be able to access building, office, or phones).

June 18-August 3 – Summer Hours – Please call ahead to ensure service will be available to you.

July 4 – Independence Day – All school offices are closed.

August 15 – 2012-2013 – Fee Day

August 20 – First Day of School

STUDENT DRESS CODE

Students in the Appomattox County Public Schools are expected to dress in a manner that is respectful and supportive of a positive learning environment free of distractions and disruptions while at school and on the school bus. Apparel that is unsafe or disrupts educational activities and processes of the school will result in the removal of the student from the regular school environment until acceptable apparel can be secured for the student. The administration will be the final authority to determine if a student's clothing is appropriate for school, is unsafe, or whether it will create an environmental climate that is distracting to learning and instruction. Principals, faculty and staff members will enforce the dress code. The principal may waive the dress code or specific sections for school spirit days, field trips, field day, and other special occasions. Parents and students are responsible for following the dress code.

Shirts/Blouses/Dresses

1. Muscle shirts/tank tops are prohibited unless worn with another shirt with sleeves that meets dress code.
2. Spaghetti straps, tube tops, halter tops, mesh tops, sheer tops, strapless tops, and backless tops are unacceptable unless worn over or under a shirt with sleeves that meets dress code.
3. Shirts/blouses must not expose cleavage, low back lines, midriffs, or undergarments. No bare skin is to be exposed at the waist, chest or abdomen area.

STUDENT DRESS CODE (Continued)

Dresses/Skirts/Skorts/Shorts/Jeans/Sweatpants/Pants

1. For students in grades 6 through 12, the length of dresses, skirts, skorts, and shorts (including any slit) should be no shorter than the top of the knee when standing. For students in grades pre-K through 5, they must reach mid-thigh or the longest fingertip length, whichever is longer.
2. Skirts, skorts, shorts, jeans, sweatpants, and pants shall be worn at waist level. No holes, tears, frays or patched holes are permitted above the knee.
3. No clothing that is to be worn as an undergarment shall be visible while wearing pants, jeans, shorts, skirts, skorts, or sweatpants.
4. Garments worn with leggings or tights must meet dress code.

Unacceptable

1. Costumes, shoes with rollers or cleats, lounge pants, pajamas, bedroom slippers, stretch Lycra, Spandex or nylon tights, leotards, biker pants or underwear worn as outer garments.
2. Head wear (except for religious reasons) including but not limited to hats, hoods, wavecaps, sweatbands, bandannas, do-rags, skull caps, surgical caps, scarves, stocking caps, visors, baseball caps, picks, and combs.
3. Sunglasses and gloves (unless student has valid medical documentation).
4. Tights or leggings worn alone.
5. Jogging, biker, or Spandex shorts.
6. Hoodies are acceptable; however, students may not wear the hoods during school hours.
7. Lettering across the buttocks of a garment.
8. Trench or duster type coats.
9. Heavy chains, spiked necklaces, spiked collars, and spiked bracelets.
10. Saggy, baggy, low riders or oversized clothing.

Please Remember

1. Shoes must be worn at all times.
2. Athletic shoes must be worn for physical education classes, and closed toed shoes may be required for protection in certain educational settings.
3. Body piercings may not be worn where they are a safety issue.
4. All clothing, jewelry, tattoos, hair styles, grooming, body adornments and dress, and all other items that are brought into the school setting shall be free of the following: offensive pictures or logos depicting nudity, references to violence, profanity, vulgarity, alcohol, illegal drugs, tobacco products, gangs, criminal activity, race, sexual preferences, and derogatory statements about physical, emotional, or intellectual abilities.

STUDENT DRESS CODE (Continued)

Consequences

1. Students who violate provisions of the dress code will not be allowed to attend class and will be given the opportunity to have a parent/guardian bring appropriate clothing to school or pick up the student.
2. School administration may provide proper attire on a loan basis, in the event the parent/guardian is unable to be contacted.
3. Continued violations of the dress code will subject the student to disciplinary action as defiance of school rules.

ITEMS NOT SPECIFICALLY COVERED IN THE ABOVE POLICY MAY BE PROHIBITED AT THE DISCRETION OF THE ADMINISTRATION.

Superintendent's Message

Dear Staff,

May is here as we race into the final few, but very important weeks of the academic year. Our schools have many days of SOL testing this month. The eight months of instruction and remediation for SOL assessment will be put into place as students "push on" to do their best on these tests and in their classes through the last day of school June 6. Our students will need our contagious enthusiasm and drive to make every day in May be the most for learning. All year we have been working to strengthen and improve our Professional Learning Committees (PLC) - our schools. It takes all of us working as a team to increase learning for our students.

Our schools are brimming with field trips, athletic events, performances, special speakers, and celebrations of accomplishments as you can see from this digest. All of these activities make our students well-rounded individuals.

For our seniors, the culmination of their K-12 education will be graduation on June 4 at 7:00 p.m. at the Liberty University Vines Center. Many of our seniors have been with us for their entire thirteen years of education and will hold fond memories of favorite teachers and support staff that have made an impact in their lives. Your positive and caring impact on your students' school years will last a lifetime as they continue to grow and become leaders in their generation.

Our school budget for 2012-13 was delayed by the General Assembly. We finally received funding numbers from the state recently and now we have sent a request for local funding to our Board of Supervisors. They will consider our request on May 7 as they have a Public Hearing at 6:00 p.m. at CVCC to hear comments. They are scheduled to vote on a budget at that meeting. The request we are sending includes a 2% cost of living increase for employees. The General Assembly has mandated that employees pay 5% toward VRS and the locality will match that 5% into VRS. The Governor can still amend proposed legislation.

Thank you for being a part of the extraordinary PLC staff in ACPS. Our student body is comprised of really great children who push on academically with our determination and support. Thank you for being part of the journey of education our students. They are worth our every effort.

"We do not argue that the Professional Learning Community (PLC) journey is an easy one, but we know with certainty that it is a journey worth taking." (Learning by Doing)

Sincerely,

Dorinda G. Grasty, Ed. D.
Division Superintendent

Upcoming School Board Meetings:

May 10 - Interim Meeting - 5:00 p.m.

May 24 - Regular Monthly Business Meeting - 5:00 p.m.

June 21 - Regular Monthly Business Meeting - 5:00 p.m.

June 28 - Close-Out Meeting - 8:00 a.m.

Cafeteria Corner

We have two special days of the week in the cafeteria for the rest of the school year - Free Breakfast Monday & Try It Thursday.

The goal in offering free breakfast on Monday's is to increase meal participation. In March, less than 30% of those eligible for free breakfast at AMS & ACHS chose to eat breakfast at school. The cafeteria budget receives $1.80 in federal reimbursement for each breakfast served and $.27 for each paid breakfast served. Offering free breakfast to all students could potentially increase participation for the 70% of students who qualify for free breakfast, which would offset a decrease in revenue from those students who pay full price.

Try It Thursday is a way for students to try new items. With the new USDA regulations for the National School Lunch Program right around the corner, we are looking for ways to showcase new recipes. The new USDA regulations include two big changes. First, the cafeteria must serve a certain variety of vegetables per week - dark green, red/orange, legume, starchy & other. Second, a fruit or vegetable choice must be on the tray in order to be considered a reimbursable meal. Otherwise, students will be charged an ala carte price for each item, even those students who qualify for free or reduced meals. We will be showcasing such recipes as orange spinach salad and marinated black bean medley. There will be an online survey open from Thursday through the weekend for students to vote on whether or not they would like to see the Try It Thursday item on the menu.

Human Resources

Bruce McMillan, Director

Recognition Banquet - The 2012 Employee Retirement and Recognition Banquet will be held Monday, May 21st at the Appomattox Community Center at 6:00 p.m. Invitations and reply cards have been sent. Cost to attend is $13.00 per person which includes dinner.

Contracts for 2012 - 2013 - We expect contracts will be coming out near the end of May, after budget approval.

2012 License Renewals - If your license expires in June of this year (2012), and you haven't met with your principal to go over your renewal form, you should plan to do so no later than May 15th.

If your license expires next year (June 2013), please begin thinking about how you have earned or will earn the 180 points to renew. For those of you thinking about taking a college class this summer, a 3 credit-hour college class counts as 90 recertification points. If you have a Masters Degree, you can take just about any college class. If you do not have a Masters Degree, you should take a college class in your area of endorsement. If you are not sure if a class meets the requirement, feel free to email me.

Business

Steve Edwards, Director of Business and Operations

Finally, the General Assembly has agreed on amendments to the Governor's 2012 - 14 budget proposal which benefit K-12 and ACPS. We still do not know exactly what the state or corresponding required local contribution will be, and won't until the Governor acts on these amendments. However, we are much closer calendar wise to knowing, and significantly closer in knowing what the variables could be.

The central office team and principals have been working very diligently to find ways to make expected revenues and expenses meet, and will continue to do so. I also need to commend the Board of Supervisors in their efforts to more fully understand the K-12 budgeting process and our division needs.

Currently our budget plans, as proposed to the Board of Supervisors, for 2012-2013 include:

2% Cost of Living Adjustment for all employees

5% Increase to cover mandated VRS contribution for eligible employees

8% Increase in health care premiums

Maintain all current programs

* Upcoming Important Dates *

May 28 - Memorial Day - Staff and Student Holiday
June 4 - Graduation - Liberty University Vines Center - 7:00 p.m.
June 5 and June 6 - Early Student Dismissal 1:00
June 7 & 8 - Teacher Workdays
July 9-27 - Summer School
August 9 - Current Teachers Return
August 20 - First Day of School for Students

Curriculum and Instruction
Annette Bennett, Director

Advanced Placement Course Offering Expansion Plan

Appomattox County High School is beginning to implement a three year plan to expand its Advanced Placement (AP) Program.

Advanced Placement courses are developed by committees composed of university professors and experienced AP teachers. End of course examinations provide students an opportunity to demonstrate the knowledge they have acquired, the skills they have developed, and the concepts they comprehend. Participation in the Advanced Placement Program offers students many benefits. They are introduced to a rich and rigorous college-level curriculum. In addition, those who successfully pass an Advanced Placement Examination in May have the opportunity to receive college credit or advanced standing depending on the credit policy of the college they choose to attend. There is a charge for this test with financial assistance for students who meet the free/reduced meal criteria. Finally, numerous former Advanced Placement students describe their easy transition from high school to college due to the strong academic skills, knowledge and academic confidence they gained through participation in the Advance Placement Program.

AP teachers are trained in effective classroom strategies that will specifically prepare students for AP exams and advanced college courses. AP coursework is designed to improve student performance and create a college ready culture. Students who are college bound and are highly motivated to learn strategies that will increase the likelihood of success in college are the targeted students for AP courses.

Currently, we are offering three AP courses- - -two in the area of History (US History and Government) and one in Science (Chemistry). The proposed three year plan to increase these offerings will result in the addition of at least six more AP offerings - AP English Language, AP English Literature, AP Statistics, AP Calculus, AP Physics and AP Biology.

In preparation for these more rigorous courses we will begin preparing our students with the introduction of Pre-AP coursework in the four core academic areas next year and selected teachers will participate in the necessary training this summer.

Parent Teacher Conferences Held

On March 26th, our school division hosted Parent Teacher Conferences. The schools report the following number of conferences held in each school.

APS - 215 **AES** - 298 **AMS** - 44 **ACHS** - 85

Thanks to all the teachers and parents who prepared for and participated in these conferences.

Remedial and Special Education
Beth Haught, Director

Autism Awareness Month

April is designated as Autism Awareness Month. Autism has been identified as the fastest-growing serious developmental disability in the U.S. by the National Institutes of Health. Activities took place in schools this month to raise awareness about Autism Spectrum Disorders (ASD). ACPS currently has 20 students with ASD which is slightly below the national average of 1 in 88 children.

Autism Spectrum Disorders are characterized by social-interaction difficulties, communication challenges, and a tendency to engage in repetitive behaviors. However, symptoms and their severity vary widely across these three core areas. Taken together, they may result in relatively mild challenges for someone on the high functioning end of the autism spectrum. For others, symptoms may be more severe, as when repetitive behaviors and lack of spoken language interfere with everyday life.

Facts about Autism:

- Affects 1 in 88 children (and 1 in 54 boys)
- Prevalence figures are growing
- More children will be diagnosed with autism this year than AIDS, diabetes, and cancer combined
- Costs the nation $126 billion per year
- Receives less than 5% of the research funding of many less prevalent childhood diseases
- Boys are four times more likely than girls to have autism
- No medical detection or cure for autism

Prevalence vs. Private Funding:

- Leukemia: affects 1 in 1,200 / Funding: $277 million
- Muscular Dystrophy: affects 1 in 100,000 / Funding: $162 million
- Pediatric AIDS: affects 1 in 300 / Funding: $394 million
- Juvenile Diabetes: affects 1 in 500 / Funding: $156
- million
- Autism: affects 1 in 88 / Funding: $79 million

National Institutes of Health Funding Allocation:

- Total 2011 NIH budget: $30.5 billion
- .6%, or $169 million goes directly to autism research

Remedial and Special Education, continued

Autism Awareness Month, continued

Signs or Red Flags:

- No big smiles or other warm, joyful expressions by 6 months
- No back-and-forth sharing of sounds, smiles, or other facial expressions by 9 months
- No babbling by 12 months
- No back-and-forth gestures, such as pointing, showing, reaching, or waving by 12 months
- No words by 16 months
- No two-word meaningful phrases (without imitating or repeating) by 24 months
- Any loss of speech or babbling or social skills at any age

SPAM

You have just won the Appomattox Lottery! Please click here and fill out the form to collect $550,000

What is spam? Spam is any kind of unwanted online communication. It can occur in e-mails, text messaging, and sites like Facebook. Although we filter and catch most spam e-mails, the filter cannot catch them all.

Never, ever reply to a spam message.

Don't click any links in a spam e-mail.

Don't forward an e-mail from someone you don't know to a list of people. You remember those "forward this email to 20 of your friends" messages? They are perfect for spammers to harvest e-mail addresses.

Before you join a list, make sure the list owner or Web master will not sell your address.

Our e-mail filter catches approximately 98% of all spam mail, however if and when spam mail does reach your inbox please keep a few things in mind. Legitimate e-mails do not ask you to send this e-mail to 10 friends. They will never request your username and password (EVER), and if the e-mail is from someone you don't know then you can label it as SPAM.

Technology, continued

Technology News

The Technology Department has created a new inventory system that will enable us to better track items and have accountability for all technology. With the school division investing in smaller devices, the need for tracking has greatly increased. We will be asking each school to begin placing information into the new system such as devices and serial numbers when available. This will enable the Technology Department to monitor spending and track trends on what teachers are using. Our current inventory system is done through Excel and the need to update and create reports has become very time consuming. We look forward to teaching teachers the new system and hope to expand this new database into all aspects of school owned equipment.

Transportation

Matt Lair

Facts Concerning School Bus Transportation Nationwide

450,000 yellow school buses provide transportation service daily nationwide.

23.5 million elementary and secondary school children ride school buses daily throughout the United States, twice a day.

That's about 47,000,000 student trips daily -- before adding an estimated 5,000,000 more for activity trips daily.

That means approximately 54% of all K-12 students in the country ride yellow school buses.

America spends an average of $493 per regular education child for transportation annually.

America spends an average of $2,460 per special needs child for transportation annually.

The national school bus accident rate is 0.02 per 100 million miles traveled.

The National Highway Traffic Safety Administration (NHTSA) reports that 96% of the estimated 8,500 to 12,000 children injured in school bus accidents annually are considered minor injuries.

NHTSA calculated that 4% of the school bus related injuries to children -- about 350 to 475 annually -- are serious injuries based on the medical community's widely accepted Abbreviated Injury Scale (AIS).

Meanwhile, an average of 11 children are fatally injured inside school buses annually. 15 children are fatally injured as pedestrians in the loading and unloading zone around school buses.

About 600 school age children are killed annually, during school hours and on school days only, riding to and from school in automobiles.

"In a professional learning community, educators create an environment that fosters mutual cooperation, emotional support, and personal growth as they work together to achieve what they cannot accomplish alone."

24 - Math - Tournament News at Appomattox Elementary School

By: Kaleb Board, Jacob Johnson, and Holly Rutherford

(AES 5th Graders)

The 24 - Math - Tournament is underway at AES. During the tournament, students start off adding, subtracting, multiplying, and dividing to make the solution equal 24. The cards have different points in the corners and range from very easy to difficult. The proctors flip the cards over after each round. They also have a limit of fifteen minutes per round. Students can only get 3 penalty flags; if they do, they are out of the round.

Third Graders at AES learn life cycles in Science class with Ms. Gilliam and Ms. Dunevant. Third graders have been watching our trees throughout the year. They team up for learning at AES!

Submitted by: AES Fifth Grade Student

Jump Rope for Heart News

Jump Rope for Heart was very fun. We had different activities. One activity, of course, was jumping rope. We could choose to jump a short rope, jump a ball connected to our legs with a string, or jump over a rope that was going around a circle on the floor. We would jump when it was our turn.

We also had hula hooping and jumping a long rope which teachers moved as we jumped. We know that we definitely jumped rope for heart on our day. It takes heart to be a hero. AES raised over $4200.00, had a hat day, and 3 classes were awarded a pizza party for the most contributions.

AMS News

Coach "D" Darrell Andrews visited the middle school in April to deliver a motivational message, sharing a number of educational mantras with the middle schoolers including "Education is the key to your liberation" and "My future is in my hands."

AMS News, continued

Appomattox County Board of Supervisors member, Ronnie Spiggle, visited Mrs. East's class at Appomattox Middle School on March 13. Mr. Spiggle explained our local government and his duties on the Board of Supervisors. The students really enjoyed his visit.

Science Fair: 7th graders participated in the Science Fair where they developed hypothesis, tested their ideas, collected data from the tests, and reported on their findings. Appomattox County residents will be happy to know that Bubblicious Bubble Gum blows the biggest bubbles.

AMS News, continued

In March, students had the opportunity to video conference (Skype) with Mr. Ipson, a WWII Holocaust survivor. He shared his experiences of surviving the Holocaust in Lithuania, and the students were able to ask him questions about the Holocaust. Mr. Ipson held the attention of the students who listened to how he and his family were able to escape the Lithuanian Ghetto and hide in an underground hole on a country farm for more than a year. The experience brought to reality the WWII lessons they had learned from their history teachers.

Appomattox Middle School Agriculture Students were visited by Virginia FFA Association State Officers on March 22, 2012. State Officers Dani Gaulden, State Secretary, of Appomattox and Tori Avvenire, State Reporter, of Strasburg, presented a workshop on Teamwork to 7th graders. Gaulden and Avvenire stated to work well on a team, it requires trust, skill, and strength.

Students were also encouraged to participate in FFA Activities, including Career Development Events and Supervised Agricultural Experience. Avvenire and Gaulden shared personal experiences of how the FFA has also allowed them to travel and build lasting relationships with fellow FFA members across the country.

ACHS News

APRIL IS SCHOOL LIBRARY MONTH

School Library Month began in 1985 as a "celebration of school library programs." Research shows that schools with strong library programs produce higher test scores, improve reading skills, and are essential for both high achievement students and those who lack resources at home. Talk to your librarian for more information and see how she can help you!

Record Number of Applicants for Governor's School

ACHS had a record 16 students apply for admittance into the Central Virginia Governor's School for Science and Technology for the 2012-2013 school year. The four students selected are: Casey Martin, son of Cindy and Terry Martin; Madalyn Baldwin, daughter of Rebecca Dudley and Kenneth Baldwin; Wesley Kuegler, son of Melissa and William Kuegler; and Jacob Slagle, son of Katrina and Stan Slagle. These four students will be traveling to Heritage High School every morning where they will attend rigorous classes in science and mathematics. They return to ACHS in the afternoon to attend English, Social Studies and elective classes. We wish them success next year as they rise to the challenge of Governor's School.

Great Golf, Great Music, Great Location, Great Cause-VHSL Badges for Charity to Greenbrier Classic
Are you interested in attending the 2012 Greenbrier Classic at the beautiful Greenbrier Resort in White Sulphur Springs, West Virginia, July 2-8? This is a tremendous opportunity to see some of the world's greatest golfers on the historic TPC Old White Course. There is also the opportunity to see three great concerts which are included with your badge purchase. The acts scheduled to appear are: Toby Keith, Lionel Ritchie/Rod Stewart, and Bon Jovi with The Fray. For more information please visit www.greenbrierclassic.com. The purchase of each badge through the VHSL Badges for Charity Program-Appomattox County High School will benefit the Raider Athletic Program. To request an order form please contact Brad Harper at Appomattox County High School 434-352-7146 or baharper@appomattox.k12.va.us.

Student-Athlete Participant Information
Information presented to the Appomattox County School Board showed the following about the number of student-athletes for the 2011-12 school year:
High School- 545
Middle School- 212
Please note: These numbers count students for each activity in which they are involved. For example, if a student-athlete is involved in 3 activities, they would count 3 times.

Athletic Passes
A quick reminder to anyone that has ordered an athletic pass from the ACHS Athletic Department: Passes will be available at the gates of home spring sporting events. If you have any interest in purchasing a pass, please contact Brad Harper at 434-352-7146. If you have not received your pass, please contact Brad Harper at 434-352-7146.

Advertising Opportunities
If you know of a business that would be interested in advertising on the scoreboard at Bragg Stadium or in the gymnasium of ACHS, please contact Brad Harper at 434-352-7146. There are many opportunities available that will meet the advertising needs of your business while supporting the Raider Athletic Program.

APPOMATTOX PRIMARY SCHOOL CONSTRUCTION UPDATE

Construction continues to move forward and slightly ahead of schedule. The additions are approximately 85-90% complete. The final finishes are now being installed such as floor covering, cabinetry, final painting, and ceiling tile.

As can be seen in the pictures on the next page the old kitchen has been demolished and the space between the old kitchen and the new kitchen will be filled in and become an addition to the existing dining room. This addition will almost double the available area of the dining room.

The increased space in the dining area will reduce the number of seating's from 3 to 2 which will allow students and teachers more time to enjoy their lunch. Restrooms will also be added in the newly renovated dining room to reduce the flow of children in and out of the dining room during lunch.

The staff supporting the kitchen area did an excellent job in planning the move out of the old kitchen space. This allowed the contractor an early start on the old kitchen demolition and expansion of the dining room.

A temporary serving and dining area has been set up in the multi-purpose room. The children and staff adapted extremely well to the move and this arrangement will remain in place until the end of school.

Given the warm weather in the early spring the existing boilers have been removed and work has begun to reconfigure the space for the new high efficient boilers. This was also an earlier start than expected in the boiler rooms.

Also the warm March and April have allowed the replacement of the existing roof to begin earlier.

Appomattox County Board of Supervisors Public Hearing on 2012-13 Budget - May 7 - 6:00 p.m. CVCC Satellite Site

Building A Community Of Learners

SUMMARY

The Appomattox County Public Schools Gifted Advisory Committee offers the following summary from the 2011-12 school year:

Division-wide staff development regarding differentiation of instruction was implemented throughout the year in an effort to address needs of students of varied ability levels in our classrooms. Strategies to extend the learning of gifted learner were included.

Appomattox Primary School

All Appomattox Primary School students continue to receive enrichment services from the gifted resource teacher. Mrs. Ranson visited kindergarten classrooms four times this year and provided scientific investigation opportunities. First and second grade classes were bused to A.E.S. once a month to participate in hands on science lab activities.

- Five identified gifted students at APS were provided services during 45-minute periods once per week.
- We are currently evaluating seventeen 2nd grade students for placement in the gifted program.
- Math intervention and enrichment (I/E) was implemented in kindergarten through second grades, providing daily math challenge for students demonstrating strong math skills

Appomattox Elementary School

- Thirty-three identified students and fifteen students of high achievement are currently provided services for 50-minutes a day, four days a week.
- Opportunities for students of high achievement (who are not identified as gifted) have been provided throughout the year based on scheduling and teacher recommendations.

Curriculum:
Participated in piloting a poetry unit written by the National Research Center on the Gifted & Talented, Project M-Cubed Measurement and Algebra Units, Read an advanced novel incorporating an electricity project, Research taught in conjunction with Independent Studies, Science Fair, Hands on Equations Algebra Program, Creative Writing, Stock Market Game, Archaeology

Whole school initiatives:

- 24 Math Tournament at 4th and 5th grades
- Scripps Spelling Bee at 5th grade
- Student Treasure Books- offered to grades 3-5
- Science Fair (3-5)
- Young Authors Contest (K-8)

Appomattox Middle School
Continuing our effort to improve the continuum of gifted services and curriculum in the middle school, more direct services have been provided this year. ALPs students visited Lynchburg College to tour the school and provide a glimpse of college life. Two different groups of students visited Central Virginia Governor's School. A Randolph College professor traveled to AMS and ALPs students were treated to lessons on Greek Plays and hands-on activities with authentic Greek drama masks. After students read the book, *Animal Farm*, community residents visited the school and exposed the students to various aspects of life in the former Soviet Union. Students also participated in the Scripps Spelling Bee and the Central Virginia Governor's School Science Fair.

Appomattox County High School
18 students graduating with an Associate in General Studies through the Early College Cohort Program
1 student graduating outside the Early College Program with an Associate in General Studies
1 student completing the Central Virginia Governor's School for Math and Science

Seniors have been accepted to the following colleges/universities:

- Barton College*
- Bridgewater College *
- Bethany College
- Campbell University
- Central Virginia Community College
- Christopher Newport University*
- Clemson University
- Drexel University
- East Tennessee University*
- Elon University
- Ferrum College*
- George Mason University
- Hampden-Sydney College
- James Madison University*
- Liberty University*
- Longwood University*
- Lynchburg College*
- Mary Baldwin College
- Mississippi State University*
- Old Dominion University*
- Radford University*
- Randolph College
- Randolph-Macon College
- Roanoke College
- Shenandoah University*
- St. John's University
- Southside Virginia Community College*
- UNC @ Chapel Hill*
- University of Northwest Ohio
- University of South Florida-Tampa*
- University of Virginia
- Virginia Commonwealth University*
- Virginia State University*
- Virginia Tech*
- Virginia Union University*
- Virginia Wesleyan College*
- Wake Forest University

* Students have committed to attend

Appomattox County High School, cont'd.
4 sophomores invited to attend the Central Virginia Governor's School for Math and Science in 2012-13
22 sophomores selected to attend the Early College Cohort Program
15 students enrolled in AP Chemistry
14 students enrolled in AP US History
13 students enrolled in AP US Government
02 students enrolled in Virtual Virginia AP classes (Art History and Psychology)
68 students enrolled in classes at the Appomattox CVCC- satellite center
43 students receiving an HONOR sash for graduation
18 seniors have signed the Early College Scholars Agreement

FUTURE TARGETED IMPROVEMENTS:

- Continue to explore service delivery models we provide for gifted learners at all schools
- Continue implementing staff development regarding differentiation for the gifted learner in the regular classroom
- Improve the range of alternative assessments used to identify twice exceptional students, students from economically disadvantaged backgrounds, and culturally diverse students
- Begin to implement the expansion of the Pre- AP and Advanced Placement course offerings at ACHS.

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, May 10, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Discussion of Request Regarding ACHS Swim Team

Board Members were provided the following information concerning the recent request from Mrs. Rachel Drinkard to establish a Swim Team at Appomattox County High School beginning with the 2012-2013 school year: Proposal for Swim Team, Swim Teams in Virginia High School League (VHSL), Club Team vs. VHSL Team, and Insurance Impact. (Attachments # 1, # 2, # 3, and # 4) The superintendent stated Mr. Brad Harper, Athletic Director and High School Assistant Principal, had checked with the other Single A schools in the Dogwood District and none of these schools currently have a swim team.

A lengthy discussion entertained a wide realm of questions and comments as follow:

Mrs. Martin asked who the ACHS Swim Team would compete against since there are no other high school swim teams within the Dogwood District? Dr. Grasty suggested Brookville, E. C. Glass, Jefferson Forest, and Liberty as possibilities.

Mr. Smith asked if Appomattox is being moved from Group A to Group AA next year? Dr. Grasty indicated she was not aware of a change.

Mr. Torrence stated it appears the interest in a Swim Team in Appomattox County is greater than the number of students already participating in other larger school divisions.

Mr. Waddell noted having a Swim Team was a great idea, but during the current economic times, he was uncertain if adding a new program was wise. He suggested Mr. Harper be requested to assess further.

Mr. Torrence asked what control the school division would have since the group of interested parents would be covering all involved costs? Dr. Grasty stated we would select the coach and have full control of the program.

Mr. Torrence pointed out lacrosse and other sports are coming. If the Swim Team Group is completely paying for the program, perhaps this would be a good time to offer it for a trial period. If the trial period is successful, other interested sports groups would know we are willing to try these sports if the group provides the funding.

Mrs. Martin emphasized we know it is good to have students involved in sports as it improves their academic standards. She asked if the school system is allowed to accept private money and, if so, how would this be handled in our accounting system? Dr. Grasty indicated the funds would have to be kept in a separate account and operate on a fiscal year basis.

Mrs. Martin asked if an administrator would be required to attend every swimming event? Dr. Grasty stated because we do this for all other sports, it would be wise to have an administrator attend swim events as well.

Mr. Smith asked if we need to adopt a policy concerning the Swim Team?

Mr. Waddell wanted to know if school buses would be used to transport the Swim Team to meets? Dr. Grasty confirmed buses would be used for meets and reimbursement would be requested from the Swim Team Supporters for gas and the cost of the bus driver.

Mr. Smith suggested hiring a coach who could also drive a bus, which would reduce costs. Dr. Grasty noted we could look into this and Mr. Waddell stated, in the past, we have had coaches who were also licensed bus drivers.

Rev. Williams shared his reservations and suggested a committee be formed to explore all of the details and bring recommendations to the Board. He

was concerned about what would happen when all of the current interested donors are gone. He asked if the school division would then be responsible for paying for the program and, if so, can we afford these added expenses? He emphasized we need to be prepared for this possibility.

Mr. Torrence asked, if at some point, only three students are interested in the program, what would we do? Dr. Grasty indicated we should require a certain number of participants.

Rev. Williams stated implementation of the program has a lot of implications and we need to make sure it is the right choice as we analyze all of the ramifications. He indicated it would have been good had the group made their request a year ago. Dr. Grasty stated the group had been thinking about requesting a Swim Team for some time, but a formal request had not been received until our last Board Meeting. The group was aware of the budget concerns within the school division, particularly last year, which was not a good time to make the request.

Mr. Torrence asked when the Board would need to make a decision? Dr. Grasty indicated it would be ideal to make a decision before the next fiscal year and the last regular monthly business meeting for this fiscal year is scheduled on June 21, 2012.

Rev. Williams asked if local Athletic Directors, who currently have Swim Teams, could be contacted to request information? Dr. Grasty stated this would be done with particular interest in how the program is conducted and concerns or red flags.

Mr. Waddell requested a detailed budget be provided to the Board by the donors group.

Mr. Smith noted we have a Boosters Club and asked if this program would fall under the realm of Swim Boosters?

Mrs. Martin asked how we would estimate the cost of using a bus and emphasized it is important that we be accountable to the benefactors for the expenses incurred. Dr. Grasty stated Mr. Lair and Mr. Edwards can provide a cost per mile and invoice the group.

Following the discussion, the Chairman appointed a Swim Team Committee to consist of the following members:

High School Administrator
Mr. Brad Harper – Athletic Director

School Board Member
Mrs. Rachel Drinkard
One Additional Parent
Dr. Dorinda G. Grasty, Division Superintendent

Mr. Waddell requested a School Board Member volunteer to be a member of this committee and Mr. Torrence indicated he would be glad to serve.

Dr. Grasty stated she would arrange for the committee to meet as soon as possible and provide a report to the Board.

Update Concerning Repairs to High School

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed drawings that were provided by Mr. Blair Smith of Dominion Seven Architects concerning needed repairs to the gym and auditorium at Appomattox County High School. (See Attachments # 5, # 6, # 7, and # 8) Mr. Edwards stated a timeline will be forthcoming and the Board will be requested to approve the high school repairs no later than the June 21, 2012 Board Meeting to allow the improvements to take place during the summer.

Upcoming Required VRS Resolutions

Dr. Grasty provided Board Members with information concerning several Virginia Retirement System (VRS) resolutions that are required to be approved prior to July 1, 2012. The resolutions address employer and member retirement contributions and are necessary due to recent action by the Virginia General Assembly. The superintendent stated the Board will be requested to adopt the resolutions at the May 24, 2012 meeting.

Discussion of High School Gym Bleachers

The Director of Business and Operations reviewed information from Facili-Serv concerning needed repairs to the high school gym bleachers due to safety issues. (See Attachments # 9 and # 10) Mr. Edwards recommended upgrading our existing bleachers at a quoted cost from Facili-Serve in the amount of $47,906.00. (See Attachment # 11) He stated the Board would be requested to take action on this item later during the meeting. Mr. Torrence shared his concern about spending this amount of money knowing cheerleaders and fans will be stomping the bleachers and perhaps impairing the school division's investment. Mr. Edwards noted more than thirty years of rolling the bleachers in and out have deteriorated their condition and placing restrictions on participants would be difficult.

Budget Update

Mr. Edwards provided the Board with an update concerning the 2012-2013 School Budget. (See Attachments # 12 and # 13) He pointed out the budget for the upcoming fiscal year is based on 2180 students. Mr. Edwards indicated he anticipates the budgeted amounts for several funds such as Textbook, Construction, and Carry Forward will change and require future action by the Board. Dr. Grasty stated the Board of Supervisors approved an increase to the tax rate at their meeting on May 7, 2012, but will not approve the budget and school funding until the May 21, 2012 meeting.

ACTION

Consideration of Approval of 2012-2013 School Budget

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the 2012-2013 School General Fund Budget in the amount of $19,646,919.92 including a local contribution of $4,838,558.81, the 2012-2013 School Food Budget in the amount of $1,076,494.00, the 2012-2013 Capital Improvement Fund Budget in the amount of $49,608.00, the 2012-2013 APS PPEA Construction Budget in the amount of $300,000.00, the 2012-2013 Textbook Budget in the amount of $100,000.00, and the 2012-2013 Carry Forward Fund Budget in the amount of $175,787.13 as presented and recommended by the superintendent, contingent upon approval of the county budget and requested funds from the locality. By unanimous voice vote, the motion was approved. (See Attachments # 14 and # 15)

Consideration of Approval of Improvements to High School Gym Bleachers

It was moved by Mr. Smith and seconded by Mr. Torrence to approve improvements to the gym bleachers at Appomattox County High School in the amount of $47,906.00 by Facili-Serv as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 16)

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employee #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, specifically students #50440, #52581, and #50426.

Mrs. Martin seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mrs. Martin and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved, and recorded by roll call vote. (See Attachment # 17)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending

the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

STUDENT MATTERS:

Approval of Student Number 50440

It was moved by Mr. Smith and seconded by Mr. Torrence to approve Student Number 50440 continue with home schooling for the remainder of the 2011-2012 school year, attend summer school in July 2012, and return to Appomattox County High School for the 2012-2013 school year. By unanimous voice vote, the motion was approved.

Approval of Student Number 52581

It was moved by Mr. Smith and seconded by Mr. Torrence to place Student Number 52581 at the Appomattox Alternative Education Center (AAEC) for the remainder of the year, attend summer school in July 2012, and if the student has been in an academic program this past year, will attend Appomattox County High School beginning in the fall for the 2012-2013 school year. If no academic progress has been made, the student will attend AAEC during the fall semester of 2012-2013. By unanimous voice vote, the motion was approved.

Approval of Student Number 50426

It was moved by Mr. Smith and seconded by Rev. Williams to expel Student Number 50426 for 365 days with no alternative placement or community-based educational program. By unanimous voice vote, the motion was approved.

NEXT MEETINGS

The following meetings of the Appomattox County School Board will be held at the School Administration Building at 316 Court Street in Appomattox, Virginia:

1.) Regular Monthly Business Meeting – Thursday, May 24, 2012 – 5:00 p.m.

2.) Regular Monthly Business Meeting – Thursday, June 21, 2012 – 5:00 p.m.

3.) Close-Out Meeting – Thursday, June 28, 2012 – 8:00 a.m.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Smith. By unanimous voice vote, the meeting was adjourned.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 17

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: May 10, 2012

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, May 24, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

Melanie Furlough

Appomattox County High School:
Terry Eagle

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Report on ACHS Field at Bragg Stadium

Mr. Brad Harper, Appomattox County High School Assistant Principal and Athletic Director, stated his pride in our school facilities that are shared with the community. He also voiced his concern regarding the high volume of use of the field at Bragg Stadium by the high school, middle school, and Appomattox Youth Sports. He requested the Board consider the installation of a Bermuda grass surface at some point in the future. He shared a quote in the amount of $13,300.00 from RSG Landscaping and stated he was in the process of securing additional quotes. (See Attachment # 8) He noted Bermuda grass is more durable for all seasons including wet weather and stated the field could be over seeded with rye to maintain a green appearance year round. Should the Board decide to take this course of action, Mr. Harper pointed out it would be essential to install the Bermuda sprigs as soon as the last spring event ends in order for the field to be ready to begin fall sports in August.

Mrs. Martin stated the Board considered installing Bermuda grass when renovations were made to the field several years ago. Rev. Williams recalled at that time, the Board approved the recommendation presented by RSG Landscaping. Mr. Waddell noted Bermuda grass was not recommended because it would have required the purchase of a special lawn mower that we could not afford. Mr. Harper stated if we maintain our current maintenance contract with RSG Landscaping, the purchase of a special mower would not be necessary as RSG has the required mower in their fleet.

Mr. Smith suggested aerating the field and leaving it dormant of all activity this summer to see if this would achieve the required improvements.

Discussion of Athletic Passes for 2012-2013

Mr. Harper shared information from surrounding schools concerning their charges for athletic passes. He proposed the price for 2012-2013 family passes be increased an additional $25.00 to allow students from all Appomattox County Public Schools to be included in the family pass process. (See Attachment # 9)

Membership Report

The superintendent provided the April 30, 2012 Membership Report which indicated the total funded ADM was 2,184 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 10)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The VSBA Policy Services Workshop was held in Charlottesville on May 22, 2012. Dr. Grasty attended and stated it was a very informative meeting. She noted the Board will receive all VSBA recommended policy updates at the June 21, 2012 Meeting including a new policy requiring Epi-Pens be placed in all schools.

The VSBA School Law Conference will be held June 1, 2012 in Charlottesville. The cost is $165.00 per person and Mr. Waddell and Dr. Grasty are registered to attend.

The Governor's Conference on Education will be held in Richmond on July 31, 2012. The deadline for registration is July 2, 2012 and the cost is $170.00 per person.

Information from the Schools and Division Offices

School newsletters were distributed to Board Members for their information and review.

Information from the Director of Business and Operations

The following Business and Operations items were discussed:

1. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager, reported the primary school construction project continues at a rapid pace. During the past thirty days the existing kitchen has been demolished and walls are beginning that will nearly double the space of the existing dining room. Extensive work will take place in the existing building beginning June 6th. (See Attachments # 11 and # 12)

2. Update on High School Repairs (Auditorium) – The Board received a detailed report from consulting engineers concerning recommended electrical upgrades to the auditorium. (See Attachment # 13) They also received a report from Mr. Blair Smith of Dominion Seven Architects. (See Attachments # 14 and # 15)

3. Renewal of General Liability and Worker's Compensation Package – It was recommended the Board renew the General Liability, Property & Casualty, and Umbrella Insurance Policy with VSBA and the Worker's Compensation Coverage with SIS, LLC for the upcoming fiscal year. It was also

recommended the Board increase the school division's flood and earthquake coverage.

Discussion of Resolution Regarding State Budget

Board Members were provided a copy of a resolution recently adopted by the Appomattox County Board of Supervisors concerning the state budget. (See Attachment # 16) Mr. Smith requested adoption of a similar resolution by the School Board. The superintendent noted this was listed as an action item on the agenda.

Swim Team Committee Update

Dr. Grasty reported the Swim Team Committee met on May 18, 2012 and Mr. Torrence reviewed a list of questions and concerns discussed at that meeting. (See Attachment # 17) The Board also received information concerning transportation costs (See Attachment # 18) as well as information from Mr. Harper. (See Attachment # 19)

It was the consensus of the Board to place this item on the June 21, 2012 agenda for continued discussion.

Discussion of June 8 Teacher Workday

The superintendent reported our schools were not closed any days during the 2011-2012 school year due to inclement weather, which was highly unusual. She also stated, because of this, the Teacher Advisory Committee (TAC) had asked if any days could be removed from the current school calendar. Dr. Grasty indicated we would not be able to remove instructional days, but perhaps the removal of a teacher workday might be a consideration of the Board. She requested the Board consider approving the removal of the June 8, 2012 teacher workday as an action item.

Preliminary SOL Scores

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, presented preliminary SOL Writing Scores for 2012. (See Attachment # 20) She stated we have the option of appealing our writing scores in June, 2012.

Advanced Placement Planning for Next Year

Mrs. Bennett presented information concerning a three year implementation plan to increase Advanced Placement (AP) offerings beginning with the 2012-2013 school year. (See Attachment # 21) She indicated four

teachers will be trained during the summer of 2012 to teach AP courses. Mrs. Bennett noted students are charged a fee of $87.00 per AP test which is paid by the state should the students be approved for free or reduced lunches. She noted she would explore the possibility of using the cost savings from our Dual Enrollment Program to pay for AP tests not paid by the state. The Board requested Mrs. Bennett provide comparative cost data at a later date.

Dr. Grasty noted our school division has lagged far behind neighboring school divisions for a number of years concerning the number of AP courses offered to our students and was very pleased that AP offerings would be expanded.

Report from Gifted Advisory Committee

Mrs. Bennett provided the Board with a report from the Gifted Advisory Committee. (See Attachment # 22)

Proposed Remediation Schedule at ACHS for 2012-2013

Mrs. Bennett reported, beginning with the 2012-2013 school year, the high school is considering including remediation opportunities during the school day as well as a daily Raider Room for the purpose of a student/staff mentoring program. (See Attachment # 23) The allotted time would also be used for small group activities that will address topics such as anti-bullying, conflict resolution, positive choices, and other topics of current interest to the student body. Mrs. Bennett noted the proposed schedule will require an addendum to our current waiver of the 140 clock hour requirement which will be presented to the Board at a future meeting.

Update Concerning USDA Changes for 2012-2013 and Possible Price Increases

Ms. Niki Kempton, Food Service Coordinator, provided an update concerning USDA changes for 2012-2013 and recommended increasing the student ala carte entrée price from $1.00 to $1.50 for the upcoming school year. (See Attachments # 24 and # 25) Mrs. Martin was not surprised at the need to raise prices because the additional USDA fruit and vegetable requirements impact the more costly food items. Rev. Williams expressed his concern with the fifty cents jump in the ala carte price and noted it appeared to be higher than previous food service price increases.

Recommendations from the School Health and Wellness Education Advisory Committee

Ms. Kempton presented the recommendations from the School Health and Wellness Education Advisory Committee for 2012-2013. (See Attachment # 26)

Recommendations from the Special Education Advisory Committee

The superintendent provided the Special Education, Remedial, and Title I Advisory Committee Recommendations as prepared by Mrs. Beth R. Haught, Director of Remedial and Special Education. (See Attachment # 27)

Recommendations from the Career and Technical Education General Advisory Council

Mr. Brette A. Arbogast, Director of Technology and CTE, discussed the Career and Technical Education General Advisory Council's recommendations. (See Attachment # 28) Mr. Smith referred to the recommendation of creating another Culinary Arts kitchen to support the growing number of students in that program. He suggested expanding the Culinary Arts classroom/kitchen space with shared equipment for two classes during one block. Mr. Arbogast stated he would explore this option and bring a report to the Board at a future meeting.

Review of VPSA Grant Reimbursement

Mr. Arbogast presented the Virginia Public School Authority School Educational Technology Request for Reimbursement to the Board for their information. (See Attachment # 29)

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of Revised Policy

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the second reading and adoption of revised policy JEC-R - School Admission as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 30)

Consideration of Approval of First Reading of New Policy

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the first reading of new policy JHCH - School Meals and Snacks as presented and

recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Adoption of Virginia Retirement System (VRS) Resolutions

It was moved by Rev. Williams and seconded by Mr. Torrence to adopt the Virginia Retirement System (VRS) Resolutions as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachments # 31 and # 32)

Consideration of Adoption of Resolution Regarding State Budget

It was moved by Mr. Smith and seconded by Mr. Torrence to adopt the Resolution Concerning the State Budget as presented and recommended by the superintendent. The following roll call vote was recorded: Mrs. Martin, Mr. Smith, Mr. Waddell and Mr. Torrence voted in favor of the motion; Rev. Williams voted against the motion. By majority vote, the motion was approved. (See Attachment # 33) Mr. Smith requested the superintendent send a copy of the resolution to the Virginia School Boards Association (VSBA) and Dr. Grasty indicated this would be done.

Consideration of Approval of 2012-2013 Salary Scales

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the 2012-2013 Salary Scales as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 34)

Consideration of Approval of Student Fees for 2012-2013

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the 2012-2013 Student Fees as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 35)

Consideration of Approval of ACHS Application for VHSL Membership for 2012-2013

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the Virginia High School League (VHSL) Membership Application for the School Year 2012-2013 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 36)

Consideration of Approval of Ala Carte Entrée Price Increase for 2012-2013

It was the consensus of the Board not to take action concerning the approval of increasing the ala carte entrée price for 2012-2013 at this meeting.

Consideration of Approval to Renew General Liability and Worker's Compensation Insurance Packages

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the renewal of the General Liability, Property & Casualty, and Umbrella insurance policy with VSBA in the amount of $53,104.00, and the Worker's Compensation coverage with SIS, LLC in the amount of $58,003.00 from July 1, 2012 through June 30, 2013. It was also moved to approve the additional $25 million in Flood and Earthquake coverage, with $5 million Building Ordinance coverage for the same time period at an additional cost of $2,731.00. By unanimous voice vote, the motion was approved. (See Attachment # 37)

Consideration of Approval of Removing June 8, 2012 as a Teacher Workday

It was moved by Rev. Williams and seconded by Mr. Smith to approve removing June 8, 2012 as a Teacher Workday as recommended by the superintendent. By unanimous voice vote, the motion was approved.

SCHOOL BOARD SELF-EVALUATION

The Board Chair reviewed the process for the School Board Self-Evaluation that will be conducted prior to the end of the 2011-2012 school year. He distributed copies of the evaluation form to the Board and requested they be completed and returned to the Clerk of the Board in one week.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held Thursday, June 21, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The Close-Out Meeting will be held Thursday, June 28, 2012 at 8:00 a.m. at the same location.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #50672, #50358, and #12320.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 38)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignation 2011-2012:

Diane Bellinger – Teacher – Appomattox Primary School. Effective: June 30, 2012.

Family and Medical Leave Act 2011-2012:

Lorie O. Carwile – Teacher – Appomattox County High School. Effective: April 2, 2012, for up to 12 weeks according to FMLA guidelines.

Temporary Part-Time Positions – Appomattox Primary School:

Jonathan M. Curtis
Charles E. Garrett
Sean M. Harris
John J. Lambert, Jr.
William C. Lewis

Summer School Assignments 2012:

(Note: Teachers have been informed that if enrollment projections do not warrant their position, the building principal will notify them by the third day of summer school.)

Appomattox Elementary School:
Teacher:
Ashley D. Ferguson

Appomattox County Public Schools:
Substitute Teachers:
Lea D. Gray
Phyllis P. Lambert

Substitute Bus Driver 2011-2012:
Ronald D. Lankford, Jr.

APPROVAL OF STUDENT MATTERS:

Approval of Student Number 50672:

It was moved by Mr. Smith and seconded by Mr. Torrence to continue current homebound services for Student Number 50672 through the remainder of the 2011-2012 school year and place the student at the Appomattox Alternative Education Center (AAEC) for the 2012-2013 school year. By unanimous voice vote, the motion was approved.

Approval of Student Number 50358:

It was moved by Mr. Smith and seconded by Mr. Torrence to continue current homebound services for Student Number 50358 through the remainder of the 2011-2012 school year and anticipate the student will attend Commonwealth Challenge. Should the student attend Commonwealth Challenge, the student will be released from compulsory attendance. Should the student not attend Commonwealth Challenge, an alternative educational setting will be developed for the 2012-2013 school year. By unanimous voice vote, the motion was approved.

Approval of Student Number 12320:

It was moved by Mr. Smith and seconded by Mr. Torrence to place Student Number 12320 in the Appomattox Alternative Education Center (AAEC) for the 2012-2013 school year pending re-enrollment at Appomattox County High School no later than July 1, 2012. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mrs. Martin. A unanimous voice vote of approval was recorded.

Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 38

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, June 21, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA - APPROVAL

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the following consent agenda items:

1. Minutes of May 10, 2012 Interim Meeting
2. Minutes of May 24, 2012 Regular Monthly Business Meeting
3. Financial Reports – May 31, 2012 (See Attachment #1)
4. Educational Trips – June 21, 2012 (See Attachment # 2)
5. Payment of Bills – June 21, 2012
   a) $ 493,260.76 – General Fund (See Attachment # 3)
   b) $ 29,452.21 – School Food Fund (See Attachment # 4)
   c) $ 254.15 – School Textbook Fund (See Attachment # 5)
   d) $1,228,414.00 – APS PPEA Construction Fund (See Attach. # 6)
   e) $ 2,980.28 – General Fund End-Of-Month (See Attach. # 7)
   f) $ 85.55 – School Food End-Of-Month (See Attach. # 8)
6. Information from the Schools and Division Offices – June 21, 2012

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty shared a letter from Melanie M. Ranson thanking Mr. Timmy Garrett and the staff of the Maintenance Department for their exceptional assistance during the recent unearthing of the time capsule at Appomattox Elementary School. (See Attachment # 9)

The superintendent also provided information concerning the dedication plaque that will be placed at Appomattox Primary School following the completion of the construction/renovation project.

Communication Items from Board Members

Mr. Waddell stated Governor McDonnell was in Lynchburg on June 7, 2012 and signed bills that will streamline or eliminate burdensome state mandates on local governments. Mr. Waddell noted he represented the only school division in the area in attendance at this important event.

RECOGNITIONS

Dr. Grasty took great pleasure in recognizing the following staff for their achievements:

May Employees of the Month -

Employees of the Month were recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for May, 2012:

Appomattox Primary School:
Timmy Garrett
Ketisha Donnigan

Appomattox Elementary School:
Sally Walker

Appomattox Middle School:
Moisis James

Appomattox County High School:
(None)

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the May 31, 2012 and June 30, 2012 Membership Reports which indicated the total funded ADM at the close of the school year was 2,178 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 10)

VSBA and NSBA Activities

The following VSBA activities were discussed:

Mr. Waddell and Dr. Grasty attended the VSBA School Law Conference on June 1, 2012 in Charlottesville. Mr. Waddell noted it was an excellent workshop. He stated attorneys from McGuire Woods encouraged stipulations be included in reduction in force policies. Dr. Grasty noted one of the sessions addressed EpiPens which we will be required to have in all of our schools.

The Governor's Conference on Education will be held in Richmond on July 31, 2012. The deadline for registration is July 2, 2012 and the cost is $170.00 per person.

A VSBA Hot Topic Conference on Autism Spectrum Disorders will be held in Charlottesville on September 24, 2012. The deadline for registration is September 4, 2012 and the cost is $130.00 per person. Beth Haught is registered to attend.

The VSBA Annual Convention will be held in Williamsburg, November 14 - 16, 2012. VSBA requests we select a voting delegate and an alternate to represent our Board at the VSBA Delegate Assembly and Regional Meeting which is held during the November convention. VSBA must receive notification of our Delegate and Alternate Delegate selection by August 1, 2012. It was the consensus of the Board to add this to the June 28, 2012 Close-Out Meeting Agenda as an action item.

Information from the Director of Business and Operations

The following Business and Operations items were discussed:

1. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager, reported the primary school construction project continues to move forward. He highlighted the following: a) All rooms in the existing building have been emptied. b) Demolition began the afternoon of June 8th. c) The old library will be transformed into art and music classrooms. d) The old gym will become a centralized library. e) There is still a lot of work that must be completed in a very short period of time. (See Attachments # 11 and # 12)

Mr. Edwards stated the recent sale and disposal of surplus furniture and equipment at the primary school was very successful. Following the donation of items to the other three schools, local government agencies, and non-profits, sales yielded $1,318.00. After all sales and donations were completed, a tractor trailer load of student desks were given to Gleaning for the World. He applauded Mr. Timmy Garrett, Mrs. Heather Mullins, maintenance staff, custodial staff, technology staff, and the temporary hires for their hard work in cleaning out the existing primary school building. He also noted Mr. Garrett and his department have diligently worked to recycle any salvageable material which currently totals between $8,000.00 - $10,000.00. Mr. Edwards stated these funds will be put back into the construction project.

2. Fuel Bid – Mr. Edwards recommended the Board consider purchasing fuel through a cooperative fuel bid process with other Region VIII school divisions and authorize him or Mr. Matt Lair, Transportation Supervisor, to enter into contract on behalf of Appomattox County School Board for diesel, unleaded gasoline, fuel oil, and propane at a fixed price for the period August 1, 2012 through June 30, 2013 based on the bid results of July 10, 2012.

3. Follow-Up on Blair Smith's May Report Concerning Repairs at ACHS – A pre-bid meeting was held earlier in the day, seven contractors were present, and bids will be due on July 3, 2012. In addressing the funding for the project, Mr. Edwards noted unused Carry Over Funds could be used and any costs above that amount would have to come from the county. He stated he had shared this information with the county officials. The Board will be requested to approve awarding a contract for the high school repairs at the July 26, 2012 Board Meeting.

4. Custodial Team Plan – Handouts outlining a proposal for changes to the current custodial services within the school division were distributed. (See Attachment # 13 and # 14) The proposal addressed reducing school-based custodians by one at each school and initiating a Custodian Supervisor and a four

person custodial team. Dr. Grasty noted the proposal had been discussed with the principals and assistant principals who have suggested this approach be used on a trial basis during the next school year and then evaluated for continuation. Mr. McMillan emphasized no custodian will be required to switch to the custodial team unless they desire to make the change.

Swim Team Committee Update

Mr. Torrence reported he had been in contact with Mrs. Rachel Drinkard concerning the location and time of swim team practices. Mrs. Drinkard had provided the following information:

- The Downtown Y will not be available. The earliest practice time would be 8:15 p.m. which would be too late.
- The next best choice would be Randolph College with an available practice time at 7:00 p.m. Their fee is $100.00 per hour which is for the whole pool rather than just a few lanes. The price may be reconsidered once a final decision is made concerning a Swim Team.
- Randolph College does not have a lifeguard on duty. Parents will be at practices and could help keep an eye on swimmers.

It was the consensus of the Board to place this item on the July 26, 2012 agenda as an action item.

Preliminary SOL Testing Results

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, provided preliminary SOL test scores. (See Attachment # 15)

Curriculum Summit Update

Mrs. Bennett provided information concerning the Curriculum Summit that was held on June 8 and 11, 2012: (See Attachment # 16)

- 65 Teachers participated
- 11 Subjects were represented
- 58 Pacing Guides were revised
- 138 Benchmark Assessments were developed

Appomattox Alternative Education Center Year End Report 2011-2012

Dr. Grasty presented the year-end report from the Appomattox Alternative Education Center (AAEC) for 2011-2012 that was prepared by Mr. Jason Bowyer, AAEC Administrator. (See Attachment # 17)

Appomattox Adult Learning Center Year End Report 2011-2012

The superintendent provided the 2011-2012 year-end report for the Appomattox Adult Learning Center (AAEC) as prepared by Mrs. Gayle Williams, AAEC Teacher. (See Attachment # 18)

Coaching Compensation

Mr. Bruce R. McMillan, Director of Human Resources and Staff Development, stated due to Fair Labor Standards Act (FLSA) information given to us a number of years ago, coaches have been paid on two different pay scales. The scale used for our teaching staff establishes a set stipend for coaching assignments and the scale used for coaches who are not currently teachers in our school division utilizes an hourly rate. This arrangement also excluded current classified staff from coaching due to FLSA overtime requirements. A 2011 court ruling was shared with the Board (See Attachment # 19) which determined coaches should be considered volunteers and may be paid a nominal fee. Mr. McMillan proposed eliminating the hourly coaching pay scale, placing all coaches on the Scale of Supplemental Assignments (See Attachment # 20), and allowing classified staff members to coach.

Discussion of Reclassification of High School Guidance Secretary Position

Mr. McMillan stated Mrs. Martha Eagle, Principal of Appomattox County High School, is recommending the high school guidance secretary position be changed from Grade 15 to Grade 17 beginning with the 2012-2013 school year. The Board was requested to consider this recommendation because of the greater responsibilities and heavier workload of this position at the high school.

Report on 2012-2013 Applications for Title I – Part A, Title III – Part A, and Title II – Part A

Dr. Grasty stated in prior years the Board has been requested to approve the submission of applications for Title I - Part A, Title II - Part A, and Title III - Part A grant funding at the June Board Meeting. Due to a delay in releasing modified ESEA funding applications, the state is asking school divisions to submit an Intent-to-Apply Form, which has been completed. (See Attachment # 21) Approval of these grant requests will be submitted to the Board as soon as additional information is received.

Follow-Up Report Concerning ACHS Culinary Arts Kitchens

Mr. Edwards stated he and Mr. Brette Arbogast, Director of Technology and CTE, toured the culinary arts kitchen at the high school and determined

changes should not be made at this time. He stated currently we do not have the resources, time, and personnel required to create two classrooms with shared equipment. He noted it is a good idea which should be incorporated in the High School Master Plan that is currently being developed by Dominion Seven Architects and suggested the upgrade be revisited next summer. Mr. Arbogast emphasized one hood serving two kitchens will be incorporated into the Master Plan.

Tentative Graduation Date and Location for Next Year

The superintendent stated, tentatively, Monday, June 3, 2013 has been selected for graduation ceremonies for Appomattox County High School. Mrs. Eagle has requested the Board consider continuing to conduct graduation at the Vines Center at Liberty University.

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of New Policy

It was moved by Mrs. Martin and seconded by Rev. Williams to approve the second reading and adoption of new Policy JHCH - School Meals and Snacks as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 22)

38. JEA - Compulsory Attendance (Option 1)
39. JEC - School Admission
40. JEC-R - School Admission
41. JHC - Student Health Services and Requirements
42. JHCB - Student Immunizations
43. JHCD - Administering Medicines to Students

44. JHCD-R - Administering Medicines to Students
45. JHG - Child Abuse and Neglect Reporting
46. JO - Student Records
47. KD - Public Participation at School Board Meetings
48. KG - Community Use of School Facilities
49. LBD - Home Instruction
50. LC - Charter Schools
51. LC-E - Charter School Application Addendum
52. LEB - Advanced/Alternative Courses for Credit

By unanimous voice vote, the motion was approved.

Consideration of Authorization of Signatures in the Absence of the Superintendent

It was moved by Mr. Smith and seconded by Mrs. Martin to approve Annette A. Bennett and Stephen O. Edwards be authorized to sign all Virginia Department of Education reports, documents, requisitions, and other official correspondence in the absence of the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval to Enter into Cooperative Fuel Bid Process and Grant Authorization to Purchase

It was moved by Mr. Smith and seconded by Mr. Torrence to approve entering into a cooperative fuel bid process with other Region VIII school divisions and authorize Stephen O. Edwards, Director of Business and Operations, and/or Mathew D. Lair, Transportation Supervisor, to enter into contract on behalf of Appomattox County School Board for diesel, unleaded gasoline, fuel oil, and propane at a fixed price for the period August 1, 2012 through June 30, 2013, based upon bid results of July 10, 2012. By unanimous voice vote, the motion was approved.

Consideration of Approval of Overnight Field Trip Request

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the overnight trip request as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 23)

Consideration of Authorization to Auction Surplus Items

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the auction of surplus items valued at $500.00 or more as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Adoption of VSBA Media Honor Roll Resolution

It was moved by Mr. Smith and seconded by Mr. Torrence to adopt the VSBA Media Honor Roll Resolution as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachment # 24)

Consideration of Approval of Requests for Admission as Out-of-County Tuition Students for 2012-2013

It was moved by Mr. Smith and seconded by Mr. Torrence to approve admission of out-of-county tuition students for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 25)

Consideration of Approval of VDOE Compliance with Standards of Quality and Other Miscellaneous Reporting Requirements Verification Report

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the Compliance with the Standards of Quality and Other Miscellaneous Reporting Requirements Verification Report as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 26)

Consideration of Approval of Waiver to 140 Clock Hours

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the Waiver to 140 Clock Hours as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 27)

Consideration of Approval of Scale of Supplemental Assignments

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the Scale of Supplemental Assignments for 2012-2013 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 28)

Consideration of Approval of Revised Coaching Compensation

It was moved by Mr. Torrence and seconded by Rev. Williams to approve the payment of all coaches by using the approved Scale of Supplemental Assignments for 2012-2013 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Classification Change of High School Secretary Position

It was moved by Rev. Williams and seconded by Mrs. Martin to approve changing the high school guidance secretary position from Grade 15 to Grade 17 effective with the 2012-2013 school year as recommended by the superintendent. By unanimous voice vote, the motion was approved.

SCHOOL BOARD SELF-EVALUATION

The Chairman presented the compiled report of the School Board Self-Assessment that had been completed by each Board Member. (See Attachment # 29) He also provided a School Board Self-Evaluation Summary. (See Attachment # 30) Following discussion, it was the consensus of the Board to accept both documents as the official School Board Self-Evaluation for 2011-2012. Mr. Waddell stated these documents would be retained as an official record.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

The Close-Out Meeting of the Appomattox County School Board will be held Thursday, June 28, 2012 at 8:00 a.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. Rev. Williams stated he would not be in attendance at this meeting due to previously scheduled vacation plans. The next Regular Monthly Business Meeting will be held Thursday, July 26, 2012 at 5:00 p.m. at the same location.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employees #10792, #10210, and #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in

the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 31)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the personnel report as amended and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Attachment # 31

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: June 21, 2012

Minutes of
Appomattox County School Board
Close-Out Meeting

The Appomattox County School Board met in regular session on Thursday, June 28, 2012 at 8:00 a.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Close-Out Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, and Dr. Dorinda G. Grasty, Division Superintendent. Rev. J. Wesley Williams was not in attendance due to previously scheduled vacation plans.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

SUPERINTENDENT'S REPORT

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations presented the following:

1. End of Year Financial Update – Mr. Edwards reported the school division met required local effort, required local match, and maintenance of effort. He noted the final bills for the 2011-2012 school year include the following transfers:

   a. $125,000.00 to the School Textbook Fund
   b. $200,000.00 to the Capital Improvement Fund

He also stated a small amount of funds were not spent and would be returned to the county. Mr. Waddell requested this amount be submitted to the Appomattox County Board of Supervisors as an appropriation request for the 2012-2013 school year. Mrs. Martin asked if the $200,000.00 transferred to the Capital Improvement Fund would be used for the upcoming repairs at the high school and Mr. Edwards indicated it would, as well as unused Carry Over Funds.

2. Activity Funds Audit Firm – Mr. Edwards stated the school division has utilized the services of the same firm to audit school activity funds for the past fifteen years and he felt it was a good idea to make a change. In response to his advertised request for proposals for school activity funds audit firms, Brown Edwards was the only firm to respond at a cost of $5,900.00. He stated the cost was higher than we have been paying but he felt we would receive a more comprehensive audit. He noted the request for proposal was for one year with the option of two additional years.

ACTION ITEMS

Consideration of Approval of Activity Funds Audit Firm

It was moved by Mr. Smith and seconded by Mr. Torrence to approve Brown Edwards as the school activity funds audit firm as recommended by the Director of Business and Operations. By unanimous voice vote, the motion was approved.

Consideration of Approval of VSBA Delegate and Alternate Delegate

It was moved by Mrs. Martin and seconded by Mr. Smith to approve Bobby K. Waddell serve as Delegate and Wyatt K. Torrence serve as Alternate Delegate at the VSBA Delegate Assembly and Regional Meeting of the 2012 VSBA Annual Convention, November 14 - 16, 2012 in Williamsburg, Virginia. By unanimous voice vote, the motion was approved.

Consideration of Approval of Overnight Field Trip Request

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the overnight trip request as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 1)

APPROVAL OF BILLS

Mr. Smith moved the following bills be approved for payment as presented and recommended by the superintendent:

a) $704,170.77 – General Fund (See Attachment # 2)
b) $ 1,939.50 – School Food Fund (See Attachment # 3)
c) $ 24,054.19 – School Textbook Fund (See Attachment # 4)
d) $325,000.00 – General Fund - Final (See Attachment # 5)

Mr. Torrence seconded the motion with all members approving the payment of bills as indicated by voice vote.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded

by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 6)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Assignments 2012-2013:

Cheryl C. Comeau – Guidance Secretary – Appomattox County High School – Effective: July 2, 2012. (Replacing Laura Evans)

Emily C. Harris – Teacher – Appomattox Elementary School – Effective: August 6, 2012. (Replacing Crystal Rees)

Beverly M. Mewborn – Instructional Assistant – Appomattox Elementary School – Effective: August 13, 2012. (Replacing Sally Walker)

Attachment # 6

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, July 26, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA - APPROVAL

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the following consent agenda items:

1. Minutes of June 21, 2012 Regular Monthly Business Meeting
2. Minutes of June 28, 2012 Close-Out Meeting
3. Financial Reports – June 30, 2012 (See Attachment #1)
4. Educational Trips – July 26, 2012 (See Attachment # 2)
5. Payment of Bills – June 21, 2012
   a) $ 178,984.01 – General Fund (See Attachment # 3)
   b) $ 300.00 – School Food Fund (See Attachment # 4)
   c) $ 8,017.60 – School Textbook Fund (See Attachment # 5)
   d) $1,012,463.15 – APS PPEA Construction Fund (See Attach. # 6)
6. Information from the Schools and Division Offices – July 26, 2012

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty shared the following items of communication:

1. Letter from Delegate Matt Fariss acknowledging receipt of the resolution concerning the state budget which was adopted by our Board on May 24, 2012. In his letter Mr. Farris stated the resolution will receive a hearing on the floor during the next session of the General Assembly and he plans to introduce legislation addressing this issue. (See Attachment # 7)

2. An invitation from the Carver-Price Legacy Museum to attend an open house on July 14, 2012; however, the invitation was not received until July 16, 2012.

3. Mr. Herbert C. Garrett, retired school bus driver with 25 years of service, passed away July 11, 2012. On behalf of the School Board, a contribution was made to the Appomattox County Education Foundation in his memory and a card was sent to the family. We acknowledge Mr. Garrett's contributions to our school system and extend our deepest sympathy to his family.

4. A thank you was received from the Wheeler Family following the recent deaths of Mr. Arthur Wheeler, Jr. and Mr. Eric Wheeler.

Communication Items from Board Members

There were no communication items from Board Members.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the revised June 30, 2012 Membership Report which indicated the total funded ADM at the close of the school year was 2,175 students. This compares with a budgeted ADM of 2,253 for the 2011-2012 school year. (See Attachment # 8)

VSBA and NSBA Activities

The following VSBA activities were discussed:

A VSBA Hot Topic Conference on Autism Spectrum Disorders will be held in Charlottesville on September 24, 2012. The deadline for registration is September 4, 2012 and the cost is $130.00 per person. Beth Haught is registered to attend.

The VSBA Annual Convention will be held in Williamsburg, November 14 - 16, 2012. The registration fee is $250.00 per person and the deadline for registration is October 12, 2012. Mr. Waddell and Dr. Grasty are registered to attend. Mr. Waddell will be serving as our voting delegate representing the Board at the VSBA Delegate Assembly and Regional Meeting. Mr. Torrence will be serving as our alternate in the event Mr. Waddell is unable to attend the meeting.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following:

1. Update on APS PPEA Project – Mr. Bill Gillespie, PPEA Project Manager, reported the renovation of Appomattox Primary School was quickly coming to a close as he reviewed the following: a) All of the brick work had been completed. b) The roof, gutter, and down spout replacements are approximately 90% completed. c) A new drop-in ceiling was being placed in the relocated library. d) The contractor will be on site for approximately 30 days after school starts on August 20, 2012 to complete the final punch list and verify everything is working as designed. (See Attachments # 9 and # 10)

Mr. Edwards reported the Dedication and Ribbon Cutting Ceremony will be held at the primary school on Wednesday, August 15, 2012 at 11:00 a.m., followed by a tour of the building. He noted Board Members and the public are invited to attend.

2. Update on ACHS Structural Renovations – Mr. Edwards reviewed the bid tabulation form provided by Dominion Seven Architects and requested the Board select a vendor for the project as an action item at this meeting. (See Attachment # 11) Mr. Smith suggested accepting the base bid and Alternate #2 from Coleman Adams and shared his concerns of placing a glass door on the concourse. He suggested the money saved by not accepting Alternate #1 be used toward the lighting needs in the high school auditorium.

3. Update on Fuel Bids – A summary report concerning fuel bids was provided. (See Attachment # 12) Southern States in Amelia was selected as the successful vendor for #2 fuel, unleaded E10, and diesel fuel. Blossman Gas in Bedford was the successful vendor for propane. Mr. Edwards estimated a savings of approximately $20,000.00 to $27,000.00 and noted there is a slight chance we will be required to pay a penalty if we do not use the total number of gallons committed.

4. Update on Health Insurance – A summary report concerning health insurance was distributed which indicated an increase of 4.8%. (See Attachment # 13) Mr. Edwards suggested increasing the employer paid contribution to $419.20 per month which would keep employees whole.

5. Update on Retirement Program for Part-Time Employees – Due to recent Internal Revenue Service changes, we are no longer allowed to purchase savings bonds from our local bank for our part-time employees retirement program. Admin Partners has been contacted and requested to provide suggestions to remedy this situation. They offered several options and recommended a 403(b) plan be established as the retirement program for part-time employees. (See Attachment # 14) Admin Partners will develop a resolution and policy at a cost of $300.00 for the set-up fee. It was the consensus of the Board to change the part-time employee retirement program from savings bonds to a 403(b) plan. It was requested this be placed as an action item at the next Board Meeting.

Back to School Update

Mr. Bruce McMillan, Director of Human Resources and Staff Development, reviewed the schedule of back to school activities planned for staff members prior to the beginning of the 2012-2013 school year. (See Attachment # 15)

Pack the Bus Campaign

Dr. Grasty stated the annual Pack the Bus Campaign will begin the weekend of July 27 and 28, 2012. The campaign goal is to secure school supplies for students who are unable to afford the basic supplies needed for school. This year Walmart has again offered to host the school bus in their parking lot and to provide a concession stand for volunteers to prepare and sell hot dogs and soft drinks. Proceeds from the sales will benefit this fund and the band for the purchase of band instruments. The event will also take place August 3, 4, 10, 11, 17, and 18, 2012 from 10:00 a.m. – 2:00 p.m.

School Resource Officer Update

The superintendent reported Appomattox Middle School will not have a School Resource Officer during the 2012-2013 school year. Sheriff Letterman has diligently tried to secure the funding of approximately $42,000.00 which is needed for this position, but has been unsuccessful. Officer Eagle will return to duty with the Sheriff's Department and Officer O'Brien, who was the School Resource Officer at the middle school, will be moving to this position at the high school. Officer O'Brien will be on call to go to the middle school should the need be warranted as we continue to provide a safe environment within our schools.

Information Concerning School Activity Funds Audit

At the June 28, 2012 meeting, the Board approved Brown Edwards as the school activity funds audit firm. Dr. Grasty provided the Board with a document from Brown Edwards requiring the chairman's signature. (See Attachment # 16)

Region 2000 Technology Council Proposal for a Governor's Career-Technical Science, Technology, Engineering and Mathematics Academy

The superintendent reported the Region 2000 Technology Council has submitted an application for the formation of a STEM Academy. (See Attachment # 17) If approved, the target date to open would be in the fall of 2013. This would be a partnership of businesses, Central Virginia Community College (CVCC), and the school divisions of Appomattox, Amherst, Bedford, Campbell and Lynchburg. The Academy would train students in the areas of Health Sciences Technology and Mechatronics, preparing them to be ready to enter the workforce immediately upon completion of the two year program. Students would attend CVCC during their junior and senior high school years and would receive an Associate's Degree upon completion. Each school division would be given a number of slots for students, similar to Central Virginia Governor's School. At a recent meeting, CVCC President Dr. John Capps requested the group consider hiring a Director, should the STEM Academy application be approved. He stated businesses and school divisions would be asked to assist with the cost of the Director's salary; although no definite amount was requested at that time, $5,000.00 or more was discussed. The Council is also seeking additional grant funding in an attempt to offset this costs.

Update Concerning Ala Carte Entrée Price Change for 2012-2013

The Board received information at the May 24, 2012 meeting from Ms. Niki Kempton, Food Services Coordinator, concerning a recommendation to increase the student ala carte entrée price from $1.00 to $1.50 for the 2012-2013 school

year. The Board decided not to take action concerning this request at that meeting.

Dr. Grasty presented a revised recommendation from Ms. Kempton that proposed keeping the ala carte entree price at $1.00 when purchased with a meal but increasing the ala carte entree price to $1.80 when purchased individually without a meal. (See Attachment # 18) The superintendent supported Ms. Kempton's revised request and stated this would be considered as an action item during this meeting.

Discussion of ACHS 2013 Graduation

The superintendent asked for feedback from the Board concerning Mrs. Eagle's request to conduct graduation at The Vines Center at Liberty University on June 3, 2013. She noted the cost for our 2012 graduation at The Vines Center was $4,400.00 and asked the Board to consider taking action at the August 23, 2012 meeting. Rev. Williams suggested obtaining a price from Liberty University prior to voting on the request. The superintendent indicated this information would be acquired.

Public Hearing Notice Concerning Land Adjacent to ACHS

The Board was provided information concerning a public hearing scheduled for Tuesday, August 14, 2012 at 6:00 p.m. at CVCC (Appomattox Center) regarding rezoning land adjacent to the high school.

Request to Use School Buses

Dr. Grasty presented a request from the Town of Appomattox, on behalf of the Virginia Autumn Special Committee, for the use of ten (10) school buses on Saturday, November 3, 2012. (See Attachment # 19) The buses would be used to provide round trip transportation of tourists of the Virginia Autumn Special Train Excursion from Main Street to the Museum of the Confederacy and the National Park. She requested input from the Board and stated this would be an action item at this meeting. It was confirmed all costs would be reimbursed to the school division.

Quarterly Report on School Related Fund Raisers – June 30, 2012

As required by Policy JL – Fund Raising and Solicitation, Board Members were provided copies of the Quarterly Reports of Fund Raising Activities conducted in our school division for the quarter ending June 30, 2012. (See Attachments # 20, # 21, # 22, and # 23)

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of New Policies

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the second reading and adoption of the following new policies as presented and recommended by the superintendent. (See Attachments # 24 - # 26)

1. GCPF - Suspension of Staff Members
2. JFCL - Notification Regarding Prosecution of Juveniles as Adults
3. JFHB - F - Report of Bullying

Consideration of Approval of Second Reading and Adoption of Revised Policies

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the second reading and adoption of the following revised policies as presented and recommended by the superintendent:

1. BBFA - School Board Member Conflict of Interest (Option 2)
2. BCF - Advisory Committees to the School Board
3. BDDH - Public Participation at School Board Meetings
4. DIA - Reporting Per Pupil Costs
5. DJ - Small Purchasing
6. DJG - Vendor Relations
7. EB - School Crisis, Emergency Management, and Medical Emergency Response Plan
8. EBBA - First Aid/CPR Certified Personnel
9. GBO - Virginia Retirement System
10. GBR - Voluntary Retirement Savings Program
11. GCB - Professional Staff Contracts
12. GCBC - Staff Fringe Benefits
13. GCDA - Effect of Criminal Conviction or Founded Complaint of Child Abuse or Neglect
14. GCE - Part-Time and Substitute Professional Staff Employment
15. GCG - Professional Staff Probationary Term and Continuing Contract
16. GCM - Supervision of Evaluation Process - Policy Deleted
17. GCN - Evaluation of Professional Staff
18. GCPB - Resignation of Staff Members
19. GCPD - Professional Staff Discipline
20. GCQAB - Tutoring for Pay
21. GD - Support Staff
22. GDB - Support Staff Employment Status
23. GDG - Support Staff Probationary Period

24. GDI - Support Staff Assignments and Transfers
25. GDN - Evaluation of Support Staff
26. GDPD - Support Staff Members: Contract Status and Discipline – Policy Deleted
27. IAA - Notification of Learning Objectives
28. IGAD - Career and Technical Education
29. IGAI - Character Education
30. IGBB - Programs for Gifted Students
31. IGBE - Remedial and Summer Instruction Program
32. IGBGA - Online Courses and Virtual School Programs
33. IGBI - Advanced Placement Classes and Special Programs
34. IGBI-R - Advanced Placement Classes and Special Programs
35. IGCA - Summer Schools - Policy Deleted
36. IGDA - Student Organizations
37. JCJ - Classroom Assignments for Twins
38. JEA - Compulsory Attendance (Option 1)
39. JEC - School Admission
40. JEC-R - School Admission
41. JHC - Student Health Services and Requirements
42. JHCB - Student Immunizations
43. JHCD - Administering Medicines to Students
44. JHCD-R - Administering Medicines to Students
45. JHG - Child Abuse and Neglect Reporting
46. JO - Student Records
47. KD - Public Participation at School Board Meetings
48. KG - Community Use of School Facilities
49. LBD - Home Instruction
50. LC - Charter Schools
51. LC-E - Charter School Application Addendum
52. LEB - Advanced/Alternative Courses for Credit

By unanimous voice vote, the motion was approved. (See Attachments # 27 - # 75)

Consideration of Approval of First Reading of New Policy

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the first reading of Policy GCPD-R - Professional Staff Discipline as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Requests for Admission as Out-of-County Tuition Students for 2012-2013

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the admission of out-of-county tuition students for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 76)

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2012-2013

It was moved by Rev. Williams and seconded by Mr. Smith to approve exemption from compulsory attendance laws for bona fide religious belief for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 77)

Consideration of Approval of Organizational Chart

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the Organizational Chart as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 78)

Consideration of Approval of Employer Paid Health Insurance Contribution

It was moved by Mr. Smith and seconded by Rev. Williams to approve the employer paid health insurance contribution of $419.20 monthly per subscribing employee for the period October 1, 2012 through September 30, 2013 such that the cost to employees does not increase. By unanimous voice vote, the motion was approved.

Consideration of Request to Establish a Swim Team at ACHS

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the creation of a Virginia High School League (VHSL) recognized swim team for 2012-2013 with the understanding that a benefactor will cover the entire costs for pool rental for practices and meets, transportation, VHSL insurance, and the costs for a swim coach. The school district will operate and coordinate the program and will require a Memorandum of Agreement be signed. By unanimous voice vote, the motion was not approved.

Following a lengthy discussion, it was moved by Mr. Smith and seconded by Mr. Torrence to amend the motion as follows: to approve the creation of a Virginia High School League (VHSL) recognized swim team beginning in 2012-2013 on a trial basis for three years with the understanding that benefactors will

cover the entire costs for pool rental for practices and meets, transportation, VHSL insurance, and the costs for a swim coach. The school district will operate, coordinate, and evaluate annually the program and will require a Memorandum of Agreement be signed. By unanimous voice vote, the motion was approved.

Rev. Williams requested Swim Team participants and their parents be notified of the conditions of the team at the time they enroll in the sport. Dr. Grasty stated she would communicate this request to the Athletic Director.

Consideration of Approval of Ala Carte Entrée Price Change for 2012-2013

It was moved by Mr. Smith and seconded by Mrs. Martin to approve keeping the ala carte entree price at $1.00 when purchased with a meal and increasing the ala carte entree price to $1.80 when purchased individually without a meal effective for the 2012-2013 school year as recommended by the superintendent. Mrs. Martin, Mr. Torrence, Mr. Waddell and Rev. Williams voted in favor of the motion. Mr. Smith voted against the motion. By majority vote, the motion was approved.

Consideration of Awarding Contract for ACHS Structural Repairs

It was moved by Mr. Smith and seconded by Mr. Torrence to approve awarding Coleman Adams Construction Company the base bid in the amount of $177,500.00 plus Alternate #2 - Remediation of Slate Fascia System in the amount of $10,200.00 for a total of $187,700.00 and allow Steve Edwards the authority to negotiate with Coleman Adams Construction Company Alternate #1 - Replacement of Concourse Doors at a maximum not to exceed $10,800.00 for structural repairs at Appomattox County High School. By unanimous voice vote, the motion was approved. (See Attachment # 79)

Consideration of Approval of Overnight Field Trips Request

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the overnight trip requests as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 80 - # 84)

Consideration of Request to Use School Buses

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the request from the Town of Appomattox to use ten school buses for round trip transportation of tourists of the Virginia Autumn Special Train Excursion from Main Street to the Appomattox Museum of the Confederacy and the Appomattox National Historical Park on Saturday, November 3, 2012, with all incurred costs to

be reimbursed to the school division, as recommended by the superintendent. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, August 9, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The next Regular Monthly Business Meeting will be held Thursday, August 23, 2012 at 5:00 p.m. at the same location.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 85)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2011-2012:

Sommer V. Jones – Teacher – Appomattox County High School – Effective: July 2, 2012.

Sandra Jean Mayberry – Part-Time Food Service – Appomattox Middle School – Effective: June 30, 2012.

Michelle D. Moats – Teacher – Appomattox Middle School – Effective: July 13, 2012.

Retirement 2011-2012:

Lavanna B. Wells – Bus Driver – Appomattox County Public Schools – Effective; July 16, 2012.

Assignments 2012-2013:

Faith A. Jones – Half-time Teacher – Appomattox County High School – Effective: August 6, 2012. (New Half-time Position)

Lisa B. Price – School Nurse – Appomattox Elementary School – Effective: August 13, 2012. (Replacing Angela Lewis)

Patrick D. Riley – Teacher – Appomattox County High School – Effective: August 6, 2012. (Replacing Tom Allen)

Brittany L. Sites – Teacher – Appomattox Middle School – Effective: August 6, 2012. (Replacing Alma Scott)

Kimberly M. Stauffer – Teacher – Appomattox County High School – Effective: August 6, 2012. (Replacing Sommer Jones)

Jorena Simpkins – Teacher – Appomattox Middle School – Effective: August 6, 2012. (Replacing Michelle Moats)

Cafeteria Substitute 2011-2012:

Florence E. Robinson

Summer School Assignments 2012:
(Note: Teachers have been informed that if enrollment projections do not warrant their position, the building principal will notify them by the third day of summer school.)

Appomattox County High School:

Summer School Substitutes:

Brittany A. McLean

Supplemental Assignment 2012-2013

Appomattox County High School:

Carla Y. Haywood – Cheerleading, Fall, Volunteer

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was recorded.

Clerk of the Board

Attachment # 85

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Virginia FFA

2011-2012

86th Annual Report®

"All members will have a sound knowledge of, and appreciation for, the role that agriculture plays in society so that they may develop into engaged citizens with an understanding of its impact on the Commonwealth."

- The FFA Vision

2011-2012 Virginia FFA Officers

President – Brian Walsh – Central FFA | Secretary – Dani Gaulden – Appomattox FFA |
Vice President – Nina Miller – Turner Ashby FFA | Vice President – Maggie Moran – Floyd FFA |
Treasurer – Ashlyn Nunley – Pulaski FFA | Reporter – Katie Lukens – Sherando FFA |
Sentinel – Tori Avvenire – Strasburg FFA

June 2011 VAFFA.org

I believe in the future of agriculture, with a faith born not of words but of deeds - achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

The creed was written by E. M. Tiffany, and adopted at the 3rd National Convention of the FFA.

20-22 | Beef Expo/Tractor Operators/Cattleworking

The annual Beef Expo was held April 20-22 at the Rockingham County Fairgrounds. During this event, Virginia FFA held the state Tractor Operators Career Development Event and State Cattleworking Contest. The Tractor Operators CDE requires competitors to safely start and maneuver a tractor throughout a designated course as quickly as possible without making any mistakes. The contestants must also complete a written exam pertaining to the safety and maintenance of tractors. The state winner of the Tractor Operator CDE was Rob Thomas of the Appomattox Senior FFA Chapter. Participants in the State Cattleworking Contest must administer health products including: a growth implant, vaccines, ear tags, dewormer, and other products as deemed appropriate. They are required to use proper technique and safety throughout the entire process, while maintaining a high efficiency rate. Grayson County had the top FFA team in the contest, with team members Allen Osborne, Mitchall Hash, Hannah Eller, and coaches Mark Osborne and Jimmy Osborne.

25 | Southside Middle School CDEs

On April 25, 2012, the Southside Area Middle School Career Development Events were held at Chatham Middle School. Five contests were held, including FFA Quizbowl, Agriscience Technology Mechanics, Plant Science, Food and Fiber, and Small Animal. Congratulations to everyone that participated!

Members of the Charlotte-Central Middle FFA, winners of the Agriscience Technology Mechanics CDE

Members of the Laurel Park and Chatham Middle FFA Chapters Compete for the title in FFA Quizbowl.

Principal's News

Happy Birthday to Appomattox Elementary School!

It is hard to believe, but this year marks our tenth anniversary in our new location. There have been many changes in the past decade, but what has not changed is a tradition of excellence for our students. As we "***Celebrate Decades of Success***" here at AES, please know that we take seriously the privilege of being a part of your child's learning journey. Reading, math, writing, science, and history continue to be the focus of our core instruction, supported and complemented by other key areas such as art, music, physical education, media resources and technology. We welcome some new faces to our building this year, having said good-bye to some old friends who have served us well, yet now embrace much deserved rest or other places of service. Change is inevitable, and as Mr. Yarber looks forward to transitioning to retirement in July 2013, he steps into the role of Assistant Principal and mentor to our school. We are indebted to him for his leadership over the past four years, and we are thankful for the support he continues to provide. I am privileged to serve as your Principal this year in a place I call home, having spent decades myself roaming its halls as student, teacher, and assistant principal. I know first-hand the love, care, and support this school family provides to all who cross its threshold. We encourage you to be an active member of our family as we continue to seek the tradition of success our children so deeply deserve and expect.

Karen C. Cyrus, Principal

THE RAIDER REPORT

School Hours

Arrival Time 8:00-8:25 a.m.
Tardy Time 8:25 a.m.
Instructional Day 8:25-3:00 p.m.
Dismissal Time3:00-3:30 p.m.

Visitors' Passes

Parents or other individuals who are in thebuilding for conferences or other schoolbusiness are expected to report to the office to obtain a pass.

BUS NOTES

Written permission is necessary regarding bus changes, walker's bell or pick-ups. We cannot take changes over the phone. Information that needs to be on notes are: the student's full name, the teacher's name, the desired bus number, the full name of the person's house where your child will be getting off the bus, and the 911 address. Also, include your phone number in case the school or bus driver has any questions regarding your arrangements.
Please be sure your child knows what to do in case school closes early due to inclement weather, early dismissal or other circumstances.

Student Planner Contains Student/Parent Handbook!

The A.E.S. PTO will be providing students with a homework planner that also has the A.E.S. Student-Parent Handbook in the front. This will be great for remembering homework assignments and important events!

Phone Numbers

If you would like a time reserved or a time to meet with the principal, teacher, guidance counselor or nurse, you are encouraged to call for an appointment.

Karen Cyrus, Principal – 352-7463
Tom Yarber, Assistant Principal – 352-7463
Carolyn Lawson, Guidance Counselor – 352-0531
Nurse – 352-5411

Important Traffic Reminders

Traffic in front of the school is going smoothly. Thank you for your help and attention to the routines we have established. Safety is our #1 priority! Here are a few important reminders:

- Students cannot be dropped off until 8:00a.m. Supervision of students begins at 8:00a.m.
- After dropping off or picking up a student, be careful when pulling out at the stop sign.
- Please don't rush! Allow the car in front of you to pull out, and then follow. Don't pull around.

If you are visiting the office or a classroom, please park in the lot, not at the curb where we load and unload students. We have 15 minute parking areas for your convenience.
Your attention to these matters will help us continue to provide a safe environment!

Attendance Notes

Regular attendance is necessary and important to the development of individuals who are successful in school and in all areas of responsibility. There is a close correlation between school attendance and attendance on the job after leaving school. It is a joint responsibility of the school and parents to require regular attendance. School attendance will be monitored daily so that students are given opportunity to be successful. Make school attendance a priority in your home this year! In addition to regular daily attendance, please refrain from picking students up early (except for emergencies). It is important that students hear announcements, receive information before going home, and have closure to the school day with their teacher. We appreciate your help in these areas!

Student Safety is a Priority for Parents and Staff

All requests for release of students must come directly from the office, by office personnel, written note, or the intercom. The office will deliver items sometime during the day.

Most of the policies and rules employed by schools are designed specifically to protect your children. For example, all school employees are required to undergo thorough background checks, as well as wear ID badges. Visitors must check-in with the office before they're allowed on campus.

Health policies are yet another way in which schools protect your children. When new students enroll, schools require proof of immunization to reduce the risk of contagious disease entering the school, such as mumps, measles, and whooping cough. To prevent the spread of infection, most schools recommend that children suffering fevers in excess of 100 degrees be kept at home until their temperatures have returned to normal for a period of 24 hours. School nurses are often asked to administer appropriate medication with parental permission and physician instructions.

Occasionally, schools may require a statement from the attending physician prior to a sick or injured child's return to the classroom. Knowing what activities an injured or ill child should or should not participate in is key to the child's recovery.

Whatever the health or safety issue, remember that educators take their responsibility for your child very seriously.

THE RAIDER REPORT

Please be aware that the school division dress code for students has been revised. Information about what is and is not acceptable was placed in the registration envelope.

Middle Years

Working Together for School Success

Short Stops

Book date

Children who read for fun build background knowledge that can help them with many subjects, from geography to history. Try setting aside a regular time to take your tween to the library. Browse the shelves, and then sit together and read silently or share interesting passages aloud.

Mealtime manners

If your youngster is offered food she doesn't like at a friend's home, she might not be sure what to say. Tell her she can be polite by taking a small portion and trying it. If she has a food allergy, she can mention it and say, "Thank you anyway."

DID YOU KNOW? Middle graders need at least nine hours of sleep to be rested and alert for school. Set a reasonable bedtime, and encourage your child to unwind by dimming the lights and doing a quiet activity (reading, drawing, listening to soft music). To make falling asleep easier, he should avoid video games, cell phones, and TV.

Worth quoting

"Be not afraid of growing slowly; be afraid only of standing still."
Chinese proverb

Just for fun

Teacher: What happened at the Boston Tea Party?

Lindsay: I don't know. I wasn't invited.

On time for a new year

Good time-management skills make your middle schooler's day more predictable and help it go smoothly. Encourage your child to create good habits like these.

Make lists

To-do lists can keep your youngster on track. She might make one for morning (shower, eat breakfast, take science project) and another for after school (eat snack, practice clarinet, do homework). Have her post each list where she can see it and check off activities as she goes. *Tip:* A calm morning starts the night before. Suggest that your youngster think about which tasks she could do before bed (lay out clothes, pack lunch or snack).

Set priorities

Middle graders often try to crowd too many events into a day. By asking questions, you can help your tween figure out which things matter most. *Example:* "I know you want to fix your bike, but don't you have a quiz tomorrow?" For a week, encourage your child to keep track of how long tasks really take. She might use a timer when she showers or walks the dog. Then, she'll know how much time to allow for each task.

Plan for the unexpected

Encourage your youngster to regularly build in a few extra minutes for each item on her schedule. For instance, if she gets up five minutes earlier, a misplaced student ID won't be such a big deal. She can also use this strategy with schoolwork, especially when it comes to long-term projects. She might plan to complete a research paper two days before it's due—then she'll have more time if she needs it.

Talking to teachers

When your child needed help in elementary school, you probably spoke with his teachers. Now that he's in middle school, he can be responsible for doing that himself. Share these suggestions.

When. Your middle grader should ask teachers when they're available to answer questions or give extra help. Some teachers might prefer to meet during a planning period or lunch, while others may have time before or after school.

What. Tell your child to be specific about what he needs. He can show the teacher a homework assignment or his textbook ("I don't know how they got this answer in chapter 2").

How. Explain that he should be courteous even if he doesn't agree with a teacher. For example, he can ask politely for an explanation on a grade ("I'm not sure where I went wrong on this essay").

© 2012 Resources for Educators, a division of CCH Incorporated

Emotions in the middle

Moody, private, self-conscious…If this sounds like your middle grader, you're not alone. At this age, his body and emotions are changing rapidly. Here are ways to help him cope.

Managing moods

Physical growth and worries about friends, sports, and schoolwork can cause moodiness. Let your child know you're available to talk. A quiet statement, such as "I remember what it feels like not to be asked to join a team," can encourage him to open up about what's bothering him.

Finding privacy

It's natural for your middle grader to want some time to himself. He might close his bedroom door or walk outside to take a phone call, for example. Show him that you respect his growing need for privacy by giving him space.

Fitting in

Many middle graders feel self-conscious. Being part of a group of people who share his interests can help your youngster focus on his strengths and feel more confident. Encourage him to participate in at least one activity (lacrosse team, student government, math club).

Alone after school?

Now that your child is in middle school, she may be too old for after-school day care. How can you make sure she's safe if she gets home before you do? Consider these rules:

- Talk about strangers. Your youngster should lock the door when she gets home and not open it for anyone. If the phone rings, she shouldn't tell the caller that she's alone.
- Decide whether friends are allowed to visit. If so, you might permit just one at a time and have your child get permission in advance.
- Agree on how to stay in touch. Maybe you'll have her call or text you as soon as she gets in the door each day.
- Review household safety. Let your middle grader know whether she can use things like the Internet, the stove, or candles when you're not there.

Q&A Write about now

Q *My daughter will have more writing assignments this year, and she has struggled with writing in the past. What can I do to help?*

A Regular practice is a key to better writing. Suggest that your daughter start a journal. It's a quick, low-pressure way for kids to fit in a little writing every day. Let her decorate a spiral notebook or get a diary at the store. She can write in it before she goes to sleep each night.

Perhaps she'll jot down thoughts about the day's events, facts related to a topic she's interested in (horses, art), or questions she has about a subject she's studying. Knowing that her words are for her eyes only will make her feel more comfortable writing. And as she gets used to writing, she'll discover that her words will flow more smoothly—both in her journal and when she does written assignments for school.

Parent to Parent: Family-friendly nights

Our lives are so hectic that we don't get much time to share fun activities during the week. So I asked a few friends how they make the most of their evenings together.

My friend Melissa suggested putting creative "conversation starters" in a bowl on the dinner table. I decided to try this and asked everyone to come up with questions. My son wrote, "Why are organic foods popular?" and I came up with, "Which movie star would you want to have dinner with?" The questions have already led to some thought-provoking discussions.

We've also tried an idea from our neighbor Dan. He said his family takes "picture walks" around the neighborhood with their cell phones (ringers off!). They snap interesting photos and share them with each other. We tried this, and my daughter took an excellent close-up of a pinecone. Now we're enjoying our walks together, and we're taking some good pictures, too!

OUR PURPOSE

To provide busy parents with practical ideas that promote school success, parent involvement, and more effective parenting.

APPOMATTOX MIDDLE FFA EXCELS AT STATE CONVENTION

Six members of the Appomattox Middle FFA Chapter attended the 86th Virginia FFA State Convention on June 18 – 21, 2012. The 86th Virginia FFA State Convention hosted over 1,700 FFA members and guests during the four day conference at Virginia Tech. FFA members from across the state participated in Career Development Events (CDEs), attended five convention sessions, and explored opportunities in FFA and agriculture through workshops. Guest speakers and workshop presenters to the convention included National FFA Central Region Vice President Alicia Hodnik, motivational speaker Grant Baldwin, the Dean of Virginia Tech College of Agriculture and Life Sciences Dr. Alan Grant, Virginia Farm Bureau, and former Virginia FFA state officers.

The Appomattox Middle FFA Chapter was recognized as one of the top 16 chapters in Virginia, the top chapter for Chapter Development in the Southside Area, and was awarded the Superior Chapter Award through the National Chapter Award program. This is the first time since 2002 that the FFA chapter has been recognized as being part of the top ten percent of chapters in the state. The National Chapter Award program recognizes chapters for completing activities that relate to student, chapter, and community development. The Appomattox Middle FFA Chapter completed over 15 different activities which met five quality standards in each of the three program of activity areas—student, chapter, and community development. These activities included spring strawberry fundraiser sale, continuing positive relations with the Appomattox FFA Alumni Association, middle school FFA member participation on the Appomattox FFA Livestock Show Team, National FFA Week activities, a school-wide food drive, and holding annual leadership training in August. The chapter received on stage recognition at the first and third session of the convention and plaques for these awards.

The Appomattox Middle FFA delegation participated in four CDEs during the convention. Oralia De La Cruz, Tatum Martin, Jordan Moore, and Garrett Woody participated in the State Quiz Bowl CDE. The FFA Quiz Bowl CDE allows students to display their knowledge of FFA history and current events through a written test and team tournament. The team placed 3rd in the team tournament and placed 3rd in the written component of the event. Martin and De La Cruz tied for 16th place and received blue ribbons. Woody placed 24th and Moore closely behind in 26th; both received red ribbons.

In the Middle School Small Animal Care CDE, students displayed knowledge on small animal breeds, care, and selection. The team consisted of Taylor Archer, Andrea Hodges, and Garrett Woody. Hodges received a red ribbon; Archer and Woody received yellow ribbons. The team received a bronze rating in the state.

Oralia De La Cruz, Tatum Martin and Jordan Moore participated in the Middle School Plant Science CDE. This event is designed for students to show their knowledge of the functions of plants and identifying different seeds, vegetables, and plants. De La Cruz, Martin and Moore were recognized with yellow ribbons. The team was recognized as a bronze team in the state.

Taylor Archer and Andrea Hodges also participated in the Food and Fiber CDE. During the Food and Fiber CDE, students must identify different dairy products, cuts of meat, wood products, graded eggs, determine product sources, and participate in a team activity. Archer and Hodges both received yellow ribbons.

The Appomattox Middle FFA Chapter would like to extend a sincere thank you to the Appomattox FFA Alumni Association for their assistance with providing partial sponsorship for the trip.

The Food and Fiber, Plant Science, Quiz Bowl, and Small Animal Care teams were coached by Elizabeth Duncan of Appomattox Middle School. For more information on the Appomattox Middle FFA Chapter please contact Elizabeth Duncan, chapter advisor, at 434-352-8257.

Coffee With The Principals

Please join Mr. Todd Reichert, Principal and Mr. David Read, Assistant Principal for our first forum. It will be held, Friday, September 21st @ 9:00 a.m. in the AMS Library. Please join us for homemade pastries and

coffee. Our forum dates for the 2012-2013 school year are as follows: September 21st, November 9th, February 8th, and April 19th. For more information, please contact the mail office at (434) 352-8257.

Congratulations Mrs. Elizabeth Duncan

LEXINGTON, KY. –Elizabeth Duncan, agricultural educator at Appomattox Middle School in Appomattox, Va., has been selected for a Teachers Turn the Key Award from the National Association of Agricultural Educators. The Teachers Turn the Key Award is a national scholarship program that allows early career agricultural educators to attend the annual NAAE convention and gives them an opportunity to become involved with their professional association. TTTK winners take part in special programming during the convention that is designed to address the concerns of early career agricultural educators. By being selected for the TTTK award, Duncan will be able to connect with other agricultural education professionals who are at a similar point in their careers.

Duncan was selected as the Virginia winner in the TTTK program because of her dedication and demonstration of excellence at Appomattox Middle School. Under her leadership, the FFA chapter has earned national recognition. She has been instrumental in implementing a seamless transition between 8th and 9th grade agriculture students. In addition, Duncan has initiated innovative fundraising solutions and impressive leadership development programs for her students. Colleague Ed McCann, agriculture teacher at ACHS said, "Elizabeth is very deserving of this award. The award recognizes her hard work and dedication to the students in Appomattox County".

Appomattox Primary School

"It's a Whole New World at APS"

August/September 2012

Principal's/Assistant Principal's Message…

Welcome to Appomattox Primary School! We are so excited to begin anew on August 20, 2012. Our facility and grounds have undergone a massive building and renovation, and it's truly a whole new world at APS. There are new classrooms, new furnishings, and new shining faces ready to learn.

The faculty and staff at APS will make every effort to provide the opportunity for students to achieve academic and emotional success this year. A safe, positive learning environment is a priority. We take the responsibility of educating students very seriously, and we willingly accept the individual needs and differences among students. We are not perfect, nor do we claim to be, so we hope you, too, appreciate our individual qualities. We are, however, working to achieve the same goal: student growth and achievement. We will need your verbal support, your physical assistance, your communication, and your cooperation. There may be times that we are unable to give you what you want, but we will do what needs to be done in the best interest of all students. It is during those times, when we will need your trust and understanding the most.

Let me thank you in advance for entrusting us with your child. While here, each student belongs to all of us. We will treat your child as if he/she is truly our own, and we will communicate, discipline, and love him/her in that way. You may expect us to work hard, to have your child work hard, and to have to work hard at home. We are glad you are joining us as we embark upon another school year… in brand new digs!

Please feel free to contact either or both of us if we can be of assistance this year. We share leadership and both monitor instruction, address discipline issues, work with staff members, interact with students and parents, and work for the betterment of APS and the success of our students.

Sincerely,

Heather Mullins
Principal

Jason Bowyer
Assistant Principal

We may be contacted as follows:

Heather Mullins, Principal
352-5766
hsmullins@appomattox.k12.va.us

Jason Bowyer, Assistant Principal
352-5766
jabowyer@appomattox.k12.va.us

Message Continued…

*Email is the most effective way to reach us, but you are welcome to call and leave a message and/or speak to us directly. We do ask that if we are not available that you leave a complete message including the reason you are calling, your child's name, and any other information that may help us assist you upon return call. Please allow time for us to research and/or respond, as we may be unable to return calls immediately and/or until after school due to day to day operations with students and staff.

*We are available to speak with and meet with parents as needed and schedules permit. Appointments are preferred, but they are not required. We keep our own calendars and may be out of the office when you stop by or call. Office personnel are able to relay information, but they are not able to schedule an appointment for you. If you'd like to schedule an appointment, please leave a message indicating a phone number where you may be reached, what you may wish to discuss and dates/times you may be available. We will get back to you just as soon as we are able to do so. We want to give your concerns the time and attention appropriate, and we don't want other commitments to interfere with that.

In the Know at APS…

- Division calendar – This contains division events and general information about Appomattox County Public Schools.
- Code of Conduct and Acceptable Computer System Use Policy handbook provides information about expected student behavior on campus, buses, and while using school technology.
- The handbook is packed full of information to help you be in the know about information more specific to Appomattox Primary School. **There are many changes this year. Please read very carefully.**
- Your child's teacher can provide information about classroom expectations, homework, field trips, class schedules, and other classroom details.
- Office staff can assist you with general procedures, receive paperwork/bus notes, and call for students to be dismissed to you.
- Cafeteria Manager: Provides information about school lunch program; student lunch account manager.
- Principal/Assistant Principal: Instructional leadership; school operations; supervision; student safety/discipline issues; all other issues not addressable by the above.

Building Instruction…

School Day: 8:25-3:00

Instructional time is precious, and we try diligently not to interrupt it. Please encourage your child(ren) to double-check to be sure he/she has all homework assignments, bus notes, lunch/snack and books prior to leaving for school. Not only will this reduce the need to interrupt the instructional process, but it will encourage your child(ren) to develop responsibility.

In addition, please note the following:

- **Students may arrive no earlier than 8:00 each day. There is no student supervision prior to 8:00.**
- **Parents who transport their children from school on two or more occasions per week, can greatly assist us by sending in a permanent car rider note and picking up students between 3:00-3:10 p.m. in the car rider loop off of Armstrong Lane.**
- **A car rider note indicates you will p/u your child in the loop in front of the building (enter visitor parking lot/car rider loop off of Armstrong Lane).**
- **A walker note indicates you will park in the 15 minute parking, walk into the main office between 3:00-3:10, sign your child out, wait for your child to join you in the office, and then walk your child out of the building.**
- **We are unable to take bus/transportation changes over the phone. Bus bells begin dismissing at 3:07. We are unable to "hold" students until you arrive. If you've not sent a change in writing, your child will be transported based on the last note we have on file and/or his/her regular bus. We ask that you send in changes via the student or fax (352-8074) us a note by 12:00. If you choose to fax a note, please follow up with a phone call to ensure our receipt of the fax. We cannot guarantee receipt of changes if after 12:00 and/or not followed up with a phone call.**

***When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**

Notes are Needed for…

Written communication provides a clear understanding for everyone. If e-mail is your preferred method of communication, please be cognizant that teachers are unable to check their e-mail during active instructional times. They are encouraged to check it in the morning, planning time, lunch, and at the end of their work day if possible. Therefore, if a change to your child's schedule, bus, etc., needs to be communicated, it is necessary that a note be written and sent with the student or faxed to the school office (see above).

Please help us by writing notes for the following situations:

- ✓ **When bus dismissal changes are necessary.**
- ✓ **When your child returns to school after being absent.**
- ✓ **When an early dismissal is expected.**
- ✓ **When there are special custody or health concerns.**
- ✓ **When there is a change in address, phone numbers, or emergency contacts.**
- ✓ **When a conference is requested (please allow a couple of days turn-around time for teachers - they may not be able to respond immediately).**

- ✓ **When clarification of an assignment, program, or policy is needed.**
- ✓ **When a child is being released to someone other than a custodial parent/guardian.**

Safety and Security of Our Students…

We are vulnerable to random acts of violence, and it is understandable that we are concerned about students' personal safety. When visiting, picking up your child, or dropping your child off for school, you must use the front entrance (new front facing Armstrong Lane) and report to the office to check-in and receive your visitor's badge.
If walking a student to his/her classroom in the morning, you will not need a visitor's pass between 8:00-8:15. You may enter the front door without entering the office, and you may proceed with your student to the classroom. After 8:15, direct access will not be possible. You must enter the building through the office and check in as a visitor before proceeding to your child's classroom. It is expected that you will exit no later than the tardy bell at 8:25. You will need to check out in the office.
If your student arrives after the tardy bell, you will not be permitted to walk them to their class as instruction will have already begun in classrooms.
If planning to eat lunch with a student, please be prepared to present your ID if asked. Please inform grandparents or other individuals who may wish to eat with your child that they should be prepared to do the same.
If you pick your child up for an early dismissal or as a walker, you will not be permitted to enter the building beyond the office unless the teacher is expecting you, and an appointment can be verified. Teachers are still involved in instruction and/or preparing for the next day. You will need to remain in the office, and your child will be called to meet you in the office.

<u>All</u> doors remain locked during the school day except for the main entrance. You must enter the office immediately upon entering the building. There is no access beyond that point without first checking in with the office.

Parents/Visitors may not enter the building at any time through any other entrance. This includes entrances/exits that adjoin the bus circle, even if doors are open for am/pm bus riders. Doors that open onto the bus circle are used in the morning/afternoon to monitor bus riders.

The Head Start entrance is located off of the small parking lot that adjoins Ferguson Street. Parents visiting Head Start will need to park in the Head Start parking lot and enter their facility/program there. You will not be permitted to access Head Start any other way. While connected to the APS facility, it is a separate program that operates within the physical facility. You will be unable to enter APS from Head Start.

***Please Note: Our students and staff have been instructed NOT to open doors for anyone. For the safety and security of students and staff, please do not knock on locked doors and ask to be let in.**

Spot The Out of This World Reader…

Again this year, our instructional readers will have the opportunity to participate in the Accelerated Reader program (AR). This program is a technology-based literacy system designed to encourage the reading of good literature.

All participants must select an AR book of their choosing. After reading the book, the student is required to take a computerized test. Points are assigned for each test passed, based on the length and reading level of the book. Students accumulate points throughout the school year.

At designated increments, the students receive or become eligible for prizes to encourage continued participation.

Classroom teachers determine when students have access to testing and the level the program is promoted within that class. Different teachers have different policies and procedures for how AR is used/facilitated.

Student Recognition…

Students love to be recognized. In order to give a diverse student population multiple opportunities to be in the spotlight, APS, in addition to classroom rewards teachers may have, has several programs to recognize students for social and academic accomplishments. Student of the Week, academic achievement awards, accelerated reader, and birthday announcements are just a few of the ways students may be the top "Spot."

APS Cafeteria Account System…

The computerized cafeteria system provides parents the option of establishing an account whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly, or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

Breakfast Program…

The breakfast program will begin Monday, August 27. Breakfast, like the lunch program, is offered on a full, reduced, or free price basis. Students who participate in the Free and Reduced Lunch Program are also eligible for the breakfast program.

Guidance…

Family Life:

The state of Virginia has developed Family Life Education Standards of Learning for grades K-12. Most of the standards for grades K-2 have been integrated into the social studies and/or science curricula in areas such as citizenship. Another program that covers some of the standards is Al's Pals. If you would like to review these Standards of Learning, please let the office know, and we will set a time for you to review these.

You, as the parent, have the right to opt your child out of this program. If you, as a parent, choose to have your child opted out, please let the principal know in writing.

Counseling Services:

Please contact the guidance counselor, Kathryn Nash, if you have concerns about your child. She conducts guidance lessons, but she will also talk with students who might be experiencing difficulty at school.

Bullying Prevention:

Bullying comes in many forms – bullies may exclude, tease, or physically hurt others. Help keep your youngster from being a target by building his self-esteem and encouraging him to make friends.

Help him practice how to respond if he is bullied. Since a bully feels more powerful when his target is upset, it's often best not to react.

Talking to a bully isn't a good idea, but talking to an adult is. If your child tells you about bullying, consult with his teacher or the guidance counselor.

Crisis Management…

Appomattox Primary School has a Crisis Management Plan in place. The students and staff regularly practice fire, tornado, lockdown, and evacuation drills. School is one of the safest places during most crises or natural disasters because students are prepared.

In the event of a crisis or natural disaster, students and staff will remain at school until it is determined that the danger has passed. Please do not phone the school as our limited phone lines must remain open for emergency communication.

Parents have the right to sign their child out in the school office. Please be aware that without written permission from the parent, only a parent or those individuals listed by the parent as emergency contacts will be allowed to remove the child from the school. No phone requests will be accepted.

Confidentiality…

We are required to protect student information and confidentiality. If someone calls in, we are not permitted to give information out over the phone.
Please do not ask about other students, as we are not able to share that information with anyone other than the parent or legal guardian.

Other…

Please be patient as the final elements of the building/renovation project are completed. You may continue to see a few pieces of equipment and/or workers. They have worked diligently over the last year or so to ensure that our new facility is both beautiful and in top working order.
Your continued support during the final stages is greatly appreciated.

Parents/Visitors may park in the visitor lot in the front of the school off of Armstrong Lane. In addition, parents walking a student in to school or walking a student out for early dismissal or walker, may park in one of the 15 minute parking spaces located in the faculty/staff lot adjoining Ferguson Street. These spaces are designated with signage. No other parking spaces in that lot should be used by visitors/parents.
Parents may not be in the bus circle for any reason.

Parking will be monitored closely for the safety of our students, this includes video monitoring. Failure to adhere to these guidelines can result in a parking ticket being issued, as your license number will be turned over to the Sherrif's office for further action.

Head Start parking is available adjoining Ferguson Street in the small lot across from Robinson's Funeral Home. Head Start visitors should please park in a designated spot only; do not double park, park in the grass, or in an area not designated as a parking lane.
****Please be cautious while driving in/through any APS lot as there may be small children accompanying parents to and from vehicles.****

APS Attendance Programs:

Submitted by Kathryn Nash, APS Guidance Counselor

Outstanding Attendance Program

Each nine weeks that a student is present each day, his/her name will be entered into a drawing to win a bike at the end of the school year. The first nine weeks' period begins September 3, 2012. (Repeats each nine weeks.)

Perfect Attendance Program

Each semester that a student truly has perfect attendance (no absences, no tardies, no early dismissals), he/she will receive a certificate and a ribbon. Those names will be entered into a drawing to win a $25 gift certificate. One student from each grade level will win. The first time period begins September 3, 2012, and ends at the end of the first semester. (Repeats second semester.)

FAST Program

Submitted by Januwaa M. Davis, FAST Coordinator/Prevention Specialist, Central Virginia Community Services

Don't miss out on the fun!! The FAMILY FUN NIGHTS program begins on Thursday, September 27, 2012, and will run every Thursday night from 5:30 p.m. – 7:30 p.m., for eight consecutive weeks. This program is open to all Appomattox Primary School families. There will be delicious dinners, family games, prizes, and the opportunity to make lots of new friends! Be on the lookout for more information.

FOR IMMEDIATE RELEASE – August 2012

Appomattox Middle School Agriculture Teacher Selected for National Award

LEXINGTON, Ky. –Elizabeth Duncan, agricultural educator at Appomattox Middle School in Appomattox, Va., has been selected for a Teachers Turn the Key Award from the National Association of Agricultural Educators.

The Teachers Turn the Key award is a national scholarship program that allows early career agricultural educators to attend the annual NAAE convention and gives them an opportunity to become involved with their professional association. TTTK winners take part in special programming during the convention that is designed to address the concerns of early career agricultural educators. By being selected for the TTTK award, Duncan will be able to connect with other agricultural education professionals who are at a similar point in their careers.

Duncan was selected as the Virginia winner in the TTTK program because of her dedication and demonstration of excellence at Appomattox Middle School. Under her leadership, the FFA chapter has earned national recognition. She has been instrumental in implementing a seamless transition between 8th and 9th grade agriculture students. In addition, Duncan has initiated innovative fundraising solutions and impressive leadership development programs for her students. Colleague Ed McCann, agriculture teacher at ACHS said, “Elizabeth is very deserving of this award. The award recognizes her hard work and dedication to the students in Appomattox County”.

Each of the TTTK winners will receive a plaque and a scholarship to cover registration, travel, and housing for the 2012 NAAE convention. RAM Trucks sponsors the TTTK award as a special project of the National FFA Foundation.

NAAE is the professional organization in the United States for agricultural educators. It provides its' nearly 8,000 members with professional networking and development opportunities, professional liability coverage, and extensive awards and recognition programs. The mission of NAAE is "professionals providing agricultural education for the global community through visionary leadership, advocacy and service." The NAAE headquarters are in Lexington, Ky.

###

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, August 9, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

SUPERINTENDENT'S REPORT

Review of Proposed Changes to Retirement Program for Part-Time Employees

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following documents concerning proposed changes to the retirement program for part-time employees:

1. Appomattox County School Board 403(b) Plan Document for Public Education Organizations (Amended August 15, 2012)

2. Board Resolution Appomattox County School Board 403(b) Plan Document Amendment Number 1

3. Adoption Agreement

It was the consensus of the Board to place this item on the August 23, 2012 School Board Meeting Agenda for action.

Update on APS PPEA Construction Project

Mr. Edwards commended the PPEA Committee for their work on the primary school construction project that will soon be completed. He particularly applauded their decision concerning the hallway wall coverings. Classrooms are ready and a number of punch list items are being completed and will continue to be completed during the next month. Mr. Edwards stated teachers are thrilled with the transformation and have been extremely cooperative during the transition. He noted the building will be ready for the dedication and ribbon cutting ceremony planned for August 15, 2012 and the first day of school on August 20, 2012.

Discussion of ACHS 2013 Graduation

As a follow-up of the July 26, 2012 Board Meeting, a contract from Liberty University for rental of the Vines Center was provided to the Board for their review. Dr. Grasty noted the wording of the contract and the cost of $4,400.00 were the same as last year with date revisions being the only changes to the document.

It was the consensus of the Board to place this item on the August 23, 2012 School Board Meeting Agenda for action.

FY2014 – FY2018 Capital Improvement Plan Informational Meeting

The superintendent provided a letter from Mrs. Aileen Ferguson, County Administrator, concerning an informational meeting scheduled for Monday, August 13, 2012 at 11:00 a.m. regarding the FY2014-FY2018 Capital Improvement Plan. Dr. Grasty stated she would not be able to attend this meeting due to her required presence at the high school for Convocation with all staff members. The superintendent noted she had shared this conflict with Mrs. Ferguson and also indicated Mr. Edwards would attend the meeting in her absence.

Distribution of 2012-2013 Calendar and Directory and Code of Student Conduct and Acceptable Computer System Use Policy

Board Members were provided with the following publications that will be provided to each student during registration on August 15, 2012:

1. 2012-2013 Calendar and Directory (Attachment # 1)
2. Code of Student Conduct and Acceptable Computer System Use Policy 2012-2013 (Attachment # 2)

Public Hearing Notice Concerning Land Adjacent to ACHS

The Board was provided information concerning an additional public hearing scheduled for Monday, August 20, 2012 at 7:00 p.m. at CVCC (Appomattox Center) regarding rezoning land adjacent to the high school.

ACTION

Consideration of Requests for Admission as Out-of-County Tuition Students for 2012-2013

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the admission of out-of-county tuition students for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 3)

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2012-2013

It was moved by Mr. Smith and seconded by Mr. Torrence to approve exemption from compulsory attendance laws for bona fide religious belief for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 4)

Consideration of Request to Enroll Child in Kindergarten

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the request for early enrollment in kindergarten based on testing results as recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 5)

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #10233 and #10507.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, and student #52052.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved, and recorded by roll call vote. (See Attachment # 6)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Assignments 2012-2013:

Margaret A. Bagood – Bus Driver – Appomattox County Public Schools – Effective: August 13, 2012. (Replacing Ray Servis)

Jamie L. Dailey – Temporary PT Computer Technologist – Appomattox County Public Schools – Effective: August 10, 2012.

Matthew T. Kirby – Instructional Assistant – Alternative Education – Effective: August 13, 2012. (Replacing Dawn Garrett)

Ronald Lankford, Jr. – Bus Driver – Appomattox County Public Schools – Effective: August 13, 2012. (Replacing Bonnie Wells)

Michael W. Mitchell – Temporary PT Computer Technologist – Appomattox County Public Schools– Effective: August 10, 2012.

Long-Term Substitute 2012-2013:

Fannie P. Davis – Long Term Substitute – Appomattox Middle School. Effective: August 10, 2012. Substitute for Carmen Harper.

Supplemental Assignments 2012-2013:

Appomattox Middle School:

Mark E. Drinkard – Volleyball, 8th Grade
Lea D. Gray – Volleyball, 8th Grade
Brooke N. Mlaka – Volleyball, 8th Grade

Substitutes – Bus Driver:

William J. Roraback
Dwight A. Walker

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held on Thursday, August 23, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox. The next Interim Meeting will be held on Thursday, September 13, 2012 at 5:00 p.m. at the same location.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Torrence. By unanimous voice vote, the meeting was adjourned.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 6

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: August 9, 2012

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, August 23, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence (arrived at 5:30 p.m.), Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA - APPROVAL

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the following consent agenda items:

1. Minutes of July 26, 2012 Regular Monthly Business Meeting
2. Financial Reports – July 31, 2012 (See Attachment #1) and Supplemental Appropriations 2012-2013 (See Attachment # 2)
3. Educational Trips – August 23 2012 (See Attachment # 3)
4. Payment of Bills – August 23, 2012
   a) $ 139,856.73 – General Fund (See Attachment # 4)
   b) $ 25,180.55 – School Food Fund (See Attachment # 5)
   c) $ 15,644.03 – School Textbook Fund (See Attachment # 6)
   d) $ 2,540.00 – School Capital Improvement Fund (Attach. # 7)
   e) $ 3,792.60 – General Fund End of Month (See Attachment # 8)
   f) $ 85.55 – School Food End of Month (See Attachment # 9)
   g) $ 37,758.16 – School Textbook Fund Addendum (Attach. # 10)
   h) $ 60,221.47 – General Fund Addendum (See Attachment # 11)
5. Information from the Schools and Division Offices – August 23, 2012

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

The Chairman accepted the agenda as presented as there were no requests for changes or additions.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty shared a thank you note received from the family of Mr. Herbert Garrett, a retired employee, who recently passed away.

Communication Items from Board Members

There were no communication items from Board Members.

RECOGNITIONS

Students and Staff:

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox Middle School FFA - Recipient of the prestigious National Chapter Award - Gold Rating at the State FFA Convention in June, 2012. Only 16 chapters in Virginia are recognized with the gold rating. Through the National Chapter Awards program, FFA Chapters are rated based on activities that fall into the categories of student, chapter, and community development. In addition to being one of the gold rating chapters in Virginia, the Appomattox Middle FFA Chapter was recognized as being the top chapter in the Southside Area for Chapter Development. Each state is allowed to select their top 10% of chapters with the gold rating and these chapters will compete against each other.

Appomattox Middle School FFA Quiz Bowl Team - Placed 3rd in the state for the Team Tournament and Written Test:

Tatum Martin
Jordan Moore
Oralia De La Cruz
Garrett Woody
Elizabeth Duncan, teacher and sponsor

Elizabeth Duncan – Recipient of Teachers Turn the Key Award from the National Association of Agricultural Educators. Only one person in Virginia receives this award each year.

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

ENROLLMENT REPORT

The superintendent provided the enrollment report for the first four days of school for the 2012-2013 school year which indicated a steady increase each day. Dr. Grasty noted the current total of 2,220 included Preschool (6) and Bright Beginnings (47) students who are not counted in our total funded Average Daily Membership (ADM) figure. The budgeted ADM for the 2012-2013 school year is 2,180. (See Attachment # 12)

VSBA and NSBA Activities

The following VSBA activities were discussed:

A VSBA Conference for School Division Legislative Staff will be held in the VSBA Office in Charlottesville on Thursday, September 20, 2012. The fee is $50.00 per person and the deadline for registration is September 10, 2012.

A VSBA Hot Topic Conference on Autism Spectrum Disorders will be held in Charlottesville on September 24, 2012. The deadline for registration is September 4, 2012 and the cost is $130.00 per person. Beth Haught is registered to attend.

The VSBA Annual Convention will be held in Williamsburg, November 14 - 16, 2012. The registration fee is $250.00 per person and the deadline for registration is October 12, 2012. Mr. Waddell and Dr. Grasty are registered to attend. Mr. Waddell will be serving as our voting delegate representing the Board at the VSBA Delegate Assembly and Regional Meeting. Mr. Torrence will be serving as our alternate in the event Mr. Waddell is unable to attend the meeting.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following:

1. Update on APS PPEA Project – The hard work of many people, during the past 18 months, resulted in the dedication and ribbon cutting ceremony for the newly renovated primary school on August 15, 2012. The project came in at approximately $100.00 per square foot and on schedule for the opening day of

school on August 20, 2012. A meeting will be conducted the first week in September to review the financial report on the project. Should unused funds remain, the following items will be considered: additional section of sidewalk, loading dock ramp, and new curtains for the stage. Work will continue in the building for several more weeks as the final punch list items are completed. (See Attachments # 13 and # 14)

2. Update on ACHS Structural Renovations (Gym and Auditorium) – Exterior work has begun on the auditorium roof. Work will begin on the gym roof the first part of September which will create the need to close the gym for the month of September. Work will then begin on the auditorium interior ceiling and walls with the goal of having all work completed by November 1, 2012. The Board will be informed as progress is made concerning the outside doors off of the concourse.

3. Update on Employer Paid Health Insurance Contribution – Due to a calculation error, the employer paid health insurance contribution should be increased from $419.20 to $419.47 monthly, per subscribing employee, for the period October 1, 2012 through September 30, 2013. This slight employer paid adjustment will prevent an increase in employee costs. The Board was requested to consider this as an action item.

4. Update on ACHS Facility Master Plan – This project has intentionally been delayed as we have been working on the gym and auditorium structural improvements at the high school. A planning meeting will be held in the near future with the objective of developing the High School Facility Master Plan by the end of first semester in January, 2013.

5. Capital Improvement Planning Meeting with County Personnel – This meeting was initially planned for August 13, 2012 but was not held due to schedule conflicts. We anticipate receiving a new meeting date from the county in the near future.

6. Update on Retirement Program for Eligible Part-Time Employees – As stated at the July 26, 2012 Board Meeting, due to recent Internal Revenue Service changes, we are no longer allowed to purchase savings bonds from our local bank for our part-time employees retirement program. Admin Partners has recommended a 403(b) plan be established as the retirement program for this employee group. The Board was requested to take action on this item later during the meeting.

SOL Score Report Regarding Accreditation and AMOs Update

Mrs. Annette Bennett, Director of Curriculum and Instruction, provided a summary of SOL scores for 2011-2012. She reported scores improved in every area except Math, which was expected, as this has been the trend across the state. She also reviewed a document from the Virginia Department of Education concerning Annual Measurable Objectives (AMOs) for Raising Achievement in Virginia's Lowest-Performing Schools. (See Attachments # 15 and # 16)

Follow-Up Regarding Dual Enrollment Program and AP Test Costs

Mrs. Bennett provided a follow-up report regarding the cost savings from our Dual Enrollment Program that could be used to pay for Advanced Placement (AP) Tests that are not paid by the state. She pointed out colleges are very interested in students who pass the tests as well as students who attempt to pass the tests. In an effort to encourage students to take AP tests, Mrs. Bennett recommended all students enrolled in AP classes be strongly encouraged to take the College Board AP tests and suggested the school division offer to pay one-half of the $87.00 per test fee. She also suggested students passing the test and receiving a score of 3 or higher would then be reimbursed the portion of the testing fees initially paid. (See Attachment 17) Mr. Smith and Mrs. Martin were in favor of establishing an incentive to assist with the cost of AP tests.

ACPS Annual Report 2011-2012

Mr. Brette Arbogast, Director of Technology and CTE, reviewed the Appomattox County Public Schools Annual Report for 2011-2012 that was presented to Board Members. These reports were provided to parents and are also available to the public in our office, each school office, and posted on our division website. (See Attachment # 18)

Summer School Report 2012

Mrs. Elizabeth Haught, Director of Remedial and Special Education, reviewed the 2012 Summer School Report. (See Attachment # 19)

Agreement Between ACPS and County of Appomattox Through its Department of Parks and Recreation

Board Members were provided a copy of the Agreement between Appomattox County Public Schools and the County of Appomattox, through its Department of Parks and Recreation, which allows the use of trails for practices and meets by the Cross Country Team. (See Attachment # 20)

2012-2013 Teacher and Parent Advisory Committees

The superintendent provided the Teacher Advisory Committee (TAC) and Parent Advisory Committee (PAC) listings for 2012-2013. Committee members were selected by building principals. (See Attachments #21 and # 22)

Discussion of September 27, 2012 Tour of School Facilities

The Board is scheduled to tour school facilities on Thursday, September 27, 2012. Tours usually begin at 10:30 a.m. from the School Board Office, include lunch in one of the school cafeterias, and conclude at 3:00 p.m. to allow the Board time to return to our office to prepare for the 3:30 p.m. Board Meeting.

Board Members were requested to provide input concerning the particular areas or programs they wanted to visit during the tour. The following requests were received:

1. Tour of primary school
2. Eat lunch at the primary school
3. Invite the Board of Supervisors
4. Presentation by the band

Use of School Facilities by Museum of the Confederacy

The Museum of the Confederacy has requested use of the auditorium at Appomattox County High School on September 9, 2012. Board Members were provided a letter requesting a waiver of fees as well as a copy of the Facility Use Application. Dr. Grasty stated a facility use fee would not be charged because the museum is considered a community group. She also indicated museum personnel plan to pay the costs associated with staff time and janitorial services. Rev. Williams requested to see a copy of any correspondence that had been submitted to the Museum of the Confederacy prior to the Board Meeting. Dr. Grasty indicated this would be provided.

Mr. Waddell noted the museum does not charge any of the students from our school division to tour their Appomattox facility and he was not certain if we should charge them for the costs associated with the use of our high school auditorium. Rev. Williams was in agreement with Mr. Waddell. Mr. Waddell indicated this could be added to the agenda as an action item should the Board wish to adjust the cost to the Museum. Following a lengthy discussion, it was determined the remaining charges to the museum covered the actual expenses for school personnel and warranted the required fee payment.

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of New Policy

It was moved by Mrs. Martin and seconded by Mr. Smith to approve the second reading and adoption of Policy GCPD-R – Professional Staff Discipline as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 23)

Consideration of Approval of 2013 ACHS Graduation Location and Date

It was moved by Mr. Smith and seconded by Mr. Torrence to approve conducting graduation for Appomattox County High School on June 3, 2013 at Liberty University's Vines Center at a fee of $4,400.00 and authorizing the superintendent to sign the Liberty University Facilities User Agreement as presented and recommended by the superintendent. Mrs. Martin, Mr. Smith, Mr. Torrence, and Mr. Waddell voted in favor of the motion. Rev. Williams abstained. By majority voice vote, the motion was approved.

Consideration of Approval of Changes to Retirement Program for Eligible Part-Time Employees

It was moved by Mrs. Martin and seconded by Mr. Smith to approve changing the retirement program for eligible part-time employees to a 403(b) program and adopting the Board Resolution concerning the 403(b) Plan Document Amendment as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachments # 24, # 25, and # 26)

Consideration of Approval of 2012-2013 Advisory Committee Members

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the 2012-2013 Advisory Committee Members for Special Education, Title I, and Remedial Education, Gifted Education, School Health and Wellness, and the General Advisory Council for Career and Technical Education as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 27, # 28, # 29, # 30)

Consideration of Approval of Request from Historic Appomattox Railroad Festival Chair

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve the request from the Historic Appomattox Railroad Festival Chair to use the parking lot at Appomattox County High School on Saturday, October 13, 2012 for a

fireworks display, the parking lot and conference room of the School Board Office on Saturday, October 13 and Sunday, October 14, 2012, and Appomattox Elementary School grounds on Saturday, October 13, 2012 as the starting point for the parade as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Request from AYS to Use Concession Stand

It was moved by Mrs. Martin and seconded by Rev. Williams to approve the request from Appomattox Youth Sports (AYS) to use the concession stand at Appomattox County High School during four football games, September 8, September 22, October 6, and October 20, 2012 and require AYS to pick-up trash and clean bathrooms and concessions as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Request for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2012-2013

It was moved by Rev. Williams and seconded by Mrs. Martin to approve exemption from compulsory attendance laws for bona fide religious belief for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 31)

Consideration of Approval to Change Employer Paid Health Insurance Contribution

It was moved by Mrs. Martin and seconded by Mr. Smith to approve changing the employer paid health insurance contribution from $419.20 to $419.47 monthly, per subscribing employee, for the period October 1, 2012 through September 30, 2013 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, September 13, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The next Regular Monthly Business Meeting will be held Thursday, September 27, 2012 at 3:30 p.m. at the same location.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically student #52626.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 32)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Rev. Williams to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, September 13, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented.

SUPERINTENDENT'S REPORT

Enrollment Information

Dr. Grasty presented enrollment information for the first fourteen days of school which indicated a steady increase. (See Attachment # 1) As of September 7, 2012, 2251 students were enrolled in our school division. The superintendent stated approximately 70 of these students are not counted in our funded ADM (average daily membership) which places our current funded ADM at 2181 students which compares to our budgeted ADM of 2180.

Review of Tentative Schedule for September Tour of School Facilities

The Board reviewed a tentative schedule for the tour of school facilities that will be conducted September 27, 2012. (See Attachment # 2) It was the consensus of the Board to accept the tour schedule as presented. Dr. Grasty indicated Mr. Sammy Carter, Mr. Jerry Small, and Mrs. Aileen Ferguson plan to join the School Board during the September 27th tour.

ACTION

Consideration of Approval of Request for Admission as Out-of-County Tuition Student for 2012-2013

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the admission of the out-of-county tuition student for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 3)

Consideration of Denial of Requests for Admission as Out-of-County Tuition Students for 2012-2013

It was moved by Rev. Williams and seconded by Mrs. Martin to deny the requests for admission as out-of-county tuition students for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 4)

Consideration of Request for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2012-2013

It was moved by Rev. Williams and seconded by Mr. Smith to approve exemption from compulsory attendance laws for bona fide religious belief for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 5)

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employee # 10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved, and recorded by roll call vote. (See Attachment # 6)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Assignment 2012-2013:

Renee B. Surrency – Food Service PT (4 Hours) – Appomattox Middle School – Effective: October 1, 2012. (Replacing Sandra Jean Mayberry)

6. Information from the Schools and Division Offices – September 27, 2012
7. Approval of Overnight Trip Request (See Attachment # 9)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty was pleased to share the following items of communication:

Appomattox Walmart continues to support our school division:

1. On September 11, 2012, twenty teachers from our primary, elementary, and middle schools were recognized through the Walmart Teacher Reward Program and received $50.00 gift certificates to purchase school supplies for their classroom. The Walmart Teacher Reward Program recognizes the dedication, commitment, and professional work of teachers in educating students in the community. Walmart hosted a reception in the School Administration Building to recognize these teachers, provided refreshments, and presented a fruit basket to each of the twenty teachers.

2. Walmart presented our school division with a check in the amount of $699.84 for the Pack the Bus Campaign. Walmart hosted the bus in their parking lot, as well as donated hot dogs and drinks with part of the proceeds going towards school supplies for our students in need.

3. Walmart presented our school division an additional check in the amount of $1,500.00 for the purchase of band instruments from part of the proceeds of the Pack the Bus Campaign.

The Appomattox County Chamber of Commerce recently presented the superintendent with a check in the amount of $150.00 to be used by our Band as part of our Pack the Bus Campaign.

Cheryl Midkiff, with Piedmont Community Health Plan, was in attendance at the meeting and presented a check in the amount of $2,500.00 for the Appomattox County Education Foundation Scholarship Fund.

Communication Items from Board Members

There were no communication items from Board Members.

RECOGNITIONS

Students, Staff, and Media

Mr. Smith, Vice Chairman, took great pleasure in recognizing the following students, staff, and media for their achievements:

Appomattox County High School FFA:

National Regional Agricultural Mechanics Team:
Will Gaulden
Corey Hodges
Caleb Baker

National Safe Tractor Operator:
Rob Thomas

National Proficiency Awards, Silver Finalists:
Rob Thomas – Diversified Agriculture
Corey Scruggs – Nursery Operations
Blake Stanley – Outdoor Recreation
Tyler Price – Turf Grass Management
Kathryn George – Small Animal Care

Ed McCann - FFA Advisor

Virginia School Boards Association:

2012 VSBA Media Honor Roll:
The Times Virginian Newspaper
Marvin Hamlett, Editor and General Manager
Stephanie James, Staff Writer

VSBA Academy Awards:
Bobby K. Waddell – Award of Distinction and Distinctive Pin
J. Wesley Williams – Certificate of Recognition
Dorinda G. Grasty – Award of Honor and Gold Pin

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

Rev. Rusty Small, Pastor of Liberty Baptist Church in Appomattox, addressed the Board concerning a request from the church to use the auditorium at Appomattox County High School on a long-term basis.

SUPERINTENDENT'S REPORT

Comments Following School Facilities Tour Held Earlier in the Day

Mr. Waddell noted it was a great tour to see the many good things taking place in our schools, especially teachers and students excited about learning.

Mr. Smith enjoyed seeing the utilization of the many technology tools that we have available in our school division.

Rev. Williams stated the day offered great examples of differentiation at work.

Mr. Torrence was particularly interested in the different levels of teaching and varied techniques utilized by our teachers to engage the students.

Mrs. Martin praised the caliber of our exceptional teachers.

Dr. Grasty expressed appreciation to the principals for conducting the tour at each school.

All Appomattox County Public Schools Are Fully Accredited

Dr. Grasty was pleased to announce that all four Appomattox County Public Schools are fully accredited and shared a recent news release from the Virginia Department of Education. She expressed her appreciation to all staff members for making this achievement possible. (See Attachment # 10)

Request for Use of School Facilities

The Board reviewed a letter and Facilities Use Application from Rev. Rusty Small, Pastor of Liberty Baptist Church, concerning the possible rental of the high school auditorium on a long-term basis. It was the consensus of the Board to vote on this request at the October 11, 2012 Interim Meeting.

Membership Report as of August 31, 2012

The superintendent provided the August 31, 2012 Membership Report which indicated the total funded ADM was 2,166 students. This compares with a budgeted ADM of 2,180 for the 2012-2013 school year. (See Attachment # 11)

VSBA and NSBA Activities

The following VSBA activities were discussed:

A VSBA Hot Topic Conference on Autism Spectrum Disorders was held in Charlottesville on September 24, 2012. Mrs. Beth Haught, Director of Remedial and Special Education, attended and will provide a report at the October 25, 2012 Board Meeting.

The VSBA Annual Convention will be held in Williamsburg, November 14 - 16, 2012. The registration fee is $250.00 per person and the deadline for registration is October 12, 2012. Mr. Waddell and Dr. Grasty are registered to attend. Mr. Waddell will be serving as our voting delegate representing the Board at the VSBA Delegate Assembly and Regional Meeting. Mr. Torrence will be serving as our alternate in the event Mr. Waddell is unable to attend the meeting.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following:

1. Update on APS PPEA Project – Mr. Bill Gillespie, Project Manager, stated the final equipment adjustments, touch-up painting, and completion of punch list items are near conclusion. The project came in under $100.00 per square foot which is much less than the Department of Education statewide average. (See Attachments # 12 and # 13) Mr. Gillespie noted this would be his final report to the Board and stated it had been a privilege to serve as Project Manager. The Board expressed their appreciation to Mr. Gillespie for his service to our school division. Mr. Edwards noted it was previously stated the contractor has thirty days to complete punch list items, but our contract states this length of time is actually six months. He also noted there are some mechanical issues that are being addressed.

2. Update on ACHS Structural Renovations (Gym and Auditorium) – The project is on schedule as interior braces are being placed in the gym and auditorium. It is anticipated work will continue through October.

3. Update on Retirement Program for Eligible Part-Time Employees: – Requests for proposals were sent to three vendors with their response due by September 28, 2012. Meetings will be scheduled with the successful vendor(s) in the near future.

4. Update on Capital Improvement Plan – The Board received the packet of information that was submitted to the County Administrator on September 7, 2012 to assist in their development of a countywide master plan. (See Attachment # 14) The following items were included as 2013-2014 budget considerations: a) electrical assessment issues at the high school, b) sanitary waste system and storm water system upgrades at the middle school, c) carpet

replacement and installation of a security system at the elementary school, d) repair/replace sidewalks and resurface two tennis courts at the high school, and e) mechanical system upgrades for the School Administration Building.

5. Update on ACHS Master Plan – Work has begun on the high school master plan as Blair Smith has walked the building and is collecting demographic information. An ACHS Master Plan Committee is being established and will consist of members of the School Board, Central Office Leadership Team, and High School Administrators and Department Heads.

6. Annual School Report – The 2011-2012 Annual School Report has been completed and submitted to the Department of Education. We met our required local effort and local match with the county providing $538,673.00 above the local requirement. The total local contribution for last year was $4,190,208.33.

Profile of SAT Testers at Appomattox County High School

Mrs. Annette Bennett, Director of Curriculum and Instruction, presented the following information to the Board: News Release from the Virginia Department of Education, College Board Summary by District for SAT, SAT Subject Tests, AP, PSAT/NMSQT, and ACT Test Data. (See Attachments # 15, # 16, and # 17) She indicated our goal is to increase the number of students taking SAT, ACT, and AP tests.

Class Size Reports from Each School

Mrs. Bennett provided a review of the class size reports from each of our schools for 2012-2013. (See Attachments # 18, # 19, # 20, and # 21)

Discussion of Financial Contribution for AP Testing

Dr. Grasty indicated Mrs. Bennett provided a follow-up at the August 23, 2012 Board Meeting regarding the cost savings from our Dual Enrollment Program that could be used to pay for Advanced Placement (AP) Tests that are not paid by the state. She pointed out colleges are very interested in students who pass the tests as well as students who attempt to pass the tests. In an effort to encourage students to take AP tests, Mrs. Bennett recommended all students enrolled in AP classes be strongly encouraged to take the College Board AP tests and suggested the school division offer to pay one-half of the $87.00 per test fee. She also suggested students passing the test and receiving a score of 3 or higher would then be reimbursed the portion of the testing fees they initially paid. Dr. Grasty indicated her support of Mrs. Bennett's recommendation and requested

input from the Board. Mrs. Martin stated it would be money well spent. Mr. Waddell noted this topic was included as an action item later in this meeting.

Annual Review of Crisis Management Plans

Mr. Brette Arbogast, Director of Technology and CTE, noted the division Crisis Management Plan and individual school plans have been reviewed and updated. He also stated Mr. Michael Jones, School Psychologist, will be more actively involved in our Crisis Management Plan as he is the first responder in the case of suicide. Mr. Arbogast pointed out the primary concerns of the Crisis Team are to install additional security cameras, provide 911 addressing for each classroom, and provide wireless phones for physical education teachers and coaches while they are outside the school buildings.

Division Technology Update

Mr. Arbogast presented a 2012-2013 Technology Update as he commended his exceptional staff. (See Attachment # 22)

National FFA Convention Funds Request

Mr. Edward McCann, Agriculture Teacher and FFA Sponsor at Appomattox County High School, addressed the Board requesting financial support for Appomattox FFA students to attend the National FFA Convention October 23 – 27, 2012. (See Attachment # 23)

Update on Flu Clinics

The superintendent reported Student Flu Mist Clinics will be held in our schools as follow:

- October 15, 2012 = ACHS and AES
- October 19, 2012 = APS and AMS

A Staff Flu Clinic is tentatively scheduled for October 30, 2012 from 2:00 – 5:00 p.m. at a location to be determined.

Joint Meeting with Appomattox County Board of Supervisors

Dr. Grasty stated a Joint Board Meeting of the Appomattox County School Board and Appomattox County Board of Supervisors will be held Tuesday, October 30, 2012 at 5:00 p.m. in the School Administration Building. She requested input from the Board concerning items they wished to include in the

presentation. Board Members indicated they would email their suggestions to the superintendent.

Swim Team Memorandum of Agreement

The Board was presented with a Memorandum of Agreement between Appomattox County Public Schools and The Friends of the Appomattox Swim Team, Inc. The superintendent stated the document had been reviewed by our School Board Attorney and would be signed in the near future.

ACTION ITEMS

Consideration of Adoption of Resolution for the School Board to Reimburse Itself for the Purchase of Certain Technology Equipment from the Proceeds of Technology Grants

It was moved by Mrs. Martin and seconded by Rev. Williams to adopt the resolution for the School Board to reimburse itself for the purchase of certain technology equipment from the proceeds of technology grants as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachment # 24)

Consideration of Approval of 2012-2013 Safety and Crisis Management Advisory Committee Members

It was moved by Rev. Williams and seconded by Mr. Smith to approve the 2012-2013 Safety and Crisis Management Advisory Committee Members as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 25)

Consideration of Authorization to Submit 2012-2013 Applications for Federal Program Funds

It was moved by Mr. Smith and seconded by Rev. Williams to authorize the 2012-2013 applications for federal program funds for Title I - Part A and Title II - Part A be submitted as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 26 and # 27)

Consideration of Approval of Financial Contribution for AP Testing

It was moved by Mrs. Martin and seconded by Mr. Smith to encourage all students enrolled in Advanced Placement classes to take the College Board AP tests with the School Board paying one-half of the test fee at the time of

registration. The School Board will also reimburse the students their initial one-half payment upon successfully passing the test and receiving a score of 3 or higher. By unanimous voice vote, the motion was approved.

Consideration of National FFA Convention Funds Request

It was moved by Rev. Williams and seconded by Mr. Smith to pay $3,600.00 to the Appomattox County High School FFA toward student expenses to attend the National FFA Convention in October 2012. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

The next Interim Meeting of the Appomattox County School Board will be held Thursday, October 11, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The next Regular Monthly Business Meeting will be held Thursday, October 25, 2012 at 5:00 p.m. at the same location. A Joint Meeting of the Appomattox County School Board and Appomattox County Board of Supervisors will be held Tuesday, October 30, 2012 at 5:00 p.m. in the School Administration Building.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended,

in particular for review of the personnel report and employee #10233.

2. Consultation with legal counsel and briefings by staff members pertaining to actual or probable litigation, where such consultation or briefing in open meeting would adversely affect the negotiating or litigating posture of the school board, specifically relating to the suit filed by Roxanne Haskins on behalf of Cequan Morris, pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950 as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Rev. Williams to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 28)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2012-2013:

Cheryl C. Comeau – Guidance Secretary – Appomattox County High School – Effective: September 28, 2012.

Angela R. Strickland – Bus Aid – Appomattox County Public Schools – Effective: August 20, 2012.

Assignment 2012-2013:

Dwight A. Walker – Bus Driver – Appomattox County Public Schools – Effective: September 4, 2012. (Replacing Florence Robinson)

Change in Assignment 2012-2013:

Mary E. Watson – From: 12 Month Secretary (Salary Grade 15, Step S15) – Appomattox County High School. To: 12 Month Guidance Secretary (Grade 17, Step S15) – Appomattox County High School. Effective: October 3, 2012.

Substitute Teachers 2012-2013:

Richard C. Anderson
Meredith B. Bennett
Carolyn C. Bergdoll
Mary E. Bradley
Phaedra L. Cannon
Stephen L. Castello
Cecelia M. Hudson
Donald D. Jack
Courtney L. Johnson
Lori M. Matthews
Renê M. Scroxton
Megan C. Shifflett
Angela B. Stough

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was recorded.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 28

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

ACHS Begins a Great Year!

Our New ACHS Teachers Begin the 2012-2013 School Year.

ACHS has had another successful beginning.

Our staff and students work hard every day in both academics and after-school events. We should all be very proud of the many accomplishments!!

We welcome our new staff to ACHS this year! We welcome parents to communicate with all our staff if there are any questions or concerns.

Our students are reminded every day by our staff and by the many posters—Be Punctual, Be Prepared, Be Respectful, and Be of Good Character.

There is nothing more inspiring than to see our students achieving and working hard each day, despite some challenges, despite personal attitudes, despite varied opinions—they do well because of their character. They shine and show true Raider Spirit!

We look forward to the rest of the year as our students make us proud each and every day!!

Senior News - Class of 2013

There are currently 134 seniors. **Nineteen** seniors have already been offered admission to a college or university and 38 applications have been processed so far. ACHS is hosting four On-Site Admission meetings for seniors. Longwood University, Lynchburg College, Liberty University and Ferrum College are participating. Students will meet with a representative from the Admissions Office and be advised of a decision on-the-spot! In most cases the colleges will waive their application fee when students participate in this opportunity.

Austin Short is representing Appomattox County High School in the Daughters of the American Revolution (DAR) Good Citizens Scholarship competition. Ashley Cheatham was selected as the Bank of the James - Ronald V. Dolan Citizenship Award recipient for Appomattox County High School. The Financial Aid workshop for seniors and their parents will be held in the high school library on December 6th at 6:00pm. College-bound seniors and their parents are encouraged to attend. The Herff-Jones representative will be here on November 6th to talk with seniors about their graduation orders (cap/gown/announcements) and will return on November 15th and 16th to collect money and place orders.

Selected senior leaders joined Mrs. Eagle and senior sponsors for a working lunch at Pino's on Friday, October 12, 2012. Students shared their ideas and discussed graduation and other senior class information over pizza and pasta. A good time was had by all!

ACHS is Fully Accredited!! Go Raiders!

Campus Construction

Leah Davis, Myka Roach, Jo Davis, and Alex Carney, four Senior Chorus students have elected to take advantage of an opportunity to represent Appomattox County High School in the Lynchburg College Choral Leadership Workshop. The purpose of the workshop is to provide capable singers with musical tools that will prepare them to be strong leaders in choir.

What happens when you tell four Physical Education teachers that they don't have a gym for the first month of school? They adapt!!

The Appomattox High School gym renovation was well underway, but preventing one big headache (from the walls falling in) could create another if we weren't prepared!

The students went outside to enjoy the last of the summer sun for physical education classes for the month of September. If rain did not push us inside, we had other activities ready to go. The health classes had nutrition lessons and a career survey to complete while the driver education classes supplemented with additional classroom time to ensure the students are even more prepared for taking to the roads safely.

We are enjoying our return to the newly reinforced, freshly painted gym!

Spirit Week - Character Day

ACHS Prom and After Prom

NEWS FLASH!

Prom Contracts

In an effort to make our prom an elegant and dignified affair to be enjoyed by all, we have implemented a dress code and contract to outline specific expectations. Contracts are available at this time upon request. Students will receive these in the spring to be signed prior to purchasing tickets. There are specific details for both male and female attire. Please do not hesitate to contact ACHS administration if you have any questions.

WE NEED YOU, PARENTS!

After Prom Committee

The 2013 After Prom Committee is seeking volunteers to help with planning the May 2013 event. Any student, faculty, or parent of students in grades 9-12 are welcome to join the team. The committee will meet to organize this fall. If you have any further questions, please contact the ACHS Main Office to put your name on the list! We appreciate you!!

"There are no secrets to success. It is the result of preparation, hard work, and learning from failure."

Former Secretary of State, Colin Powell

QR Codes – Building Learning Communities Through Technology

You may have seen an interesting square on several of our teachers' doors and on the syllabi that went home with students. A QR Code (short for "Quick Response") is similar to a barcode that contains data that can be read by a phone's camera. Most smartphones can download a QR Code reader application. Once the app is downloaded, the phone's camera acts like a scanner, allowing it to "read" the barcode.

These codes, once scanned by your phone, can provide you with a multitude of information including contact information, supply lists, club information, and links to other information right on your phone. This makes it easier for parents to have your contact information at their fingertips and allows for better communication between parents and teachers.

In order to read a QR code, your phone needs to have a code reader. You can find a long list of readers to download to your phone (iPhone and Android) where ever you get your apps. - By Mrs. Matthews, English/ CTE Teacher

School Calendar Reminders

Nov. 2 and 3 - Picture Make-Up Day
Nov. 19 - 23 - Student Holiday - Thanksgiving Break
Dec. 19 - Jan. 1—Winter Break
Jan. 2 - Students return to school
Jan. 3 - 14 - SOL Testing
Jan. 15 and 16 -1:15 Early Dismissal—Exam Days
Jan. 17 and 18 - Student Holiday - Teacher Workdays
Jan. 21—Holiday—Martin Luther King Day
Jan. 22—Tentative start for second semester
All dates are tentative and may change due to emergency closings.

Haiku Spanish poems

Swipe Attendance Process:

Great job on this process so far! All students, including CVCC students, are expected to Swipe upon entry and exit of CVCC or ACHS each morning and prior to 3:15. We thank you for your diligence!

Dress Code Reminders:

Students need to be dressed appropriately for school each day. Holes, baggy pants, and cleavage are the main concerns. Please read the policy and know what is expected!!!

ACHS Main Office—352-7146

RAIDERS

Solar Homes Heat Up Curriculum

Students in the nuclear science class study a wide variety of topics related to nuclear energy and industrial technologies. One area of study was how different energy sources compare to one another. Students were expected to understand the advantages and disadvantages of each source, how energy is obtained and used from the source, and how it compares to nuclear energy.

While studying solar energy, students worked on a project in which they were asked to build a small model of a home that was heated by passive solar energy. Passive solar heating relies solely on the sun's energy without any circulating fans or pumps aiding the process. As a part of this project, the external air temperature was monitored, as well as the temperature inside students' homes at hour intervals throughout the day, and after an overnight period. Students were successful in designing houses that were able to trap solar energy and keep heat throughout the day, and some even overnight. The students thoroughly enjoyed working on this project as they learned about solar energy and how it compares to nuclear energy. - Ms. Clara Jo Elder, Teacher

To make the world a friendly place, one must show it a friendly face.

James Whitcomb Riley, American Poet

Foreign Exchange Students Attend ACHS

Tobias "Toby" Joshua Jardine is a foreign exchange student from Australia. He will be attending Appomattox County High School until the end of the fall semester. He is enjoying his time in the United States and is learning a lot about America's school system. Tobias really enjoys sports at ACHS. While attending our school he has attended one of our home football games and has also enjoyed a hockey game at Liberty University. Tobias stated sports at his school in Australia are very different. It is part of the school day and you are forced to participate in a sport, even if it is not the one you would have chosen. His favorite sport is Lacrosse. Unfortunately, he is not always able to choose this sport due to team size, etc.

Tobias is looking forward to a visit to Washington D.C. while visiting the United States. Also, since Christmas is in the summer in Australia, Tobias is hoping to have a white Christmas while celebrating in America!

Erna Pinja Maria Kalpala is a 17 year old young woman from Helsinki, Finland who is attending Appomattox County High School until the end of the first semester. She lives with her host family in Gladstone, Virginia. Erna studied the English language for many years, but she laughs when she talks about the "slang words" which she has to frequently look up definitions for. She says that in Finland all schools are free of charge, from the primary school through the university, but there are no sports teams in the schools. If a student wants to play sports they must join an outside group. Schools in Finland focus on academics. When asked what she misses about school in Finland, Erna explains that all school lunches are free and the food is home-made, not processed fast food, much healthier and mostly fish. Erna explains that she is not receiving school credit for her experience here in the USA. She will return to school in Finland and pick up where she left off. Having a dress code at the school has been bittersweet for Erna. There is no dress code in school in Finland. Erna explains that students dress to follow the fashion, so most of her clothes that she brought from home did not meet code and she had to purchase a new wardrobe.

Thank you Ms. Whorley and Mrs. Allen for writing this and submitting the picture!

French Club Travels to Paris -Summer 2012

The Appomattox County French Club took their second trip to Paris, France in June 2012. This trip lasted for 8 days. Eight students and two chaperones came along, and were accompanied by students of French from several other schools across America. The trip began with an 8 hour plane ride, via British Airways, and a layover in London, England. Our itinerary was packed full of exciting events such as an ascent up the famous Eiffel Tower, wandering the Louvre Museum as well as the Musée d'Orsay, a visit to a Parisian perfume factory where the students purchased some authentic items, and visiting the Notre Dame Cathedral. Some educational excursions included visiting the former home of Ernest and Hadley Hemmingway near the Rue Mouffetard, and visiting the Castle of Versailles, the home of Louis the XVI and Marie Antoinette prior to the French Revolution. The students very much enjoyed exploring the different neighborhoods of the City of Light, and practicing their French in the various cafés and shops that we visited. At the end of the week, the students came back with bags full of souvenirs for their friends and family, and a lifetime of memories from the beautiful city of Paris that they will keep with them forever. - Ms. Pulfer, French

Greek Play, "Seven Against Thebes" at Randolph College

On Wednesday, October 5th, first semester Theatre students attended the Greek play, *Seven Against Thebes,* at Randolph College. The performance took place on the campus at the Mabel K. Whiteside Greek Theatre, also known as "The Dell". This outdoor space closely reproduces the conditions of the Theater of Dionysus on the south slope of the Acropolis where productions of ancient Greek plays originally took place, allowing students to experience this historical time in theatre history as the Greeks once did. Professor Amy Cohen, the production's director, included a brief workshop to discuss Greek theatre, Greek masks, and *Seven Against Thebes.* She also conducted a Question and Answer Session with students immediately following the performance.

In preparation for attending the performance, ACHS students studied Greek theatre history including the ancient stage, festivals, playwrights, masks, and costumes. Students also did independent research to present projects of their choosing related to these topics, as well as Greek history or geography. One student, Dustin Burge, notably designed and created his own Greek mask made of paper mache.

Students also read and discussed the play prior to attending the production, allowing them to examine differences between the written play and Randolph College's production. After the performance, students were given a personal tour of the indoor theatre facility by Randolph College's Theatre Department Chair, Mr. Mace Archer. The tour allowed students to see and make connections with some of the equipment and technology lacking in their own theatre space such as electronically controlled lighting systems and weighted fly rails. They further toured prop rooms, set construction shops, costume shops, and even got to see a Randolph College stage crew in action as they prepared set pieces for their next production.

The students returned to ACHS at the end of the day with much to say about their experience. Many students were also excited about the newly discovered opportunity to participate in Randolph College's "No Shame" nights – an "open mic" of sorts allowing students and community members alike to present performances of their own, original scripts. Some students also expressed an interest in future attendance at Randolph College with thoughts of pursuing heavy involvement in the theatre department. - Ms. Brenda Barringer, Chorus and Drama Teacher

CAFETERIA NEWS

"Some of you have heard about the changes taking place with regard to school meals. While it is true that the National School Lunch Program (NSLP) has undergone a make-over of sorts, what does that really mean for our menus? We still serve chicken nuggets, pizza and burgers! Perhaps the most notable change is the school roll. We are experimenting with a new recipe that qualifies under the new guidelines of grain ounces served per week and being whole grain rich, so both the size and recipe have changed. Another notable change is the requirement that a student must have a fruit or veggie on their tray to qualify for the meal price, which is a good thing! We all know most kids need to eat more fruits and veggies! Other than those changes, the majority of the menu offerings are the same as before the NSLP reauthorization. We are able to keep them that way because we are mindful of what we pair together to work into the average weekly limits….that and we were already pretty awesome to begin with! So come and enjoy your lunch!!" - Ms. Niki Kempton, Food Service Coordinator

FFA Does Well at 5-County Fair

Several Appomattox FFA members recently exhibited sheep and goats at the 5-County Fair in Farmville. All of the students spent months raising their animals, feeding, grooming and training them for the show. Most students raised their animals on the Appomattox FFA Alumni Land Laboratory. All exhibitors showed their animals twice; in a showmanship division and either a market or breeding class. The show was judged by Campbell County Extension Agent, Todd Scott.

The JLine Dance Crew

Comes to Appomattox

AMS welcomed the JLine Dance Crew from New York City to Appomattox on September 19th. Their high energy, song, and dance show had the students on their feet, clapping, dancing, and singing. Along with their vibrant show, JLine brought with them messages of anti-bullying, staying focused on your dreams, and being yourself. It was an amazing show with a powerful message.

AMS Afternoon Pick-up Procedures

Parents, in addition to our regular after-school pick-up procedures, we are making some small changes that should help to speed things up and keep students safe in the process. Thank you for your help:

- Car-riders will be dismissed at 3:05.
- Students are encouraged to go immediately to the pick-up circle in the back and wait until their ride is available in the pick-up area.
- All pick-ups are to take place in the pick-up circle in the back of the school. Please do not use the front parking lot for pick-up; it will be coned off.
- Students being picked up will assemble in the grass area next to the pick-up circle.
- Students will be allowed to enter their pick-up car only after it has entered the circle- that is typically the four cars in the row.
- Please pull as far forward as you can, stopping at the white line. The area beyond that line needs to be kept open so other cars can turn and leave.

AMS Dismissal Times

At 3:00, the 6TH graders return to their homeroom class. Walkers and car riders leave on the 3:05 bell.

"A" **bell rings at 3:07**

"B" **bell rings at 3:11**

"C" **bell rings at 3:21**

"D" **bell rings at 3:26**

Congratulations!

Congratulations to

Mr. Michael Sullivan *who has been awarded the AMS Employee of the Month.*

Mr. Sullivan has been awarded all the rights there unto appertaining which include and are limited to a parking place far, far away from where he normally parks.

Employee of The Month

Please note that the tentative date for the employee flu clinic will be October 30 from 2:00-5:00 at a location in the division to be announced.

School Board Meetings

Thursday	*October 11 @ 5:00 p.m.*	*Interim Meeting*
Thursday	*October 25 @ 5:00 p.m.*	*Regular monthly business meeting*
Tuesday	*October 30 @ 5:00 p.m.*	*Joint Meeting with Board of Supervisors*

October 2012

Appomattox Middle School
Mr. Todd Reichert, Principal

Middle Years

Working Together for School Success

Short Stops

Map it out

GPS can give your tween the impression that people don't need to know their way around. But a good sense of direction can help her use maps and globes for geography assignments—and it will come in handy in real life when GPS is unavailable or inaccurate. The next time you go somewhere new, give her a map, and have her help you navigate.

Autumn picnics

Take advantage of a sunny fall day by having a family picnic. You might tell your child he can invite a friend, and put him in charge of finding a nice picnic spot. Pack autumn-themed foods such as turkey sandwiches and apples. Also, tuck in a Frisbee or a volleyball so everyone gets some fun exercise.

A hard habit to break

If your child thinks cigarettes are cool, she might be surprised to hear that most smokers would rather be nonsmokers. In fact, more than half of American smokers tried to quit last year. Consider having a former smoker tell her how hard it is to stop. That person can also talk about negative consequences like having bad breath or spending money on cigarettes.

Worth quoting

"Of all the things you wear, your expression is the most important."
Janet Lane

Just for fun

Q: What's a sure way to get into the circus?

A: Buy a ticket.

Getting the most from study time

How can your child improve his odds of remembering what he studies? One way is by learning strategies that will store information in his long-term memory. Share these "brain friendly" study methods with your middle grader.

Remember feelings

Paying attention to how information makes him feel can help him remember it. If he's studying the Middle Ages, for example, he can ask himself what surprises him or what he finds sad. He might add words or emoticons ("smileys") to his notes. He could draw sad faces beside facts about war and famine or happy faces where his notes mention achievements in technology.

Get moving

Making up a hand motion to go with a fact or definition can help your youngster recall it. Say he needs to know the difference between *potential* (stored) energy and *kinetic* (moving) energy. Each time he sees the words in his textbook or notes, he might hold one hand as if he's about to throw a ball (for potential energy) or make a throwing motion (for kinetic energy).

Make connections

Seeing how learning relates to the real world can help your child process information and retain it. Suggest that he look for news articles on topics that he's studying. If he has a math quiz on ratios coming up, he might find an article about farmers using proportions to plant fields. Then, he could draw a diagram of a field to help him visualize a ratio problem. Or if he's studying for an art test, he can browse magazines for images that remind him of different styles (impressionism, cubism).

Responsible for myself

Giving your middle grader new responsibilities can boost her self-esteem and teach her to take care of herself. Try these ideas:

- Let her make appointments. She might call to schedule dental checkups, haircuts, or sports physicals. *Tip:* Show her your calendar so she'll know which days you can take her.
- Add to her chores. Before she takes on a new task, walk her through it. You might show her how to clean the bathroom, including which supplies to use for the shower, sink, and mirror.
- Have her keep track of personal items. If she's running low on toothpaste and soap, she can add them to the grocery list.

© 2012 Resources for Educators, a division of CCH Incorporated

Parent participation

You want to support your child's middle school, but she's worried you'll embarrass her by showing up there. Try not to let her hesitation stop you from getting involved. Consider the following suggestions.

Adapt. Learn about volunteer opportunities outside your tween's classrooms by asking in the school office and checking with activity advisors. You might work a shift in the school store, provide snacks for an athletic team, or staff a PTO recycling event.

Assemble. Seeing other parents at school might make your child feel better about having you there. Contact friends or neighbors who volunteered in elementary school to see if they want to help out, too. Or post an announcement on Facebook or start a Twitter feed encouraging other parents to volunteer.

Attend. Put evening events like band concerts and soccer games on your calendar, and tell your tween that you plan to go. Let her know that she can still sit with her friends, but you just want to be there. Even if she rides with a friend's family, the fact that you're there will show her that she—and her school—are important to you.

Activity Corner

Foreign-language fun

If your middle grader is taking a foreign language, he can practice vocabulary by playing games he's used to playing in English. Here are two.

1. I Spy. Your child and a friend take turns secretly choosing an item in the room and describing it in the language they're studying. For example, if they're learning Spanish, your youngster could say, "Veo algo de plata" ("I spy something silver"). His friend gets three chances to guess the object. He might ask, "Es la tostadora?" ("Is it the toaster?") The winner is the person who guesses the most items correctly.

2. Charades. Divide into two teams of at least two players each. Each team writes 10 words or phrases in the foreign language (such as "tondre la pelouse," which is "mowing the lawn" in French) on separate slips of paper and puts them in a hat for the other team to draw from. Teams take turns having one member pick a slip and act it out. His teammates have two minutes to guess what he is doing.

Parent to Parent

On the move

When my daughter Roya was younger, she'd spend hours playing outside with her friends. Now that she's older, she and her friends would rather experiment with makeup or watch YouTube videos. At her annual checkup, I asked the pediatrician how much exercise she needs.

The doctor said children—and adults—should be active at least an hour a day. He suggested that when Roya has a friend over, I encourage them to play a backyard game like badminton or Frisbee before they get out the makeup or turn on the computer. And he recommended that we take regular family walks or bike rides.

Roya must have been paying attention to the doctor, because she recently invited a friend to go Rollerblading. Afterward, they watched skating videos online. And this Sunday after dinner, we're going to ride our bikes around the neighborhood. I'm looking forward to being more active, too!

Q & A

Attending every class

Q *When I was driving carpool the other day, I overheard my son mention that one of his friends skips classes. How can I make sure my child doesn't try this?*

A Your son knows that skipping class is against the rules—but he might not have considered other reasons why it's a bad idea. Explain that his friend gets zeroes for work he misses. And homework assignments probably take twice as long when his friend doesn't hear the lessons that they're based on. Skipping class also means missing class discussions, science experiments, and group project work.

Set clear guidelines about when your son is allowed to stay home or leave school early, such as for illness, a family emergency, or a doctor's appointment that couldn't be made for any other time. Let him know that, beyond that, you expect him to be in school all day, every day. Then, explain the consequences for skipping, like being grounded after school or on weekends or losing his phone or computer privileges.

OUR PURPOSE

To provide busy parents with practical ideas that promote school success, parent involvement, and more effective parenting.

Kroger Plus Card for Education

Bar Code Registration Sheet

School Name Appomattox Middle

Parents & Friends,

We are participating in the Kroger Plus Card for Education School Program. This program will provide much needed educational awards for our school at no cost.

Please take this notice to a local Kroger store and ask the cashier to scan the bar code along with your Kroger Plus Card. You only have to scan this bar code one time and you are registered to support our school. Once you have scanned our bar code, please pass this notice along to friends, neighbors and co-workers so they can also help us earn FREE educational awards.

Thereafter, scan your Kroger Plus Card every time you shop at Kroger between September 10, 2012 and March 29, 2013 and our school will electronically earn credit toward FREE educational awards.

Thank you for your support

Your Kroger Plus Card for Education Program Coordinator

PLEASE CUT THIS SHEET INTO FOUR ALONG THE DOTTED LINES AND DISTRIBUTE TO RELATIVES, FRIENDS, NEIGHBORS AND CO-WORKERS.

Take this slip to Kroger and have the cashier scan the bar code, along with your Kroger Plus Card to help our school.

Guidance News

Test Stress: A Fact of Life

Is it true or false? Is A the right answer, or C? How do I solve this problem? What do I write for this essay? Argh, I'm running out of time! If I fail this test, my parents are going to freak out!

TESTS! They can be totally stressful!

Did you know that students in the U.S. take more tests than ever before? It seems like no matter what grade or school you're in, you're always taking tests. And if you get anxious or nervous before and during a test, you're not alone! In fact, even students who do great in schoolwork can have trouble in the exam department. Fortunately, test-taking can be a lot easier -- if you pick up some useful habits and skills.

Kitty, 11, told us: "When I have a test, and I know it, I get pretty stressed sometimes. The best thing to do is listen to your teachers-If you have time, study with a parent. Parents can help you with so much."

Alyssa, 12: "When I get stressed during a test, I stop and take a couple of deep breaths. It usually helps."

Lili, 10, admitted that, "I get nervous only on ISTEP testing-How I deal with it is that I tell myself that I can do it, and I Study. When you're stuck, skip it, and come back, or guess."

Mr. James (6th and 7th grade counselor) and Mrs. Cooter (8th and 9th grade counselor) hope that these suggestions will help you feel less stress when it comes to test time. Should you have questions or concerns, feel free to contact us at 434-352-2135.

The 2013 Prudential Spirit of Community Award

The 2013 Prudential Spirit of Community Award is open to middle and high school youth volunteers. Honorees are eligible for a $1,000.00 award and an all-expense paid trip to Washington, D.C. where the top ten youth volunteers of America will be named. Those 10 will be awarded $5,000.00. If you want to apply, or know of someone who is eligible, visit http://spirit.prudential.com or www.nassp.org/spirit. You can also call 1-877-525-8491.

The Importance of Good Character

Mr. James and Mrs. Cooter would like to remind all students of the importance of good character. Take a look at the six pillars of character outlined below. We encourage you to make them a part of each school day. And remember, always treat a person the way you would want him or her to treat you!

Trustworthiness

Be honest • Don't deceive, cheat, or steal • Be reliable — do what you say you'll do • Have the courage to do the right thing • Build a good reputation • Be loyal — stand by your family, friends, and country

Respect

Treat others with respect; follow the Golden Rule • Be tolerant and accepting of differences • Use good manners, not bad language • Be considerate of the feelings of others • Don't threaten, hit, or hurt anyone • Deal peacefully with anger, insults, and disagreements

Responsibility

Do what you are supposed to do • Plan ahead • Persevere: keep on trying! • Always do your best • Use self-control • Be self-disciplined • Think before you act — consider the consequences • Be accountable for your words, actions, and attitudes • Set a good example for others

Fairness

Play by the rules • Take turns and share • Be open-minded; listen to others • Don't take advantage of others • Don't blame others carelessly • Treat all people fairly

Caring

Be kind • Be compassionate and show you care • Express gratitude • Forgive others • Help people in need

Citizenship

Do your share to make your school and community better • Cooperate • Get involved in community affairs • Stay informed; vote • Be a good neighbor • Obey laws and rules • Respect authority • Protect the environment • Volunteer

AMS October & November Calendar

October 4th—(Thursday) Picture Day

Lifetouch National School Studios will be here on October 4th to take student pictures. Please be on the lookout for additional information, which will be sent home with your child approximately one week prior to picture day. In the event that your child is not available for pictures on October 4th, a make-up day has been scheduled for November 8th.

October 16 (Tuesday)	PTO Open House @ 7:00 p.m. in the gym @ AMS
October 23— (Tuesday)	Teacher & Team Planning
November 19 & 20— (Monday & Tuesday)	Professional Development—Data driven Planning (No students)
November 21-23— (Monday—Wednesday)	Thanksgiving Holiday

More Guidance News ...

From the 6th and 7th grade Guidance Counselors

During the month of August, Mr. James conducted introductory sessions with all 6th and 7th grade homerooms. During the sessions, Mr. James discussed items that would assist students starting the year off right. During the meeting with each homeroom, Mr. James discussed time management, organization, good study habits, SOL testing, and the three R's for a successful school year (Respect, Responsibility, and doing the Right thing).

Bullying and the importance of all students working together to prevent bullying were stressed. School is a place to learn and it is important for everyone to assist in making AMS a safe and fun learning environment.

Six Time Management Tips

1. Use and follow an agenda.
2. Write down everything you need to do for each class in your planner and be sure to take home what you need to complete each assignment.
3. Complete the most important homework assignments first.
4. Get organized! Have your notes, books, pencils, work sheets and assignments available when you start doing your homework.
5. Plan for unexpected interruptions. If you participate in sports or other activities, adjust your time to complete homework assignments when you get home.
6. Don't wait until the last minute! Study for a test a few days ahead, and always turn assignments in on time.

Daylight Savings Time

Don't forget on November 4th @ 2:00 a.m.
to set your clocks
back 1 hour.

"Spring forward, fall backward."

Coffee w/ the Principals forum
Friday, November 9th @ 9:00 a.m.
in the AMS library

"We are what we repeatedly do. Excellence, therefore, is not an act but a habit."

Aristotle

Extension Office News

Appomattox County 4-H will again be offering numerous after-school and specialty clubs as well as events during the year, for youth to participate in. Listed below are the programs in place, there will also be announcements of possible new clubs forming, as well as other upcoming events.

Interstate Exchange 4-H Club – This club is for members 13-18 years of age. It is an in-depth learning experience in which 4-H members, leaders and/or staff have a reciprocal host family experience with a 4-H program from another state. Club leader is Donna Tolley, call the Extension Office at (434) 352- 8244.

Appomattox 4-H Shooting Education Club – This club meets on various days including Thursday evenings and Sunday afternoons. Members learn safe firearm handling, and proper shooting techniques. Disciplines include: BB, air rifle, air pistol, archery, muzzleloader, .22, and shotgun. Club leader Robert Tillotson (434) 352-2889.

Fun With Foods – This after-school program is for those who enjoy cooking, and would like to learn some new skills. Open to ages 9-13, meetings will be held on the 2nd Thursday of the month, from 3:30-5:00pm. The classes will end in May. The cost for this program is ($5/class), to cover food and cooking item expenses. **The first meeting is September 13th at the Extension Office**, **please call to register, space is limited to 12 youth**.

Junior Master Gardener 4-H Club – This afterschool club will help youth learn about: annuals and perennials; how to prepare a site for planting; weed identification; soils; plant needs; how nutrients and competition affect plant growth; a plant's transport system; plants that attract butterflies and hummingbirds; vegetable gardening: and projects to take home. There will be numerous hands-on activities. . Open to ages 9-13, meetings will be held on the 4th Thursday of the month, from 3:30-5:00 p.m. **The first meeting is September 27th at the Extension Office**, **please call to register.**

4-H is an informal, practical, learn-by-doing, fun and educational program for boys and girls, ages 8 through 18, from all racial, cultural, social, and economic backgrounds. Membership is open to all youth in this age range without regard to race, color, creed, national origin, gender, or religious affiliation. The mission of 4-H is to assist youth and adults working with those youth to gain additional knowledge, life skills, and attitudes that will further their development as self-directing, contributing and productive members of society.

To sign up for a program or for information on these and any other programs please call the Extension Office at (434) 352-8244, or e-mail Bonnie Tillotson at btillots@vt.edu .

"If you do not hope, you will not find what is beyond your hopes."

"Celebrate the Decades of Success at AES"

2012 Virginia School Board Association "Showcase for Success", After School Clubs
2011 Virginia Tech Excellence in Education Award
2011 Virginia Competence to Excellence Award
2010, 2009 Virginia Board of Educational Excellence Award
2010, 2009 Virginia Distinguished Title 1 School Award
2008 Governor's Award for Educational Excellence
AYP Certified School
Fully Accredited School

From the Principal

We celebrate a multitude of adventures at AES during the month of October! The growth of our students as we complete our first nine weeks, the start of our After-school Academy, a Fitness Challenge, Grandparents' Week, and the tenth birthday of our history here in this building at 176 Kids Place put names to just a few on which we will embark. October 10th, the day of our official celebration, will find us all in celebration of the "Happy Days" we have spent here over the last ten years. We hope parents can drop by and join the lunchtime events.

Benchmark assessments for the first nine weeks will help direct the continued direction of learning. This month finds us in preparation for a night on November 1st when parents can visit our school to share and learn strategies for helping their students at home with reading and math. Our Longwood Partners, who have been working in our classrooms, will be very involved in leading these workshops. We invite you to set this date on your calendar, and to also make contact with your child's teacher to discuss progress made so far.
The best adventure of all is the blessing of working with our students! Thank you, parents, for all you do to support their learning.

VISITORS' PASSES

Parents or other individuals who are in the building for conferences or other school business are expected to report to the office to obtain a pass.

CELEBRATE SCHOOL SAFETY AT AES!

Dear Parents,

Our main office hours are 8:00 a.m.-4:00 p.m. Our school building is not open before 8:00 a.m. or after 4:00 p.m. Teachers may leave at 3:30 unless involved in meetings. All contacts should be made between 8:00 a.m. and 4:00 p.m.

Thank you. Tom E. Yarber, Assistant Principal

GRANDPARENT'S WEEK AT AES

Please come by and eat lunch with your grandchild. Below is the homeroom teacher's schedule and location. Come by the office/lobby and check in and we will show you where to go. October 8-12.

Time	Commons A	Commons B
11:00-11:30	WELLS	HIX
11:05-11:35	HOGAN	JAMERSON
11:10-11:40	BARRICKS	HARRIS
11:15-11:45	NOLEN	KNAUS
11:20-11:50	CARSON	McCANN
11:25-11:55	DRISKILL	WILLIAMS

12:30-1:00	GILLAM	DUNEVANT

BUS NOTES

Written permission is necessary regarding bus changes, walker's bell or pick-ups. We cannot take changes over the phone. Information that needs to be on notes are: the student's full name, the teacher's name, the desired bus number, the full name of the person's house where your child will be getting off the bus, and the 911 address. Also, include your phone number in case the school or bus driver has any questions regarding your arrangements.

Please be sure your child knows what to do in case school closes early due to inclement weather, early dismissal or other circumstances.

PHONE NUMBERS

If you would like a time reserved or a time to meet with the principal, teacher, guidance counselor or nurse, you are encouraged to call for an appointment.

Karen Cyrus, Principal – 352-7463
Tom Yarber, Assistant Principal – 352-7463
Carolyn Lawson, Guidance Counselor – 352-0531
Nurse – 352-5411

Physical Education News

During P.E. resource classes, students are encouraged to do something active for at least 20-30 minutes every day outside of school. Each week we try to name some of the activities we participate in outside of school that keep us active. They include anything from going on walks, participating in sports practices & games to running laps around their house.

AES will be participating in a program called "GET ACTIVE, GET FIT School Challenge" sponsored by Anthem BlueCross/BlueShield. From October 1 through November 24, students are encouraged to "get active and get fit" for at least 20 minutes every day. "Getting active and getting fit" means doing anything that's active – whether at home or at school – like playing soccer, dancing, walking the dog, jumping rope... THE POSSIBILITIES FOR FUN ACTIVITIES ARE ENDLESS! Students will keep track of their daily activity by filling in a tracking chart that will be provided by his/her teacher.

By participating in this free program our school will have the chance to win some awesome prizes! Upon completion, all schools that have turned in their results will be entered in a drawing to win 1 of 5 Gym and Outdoor Deluxe Activity Kits valued at $500. The schools with the highest percentage of participation will receive a live Radio Disney Dance Party hosted by a Radio Disney deejay at their school!

So remember: "GET ACTIVE! GET FIT!"

-Mrs. Walton

MUSIC NOTES:

Noteworthy Items in Music Resource:

Welcome back students! This year our theme is "Celebrate the Decades of Success". I look forward to celebrating musical success this year with 3rd, 4th, and 5th grade students!

Please check the AES Music Website often for music classroom news, blogging
opportunities, photos/documents, class schedules, and important announcements.

http://teacherweb.com/VA/AppomattoxElementarySchool/GeneralMusic/h0.aspx

Parents - Please note on your calendar the following PTO dates:

- November 6, 2012 @ 7PM – 4th and 5th grade
- December 18, 2012: Holiday Sing a long - Time TBA
- March 5, 2013 @ 7PM - 3rd grade, 4th and 5th grade

4th and 5th grade students will receive a PTO permission slip during the first full week of October.

5th grade will begin a recorder unit during the first grading period. The cost for recorders will be $2.50. A letter will be sent home outlining the details of this unit.

1st nine weeks Unit of Study:

- 3rd grade – Music around the world
- 4th grade – Musical expression (i.e. dynamics, tempo, tonality, timbre)
- 5th grade – Patriotic Music

-Mrs. Bromley

COMPASS MATH LAB

AES students are eagerly diving into a variety of math activities. 3rd graders are reading and making bar graphs, pictographs, and line plots. They are also talking about probability and practicing basic addition and subtraction facts. 4th graders are identifying place value of numbers through the millions and also rounding numbers. We will now be adding and subtracting with regrouping and borrowing. 5th graders have been identifying place value of decimals and then rounding decimals. We are now adding and subtracting decimals, as well as whole numbers.

Please practice all math facts with your children. 3rd graders need to practice addition and subtraction facts, 4th graders need to practice addition, subtraction, and multiplication facts, and 5th graders need to practice all facts! Many thanks to all parents, grandparents, siblings, friends, and neighbors who practice with our students at AES! You are helping us prepare for future decades of learning!

-Mrs. Lewis

3RD GRADE NEWS

Third grade "Celebrates" learning:

It's hard to believe that October is already here! Teachers and students in third grade continue to "Celebrate" your child's education! The month of September was so busy! The Language Arts teachers kept your child busy by assessing his/her reading and spelling levels, while learning new Reading, Writing and Word Study skills.

The Math and Science/Social Studies classes kept busy by learning new graphing/probability concepts, as well as Life Processes and Living Systems concepts.

Thank you for encouraging your child to always try his/her best each day! **Thank you** for sending us third graders who are well rested, focused on their lessons, prepared with necessary supplies, show responsibility and are ready to learn! The cooperating team of parents, students and teachers are what we need in order to "Celebrate Decades of Learning"! **Thanks for all that you do to "Celebrate" your child's success in third grade!**

4th GRADE NEWS

Fourth grade is very excited about their upcoming trip to Jamestown! On October 19, the students will be venturing 3 hours away from Appomattox to learn about the first permanent English settlement in the New World! We will visit the English village and the Indian village. A trip to Yorktown, VA is also on the agenda for that day! This should be a fantastic day full of hands-on learning!

5th GRADE NEWS

How is fifth grade so far?

I love school this year. My favorite subject is spelling and science. I like spelling because it is fun and pretty easy for me. Science is fun because making projects is exciting.

I am studying many interesting things. I am reading Earthquake Terror," and we are summarizing each chapter after we read it.
–Rebecca Doorman

I like school this year. My favorite subject is math and science. I like math because I like to multiply numbers together. The reason I like science is because I am fascinated with volcanoes.

We are studying some pretty cool things in school. In spelling, reading and writing class, we are reading the book called "Earthquake Terror." In math and science we are learning about multiplying with decimals.
-Tonyia McCoy

Elementary Homework Tips

Here are some steps you can take to encourage your elementary-age child to take responsibility for his own homework assignments.

Remove distractions - Do homework in a quiet place that does not have distractions. Turn off the TV; don't expect your child to do homework in a room where siblings are playing.

Establish a routine - Set a specific "homework time" such as right after supper. Require that homework be complete before your child can watch TV, use the phone, etc.

Prioritize - Encourage your child to work first on those assignments that are due tomorrow. Then tackle the tasks that are due later.

Check understanding - Be sure your child understands new assignments before he or she starts working on them. This one can save lots of late-evening tears!

Get organized for tomorrow - Remind your child to pack the backpack before going to bed. Even the best homework effort doesn't do much good if it's left on the kitchen table!

MEDICATIONS AND SCHOOL

Prescription medication should always be given at home when possible. If it is necessary that a student must take a prescription medication at school, we must have a written physicians order and written permission from the student's parent or guardian. Such medicine must be in the original container and delivered to the school nurse, principal or school designee by the parent or guardian. The student **MAY NOT** transport **ANY** medication to school.

Nonprescription medications may be given at school only if there is written permission from the parent or guardian. Such permission shall include the name of the medication, the required dosage of the medication, and the time the medicine is to be given. Such medicine must be in the original container and delivered to the school nurse, principal or school designee by the parent or guardian. The student **MAY NOT** transport **ANY** medication to school. Please be aware that this includes cough and throat drops. The school does provide cough drops to students who need them.

This is in accordance with school policy JHCD, "Administering medicines to students".

Safety Tips for Trick-or Treaters:

Halloween is a memorable time in the life of a child. Costumes, parties, and candy make this much celebrated holiday a happy one for most children.

Unfortunately, times have changed and children are often not safe walking alone in the dark. Here are some tips your child should keep in mind when trick-or-treating. (Adapted from The Children's Safety Zone at sosnet.com:)

- Carry a flashlight.
- Walk, don't run.
- Stay on the sidewalk if possible. If there isn't a side walk, walk on the left side of the road facing traffic.
- Obey traffic signals.
- Stay in familiar neighborhoods.
- Don't cut across yards or driveways.
- Wear a watch that can be read in the dark.
- Make sure costumes don't drag on the ground.
- Wear shoes that fit (even if they don't go with your costume).
- Avoid wearing masks while walking from house to house.
- Carry only flexible knives, swords, or other props.
- Wear clothing with reflective makings or tape.
- Approach only houses that are lit.

Stay away from and don't pet animals you don't know.

MEMORIZE THE PRESIDENTS CONTEST

All students at Appomattox Elementary School are encouraged to memorize the 44 Presidents of the United States. Students who accomplish this feat will be pictured on our "Wall of Fame" and receive a certificate along with other forms of recognition, including their name and picture in the local newspaper. When we held this contest in 2008, we had twenty-seven students and one teacher, Mrs. Lankford, who successfully accomplished this! Let's try to surpass that number!

Students need to memorize all presidents in order from 1-44. They must at least recite last names, and in cases where last names repeat, they must also recite the first name (i.e. Adams, Harrison, Johnson, Roosevelt, and Bush). The contest begins immediately and ends on November 2, 2012.

Good Luck! ☺

Kroger Plus Card for Education

It's that time again—time to sign up for the Kroger Plus Card for Education Program. This program provides much needed educational equipment for our school at no cost.

Please take the bar code below to a local Kroger store and ask the cashier to scan the bar code along with your Kroger Plus Card. You only have to scan this bar code one time and you are registered to support our school.

Every time you make a purchase at Kroger between September 10, 2012 and March 29, 2013 and scan your Plus Card, AES will accumulate electronic points that can be redeemed for educational equipment. You only have to remember to scan the bar code one time and it's done!

Food for the Body, Food for the Mind!

Reading, Math, and Nutrition Share-a-Thon

November 1st, 6:30-7:30

Join us for an evening to share strategies for assisting your child with reading and math, and challenging your student when homework seems too easy. Our cafeteria will provide sample tastings of upcoming menu choices as well. Each child who brings/sends a parent will receive a homework pass to use for an assignment agreed upon by his/her teacher.

_____Yes, I would like to attend

_____No, I am unable to attend

My child is in need of assistance in the area of

_____

My child is in need of a challenge in the area of

_____

Dear Parents and Guardians,

My name is Charlotte Land and I'm the volunteer Box Tops Coordinator at Appomattox Elementary.

This year, our goal is to raise $2000 for an author's visit and more books for our library. Here are three easy ways you can help:

Clip — Clip the Box Tops from hundreds of participating products and send them to school. Each one is worth 10¢ when our school redeems them from Box Tops for Education.

Shop online — Shop at your favorite online stores through the Box Tops Marketplace® (boxtops4education.com/marketplace). Our school can earn eBoxTops® with every qualifying purchase you make, at no additional cost to you.

Sign up to support our school at boxtops4education.com, where you can:

- See how much our school is earning with Box Tops
- Enter online promotions for chances to win eBoxTops and other prizes
- Print coupons for your favorite Box Tops brands

You can also sign up for Box Tops email newsletters that will keep you updated on the program, and for Marketplace newsletters that include offers from online retailers where you can earn eBoxTops.

To learn more, visit boxtops4education.com. Thanks for choosing to make a difference for our school with Box Tops!

Sincerely,

Charlotte Land

Box Tops Coordinator at Appomattox Elementary

USDA is an equal opportunity provider and employer.

Menu Subject to Change

MEAL & MILK PRICE - BREAKFAST $.80, LUNCH $1.50 AND MILK $.35

September 2012 (Revised)

Dear Parents:

With the reauthorization of the Child Nutrition Act, called the *Healthy, Hunger-Free Kids Act of 2010 (HHFKA)*, there are many changes to our school meal program in ACPS. While changes to breakfast will take place next year, the following changes will affect lunch for 2012-2013:

- A fruit or a vegetable must be on the lunch tray
- A variety of vegetable choices will be offered throughout the week - including dark green, orange/red, beans and starches.
- Minimum and maximum calorie limits for each school
- Maximum sodium (salt) limit for each school
- Increased serving sizes of fruits and/or vegetables
- Decreased serving sizes of bread/grain
- Half of bread/grains must be whole grain rich (51% or more whole grain)

We participate in the United States Department of Agriculture (USDA) National School Lunch Program, which is governed by the Child Nutrition Act. As a participant in this program, the USDA reimburses us $2.86 for each meal served to students who qualify for free meals, $2.46 for each meal served to students who qualify for reduced meals, and $.27 for each meal served to students who pay full price. In return for these reimbursements from USDA, participants must follow the newly revised and required nutritional guidelines set forth by the federal government.

The USDA National School Lunch Program is not mandatory. However, if we were to discontinue participation in this program and continue to offer free and reduced priced meals, a student paid lunch price of approximately $5.45 would be required to make up for the lost reimbursement revenue. We choose to participate because it seems to be the best choice for our students, both nutritionally and financially.

Ala carte entrée prices have increased to 1.80 for both adults and students when not purchasing a meal. The extra entrée price when purchasing a meal will remain $1.00.

If you have any questions or concerns, please feel free to contact me at nakempton@appomattox.k12.va.us or 352-8251, ext 3. We hope your child will enjoy the meals at Appomattox County Public Schools and wish you a happy and productive school year!

Sincerely,

Niki Kempton
Food Service Coordinator, ACPS

THANK YOU FOR MAKING ALL FOUR OF OUR SCHOOLS FULLY ACCREDITED

Superintendent's Message

Dear Staff,

I hope the 2012-13 first edition of the Division Digest will be informative and helpful to you. Inside is information from all of the schools and each of the departments. I encourage you to read it as the endeavor is to keep you informed of happenings in ACPS which affect all of us.

What a wonderful first six-weeks of school we have had in ACPS! Thank you for your dedication and work to make this year's school start smooth.

The weather is turning a bit brisker in the mornings as fall is here. Leaves are just beginning to turn a few golden shades. Students are settling in to classwork and fall sports are off and running.

I see our teachers, support staff, and administrators working together as a team to instruct and care for our students in teaching, feeding, transporting, and cleaning. We have a spirit of service to our children that is adult commitment around a purpose. Our adult sharing and work must occur around a purpose of improved student learning in our Professional Learning Communities (PLCs) - our schools.

We must embrace a sense of mutual ownership and working for the greater good of all for improved student learning. We must be collectively committed to be fully engaged in the vital behaviors or "right things" we need to do to improve student achievement. This team spirit of service not only makes us accountable for the students we directly teach and support daily, but expands our accountability to all of our students - 2200 of them. We are much stronger with a united front working together than in isolation working alone. Through sharing knowledge, asking questions, and admitting we don't always have the answers, we grow stronger as a team. We must be willing to listen, learn, and expand what we know in each of our teams.

Let us strive to make each school day be one that when students think of fairness, integrity, and caring, they think of us. We are the examples for our children as we educate and serve them to prepare for life.

Thank you for being on our team in ACPS as we equip our students to be lifelong learners and productive citizens of our great community and country.

Sincerely,

Dorinda G. Grasty, Ed. D.
Division Superintendent

Upcoming School Board Meetings:

October 11 - Interim Meeting - 5:00 p.m.

October 25 - Regular Monthly Business Meeting - 5:00 p.m.

October 30 - Joint Board Meeting with Appomattox County School Board and Appomattox County Board of Supervisors - 5:00 p.m.

Cafeteria Corner

Niki Kempton

With the reauthorization of the Child Nutrition Act, called the Healthy, Hunger-Free Kids Act of 2010 (HHFKA), there are many changes to our school meal program in ACPS. While changes to breakfast will take place next year, the following changes will affect lunch for 2012-2013:

- A fruit or a vegetable must be on the lunch tray
- A variety of vegetable choices will be offered throughout the week– including dark green, orange/red, beans and starches
- Minimum and maximum calorie limits for each school
- Maximum sodium (salt) limit for each school
- Increased serving sizes of fruits and/or vegetables
- Decreased serving sizes of bread/grain
- Half of bread/grains must be whole grain rich (51% or more whole grain)

We participate in the United States Department of Agriculture (USDA) National School Lunch Program, which is governed by the Child Nutrition Act. As a participant in this program, the USDA reimburses us $2.86 for each meal served to students who qualify for free meals, $2.46 for each meal served to students who qualify for reduced meals, and $.27 for each meal served to students who pay full price. In return for these reimbursements from USDA, participants must follow the newly revised and required nutritional guidelines set forth by the federal government.

The USDA National School Lunch Program is not mandatory. However, if we were to discontinue participation in this program and continue to offer free and reduced priced meals, a student paid lunch price of approximately $5.45 would be required to make up for the lost reimbursement revenue. We choose to participate because it seems to be the best choice for our students, both nutritionally and financially.

Appomattox County Public Schools Recycling Program!

Thank you to Ms. Ferguson, Ms. East, Ms. Hamlette and their students for all of their hard work with our Recycling Program!

We are having an issue at some locations with garbage in the gray collecting bins. Please know and inform students that paper products ONLY are allowed in the gray bins.

Business

Steve Edwards, Director of Business and Operations

Construction Update

Thank goodness, would be the expression that comes to mind! The massive Primary School project achieved substantial completion just in the nick of time and grades PK-2 started the year in a newly renovated school. Although quite a few "punch list" items remain for the contractor to complete, the new school is amazing!

Special thanks for this goes to all of the staff and students at the Primary School who endured 14 months of dust, debris, and inconvenience. Kudos should also go to Heather Mullins, Principal, and Jason Bowyer, Assistant Principal, for shepherding their team through this stressful process. When you see them, also thank Timmy Garrett and Brette Arbogast and their teams for all of their hard work to balance the demands of taking the old school "off-line" and bringing the new APS "on-line" with their other job duties.

In the business realm we tend to think of things just a bit differently. Saving money = saving jobs. With this project alone, Timmy Garrett helped save at least half a teaching position simply by recycling the demolished copper, lead, and other metals. Big props to Timmy for this and everything else he does for the division!

Yet, when one project ends, another begins! The structural repair work at ACHS began just before the start of school and should be completed in November. To accomplish this, the gymnasium has been closed for most of September, and the auditorium will be out of commission for most of October.

Fuel Purchasing

Over the summer, ACPS entered into a fuel purchasing cooperative with several other nearby school divisions that, based on last year's usages for diesel, heating oil, propane, and unleaded gas will save the division between $25,000 and $30,000. By pooling our purchasing power and committing under "buyer's market" conditions, we were able to negotiate prices for:

Propane - .47 less per gallon
Diesel - .14 less per gallon
Unleaded - .35 less per gallon
Fuel Oil - .15 less per gallon

Last year we used more than 60,000 gallons of diesel to run our buses. The savings on diesel alone are projected to be more that $8,400.

Curriculum and Instruction
Annette Bennett, Director

ACPS Celebrates SOL Perfect Scores - Change in Recognition

The Appomattox County School Board is excited to announce that 149 students have achieved a perfect score on 195 SOL assessments. This fall, instead of having a large division level ceremony, the parents and students will receive invitations to recognition ceremonies at their respective schools. Congratulations to all these students!

ACHS - CVCC Partnership in Dual Enrollment

This fall 75 ACHS students are making strides towards not only a high school diploma but a college degree as well. Forty Early College Cohort students are working hard toward the goal of earning an Associate's Degree by the time they earn their High School diploma. The other 48 dual enrollment students are taking a variety of courses that will also transfer to the college of their choosing. We are thrilled to be able to partner with the CVCC staff to offer this advanced coursework for our students. Students are selected for the CVCC program based on their academic record, their work ethic and the CVCC placement test scores. Thanks to the Appomattox County School Board these students receive some financial assistance in the tuition cost for the classes. Thanks to CVCC for their continued support of this partnership. For more information abut this program, you may contact Ghana Ramey, College and Career Coach, or the ACHS Guidance Department at 352-7146.

Advanced Placement Course Offering Expansion

As reported last spring, Appomattox County High School began to implement a three year plan to expand its Advanced Placement (AP) Program. This summer, we were able to provide training to four AP teachers and three Pre-AP teachers at our high school. Each of these teachers gave up a week of their summer vacation to travel to either Bedford or Williamsburg to participate in training.

This year, we introduced two new AP courses in Statistics and English Language while continuing to offer AP US History, AP Government and AP Chemistry in the master schedule. The proposed three year plan will ultimately result in the addition of a total of nine AP courses from which our advanced students may choose. Pre-AP courses in English and History have replaced the previously designated "honors" courses in an effort to prepare our students for more rigorous courses. Our 4 X 4 block schedule has been modified to allow these courses to run all year on an A/B Block schedule to provide an optimal instructional schedule.

English and Science Textbook Adoption

This spring our schools have been working to review new English textbooks and made recommendations for adoption and purchase. This fall the same process will be used for the area of Science. The Standards of Learning were revised by the Virginia Board of Education in 2010 for these two areas and full implementation of the Standards begins in the 2012-2013 school year.

Textbook companies supply sample books and materials to the school and each school used a committee of teachers, administrators, parents and students at the high school to compare each textbook sample to the new standards. Purchases are made based on the funds that are available in the school budget.

In addition to traditional textbooks, however, committees are encouraged to explore many other resources that complement the instructional process for each curriculum. Our teachers often find many technological innovations such as digital textbooks and software that better meet the needs of teachers and students, so flexibility is given to purchase these resources in addition to or even in place of traditional textbooks.

Thanks to the school committees and especially the chair people for organizing and completing this huge task.

Remedial and Special Education
Beth Haught, Director

New Speech-Language Pathologist

Please join me in welcoming Mrs. Mary Ann Simpson to our staff. Mary Ann has been with us previously as a contract SLP but joins us this year as a full-time ACPS employee. She will be working with speech/language impaired students at the primary school and possibly some testing and observations in other buildings this year. As you see her in your building, please extend a word of welcome. We are very happy to have her here in Appomattox!

Annual Title 1 / Special Education Parent Meeting

Parents will be invited to attend the annual Title 1 / Special Education meeting which will be held at APS this year on Monday, October 22 at 7:00 p.m. Special Education and Title 1 staff from AES and APS will present information about their programs with take-home materials being provided for parents following a brief question/answer period. All parents of children receiving special education or Title 1 reading services are encouraged to attend this event.

Spotlight on Summer School

Over 200 students attended summer school in July. Ninety-six percent of all students at APS, AES, and AMS maintained or improved their skills. Two students at ACHS graduated following their successful completion of required coursework. Twenty-three students passed SOL tests with some passing multiple tests. Fifteen successfully completed APEX courses with four students completing multiple courses. Congratulations to all of these students and the teachers who helped them achieve these milestones!

Human Resources

Bruce McMillan, Director

License Renewal Process - In the past week or two, I emailed all teachers whose license expires on June 30, 2013 (according to our records). This could be those with a Provisional License or those who just need to renew. If you didn't get that email from me and you believe your license expires in June 2013, please check your license and then contact me. Please make sure you are working with your advisor (principal) to do what you need in order to get your license upgraded or renewed before contracts come out in May.

If your license expires in June 2013, once you have met all the requirements, you may start meeting with your principal in January to go over your recertification file and get signatures.

We pay the cost of renewing your license. However, if you have other changes (adding an endorsement, changing a name, etc.) there may be a small fee for you. If that is the case, I will let you know. Email me if you have questions.

Insurance Update - A new insurance year starts on October 1st (all of our medical policies have a plan year that starts on October 1 and ends on September 30). So, your deductibles will start fresh again as of October 1.

Our medical insurance carrier will again be PCHP and our dental carrier will be Delta Dental. If anyone is having issues with their health insurance or dental insurance, please contact PCHP or Delta directly by using the toll free numbers on the back of the ID cards. In addition, please also feel free to contact Tracy Johnson, in our office, at tajohnson@appomattox.k12.va.us, if you have questions related to your insurance.

Technology

Brette Arbogast, Director of Technology

In an effort to provide more access to and foster a greater use of instructional technology, Appomattox County Public Schools has begun a full implementation of BYOD, or Bring Your Own Device. This program, which began as a limited pilot last year, has been expanded to include all students and staff members at ACHS and AMS and all staff members at AES and APS. Essentially, the program enables students and staff members to access the Internet wirelessly on their privately owned devices while maintaining the integrity of the school's internal network. Devices used can include iPhones, iPods and iPads, android tablets and phones, and laptops.

Each school's librarian has the ability to set up individual 30 day accounts which will enable users to access the Internet. The librarian will ask potential users to sign a BYOD Policy Agreement Form and will provide users with directions on how to set up their devices. The Technology Department takes no responsibility for the use of personal devices within the school system. This includes the setting up or maintenance of personal devices.

Currently, Appomattox County is one of the few localities in the region to offer Internet access on student and teacher personal devices. With the expanding capabilities of each building's wireless access, the school system hopes that students and teachers will take advantage of this opportunity to use more technology in the classroom. If you wish to have an account set up to take advantage of the BYOD program, please see your librarian.

Transportation

Matt Lair, Supervisor

There have been some major changes at the bus shop this summer. Matt and Velma have moved from the bus shop to the adjacent old Adult Education building. This gives us much more room to work. If any of you have ever been in the old bus shop office, you know that there was not a lot of room. There were many interruptions and people passing through the office, which made it difficult to have conversations about bus issues. This move allows both of us to have our own office.

Velma and I would like to thank Timmy Garrett and his crew and Brette Arbogast and his crew for all their hard work on this building. Without Timmy's crew, we would never have been able to make this move. We would also like to thank Dr. Grasty and Steve Edwards for suggesting and making it possible for us to move. We are also very happy with the used furniture that we got from APS. Velma and I are sure that the mechanics would like to thank everyone for moving us out of the bus shop and allowing them to actually have space of their own.

The new radio system, which was required by the FCC, has been installed by Elecom from Madison Heights. This new system has GPS capabilities on each bus and county cars. This allows us to monitor the location of all vehicles from the bus shop which is very helpful with scheduling and in the event of an emergency.

Our new on-line field trip request system is up and running. This should streamline the process for everyone and alleviate a paper trail that allowed for many delays. This aids our effort to "go green" while becoming more efficient.

* Upcoming Important Dates *

October 22, 2012 - 1st Nine Weeks End

October 23, 2012 - Teacher and Team Planning Day
- Student Holiday

October 24, 2012 - 2nd Nine Weeks Begin

Appomattox County Education Foundation Scholarship Program

The Appomattox County Education Foundation, Inc. was established in 1988 by local officials and business individuals in the community for the sole purpose of providing college scholarships to deserving graduates of Appomattox County High School. During the past 23 years, 105 scholarships totaling $51,100.00 have been awarded to ACHS graduates. Employees of Appomattox County Public Schools have generously contributed to this scholarship fund through payroll deduction since the foundation was established. Payroll deduction can be processed at a minimum monthly contribution of $1.00 and forms are available by contacting Mitzi Letterman at

mbletterman@appomattox.k12.va.us.

If you are interested in contributing to this scholarship fund for ACPS students, you may set this up with Mrs. Letterman.

Student Flu Mist Clinics

Student Flu Mist Clinics will be held in our schools as follows:

October 15, 2012 - ACHS & AES

October 19, 2012 - APS & AMS

Staff Flu Clinic

A Staff Flu Clinic is *tentatively* scheduled for October 30, 2012, 2:00 - 5:00 at a location to be announced. Jennifer Burks is coordinating the clinics through the Health Department.

They each brought a special friend to school to share in themed activities and treats that day.

AES NEWS

Summer Learning Is Out of This World at AES

Appomattox Elementary School students flew to space during Summer School, 2012. On the final day of Summer School 2012, students and teachers explored space on a virtual field trip. The students witnessed actual photographs of the solar system on the big screen, listened to the actual words of the first man landing on the moon, and imagined what it would be like to visit space.

Outdoors, students "became" satellites as they moved slowly and methodically through space with a hula hoop. Next, they role-played the solar system as each planet came alive—revolving and spinning in space. No field trip about space is complete until they could fly —so why not build an airplane and see it fly into the space which moments before was an imaginary picture!

Thanks to our Summer School Coordinator, Tracy Hoffman, and the Summer School teachers and staff, some of our AES students might grow up to be explorers of space. Summer School learning is out of this world at AES!

Presidential and Patriotic Challenges at Appomattox Elementary School

Students and staff members at Appomattox Elementary School are highly anticipating the upcoming Presidential Election, and are showing their enthusiasm by reciting the past and current 44 Presidents of the United States. Students and staff who have successfully met the challenge have their pictures and certificates displayed on our "Wall of Fame," located in the school lobby. Fifth grade students have been learning the Star-Spangled Banner and will be singing this at the JV Football game on October 11. Students will also have the opportunity to participate in an upcoming mock election on November 6, walking through the process as their parents and grandparents will be doing in various voting precincts throughout the day. We are curious to discover if our school results predict the nationwide election results for our 2012-2016 President of the United States of America. We are proud of our country and proud of its rich heritage of democracy and freedom!

School News, continued

AMS News

Guidance News

During the month of September, Mr. James completed a guidance lesson on study skills with all 6th grade students. Students were informed and participated in an activity called "Fishing for Study Skills" which involved students identifying good and bad study habits. Students received a handout and discussed the positive and negative consequences of various study habits. Topics that were covered included organization, preparing for homework assignments and tests, time management, good attendance, responsibility, and the importance of a positive attitude. As the late Martin Luther King once said, "your attitude determines your latitude."

During the month of August, Mr. James conducted introductory sessions with all 6th and 7th grade homerooms. During the sessions, Mr. James discussed items that would assist students start the year off right. During the meeting with each homeroom, Mr. James discussed time management, organization, good study habits, SOL testing, and the three R's for a successful school year (Respect, Responsibility and doing the Right thing).

Bullying and the importance of all students working together to prevent bullying was stressed. School is a place to learn and it is important for everyone to assist in making AMS a safe and fun learning environment.

Congratulations Mrs. Duncan!

2012 Teachers Turn the Key Award from the National Association of Agricultural Educators

AMS Athletics

The athletic programs are off to a fantastic start, with the AMS football team getting its most recent victory over Brookville Middle School. That victory puts the team at three wins and one loss. The volleyball team has had a number of close matches this season and has continued to improve. This season's highlights include victories over Rustburg, Dunbar, Sandusky and Monelison.

7th Grade Students Participate in Central Virginia Regional Science Fair

Ten 7th graders from Appomattox Middle School competed in the Central Virginia Regional Science Fair held at the Central Virginia Governor's School in Lynchburg on Tuesday, May 8. These students displayed their winning projects in categories including chemistry, biology, environmental science, and engineering. While at the fair, the students participated in a Science Jeopardy Game. Two of our students won in the finals: Shayla Thomas and Lauren Lawson. Congratulations girls!

Students who participated in the Science Fair included: Cody Drinkard, Harmonie Elliott, Kendra Fetty, Zippy Johnson, Lauren Lawson, Sommar Moore, Marisol Ramos, Nick Servis, Shayla Thomas and Noah Williams.

All of the students represented Appomattox County well. We are proud of the hard work they did last year.

Students at the Regional Science Fair

These girls are happy to be part of the Regional Fair

Mrs. Daily, Mrs. Bennett and Mr. Kane

AMS News, continued

In September, AMS hosted JLine, an urban dance crew who brought their anti-bullying message to the middle schoolers. Their high-energy, songs and program had students (and even some teachers) out of their seats singing, dancing, and clapping. After the song and dance routines, the dancers talked to the students about their middle school experiences, and how they often felt left out and teased. They emphasized doing your own thing and following your dreams.

Parent Conferences

As part of a Proactive Parent Communication Initiative, the teachers at AMS will be inviting parents to come to AMS to see what our children are doing. Our goal this year is to meet with parents throughout the entire year rather than one or two evenings. Teachers will be asking parents to conference so they can share what is happening in class, let parents see work samples, and have the opportunity to talk about their students' progress.

ACHS News

"Politics is a Good Thing"

Monday, September 17th was Constitution Day, and to celebrate and commemorate the day, Ms. Stephanie Tyree's AP U.S. Government and Politics class went to the University of Virginia to participate in a program sponsored by the University's Center for Politics. The Center's motto is that "Politics is a Good Thing," and the students who participated certainly experienced that on their visit. The program was held in the Old Cabell Hall Theater, and encouraged the students to take a step back in time to March 5, 1821 to an imagined conversation between newly re-elected President James Monroe and Chief Justice John Marshall. The two imitators discussed topics ranging from their relationship with each other over the years, to the Electoral College and the uniqueness of the U.S. Constitution. The students were given an opportunity at the end to ask questions to the 19th Century leaders. Jo Davis asked the two men "How do your justify the 10th Amendment in light of Article VI?" The speakers immediately picked up her states' rights vs. national rights argument. Adam Swanson asked how each of the men's relationship with Thomas Jefferson was, as this was something that was alluded to throughout the morning. After the event, Austin Short commented they seemed to skirt around a few questions, particularly Jo's question. Meg Hewbeck, the Coordinator of the event, complimented our students on their thoughtful questions and knowledge of the Constitution.

Following the event, the students took a walk up The Lawn to the Rotunda, where some group pictures were taken. It was a great day, and a wonderful event. The AP Government students learned a lot and got to participate and interact on a University Campus. This was an experience that was well worth the trip!

Back Row: Braxton Reeves, Justin Lawson, Leah Davis, Ms. Tyree, Myka Roach, Alex Carney, Jo Davis

Front Row: Adam Swanson, Joseph Foxwell, Kirsten Doss, Mallory Baldwin, Austin Short, Tarik Hix, Hannah Tillotson

QR Codes - Building Professional Learning Communities Through Technology

You may have seen an interesting square on several of our teachers' doors and on the syllabi that went home with students. A QR Code (short for "Quick Response") is similar to a barcode that contains data that can be read by a phone's camera. Most smartphones can download a QR Code reader application. Once the app is downloaded, the phone's camera acts like a scanner, allowing it to "read" the barcode.

These codes, once scanned by your phone, can provide you with a multitude of information including contact information, supply lists, club information, and links to other information right on your phone. This makes it easier for parents to have your contact information at their fingertips and allows for better communication between parents and teachers.

In order to read a QR code, your phone needs to have a code reader. You can find a long list of readers to download to your phone (iPhone and Android) wherever you get your apps.

Sports

Brad Harper, Athletic Director

The Appomattox County High School Athletic Department would like to announce the Appomattox Scholastic Sports Hall of Fame Class of 2012 :

Jerry Conner (1976), Robert Dyess, Jr. (1978), Robert Harding (1980), Aaron Harris (2000), Mike Jackson (1985), Katherine Paulette (2007), Frank "Calvin" Tanner (1952).

The class will formally be inducted at halftime of the varsity football game on October 19, 2012.

The fall sports season is well under way for the ACHS Raiders:

Football - The varsity Raiders are currently 4-2 and have won 3 consecutive games defeating Cumberland, Randolph-Henry, Chatham, and Nelson. The Raiders stand 2-0 in Dogwood District Play. The JV Raiders are currently 4-1, having won 4 straight contests.

Volleyball - The Raiders have two new coaches this year; Ms. Nicole Kane, varsity head coach and Ms. Lauren Scott, JV head coach. The varsity team is currently 3-6 on the season.

Cross Country - Coach Pulfer has over 30 runners out this year and both the boys and girls teams are representing Appomattox County well. The teams will host their final home meet on October 17th, before traveling to the Dogwood District Tournament at Dan Daniel Park on October 24th.

Competition Cheer - The competition cheer team welcomed two new coaches early in the season, Ms. Shannon Whisenant, head coach and TM Phelps, volunteer assistant coach. The squad will compete at EC Glass on Saturday, October 13th before traveling to Central Lunenburg for sectional competition on October 23rd.

Golf - Congratulations to Coach Doug Marshall and the members of the Raider Golf Team for claiming their 2nd straight Dogwood District Regular Season Championship. The Raiders finished 12-0 in district contests. The Raiders also won the Dogwood District Tournament which was held on September 24th at Winton Country Club. The golf team will travel to The Manor Golf Club in Farmville on October 1st to participate in the Region B Tournament. Good luck Raiders!

If you are interested in purchasing any Raider athletic apparel or advertising to support Raider Athletics please contact Brad Harper at baharper@appomattox.k12.va.us or at 434-352-7146.

"We brainstormed."

Appomattox Primary School

"It's a Whole New World"

October 2012

Principal's Message…

Happy October…

It is hard to believe we are already into October. Our students and staff are hard at work each day. It is amazing to see what your wonderful children have already learned this year. However, there is still much to do and learn!

I encourage you to stay involved through regular communication with teachers, to read all papers that come home, and to ask questions when they arise. Your child's teacher is a professional with a wealth of knowledge and experience with multiple students. We sometimes underestimate the expertise and education of today's educators. They are our biggest asset in helping students learn and grow into good citizens.

Thank you in advance for all you do for your children and their education.

Please feel free to contact me if I can be of assistance:

Heather Mullins
Voicemail: 352-5766, Extension 24
E-mail:hsmullins@appomattox.k12.va.us

Attendance at APS:

Reward for Perfect Attendance – Each semester, one student from each grade level k-2 will receive a gift card for $25 for having perfect attendance (this means no absences, tardies, or early dismissals). A drawing will be held to determine winners.

Parents of A.M. Car Riders – The tardy bell rings at 8:25. Students must be in the classroom when the bell rings. If your child is in the hallway or outside, he or she will be counted tardy and will need to get a tardy slip from the office. If your child is tardy, he/she needs to be walked in by you. Please have students remain in your vehicle if you choose to arrive prior to 8:00 a.m. Safety is a primary concern at APS, and the best way for students to remain safe is for them to remain in your vehicle until staff is available to welcome them.

Attending school regularly is extremely important for any child to work toward his/her maximum potential. Parents will be notified when their child has five unexcused absences and will be asked to come to school to develop a plan to resolve the nonattendance. Three unexcused early dismissals and/or tardies will result in one unexcused absence being recorded. Please refer to the Student/Parent Handbook to read the complete Attendance Policy.

Planned trips: While we encourage families to spend time together, it is important for students to be at school each day. Requests for excused absences

should be made in writing to the Principal prior to the dates of your trip. Each student's attendance will be taken into consideration before days will be excused. It is your responsibility to communicate with the teacher concerning missed work.

If you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash
352-0831

Communication …

-Written communication provides a clear understanding for everyone. If e-mail is your preferred method of communication, please be cognizant that teachers are unable to check their e-mail during active instructional times. They are encouraged to check it in the morning, planning time, lunch, and at the end of their work day if possible. Therefore, if a change to your child's schedule, bus, etc., is required… please send that in writing to the school office.

- Notes are needed:

- When there is a change in address, phone numbers, or emergency contacts.
- When a conference is requested (please allow a couple of days turn-around time for teachers). They may not be able to respond immediately.
- When clarification of an assignment, program, or policy is needed.
- When a child is being released to someone other than a custodial parent/guardian.
- When bus dismissal changes are necessary.
- When your child returns to school after being absent.
- When an early dismissal is expected.

Please note: We are unable to take bus/transportation changes over the phone. Bus bells begin dismissing at 3:07. We are unable to "hold" students until you arrive. If you've not sent a change in writing, your child will be transported based on the last note we have on file and/or his/her regular bus. We ask that you send in changes via the student or fax (352-8074) us a note by 12:00 Noon. If you choose to fax a note, please follow up with a phone call to ensure our receipt of the fax. We cannot guarantee receipt of changes if after 12:00 Noon and/or not followed up with a phone call.

*When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.

Safety and Security …

Doors remain locked during the school day except for the main entrance.
***Doors that open onto the bus circle/Ferguson Street are used in the morning/afternoon to monitor bus riders. Please do not access the building through these doors in the morning or afternoon even if they are open.**

Checking in: Visitors/Parents are required to check-in at the office and obtain a visitor's pass at any point in the day prior to accessing the building.

***Please Note: Our students and staff have been instructed NOT to open doors for anyone. For the safety and security of students and staff, please do not knock on locked doors and ask to be let in.**

Car Rider Safety: We ask that you remain in your vehicle while your child is being loaded in the p.m. in the pick-up circle. Students are loaded into the vehicle door facing the building. We ask that you not have them loaded on the opposite side (facing VDOT), as we prefer not to cross behind or in front of a vehicle for the safety of your child and our staff. Also, we understand the importance of a seatbelt. We simply ask that you continue to work with your child to facilitate learning how to do this independently. If your child needs assistance, please let the person loading your child know so he/she can do it without the necessity for you to exit the vehicle and/or so it can be done without impeding the flow of traffic.
When arriving for p.m. pick-up, please be aware that Ferguson Street cannot be blocked. If the circle is full and backed up to Ferguson Street, please circle the block until the loop clears. We begin loading students at 3:00, and the line is nonexistent by 3:10. Law enforcement may begin issuing tickets if traffic is impeded causing public safety concerns.

Reminders…

Bus Loop: Please note the signs located at the corner of Ferguson Street and the bus loop at the front of APS. Car traffic is not permitted at all in the bus loop at any time.

Faculty and Staff Parking Lot: Although the visitor lot is located in the front of the main entrance off of Armstrong Lane, you are welcome to park in empty spots in the faculty and staff parking lot between 8:15-3:15 daily. Please observe a 15 minute limit, however.

Car Rider: A car rider is a student whose parent will drive through the p.m. pickup. The student will be outside waiting in the line-up. The parent drives through, and the student is loaded into the vehicle. If you wish your child to be a car rider permanently or on one day, please indicate this on a written note (if you haven't already done so, or on the day in question).

Walker: A walker is a student whose parent parks, comes into the office, signs the child out, and the child is then called to meet the parent to walk out.

***In an effort to make afternoon pick-up as convenient as possible, car riders, who are already waiting for you to drive around, may be signed out after 3:00. If you choose to do this, you will sign your student out with Mrs. Johnson in the car rider line. Please do not pull/call your student from the line until he/she has been signed out, and someone on duty has called him/her.**

Spot the Readers…

Accelerated Reader (AR) is a technology-based literacy system designed to encourage the reading of good literature. We use it at APS to encourage students to enjoy reading, while also working towards different incentives.

Students may take tests following the rules, policies, and/or expectations of the classroom teacher.

Any questions concerning AR should be directed to your child's teacher.

Internet Safety: Computer Ethics:

The first nine weeks our Internet Safety topic is Computer Ethics. Students are learning that computers are objects, and the computers they use at school are the property of the school. They are learning that they need to take care of and use the computers properly and appropriately. In doing so, they are learning to use computer technology ethically.

APS Cafeteria Account System…

The computerized cafeteria system provides parents the option of establishing an account whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly, or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

October 2012 Calendar…

Thursday Nights in October: FAST 5-7:30

October 11 – Fall Pictures

October 12 – Smoky the Bear Visits; Wear Railroad Attire

October 18 – 2nd Grade Field Trip to Clover Hill

October 19 – Flu Clinic

October 22 – End of the First 9 Weeks

October 23 – Teacher Planning – No School for Students

October 30 – Kindergarten Field Trip to Layman Farms; Report Cards Go Home

Students of the Week

September 10-14, 2012

K: Tripp Canada, Holly Rogers, Emeri Davis, Adrianna Moore, Emily Dudley, Abby Newcomb, Kaitlyn Wells, Tabitha Johnson and Gabby Coflin.
1: Madelyn Austin, Zanya Brown, Hannah Ford, Camden Harrison, Danielle Henry, Ruby Rodriguez, Sarah Johnson and Olivia Inglett.
2: Holden Crouse, Zach Busa, Christine Hamilton, Monica McCormick, Sydney Donnigan, Princess Sanchez, Ryan Culpepper and Emoni Allen.

September 17-21, 2012

K: Lilly Evans, Cole McCormick, Chistopher Busa, Nuri Jihad, Eli Kniffin, Gavin Womack, Abigail White and Deacon Murphy.
1: Jaiden Harrison, Ethan Letterman, Kevin Fitch, Raegan Swanberg, Michael Stanley, Emmanuel Whiting, Brenton Black and Anthony Inzeo.
2: Jonathan Moore, Emily Purcell, Berkley Jamerson, Holly Miller, Micah Johnson, Jacob Hensley, Kirsten Moore and Haylee Kendrick.

September 24-28, 2012

K: Kristine Hardy, Taniya Booker, Destyni Almond, Imani Fleshman, Nick Abbitt, Jayson Mitchell, Abigail White, Iyana Jones and Alex Deaner.

1: Hayley Carrico, Gray Peterson, Kayleigh LaFrance, Johnathan Hatch, Jersey McDilda, Kenadee McCullough, Cheyenne Kniffin and Austin Pulliam.
2: Leighla Sams, Jalynne Christian, Nevaeh Payne, Devon Redd, Trey Shrock, Raelyn Allen, Keaton Chandler and Makenzie Lecco.

FAST

Family Fun Nights kicked off on Thursday, September 27th. We are so excited about the sixteen families that have registered to participate. We are looking forward to eight nights of spontaneous laughter, creative expression, delicious dinners and fantastic friends. This will surely be a memorable experience for all. If you were unable to sign-up this fall, please plan to join us in the Spring.

YMCA After-School Program

Welcome to all families participating in the YMCA After-School Program at Appomattox Primary School. Our program operates from the time school dismisses until 6:00 p.m.

We want you to know that your child is in the best of care when they are with us.

If you would like information about our program, you can reach us at 434-401-3073.

- From here:

- To here!

APS CAFETERIA – BEFORE AND AFTER

APS – BEFORE AND FINISHED!

ACCREDITATION

- All four of our schools are fully accredited!

Accreditation
High Standards for Learning & Achievement

School accreditation ratings reflect student achievement on SOL tests and other approved assessments in the four core academic areas of English, history/social science, mathematics and science. Ratings are based on the achievement of students on tests taken during the previous academic year or may reflect a three-year average of achievement.

ACCREDITATION BENCHMARKS

(Adjusted Pass Rates)

Subject	*Grade 3*	*Grade 4-5*	*Grades 6-12*
English	75%	75%	70%
Mathematics	70%	70%	70%
Science	50%	70%	70%
History	50%	70%	70%

NOTE: Ratings for the 2012-2013 school year are based on achievement during 2011-2012 or on average achievement during the three most recent school years. Beginning with tests administered in 2012-2013, the minimum pass rate for English will rise to 75 percent for all grades and the pass rates for the other three core areas — at all grade levels — will be 70 percent.

Asian Students	82	83	85	86	88	89
White Students	68	70	72	74	76	78

HOW DID WE DO ON THE AMO'S?

- **APS – Met all AMO's**
- **AES - Met all AMO's**
- **AMS – Needs improvement in English SOL and Math for Students with Disabilities Group**
- **(English scored 55.67% and target was 59%)**
- **(Math scored 17.3% and target was 33%)**

- **ACHS – Needs improvement in the Federal Graduation Index (FGI)**
- **(scored 78.01% and target was 80%)**

2 DIFFERENT MEASUREMENTS

- **Accreditation - State**
- **Not meeting accreditation results in academic reviews, corrective action plans, and reconstitution of schools**

- **AMOs – Federal**
- **Annual Measurable Objectives**
- **Not meeting the benchmark in any Gap Group or subgroup results in the school creating a state-mandated Improvement Plan**
- **The goal is to reduce the failure rate in reading and math by 50% in 6 years**

OUR TEACHERS

- **Full Time Teachers - 170**
- **Teachers with Master's Degrees - 72 (42%)**
- **Female Teachers - 144 (85%)**
- **Male Teachers - 26 (15%)**

NEW TEACHER EVALUATION SYSTEM

- **Department of Education Mandate as of 7-1-12**
- **7 areas of evaluation**
- **7th area counts 40% of the teacher's evaluation and is linked to student growth**
- **Development of pre and post tests for all students**
- **More detailed work in strategies and goals**
- **More documentation required for teachers and principals**

TOTAL NUMBER OF ALL EMPLOYEES
356

- **Bus Drivers - 43**
- **Crossing Guards - 3**
- **Mechanics - 2**
- **Custodians - 14**
- **Clerical - 21**
- **Aides - 36**
- **Food Services Staff -29**
- **Administrators - 14**
- **Coaches - 48**

EMPLOYEE SALARIES

- Received 2% raise for 2012-13, which resulted in 1.2% increase in take-home pay
- Paid 5% for VRS in 2012-13 to match employer paid 5%
- Received 3% bonus using Federal Jobs Fund during 2010-11
- There had been no raise to employee salaries for four years prior to this year's raise

OUR EMPLOYEES BY AGE

- 22-29 = 52
- 30-39 = 68
- 40-49 = 91
- 50-59 = 85
- 60-69 = 46
- 70+ = 14

- 41% are 50+

2012 GRADUATES

- **151 Graduates**
- **43 Honor Graduates**
- **14 Early College Cohort Graduates**
- **47 attending 2 year college**
- **56 attending 4 year college**
- **2 joining the military**

2011-2012 CTE Completers for each Program:	
Business & Info Tech	16
Early Childhood Education	6
Family & Human Services	3
General Marketing	4
Agricultural Services	11
Automotive Body Technology	10
Drafting	6
Culinary Arts	12
Nursing Aide	8
Work and Family Management	2

TRANSPORTATION SERVICES

- Total Mileage 2011-12 : 680,730
- Buses average 8.22 MPG as opposed to 4 MPG 10 year ago
- We have 51 buses and 34 regular routes; we have 7 special education bus routes
- The average bus model is a 2002
- The oldest bus is a 1995 (we have 4 of those)
- 25 buses have over 100,000 miles
- We have 8 substitute buses
- 5 of our 8 cars have over 100,000 miles

CAFÉ NUMBERS

- Free & Reduced
  - APS 55%
  - AES 53%
  - AMS 47%
  - ACHS 46%
  - Division Wide nearly 50%

2012-2013 NATIONAL SCHOOL LUNCH PROGRAM (NSLP) REQUIREMENTS

- **A fruit or a vegetable must be on the lunch tray**
- **A variety of vegetable choices will be offered throughout the week - including dark green, orange/red, beans and starches**
- **Minimum and maximum calorie limits for each school**
- **Maximum sodium or salt limit for each school**
- **Increased serving sizes of fruits and/or vegetables**
- **Decreased serving sizes of bread/grain**
- **Half of bread/grains must be whole grain rich (51% or more whole grain)**

FOOD SERVICES INFORMATION

Total meals served 2011-12:

327,509

Total breakfasts served - 84,549

Total lunches served - 242,960

STUDENT ENROLLMENT

- 2184 – ADM currently
- 51% females and 49% males

STUDENT DATA

OTHER STUDENTS

- Home school – 67
- Private school - 111
- Out of division tuition paying students – 46

REMEDIAL/SPECIAL ED. ENROLLMENT

- SPED ages 2-22: 252
- 17 teachers
- 9 aides
- 2 Speech-Lang. Therapists
- 1 Psychologist
- 4 year old classes – 3
- 51 4 year olds
- Title I students – 95
- Summer School Students – 234
- Limited English Proficient Students 4
- Homebound Students last year - 32

BAND GROWTH & AWARDS

Marching Band Members 2010 – 33 students
Marching Band Members 2011 – 35 students
Marching Band Members 2012 – 60 students

Total Band Students in all Schools 2011 – 140
Total Band Students in all Schools 2012 – 160

George Washington Competition – 3rd place band
Franklin County Competition – 3rd place music, 2nd general effect, 2nd marching, 1st drum major, 2nd place color guard, 2nd place percussion, 2nd place band
Brookville Competition – 1st music, 1st general effect, 2nd percussion, 2nd place band
Powhatan Competition – 1st percussion, 3rd color guard, 2nd general effect

ATHLETICS

- 530 students involved
- District Champs in Golf, Football, Baseball, and Softball
- Region B Runner Ups in Baseball
- Region B Champs in Golf
- Creative Writing – VHSL State Champs

ATHLETICS

Typical Expenses

- **Football helmet - $211**
- **Year's supply of paint for field - $2500**
- **Officials/security for a year - $24,000**

- *From NFHS – The Case for High School Activities"

Benefits of Athletics to Students

- **Less likely to use drugs***
- **Make higher grades and have better attendance***
- **Provides valuable lessons for practical situations in teamwork, sportsmanship, hard work, self-discipline, and self-confidence***

ADULT EDUCATION

- **2012 Graduates: 11**
- 19 yrs. of age – 4
- 20's – 3
- 50's – 4

- **Students continuing to study: 41**
- Age breakdown in years is as follows:
- 1 – 16
- 2 – 18
- 1 – 19
- 17 – 20's
- 8 – 30's
- 5 – 40's
- 6 – 50's
- 1 – 60's

APPOMATTOX ALTERNATIVE EDUCATION CENTER (AAEC)

- **39 students were served in 2011-12**
- **16 completed their GED and all 16 have been accepted into CVCC for this fall**
- **All plan to attend CVCC except 1 who plans to join the Navy**
- **9 students have returned to ACHS**

- Overall, AAEC was able to recover 37 potential drop outs; has assisted 22 students experiencing truancy problems; has assisted 9 high school students from being placed in alternate programs outside of Appomattox County.

PROJECT GRADUATION

ACHS

- 39 students in 2011-12 were enrolled in Project Graduation
- For students who need to catch up on their number of courses to recover credits

COLLEGE FOCUS CLASS

- Prepares students to apply for colleges, builds organizational and study skills
- 23 enrolled for next semester

ADVANCED PLACEMENT CLASSES EXPANSION AND ENROLLMENT 2012-13

- **AP English Language and Composition- 19**
- **AP Statistics- 12**
- **AP Government- 13**
- **AP US History- 24**
- **Pre AP English 9- 40**
- **Pre AP English 10- 72**
- **Pre AP World History I- 54**
- **Pre AP World History II- 49**

STANDARDS OF LEARNING (SOL) TEST TAKERS 2011-12

- **English Reading- 1,214**
- **English Writing- 498**
- **Math- 1,652**
- **Science- 1,029**
- **History- 1,493**
- **Total - 5886**

- **149 students have achieved a perfect score on 195 SOL assessments**

CURRICULUM INITIATIVES

- **Pre AP and AP course expansion**
- **Additional Spanish classes needed by course request**
- **Economics & Personal Finance Class added – mandated by DOE and required for graduation – we have 2 classes now and will need to expand to 4-6 next year to meet requirement**
- **Physics and Nuclear Science are offered every other year**
- **Virtual Virginia Classes Online Distance Learning- 13**

CURRICULUM NEEDS

- **Adding Algebra Functions and Data Analysis (AFDA) class second semester as an alternative math credit for Modified Standard Diploma candidates and others**
- **On- line learning opportunity to all students as this is now a graduation requirement**

CURRICULUM REDUCTIONS AND COMBINATIONS

- **Drafting - reduced**
- **Early Childhood - reduced**
- **Agriculture (greenhouse, plants, flora-culture classes) at the HS has been combined to create reasonable class sizes**

TECHNOLOGY IMPROVEMENTS

*911 implementation system on-going
*Thin clients implementation 250+
*All servers virtualized
*Redundant internet connection. 20MB and web filter
*Initiated Bring Your Own Device (BYOD) program
*Upgraded PowerSchool for state reporting
*Virtualizing county records – digitizing is continuing
*Replaced main core switch to offer true 10 Gig to HS and 1 Gig
*School owned fiber to HS and Bus shop. Eliminate yearly fees.
*Implemented Impero software for management to reduce power usage by shutting off PC's at night.
*Total IMAC's in county 50+
*New Assets management for both CTE/Technology
*Working on new Wan connection for all schools to go from 100mb to true non routed Gig connections to reduce cost. We hope to expand this infrastructure to county for a joint initiative.

MAINTENANCE PROJECTS COMPLETED

- Completed tennis court repair at ACHS
- Retrofitted ACHS gym bleachers to be ADA compliant; undercarriage repaired/upgraded
- Provided ADA access to baseball field
- Purchased and implemented new Narrow Band Radios for all buses and facilities
- Installed fence and handrails behind bleachers at softball field
- Converted Old Adult Ed Office into Transportation Office
- Updated Old County Library – is continuing
- Installed new concourse roof at ACHS

MASTER PLAN - ACHS

- We are crafting a master plan for ACHS to incorporate a vision and forward thinking

CAPITAL IMPROVEMENT PLAN

- Thank you for asking for this CIP!
- Several projects have been submitted:
- (1)Corrective electrical needs for ACHS auditorium
- (2) Sanitary waste lines, storm system, wiring, lighting and fire alarm upgrades at AMS
- (3) New carpet and security system installation at AES
- (4) Sidewalks and tennis court repair at ACHS
- (5) Mechanical system upgrade and/or replacement at School Board Office

GENERAL ASSEMBLY SESSION 2013

- **December 17, 2012** – The Governor's proposed amendments to the 2012-14 budget are presented
- **January 9, 2013** – First day of Session
- **February 3** – Money Committees report budgets
- **February 23** – Sine Die
- **April 3** – Reconvened Session (Veto Session)

VIRGINIA RETIREMENT SYSTEM (VRS)

VRS FISCAL YEAR RETURNS

NET ASSETS AVAILABLE FOR VRS BENEFITS

PENSION REFORM
JULY 1, 2012

Local governments and schools systems begin to impose the 5 percent member contribution with offsetting raises:

- **83 percent of local government employers opted to impose a 5 percent member contribution with a 5 percent offsetting salary increase**
- **60 percent of school boards opted to impose a 5 percent member contribution with a 5 percent offsetting salary increase**

Local governments elected either the VRS-certified contribution rate or the alternate rate:

- 90 percent of local governments elected the VRS-certified contribution rate

TRENDS FROM THE 2012 GENERAL ASSEMBLY AND K-12 EDUCATION

- Teacher Contracts
- Virtual School Funding and Accreditation
- Student Discipline and Parent Notification
- Charter Schools, School Choice and Local School Board Authority

FROM THE STATE - BUDGET

- **2008-10 – One-half of the actions to balance the $6.4 billion in budget shortfalls were one-time in nature (ARRA funds and Rainy Day Funds)**
- **2010-12 – Closing the $4.5 billion gap relied largely on budget reductions and one-time savings in benefit rates**
- **K-12 Public Education: Reductions of $652 M, not including $346 M from reduced contribution rates for VRS and other benefit programs**
- **Health and Human Services: Reductions of more than $1B to offset Medicaid growth**
- **Employee Benefits: Savings of $830 M. Deferred approximately $620 M of the VRS retirement contributions**

STATE BUDGET ISSUES UPCOMING

- **Medicaid expansion**
- **Remaining local aid reversion**
- **Teacher salary incentives unknown**
- **Transportation**
- **ARRA funds depleted – the fiscal cliff**
- **Sequestration – automatic across-the-board cuts**

DIVISION BUDGET OUTLOOK 2013-14

- Our fiscal cliff will be $341,000
- Health insurance premiums are expected to rise 10-14%
- December 17 – Governor's proposed amendments to the 2012-14 budget are released

THANK YOU

- Thank you for your participation in our Joint Boards Meeting this evening and for your support of our school system
- Our staff and children also thank you
- Questions

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, October 11, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

High School Master Plan Discussion Group

Dr. Grasty stated the High School Master Plan Committee will be comprised of administrators, parents, representatives from each of the core curriculum areas, and two school board members. Mr. Torrence and Mr. Waddell volunteered to serve on this committee.

ACTION

Approval of Payment of Bill

It was moved by Rev. Williams and seconded by Mr. Smith to approve the payment of the bill as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved (See Attachment # 1)

Consideration of Request for Use of School Facilities

Rev. Rusty Small, Pastor of Liberty Baptist Church in Appomattox, addressed the Board at the September 27, 2012 meeting requesting use of the auditorium at Appomattox County High School on a long-term basis. A copy of his letter of request and Facility Use Application, as well as a copy of policies KG

and KG-R – Community Use of School Facilities were provided to the Board. (See Attachments # 2, # 3, and # 4)

Rev. Williams stated he was opposed to the request as our policy clearly states against a long-term commitment of facilities. He noted, from his experience as a teacher at the high school, temporary groups create interference to the instructional program and prohibit other community groups from using the facility. He commended Rev. Small and the congregation of Liberty Baptist Church for their efforts and suggested the Board consider monthly approvals rather than a year-long commitment.

Mrs. Martin noted Rev. Williams had valid points and asked if the Board should explore the use of the high school auditorium by the church on a month to month basis.

Mr. Smith pointed out the policy states other uses shall not interfere with instructional, extracurricular, and school sponsored programs. Should conflicts occur, the policy allows use of the school facilities to be revoked.

Dr. Grasty stated when she and Mrs. Eagle met with Mr. Small to discuss the possibility of the church's long-term use of the high school auditorium they considered conflicts such as the bluegrass performances. Mr. Small indicated they were willing to work around these events.

The superintendent mentioned she recently attended a Region 2000 Superintendents Meeting (Lynchburg, Amherst, Campbell, Bedford, and Appomattox) and asked if churches met in their schools. Three of the superintendents indicated churches did meet in their facilities, but agreements were no more than one year in length.

Mr. Smith was in favor of renting the facility on a long-term basis and noted it would be a benefit for our custodians who would receive overtime compensation.

Rev. Williams voiced his concern regarding Section 13.10 of Policy KG-R – Community Use of School Facilities. He suggested the policy be reviewed and this section be removed. Dr. Grasty indicated our School Board Attorney reviewed this policy when it was adopted by the Board on December 15, 2011 and noted the policy could be considered for revision if the Board directed.

It was moved by Mr. Smith and seconded by Mr. Torrence to postpone a vote on the use of the auditorium at Appomattox County High School by Liberty Baptist Church until the Board receives further information from Rev. Small and

input from the high school faculty and staff. By unanimous voice vote, the motion was approved.

The Board instructed Dr. Grasty to gather the following information that would assist them in making a decision regarding the facility use request:

Additional information from Rev. Small:

- What portion of the stage will be used?
- Where will the choir be located?
- Will the church bring instruments?
- Will anything be left at the high school from week to week?
- What can be done if the facility is needed in the event of emergency situations?

Additional information from Mrs. Eagle:

- Input from the faculty and staff

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employee # 10159.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved, and recorded by roll call vote. (See Attachment # 5)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Supplemental Assignments 2012-2013:

Appomattox County High School:

Robert S. Cothran	–	Wrestling, Assistant
Travis K. Cottrell	–	Basketball, Boys Head Varsity
Luke C. Cunningham	–	Basketball, Boys Varsity Assistant
Carolyn W. Dolan	–	Cheerleading, Winter Varsity
Mandi Dolan	–	Cheerleading, Volunteer
Anthony D. Franklin	–	Track, Indoor Head
Carla Haywood	–	Cheerleading, Volunteer
Brian R. Hofmann	–	Swim, Head
Donald D. Jack	–	Basketball, Girls Head Varsity
Michael T. Jackson, Jr.	–	Basketball, Boys JV
Mindi Kruschwitz	–	Cheerleading, Winter JV
Brittany A. McLean	–	Basketball, Girls Varsity Assistant
Lindsey M. Pulfer	–	Track, Indoor Assistant
Patrick D. Riley	–	Basketball, Boys Volunteer
Joseph G. Servis	–	Academic Competition

Supplemental Assignments 2012-2013 (continued):

Appomattox County High School (continued):

David J. Street	–	Wrestling, Head
Robyn L. Whorley	–	Cheerleading, Volunteer

Appomattox Middle School:

James Douglas Marshall	–	Basketball, Girls 8th Grade
Clinton S. Dodson	–	Basketball, Boys 8th Grade

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held on Thursday, October 25, 2012 at 5:00 p.m. A Joint Board Meeting with the Appomattox County Board of Supervisors will be held Tuesday, October 30, 2012 at 5:00 p.m. and the next Interim Meeting will be held on Thursday, November 8, 2012 at 5:00 p.m. All of the meetings will be conducted in the School Administration Building at 316 Court Street in Appomattox.

Mr. Smith indicated he would not be in attendance at the October 25th meeting because he would be attending the National FFA Convention as a chaperone. Mrs. Martin stated she would be late arriving at the October 30th meeting.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Torrence. By unanimous voice vote, the meeting was adjourned.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 5

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

AMS 6th and 7th grade Field Trip

The 6th and 7th graders from Appomattox Middle School walked to Courtland Field on Thursday, October 4th, to see a special presentation by the Bright Star Children's Theatre out of Asheville, North Carolina. The performance of "Soundtrack to Freedom" celebrated the history of the United States through a timeline of classic songs. Bright Star's professional performers transported students through our nation's past, from the songs of Native American Tribes, to the powerful anthems of the Civil Rights Movement, and everything in between. Students had the opportunity to sing along with some of our country's favorite songs including "The Star Spangled Banner" and "Yankee Doodle" while learning about the songs' origins and our country during those time periods.

The Home of the Raiders

U.S.D.A. Food Services Regulations

"Some of you have heard about the changes taking place with regard to school meals. While it is true that the National School Lunch Program (NSLP) has undergone a make-over of sorts, what does that really mean for our menus? We serve chicken nuggets, pizza, and burgers! Perhaps the most notable change is the school roll. We are experimenting with a new recipe that qualifies under the new guidelines of grain ounces served per week and being whole grain rich, so both the size and recipe has changed. Another notable change is the requirement that a student must have a fruit or vegetable on their tray to qualify for the meal price, which is a good thing! We all know most kids need to eat more fruits and vegetables! Other than those changes, the majority of the menu offerings are the same as before the NSLP reauthorization. We are able to keep them that way because we are mindful of what we pair together to work into the average weekly limits … we were already pretty awesome to begin with! So come and enjoy your lunch!"

Middle Years

Working Together for School Success

Short Stops

Election day

Although your tween is too young to vote in this month's elections, he can still get involved. Take him to the polls with you, and talk about your choices. Then, watch the election results together. It's a great way for him to see citizens participating in government—and to prepare for voting when he's older.

The "write" word

Students sometimes think long, fancy words sound impressive. But short, simple words can have more impact if they make writing clearer. Suggest that your child replace complicated words with easier ones and then read both versions aloud ("She wore an undecorated frock" vs. "She wore a plain dress"). Which sounds better?

Thinking of others

Being thoughtful can improve your middle grader's relationships. Encourage him to work on this at home. If he gets a glass of water, he could ask his sister if she wants one, too. Or he might offer the computer to another family member when he realizes he's been on it for a while.

Worth quoting

"It's okay to make mistakes. Mistakes are our teachers—they help us to learn." *John Bradshaw*

Just for fun

Teacher: Do you know the 20th president of the United States?

Student: No. We were never introduced!

Controlling impulses

If your tween can be impulsive, blame it on science: the part of her brain that controls impulses won't be fully developed until her early 20s. In the meantime, here are some ways you can help her practice self-control.

Focus on the future

Encourage your child to think things through ahead of time. For instance, remind her to consider her schedule before making plans ("I have jazz practice Thursday afternoon, so I can't go to Andrea's that day"). Also, try having discussions that help her visualize next week, next year, or even 10 years from now. You could ask about her weekend plans, her goals for summer vacation, or her ideal career.

Practice patience

Learning to wait for what she wants will help your middle grader build self-discipline. Talk about how you avoid acting on impulse when it comes to things such as shopping or eating. You might say, "I would like to buy this outfit, but I'm going to save the money toward a new couch" or "Ice cream sounds so good right now, but let's enjoy it after dinner."

Encourage cooling down

If your youngster gets angry or upset, she needs self-control to avoid saying or doing something she will regret. Help her recognize signs that her feelings are escalating, and brainstorm ways she can handle them before they spiral out of control. For example, if her face is flushed and she feels like screaming during a disagreement, she could say, "Let's discuss this another time," and then walk away.

Read for pleasure

How can you get your child to read more often? One way is to help him find books he enjoys. Try these suggestions:

- Surround him with reading materials. When you see books you think he'd like, try leaving them on his nightstand or in the car. You can also scatter comic books, fact books, and joke books around the house. This may encourage him to read when he has a few minutes.
- Help your middle grader find new favorites. He might ask a librarian what's popular with kids his age. Or he could type titles he enjoyed into an online bookstore—the site will list other books by the same author and suggest similar titles by other writers.

© 2012 Resources for Educators, a division of CCH Incorporated

Ways to prevent plagiarism

Your middle grader knows he's not supposed to copy others' work when he writes a paper. But he might not always be sure how to use information without passing it off as his own. Share these tips to help him avoid plagiarism.

Cite sources. Your child should list each book or website that he uses for a research paper. Depending on his teacher's guidelines, sources might go in the body of the paper or in a footnote or bibliography. Quotation marks go around exact quotes.

Use multiple references. Relying too heavily on one source can lead to presenting the information as original work. Instead, your youngster should use facts and ideas from several places, summarize information, and draw his own conclusions.

Write from scratch. Remind him to craft his own sentences and paragraphs. Let him know that replacing a few words or moving sentences around is not enough.

Note: Facts that are common knowledge don't need to be cited. When your child is in doubt, he can check with his teacher.

Discover the past

Exploring your family's heritage can make history come alive for your child. These fun activities will let her investigate the past.

Places

Suggest that your middle grader research the countries or states that her relatives came from. She can look at a map to find the capital city or learn which mountain ranges are nearby. Then, have her look for more information in library books or on websites. For example, she might read a novel set in 1900s China to learn about life for her great-grandparents.

Artifacts

Encourage your tween to explore *artifacts* (objects that give us information about the past). She might ask relatives to share pictures, documents, and keepsakes. Perhaps she'll notice that some are related to what she's studying in school (say, letters her grandfather received while serving in the Vietnam War).

Q&A Ready for conferences

Q *I want to be prepared for my upcoming parent-teacher conferences. What should I expect now that my daughter is in middle school?*

A Try talking to your daughter ahead of time about the conference. Ask her what she wants her teachers to know, such as what she likes and dislikes about each class. During the conference, share her excitement ("Jenna really enjoys the science experiments") and bring up concerns ("Jenna said she's having trouble with the group project").

Also, carry a pen and paper so you can take notes. Before you leave the conference, go over what you and the teacher decided ("So I'll sign off on her homework each night, and you'll let me know if she doesn't turn in Spanish assignments"). At home, follow up with your child so she knows what you discussed.

Parent to Parent Someone to look up to

My son Elias loves sports, and he really admires his favorite players. When one was arrested recently, Elias shrugged and said, "He's still a great player, and he's not the only one to get in trouble."

My first instinct was to lecture Elias, but instead I said he was right: the player is talented, and too many celebrities are getting in trouble. But I asked, "Why do you think that is?" Eventually, he said maybe they feel they're above the law because they're talented and famous.

Now I show Elias articles about people who are truly worth looking up to, like firefighters who save lives and folks who are cleaning up our town creek. And when a teenage neighbor helped organize a canned-food drive, I introduced him to my son. I think it made an impact—Elias said he never realized how many local families don't have enough to eat.

He still admires athletes for winning games and setting records, but he has discovered heroes off the field, too.

OUR PURPOSE

To provide busy parents with practical ideas that promote school success, parent involvement, and more effective parenting.

During the month of September, Mr. James completed a guidance lesson on study skills with all 6th grade students. Students were informed and participated in an activity called "Fishing for Study Skills" which involved students identifying good and bad study habits. Students received a handout and discussed the positive and negative consequences of various study habits. Topics that were covered included organization, preparing for homework assignments and tests, time management, good attendance, responsibility, and the importance of a positive attitude. As the late Martin Luther King once said, "your attitude determines your latitude."

Mr. Moisis James, 6th and 7th grade Guidance Counselor

The heights by great men reached and kept
were not attained by sudden flight,
but they, while their companions slept,
were toiling upward in the night.

Henry Wadsworth Longfellow

Mrs. Dolly Cooter, 8th and 9th Grade Counselor

Mrs. Cooter has met with all 8th grade students to discuss 8th grade transition, study skills, the importance of good attendance, high school expectations, and the Appomattox County Schools promotion policy. As a reminder, the policy is on page 11 of the student planner and states: "Middle School students are required to pass five (5) subjects, including the four core subject areas (Language Arts, Math, Science, and Social Studies), in order to earn promotion to the next grade. SOL scores are taken into account when analyzing whether a student should be retained." Please review the "Six steps to Smarter Studying" with your child. It was featured in Kids Health and I hope you will find it beneficial. Additionally, please feel free to contact me should you have questions or concerns. I may be reached at (434) 352-2135 or (434) 352-7146, extension 4209 at either school or dwcooter@appomattox.k12.va.us

Churchill

Celebration!!!

Of Red Ribbon Week @ AMS

What is Red Ribbon Week?

Red Ribbon Week is the largest drug prevention campaign in the nation. Red Ribbon Week was instituted in 1988 with President and Mrs. Reagan serving as honorary chairpersons for Red Ribbon Week. Red Ribbon Week is traditionally celebrated during the last two weeks of October with October 23rd-31st being the official Red Ribbon Week.

Why Celebrate Red Ribbon Week?

It is an ideal way for people and communities to unite and take a visible stand against drugs. A part of our recognition was the distribution of individual pledge cards for each student to sign denoting his/her against using alcohol, tobacco, or drugs. The pledge cards were collected by grade level and each day prizes were awarded to the students whose names were drawn. Additionally, stickers were available for students to wear, and the lollipops were a gift for each student who elected to participate in the signing of the pledge card. (Red Ribbon winners are pictured on page 5.)

Greetings from the New PTO President

Hello,

My name is Mrs. Cheryl Ellis, and I am the new PTO President. I am very excited to see what the PTO can do to enhance our school. We are working on creative ways to raise money. If you would like to get more information or get involved in the PTO, please contact me at cnqrkdscncr@gmail.com

Other members of the PTO are:

Whitney Drew

T. M. Phelps

Rachel Drinkard

Karen Lawson

Tara Sprouse

Thank you!

Holiday Lake Forestry Camp

Virginia Tech will be hosting a Forestry Camp at the Holiday Lake 4-H Center June 17-22, 2013. Field experiences for students ages 13-16 with an interest in natural resources will be offered. Nomination forms will be available in January at www.dof.virginia.gov/camp
For additional information see Mrs. Cooter in the guidance office.

These students are the Red Ribbon Week Winners

Employee of The Month

CONGRATULATIONS!

Mrs. Martha Warner

Thank you for all that you do @ AMS.

What is the CTY Talent Search?

CTY, a world leader in gifted education, conducts national and international talent searches to assess, identify, and recognize outstanding academic talent. For over 30 years, CTY has helped talent soar among the world's brightest young people. Through the Talent Search, high-performing students take a test designed for older students. This above grade-level testing can reveal more about the academic talents of students who are topping out on grade-level tests.

Who qualifies for the CTY Talent Search?

Achievement at advanced levels on state tests, designated as scoring in categories such as advanced proficiency, distinguished honors or gifted.

Demonstration of superior academic performance.

Talent search benefits now and lasting.

Enroll your child in the CTY Talent Search to receive the following benefits, and more!

⇒ Assess a student's high academic talents and/or reveal previously recognized abilities.

⇒ Receive information on your child's mathematical and verbal reasoning abilities.

⇒ Receive email news items for gifted students and their families, as news is updated on CTY's programs.

⇒ Gain access to CTY's rewarding Family Academic Programs.

⇒ Potentially qualify for hundreds of courses offered by CTY's Summer Programs and CTY Online.

⇒ Access to MyCTY for online resources available exclusively for Talent Search participants and their parents.

How to participate:

1 Register online www.cty.jhu.edu/discover.

AMS PROPS

What are PROPS?

Accolades! An expression of approval; praise. A special acknowledgment. An award, honor, or laudatory notice: The play received accolades from the press.

Please take a moment to read the props. If you have one or more, please email them to Mrs. Pannell at NRPannell@appomattox.k12.va.us at anytime during the year.

Thanks so much!

AMS is on the web!

Congratulations and many thanks to Mrs. Cheryl Servis and the NJHS council members (Ms. Jackson, Mrs. Meissner, Mr. Kane, Mrs. Hawks, Mrs. Richardson, Mrs. Evans, and Mrs. Marshall) for organizing the first ever National Junior Honor Society induction ceremony on November 12, 2012 @ Appomattox Middle School.

Congratulations to the newest and first ever class @ AMS:

Brooke Michelle Arbogast
Lindsay Jo Austin
Destine Nicole Berkley
Kameron Ashley Coffey
Sidney Marie DeWitte
Jordan Elizabeth Eagle
Gillian Paige Fanney
Kendra Fay Fetty
Katherine Frances Goff
Claire Elizabeth Hegmann
Fox Solomon Jackson
Joshua William Judy
Nathan Kyle Kuegler
Lauren Nicole Lawson
William Tate Mayberry
Mikayla Lynn Pennington
Nicholas Joseph Servis
Shayla Marie Thomas
Robert Adam Vaughan
Lauren Aynsley Williams
Noah Blake Williams

"It is a rough road

that leads to

the heights of

greatness."

Lucius Annaeus Seneca

A special thank you to our custodial staff: Mr. Theo Penson, Mr. Roger Wills, Mr. Dennis McCormick and Mr. Charles Garrett. Also a special thank to Mrs. Melanie Furlough, Mrs. Susan Williams, and Ms. Whitney Martin.

On November 6, Michael Jones, the school psychologist, wanted to go to the 8th grade building, however, was not sure which route he wanted to take. Blake Page stated to Mr. Jones, "I am going over there, I can show you where it is." Blake was kind enough to escort Mr. Jones to his destination. Blake didn't have to do it, yet, he showed kindness and hospitality to Mr. Jones.

AMS wishes continued support to Mrs. Bethany Hunter who is pursuing her EdD at UVa.

Mrs. Lea Gray is working on her MEd at Lynchburg College.

Mr. Brian Hofmann is pursing his EdS from Old Dominion University.

Way to go 7th grade teachers!

Mrs. Armstrong and Mrs. Wingfield each ran in the half marathon on Saturday, November 10th.

Mrs. Stephanie Totty created a special foldable pamphlet for Benchmark Reinforcement. Great job Mrs. Totty!

On Tuesday, October 16th, the AMS staff took a few minutes to practice earthquake drill procedures. The drill went smoothly. Even though earthquakes are rare in this area, it is best to be prepared. Thank you to everyone for taking the time to prepare and for knowing what to do. Thanks!
Todd Reichert, Principal

Congratulations to the 7th grade AMS Chorus for a tremendous performance @ the PTO Showcase on October 16th!

John Knight held the door open for Mrs. Pannell on Thursday, October 18, 2012. Thanks for being "a gentleman."

A 'tip of the hat' to Mrs. Maxwell for the lunch on the lawn on October 4th. Students and parents were treated to an outdoor picnic with historical songs from Bright Star Touring Theatre.

... On Display

Celebration

Citizens of the Month for the Month of October 2012

Appomattox Middle School Students recognizes students who demonstrate good citizenship by obeying rules, being helpful and considerate of others, and for being responsible for their actions.

Our students are responsible, respectful, caring, honest, and exhibit positive leadership characteristics.

6th graders:
Olivia Hix, Tashya Copeland, Marion Barksdale, Ryan Berry

7th graders:
Hayley Kidd, Savannah Mahan, Aaron McConville, Kendall Caldwell

8th graders:
Drake Cocks, Destine Berkley, Brooke Fulcher, Tate Mayberry

Coach of the Year

Congratulations

Doug Marshall

Dogwood District 2012-2013
Golf Coach of the Year

AMS would like to thank you for your dedication and devotion.

The ACHS Scholastic Bowl Team

The ACHS Scholastic Bowl Team finished 2nd Place in the Dogwood District last night and we will be advancing to the Regional Tournament along with Gretna, the District Champions. The team Captain is Lucy Reed and the rest of the team members are Alex Carney, Wes Kuegler, Nick Microutsicos, Carter Neiswander, Emily Osterberg, Bansari Patel, Nick Tyree, Jonathan King, Eric Raup, Shelby Voorhees and a middle schooler, Nicholas Servis. The team has worked very hard in their classes, in practice, and on their own time to study and get ready for competitions and I am extremely proud of each and every one of them.

AMS Chorus

These are the 13 AMS students that will represent the All-District Choir on March 9th:

- Alexis DePalmer
- Brittany Klein
- Keanna Pless
- Desmond Jackson
- Calysta Tichenor
- Sean Murray
- Haley Miller

- Keshsonda Ferguson
- Delaney Henderson
- Kierra Turner
- Brook Mann
- Cirenna Koester
- Kaitlyn Hodge

Kierra Turner and Haley Miller are not pictured.

Appomattox Middle School would like to recognize 233 students for their academic achievements during the first quarter of the 2012-2013 school year:

Appomattox Middle School Scholar's List (all A's for the first 9-weeks grading period):

8th Grade: Gillian Paige Fanney, Kendra Fay Fetty, Carrie Elizabeth Franklin, Katherine Frances Goff, Zane Timothy Hall, Claire Elizabeth Hegmann, Joshua William Judy, Lauren Nicole Lawson, Keshawn Lamar Lee, William Tate Mayberry, Martina Lynn Miller, Sinead Elizabeth O'Neill, Mikayla Lynn Pennington, Sophia Marie Romano, Nicholas Joseph Servis, Robert Adam Vaughan, Nicholas Ryan Walton, Lauren Aynsley Williams and Noah Blake Williams.

7th Grade: Kayla Nicole Croner, Victoria Elizabeth Dieppa, Morgan Hunter Edmonds, Tywan Deanta Haskins, Kaitlyn Marie Hodge, Shavonda Tykeshia Hurt, Morgan Taylor Lindsay, Franklin Liu, Savannah Grace Mahan, Philip Daniel McRae, Cessar Adali Rubio, Samantha Danielle Shirey and Skylar Devine Wilhoit.

6th Grade: Dillon Gregory Banton, Hogan Vincent Beazley, Ryan Chase Berry, Ariana Elizabeth Billings, Alaina Rae Carrico, Chase Robert Coleman, Shykeim Rahmon Dillard, Braden Thomas Drinkard, Jacob Robert Eagle, Skyler McKenzie Glover, Jamie Alan Goin, Desire Jerae' Hamlett, Olivia Mae Hix, Hannah Victoria Johnson, Jacob Allen Johnson, Avery Lynn McClenny, Robert Cody Mewborn, Colby Drake Mullins, Abby Catherine Ranson, Cortney Renea Rawes, Christopher Francis Richardson, Austin Myles Robertson, Katelin Dawn Savage, Ilyana Rebekah Servis, Makayla Alexis Trent, Tyquan Lamar Wade, Josey Corynn Walton and Sarah Michelle White.

Appomattox Middle School A-B Honor Roll (no grade below a B for the first 9-weeks grading period):

8th Grade: Danielle V Alexander, Joshua Landon Anthony, Brooke Michelle Arbogast, Lindsay Jo Austin, Damion Xavier Barksdale, LaShayna Tanai Bell, Destine Nicole Berkley, TaiKori ShaTari Booker, Kylie Marie Bradshaw, Christopher Tyler Bruhnsen, Kierra Lashae Burrell, Lauran Danielle Campbell, Adrienne Symone Cobbs, Logan Blaise Delong, Sidney Marie DeWitte, Cody Wade Drinkard, Jordan Elizabeth Eagle, Harmonie LaSha Elliott, Brittany Nicole Franklin, Brooke Lynn Fulcher, Camryn Jordan Gallier, Hayley Tyesha Giles, Emily Nicole Giuliano, Brannon DeWitt Goin, Allison Ann Harris, Christopher Lee Hawks, Desmond Nadina Jackson, Fox Solomon Jackson, Carter Thomas Jamerson, Christopher Hunter Johnson, Zipporah Agape Johnson, Deron Rocardo Kelso, Nathan Kyle Kuegler, Bridget Megan Mayberry, Stephen Wayne McCormick, Jasmine Shauntel McCoy, KayLynn Marie McGuire, Adrianna Leah Novilla, Doniel Anthony Paige Jr, Austin Scott Pannell, Persia Moroe' Poteat, Kashone DeVonte Richburg, Collin Michael Robertson, Lakima Lyna Robinson, Andrew Tyler Sams, Nathaniel Lynnwood Shrewsberry, Jaime Leigh Smith, Shayla Marie Thomas, Madison Elizabeth Totty, James Ian Vesterlund, Calob Dale Wilson and Geoffrey Michael Zdgiebloski.

7th Grade: Christian Devante Adams, Margaret Ann Atkinson, Kenneth Daniel Baldwin, Mary Elizabeth Baldwin, Kobe Jamon Booker, Montgomery Lee Burks, Kendall Wayne Caldwell Jr, Cassidy Lauren Carter, Hailey Renee Cheatham, Joe Chen, Melissa Ann Clark, Kalista Nicole Decker, Devin Matthew Dews, Jillian Paige Drinkard, Cameron Michael Duncan, Kaylynn Marie Eagle, Haley Louise Ferguson, Teri Ashton Ferguson, Jordan Alexandra Garrett, Robert Matthew Gilliland, Samantha Lynn Gilson, De'von Marquette Graves, Stephanie Marie Hamilton, Cameron Wolfgang Harris, Delaney Noel Henderson, Christian Taylor Hoff, Jaylen Anthony Holland, Luke Burdette Horne, Blake Allen Johnson, Hayley Durham Kidd, Vanessa Lynn Kinne, Carleigh Monae Kirby, Cirenna Julie Koester, Ashlyn Nicole Lewis, Logan Casey Marquis, David Jordan McCauley, Timothy Aaron McConville, Brooklynn Maria McCormick, Karley Shae McKinney, Holly Leah McRae, Denisha Lynea Megginson, Trevor Lee Melton, Travis Shawn Mills, Braden Scott Murphy, Melody Rose Nash, Monica Gray Nash, Christopher Michael Norfield, David Clay O'Brien, Erin Nicole Page, Grace MacKenzie Paulette, Samantha Elizabeth Paulette, Nydia LaShee' Pennix, Everette William Phelps, Paige Junnell Plaster, LaPatience DeShay Pollard, Daniel Andrew Poole, Jacob Lane Poore, Henry Owen Rasmussen, Alexis Cheyenne Reid, Brooke Cuyler Rieger, Grace Elizabeth Royal, Alaina Noelle Taraschi, Daniel Scott Thomas, Sydnie Lee Thomas, Amber Marie Thomson and Isabelle Rose White.

6th Grade: Sakyra Lydell Abbitt, Taylor Leigh Abbitt, Kaylin J Alexander, Xavier S Alexander, Kaleb Hunter Board, Makalee Lynn Booth, Caelan Chante' Brewer, Brandon James Bryant, James Lee Buckhannon, Kayla Mackenzie Cash, Christopher Lee Caudill, Jackson Riley Cheatham, Shaquoya Katerian Clark, Tashya Elexis Copeland, Emerald Jazmene Davis, Makayla Elissa Davis, Hallie Pierce Drinkard, Madelyn Olivia Driskill, Joshua Cameron Ellis, Taylor Elizabeth Falk, Lauryn Gay Foster, Hunter Allen Franklin, Taylor Dawn Fulcher, Sydney Dawn Gray, Jonathan Dale Hamlett, Le-Shae Teccora Hubbard, Logan Hunter Layne, Fleming Tyler Lewis, Ashleigh Danielle Maxwell, Cheyenne Dawn Moore, Kourtney Christina Moseley, Summer Nasma Natour, Philip Evan Neiswander, Lauren M Nicholas, Lydia Nicole Parrott, Conner Neil Patterson, Jenaye Chantelle Pennix, Temia Daquae' Pennix, Brooklyn Lee Pribble, Ortega Steven Randolph, Jaden Skye Robertson, Lyric Sheree' Robinson, Holly Faith Rutherford, Briana Nicole Scroxton, Jacob Lynn Smith, Zachary Logan Smith, Savannah Gayle Tench, Shelby Leeann Thomas, Bryant Alexander Tolley, John William Lars Vesterlund, Joshua Caleb Walker, Ian Daniel Watson, Brodie Lloyd Williams, Taygan Elizabeth Williams and Maddison McKinze Wilson.

Congratulations! Your hard work has really paid off!
Todd Reichert, AMS Principal

Please join Mr. Reichert and Mr. Read on Friday, February 8, 2012 @ 9:00 a.m. in the AMS library for coffee and homemade pastries.

AMS School Calendar

Monday & Tuesday	*November 19 & 20*	*Professional development; No school*
Wednesday—Friday	*November 21-23, 2012*	*Thanksgiving Holiday*
Wednesday—Tuesday	*December 19—January 1*	*Winter Break*

APPOMATTOX COUNTY SCHOOL BOARD VIDEOTAPING OF STUDENTS

Except as otherwise provided, no employee shall photograph, videotape, sound record or cause to be similarly recorded any student or group of students on the school premises or during a school activity without the prior written consent of the principal of the school attended by the students.

Except as otherwise provided, no student shall photograph, videotape, sound record or cause to be similarly recorded any student or group of students; or employee or group of employees during the school day on the school premises or during a school activity without the prior consent of a professional staff member of the school attended by the students.

The Superintendent, or his designee, may install video cameras on school buses, on school property, or at school related functions. Such cameras may be equipped to capture and record visual and audio activities or conversations that occur. Students have no reasonable expectation of privacy or a justifiable expectation of noninterception in such activities or conversations. Students shall assume that the cameras are in operation at all times. A notice shall be posted in buses and on school property indicating that cameras may be used and that the cameras produce both video and audio recordings. Such notice will be posted in conspicuous locations. By riding the school bus, attending school functions, or school related activities, students and parents both consent to be video and audio taped.

The School may use the video and audio recordings in any school related manner, in the sole discretion of the Superintendent.

Recordings are not an educational record and not subject to disclosure without the concurrence of the Superintendent, in his or her sole discretion. The only exception will be recordings considered for retention as a part of a student's behavioral record. Such recordings will be maintained in accordance with established procedures governing access, review and release of student records with modification on a case by case basis as dictated by the nature of the medium.

Adopted: March 22, 2012

Appomattox Primary School

"It's a Whole New World at APS "

November 2012

Principal's Message…

Wow, the first nine weeks have really flown by quickly! As November begins, the colors and smells of fall surround us. Soon it will be Thanksgiving, and we take a few moments to thankfully reflect upon all that we have, including the wonderful new spaces at APS! It continues to be fresh and exciting to utilize what has been provided for our students through the building and renovation process. We are quite fortunate.

As we progress further into the school year, please take a few minutes to reflect on your child's progress and how far he/she may have come to date. Many of you have taken advantage of conferencing with your child's teacher and are aware of where he/she stands in terms of being on or below grade level. If you have not, please contact the classroom teacher as soon as possible. As early as January, we will begin talking about retention if students do not meet the required benchmarks each nine weeks. We don't want anyone to feel like they don't have all the information possible, well ahead of time.

Thank you in advance for a great second nine weeks!

As always, if we may be of assistance to you, please contact us:

Heather Mullins
Principal
hsmullins@appomattox.k12.va.us
Jason Bowyer
Assistant Principal
jabowyer@appomattox.k12.va.us

Communication…

Your child's teacher is the best resource for information about what is happening in the classroom, on the playground, and in regards to your child's progress. He/she is with your student most of the day and will have the most knowledge about what your child may/may not have experienced prior to arriving home that evening. Please talk with the teacher through phone call or email if you have questions regarding the day's events. Please understand that if you call during the day, teachers are generally in instruction if it isn't planning time. Also, planning time may have already passed, so at the earliest it may be that afternoon or the next day before the teacher may be able to return your call. Many teachers do not phone parents from home in the evening, so again, it might be the next day before your call is returned. Please be patient and give the staff member a chance to get back with you.

PTO News...

The Adopt-A-Book program will be held at the November PTO meeting on Monday, November 12, 2012. This program allows students to pay $5.00 for a new book to be given to the library. Students who pay the $5.00 may write their name, or in memory of someone, on a special label in the front of the book, and are the first to check out that book.

Second grade students are having a wonderful experience practicing songs and dialogue for our November 12, 2012, PTO meeting! We are happy to be presenting Teresa Jennings', "How the Penguins Saved Christmas." We are hoping to usher in the holiday season with a cute story accompanied by great songs and plenty of second grade spirit! We're sure you will enjoy it! Performers will be welcomed in the multi-purpose room (gym) at 6:30 p.m. The PTO meeting will begin at 7:00 p.m. All performers except "reindeer" and "Santa" should wear black shirts and pants. Sweat suits are fine if not too bulky...it may be warm indoors. Sleeves should be long, if possible, as we are going to be penguins. Your penguin performer will don a white bib upon arrival that evening.
If your child is going to be a reindeer, brown shirt and pants would be good to wear! "Antlers" will be available for your reindeer upon arrival. Please have permission slips turned in so that your child may perform with us! We're having fun! See you Monday, November 12th!

NOTES FROM THE CLINIC...

The normal fall/winter illnesses are making their way through the school. If your child vomits or has a fever (over 100) during the evening/night before school, please keep him/her home. A medicated fever is still a fever, so your child should be free from fever for 24 hours, without the use of fever-reducing medication. If you have any concerns, call the clinic at 352-8937 between 8:00 a.m. – 3:30 p.m.

Physical Education News

From Kathy Dickerson, PE Teacher

Parents...as we enter the "colder" months, please be aware that on the days your child has PE in the gym, we often get very hot. If you would, please allow your child to wear a short-sleeved shirt under their regular clothing so that when in the gym, they can remove their heavier clothing and be more comfortable during activity. I let them dress down to their tee-shirts and tanks when we are moving because we do get very hot. Once they leave the gym, however, they return to normal dress code!

Also, the 4-H Youth Mile is making a comeback this year. For the last two years, this event has been in hiatus, but it will be returning this year. Instead of running the race on Railroad Festival weekend, the race, renamed, *Clover Christmas Classic 5K and Youth Mile*, will be run on Saturday, December 1, 2012, in downtown Appomattox! The 5K is probably too much for our small runners, but the Youth Mile is perfect for our older students. The race will be run in the morning, on surface roads, and the children will be grouped by ages: 7 & 8 year olds; 9 & 10 year olds; and 11 - 13 year olds. I have extra copies of the registration form if you are interested and haven't received one yet. The cost of the race is $15.00, which covers the cost of prizes, tee-shirts for your runner, as well as funding for the 4-H Interstate Exchange Club. If you have questions, please contact Kathy Dickerson, ktdickerson@appomattox.k12.va.us or Bonnie Tillotson, btillots@vt.edu. The inclement weather date will be December 8, 2012. Hope to see you there!

Internet Safety: Privacy:

Our Internet Safety topic the second nine weeks is Privacy. Students are learning that just as in real life, they should not give strangers their personal information like where they live or what school they attend. The internet should be accessed with adult supervision, and they should tell a trusted adult like a parent or teacher if anyone online asks them for their name, address, or phone number.

Attendance at APS:

The tardy bell rings at 8:25. Students must be in the classroom when the bell rings. If your child is in the hallway or outside, he or she will be counted tardy and will need to get a tardy slip from the office. You need to walk your child in to the office if tardy, please.

Please send a note to school when your child returns after an absence stating the reason for the absence. All absences are initially recorded as unexcused-- and stay unexcused until a note is received. If your child goes to the doctor, please send in the doctor's note.

As required by the Code of Virginia, parents are notified in writing when a student has missed a certain number of days, regardless of whether the absences are excused or unexcused. It is a form letter, and there may be specific circumstances related to your child of which we are already aware. If, however,
you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash 352-0831

Parents play a key role in preventing truancy. Here's how you can help:

1. Learn about attendance policies. Ask questions if needed. Stay in touch with the school.
2. Alert school staff if something is affecting your child's school attendance.
3. Be firm about school attendance. Your child should get to school on time each day. Being 10 minutes late every day adds up to 30 hours of missed instruction during the year. To avoid rushing in the morning, have your child get school things ready the night before.
4. Be positive about school and learning. Talk with your child about the importance of a good education.
5. Your child's success in school depends on having a solid educational background - one that can only be gained through regular school attendance.

APS Cafeteria Account System...

The computerized cafeteria system provides parents the option of establishing an account whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

Food Services

From Niki Kempton, Food Service Coordinator

Some of you have heard about the changes taking place with regard to school meals. While it is true that the National School Lunch Program (NSLP) has undergone a make-over of sorts, what does that really mean for our menus? We still serve chicken nuggets, pizza and burgers! Perhaps the most notable change is the school roll. We are experimenting with a new recipe that qualifies under the new guidelines of grain ounces served per week and being whole grain rich, so both the size and recipe have changed.

Another notable change is the requirement that a student must have a fruit or veggie on their tray to qualify for the meal price, which is a good thing! We all know most kids need to eat more fruits and veggies! Other than those changes, the majority of the menu offerings are the same as before the NSLP reauthorization. We are able to keep them that way because we are mindful of what we pair together to work into the average weekly limits...that and we were already pretty awesome to begin with! So come and enjoy your lunch!!

It's a Whole New World at APS… with Box Tops for Education…

YMCA Afterschool Program…We are here for you!

Reminders…

- **Car Riders – If you want your child to be in the car rider loop for pickup outside, please make sure the pickup note says car rider. Otherwise, the child will be held in the classroom, waiting for you to come in and sign him/her out.**
- **Car Riders – Please remain in your vehicle if you are picking up a student in the loop. If your child needs assistance buckling up, please let the staff member know who is putting your child in your vehicle. We'll be happy to assist with this if possible, however, we will be unable to get into your vehicle to do so. We also ask that if you have several children who need assistance, please park and come sign them out. That way you may take your time helping them get buckled up safely, while also helping us keep traffic moving.**
- **No Passing – If you are picking up in the car rider line, and the person in front of you hasn't exited, please do not pass. We are trying to get everyone out very quickly, but we ask you not pass the car in front of you unless directed to do so by an APS staff member. We don't want there to be an accident.**
- **PM Car Rider Traffic – If you arrive to go through the car rider loop, and traffic is out to Ferguson Street, please circle the block. It will only take an extra few seconds for traffic to clear from the loop, and it keeps Ferguson Street from being blocked to other through traffic.**
- **Visitors – Parents and other visitors should park in the lot in front of APS. There is one point of entry through the main door. Staff members are the only persons who may enter through doors adjacent to Ferguson Street. All others, including substitutes must enter through the main entrance and report directly to the office if not between 8-8:15 a.m.**
- **Bus Concerns – Please speak with the driver and/or contact the bus shop at 352-7441.**

November 2011 Calendar…

Thursdays in November - FAST

Monday, November 12 –
-PTO, 7 p.m. -2nd grade performs

November 12-16

-American Education Week (See attached flyer)

Tuesday, November 13 – K Parents Invited to Eat with Students

Wednesday, November 14 – 1st Grade Parents Invited to Eat with Students

Thursday, November 15 – 2nd Grade Parents Invited to Eat with Students

Thursday, November 15

-Make-up picture day

November 19-20

-School Closed

-Professional Development Days

November 21-23

-No school

-Thanksgiving Break

Appomattox Primary School - Students of the Week

October 1-5, 2012

K: Corey Jones, Peyton Garrett, Hayden Marshall, Jordan Peterson, Ariel Fulton, Talia Hubbard, Zyriah Kelso and Nadir Abdussalaam.

1: Kyle Davis, Lilly Morgan, James Shaver, Bree Carrico, Makenna Robertson, Leon Adams, MaKinnley Meador and Kirsten Gunter.

2: Shankia Burrell, Zach Merillo, Raven Isaacs, Frank Gonzin, Makalah Thornhill, Billy O'Neill, Shondrea Richburg and Caleb Adams.

October 8-12, 2012

K: Joseph Burrell, Lainey Cobb, Natiya Brown, Julia Nichols, Marvis Ferguson, Sydney Glover, Lainey Woody, Cy'Mya Trent and Aaron Preston.

1: Logan Godsey, Aubrey Fulcher, Jorja Baldwin, Randy Branch, James Allen, Tykia Pollard, Camden Joy and Addie Nolen.

2: **Logan Gallier, Kristen Kidd, Jacob Moore, Andre Desouza, Austin Hodge, Alex Caruso, Caleb Gunter and Zoe Lehman.**

October 15-19, 2012

K: **Kannon McCullough, Callan Garrett, Austin Humbles, Damien Smith, Chase Kendrick, Cole Meador, Braelyn Floyd and DiTavion Smith.**

1: **Matt Hall, Brianna Wilmouth, Cadyn Elliott, Nadia Caskey, Sydney Rogers, Braedon Felix, Myah Kelso and Ryan Hall.**

2: **Kenley Booth, Ashleigh Sigafoos, Ja'Kayla Farmer, Zen Jackson, Nate Dillon, Trevor Willis, Hadassah Williams and David Dohrmann.**

October 29-November 2, 2012 **- None**

THE RAIDER REPORT

Appomattox Elementary School
November, 2012

Principal-Karen Cyrus
Assistant Principal-Tom Yarber

"Celebrate the Decades of Success at AES"

2012 Virginia School Board Association "Showcase for Success", After School Clubs
2011 Virginia Tech Excellence in Education Award
2011 Virginia Competence to Excellence Award
2010, 2009 Virginia Board of Educational Excellence Award
2010, 2009 Virginia Distinguished Title 1 School Award
2008 Governor's Award for Educational Excellence
AYP Certified School
Fully Accredited School

From the Principal

We celebrate "Decades of Thanksgiving" at Appomattox Elementary School! To our parents, grandparents, and home support, we extend appreciation for your partnership with us toward achieving success for your child. Every day, we find ourselves with multiple reasons to give thanks for opportunities we have to serve your students. We are:

Treasuring moments in the life of each child

Hearing the laughter, sharing a smile

Asking the questions that cause them to grow

Noticing efforts that lead them to know

Keeping the faith that seeds planted take root

Seeking a future in which knowledge bears fruit.

It just doesn't get any better than that!
Happy Thanksgiving to each of you! --*Mrs. Cyrus*

American Education Week—November 12-16

11/12 Celebrate our Veteran's –Invite one to lunch; wear Red, White, and Blue
11/13 Celebrate Parents—Parent Coffee, 9:00
11/14 Celebrate Support Staff—Wear Suspenders in their honor!
11/15 Celebrate Teachers—Dress up in your future Career (after all, they help get us there!)
11/16 Celebrate Decades at AES—Wear Raiders' colors (blue/grey) or favorite college shirt

CELEBRATE SCHOOL SAFETY AT AES!

Dear Parents,
Our main office hours are 8:00 a.m.-4:00 p.m. Our school building is not open before 8:00 a.m. or after 4:00 p.m. Teachers may leave at 3:30 unless involved in meetings. All contacts should be made between 8:00 a.m. and 4:00 p.m.
Thank you, Tom E. Yarber, Assistant Principal

Daylight Saving Time

Remember to set your clocks back.
Daylight Saving Time ends
November 4, 2012.

Grandparents' Week was a HUGE Success!

172 Grandparents were able to join us for lunch throughout the week of October 8-12. It was great to have you all with us!! Please know you are welcome to come back to visit anytime you like.

Lost and Found

Remind your child to check the Lost and Found, located in Commons A, for any missing items. Many items are waiting to be claimed.

VISITORS' PASSES

Parents or other individuals who are in the building for conferences or other school business are expected to report to the office to obtain a pass.

12:30-1:00	GILLAM	DUNEVANT

BUS NOTES

Written permission is necessary regarding bus changes, walker's bell or pick-ups. We cannot take changes over the phone. Information that needs to be on notes are: the student's full name, the teacher's name, the desired bus number, the full name of the person's house where your child will be getting off the bus, and the 911 address. Also, include your phone number in case the school or bus driver has any questions regarding your arrangements.

Please be sure your child knows what to do in case school closes early due to inclement weather, early dismissal or other circumstances.

News from the School Cafeteria Services

Some of you have heard about the changes taking place with regard to school meals. While it is true that the National School Lunch Program (NSLP) has undergone a make-over of sorts, what does that really mean for our menus? We still serve chicken nuggets, pizza & burgers! Perhaps the most notable change is the school roll. We are experimenting wit a new recipe that qualifies under the new guidelines of grain ounces served per week and being whole grain rich, so both the size and recipe has changed. Another notable change is the requirement that a student must have a fruit or veggie on their tray to qualify for the meal price, which is a good thing! We all know most kids need to eat more fruits and veggies! Other than those changes, the majority of the menu offerings are the same as before the NSLP reauthorization. We are able to keep them that way because we are mindful of what we pair together to work into the average weekly limits....that and because we were already pretty awesome to begin with! So, come and enjoy your lunch!!

Thanks!

Niki Kempton, Food Services Coordinator

3RD GRADE NEWS

The third grade continues to be busy as we "Celebrate Decades of Success"! In Science, we are learning about cycles in nature. In Math, we continue to work on math computation.

In Language Arts, we have been busy working on writing topic sentences for creating strong paragraphs.

Our Spelling focus continues to change, as your chilu learns a new skill weekly. He/She will continue to have a list of words, as well as Spelling homework each week.

THE RAIDER REPORT

Look for a new list every Monday in order to help your child practice throughout the week.
October 24 began the second nine weeks of third grade! Each nine weeks, AES begins a new 15 point AR goal. Your child will need to be reading Accelerated Reader (AR) books each evening in order to obtain this 15 point goal for the new nine weeks. Reading teachers will continue to check your child's at-home reading (planner) weekly.

4TH GRADE NEWS

As we celebrate the beginning of our second nine weeks in Social Studies, we are focusing on the capitals of Virginia and on the American Revolutionary War. We will be discussing the reasons why the capital was moved on two different occasions and where the capital is located today. Also, we will be focusing on causes that led up to the Revolutionary War, different battles, and the surrender at Yorktown. We have enjoyed visiting Jamestown and Yorktown in October, and are using these visits to make history come alive in our studies of these areas.

In Math, we have begun our unit on patterns and equations, before working more extensively on multiplication and division problems.
Continue to work at home on multiplying accurately and building up speed. Timed multiplication and division tests will help us reach our goals.

This is a wonderful time of the year to relax and wrap yourself in a warm blanket while reading a good book. Have your child begin early to build up those points for AR. Also, thank you for remembering to sign your child's reading log.

5TH GRADE NEWS

The fifth graders have worked at a very mature level to get use to the routines and responsibilities of being the "seniors" in the building thus far this school year! We are very excited about all of the groovy learning opportunities offered. Names of Presidents have been memorized as well as the words to the *Star Spangled Banner!*
The students have eagerly been anticipating Science in fifth grade. We began this school year with the introduction of the Scientific Method and certain tools that scientists as we experienced several investigation labs. Our first science unit was studying about the Earth's surface (SOL 5.7). The students had a blast learning about earthquakes, plate tectonics, volcanoes, weathering, erosion, and deposition, types of rocks and minerals, and layers of the Earth. To culminate this unit, the students were given a project assignment to make a visual model and write a report on one of the many interesting topics in our Earth Science unit.
We recently began our SOL (5.6) on the study of Oceans. Another project sheet has been home with three choices for Ocean Projects from which the students will choose one to complete. We will dive into the ocean while learning about physical and biological characteristics, human impact on our oceans, and the extraordinary creatures that live under all three zones!

Music Notes

Mark your calendars! The date is set! Our PTO program, "Broadway Beat", will be performed for you on **Tuesday November 6**, at 7:00 PM in the AES gymnasium. Featured performers are members of the 4th and 5th grade. Performers are asked to arrive no later than **6:40PM**. Performers need to wear a plain white shirt and dark pants. Won't you please come and share this special musical performance with us? We're looking forward to seeing you!

NEWS FROM COMPASS MATH LAB

3rd graders finished a place value and rounding unit. They will now be working on addition and subtraction with borrowing and regrouping. We will also complete activities to help with fast recall of their addition and subtraction facts.

4th graders have finished working on grasping their multiplication and division facts and learning how they are related. We will continue to practice so that they can get faster with their fact drills. We will now do patterns and equations; then we will multiply with double digits and do long division.

5th graders finished long division with one and two digit divisors. We also did a segment on bar graphs. We will be covering prime and composite numbers and studying probability.

All AES students have put forth a great effort the first nine weeks. Please continue to help your child practice their math facts. A few minutes of repeated practice each day makes a major difference! The faster they are

with facts, the faster they can complete homework and grasp each new math unit!

TEN THINGS I LOVE ABOUT BUILDING RELATIONSHIPS

AES wants to develop relationships with students, determine strengths and needs of the students, set goals with students, and receive feedback about what is helpful in building relationships. Our mentoring program is a way for WATCHDOG DADS, former teachers and staff, and approved volunteers to help students. A comfortable match is very important so we will work with you to find a good match. In celebration of 10 years of success at the new elementary school, I share 10 things that I love about building relationships with students:

1. Visit for at least 30 minutes one time per week.
2. Bring a treat for the student.
3. Talk about future careers of interest.
4. "Take 10" around the track: Ask and answer 10 questions with the student.
5. Eat lunch together.
6. Tell a positive story.
7. Play a favorite game.
8. Fill a bucket of favorite things for the student's birthday.
9. Write someone a thank you note.
10. Review learning in a fun way.

Please contact me if you are interested in building relationships with our students.

Thank you, Tom Yarber (teyarber@appomattox.k12.va.us) or 434.352.7463

P.E. News

Our *Get Active, Get Fit School Challenge* is underway! I hope your child is remembering to check off his/her chart each time he/she is active for 20 minutes or longer. Here are some healthy tips to help with your challenge:

- When the weather is nice, play outside instead of being a couch potato.
- Drink plenty of water. Try to drink water, low-fat milk, or 100% fruit juice. Did you know that one can of Classic Coke contains 140 calories, 50mg of sodium (salt) and 10 teaspoons of sugar?!
- Delay or distract yourself when you're not really hungry but you have a desire to eat something out of boredom or habit.
- Choose healthier options – for example: grilled over fried; water over any other drink option; more fruits and veggies; low-fat products; whole grain pasta and bread; olive and canola oils; and lean meats, poultry, fish, and beans for protein.
- Great snacks: string cheese, nuts (walnuts, almonds, pecans, cashews, etc.), dried fruit raw veggies and fresh fruit
- Get moving! Exercise goes hand-in-hand with nutrition in staying lean and fit.

Our challenge ends November 24th and I can't wait to hear about how you completed your challenge today!

Parent Coffee Hour

November 13, 9:00 a.m., Commons B

Parents are invited to chat while sharing a cup of coffee with the principal and assistant principal. Topics include the changing SOLs, study tips for students, school safety, "Bucket-Filling," and any questions parents wish to ask.

Call the school at 352-7463 if you plan to attend. We will have the coffee hot!

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, October 25, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent. Mr. Gregory A. Smith was not in attendance as he was serving as a chaperone at the National FFA Convention in Indianapolis, Indiana.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA - APPROVAL

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the following consent agenda items:

1. Minutes of September 13, 2012 – Interim Meeting
2. Minutes of September 27, 2012 – Regular Monthly Business Meeting
3. Financial Reports – September 30, 2012 (See Attachment # 1)
4. Educational Trips Reports – October 25, 2012 (See Attachment # 2)
5. Payment of Bills – October 25, 2012
   a) $ 241,803.81 – General Fund (See Attachment # 3)
   b) $ 65,497.28 – School Food Fund (See Attachment # 4)
   c) $ 48,723.90 – School Textbook Fund (See Attachment # 5)
   d) $ 85,896.73 – School Capital Improvement Fund (Attach. # 6)
   e) $ 2,574.15 – General Fund End of Month (See Attachment # 7)
   f) $ 78.30 – School Food End of Month (See Attachment # 8)
6. Information from the Schools and Division Offices – October 25, 2012
7. School Related Fund Raisers – Quarterly Reports – September 30, 2012 (See Attachments # 9, # 10, # 11, # 12)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty was pleased to share the following items of communication:

The Board was invited to attend the 2012 Area Youth Art Exhibit at the Longwood Center for Visual Arts on Sunday, October 28, 2012 from 2:30 - 4:00 p.m. The following Appomattox students will have artwork on display until May 2013: Hannah Harris, Zippy Johnson, Summer O'Brien, and Cortney Rawes.

Mr. Ed McCann provided a report to the Board concerning funds received for twenty-four FFA students to attend the National FFA Convention. (See Attachment # 13)

Communication Items from Board Members

There were no communication items from Board Members.

RECOGNITIONS

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Students and Staff

Appomattox County High School –

Lynchburg Art Show at E. C. Glass High School –

Catherine Baldwin – Won Best in Show and $50.00 cash prize
Alexus Wardell – Artwork Selected as Exceptional Piece by the Judges
Katie Harvey – Artwork Selected as Exceptional Piece by the Judges
Faith Jones – Instructor

Forestry Team at the HUB Federation Forestry Contest –

Cory Hodges – Placed 3rd
C. J. Paulette – Placed 3rd

Caleb Baker – Placed 3rd
Sidney Braswell – Placed 3rd
Andrea Hodges – Placed 3rd

FFA State Small Engines CDE –

Cory Hodges – Placed 4th
Bethanne Metts – Instructor for Forestry Team and Small Engines CDE

September Employees of the Month –

Employees of the Month are recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for September, 2012:

Appomattox Primary School
Jennifer Mott

Appomattox Elementary School
Lisa Price

Appomattox Middle School
Michael Sullivan

Appomattox County High School
(Did not have one)

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Membership Report as of September 30, 2012

The superintendent provided the September 30, 2012 Membership Report which indicated the total funded ADM was 2,184 students. This compares with a budgeted ADM of 2,180 for the 2012-2013 school year. (See Attachment # 14)

VSBA and NSBA Activities

The following VSBA activities were discussed:

A VSBA Hot Topic Conference on Autism Spectrum Disorders (ASD) was held in Charlottesville on September 24, 2012. Mrs. Beth Haught, Director of Remedial and Special Education, attended and provided an informative report which revealed a dramatic increase in the number of students with ASD. She also indicated additional training is required by September 2014 for all paraprofessionals who work with students with ASD. (See Attachment # 15)

The VSBA Annual Convention will be held in Williamsburg, November 14 - 16, 2012. The registration fee is $250.00 per person and Mr. Waddell and Dr. Grasty are registered to attend. Mr. Waddell will be serving as our voting delegate representing the Board at the VSBA Delegate Assembly and Regional Meeting. Mr. Torrence will be serving as our alternate in the event Mr. Waddell is unable to attend the meeting.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following:

1. Update on APS PPEA Project – Punch list items must be completed six months from August 15, 2012 and are continuing to be addressed. A financial report is being developed and it is anticipated the project will be under budget. The savings realized from the project will be divided between the school division (75%) and the contractor (25%).

2. Update on ACHS Structural Renovations (Gym and Auditorium) – The work on the gym has been completed and the auditorium is being painted as structural braces are being installed. The textured finish on the ceiling is falling off and several solutions are being explored to remedy this problem.

3. Update on Retirement Program for Eligible Part-Time Employees – Horace Mann provided a proposal that met our established guidelines and stipulations and will be the vendor administering our retirement program for eligible part-time employees. Two information meetings have been conducted and eligible employees are in the process of completing sign-ups. We anticipate contributions will be made early next month.

4. AES and ACHS Traffic Flow Discussion – Traffic congestion is being experienced at the elementary school during afternoon parent pick-up. It was the consensus of the Board for the Chairman to submit a letter to the Appomattox

County Board of Supervisors requesting the Virginia Department of Transportation (VDOT) study the traffic flow pattern and provide solutions to remedy the situation. It is our understanding VDOT will furnish the traffic study without cost to the school division or county. (See Attachment # 16)

A committee meeting was recently conducted to investigate a slight change in the upper parking lot at the high school with the goal of making the traffic flow smoother. It is anticipated a new traffic plan will be implemented in January at the high school.

5. Activity Funds Audit – Brown Edwards Accounting Firm completed the audit of all school activity funds in August, 2012. The draft report indicated all accounts were in good condition. The accounting firm is in the process of making recommendations to our office staff who have been very receptive.

6. Direct Deposit Information – Direct deposit will become mandatory for payroll in July 2013. Employees are in the process of completing the required paperwork for this transition.

New Annual Benchmarks in Reading, Math, and Graduation for AMS and ACHS

Mrs. Annette Bennett, Director of Curriculum and Instruction, provided an informative power point presentation concerning the new federal Annual Measurable Objectives (AMO's) in reading, math, and graduation for the middle and high schools. (See Attachment # 17) Mrs. Bennett reviewed a number of strategies that have been developed to address the following:

- Students with disabilities at the middle school will increase their pass rates in English SOL's from 39.62% to 60.00% or the state determined annual measurable objective and Math scores will improve from 17.30% to 40.00%.

- The annual graduation rate at the high school will meet or exceed the 80.00% benchmark as set by the federal guidelines by June, 2013.

New Teacher Evaluation System Mandated by DOE - Update

Mrs. Bennett provided a comprehensive and detailed power point presentation concerning the new teacher evaluation system mandated by the Virginia Department of Education. (See Attachment # 18)

K-3 Primary Class Size Reduction Program Reports for Fiscal Year 2013

Mr. Bruce, McMillan, Director of Human Resources and Staff Development, reviewed the K-3 Primary Class Size Reduction Program Reports for fiscal year 2013. (See Attachments # 19 and # 20)

Update on School / Business Partnerships

The superintendent provided the Board with the school / business partnerships that are in place for the 2012-2013 school year at the elementary and middle schools. Currently, the primary and high schools do not have established partnerships. (See Attachments # 21 & # 22)

ACPS Participation in Food Drive

Dr. Grasty stated Appomattox County Public Schools is participating in an area food drive to provide needy families with food for Thanksgiving. Items will be collected until November 15, 2012 at our schools, Walmart, Appomattox County Library, Appomattox Community Center, area churches, and the three banks in Appomattox.

Preparation for 2013 Board Meeting Calendar

The superintendent received feedback from the Board concerning preparation for the 2013 Board Meeting Calendar. She noted a draft of the calendar would be provided at the November 29, 2012 Regular Monthly Business Meeting for Board input and suggestions.

FY 2014 Budget Process

The Board established the following calendar for development of the 2013-2014 School Budget:

a. November – Public input and discussion of possible budget goals
b. December – Board develops budget goals
c. January – Budget update and adoption of goals; Budget Work Session
d. February – Public Hearing on FY 2014 Budget; Budget Work Session
e. March – Superintendent's Budget Presentation
f. April – Joint Meeting with the Appomattox County Board of Supervisors
g. April – Adoption of FY 2014 Budget

ACTION ITEMS

Consideration of Facility Use Waiver Request

It was moved by Rev. Williams and seconded by Mrs. Martin to deny the request from Appomattox Soccer Association U12 Girls to waive the facilities use fee for lights in the amount of $150.00 for the period November 3-15, 2012. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

A Joint Meeting of the Appomattox County School Board and Appomattox County Board of Supervisors will be held Tuesday, October 30, 2012. The next Interim Meeting of the Appomattox County School Board will be held Thursday, November 8, 2012. The next Regular Monthly Business Meeting will be held Thursday, November 29, 2012. All of the meetings will be held at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Rev. Williams moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employee #10196.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950 as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #50968.

Mr. Torrence seconded the motion made by Rev. Williams. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Rev. Williams and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Rev. Williams made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 23)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Assignments 2012-2013:

LaToya F. Graves – Secretary – Appomattox County High School – Effective: November 1, 2012. (Replacing Mary Watson)

Deborah A. Williams – Instructional Assistant – Appomattox County High School – Effective: November 1, 2012. (Replacing Rhonda Mayberry)

Substitute – Crossing Guard 2012-2013:

Aaron M. Henry

APPROVAL OF STUDENT MATTERS:

Approval of Student Number 50968

It was moved by Rev. Williams and seconded by Mrs. Martin to suspend Student Number 50968 for 365 days with online instruction available combined with homebound services once each week. The student must meet with the Board for review prior to returning to school at the end of the suspension. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Mr. Torrence. A unanimous voice vote of approval was recorded.

CERTIFICATION OF CLOSED MEETING

MOTION: Rev. Williams moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

Minutes of
Appomattox County School Board
Special Joint Meeting

The Appomattox County School Board met on Thursday, November 1, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. This was a special joint meeting between the members of the Appomattox County School Board and Appomattox County Board of Supervisors. Present were School Board Members: Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty. Also present were Supervisors: Mr. Samuel E. Carter, Mr. William H. Craft, Mr. Jerry N. Small, Mr. Ronald C. Spiggle, Mr. Gary W. Tanner, and County Administrator Mrs. Aileen T. Ferguson.

The following Central Office Staff Members were also in attendance: Mr. Brette Arbogast, Director of Technology and CTE; Mrs. Annette A. Bennett, Director of Curriculum and Instruction; Mr. Stephen O. Edwards, Director of Business and Operations; Mrs. Elizabeth R. Haught, Director of Remedial and Special Education; and Mr. Bruce R. McMillan, Director of Human Resources and Staff Development.

CALL TO ORDER, PLEDGE OF ALLEGIANCE, AND MOMENT OF SILENCE

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and thanked the members of the Appomattox County Board of Supervisors for the opportunity to conduct a joint meeting. The Chairman also led in the Pledge of Allegiance and a Moment of Silence.

PRESENTATION BY THE SUPERINTENDENT

Dr. Dorinda G. Grasty, Division Superintendent, thanked the Board of Supervisors for their support of our school division and provided a comprehensive and detailed Power Point Presentation concerning the "State of the Schools" for Appomattox County Public Schools which included: (See Attachment # 1)

- Building a Community of Learners
- Thank You for the APS Renovations
- Accreditation - All Four Schools are Fully Accredited
- Accreditation High Standards for Learning and Achievement
- Accreditation Benchmarks

- AMO's Annual Measurable Objectives

- Reading Annual Measurable Objectives
- Mathematics Annual Measurable Objectives
- How Did We Do on the AMO's?
- Two Different Measurements
- Our Teachers
- New Teacher Evaluation System
- Total Number of All Employees
- Employee Salaries
- Our Employees By Age
- 2012 Graduates
- 2011-2012 CTE Completers for Each Program
- Transportation Services
- Cafeteria Numbers
- 2012-2013 National School Lunch Program Requirements
- Food Services Information
- Student Enrollment
- Student Data
- Other Students
- Remedial and Special Education Enrollment
- Band Growth and Awards
- Athletics
- Adult Education
- Appomattox Alternative Education Center
- Project Graduation - ACHS
- College Focus Class
- Advanced Placement Classes Expansion and Enrollment 2012-2013
- Standards of Learning Test Takers 2011-2012
- Curriculum Initiatives
- Curriculum Needs
- Curriculum Reductions and Combinations
- Technology Improvements
- Maintenance Projects Completed
- Master Plan – ACHS
- Capital Improvement Plan
- Financial Information
- 2012-2013 Revenue
- Average Daily Membership - ADM
- Per Pupil Revenues by Funding Source
- General Assembly Session 2013
- Virginia Retirement System (VRS)
- VRS Fiscal Year Returns
- Net Assets Available for VRS Benefits
- Pension Reform – July 1, 2012

- Trends from the 2012 General Assembly and K-12 Education
- From the State – Budget
- State Budget Issues Upcoming
- Division Budget Outlook 2013-2014
- Thank You

In conclusion, Dr. Grasty praised the staff members of our school division for the hard work they do every day for the benefit of our students.

DISCUSSION BY BOARD MEMBERS

Following her presentation, the superintendent called for questions and comments from the members of both boards. Their response follows:

1. Mr. Craft asked for an explanation of the bicycles he had noticed at the middle school.

   Mr. Reichert stated the bicycles are part of the physical education program at the middle school. Mrs. Bennett noted they were purchased several years ago through a grant awarded to the school division.

2. Mr. Craft was concerned about the new mandated evaluation system for teachers. He particularly voiced concern that forty percent of the evaluation is linked to student growth and noted students who are not interested in school will hurt our teachers.

   Dr. Grasty stated Mr. Craft's concern is the very reason we are developing pre and post-tests in an effort to evaluate student growth.

   Mr. Tanner expressed empathy for the teachers and the apprehension they are experiencing. He emphasized this is another mandate that is wrong.

3. Mr. Carter noted following a recent article in The News and Advance concerning SOL scores in area school divisions, a number of individuals asked him why the scores in Appomattox decreased. It was his understanding the decrease was due to the complete overhaul of the way SOL testing is conducted and the change in material. He asked Ms. Stephanie James, Reporter for The Times Virginian, to publish this information in our local newspaper so our citizens could understand the reasons behind the lower scores.

   Dr. Grasty referred to our 2011-2012 SOL scores and cited our scores were better last year except Math which was a new test. She also noted Math scores were down across the state as this test increased in rigor and level of

thinking. She stated we are studying the Math SOL results at each school and trying to bring up these scores.

Mr. Tanner stated the Concord Volunteer Fire Department visited Concord Elementary School last spring to meet with students and present a program on fire prevention. He stated the fifth graders were taking Math SOL tests which took longer than normal and caused the students to miss the fire prevention training.

Rev. Williams emphasized teachers are not completely responsible for student development as parental support and student motivation play critical roles. He noted it is impossible to measure consistently and applauded Mrs. Annette Bennett for her diligence in developing an equitable teacher evaluation system in our school division.

4. Mr. Tanner stated members of the Board of Supervisors go to Richmond each year to meet with legislators, but they don't listen.

   Mr. Smith noted the School Board adopted the same resolution as the Board of Supervisors requesting the Virginia General Assembly address budget issues prior to other legislative requests. He stated the resolution has been sent to our legislators and we received a response that the resolution would be read on the floor of the General Assembly during the next session.

5. Mr. Smith also addressed the issue of Charter Schools and indicated we already have a difficult time paying for our current education responsibilities and we certainly will not have sufficient funding to meet the financial obligations that will be mandated by Charter Schools.

   Dr. Grasty stated we do not have any students currently attending Charter Schools.

6. Mr. Smith was pleased to report he recently attended the National FFA Convention in Indianapolis, Indiana as part of the Appomattox FFA group of twenty-three students and six chaperones. He emphasized the high caliber of our students and staff as they represented our school division in an exemplary manner.

7. Dr. Grasty stressed our students have lots of dreams and thanked the Appomattox County Board of Supervisors for their help in making these dreams come true.

8. Mr. Waddell thanked the Supervisors for coming to the meeting and for the budget support they provided our school division for the current school year. He noted we are very proud of Appomattox County Public Schools.

ACTION

No action was taken at this meeting.

ADJOURNMENT

There being no further business, it was moved by Mr. Smith and seconded by Mr. Torrence to adjourn the meeting. A unanimous voice vote of approval was received.

Brenda F. Gowin
Clerk of the Board

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, November 8, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

VSBA Activities

Dr. Grasty stated the 2013 VSBA Annual Convention will be held November 20-22, 2013 at the Williamsburg Hotel and Conference Center and noted this is a different location from prior years. Appomattox is in the rotation that allows guaranteed lodging at the Williamsburg Hotel and Conference Center if registration is processed between November 13, 2012 and December 10, 2012. The superintendent requested guidance from the Board concerning the number of rooms that should be reserved for next year's convention. It was the consensus of the Board to reserve two rooms, one for Mr. Waddell and one for Dr. Grasty.

ACTION ITEM

Consideration of Approval of Title III Part A Grant Application

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the Title III Part A Grant Application in the amount of $459.97 for language instruction for limited English proficient and immigrant students as submitted and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 1)

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employee #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950, as amended.

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, specifically students #50308 and #12715.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded

by Mr. Torrence, unanimously approved, and recorded by roll call vote. (See Attachment # 2)

APPROVAL OF PERSONNEL MATTERS

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2012-2013:

Felicia D. Rose – Crossing Guard – Appomattox County Public Schools – Effective: October 31, 2012. (Will continue to work in Food Service, Appomattox Middle School)

Ashley G. Cooter – Instructional Assistant – Appomattox Middle School – Effective: November 27, 2012.

Long-Term Substitute:

Sara B. Bollinger – Long-Term Substitute – Appomattox Primary School – Effective: Approximately November 26, 2012. (Replacing Lindsey Mihalik)

Supplemental Assignment 2012-2013

Appomattox County High School:

Patrick D. Riley – Basketball, Girls JV

APPROVAL OF STUDENT MATTERS

Approval of Student Number 50308

It was moved by Mr. Smith and seconded by Mrs. Martin to expel Student Number 50308 for 365 days due to possession of drugs at school. By unanimous voice vote, the motion was approved.

Approval of Student Number 12715

It was moved by Mr. Smith and seconded by Mrs. Martin to allow Student Number 12715 to return to the Appomattox Alternative Education Center effective November 13, 2012 with the understanding the student will successfully complete

coursework by the end of December, 2012. No serious infractions will be tolerated during this time frame. By unanimous voice vote, the motion was approved.

NEXT MEETING

The next Regular Monthly Business Meeting of the Appomattox County School Board will be held on Thursday, November 29, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Torrence. By unanimous voice vote, the meeting was adjourned.

Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA - APPROVAL

Mr. Smith requested the minutes of the October 25, 2012 School Board Meeting be removed from the consent agenda as he was not in attendance at that meeting. His request was granted by the Chairman.

It was then moved by Mr. Smith and seconded by Mrs. Martin to approve the following consent agenda items:

1. Minutes of October 11, 2012 – Interim Meeting
2. Financial Report – October 31, 2012 (See Attachment # 1)
3. Educational Trips Reports – November 29, 2012 (See Attachment # 2)
4. Payment of Bills – November 29, 2012
   a) $ 162,067.23 – General Fund (See Attachment # 3)
   b) $ 45,957.14 – School Food Fund (See Attachment # 4)
   c) $ 1,978.20 – School Textbook Fund (See Attachment # 5)
   d) $ 49,513.43 – School Capital Improvement Fund (Attach. # 6)
   e) $ 2,582.95 – General Fund End of Month (See Attachment # 7)
   f) $ 87.00 – School Food End of Month (See Attachment # 8)
5. Information from the Schools and Division Offices – November 29, 2012

By unanimous voice vote, the consent agenda items were approved as amended and recommended by the superintendent.

CONSIDERATION OF APPROVAL OF OCTOBER 25, 2012 MINUTES

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the minutes of the October 25, 2012 Regular Monthly Business Meeting of the Appomattox County School Board as presented and recommended by the superintendent. Mrs. Martin, Mr. Waddell, and Rev. Williams voted in favor of the motion. Mr. Torrence had not arrived at the time of this motion and Mr. Smith abstained. The motion was approved by majority voice vote.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty shared a note of gratitude from our employee, Mrs. Melva Franklin, for the Boards' recent expression of sympathy during the passing of her father.

Communication Items from Board Members

Mr. Waddell presented an article that was recently printed in The Times Virginian concerning a $25,000.00 Endowed Scholarship that had been established by the Appomattox County High School Class of 1962 through the CVCC Educational Foundation. (See Attachment # 9) He noted the Class of 1962 has encouraged other graduating classes of Appomattox County High School to follow suit.

RECOGNITIONS

Dr. Grasty took great pleasure in recognizing the following students and staff for their achievements:

Appomattox Elementary School:

Longwood University 2012 Area Youth Art Exhibit Participant

Summer O'Brien - Grade 3 - Art Work Displayed at Longwood University - Sponsored by the Longwood Center for Visual Arts

Poetic Power Contest Participants

Submissions were accepted for publication in *A Celebration of Poets*. Work was chosen from writings while these students were 4th graders in Mrs. McCann's Class.

Hannah Dalton - Grade 5
Makenzi Moore- Grade 5
Anne Armstrong- Grade 5
Hayley Carrico- Grade 5
Annabelle Paulette- Grade 5
Colton Smith- Grade 5

Winner of the Presbyterian Homes and Family Services and the Family Alliance "Why My Family is Special" Essay Contest

Grayson Lovins - Grade 4

Lead Teacher in Developing STEM Lessons to Improve Learning in Grades 4 and 5

Beth Jamerson - 5th Grade Teacher

Co-Author, with Central Virginia Collaborative Opportunity, *"Developing STEM Lessons to Improve Learning in Grades 4 and 5"* for Science and Children. Article Submission *"Electromagnetic Induction - An Inquiry Investigation"*

Lynne Lindsay - 4th Grade Teacher

Appomattox Middle School:

Chorus

October Employees of the Month –

Employees of the Month are recognized for going "above and beyond" their normal job duties. Congratulations were extended to the following employees who were selected as Employees of the Month for October, 2012:

Appomattox Primary School

Amanda Ashmead

Appomattox Elementary School

Katie Driskill

Appomattox Middle School

Martha Warner

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above for their outstanding accomplishments.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

FY 2014 Budget Public Comment Session

The superintendent opened the floor for public comments concerning suggestions for the 2013-2014 School Budget. The following individual was the only speaker:

Jennifer Burks
95 Center Hill Lane
Gladstone, Virginia 24553

Mrs. Burks stated she was employed by our school division in the capacity of Nurse Coordinator and wanted to speak on behalf of school nurses. She applauded each of our school nurses and the excellent job they do each day. Mrs. Burks also emphasized the importance of retaining these valuable positions as a new school budget is developed. She also furnished the Board with a copy of the 2012-2013 Chronic Health Conditions Report for Appomattox County Public Schools. (See Attachment # 10)

Mr. Waddell thanked Mrs. Burks for her comments.

Membership Report as of October 31, 2012

The superintendent provided the October 31, 2012 Membership Report which indicated the total funded ADM was 2,188 students. This compares with a budgeted ADM of 2,180 for the 2012-2013 school year. (See Attachment # 11)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The VSBA Annual Convention was held in Williamsburg, November 14 - 16, 2012. Mr. Waddell and Dr. Grasty attended with Mr. Waddell serving as the voting delegate representing the Board at the VSBA Delegate Assembly and Regional Meeting. Mr. Waddell reported it was a good meeting with an excellent closing speaker. He attended a workshop concerning the Governor's Proposed Budget. The workshop presenter was cautiously optimistic that the Governor's number one priority will be education. Mr. Waddell also provided copies of the program and Delegate Handbook for Board Members to review. He noted the

Delegate Assembly opposed allowing non-school students to participate in sports programs. Dr. Grasty enjoyed the session on USDA Food Services where school divisions shared the challenges being faced with the new guidelines and regulations.

The VSBA Legislative Conference will be held January 23 - 24, 2013 in Richmond. Registration is $150.00 and the deadline for registration is January 8, 2013. Mr. Waddell and Dr. Grasty requested registration be processed for them to attend the first day of the Legislative Conference.

VSBA will conduct Orientations for New School Board Chairs / Vice Chairs, Board Members, and Superintendents in Richmond on January 24, 2013. The cost is $140.00 and the deadline for registration is January 8, 2013.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following (See Attachment # 12):

1. Budget Outlook / Calendar – The final portion of the Federal Jobs Bill Funding which amounted to $341,217.11 has already been depleted in the current 2012-2013 budget. A 10% increase in health insurance premiums is predicted for next year which will account for an additional $126,847.73 in needed funds. This gives us an initial shortfall of $468,064.84 as we begin looking at the 2013-2014 budget.

2. Update on ACHS Structural Renovations (Gym and Auditorium) – This project has been completed. The total costs were $247,285.73 and paid from Capital Improvement Project and operating funds.

3. Update on Retirement Program for Eligible Part-Time Employees – To date, forty-seven eligible employees have completed the sign-up process for the retirement program.

4. Activity Funds Audit Update – Copies of the auditor's report have been distributed to principals and follow-up meetings will be conducted with principals and bookkeepers. Activity Funds Accounting Procedures are being developed that will be utilized division-wide.

5. Direct Deposit Update – The November payroll included 426 employees with 319 of those individuals having direct deposit. We are in the process of enrolling the remaining 107 employees.

6. Traffic Pattern at ACHS – The traffic pattern at the high school will be modified beginning in January, 2013. (See Attachment # 13)

7. Café Collections Procedure – New division-wide Café Collections Procedures will be implemented at the beginning of second semester. This information will be placed in December and January school newsletters. (See Attachment # 14)

8. APS PPEA Financial Update – $12,600,000.00 was appropriated for the primary school PPEA project. Actual costs amounted to $12,492,368.91 which resulted in the project being $107,631.09 under budget. (See Attachment # 15)

9. Health Care Reform – Information from American Fidelity Assurance Company concerning Health Care Reform was distributed. (See Attachment # 16)

Report on FFA Trip to National Convention

Mr. Edward McCann, Teacher and FFA Advisor for Appomattox County High School, thanked the Board for their support of the recent trip to the National FFA Convention in Indianapolis, Indiana, October 24 – 27, 2012. Mr. McCann was assisted by the following FFA Members in providing a report concerning the 85th Annual FFA Convention: Cory Hodges, Cari Campbell, Sidney Braswell, Brittany Klein, Tyler Archer, C. J. Paulette, and Cody Sams.

Mr. Smith accompanied the FFA group on this trip and he could not find enough words of praise for the outstanding students from Appomattox County who attended the National FFA Convention. He applauded their personalities, attitudes, and excellent behavior.

Discussion of Possible FY 2014 Budget Goals

Dr. Grasty received the following suggestions from the Board concerning budget goals for the 2013-2014 School Budget:

- Keep employees whole with regard to health insurance premiums.
- Reinstate paid stipends for Curriculum Chairs of some core subjects.
- Maintain current funding.
- Request salary increase for all staff.
- Allow all current employees to keep their jobs, i.e., to avoid Reduction in Force, if possible.

The superintendent stated the Governor's Proposed Budget will be released on December 17, 2012. She also noted the appreciation of staff for the two percent pay increase that was included in the 2012-2013 School Budget.

Review of 2013 Draft School Board Meeting Calendar

Dr. Grasty provided a proposed 2013 Board Meeting Calendar and requested the Board consider conducting only one meeting in November because of the time restraints created by the VSBA Convention and Thanksgiving Holiday. It was the consensus of the Board to conduct the Regular Monthly Business Meeting on Thursday, November 14, 2013. An Interim Meeting will not be held in November, 2013.

Facilities Use Fee and Policy Discussion

The superintendent requested guidance from the Board concerning the Community Use of School Facilities Policy and the fees that would be imposed upon Appomattox Youth Sports (AYS) for their request to use our facilities for 338 hours during basketball season. She stated the total cost would be $12,242.00 and suggested the Board may wish to consider an hourly fee of $20.00 which would reduce the costs to $6,760.00. (See Attachment # 17) Dr. Grasty noted this was discussed at the November 9, 2012 Joint Board Chairs Meeting and Mrs. Aileen Ferguson, County Administrator, stated Campbell, Charlotte, Amherst, and Buckingham counties do not charge Youth Sports for school facilities used for their football and basketball programs.

Rev. Williams requested a breakdown of the amount of $12,242.00 for actual expenses. He noted, as he had previously advocated, the school system cannot pay for the electrical fees for outside organizations when they use our facilities as we are constantly faced with budget restraints.

Mrs. Martin noted the actual usage costs varies at each of our schools and suggested the costs charged to outside organizations be based on the actual building cost. She supported charging a flat fee per season with the amount being as close to the actual costs as possible.

Mr. Smith suggested charging the same rate as the county which is $20.00 per hour.

Mr. Torrence asked if anyone had met with AYS to discuss the finances and suggested volunteers with that group supervise activities and clean up following the activities to eliminate the need for a paid custodian to be on duty.

Mr. Waddell shared his concern with charging AYS $6,760.00 to $12,242.00 and noted the possibility of amending the current policy by adding a special statement concerning use of school facilities by AYS.

Following a lengthy discussion, it was the consensus of the Board that the superintendent should prepare a menu of options for Board consideration at the December 13, 2012 School Board Meeting.

School Showcase Schedule for 2013

Dr. Grasty reported the following School Showcase schedule has been established for the 2012-2013 school year:

1. January - Appomattox Primary School
2. February - Appomattox Elementary School
3. March - Appomattox Middle School
4. April - Appomattox County High School

ACTION ITEMS

Consideration of Approval of First Reading of Revised Policies

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the first reading of revised policies GAB-R/IIBEA-R - Acceptable Computer System Use and IIBEA-R/GAB-R - Acceptable Computer System Use as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2012-2013

It was moved by Rev. Williams and seconded by Mr. Smith to approve exemption from compulsory attendance laws for bona fide religious belief for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 18)

Consideration of Approval of Overnight Trip Request – ACHS Spanish Class

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the overnight trip request from the high school Spanish Class as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 19)

Consideration of Approval of Overnight Trip Request – ACHS Senior Class

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the overnight trip request from the high school Senior Class as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 20)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETING

The next Regular Monthly Business Meeting will be held Thursday, December 13, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employees #10822 and #10792.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950 as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #12761, #50977, and #51963.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 21)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Retirement 2012-2013:

Kathleen T. Dickerson – Teacher – Appomattox Primary School - Effective: June 30, 2013.

Supplemental Assignments 2012-2013:

Appomattox County High School:

Phillip Jamerson	–	Track, Indoor
Ernie Perkins	–	Basketball, Boys
Tyrone D. Scott	–	Track, Indoor
Wayne Trent	–	Basketball, Boys

APPROVAL OF STUDENT MATTERS:

Approval of Student Number 12761

It was moved by Mr. Smith and seconded by Mrs. Martin to expel Student Number 12761 for 365 days for possession of marijuana and drug paraphernalia on school grounds. By unanimous voice vote, the motion was approved.

Approval of Student Number 50977

It was moved by Mr. Smith and seconded by Rev. Williams to expel Student Number 50977 for 365 days for wounding another student on school property. Mr. Smith, Mr. Waddell and Rev. Williams voted in favor of the motion. Mrs. Martin and Mr. Torrence voted against the motion. By majority voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Rev. Williams. A unanimous voice vote of approval was recorded.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 21

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

From the Principal

December and January bring opportunities to enjoy more time with family and friends as we celebrate holidays of faith, and as we look forward to a year's end break from school. There is a nip in the air as we quickly approach the first day of Winter. Coats, hats, and gloves are beginning to be popular items to wear.....and to lose! Be sure to encourage your child to check "Lost and Found" if you notice that any of these items are missing. Snow and ice may be just around the corner! Hopefully, some of the cold nights will be spent snuggled with a cup of hot chocolate and a good book. Children generally inherit a love of reading from the example set in the home. Check with your child's teacher for suggestions of recommended books to enjoy. Another way to spend a fun evening at home is to involve the whole family in a math game using addition, subtraction, multiplication, and division. Your child will enjoy showing you how much s/he is learning, along with some of the games played in school, and you will appreciate how far your child has grown in such a short time.

As we celebrate December and January, thank you for giving us the honor of learning with your child. This is a privilege that truly warms the heart!

-Karen Cyrus

Lost and Found

Remind your child to check the Lost and Found, located in Commons A, for any missing items. Many items are waiting to be claimed.

From the Assistant Principal

Dear Parents,

In addition to filling stockings this holiday season, why not consider filling a bucket? Our bucket-filling program is a positive way to teach children to show kindness and to respect others. You can explain it this way: Everyone carries an invisible bucket that holds our thoughts and our feelings. When our buckets are full, we feel happy. When our buckets are empty, we feel sad. We can fill buckets when we show that we care about others. We can dip into buckets when we are uncaring and mean.

This holiday season when the students are with you and your family, write down in a small bucket filling pad of paper all the kind, thoughtful actions and words that you hear. Create a memory by sharing your journal with your student. Choose a day during the holiday season when everyone in the house must be bucket-fillers. Take their picture and post it on the refrigerator with a bucket-filler of the day award.

These are simple ideas that will help us partner together to be bucket-fillers.

Happy Holidays!
Tom E. Yarber, Assistant Principal

3RD GRADE NEWS

December and January are going to be busy months! There is so much learning to do, and so many fun activities to enjoy!

We will be constructing "gingerbread" houses on Monday, December 17 from 1:00 until 3:00. This is a very exciting activity for the children, and the third grade hall becomes filled with delicious smells and beautiful, miniature, wintery decorations. More information will be sent home by your child's teacher very soon.

Keep working on those math facts! Addition, subtraction, and multiplication facts are like "sight words".....your child needs to know the answer to the facts as soon as they see them. Division is coming! We want your child to be successful in every way!

Please continue to have your child read AR books for at least 20 minutes each night. He/She will need to complete a short assignment on their "Reading Log" each night after reading. This needs to be signed once by a parent, and turned in on Fridays.
Thanks for all that you do for your child's success!

4TH GRADE NEWS

See History Information from Appomattox 1865 Foundation.

THE RAIDER REPORT

5TH GRADE NEWS

In reading students will be exploring Reference Materials. They will be building their skills using a dictionary, encyclopedia, thesaurus, atlas, and almanac. Students will go on scavenger hunts to collect information for each reference material.

In math students will be solving numerical and geometrical patterns. They also will be learning order of operations and algebra concepts. Keep practicing your math facts each night to ensure success!

What is a molecule? How does sound travel? What colors make up a rainbow? Why does a pencil look broken in a glass of water? These questions and many more will be answered in science class over the next few months. Students will be studying Matter, Sound, and Light!

Students will continue to practice their writing skills by working on a new writing prompt. Also they will be working on tone and voice with what they are writing. For skills they will be working on identifying run on sentences and fragments.
Look in your child's planner today to review notes and activities related to the skills listed above!

Box Tops News:

We did really well this fall and were able to send in nearly $900 in Box Tops. The money will go to the library fund to help promote reading.

Box Tops set our goal at a little over $2000 for this year. We are nearly half way toward that goal for the year. We appreciate all of you that make an effort to save Box Tops for Appomattox Elementary.

Please be aware that many of our Bonus Box Tops have very short expiration dates. We have received one that will have to be sent in to Box Tops in January in order to get credit for this, so please double check that expiration date and make sure that you send them in before they expire. We will do another major shipping of Box Tops for this year in February. Thanks for your help in saving these for our school.

Music Notes

Mark your calendars! The date is set! Our annual holiday sing-a-long will be Tuesday, December 18, 2012 from 1-2PM. Our staff and students will gather to sing our holiday favorites in order to spread some Christmas cheer for all of AES to hear! Won't you please come and share this special musical magic with us? We're looking forward to seeing you!

How well do you know your Holiday Tunes? Take the Christmas Carol Trivia!

1. What are the only two reindeers mentioned in "Here Comes Santa Claus?"
2. In the song "Winter Wonderland" exactly how will you frolic and play?
3. In the song "I'll be Home for Christmas" what is the request to have waiting for them upon return?
4. What was the weather like that Christmas Eve when Rudolph had to guide the way?
5. In a "Holly Jolly Christmas," the lyrics tell us to have a cup of what?

Answers: 1. Vixen and Blitzen 2. The Eskimo way 3. Please have snow and mistletoe and presents under the tree 4. Foggy 5. Cheer

Library News:

Scholastic Book Fair Returns!

Our AES library will host a Scholastic Book Fair March 11-15. Volunteer letters will go out in January to parents who volunteered last year for Book Fair. Return the letters to school with your student, designating which days are best for you to volunteer. If you did not volunteer last year, send a note with your student offering to volunteer, or call the school office and ask the secretaries to pass your name on to the library staff. You can always e-mail us in library at nbwilliams@appomattox.k12.va.us and we will gladly respond. If you cannot volunteer, please plan to come shop with your student during the book fair week.
Nancy Williams, librarian

Physical Education News

November was a great month! At the end of November we completed our *Get Active, Get Fit Challenge*. We are hopeful that we might get a chance to earn a Radio

THE RAIDER REPORT

Disney party for taking part in this program. Kudos to all the students that completed the challenge!

I was able to attend the state Physical Educators conference (VAHPERD) in November and am very excited about incorporating many new ideas into our P.E. curriculum. Exercise fuels the brain!!! All classes will begin a basketball skills unit in December and continue to work on cardiovascular endurance.
We are looking forward to our annual Jump Rope for Heart event on Friday, February 15th!!! It's not too early to go ahead and register your child for the event. Online registration is now open for AES just go to www.heart.org/jump and click on "Register Now!" Look for more information to come home with your child in January.

THE RAIDER REPORT

Students of the Week

September 10-14

3rd – WILL MORGAN, A.J.TUCKER, PROMYSE HODGE, BLAKE NEWCOMB, CONNER SCRUGGS, CADEN BRAFORD, JAKYRA MORGAN, MADDIE HALL.

4TH – CAMERON WOMACK, TYFFANI SIGNAFOOS, TERA CURRY, LILLIAN PAULETTE, JULIANNA SOUTHALL, ALEX BAILEY, ASHANTAYE TURNER, EMMA DIRNKARD.

5TH – JURNEE ALMOND, GABBY MENDOZA, ADAM DILLON, MCKENZIE COFFEY, MALIEK HUBBARD, JACOB NEIGHBORS, HANNAH MARCUM, JUSTIN HAMILTON, IZZY KELSO.

September 17-21

3rd – EMMA BOARD, MARIAH LEWIS, JAYLIN MCCOY, JACOB WILLIAMS, TAMLYN BEILER, D'AYZHA TRENT, DYLAN FIELDS, BRITTANY SMITH.

4TH – TRAVIS RIEGER, DAKOTA DONNIGAN, MARIAH HANCOCK, CANDICE DRINKARD, CARTER BERRY, TATUM HARRIS, TEZ BOOKER, RAVEN CULPEPPER, CLINTON KULPINSKI.

5TH – DEREK HAMMER, DONOVAN BAILEY, JADE FARMER, LUKE OLIMPIO, LEAH CALDWELL, JASMINE HEATER, SAM SUTHERLAND, NA'DYAH WYNN.

September 24-28

3RD – ROSE CLARK, CHARLIE BEAZLEY, MEGAN DRINKARD, CHANDLER O'ROURK, JEFFERY BRUFFY, JAQUAN WALKER, SARAH GOIN, KENLEE GARRETT.

4TH – SHONTAYIA RICHBURG, KRISTIN WILLIAMS, STEPHEN ZDGIEBLOSKI, JOSH EUBANK, HALEY CROUSE, TREY PURCELL, TYLER PETERSON, HARESSA WASHINGTON, DESIREAI CLARK.

5th – SHAUNQUITTA WRIGHT, LEXI SCRUGGS, TREY MCCOY, OLIVIA REID, AUSTIN PAULSEN, COLTON SMITH, SKYLAR SAMS, TEVIN HURT.

October 1-5

3RD – CHRISTOPHER JOHNSON, ALYSE THOMPSON, RYAN FUNK, ABBY WILKERSON, SIERRA LAUGHLIN, ANNA PUTNAM, ETHAN WALTON, XANDER LEWIS.

4TH – JADE CAMPBELL, ELLIE PETERSON, KEYSHAWN BAKER, LARISSA ST. JOHN, ANDREW LINDSAY, SABRINA MELTON, MCKAYLA WILEY, AALIYAH HODGE, WILLIAM BONI.

5TH – JOE DODSON, ENDIA WALKER, JENNA ST. JOHN, CHRIS WILKERSON, BRIANNA BROWN, APRIL MORGAN, TREVOR HATCHER, ANNABELLE PAULETTE.

October 8-12

3RD – KARISSA BROMLEY, KARLEE DAVIS, JORDAN JAMERSON, JADE LIPSCOMB, BRAYDON GOIN, JOSH EAGLE, KAYLIE MORGAN, ALEX BUSA, ZXAVIAN MORGAN.

4TH – AUSTIN BAPPERT, BRYCE GUNTER, MADISON HANCOCK, TREVOR KIDD, FAITH MAYS, JAY PATEL, CHASE WEAKLEY, ZACH BRADLEY.

5TH – AYANNA ALBERT, LOGAN HASTINGS, BRANDON DODSON, KARISMA WATSON, ROBERT MOORE, HAYLEY CARRICO, TRISTAN LOVINGS.

October 15-19

3RD – FAITH CASH, JOSH PETERSON, MADISON BROWN, CORINTHIA JONES, JANAI LEE-GOODE, HANNAH LETHCOE, PEYTON SMITH, JULIANA WILKERSON.

4TH – ON FIELD TRIP.

5TH – RONALD CLAYTOR, TALYAH JONES, ALEXIS FULCHER, CRISTIAN FERGUSON, SHANIYA JOHNSON, ANNAH BOOKER, HAYDEN DRINKARD, CLYDE HARVEY, IZZY KELSO.

November 5-9

3RD – AUSTYN FRANKLIN, AMYAH BOLAR, COURTNEY LAYNE, TREVON BOOKER, DAKOTA WHEELER, MANNIX WILHOIT, GABRIELLE PICKETT, ETHAN MOORE.

4TH – DELANEY HUFFMAN, SARAH MCCONVILLE, BREANNA BLACK, JACKIE BRYANT, JACOB JONES, CONNOR COBB, KAROY JONES.

5TH – MICHAELA PHELPS, CASEY SCRUGGS, JUSTICE WRIGHT, CARLEY NELSON, MALACHI THOMPSON, PARTH PATEL, ALEXIS JONES.

Attention:

Revised Appomattox County Cafeteria

Guidelines Regarding Charging for Lunch

Effective January 22, 2013

1. When a student does not have money on his or her account and needs to charge lunch, resulting in a negative balance, he/she will be given a note to bring home to the parent/guardian as a reminder that funds are needed for the student's account.

2. The Food Services Coordinator will make a weekly Global Connect call to parents/guardians of students with negative balances.

3. The Food Service Coordinator will send a "Balance Due" letter when a negative balance reaches $10.00.

4. The Food Service Coordinator will send a letter when the negative balance reaches $15.00. At this point, students will NO LONGER be allowed to charge lunch or make purchases for "extra items" until the account is settled. The student's participation in elective/social and non-academic school activities may be restricted until the balance is paid. These might include parties, dances, proms, field trips and/or other.

   This letter will also serve as a "30-Day" notice regarding further collection proceedings that can occur.

5. If charges are not paid, follow-up will be made with a mailed "15-Day" notice and then a "Final" notice at the end of the 30 days.

   Once "Final Notice" letters are sent, payment is due within (5) days or collection proceedings may begin.

Attention 4th Graders!!!!!

APPOMATTOX 1865 FOUNDATION

Dear HISTORY PASSPORT HOLDER:

Welcome to the wonderful world of history! The area in which we live is rich with cultural and historic buildings, museums, parks and battlefields. And, guess what? Not all of them are Civil War related. Did you know our region has colonial, revolutionary war and civil rights history, too? By participating in the HISTORY PASSPORT program, you will get a chance to experience some of Central Virginia's most exciting historic places and all for free!

Now that you have received your passport, here's some important info for you and your parents.

1) Visit at least **5** of the sites listed on the inside back cover of your passport. Tour the site, learn their story and then have the staff stamp your passport.
2) Complete **5** visits by May 1st and then hand in your stamped passport to your teacher. It's that easy!

And remember...

- ✓ Passport holders are admitted FREE to any site they visit. (Family members will be expected to pay regular admission rates.)
- ✓ Make sure your family calls the site before your visit and find out their hours, since not all are open 7 days a week.

The classroom in each school district that has the highest percentage of program participation and that completes the entire program will receive a free in-class PIZZA PARTY, a free T-SHIRT and a CLASS PHOTO that will be submitted to your local newspaper acknowledging your success.

So be sure to complete your **5** visits as quickly as you can and encourage all your classmates to complete their visits, too.

Happy History Hunting! And thank you for your participation.

All 4th Graders have received Passports As a grade level, they will visit 3 sites this year. Can you visit 2 more? :)

Appomattox 1865 Foundation

Why Can't I Skip My 20 Minutes of Reading Tonight?

Student "A" reads 20 minutes each day	Student "B" reads 5 minutes each day	Student "C" reads 1 minute each day
3600 minutes in a school year	900 minutes in a school year	180 minutes in a school year

1,800,000 words

90th percentile

282,000 words

50th percentile

8,000 words

10th percentile

By the end of 6th grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?

Superintendent's Message

Dear Staff,

It is amazing that we are in the 16th week of school. I see students engaged in learning at each of our schools. I am met with smiles of excitement from students who are eager to learn and to show off their knowledge in our Professional Learning Communities.

Ours schools are filled with amazing staff. I see teachers who care deeply about their students and strive daily to provide the best instruction possible for each child. I see food services employees who work very diligently in our cafeterias to feed students nutritious and tasty meals. I see bus drivers who drive with precision and safety to get our children to and from school safely each day. I see custodial and maintenance staff keeping our buildings clean, repaired, and safe for our students and community. I see support staff and instructional assistants working behind the scenes in school and division offices, libraries, and clinics to keep our facilities running smoothly, our technology systems ticking, and our students healthy. I see administrators leading our schools and departments with much planning, organization, and hard work.

Thank you for being on the team in ACPS and the work you do in your job for our school division. Your job, your daily work, and your compassion and dedication make a difference in the lives of the students you see each day.

Merry Christmas to you and your family. May you have a wonderful holiday!

My Christmas Wish For You

My Christmas wish for you, my friend
Is not a simple one
For I wish you hope and joy and peace
Days filled with warmth and sun

I wish you love and friendship too
Throughout the coming year
Lots of laughter and happiness
To fill your world with cheer

May you count your blessings, one by one
And when totaled by the lot
May you find all you've been given
To be more than what you sought

May your journeys be short, your burdens light
May your spirit never grow old
May all your clouds have silver linings
And your rainbows pots of gold

I wish this all and so much more
May all your dreams come true
May you have a Merry Christmas friend
And a happy New Year, too

Poet—Ruth Kephart

Sincerely,

Dorinda G. Grasty, Ed. D.
Division Superintendent

Upcoming School Board Meetings:

January 3, 2013 - Interim and Organizational School Board Meeting, 5:00 p.m. (Tentative)

January 24, 2013 - Regular Monthly Business Meeting and Budget Work Session, 5:00 p.m. (Tentative)

Cafeteria Corner

Niki Kempton, Food Services Coordinator

A 2012-2013 update of nutritional information for all food served in an Appomattox County Public School cafeteria is now available online! Please visit http://www.appomattox.schoolfusion.us/and to go Support Services; Nutrition Services; then Nutritional Information to find information on calories, fat, saturated fat, sodium and carbs for all your favorite school foods!

We will be serving ACHS FFA citrus fruit throughout the month of December at all locations. Stop by and include an FFA orange in your lunch!

National Farm to School Week was observed during the month of November. Appomattox County Public Schools cafeterias served locally grown apples, sweet potatoes, carrots, and spinach. The carrots and spinach came from the Agriculture Department of Appomattox County High School. We hope to continue doing business with these local Virginia farmers in the future.

Appomattox County Public Schools Cafeterias Now Accept Online Payments!
Parents can check their child's account balance and cafeteria purchases free! They can add money to their child's cafeteria account for the low fee of $2.50 per transaction! All of this can be done by signing up for a free https://www.myschoolbucks.com/ account!

Appomattox County Public Schools Recycling Program!

Students will be traveling through the school to collect paper from the recycling bins in each classroom, office and lounge. We accept mixed paper, which is every kind of paper - except for corrugated cardboard - including magazines, flat cardboard, poster board, white paper, colored paper, etc.

We are having an issue at some locations with garbage in the gray collecting bins. Please know and inform students that paper products ONLY are allowed in the gray bins.

Business

Steve Edwards, Director of Business and Operations

Construction Notes: The renovation/addition process at APS is almost done with only a few punch list items to complete. At this time, it appears that through the PPEA process, the total cost of the project comes in about 5 – 6% under budget. The structural repair project at the high school in the gym and auditorium is also completed.

Budget Process: This year, the state legislature enters the second year of the biennium budget process, which means we should have a final budget earlier in April than last year. Internally, we will be working on numerous budget projections and will adjust those as time passes and the information coming out of Richmond changes.

The current budget, unfortunately, is starting out with a bleak forecast. Somehow, we will need to find a way to offset the loss of the $341,000 Federal Jobs Bill monies that are now depleted. We also expect an increase in insurance premiums and are hoping to keep employees whole.

ACHS Student Parking Lot to Change January, 2013

Beginning January 2, 2013, traffic flow for those using the Evergreen Avenue parking lot will change. The lower entrance (nearest Route 727) will open and become an entrance only. Traffic will flow in a counter clockwise motion through the parking lot and exit at the upper access point (across from Rehab Center). Bus traffic will continue using the Route 727 parking lot.

Curriculum and Instruction

Annette Bennett, Director

Region 8 Lecture- Rafe Esquith

On November 6th, 25 Appomattox teachers and administrators boarded a school bus to travel to Longwood University to hear the nationally renowned teacher, speaker, and author Rafe Esquisth. Esquith is the author of several inspiring books including "***Teach like your Hair's On Fire"*** and "***Lighting Their Fires"***. Teaching in an impoverished neighborhood in Los Angeles for the last 30 years, Rafe Esquith has learned how to inspire his 5th grade students through the use of an unlikely combination of Shakespeare and Rock and Roll.

Esquith shared a multitude of examples of how he was able to make learning relevant and rigorous for his students who almost all enter this school learning English as a second language. He uses a classroom mini-economy system which offers work to students for certain jobs in the classroom. They are able to earn an income but are also required to rent (or buy) certain amenities such as their desks and school supplies.

An important foundation to his instruction is making sure that his students understand the stages of moral development (Kohlberg) whereby our choices are motivated by our own needs or that of others. Ultimately he wants his students to be motivated to learn because it will make their own life or the lives of others better. He states his toughest job is "to teach honor in a dishonorable culture and decency in an indecent society".

Rafe Esquith is not only a role model for his students but for educators as well. "Be nice and work hard" are the two main rules he lives by, arriving at school by 6:30 in the morning and working well into the late afternoon each day. He returns on Saturdays to tutor high school students for SATs and spends countless hours of his own time in dedication to his students and his career.

Esquith's lecture was punctuated with videos of his classroom and his students' performance which had us laughing and crying throughout. You can see his classroom for yourself by visiting this website www.hobartshakespeareans.org.

This lecture was sponsored by the Region 8 Superintendents which included 12 school divisions from all over the Southside. Well over 1,000 teachers from Region 8 were able to attend this event.

KOHLBERG'S STAGES OF MORAL DEVELOPMENT

Remedial and Special Education

Beth Haught, Director

December is the month when we submit our official "child count" for the Virginia Department of Education. The number of students we have enrolled in special education programs with a signed Individualized Education Program (IEP) in place as of December 1 determines our funding. It is critical that we have accurate numbers when we submit our report to VDOE. At this moment, which is subject to change on any given day, we have 253 students enrolled with 11 disability categories represented (in descending order by number of students: Specific Learning Disability, Speech-Language Impaired, Other Health Impairment, Developmental Delay, Emotional Disability, Intellectual Disability, Autism, Multiple Disabilities, Hearing Impaired, Orthopedic Impairment, Traumatic Brain Injury). APS has 76 students with disabilities, AES has 56, AMS has 57, and ACHS has 64. I would like to take this opportunity to thank each and every one of you for your dedication and for the work you do with our students with disabilities.

Have a wonderful and relaxing winter break!

Human Resources

Bruce McMillan, Director

College Classes – If you are looking for renewal points by taking a college class, colleges in the area will have a whole new batch of classes starting in January – many of these can be taken online. Please call them or view their website for details.

CVCC has many class offerings that are usually reasonably priced. They have classes at the Lynchburg Campus, the Appomattox Campus, and online, too. Here is a link to their class schedule webpage http://cvcc.vccs.edu/ClassSchedule.aspx

The University of Phoenix also has many classes – their classes might be a little more expensive, but they are usually shorter – many as short as 3 weeks. Here is a link to their website - http://www.phoenix.edu/programs/continuing-education/continuing-teacher-education.html.

June 2013 License Renewals – This is a quick reminder for anyone who is up for license renewal in June 2013. The Department of Education will start accepting renewals later in January. Once you have compiled your 180 points and documented that on the License Renewal Form, you must meet with your principal. During this meeting, your principal will ask to see your License Renewal Form and all of your supporting documentation. Once he or she has reviewed your points and documentation, they will initial each section and sign the form. Once they sign the form, a copy should be made of the form for your records and the original should be sent to me. I will give it a quick review and send it on to Richmond. If you are going to use a college course, I will need a copy of the transcript. Email me with questions.

VRS information – Here is some information for anyone who is considering retirement in the next year or two:

A. This is a link to the portion of the VRS website which allows you to see your own individual information.
http://www.varetire.org/Members/About-myVRS/Index.asp
After you log–in, this section allows you to see what your actual monthly retirement benefit would be and it allows you to plug in different retirement scenarios. If you have trouble registering, contact Tracy Johnson in our office.

B. Check out this link for some information from VRS related to retirement.
http://www.varetire.org/Members/Plan1/Education/Index.asp
By the way, anyone who entered the VRS retirement system BEFORE July 1, 2010 is part of Plan 1.

Technology Tidbits - Winter Break Items

Passwords - With Winter Break approaching, please keep in mind that your password may be close to expiring. If you login on a computer (not just email) and your password is within 14 days of expiring you will be prompted that it will expire in 14 days and give you the option of changing it at that time or changing it later. Once you have changed your password, it will not need to be changed again for 120 days. If you haven't changed your password since school started, it will expire right before Winter Break. When that happens, you will no longer be able to check email from home or with your cell phone. We will keep a close look at quarantined email so that it can be released before it's automatically deleted. If you see something legitimate in your quarantine report, email us so that we will know it needs to be released.

Labs/Classroom Computers - Before you leave for Winter Break, please check your classroom and labs close to you to ensure all computers are turned off. This helps conserve energy and ensures that if there is a power outage, the computers don't suddenly lose power but have been shut down correctly.

Laptop/Technology Carts – These carts should not remain plugged in and charging over Winter Break. Please turn off power to the carts and/or unplug the cords and secure them to the carts until used the next time. The charges will not be drained as long as the laptops/iPads are powered off. A laptop in standby mode will drain the battery – please make sure all laptops are shut down and not in standby mode. This is also true for Airliners and Schoolpads – they should not remain plugged in and charging over Winter Break.

Projectors – Please power all projectors off before you leave for Winter Break.

Transportation

Matt Lair, Supervisor

New Morning Bus Unloading Pattern

Beginning on January 2nd we will have a new unloading pattern for buses in the morning. Currently we have buses traveling two different directions as they unload. Some travel around town in a clockwise direction while others travel in a counterclockwise direction. When we come back from Christmas break every bus will travel in a counterclockwise direction. This means that they will travel the same direction in the morning as they do in the afternoons.

This change is being made to increase safety and lessen traffic congestion. We have two specific problem areas:

Lee Grant Avenue between AES and the intersection with Church Street has always been a problem for two reasons. First, it is too narrow for large vehicles to meet from the intersection with South Court Street to the intersection with Church Street. Second, it has always been a problem for buses traveling on Church Street from ACHS to AES to make the left turn onto Lee Grant when traffic is coming across the railroad tracks from the downtown area headed toward ACHS.

The intersection with Evergreen Avenue and Red House Road (727) has been another traffic issue. Buses coming from the Pamplin-Evergreen area or AMS have a hard time turning left from Evergreen Avenue onto Red House Road to drop off their students at ACHS. Now all of the buses will travel from AES to ACHS. They will then exit the parking lot at ACHS and make a right turn onto Evergreen Avenue heading toward AMS. This is usually not a problem until after 8:00 AM so any buses that arrive at ACHS before 8:00 may still use the old traffic pattern, taking a left from Evergreen onto Red House Road but they will then travel to AMS as their second school rather than AES.

This will also have some effect on how we pick-up and drop-off students in the mornings between schools. We will send new instructions to each school before the Christmas break so that teachers' children will know which bus to ride as their current bus may change. This may also change the pick-up and drop-off times at each school.

Finally, all of us in the Transportation Department would like to wish everyone a Merry Christmas and a Happy New Year.

School News

APS NEWS

Mrs. Becky Allen's Class, along with the rest of the kindergarten classes, enjoyed a visit from State Trooper Greg Smith as a part of their community helpers unit. Students learned about what police officers do and how to stay safe in their community. They also were able to sit in Officer Smith's police car.

AES NEWS

AES Hosts Parent Night

Tangrams, “I Spy,” “Ghost Blasters,” bean burritos, potato puffs, and more! Appomattox Elementary School hosted a night for parents and students, called "Food for the Body, Food for the Mind," on November 1, 2012. Parents and their students participated in five learning stations, focusing on homework tips, study strategies, and technology resources in the areas of Reading, Writing, Word Study, and Math. Parents had an opportunity to test several new healthier food options provided by our cafeteria manager, Debbie Knight. Study skill sessions were led by our Reading Coordinator, Katie McCann; Math Coordinator, Jason Wells; Instructional Technologist, Danny Richardson; and pre-service teachers from the Longwood University Partnership Program. Drawings for door prizes were held due to the generosity of local businesses that supported this program.

AES, continued

Business donations included: Penelope’s, Baine’s Books and Coffee, Farmers’ Bank, Dairy Queen, Kroger, "The Little Things in Life", Appomattox Courthouse Theatre, Natour's, Presbyterian Homes & Family Services and the Family Alliance, and the AES Parent-Teacher Organization. Appomattox Elementary School appreciates the support of our community toward reaching our mission to prepare our students for a successful future!

AES STUDENTS CELEBRATE WITH BIRTHDAY GAME DAY!

On October 22, AES students celebrated their positive behavior choices by having the opportunity to play in our Birthday Game Day. Teachers and staff cheered on our students who teamed up to become a mummy, catch a marshmallow from the air, and dress for success during our 10th birthday celebration.

AMS News

Parent Conferences

This year, the AMS faculty has been working to invite parents to frequent the school and meet with teachers. This is more than an evening or two of parent conferences; this is a year-long parent-teacher communication project. The Proactive Parent Communication approach is one where teachers are inviting parents in to get a taste of what our students are doing, see their work, talk about their interests, and open the lines of communication. It’s our goal to make parents feel welcome at AMS and let parents/guardians see, firsthand, the wonderful accomplishments of our students.

AMS News, continued

AMS students had the chance to meet Jim and Liz Baker, who recently moved to the area after being long-term residents of Kiev, Ukraine. They visited Appomattox Middle School to further enhance the students' exploration of the novel *Animal Farm*.

Appomattox Middle School Students Design and Test Experiment

Seventh grade science students applied an understanding of scientific investigation by designing a container no larger than a shoebox to protect a raw egg. Containers with eggs were dropped from the roof of the Middle School. When choosing their design setup (independent variable), students were not allowed to have glue or tape touching the egg. All experiments controlled other variables which could change the outcome of the egg drop. Some of the controlled variables or constants were height of drop, size, type, and age of egg, ground the egg was dropped onto, and rough size of designed container. In this first test, five of the experimental designs successfully protected the egg--resulting in a dependent variable of an unbroken egg! Winning designs and their designers will be announced in the spring of 2013!

Lunch on the Lawn

Sixth and seventh graders from Appomattox Middle School walked to Courtland Field on October 4th to see a special presentation by the Bright Star Children's Theatre out of Asheville, North Carolina. The performance of "Soundtrack to Freedom" celebrated the history of the United States through a timeline of classic songs. Bright Star's professional performers transported students through our nation's past, from the songs of Native American Tribes, to the powerful anthems of the Civil Rights Movement, and everything in between. Students had the opportunity to sing along with some of our country's favorite songs including The Star Spangled Banner and Yankee Doodle while learning about the songs' origins and our country during those time periods.

College Celebrations

As part of an initiative to highlight and celebrate the accomplishments of the AMS staff and emphasize the importance of higher education, college banners of alma maters have been flown over the door of each teacher's classroom. The banners serve to remind students about the importance of education and setting goals. To the right, Mr. Kane points to the flag of his alma mater, Lynchburg College.

NJHS -- National Junior Honor Society

AMS inducted its first members of the newly formed chapter of National Junior Honor Society on November 12th. We were proud to induct twenty-one eighth graders who have demonstrated academic excellence, as well as strength in the categories of leadership, service, character, and citizenship. The ceremony was held at the middle school which included a key note speech delivered by Dr. Stephen Smith, Director of the Central Virginia Governor's School.

ACHS News

ACHS Employee - Crystal Apple Award: Congratulations Julie Bloomfield

District Chorus Auditions

On Saturday, November 3rd, three Appomattox County High School students chose to pursue the opportunity to audition for All-District Chorus at Glenvar High School in Salem, Virginia: Shuntal Abbitt, Larry Hubbard, and Chandler Reid.

These students spent the past month working after school to rehearse the required song and practice their sight singing skills in preparation for the audition. All auditionees were scored based on their performance of the prepared song and their ability to accurately sight sing the melody of a line of music they had never seen or heard before using a system of syllables or numbers to represent pitches.

The results are in, and 9th grade Chorus member, Chandler Reid, garnered a selection to the High School District Treble Choir. Chandler will represent Appomattox County High School at High School All-District Choir at George Washington High School in Danville, VA on February 8th & 9th. Congratulations, Chandler!

Although Larry Hubbard was not selected, we were pleased to discover that, in comparison to last year's audition, Larry quadrupled his audition scores from the judges this year. This marked improvement in his vocal technique and sight singing skills. Way to go, Larry!

We are proud of the hard work all of our Chorus members have put in thus far this year, and we are excited to showcase their talent in upcoming performances. This includes a combined Music Department Winter Concert which will be open to the community on Tuesday, December 11th in the Appomattox County High School Auditorium beginning at 6:00 PM. The Chorus looks forward to sharing their songs with a great audience and helping the community kick off their holidays with the joy of music!

The Roaring Raiders 2012 by Bryan Allgood

During the 2012 fall Marching Band season, The Roaring Raiders, through hard-work and many practice hours, had much success while performing at Bragg Stadium, and around the Commonwealth of Virginia. This year, the marching Raiders grew from 24 playing members and 3 color guard members in 2011, to 55 playing members and 10 color guard members in 2012. The marching band traveled to four band competitions this season including, Brookville, Franklin County, Bluestone, and Lee Davis High Schools. The band received numerous awards in captions including music, marching, general effect, drum major, percussion, and color guard. Our 2012 drum major Maliki Fleshman received the highest score of the day in the drum major caption at the Brookville High School Competition.

A major accomplishment for select members of the Marching Band was the participation in the football half time show on November 10th at the University of Virginia with the Marching Virginians. The students who participated were, Alex Brown, Whitney Wood, Thomas Shaver, Gabriela Fano, Nicholas Microutsicos, Shelby Voorhees, Daniel Watson, Karleigh Moore, and Tommy Lam.

One interesting fact that many may not realize about Marching Band is when the season begins. The marching season starts well before the school year, and the talented marching students willingly give up two weeks of summer to come to Band Camp. During these short two weeks, students come together in the beautiful August afternoons to learn *and* memorize the music and marching for the show. The students have the unique opportunity to work with professional musicians and directors who have extensive knowledge of marching band. This year, we had professional staff that attends or has attended Longwood University, Liberty University, James Madison University, Elon University, and Gettysburg College.

ACHS Scholastic Bowl Team Advances to Regionals

The 2012-2013 ACHS Scholastic Bowl Team (Left to right standing) Alex Carney, Jonathan King, Eric Raup, Nick Tyree, Wes Kuegler, Team Captain Lucy Reed, and Nick Microutsicos. (Seated left to right) Emily Osterberg and Shelby Voorhees. (Not pictured: Carter Neiswander, Bansari Patel, Nicholas Servis, and Coach Joseph Servis)

The ACHS Scholastic Bowl Team was the runner-up in the Dogwood District for the 2012-2013 season behind first place Gretna High School. The team will be advancing to the Regional Tournament which will be held at Rappahannock High School February 2, 2013. The team is lead by its captain, Senior Lucy Reed, who is one of the dominant participants in the district. The team's success comes from its well rounded members who, in addition to participating in Scholastic Bowl, are also active in band, theater, chorus, 4-H, athletics, and numerous extracurricular activities at ACHS and in the community.

Sports

Brad Harper, Athletic Director

The ACHS Raider Swim Team competed in its first meet in the history of the program Friday, November 30th at the Jamerson YMCA. The Raiders competed against EC Glass, LCA, and Liberty-Bedford. The team consists of the following members: Devin Carter, Devin Harvey, Tatum Martin, Bailey Drinkard, Whitley Drinkard, Amber Gilliam, Alexis Hamlet, Jessica Hamlet, Tiffany Liu, Shelby Midkiff, Ashlyn Paulette, and Caroline Thomas. Congratulations Raiders!!!!

In addition to our swimming teams, all winter sports are currently in full swing here at ACHS. Please come out and support all of our student athletes this winter in the following sports-Boys and Girls Basketball, Boys and Girls Indoor Track, Sideline Winter Cheerleading, and Wrestling. Go Raiders!!!!

The ACHS Drama Team competed in the Dogwood District One Act Play Festival on November 3, 2012. Mrs. Davis and the team represented ACHS and the community very well! Congratulations on a great performance.

The Raider Girls Cross Country Team competed in the Region B Tournament in Charlottesville on October 24th at Panorama Farms in Charlottesville, VA. The girls had this tremendous opportunity based on their third place finish at the Dogwood District meet. Adam Swanson qualified as an individual for the Region Meet on the boy's side based on finishing 13th in the boys Dogwood District meet. Congratulations to all runners on their performances.

The administration of ACHS held its Fall VHSL Awards Ceremony on Tuesday, November 27th in the ACHS Auditorium. The teams and activities recognized were: JV/Varsity Volleyball, JV/Varsity Football, Boys and Girls Cross Country, Golf, JV/Varsity Sideline Cheer, and Competition Cheerleading. Congratulations to all award recipients. If you were a fall varsity athlete and did not receive your letter or patch, please see Mr. Harper.

For updated schedules for all winter sports of ACHS/AMS please visit www.dogwooddistrictva.org or www.appomattoxathletics.org.

If you are interested in purchasing any Raider athletic apparel, winter or spring sports passes, or advertising to support Raider Athletics please contact Brad Harper at baharper@appomattox.k12.va.us or at 434-352-7146.

Civil War Day

(Photographs by Lani Dill and Devon Braswell)

On Friday, October 19th students from Mr. Cunningham's Virginia and U.S. History classes and Mr. Servis Advanced Placement U.S. History class participated in the first Civil War Day. Civil War Day was organized by the ACHS Social Studies Department, with the help of the Virginia State Park System, the National Park Service, and the Museum of the Confederacy, to help students gain appreciation of Civil War history and gain perspective on the impact the war had on Appomattox and Central Virginia.

State Park Historian and Author Chris Calkins

The day started with the students participating in a seminar led by National Park Service historian Patrick Schroeder and State Park System historian Chris Calkins. The students discussed the end of the Civil War and the significance of Lee's retreat to Appomattox. The seminar was followed by a question and answer session with the two historians on other Civil War topics.

After the hour long session, the students traveled to the Museum of the Confederacy and the National Park, or "Surrender Grounds" to tour both museums with the historians and other museum staff. At the National Park, Ranger Ernie Price gave the students a tour of the McLean House and other locations where the surrender took place. As part of the tour, Price introduced the students to George Peers (portrayed by Patrick Schroeder), the County Clerk of Appomattox County who witnessed the surrender of Lee's Army. As Peers, Schroeder explained the history of Appomattox County and how the Civil War came to end here.

Patrick Schroeder and Ranger Ernie Price

At the Museum of the Confederacy, Josie Butler, the Director of Education and former ACHS history teacher, took the students on a tour of the museum exhibits with the assistance of ACHS students Kayla Vogt and Shelby Voorhees, who had spent the summer working at the museum as interns. In addition to touring the exhibit galleries, museum guides Jim Godburn and Jimmy Lipscomb gave "third person" historical interpretive programs to the students.

Education Director Josie Butler

The students especially enjoyed getting to examine artifacts and recreated Civil War era weapons, clothing, and equipment as "Doctor" Doburn treated their wounds and "Sergeant" Lipscomb drilled them in marching as he explained the living and fighting conditions of Civil War soldiers.

Jimmy Lipscomb with Museum of the Confederacy and Interns Kayla Vogt and Shelby Voorhees

"Doc" Jim Godburn Treats the Wounded

"Sergeant" Lipscomb Drilling His New Recruits

Patrick Schroeder (as County Clerk George Peers with Mr. Cunningham and Mr. Servis'

After touring the two museums, the students returned to ACHS where they had a program on historical fiction and non-fiction writing with Dr. Casey Clabough from Lynchburg College. Clabough, an Appomattox native, has written several works on historical non-fiction and has recently published *Confederado*, a novel based on the stories of Confederate veterans who fled to Brazil after the Civil War.

In the spring, the ACHS Social Studies Department hopes to repeat Civil War Day for the students enrolled in Virginia and U.S. History. Additionally, as part of the national Civil War Sesquicentennial Program, ACHS hopes to expand Civil War Day into Civil War Week and invite other area high schools to participate in the same series of programs hosted by ACHS and the two museums.

THE PLC AT WORK CARTOON BOOK

"Yes, Eduardo. I'm sure that if you devour all that knowledge, you won't be too full for lunch."

Recipe for Christmas All Year Long

Take a heap of child-like wonder
That opens up our eyes
To the unexpected gifts in life—
Each day a sweet surprise.

Mix in fond appreciation
For the people whom we know;
Like festive Christmas candles,
Each one has a special glow.

Add some giggles and some laughter,
A dash of Christmas food,
(Amazing how a piece of pie
Improves our attitude!)

Stir it all with human kindness;
Wrap it up in love and peace,
Decorate with optimism, and
Our joy will never cease.

If we use this healthy recipe,
We know we will remember
To be in the Christmas spirit,
Even when it's not December.

By Joanna Fuchs

* Upcoming Important Dates *

December 19 - January 1 - Winter Break - No School

January 2 - School Resumes - Students and Staff Return

January 15 - 1:00 Early Dismissal Due to Exams at ACHS*

January 16 - 1:00 Early Dismissal Due to Exams at ACHS*

January 17 - Teacher Workday*

January 18 - Staff Development Day*

January 21 - Martin Luther King, Jr. Holiday - No School*

January 22 - 2nd Semester Begins / 3rd Nine Weeks Begin*

January 24 - Tentative Regular School Board Meeting - 5:00 pm

January 28 - Report Cards Go Home*

*These days could change if days are missed due to inclement weather.

Congratulations!! Employees of the Month

Appomattox Primary School

"It's a Whole New World at APS!"

December/January 2012/2013

Principal's Message…

We have many things to be thankful for this year, and I wanted to take the opportunity to thank you for all of the different ways you assist your children. As we embark upon the holiday season, and things get even more hectic, I know how difficult it will be to manage work, household chores, dinner, lunches and homework. We have numerous demands on our time and resources; yet many of you are very involved in your child's education. You help with homework, volunteer, and regularly communicate with the school; despite all of the other things for which you are responsible.

Teachers and staff appreciate and need that support you provide at home. They are working diligently to ensure success here at school. Having said that, if you have questions or concerns about how your child is doing, please contact the teacher. He/she will be more than happy to meet with you to discuss your child's progress.

Again, I thank you! I wish you all a very special holiday season, and I hope 2013 is another great year here at APS.

As always, if I may be of assistance to you, please contact me:

Heather Mullins
Voicemail: 352-5766
E-mail:hsmullins@appomattox.k12.va.us

Assistant Principal's Message…

Your support and help with your child's education is greatly appreciated. Communication and cooperation between staff and parents benefits student learning. We at APS desire to see your child successful. That is a team effort that requires all members to actively participate.

We look forward to the opportunity to continue to work together with your family in 2013.

Happy Holidays!

Jason Bowyer
jabowyer@appomattox.k12.va.us

NOTES FROM THE CLINIC

The normal fall/winter illnesses are making their way through the school. If your child vomits or has a fever (over 100) during the evening/night before school, please keep him/her home. **A fever, so your child should be free from the use of fever-reducing medication.** **medicated fever is still a fever for 24 hours without** If you have any concerns, call the clinic at 352-8937 between 8:00 a.m. – 3:30 p.m.

Reminders About Student Progress:

Appomattox Primary School
Retention Guidelines/Policy

It is our desire and mission that each student be successful now and in the future. Not every student learns in the same way or at the same rate. Some students may need additional time to master certain skills before being promoted to the next grade level. While it is never an easy decision to retain a student, it is an appropriate decision if the student has not met the grade level requirements for promotion. Appomattox County School Board Policy indicates that many factors should be considered at the elementary level (K-5) including; but not limited to the following:

A. Standards of Learning Assessment scores
B. Progress on grade level subject matter with an emphasis on Reading and Mathematics
C. Academic progress as measured by school assessments
D. Attendance
E. Age
F. Maturity
G. Prior retention
H. Other factors specific to the student

Reference: Appomattox County School Board Policy: IKEC-R

As indicated above, grade level subject matter progress is considered when making retention decisions. Those expectations are described both in the student handbook and can be found at http://www.doe.virginia.gov/.

If a student is considered for retention, you will be notified by the teacher in January of the current school year. In addition, you will receive a letter from the principal in February. The letter does not mean your child will be retained, but it does mean that retention is a possibility. The teacher(s) will conference with you, if requested, to discuss strategies to help your child meet grade level requirements. If necessary grade level requirements are not achieved by the end of the school year, you will be notified following May assessments. The teacher will inform you through a conference, phone call, and/or written correspondence. Additionally, you will receive a letter from the principal indicating your child will be retained in the current grade level for the next school year.
Please note the following excerpt from Appomattox County Public School Board Policy in regards to final student placement/retention decisions:

File: IKEC

PROMOTION/RETENTION

Each student should learn the relevant grade level subject matter before promotion to the next grade.

Decisions regarding promotion and retention shall be made by the principal in consultation with the parent or guardian, teachers, and other school personnel. Although final authority for assignment of the student must rest with the principal, it is preferable that an agreement is reached with the parent or guardian that retention is in the best interest of the student.

Performance on the Standards of Learning Assessments shall be used as part of a multiple set of criteria for determining the promotion or retention of students in grades 3, 5, and 8.

Specific criteria for promotion/retention shall be set forth in regulations developed by the superintendent.

Adopted: August 21, 1998

APPOMATTOX COUNTY

Adopted: August 21, 1998

If you have any questions regarding the retention/promotion policy, please contact the APS principal, Heather Mullins, at 352-5766.

Internet Safety: Tips for Parents

- **Remind your children not to give personal information out to people online unless you have given permission.**
- **As a family, come up with rules for surfing the internet. Go over them regularly.**
- **Check with your internet service provider concerning any safeguarding programs or options they may offer.**
- **Most importantly, supervise your children while they are online**

Reminders:

- **Please make sure your child has everything he/she needs for the day, including a snack. We are unable to call students to the office or interrupt instruction to deliver items. We will be happy to place the item in the teacher's box, but we can't guarantee your child will receive the item at a certain time.**
- **We are unable to take bus/transportation changes over the phone. Bus bells begin dismissing at 3:07. We are unable to "hold" students until you arrive. If you've not sent a change in writing, your child will be transported based on the last note we have on file and/or his/her regular bus. We ask that you send in changes via the student or fax (352-8074) us a note by 12:00. If you choose to fax a note, please follow up with a phone call to ensure our receipt of the fax. We cannot guarantee receipt of changes if after 12:00 and/or not followed up with a phone call.**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**
- **If you would like for your child to be a car rider, please indicate that in the note. If the note says you will pick your child up, he/she will be held in the classroom for you to come in to the office to sign out. The student is called once you sign your child out. If the note indicates he/she will be a car rider, your child will be waiting in the line outside for you to drive around and pick him/her up at the curb.**
- **If using the car rider pick-up loop, please remain in your vehicle. If your child needs assistance with a seatbelt, please let the staff member know who assists with loading, and he/she will assist your child. Also, we ask that you have the right passenger (back or front – your choice) available for a student to load. We prefer not to cross in front of or behind cars in the line.**
- **Please do not pass in the car rider line. If there is a delay, it will take seconds to clear. There have been several near misses as one car has passed another.**
- **Thank you for your patience if your child happens not to be outside and/or it takes a moment or two to get all through the line. We do the very best we can, while trying to maintain safety and order.**

Attendance at APS:

Parents of Car Riders – The tardy bell rings at 8:25. Students must be in the classroom when the bell rings. If your child is in the hallway or outside, he or she will be counted tardy and will need to get a tardy slip from the office. Please do not drop students off prior to 8:00 a.m.

Pre-arranged absences – If your family is going on vacation and/or your child needs to be out for more than a day, please submit a request in writing directly to the Principal prior to the requested dates. A written/approved request is the only way any of the days can be excused.

Letters are required to be sent after a certain number of unexcused absences and absences in general. This is a requirement of the state of Virginia as compulsory attendance laws govern our practices. We understand extenuating circumstances, but we are required to send letters, document, and follow up when students are absent.

If you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash 352-0831

APS Cafeteria Account System…

The computerized cafeteria system provides parents the option of establishing an account whereby daily lunch costs can be deducted. Parents may choose to place money in their child's account weekly, monthly, or yearly. If you wish to have more information, please call Mrs. Jo Harris, Cafeteria Manager, at 352-7476.

December 2012/Januuary 2013 Calendar…

Wednesday, December 19 –Tuesday, January 1:
-Winter Break – No School
Wednesday, January 2:
-School Reopens
Tuesday, January 15, and Wednesday, January 16:
-Early Dismissal Days – 1:00 Dismissal
-End of First Semester
Thursday, January 17: Teacher Workday– No School
Friday, January 18:
-No School
-Staff Development
Monday, January 21: Holiday – No School
Friday, January 25: Report Cards Go Home

School Closing and Emergency Information from Dr. Dorinda Grasty, Division Superintendent:

In bad weather and other emergencies, Appomattox County Public Schools (ACPS) will notify parents and staff about the status of school schedules in several ways. We utilize the following TV and radio stations:
WDBJ TV 7; WSLS TV 10; WSET TV 13; VWBT 12 Richmond; WRLV 88.3 FM; WFLO 95.7 FM ; WVTF 89.1; WKDE 105.5 FM; WROV 98.3; Spirit 103.7 FM ; WSLQ 99.1 FM ; K92 FM

Parents and staff can also go to http://www.schoolsout.com/ and then go to "Virginia" to find Appomattox County Public Schools. From this page, a message appears regarding school closure.

We also use an automated calling system, Global Connect, to deliver phone calls to all parents regarding the status of school delay and closing. It would be ideal to be able to notify all parents and staff the night before snow or ice occurs, so childcare plans could be made early; however, in many cases the frozen precipitation may not begin falling until after midnight. We go out into several areas of the county to check road conditions when a snow/ice event occurs. We do our best to make a decision to close or delay by 5:30 a.m. There may be times when there is frozen precipitation in the western part of the county near Concord and no frozen precipitation on the eastern end near Pamplin. In those situations, we must close the entire school division as we must take into consideration all county roads on which our buses and students travel.

On days that we have advertised a two hour delay and the road conditions do not improve significantly before buses must leave for their route, we may have to move from a two hour delay to a closed status. We will put out all notifications as soon as possible when this situation occurs.

Should frozen precipitation begin to fall once school has begun, we will close schools as quickly as possible if that precipitation is scheduled to continue.

The safety of our students and staff is very important to us. We take these decisions very seriously and exercise caution when transporting the children of ACPS. Please note the following codes:

Code I - Administrators, teachers, clerical, maintenance, and custodial personnel report
Code II - 12 month personnel report
Code III - Designated central office administrators, custodial, maintenance, and bus shop personnel report
Code IV - No one reports

Appomattox Primary School - Students of the Week

November 5-9, 2012

K: Naserene Petty, Max Nitti, Calie Mullins, Dallas Godsey, Hailey Sears, Avery Ramsey, Jackson Gonzin and Abby Caskey.

1: Davyon Anderson, Marissa Perry, Camdyn Taylor, Luca Reed, Cole Arrington, Ashley Ferguson, Zane Hess and Journey Petty.

2: Jaliyah Hall, Ava Beckhouse, Jasmin Shinault, Desirae McCormick, Emma Howald, Sommer Davis, Holly Wilkerson and Caleb Rice.

Attendance Policy Clarification

A note is required any time your child is absent from school, in order for the absence to be excused. This is in addition to the phone call to/from the school nurse. If your child accumulates 5 unexcused absences, a letter will be sent setting up an attendance conference. To avoid receiving this letter, please send in a note each time your child is absent. If you think your child may have already accumulated unexcused absences due to notes not being sent, you may call Mrs. Nash, School Counselor, at 352-0831, to check on this. Thank you for your assistance.

YMCA

Happy Holidays! Thanks to Mr. David Reed, who visited our site in October. His topic of discussion: Bullying.

Thanks to all of our parents who participated in our Fall Family Fun Night.

Reminder: When the school is closed, there will be no after-sch00l program.

If you would like any information on our program, you can reach us at 434-401-3073. Happy New Year!

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, December 13, 2012 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence (arrived at 5:05 p.m.), Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA - APPROVAL

It was moved by Mr. Smith and seconded by Rev. Williams to approve the following consent agenda items:

1. Minutes of November 1, 2012 – Joint Board Meeting
2. Minutes of November 8, 2012 – Interim Meeting
3. Minutes of November 29, 2012 – Regular Monthly Business Meeting
2. Financial Report – November 30, 2012 (See Attachment # 1) and Supplemental Appropriation (See Attachment # 2)
3. Educational Trips Reports – December 13, 2012 (See Attachment # 3)
4. Payment of Bills – December 13, 2012
   a) $ 124,874.20 – General Fund (See Attachment # 4)
   b) $ 38,931.76 – School Food Fund (See Attachment # 5)
   c) $ 1,449.83 – School Capital Improvement Fund (Attach. # 6)
   d) $ 2,800.69 – General Fund End of Month (See Attachment # 7)
   e) $ 87.00 – School Food End of Month (See Attachment # 8)
5. Information from the Schools and Division Offices – December 13, 2012

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Rev. Williams to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty stated two former employees recently passed away: Mr. Daniel W. Davis (December 5, 2012) and Mrs. Hallie Mae Wheeler (December 4, 2012). Mr. Davis was employed by our school division for over 30 years as he served in a number of administrative positions, including: Assistant Principal, Principal, Chapter I Director, Visiting Teacher, and Home School Coordinator. Mrs. Wheeler served as a custodian and food service employee for 15 years. On behalf of the School Board, a contribution was made to the Appomattox County Education Foundation in their memory and a card was sent to each family. Dr. Grasty acknowledged Mr. Davis' and Mrs. Wheeler's contributions to our school system and extended deepest sympathy to their families.

Communication Items from Board Members

There were no items of communication from Board Members.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Membership Report as of November 30, 2012

The superintendent provided the November 30, 2012 Membership Report which indicated the total funded ADM was 2,196 students. This compares with a budgeted ADM of 2,180 for the 2012-2013 school year. (See Attachment # 9)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The VSBA Legislative Conference will be held January 23 - 24, 2013 in Richmond. Registration is $150.00 and the deadline for registration is January 8, 2013. Mr. Waddell and Dr. Grasty are registered and will attend the first day of the Legislative Conference.

VSBA will conduct Orientations for New School Board Chairs / Vice Chairs, Board Members, and Superintendents in Richmond on January 24, 2013. The cost is $140.00 and the deadline for registration is January 8, 2013.

VSBA is accepting nominations for candidates to serve on the Insurance Services Supervisory Board. Each School Board Member seeking election should be willing to attend up to four meetings per year and are required to complete a Candidate Form which must be received in the VSBA Office by January 11, 2013.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following (See Attachment # 10):

1. Direct Deposit – Mandatory direct deposit will become effective July 1, 2013 for all employees.

2. Update on ACHS Master Plan – It is anticipated the final report concerning the Master Plan for Appomattox County High School will be received by the end of January, 2013.

3. Online Meal Payment System – A new online meal payment system through **MySchoolBucks.com** has been implemented in our school division which will give parents a quick and easy way to manage and add funds to their child's meal account. (See Attachment # 11)

Technology Conference Report

Mr. Danny Richardson and Mr. Phillip Amos provided a report of their recent VSTE Technology Conference attendance at Virginia Beach. Board Members were given iBooks to follow Mr. Richardson's entertaining narrative concerning the conference. (See Attachment # 12)

Request for Approval of Sale of Concessions During Fund Raising Event by Alabama Baptist Church Withdrawn

The superintendent reported Alabama Baptist Church recently requested the use of the auditorium at Appomattox County High School and approval of the sale of concessions. Prior to this Board Meeting, they withdrew their request as they had secured another location for their fund raising event. Dr. Grasty noted she was bringing this to the attention of the Board because the church was not in Appomattox County and our current Policy KG-R – Community Use of School Facilities allows outside organizations to apply for use of school facilities. Following discussion, it was the consensus of the Board to present this policy at the January 2013 Regular Monthly Business Meeting for revision concerning use by outside organizations.

Facilities Use Options for AYS and Possible Revisions to Policies KG and KG-R – Community Use of School Facilities

As directed by the Board at the November 29, 2012 School Board Meeting, the superintendent presented the following options for Appomattox Youth Sports (AYS) concerning their use of school facilities to conduct their basketball program:

1. Keep the current invoice which totaled $12,242.00.
2. Exempt AYS from all charges, fees, and rentals.
3. Charge AYS a seasonal fee (Winter $1500.00, Spring $500.00, Fall $500.00).
4. Change the current policy and add a New #3 category (then make current #3 to #4 and current #4 to #5) which would specifically and only be AYS which would state…This group (AYS) will not be charged a cost for rental of facilities and will be charged a percentage (___%) of all utility and custodial expenses.

A lengthy discussion resulted with the following points shared by Members of the Board:

1. Mr. Waddell was in favor of the charging AYS on a percentage basis and revising the Community Use of School Facilities Policy.
2. Mr. Smith suggested twenty to twenty-five percent be charged.
3. Rev. Williams noted the Board would be agreeing to subsidize AYS by charging them a percentage and suggested the Budget be revised to reflect this expenditure.
4. Mrs. Martin stated making a special allowance for AYS will create problems with other youth groups seeking use of school facilities.
5. Mr. Torrence indicated all funding for AYS stays within the county of Appomattox and suggested a tier system addressing county, state, and national organizations be considered.
6. Mrs. Martin pointed out AYS is developing middle and high school athletes.
7. Mr. Smith cited 800 students participate in the Appomattox Youth Sports basketball program which charges $40.00 per participant. This amounts to $32,000.00 in AYS revenue for this one program. Mr. Smith also noted, during his time on the Board, a representative from AYS had not addressed the School Board concerning use of school facilities and related charges.
8. Rev. Williams noted limitations should be considered if the policy is changed to charge AYS a percentage.
9. Mr. Waddell emphasized Mrs. Martin's previous statement that AYS is comprised of Appomattox youth and they are building our school athletic program.

10. Mr. Torrence stated a flat amount should be charged and then we could negotiate if they go over that amount.
11. Mrs. Martin was concerned about the extra amount of work created for staff members by requiring additional calculations, especially for areas that are difficult to calculate. She also mentioned if our budget included extra funding for AYS, she would have no problem in reducing the charges.
12. Rev. Williams suggested the actual current invoice be sent to AYS.

Following the discussion, it was the consensus of the Board to send the current invoice to AYS in the amount of $12,242.00 and give them direction to address the School Board should they have questions. Mr. Waddell indicated this action may be offensive to the Board of Supervisors. Mr. Torrence asked why our County Board of Supervisors does not handle AYS and no one knew the answer to his question.

Update on 2013-2014 School Calendar

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, noted the following timeline in the development of the 2013-2014 School Calendar:

- December – Gather input from Parent Advisory Committee, Teacher Advisory Committee, School Board Members, and Administrators.
- Early January – Develop several draft instructional calendars for consideration and conduct online staff survey.
- January Regular School Board Meeting – Recommend staff selection of the instructional calendar to the Board.
- February/March – Develop staff calendar.

The Teachers Advisory Committee offered the following suggestions as the 2013-2014 instructional calendar is being developed:

- APS and AES – Designated Parent/Teacher Conference Days.
- Two week break at Christmas.
- Spring Break before Easter.
- Wednesday before Thanksgiving should be a holiday.
- APS – Students may have regressed over Thanksgiving Break.

The Parent Advisory Committee was in favor of students being out of school during Thanksgiving Week.

The administrative staff noted:

- Spring Break should be held before Easter.
- Schools should be closed the Wednesday before Thanksgiving which was greatly appreciated this year.
- Designated Professional Development Days are helpful.

Mrs. Bennett stated currently our school division does not qualify for the special waiver from the Virginia Department of Education to begin the school year prior to Labor Day due to the number of school days missed. She pointed out this could change if we miss eight additional days this school year or we qualify for a special waiver because of our regional program involvement with Lynchburg Schools. Mrs. Bennett also stated Region 8 consists of twelve school divisions and our school division was one of four divisions in Region 8 that did not close school on Election Day. Region 8 utilized Election Day as a special lecture day at Longwood University for teachers and Region 8 is requesting no school be held on Election Day as they would like to continue to designate this as an annual teacher lecture day.

Mrs. Bennett received the following input from School Board Members concerning the development of the 2013-2014 School Calendar:

- Mr. Waddell and Mr. Smith were in favor of Veteran's Day being a holiday.
- Rev. Williams and Mrs. Martin were opposed to closing schools on Veteran's Day and were of the opinion students would learn more about Veterans if they were attending school on Veterans Day.
- Mr. Smith was not in favor of half days.
- Rev. Williams favored closing schools the Wednesday prior to Thanksgiving. He also stated a two week holiday at Christmas was a must.

Following the discussion of the above points, it was the consensus of the Board to be inclusive with Region 8 by closing schools on Election Day and operating schools on Veterans Day. Mrs. Bennett assured the Board that special Veteran's Day instructional programs would be conducted in our schools on that day and she would provide the Board with a list of those programs.

FY 2014 Budget Goals

Dr. Grasty reviewed the following suggestions provided by the Board at the November 29, 2012 School Board Meeting concerning budget goals for the 2013-2014 School Budget:

- Keep employees whole with regard to health insurance premiums.
- Reinstate paid stipends for Curriculum Chairs of some core subjects.
- Maintain current funding.
- Request salary increase for all staff.
- Allow all current employees to keep their jobs, i.e., to avoid Reduction in Force, if possible.

No additional goals were provided by the Board. It was noted the FY 2014 Budget Goals will be submitted to the Board at the January, 2013 Regular Monthly Business Meeting for adoption.

Discussion of 2013 Draft School Board Meeting Calendar

Board Members received a revised draft of the 2013 School Board Meeting Calendar for their review and input. The superintendent asked the Board to consider conducting the February 28, 2013 (Public Hearing on School Budget) and November 14, 2013 (Budget Public Comment Session) meetings at the Board of Supervisors Meeting Room at the CVCC Satellite in Appomattox. It was the consensus of the Board to conduct these two meetings at the different location. Dr. Grasty noted Mr. Brette A. Arbogast, Director of Technology and CTE, is considering replacing the current outdated Board Meeting laptop computers with IPads which would be easier to transport and require no special connection at various meeting locations.

January 2013 Organizational Meeting

The superintendent recommended the following items be considered at the January, 2013 Interim and Organizational Meeting:

1. Elect Chairman and Vice-Chairman
2. Appoint Clerk and Deputy Clerk
3. Appoint Designee to Attend School Board Meetings in the Absence of the Superintendent
4. Appoint Purchasing Agent
5. Appoint Records Officer
6. Appoint Representative to the LAUREL Regional Program Board
7. Appoint Representative to the Central Virginia Governor's School Board
8. Appoint Representative to the Appomattox County Education Foundation Scholarship Committee (ACEF)
9. Establish the 2013 School Board Meeting Schedule
10. Adopt Roberts Rules of Order
11. Adopt VSBA Code of Conduct for School Board Members

Mr. Smith noted he is currently serving as Chairman of the Central Virginia Governor's School Board and requested this be extended until August and considered at the Organizational Meeting. It was also noted the LAUREL Regional Program Board changes their Chairman and Superintendent in Charge in August and may consider these positions for two year appointments at a future Board Meeting.

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of Revised Policies

It was moved by Mrs. Martin and seconded by Rev. Williams to approve the second reading and adoption of revised policies GAB-R/IIBEA-R - Acceptable Computer System Use and IIBEA-R/GAB-R - Acceptable Computer System Use as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 13 and # 14)

Consideration of Approval of First Reading of Revised Policies

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the first reading of the following revised policies as presented and recommended by the superintendent:

1. GB - Equal Employment Opportunity/Nondiscrimination
2. GB-F - Report of Discrimination
3. GBA-F/JFHA-F - Report of Harassment
4. GBA/JFHA - Prohibition Against Harassment and Retaliation
5. JB - Equal Educational Opportunities/Nondiscrimination
6. JB-F - Report of Discrimination
7. JFHA/GBA - Prohibition Against Harassment and Retaliation
8. JFHA-F/GBA-F - Report of Harassment

By unanimous voice vote, the motion was approved.

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2012-2013

It was moved by Rev. Williams and seconded by Mrs. Martin to approve exemption from compulsory attendance laws for bona fide religious belief for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 15)

Consideration of Establishing January 3, 2013 as the Interim and Organizational School Board Meeting

It was moved by Mrs. Martin and seconded by Rev. Williams to approve the Interim and Organizational Meeting of the Appomattox County School Board be held Thursday, January 3, 2013 at 5:00 p.m. in the School Administration Building in Appomattox. By unanimous voice vote, the motion was approved.

Consideration of Approval of Facilities Use Option for AYS

It was moved by Rev. Williams and seconded by Mr. Smith to keep the current AYS invoice and send to Appomattox Youth Sports. Mrs. Martin, Mr. Smith, Mr. Torrence, and Rev. Williams voted in favor of the motion. Mr. Waddell voted against the motion. By majority voice vote, the motion was approved.

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETING

The next Meeting will be held Thursday, January 3, 2013 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. This will be the Interim and Organizational Meeting.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended,

in particular for review of the personnel report and employee #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950 as amended; and,

3. Discussion of plans to protect public safety as it relates to terrorist activity and briefings by staff members, legal counsel, or law-enforcement or emergency service officials concerning actions taken to respond to such activity or a related threat to public safety; or discussion of reports or plans related to the security of any governmental facility, building or structure, or the safety of persons using such facility, building or structure pursuant to Section 2.2-3711 (A) 19 of the Code of Virginia, 1950 as amended;

4. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #51963.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, discussion of plans to protect public safety, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in

the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 16)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Resignations 2012-2013:

Ami S. Gonzalez – Instructional Assistant – Appomattox Middle/Elementary School – Effective: December 31, 2012.

Regina C. Pankey – Instructional Assistant – Appomattox Primary School – Effective: December 31, 2012.

Family and Medical Leave Act 2012-2013:

Jane W. Pack – Nurse – Appomattox County High School. Effective: December 20, 2012, for up to 12 weeks according to FMLA guidelines.

Supplemental Assignment 2012-2013:

Appomattox County High School:

Ron Bell – Wrestling, Volunteer Coach

Substitute Teachers 2012-2013:

Michelle R. Caifano
Tracy L. Culbertson
Mirrissa M. Davis
Whitney D. Drew
Danielle M. Hudson
Angela G. Johnson
Daria N. Kelly
Teresa L. Lawson
Raven S. Nowden
Rosanne F. Roach
Joyce R. Wade

APPROVAL OF STUDENT MATTERS:

Approval of Student Number 51963

It was moved by Mr. Smith and seconded by Mr. Torrence to expel Student Number 51963 for 365 days and should the student re-enroll in Appomattox County Public Schools, homebound services or an alternative placement will be available during the expulsion period. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Torrence. A unanimous voice vote of approval was recorded.

CERTIFICATE of RECOGNITION

By virtue of the authority vested by the Constitution in the Governor of the Commonwealth of Virginia, there is hereby officially recognized:

SCHOOL BOARD APPRECIATION MONTH

WHEREAS, the education of Virginia's school-aged children is the foundation upon which the economic, social and intellectual capital of our Commonwealth is built; and

WHEREAS, locally elected and appointed school boards play an important and vital role in a representative democracy, and decisions made by local school boards directly influence instruction in Virginia's public schools; and

WHEREAS, decisions made by local school boards affect the present and future lives of children, and also set direction to prepare all students to be competitive in a local, state, national and global economy; and

WHEREAS, local school boards have devoted themselves to providing a high quality education for all students of the Commonwealth; and

WHEREAS, local school board members work with parents, businesses, education professionals and other community members to create the educational vision for our students; and

WHEREAS, the Commonwealth of Virginia is proud of its educational system and is appreciative of the efforts of local school board members to make the Virginia public school system an excellent place in which to educate its youth, and the contributions of these men and women should be recognized and appreciated by all who benefit from our public school system;

NOW, THEREFORE, I, Robert F. McDonnell, do hereby recognize February 2013 as **SCHOOL BOARD APPRECIATION MONTH** in our **COMMONWEALTH OF VIRGINIA**, and I call this observance to the attention of our citizens; and

BE IT FURTHER RECOGNIZED, this year's theme, "Speak Boards Speak Out For Public Schools" reflects the efforts of local school board members to advocate for public education with local, state and federal leaders.

RESOLUTION CONCERNING

SCHOOL BOARD CLERK APPRECIATION WEEK

WHEREAS, school board clerks in each locality throughout our great Commonwealth are appointed by law to fulfill their duties and responsibilities; and

WHEREAS, school board clerks are responsible for keeping accurate records of the meetings and proceedings of the school board, a record of all receipts and disbursements, and a record of all official acts; and

WHEREAS, school board clerks perform such other duties in connection with the school business of her/his county or city as may be required by the school board; and

WHEREAS, school board clerks maintain frequent contact with the public, including parents, employees and the media, on behalf of the school board and superintendent; and

WHEREAS, school board clerks, in the performance of their duties, are often required to work extra hours attending school board meetings; and

WHEREAS, school board clerks join with school boards to help ensure that students achieve to their highest potential; and

WHEREAS, school board clerks provide an invaluable service for school boards and superintendents; and

WHEREAS, school board clerks are indispensable in notifying and scheduling school board members for their training and development needs, the VSBA Board of Directors does hereby recognize the third week of February as School Board Clerk Appreciation Week in the Commonwealth of Virginia, and

WHEREAS, the Appomattox County School Board joins the VSBA in recognizing the many and varied contributions of school board clerks;

Now, therefore, be it resolved that at its meeting on January 24, 2013, the Appomattox School Board also recognizes the third week of February as School Board Clerk Appreciation Week.

GENERAL ASSEMBLY 2013

HB 1500
Budget Conference Highlights

February 23, 2013

Resolution: Major Differences

Area of Government	House	Senate	Conference
Public Education	**Salary Increases**: Fund 11 months for teachers ($53.5 m.), 6 months for support pers. ($9.1 m.) **COCA**: $6.1 million **Strategic Compensation**: $7.5 m.	**Salary Increases**: Fund 12 months for teachers ($58.5 m.) and support personnel ($18.2 m.) **COCA**: $12.6 million **Strategic Compensation**: $3.0 m.	**Salary Increases**: $70.2 million for 11 months of 2% salary for teachers and support positions **COCA**: $9.4 million **Strategic Compensation**: $5.5 m.
Compensation	$30.4 m. for salary adjustments – includes compression component - $50 per year service for state employees	$38.7 for salary adjustments $3.8 m. add'l for adjustments for specific employee groups	Chapter 3 provided a 2% increase for all groups in FY 2014. Increases in HB 1500 include: State Employee: House compression concept at $65/year service ($70/year for state troopers) Faculty, Judges and State-support locals at additional 1%

2% Salary Incentives , COCA and Strategic Compensation Grants

- **Teachers and Support Salary Incentive**: Provides $70.2 million (11 months) for the state's share
  - Optional participation & requires a local match – must provide at least a 2% increase by January 1, 2014, & would be eligible for the 11 months of funding from the state
  - Added revenue contingency language
  - Includes language that school divisions cannot count the phase-in of the VRS swap as its local match
- **COCA supplement for Support Positions**: Provides $9.4 million in the second year
  - All full school divisions at 7.0%
  - All partial school divisions at 1.8%
- **Strategic Compensation Grants**: Provides $5.5 million in second year

Other K-12 Initiatives in FY 2014

- **School Security**: Establishes a five-year $30.0 million revolving Security Equipment Fund that would provide annual competitive grants up to $100,000 per division
  - Provides $6.0 million each year to enhance school security and would require a 25% local match
  - Funded through the Literary Fund
- Supplants $6.1 million GF in VRS costs with Literary Fund from revenue generated by allowing an add-on for costs of outside collection agency
- Eliminates language for a prospective funding methodology for school nurses for the 2014-16 rebenchmarking cycle
- Includes language that expands eligibility for the STEM Teacher Recruitment & Retention Bonus to include middle school grades & 2nd & 3rd year experienced teachers

Other K-12 Initiatives in FY 2014

- **Virginia Teaching Scholarship Loan Program**: Adds $708,000 in the second year
  - Increases the tuition amount from $3,720 to $10,000
  - Adds eligibility to top 10% of high school class
- **Year-Round Schools**: Provides $412,500 for planning grants up to $50,000 to divisions interested in submitting application to DOE for new year-round programs
  - Nine existing year-round programs can apply for any balances
  - Includes language for voluntary survey to school division superintendents to determine levels of statewide interest
- Adds $129,500 for a new STEM learning initiative for Pre-K & kindergarten students
- **Opportunity Educational Institution**: provides $150,000 in FY 2014 to pay first year start-up costs related to operating board
  - Also adds language to define the framework for the Institution and its general operations
- **Virginia Longitudinal Data System**: provides $120,000 the second year for additional VITA related costs

General Assembly Highlights

* Extends probation period for new teachers for up to 5 years
* Teacher can now be terminated after at least one unsatisfactory performance evaluation
* Changes provision for 3 person grievance hearing panel to a single hearing officer
* Creates a statewide school division to take over schools that have been denied accreditation or are in third year of warning
* Starts strategic compensation grant initiative to bring Teach for America program to Virginia
* Includes $70.2 M for 2% increase in salaries for teachers and support staff; a local funding match is required in order to obtain the state funds
* Assigns A-F grades for schools

What are our needs for 2013-14?

INSTRUCTIONAL NEEDS 2013-14

- **More remedial math services at all levels**
- **More Advanced Placement (AP) and Pre-AP training to increase the offerings for our students (4 teachers)**
- **More blocks of Personal Living and Finance mandated course, requiring a full-time position**
- **Additional staff development for new teacher evaluation, differentiated instruction, technology, and project based learning**

Special Education Needs 2013-14

* **Additional aide needed in Early Childhood Special Education Class**
* **Additional LAUREL School tuition if 1-2 students are placed in autism program**
* **Additional half-day Occupational Therapy Services needed per week @ $58/hour**
* **Additional state-mandated training for all aides working with students with autism (10-12 aides)**

MAINTENANCE AND CAPITAL NEEDS 2013-14

* ACHS – sidewalk, tennis courts, and track repair $300,000
- AMS gym maintenance and repair 35,000
- AES improvements (carpet, dock cover) 25,000
- 3 new buses 225,000

STAFF NEEDS 2013-14

* Tuition reimbursement for classes $20,000
* Content supplements/stipends 9,000
* Seasonal athletic support supplements 3,000
* Increased health insurance premiums (20%) 260,000
* 2% Governor's salary increase if including **all** employees (State share - $132,305 and County share – $55,229)

Student Need

* Student Accident Insurance

* $10,925.00

Staff are losing ground with respect to pay

* Comparing April 2012, October 2012, and January 2013 for a 10 year teacher and a 10 year secretary:
*
* With 2% increase in Federal Taxes, the teacher's check was $64 less in January than last April (before 7% increase), and the secretary's check was $40 less than last April.

GF Debt Service	78.2%

Ways we have reduced our budget/spending

Teaching Staff Reductions

* 2007-08	188
* 2008-09	188
* 2009-10	185
* 2010-11	176
* 2011-12	172
* 2012-13	172

* This has resulted in an 8.5% decrease in teaching staff.

* Except for one year of RIFs, we have achieved this through attrition. There is now little room for attrition without cutting entire programs and non-core course offerings.

Staff Reductions
Total Employees by Year

* 2007-08 383
* 2008-09 381
* 2009-10 374
* 2010-11 364
* 2011-12 362
* 2012-13 354
* Total staff has decreased by 7.5% since 2007-08

* 282, or 80%, of our 354 employees are Appomattox County residents

Reductions in staff have led to:

* Sharing of teachers between schools
* Courses offered every other year
* Elimination of CTE programs
* Reduction and elimination of remedial math and reading classes
* Larger class sizes
* Fewer elective offerings at ACHS
* Fewer bus routes – more students on buses
* Fewer special education teachers for collaborative classes

Proposed Reductions Currently in 2013-14 Budget

* Reduction of one P.E. position through retirement

* Elimination of one Bright Beginnings class for 4 year-olds

If Additional Cuts Are Needed, Possibilities Include…

* Reductions in force of teaching positions, support positions, and administrative positions
* Reduction or elimination of remedial programs
* Reduction of alternative education program
* Elimination of CTE programs with low numbers
* Reduction of non-core offerings/courses /resource classes
* Reduction of field trips and athletic travel
* Delay of capital and maintenance projects
* Reduction of number of athletic teams and competitions offered

Average Daily Membership and Budget Information

March 30 ADM vs Budgeted ADM

Budget Considerations

* Budgeted Average Daily Membership (ADM) for 2012-13 is currently 2180

* Current ADM is 2191
* Budgeted ADM for 2013-14 is 2185

Minutes of
Appomattox County School Board
Interim and Organizational Meeting

The Appomattox County School Board met on Thursday, January 3, 2013 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an interim and organizational meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Division Superintendent Dr. Dorinda G. Grasty called the meeting to order, welcomed those in attendance, led in the Pledge of Allegiance and a Moment of Silence, and presided until the chairman was elected.

CONSIDERATION OF AGENDA

Rev. Williams asked if a motion could be made to approve all positions remain the same for 2013 as they were for 2012. The superintendent noted this motion would be acceptable as the first item under Reorganization for 2013. There being no further comments, the agenda was accepted as presented.

ELECTION OF BOARD CHAIR

Mrs. Martin nominated Bobby K. Waddell to serve as Chairman for 2013 with a second from Mr. Smith. No additional nominations were received. By unanimous voice vote, Bobby K. Waddell was elected to serve as Chairman of the Appomattox County School Board for 2013.

At this point, Mr. Waddell presided for the remainder of the meeting.

REORGANIZATION FOR 2013

It was moved by Rev. Williams and seconded by Mr. Smith to approve all positions and appointments for 2013 remain the same as 2012, adopt the 2013 School Board Meeting Schedule as presented (See Attachment # 1), adopt Roberts Rules of Order, Newly Revised 11th Edition, Published in 2011, as the Rules of Order for 2013, and adopt the VSBA Code of Conduct for School Board Members as presented (See Attachment # 2). By unanimous voice vote, the motion was approved.

This motion approved the following appointments for 2013:

Vice-Chairman	-	Gregory A. Smith
Brenda F. Gowin	-	Clerk
Jayne D. Luongo	-	Deputy Clerk
Annette A. Bennett	-	Designee to Attend School Board Meetings in the Absence of the Superintendent
Stephen O. Edwards	-	Purchasing Agent
Brette A. Arbogast	-	Records Officer
Wyatt K. Torrence	-	Representative to the LAUREL Regional Program Board
Gregory A. Smith	-	Representative to the Central Virginia Governor's School Board
J. Wesley Williams	-	Representative to the Appomattox County Educational Foundation Scholarship Committee

SUPERINTENDENT'S REPORT

Discussion of AYS Presentation to School Board on January 24, 2013

Dr. Grasty reported following the December 13, 2012 Board Meeting she sent a letter to Appomattox Youth Sports (AYS) with an invoice as directed by the Board. Her letter invited a representative from AYS to address the Board at the January 24, 2013 meeting, should they have questions or concerns. The superintendent noted Mr. Ray Perkins, with AYS, had contacted Mr. Waddell requesting to provide a presentation to the School Board at the next meeting. It was the consensus of the Board to allow Mr. Perkins to address the Board on January 24, 2013. It was also the consensus of the Board to include this request as an agenda item under the Superintendent's Report to allow the Board the opportunity to ask questions.

ACTION

Consideration of Approval of Overnight Trip Requests

It was moved by Rev. Williams and seconded by Mr. Smith to approve the ACHS Band overnight trip requests for January 24, 25,and 26, 2013 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 3, # 4, and # 5)

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950 as amended;

3. Discussion of plans to protect public safety as it relates to terrorist activity and briefings by staff members, legal counsel, or law-enforcement or emergency service officials concerning actions taken to respond to such activity or a related threat to public safety; or discussion of reports or plans related to the security of any governmental facility, building or structure, or the safety of persons using such facility, building or structure pursuant to Section 2.2-3711 (A) 19 of the Code of Virginia, 1950 as amended; and

4. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711(A) 2 of the Code of Virginia, 1950, as amended.

Mr. Torrence seconded the motion made by Mr. Smith. This was followed by a unanimous voice vote of approval from the Board.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, discussion of plans to protect public safety, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by all Board Members, and recorded by roll call vote. (See Attachment # 6)

NEXT MEETING

The next regular monthly business meeting of the Appomattox County School Board is scheduled on Thursday, January 24, 2013 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Mr. Smith. A unanimous voice vote of approval was received from all Board Members.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 6

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

_____

Brenda F. Gowin, Clerk of the Board
Appomattox County School Board

Date: January 3, 2013

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, January 24, 2013 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board Members, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Dr. Dorinda G. Grasty, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA - APPROVAL

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the following consent agenda items:

1. Minutes of December 13, 2012 – Regular Monthly Business Meeting
2. Financial Report – December 31, 2012 (See Attachment # 1) and Supplemental Appropriations Requests (See Attachments # 2 and # 3)
3. Educational Trips Reports – January 24, 2013 (See Attachment # 4)
4. Payment of Bills – January 24, 2013
   a) $ 146,951.15 – General Fund (See Attachment # 5)
   b) $ 29,870.18 – School Food Fund (See Attachment # 6)
   c) $ 171,662.07 – School Textbook Fund (See Attachment # 7)
   d) $ 1,500.00 – Swim Team Fund (Attach. # 8)
   e) $ 34,338.85 – General Fund End of Month (See Attachment # 9)
   f) $ 87.00 – School Food End of Month (See Attachment # 10)
5. Overnight Trip Requests (See Attachments # 11)
6. School Related Fund Raising Quarterly Reports as of December 31, 2012 - (See Attachment # 12)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mrs. Martin to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Grasty shared a letter from the National Association of Agricultural Educators (NAAE) concerning Mrs. Elizabeth Duncan's attendance at the 2012 NAAE Conference. (See Attachment # 13)

Communication Items from Board Members

There were no items of communication from Board Members.

RECOGNITIONS

School Board Appreciation Month: February 2013

(See Attachment # 14)

Dr. Grasty stated Governor Robert F. McDonnell has proclaimed the month of February 2013 as School Board Appreciation Month in Virginia. On behalf of Appomattox County Public Schools, the superintendent took great pride in recognizing the following members of the Appomattox County School Board for their dedication and outstanding service:

Mr. Bobby K. Waddell, Chairman
Mr. Gregory A. Smith, Vice-Chairman
Mrs. Amy M. Martin
Mr. Wyatt K. Torrence
Rev. J. Wesley Williams

Staff

Dr. Grasty also recognized the following staff:

Virginia School Principals Appreciation Week: January 20-26, 2013:

(See Attachment # 15)

Heather Mullins – Principal, Appomattox Primary School
Karen Cyrus – Principal, Appomattox Elementary School
Todd Reichert – Principal, Appomattox Middle School
Martha Eagle – Principal, Appomattox County High School

VSBA School Board Clerk Appreciation Week: February 17-23, 2013:

(See Attachment # 16)

Brenda F. Gowin, Clerk
Jayne D. Luongo, Deputy Clerk

On behalf of the School Board, the Chairman presented Certificates of Special Recognition to the individuals listed above.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

Mr. Dennis W. Drinkard, Sr. of 2590 North Creek Road, Appomattox, Virginia 24522, Wreck Island District, addressed the Board on behalf of the county as a whole concerning the bill received by Appomattox Youth Sports concerning the use of school facilities. He encouraged all parties involved to meet and agree to resolve the situation in a very diplomatic manner.

SUPERINTENDENT'S REPORT

AYS Presentation Regarding Basketball Invoice

Mr. Ray Perkins, President of Appomattox Youth Sports (AYS), addressed the Board concerning the invoice AYS received from the school division to use school gymnasiums for their basketball program. He noted AYS has been an established organization in this community for over forty years and has prepared youth for the junior varsity and varsity programs in Appomattox. Mr. Perkins noted that during his ten to twelve years with AYS he has always regarded AYS as a part of the Appomattox Recreation Department and he is in constant communication with Anne Dixon with that department. He indicated he does not do anything without speaking with Mrs. Dixon first and getting approval. He noted the value of the AYS Program as it teaches sportsmanship and teamwork, builds leaders, and combats childhood obesity. Mr. Perkins stated the issuance of the invoice in the amount of $12,242.00 that was later increased to $13,147.00 following his authorized adjustments to the schedule, gave the appearance the School Board wanted to eliminate the program. He noted they have attempted to keep the $40.00 AYS sign-up fee low and stated the fees would have to be increased to approximately $125.00 in order to pay the invoice issued by the school division. He clarified 153 children signed up for the basketball program and last year 750 children were involved with the football, basketball, baseball, softball and cheerleading programs. He stated it was his hope the School Board was not using AYS as a vehicle to get back at the Board of Supervisors. Mr. Perkins stated AYS has never paid to use school facilities and the receipt of the invoice completely blindsided him. He noted a phone call from Steve Edwards would have allowed them to work together to resolve the issue. Mr. Perkins reported Charlotte and Buckingham Counties do not charge their youth to use their facilities and he did not believe they had an agreement in place with their county government. He noted he is currently working with Anne Dixon to secure a written agreement with the county and requested the School Board change their current Facility Use Policy.

Following Mr. Perkins remarks, Mr. Smith asked several questions and emphasized the school division's Facility Use Policy does not charge government related entities. He stated he was trying to work with Mr. Perkins and assured him the School Board was not trying to eliminate AYS. Mr. Smith indicated he was doing his best to be proactive and keep the county from being involved in a federal law suit. He cited Federal Case Law in Cobb County, Georgia in January, 2009, when Liberty Council represented the Child Evangelical Fellowship against the Cobb County District School System because they had two different pay rates for non-profit organizations. Mr. Smith pointed out the School Board cannot discriminate against different non-profits and stated a written agreement between AYS and the County of Appomattox would resolve the issue. He assured Mr. Perkins the members of the School Board were on the Board because they wanted to help the youth of our county. Mr. Smith stated we must follow policy and do the same for all non-profit organizations who use school facilities.

The Chairman stated the Board would take no action at this time and thanked Mr. Perkins for sharing his information with the Board.

Membership Report as of December 31, 2012

The superintendent provided the December 31, 2012 Membership Report which indicated the total funded ADM was 2,190 students. This compares with a budgeted ADM of 2,180 for the 2012-2013 school year. (See Attachment # 17)

VSBA and NSBA Activities

The following VSBA activities were discussed:

The VSBA Legislative Conference was held January 23 - 24, 2013 in Richmond. Mr. Waddell and Dr. Grasty attended the first day of the Legislative Conference. They reported 152 education bills were currently being considered by the General Assembly. They also noted the budget information for the next two years was not promising across the state and provided two handouts from the meeting. (See Attachments #18 and 19)

The VSBA Insurance Services Programs requested Board Members who were interested in serving as an official voting representative to complete the required form and submit to the VSBA Office by January 25, 2013.

The VSBA Southern Regional Forum will be held Wednesday, March 13, 2013. The location of the meeting had not been received at this time.

A VSBA Hot Topic Conference titled "Understanding Student Outcomes of Virginia's College and Career Readiness Initiative" will be held in Wytheville on

March 20, 2013. The registration fee is $130.00 and the deadline for registration is March 11, 2013.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the following (See Attachment # 20):

1. Update on ACHS Master Plan – Major points concerning the ACHS Master Plan, prepared by Mr. Blair Smith with Dominion Seven, were distributed. (See Attachment # 21) Mr. Smith will provide a presentation at the February 28, 2013 Board Meeting.

2. PPEA Project Update – The majority of the punch list items have been completed with some warranty details being the exceptions. A ramp has been added at the loading dock to assist the custodial staff with trash removal. (See Attachments # 22 and # 23) A financial report will be presented at the February 28, 2013 Board Meeting.

3. Early 2014 Budget – The preliminary budget outlook revealed a projected deficit of approximately $700,000.00. (See Attachment # 24) It was noted this amount may change as the General Assembly completes their current session. Mr. Edwards stated the Governor's Proposed Budget calls for a 2% salary increase for a select group of employees which includes: principals, assistant principals, teachers, instructional aides, librarians, and guidance counselors. Rev. Williams was concerned that the Governor's proposed salary increase does not include all employees. Dr. Grasty was in agreement with Rev. Williams as she noted it takes all of our employee groups to educate our students. Mr. Edwards indicated including the remaining employees in the 2% salary increase would cost approximately $48,000.00. Dr. Grasty noted additional division needs will be presented to the Board at the February 28, 2013 meeting. Mr. Smith suggested meeting with the Sheriff to discuss reinstating the middle school resource officer and suggested this item be added to the Budget Goals for FY 2014.

School Showcase

Appomattox Primary School was featured during School Showcase. Mrs. Heather Mullins, principal, and Mrs. Natasha St. John, teacher, proudly presented a video of Mrs. St. John's enthusiastic Second Grade Class as they demonstrated the incorporation of movement and song into their daily learning activities.

Review of Preliminary Fall SOL Testing Data

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, reported preliminary SOL scores for English and Science have not been received at this time. She noted these were new tests and anticipates receipt of the scores in February or March. Math scores were also not available as tests are still being administered in this area. Mrs. Bennett was pleased to share the preliminary information for History and reported all scores have improved. (See Attachment # 25)

Review of 2013-2014 Calendar Options

Mrs. Bennett indicated two draft calendars had been developed and distributed to all school staff who were surveyed concerning their preference. She provided the Board with copies of the draft calendars as well as the survey results which indicated Draft #1 as the staff choice. Mrs. Bennett noted should our school division not qualify for a waiver from the State Department of Education to begin the 2013-2014 school year prior to Labor Day, the Board would be requested to approve a different calendar. The Board was provided with a preliminary draft of an “After Labor Day Calendar” for their review.

IPADS for Tech Books/Textbooks

Mrs. Bennett and Mr. Brette A. Arbogast, Director of Technology and CTE, presented a brochure entitled “Appomattox County Going Digital”. (See Attachment # 26) Mrs. Bennett reported textbooks are adopted every six years and this year Science books are being adopted. The majority of our Science teachers have been searching for digital options that can be used rather than printed textbooks. Mrs. Bennett was pleased to report changing to digital Tech Books would result in a cost savings. As an example, current science Tech Books cost $36.00 and printed textbooks cost between $75.00 to $150.00 each. The initial cost savings would cover the purchase of the IPads which qualify as Textbook Fund expenditures. Rev. Williams asked if students will be allowed to take the IPads home. Mrs. Bennett stated procedures are being developed to allow students to check out IPads while keeping the equipment safe and secure; but initially, IPads will only be used at school. The high school will be piloting the digital Tech Book Program this semester. Mr. Arbogast stated once the data is loaded to the IPads access to the Internet is not needed. He also noted our goal is to have IPads and Tech Books in all of our schools within the next twenty-four months.

Update on Division Bullying Prevention Program

Dr. Grasty provided reports from each school and a power point presentation to update the Board on the school division's Bullying Prevention Program. (See Attachment # 27)

Report on Safety and Security Walk-Throughs of January 15, 2013

Mr. Arbogast reported on the Safety and Security Walk-Throughs that were conducted in each of our schools on January 15, 2013. He stated deputies from the Appomattox County Sheriff's Department were in all of our schools throughout the day as well as during the walk-throughs. Dr. Grasty noted following the walk-throughs, training was conducted in the old elementary school concerning the proper procedure to follow using a police simulated sniper in the building.

Apps4VA High School Competition and Second Annual Digital Learning Day

Mrs. Susie Fisher, ITRT, reported Apps4VA is a program jointly sponsored by the Center for Innovative Technology and the Virginia Department of Education. The Apps4VA High School Competition challenges high school students to outline a theoretical software application or to create an actual working application based on K-12 datasets. (See Attachment # 28) Mrs. Fisher reported four of our high school students are submitting applications.

Mrs. Fisher also pointed out the Second Annual Digital Learning Day will be held in our school division on February 6, 2013 and provided a report of the learning activities that will take place that day. (See Attachment # 29)

Discussion of ACHS Prom Donation Request

The superintendent shared a letter from the Appomattox County High School Class of 2014 requesting a contribution to the 2013 Prom. It was noted the Board has contributed $1,000.00 to the ACHS After Prom Party for a number of years. The Board will consider this as an action item at their February 28, 2013 meeting.

2013-2014 Budget Goals and Budget Work Session

Dr. Grasty reviewed the following suggestions provided by the Board at the November 29, 2012 School Board Meeting concerning budget goals for the 2013-2014 School Budget:

- Keep employees whole with regard to health insurance premiums.
- Reinstate paid stipends for Curriculum Chairs of some core subjects.

- Maintain current funding.
- Request salary increase for all staff.
- Allow all current employees to keep their jobs, i.e., to avoid Reduction in Force, if possible.

Mr. Smith requested that we attempt to reinstate the Middle School Resource Officer and asked that this be added to the FY 2014 Budget Goals.

ACTION ITEMS

Consideration of Approval of Second Reading and Adoption of Revised Policies

It was moved by Rev. Williams and seconded by Mrs. Martin to approve the second reading and adoption of the following revised policies:

1. GB - Equal Employment Opportunity/Nondiscrimination
2. GB-F - Report of Discrimination
3. GBA-F/JFHA-F - Report of Harassment
4. GBA/JFHA - Prohibition Against Harassment and Retaliation
5. JB - Equal Educational Opportunities/Nondiscrimination
6. JB-F - Report of Discrimination
7. JFHA/GBA - Prohibition Against Harassment and Retaliation
8. JFHA-F/GBA-F - Report of Harassment

By unanimous voice vote, the motion was approved. (See Attachment # 30 - # 37)

Consideration of Adoption of Bullying Prevention Month Resolution

It was moved by Mr. Smith and seconded by Mr. Torrence to adopt the Bullying Prevention Month Resolution as presented and recommended by the superintendent. By unanimous roll call vote, the motion was approved. (See Attachment # 38)

Consideration of Adoption of 2013-2014 Budget Goals

It was moved by Mrs. Martin and seconded by Mr. Torrence to adopt the 2013-2014 Budget Goals as presented. By unanimous voice vote, the motion was approved. It was moved by Mr. Smith and seconded by Rev. Williams to amend the adopted 2013-2014 Budget Goals to include reinstating the Resource Officer at Appomattox Middle School, if at all possible. By unanimous voice vote, the amended motion was approved. (See Attachment # 39)

Consideration of Approval of 2013-2014 School Calendar

It was moved by Rev. Williams and seconded by Mr. Torrence to approve the 2013-2014 School Calendar - Draft # 1 as presented by Mrs. Bennett and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 40) It was noted approval of this calendar is dependent upon further action by the General Assembly which may mean we will not be allowed to start school before Labor Day. If that is the case, another calendar will be presented to the Board for action at a later date.

Consideration of Request Regarding Sale of Property

It was moved by Mr. Smith and seconded by Mr. Torrence to approve sending a letter to the Appomattox County Board of Supervisors to make them aware of the Coleman House Property, adjacent to Appomattox Primary School, which is for sale and ask them to explore the possibility of purchasing, should their budget allow. By unanimous voice vote, the motion was approved.

Consideration of Request for Admission as Out-of-County Tuition Student for 2012-2013

It was moved by Mrs. Martin and seconded by Mr. Torrence to approve admission of the out-of-county tuition student for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 41)

Consideration of Denial of Request for Admission as Out-of-County Tuition Students for 2012-2013

It was moved by Mr. Smith and seconded by Mrs. Martin to deny the request for admission as out-of-county tuition students for the 2012-2013 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 42)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

The next Interim Meeting will be held Thursday, February 14, 2013 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. The next Regular Monthly Business Meeting will be held Thursday, February 28, 2013 at 5:00 p.m. in the Board of Supervisors Meeting Room at the Appomattox CVCC Satellite at 136 Carver Lane in Appomattox, Virginia. The Public Hearing concerning the FY 2014 School Budget will also be conducted at the February 28, 2013 meeting.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report and employee #10233.

2. Briefings by staff relating to actual or probable litigation pursuant to Section 2.2-3711 (A) 7 of the Code of Virginia, 1950 as amended; and,

3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #12761.

Mr. Torrence seconded the motion made by Mr. Smith. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, briefings by staff relating to actual or probable litigation, and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Torrence to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Smith made this motion which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 43)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the personnel report as presented and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

Supplemental Assignments 2012-2013:

Appomattox County High School:

M. Scott Almond	–	Softball, Assistant
Fulmer, L. Burks, Jr.	–	Baseball, JV Head
Donald R. Byers, Jr.	–	Softball, Head
Shana H. Canada	–	Tennis, Girls
Joseph J. Caruso	–	Baseball, Head Varsity
Thomas H. Chambers, IV	–	Soccer, Boys JV
Travis K. Cottrell	–	Baseball, Varsity Assistant

Janet L. Rawes	–	Softball, Head JV
M. Stan Rawes	–	Softball, JV Assistant
Tyrone D. Scott	–	Track, Outdoor Assistant
J. Aaron Stroud	–	Soccer, Boys Assistant
Ashley B. Walker	–	Tennis, Girls Assistant
Jonathan A. Watson	–	Soccer, Boys Assistant
Daniel E. Welch	–	Soccer, Girls Assistant
Stacy H. Williamson	–	Soccer, Girls Assistant

Appomattox Middle School:

Shelley R. Harvey	–	Track, Middle School Head (Boys)
Candace C. Lee	–	Track, Middle School Head (Girls)
Alison C. Paulette	–	Soccer, Girls AMS
Bryan F. Vorce	–	Soccer, Boys AMS

ADJOURNMENT

There being no further business, Mrs. Martin moved the meeting be adjourned with a second from Mr. Torrence. A unanimous voice vote of approval was recorded.

_____
Bobby K. Waddell
Chairman

_____
Brenda F. Gowin
Clerk of the Board

Attachment # 43

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Smith moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mrs. Martin	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Rev. Williams	-	Yes

Appomattox Primary School

"It's a Whole New World at APS"

February 2013

Message from your Principals…

Happy Early Valentine's Day. Students love this day, and many of them will exchange nice notes and share a piece of candy or two. That is one of the fun things about being young… enjoying the simple things.
What is not simple? …We must continue to keep students on track and learning, while so many things grab their attention. As we are now halfway through the 2012-2013 school year, we will begin looking at student progress in terms of decisions for next year's placement. If your child is below grade level, that information will have been indicated on the report card and/or your child's teacher will have shared that with you. If your child is below grade level and does not meet the required benchmarks by the fourth marking period, he/she may be retained for the 2013-2014 school year. Later this month, we will be sending letters to parents/students who are in the greatest danger of being retained. If you have questions, please contact your child's teacher to schedule a conference and/or discuss how best to help your child progress.
We look forward to the second half of the year, and we will continue to work with your child to ensure progress is made. We thank you for your support at home, and we realize that it truly takes all of us working together.
If we can be of assistance, please feel free to contact us:

Heather Mullins
Principal
352-5766
E-mail:hsmullins@appomattox.k12.va.us
Jason Bowyer
Assistant Principal/AAEC Coordinator
352-5766
E-mail:jabowyer@appomattox.k12.va.us

Reminders and Helpful Tips:

- **If you have given us a new phone number, it is updated in Powerschool daily. However, it may take up to a month for the update to be reflected in Global Connect, as that is a monthly update.**
- **If you transport your child from school on more than one afternoon per week, please write a note to have your child dismissed with car riders. Dismissal time can be very hectic, and it will help us out a great deal to have those students picked up in the car rider line outside instead of being called from the office.**
- **We are unable to take bus/transportation changes over the phone. <u>We are unable to "hold" students until you arrive.</u>**

- **Car riders must be picked up by 3:10. If you wish for your child to be in the car rider loop, please make sure his/her note indicates car rider, not walker.**
- **Please do not block Ferguson Street while waiting to enter the car rider line on Armstrong Lane. Please circle the block as it only takes a few seconds for the line to move, but the street cannot be blocked even for that minimal amount of time, as other traffic and/or emergency vehicles would not be able to get through.**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**
- **If your address or phone number has changed, please come by the office or send it in writing to the main office.**

Attendance at APS:

Pre-arranged absences – If your family is going on vacation and/or your child needs to be out for more than a day, please submit a request in writing directly to the Principal prior to the requested dates. A written/approved request is the only way any of the days can be excused in conjunction with the use of parent notes or be considered prearranged.

If you have questions about attendance issues, please contact the Guidance Counselor: Kathryn Nash 352-5766, option 3

NOTES FROM THE CLINIC

Contagious illnesses are no fun for anyone. Please keep your child at home if he/she has had a fever (medicated or not) and/or has vomited in the last 24 hours. In addition, if there are other things such as pink eye or head lice making the rounds at your house, please make sure your child is treated before returning to school. Consult the school nurse (352-5766, option 2) if you have any questions.

Internet Safety: "Feeling Comfortable":

The third nine weeks, students will learn that there are good and bad people in cyberspace. Students will learn what to do when they feel uncomfortable online. They will be taught to tell a trusted adult like a teacher or parent when someone does or says something online that makes them feel uncomfortable. They will also be reminded that any person they don't know (real or in cyberspace) is a stranger, and personal information shouldn't be given to that person.

FIELD DAY

As we work our way through the winter months, students and parents begin to ask one of the biggest questions of the year: "When is Field Day?" We are currently planning for Field Day, but all details are not finalized. Additional information will be available soon.

2013-2014 Placement

As we enter into a new year, we are beginning to think about student placement for the 2013-2014 school year. If there is any information you

would like to share with us regarding your child's placement for next year, please communicate that to the principal by email or by leaving a voicemail. While we do not take specific teacher requests, we do make note of teaching styles and personalities.

Attendance News

Congratulations to the following students who had perfect attendance (no absences, no tardies, no early dismissals) during the first semester:
Kindergarten: Natiya Brown, Sydney Glover, Abigail Newcomb and Andruw Shinault.
First Grade: Laya Chidester, Candace Crawley, Aubrey Fulcher, Sarai Glover, Jeremiah Gonzin, Caiden Hamlet, Shakira Hamlett, Madison Scroxton and Kyle Thompson.
Second Grade: Rupert Armentrout, Shankia Burrell, Vorie Copeland, Morgan Doss, Kayla Elliott, Micah Johnson, Gregory Morgan, Jasmin Shinault, Ashleigh Sigafoos, Hadassah Williams and Jillian Williams.
Winners of the $25 gift cards were: Natiya Brown, Candace Crawley and Andruw Shinault.

United Way Bowl-a-Thon

Members of the kindergarten team represented APS at the United Way Bowl-a-Thon on January 27, 2013. They raised money to support programs such as the Spot and Dot book buses that run in Appomattox County. A fun time was had by all that participated.

APS Scholastic Book Fair

Join us in sharing a love of reading with our students at the Book Fair coming in March! This year's theme is, "Story Laboratory-Reading Gives You Super Power!" The Book Fair is a great way to connect your kids with books they want to read! Look for more information coming in February.

YMCA After-School Program

Our After-School Program operates from the time school dismisses until 6:00 p.m., offering: arts and crafts, homework assistance, "the running program" and "kid's college." Don't worry about what your child is doing after school…they have a lot to do when they are with us! If you would like information about our program, you can reach us at 434-401-3073.

Jump Rope for Heart

Appomattox Primary School students will be participating once again in our annual Jump Rope for Heart fundraising activity. During the week of February 11, all gym classes will be exercising by jumping in one way or another, as a way of building heart strength. We are trying to create an awareness of the need to keep hearts fit and healthy, while also raising money to support the American Heart Association.

Collection envelopes have already come home with your child. We hope that you will feel inclined to participate by helping to raise dollars to fight heart disease. The collection ends at the end of February, and all monies collected will go to the American Heart Association. The three classes that raise the most money (1 each in kindergarten, first and second grades) will be rewarded by APS and Mrs. Dickerson. Won't you please help this effort? An end result of this fundraiser is that APS can receive PE equipment for raising a certain amount of money! It's definitely a win-win situation! Let's eradicate heart disease now!

Appomattox Primary School - Students of the Week

December 3-7, 2012
K: Evan Thompson, Evan Carwile, Carsyn Roark, Georgia Mills, Emily Dudley, Brooke Goin, McKenzi Chenault and Sydney Mays.
1: Lucas Woody, Candace Crawley, Jeremiah Harris, Zachary Wallen, Dominic Silver, Isiah Murley, Reece Terry and Trent Lacey.
2: Nadiyah Abdusalaam, Jakiah Watson, Rylan Guess, Gergory Morgan, Nathan Shippee, Brian Ranson, Seth Gilliam and Caitlyn Radford.
December 10-14, 2012
K: Kindle Kincaid, China Scott, Jay Harris, Collin Crowder, Chase Kendrick, Jai Mosley, Ellie Armstrong and Jalen Megginson.
1: Jazmine Klinedinst, Kierstyn Gilbert, Hayley Kidd, Spring McFadden, Madison Baldwin, Ruby Rodriguez, Reid Fanney and Qua Mosley.
2: Madison Blount, Vori Copeland, Abby Sligh, Mackensey Blount, Brianna Reynolds, Anna Inzeo, Mario Rubio and O'Ryan Reeves.
December 17-21, 2012 - None
December 24-28, 2012 - None
December 31, 2012 - January 4, 2013 - None
January 7-11, 2013
K: Nicholas Bryant, Neah Gonzalez, Karrington Irving, Jaxson Moon, Kelsey Canada, Mariah Jones, Hadley Coffey, Jayden Patrick and Cameron Hill.
1: Hunter Howald, Laya Chidester, Amari Carter, Jackson Cates, Catey Paulette, Jeremiah Gonzin, Lindsay Hamilton and Zavion Sanders.
2: Kenley Booth, Stella Lauter, De'Marion Mosley, Adrienne Morgan, Emma Howald, Rupert Armentrout, Lane Nash and Colby Christian.
January 14-18, 2013 - None

January 21-25, 2013 - None
January 28-February 1, 2013 - None

Accelerated Reader Reward

A total of 53 students earned participation in a wii dance party on January 30, 2013, by earning 100 points by mid-January. The students were: Kyle Davis, Matt Hall, Gray Peterson, Jamario Elam, Desirae McCormick, Devon Redd, Nate Dillon, Sydney Donnigan, Charlie Drinkard, Kaydence Gilbert, Austin Hodge, Emma Howald, Micah Johnson, Da'Meer Mosley, Gabe Nitti, Ibrahim Rahman, Nathan Shippee, Trey Shrock, Makalah Thornhill, Caleb Gunter, Zach Busa, Malaya McCoy, Ashleigh Sigafoos, Connor Swanberg, Corey Williams, Raelyn Allen, Rupert Armentrout, Alex Caruso, Sara Conner, Teala Davis, Morgan Doss, Jacob Hensley, Julia Hounsell, Alyssa Inzeo, Anna Inzeo, MJ Pusha, Brian Ranson, Princess Sanchez, Jacob Taylor, Trevor Willis, Kayla Coleman-Jett, Ja'Kayla Farmer, Raven Isaacs, Berkley Jamerson, De'Marion Mosley, Nevaeh Payne, Nadiyah Abdussalaam, Holden Crouse, Trinity Doss, Bennett Goodman, Logan Mann, Jonathan Moore and Leighla Sams.

Stop Bullying Now!

Appomattox County Public Schools believes RAIDERS DON'T BULLY! But, student disagreements and conflict do not necesssarily mean it is a bullying situation. It is not uncommon for children to experience situations in which they do not get along with one another… That type of conflict helps students learn to resolve differences with others, which is part of the learning process. When bullying may exist, however, we want to act to ensure student safety and a bully free zone. No student deserves to be bullied, and no student should bully another.

Here is how you can help:

My Child is Being Bullied Article from stopbullying.gov

When children are involved in bullying, it is important for parents to be willing to take action.

Children often do not tell their parents that they are being bullied because they are embarrassed or frightened. If you suspect your child is being bullied or your child brings it up, consider these steps:

- **Talk with your child. Focus on your child. Express your concern and make it clear that you want to help.**
- **Empathize with your child. Say bullying is wrong, that it is not their fault, and that you are glad they had the courage to tell you about it.**
- **Work together to find solutions. Ask your child what they think can be done to help. Reassure them that the situation can be handled privately.**
- **Document ongoing bullying. Work with your child to keep a record of all bullying incidents. If it involves cyberbullying, keep a record of all messages or postings.**
- **Help your child develop strategies and skills for handling bullying. Provide suggestions for ways to respond to bullying, and help your child gain confidence by rehearsing their responses.**
- **Be persistent. Bullying may not be resolved overnight.**
- **Stay vigilant to other possible problems that your child may be having. Some of the warning signs may be signs of other serious problems. Share your concerns with a counselor at your child's school.**

Working with Your Child's School

Parents are often reluctant to report bullying to school officials, but bullying may not stop without the school's help. Parents should never be afraid to call

the school to report that their child is being bullied and ask for help to stop the bullying.

- **Know the school policies.**
- **Open the line of communication. Call or set up an appointment to talk with your child's teacher or school counselor and establish a partnership to stop the bullying.**
- **Get help for your child. Seek advice from your child's guidance counselor or other school-based health professionals. They may be able to help your child cope with the stress of being bullied.**

What Not to Do

- **Never tell your child to ignore the bullying. What the child may "hear" is that you are going to ignore it. Be supportive and gather information about the bullying. Often, trying to ignore bullying allows it to become more serious.**
- **Do not blame your child for being bullied. Do not assume that your child did something to provoke the bullying.**
- **Do not encourage your child to harm the person who is bullying them. It could get your child hurt, suspended, or expelled.**
- **Do not contact the parents of the students who bullied your child. It may make matters worse. School officials should contact the parents of the children involved.**
- **Do not demand or expect a solution on the spot. Indicate you would like to follow up to determine the best course of action. Also, be aware that the <u>law limits the ability of school personnel</u> from revealing disciplinary actions taken against other students. Just because they cannot tell you if or how another student was disciplined, does not mean action was not taken.**

<u>February 2013 Calendar…</u>

February 19 and 20

-Otis Lennon Testing 2nd grade

-Please refer to the letter sent home in regards to specific dates for your student.

February 27 – Principal/Assistant Principal Coffee with Parents: Get to Know Our School!

-10 a.m.

-Please call ahead if you plan to attend.

-Space is limited.

February 25 - March 1

-Dr. Seuss activities (check with your child's teacher for participation)

March 7 - Spring Individual & Group Pictures

-Expect picture flyers to come home around the end of February

School Closing and Emergency Information from Dr. Dorinda Grasty, Division Superintendent:

In bad weather and other emergencies, Appomattox County Public Schools (ACPS) notify parents and staff about the status of school schedules in several ways. We utilize the following TV and radio stations:
WDBJ TV 7; WSLS TV 10; WSET TV 13; VWBT 12 Richmond; WRLV 88.3 FM; WFLO 95.7 FM ; WVTF 89.1; WKDE 105.5 FM; WROV 98.3; Spirit 103.7 FM ; WSLQ 99.1 FM ; K92 FM
Parents and staff can also go to http://ww.schoolsout.com/ and then go to "Virginia" to find Appomattox County Public Schools. From this page, a message appears regarding school closure.
We also use an automated calling system, Global Connect, to deliver phone calls to all parents regarding the status of school delay and closing. It would be ideal to be able to notify all parents and staff the night before snow or ice occurs, so childcare plans could be made early, however, in many cases the frozen precipitation may not begin falling until after midnight. We go out into several areas of the county to check road conditions when a snow/ice event occurs. We do our best to make a decision to close or delay by 5:30 a.m. There may be times when there is frozen precipitation in the western part of the county near Concord and no frozen precipitation on the eastern end near Pamplin. In those situations, we must close the entire school division as we must take into consideration all county roads on which our buses and students travel.
On days that we have advertised a two-hour delay and the road conditions do not improve significantly before buses must leave for their route, we may have to move from a two-hour delay to a closed status. We will put out all notifications as soon as possible when this situation occurs.
Should frozen precipitation begin to fall once school has begun, we will close schools as quickly as possible if that precipitation is scheduled to continue.
The safety of our students and staff is very important to us. We take these decisions very seriously and exercise caution when transporting the children of ACPS. Please note the following codes:
Code I - Administrators, teachers, clerical, maintenance, and custodial personnel report
Code II - 12 month personnel report
Code III - Designated central office administrators, custodial, maintenance, and bus shop personnel report
Code IV - No one reports

***Please note that Global Connect Notification is a courtesy. Please refer to the ACPS website and local news stations for the most up to date information.**

Appomattox Primary School
Retention Guidelines/Policy

It is our desire and mission that each student be successful now and in the future. Not every student learns in the same way or at the same rate. Some students may need additional time to master certain skills before being promoted to the next grade level. While it is never an easy decision to retain a student, it is an appropriate decision if the student has not met the grade level requirements for promotion. Appomattox County School Board Policy indicates that many factors should be considered at the elementary level (K-5) including; but not limited to the following:

A. Standards of Learning Assessment scores
B. Progress on grade level subject matter with an emphasis on Reading and Mathematics
C. Academic progress as measured by school assessments
D. Attendance
E. Age
F. Maturity
G. Prior retention
H. Other factors specific to the student

Reference: Appomattox County School Board Policy: IKEC-R

As indicated above, grade level subject matter progress is considered when making retention decisions. Those expectations are described both in the Virginia Standards of Learning (a copy was sent home in the orange folder handbook and can be found at http://www.doe.virginia.gov/) and on the APS grade level requirements sheet (copy in orange handbook folder sent out at the beginning of the year).

If a student is considered for retention, you will be notified by the teacher in January of the current school year. In addition, you will receive a letter from the principal in late January or February. The letter does not mean your child will be retained, but it does mean that retention is a possibility. The teacher(s) will conference with you, if requested, to discuss strategies to help your child meet grade level requirements. If necessary grade level requirements are not achieved by the end of the school year, you will be notified following May assessments.

The teacher will inform you through a conference, phone call, and/or written correspondence. Additionally, you will receive a letter from the principal indicating your child will be retained in the current grade level for the next school year.

Please note the following excerpt from Appomattox County Public School Board Policy in regards to final student placement/retention decisions:

File: IKEC

PROMOTION/RETENTION

Each student should learn the relevant grade level subject matter before promotion to the next grade.

Decisions regarding promotion and retention shall be made by the principal in consultation with the parent or guardian, teachers, and other school personnel. Although final authority for assignment of the student must rest with the principal, it is preferable that an agreement is reached with the parent or guardian that retention is in the best interest of the student.

Performance on the Standards of Learning Assessments shall be used as part of a multiple set of criteria for determining the promotion or retention of students in grades 3, 5, and 8.

Specific criteria for promotion/retention shall be set forth in regulations developed by the superintendent.

Adopted: August 21, 1998

Legal Refs.: 8 VAC, Section 20-131-30, 20-131-40, 22.1-253.13.4

APPOMATTOX COUNTY

Adopted: August 21, 1998

If you have any questions regarding the retention/promotion policy, please contact the APS principal, Heather Mullins at 352-5766.

Superintendent's Message

Dear Staff,

Happy Valentine's Day to you!

The General Assembly convened January 9, 2013 and will continue through February 23. After that time period, the Governor will review legislation. There are many education bills in the works as this Division Digest goes to print. The A-F Grading of Schools Bill passed. The Opportunity Educational Institution Bill, which will allow the state to take over failing schools, was passed by the Senate last week.

Regarding K-12 funding, the House Committee recommended $53.7 Million for the state share of the 2% salary increase for instructional personnel calculated on an effective date of August 1, 2013. School boards can take advantage of this pay increase so long as they provide their share of the pay increase no later than January 1, 2014. The House Committee also recommended $9.1 Million as the state share of a 2% pay increase for support personnel effective January 1, 2014. This will be hammered out and possibly changed before the General Assembly recesses.

I wish to invite you to our February 28 Regular School Board Meeting, which also includes a Public Hearing and Work Session on the 2013-14 budget. The meeting will be held at the CVCC Appomattox Satellite (the old elementary school) at 5:00 p.m. At that time, the public is encouraged to address the Board with comments and suggestions regarding next year's budget.

A Pre-Labor Day opening school calendar was approved by our School Board for 2013-14; however, I want to remind you that if our division does not qualify for the waiver to open before Labor Day, we will be required to follow a different calendar. If needed, a new calendar will be presented to our School Board for approval as soon as we receive word from the state.

Thank you for your input in the Staff Climate Survey and the Calendar Survey. We read and take that feedback seriously, attempting to incorporate staff requests in division direction, staff development, and scheduling, while at the same time focusing on our students.

Whenever I need a recharge and boost, I head out to our schools, our Professional Learning Communities, to watch the amazing instruction occurring. I see truly dedicated and caring employees who teach, guide, transport, feed, and lead our students on their journey in life. Thank you for the job you do in our division for our students.

I hope you enjoy this edition of the Division Digest and may February be a spectacular month of learning and working in ACPS for you.

Sincerely,

Dorinda G. Grasty, Ed. D.
Division Superintendent

Happy Valentine's Day to Teachers and Staff

This special day of love
Calls for a note of gratitude.
And I just want to thank you so
For all the things you do.
You care for your students
And parents alike.
You give all of yourself
To us little tykes.
It goes not unnoticed
Your daily sacrifice.
Your costly work is
Valued at the greatest price.
Happy Valentine's Day!

Upcoming School Board Meetings:

February 14 - Interim School Board Meeting, 5:00 p.m. School Board Office

February 28 - Regular School Board Meeting and Public Hearing on 2013-14 Budget, 5:00 p.m. at CVCC Board of Supervisors Board Room

March 14 - Interim School Board Meeting, 5:00 p.m. School Board Office

March 28 - Regular School Board Meeting, 5:00 p.m. School Board Office

Cafeteria Corner

Niki Kempton, Food Services Coordinator

All Appomattox County Public Schools now accept online meal payments. MySchoolBucks.com allows parents to view their child's cafeteria balance, monitor their purchases and even add money to their cafeteria account. Visit MySchool-Bucks.com for more information.

March 4-8 is National School Breakfast Week. Studies indicate that students who eat school breakfast increase their math and reading scores and improve their cognitive speed and memory. However, fewer than half of the children who receive lunch at school also receive breakfast. To garner increased participation in the School Breakfast Program, Appomattox County Public Schools recognizes National School Breakfast Week. This is a weeklong celebration aimed at increasing awareness of the School Breakfast Program among students and parents. Cafeterias will celebrate school breakfast with special menus, decorations, and school breakfast related brainteasers to help students warm-up their brains. Our breakfast program offers students the healthy foods they need to get set for a busy school day. Every school breakfast served meets federal nutrition standards limiting fat and portion size. This national campaign recognizes National School Breakfast Week, launched in 1989 to raise awareness of the availability of the School Breakfast Program (SBP) to all children and the links between eating a good breakfast, academic achievement, and healthy lifestyles.

Appomattox County Public Schools Recycling Program!

Students will be traveling through the school to collect paper from the recycling bins in each classroom, office, and lounge. We accept mixed paper, which is every kind of paper - except for corrugated cardboard - including magazines, flat cardboard, poster board, white paper, colored paper, etc.

Please remind students that paper products ONLY are allowed in the gray bins.

Business

Steve Edwards, Director of Business and Operations

Budget Process: This year, the state legislature is in the second year of the biennium budget process. This means we should know a final budget earlier in April than last year. Internally, we will be working on numerous budget projections and will adjust those as time passes and the information coming out of Richmond changes.

The current budget, unfortunately, is starting out with a bleak forecast. We have exhausted all of the remaining Federal Jobs Bill Monies ($341,000 in this year's budget). We are also budgeting for a 10% increase in health insurance premiums, three new school buses to replace some in our aging fleet, and working to include an increase in salaries.

Curriculum and Instruction

Annette Bennett, Director

2013-14 Instructional Calendar Approved

Thanks to everyone for your input on the instructional calendar for the upcoming school year. Seventy-nine percent of those responding to the survey preferred Draft #1. Based on your input, the School Board approved that calendar.

As mentioned in the earlier communication about the calendar, should we not get state approval of a waiver to start school before Labor Day, we will use the features of this approved calendar for a post Labor Day calendar. We will notify you as soon as we know about any developments related to the waiver application process.

Thank you for your assistance.

Appomattox County Schools
SCHOOL CALENDAR
2013-2014

Dates	Description	Instructional	Student Holiday	Professional
Aug. 8 & 9	New Teacher Orientation			
Aug. 12- Aug.16	Teacher Workdays and Professional Development (Open House /Fee Day, Wednesday, August 14)			5
Aug. 19	First Day of School

June TBA	Graduation			
	SECOND SEMESTER TOTALS	**89**	**9**	**5**
	TOTAL FOR BOTH SEMESTERS	**180**	**30**	**16**

The Appomattox County Public School Calendar is initially developed around 180 instructional days. Extra instructional time beyond the 990 hour state minimum, however, can be used for early dismissals, late openings, and make-ups. Due to time scheduled beyond state requirements, the first 5 missed days may not be made up. Dates marked by an asterisk (*) above will be used to make up days or hours missed due to inclement weather beyond the first 5. Additional days may be added to the school year. Only in extreme circumstances will days during Thanksgiving, Christmas, or Easter Breaks be used for make- up. Every effort will be made to communicate any calendar change to the school community as early as possible as decisions are made. Exams will be the last 2 instructional days of each semester.
Teachers may be required to report on snow days. Approved by School Board: **1/24/2013**

Curriculum and Instruction, continued

Writing SOL Moves Online

As grades 5, 8 and 11 teachers and students are preparing for the Spring Writing SOL Test, they will be brushing up on their typing skills. All Virginia students will be taking the writing test online for the first time this spring. Writing is the final test to move to an online administration in Virginia. All of the other SOL tests have been administered online for several years. Teachers had an opportunity to use this format last spring in a state-wide field test of the system. Additional practice is available for students through the VDOE website:

http://www.doe.virginia.gov/testing/sol/standards_docs/english/index.shtml

Appomattox Welcomes Visitors to See Differentiated Instruction

On February 6th, Appomattox Middle School and High School teachers welcomed teachers from Perry McClure Middle School. Four teachers traveled to Appomattox from Buena Vista, Virginia to observe our teachers using differentiated instructional strategies. Thanks to the following teachers for opening their classrooms and sharing their professional knowledge.

AMS	ACHS
Carmen Harper	Mary Ann Bennett
Bethany Hunter	Julie Bloomfield
Allison Maxwell	Brittany McLean
Cheryl Servis	Peggy Voorhees
Brittany Thompson	

Remedial and Special Education

Beth Haught, Director

According to Punxsutawney Phil, we are in for an early spring. So, with spring around the corner, summer can't be far behind. With summer on the way, our thoughts turn to Summer School. Summer School 2013 will be held July 8-26. Classes will be held at Appomattox Primary School for APS and AES students and at Appomattox Middle School for AMS and ACHS students. Teacher hours will be 8:00 a.m. – 12:00 p.m. with student hours being 8:30 – 11:30 a.m. at APS and 8:30-11:45 a.m. at AMS. Positions available for all schools include coordinators (1 per school), teachers, and substitutes, with instructional assistants for APS and AES only. Applications will be accepted February 25-March 22. Information will be posted on the division website as well as in each school on February 25. Applications should be returned by March 22 to building principals who will forward them to the School Board Office. Notification of selection will be provided as soon as possible following presentation to the School Board for approval which is anticipated to be in mid-April. Please feel free to contact me if you have questions. See you this summer!

Human Resources

Bruce McMillan, Director

June 2013 License Renewals – This is a reminder for anyone who is up for license renewal this June (2013). Once you have compiled your 180 points and documented that on the License Renewal Form, you must meet with your principal. During this meeting, your principal will ask to see your License Renewal Form and all of your documentation. Once he or she has reviewed your points and documentation, they will initial each section and sign the form. Once they sign the form, a copy should be made for your records and the original should be sent to me. I will give it a quick review and send it on to Richmond. If you are going to use a college course, please attach a copy of the transcript. **I will start processing these in mid-February.** Email me with questions.

Family Medical Leave Reminder – Just a reminder that if you have a medical issue for which you need to be out for several days/weeks/months, please contact your supervisor and Tracy Johnson (Benefits Coordinator). We are legally required to send you Family Medical Leave forms. If you have questions, contact Tracy.

Insurance Update – For those of you who have health insurance with us (medical, dental, vision), this is a reminder about the "Qualifying Event Rule". This is a rule established by the insurance companies which gives employees 31 days from the date of a qualifying event to make changes to their insurance. A qualifying event is a major life event such as the birth of a child, if a spouse loses their coverage, marriages, divorces, and so on. If you experience one of these qualifying events, you have 31 days from that event to make changes to your insurance here. The most frequent example is adding a newborn child. You have 31 days from the date of birth to add your little bundle of joy to your insurance.

Retirement – If you have decided to retire at the end of this school year, or you are considering it, please contact Tracy Johnson. She can provide you the proper forms or she can provide you information that might help you make your decision. VRS tells us that a person who retires should plan on getting their first retirement check three months from the date VRS receives the paperwork.

Technology

Brette Arbogast, Director of Technology

For the first time in the history of Appomattox County Public Schools, a representative from Student Information System (PowerSchool), Mrs. Karen Boudreau, came on site and diagnosed any possible issues with our database. While here, Mrs. Boudreau spent two days with Laura Evans, Information System Specialist. Together they worked on consistency throughout the system and finding ways to make state reporting friendly from all aspects.

Items that were touched on included the following: V-Look up, pivot tables, HTML coding, cleaning up on the back side of PowerSchool, GPA's, family linking of data between siblings, Graduation Plan Progress reports, transcripts, historical grades, customizations in PowerSchool, etc.

Mrs. Boudreau went over System Data Validations and gave examples of reports that can be run to assure the system is running to its best capability. She found our system is very clean and we had very few errors. Thank you to all the PowerSchool Clerks for working so hard to ensure that our data is correct and as up to date as possible.

Power School Parent Portal

The usage of the Parent Portal has grown significantly over the last year. Parents and students have the ability to log into the Parent Portal and view items such as grades and attendance. They also have the ability to email teachers. For information on setting up your Parent Portal login, please contact your school guidance department.

Weather Predictions for February and March 2013
People always ask us at the Bus Shop about upcoming weather events. Some employees enjoy snow days and they believe that we can predict when we will miss school. Unfortunately, we have the same access to weather forecasts as everyone else. News forecasting, the Internet, and communication with NOAA in Blacksburg are our main sources. Our crystal ball is currently out of commission and we can't find anyone to fix it.

A few years ago I saw a show on TV that compared the local forecasters and the National Weather Service with the Old Farmer's Almanac. The premise of the show was that the National Weather Service was only right about 50% of the time on average when the prediction was farther than 24 hours out from an upcoming weather event. The show went on to say that the Old Farmer's Almanac was right about 50% of the time with their long range forecast. So basically they both have the same track record for being correct. Fans of the almanac say its annual weather forecast is accurate between 80 and 85% of the time. I have no way to verify this so I'm sticking with the 50% figure that the non-biased TV show predicted.
